

Billionaire CEO Won't Leave

Chapter 439

"If you go further, it's another town..." Conmobei frowned and looked up at the infusion bottle of musi. It was still early. It was estimated that it would take another hour.

"At home, they dare not start?" Musi Li didn't know what to do, but he still expected that he would be able to avoid being chased when he was at home and abroad.

"Boss, there's a phone call from there. As expected, kangmobei didn't say any false information. Shen Hedan is near Sanchakou, and he has a lot of people with him, but..."

He sat quietly at home and listened to the reports from his subordinates? But what? "

"But only Shen Hedan and his people are there, while kangmobei is not. Shen Hedan has been beaten away by our people." His hands faltered and bowed their heads, looking trembling.

"Isn't conmobei here?" He is always in deep meditation. Recently, he has been very sensitive to all things. He has to think for a long time for any trace.

"Is it to divert the tiger from the mountain?" Shen Shimo thought of the word and stood up and said.

"Ah?" His mouth was open, and he immediately felt like this?

"Useless waste! Tell them to disband! Keep tracking them He growled in silence.

"Much better?" Kangmobei watched the doctor pull out the infusion needle from his hand and asked casually.

Moussili nodded, straightened his sleeves and said, "let's go. Anyway, go and have a look. If it's really not here Let's find a place to spend the night first, and we'll talk about it tomorrow. "

"Well."

Kangmobei reaches out his hand and naturally holds musili. Musili also naturally

holds his hand. I don't know when, even this kind of action has been done naturally.

"Mr. Shen, there is no one around here Why don't we Shall we reconfirm? Is this what Mr. Kang said? " The men who are looking for people everywhere return to Shen Hedan from scattered places, and the expression says that the search is fruitless.

Conmobei was riding his motorcycle, shaking from left to right because of fatigue, barely supporting himself to drive more smoothly.

"Ah..." Conmber looked ahead and made a faint sound.

Musi looked up and saw a lot of people sitting on the ground in front of him.

"Shen He Dan!" He cried.

Shen Hedan was startled at the sound, and quickly raised his eyes to see that kangmobei was riding a motorcycle and was swinging in front of his eyes.

"My God! How did you get there? " Shen Hedan was happy and anxious.

When Kangmo stopped his motorcycle, he saw that Shen Hedan and his men were injured: "you What's going on? "

"We almost have to leave. After you've been waiting for a long time, Shen Shimo has sent someone to come here. Ah, not to mention so many, let's find a place to spend the night first." Shen He dundao.

Musi left standing in the same place in silence. After walking two steps forward, he saw that his side was empty. Looking back, Musi left his face hesitated and seemed to be hesitating whether to follow.

Shen Hedan looked back at Mu Sili without saying a word, and his face was dark.

"Musili, let's go." He called from the north.

Shen Hedan raised a sneer: "you are quite conscious, and you know that no one welcomes you. Even if you mess with yourself, you still Do you know that you almost killed our country? "

Of course, musili knew it, but he didn't know what to say. He was even ready. If he wanted to fight him, he would never fight back.

"Well, musili was just cheated." For the first time in the world, conmber left for mousse.

Shen Hedan looked at Kang Mobei: "this kind of weeds, you help him talk? I'm really blind. I've invested \$1 billion in his Mu family! What about him? Play us like monkeys

"Come on, he's not a wallflower, and he won't be like that in the future. If he hadn't been with me, I would have lost my life. Let's find a place to spend the night. I'm very tired."

After that, Kang Mobei raised his hand to pull Mu Sili's sleeve and left Shen Hedan slowly.

There is a warm current in my heart, as if it's moving.

At dawn, Bai nianxi opened his eyes as if he had been awakened. Then he went downstairs in a hurry, hoping to see the person he wanted to see.

The living room was still empty, not to mention the one she wanted to see.

"Kangmo North..." White read night bitter face, in the heart of hard to name.

With the sound of "Bata", the key opens the door of Kang's family. Bai nianxi looks back at the door. Kangmobei walks towards her with a ray of sunshine and a smile.

Bai nianxi has a kind of dreamy feeling. For a moment, he can't tell whether it's a reality or a dream. He raises his hand and pinches his thigh. Does it hurt?

"Nianxi..." Kangmobei quickly walks to Bai nianxi, raises his hand and holds her in his arms. He sniffs the fragrance of her hair and refuses to let go for a long time.

White read Xi Leng Leng let him hold, reaction for a long time, just think of hands should be on his back.

"Nianxi, it worries you." After they separated, Kang Mobei grinned bitterly and looked at Bai nianxi with a pet.

Bai nianxi's sense of reality came back and saw that it was Kangmo North in front of her. She felt a sense of anger: "don't you think you're going too far! Leave without a word! Don't you worry about me! Do you know how worried I am?" Conmber pursed his lips and nodded: "I'm sorry..."

"Is it useful to apologize?" Bai nianxi criticized, and his face was in pain.

"Sorry..." "Don't be angry. By the way, Musi Li has come back," he said

Hearing this, Bai nianxi sees Mu Sili standing at the door.

Musi Li, with a faint smile, walks slowly to Bai nianxi. Involuntarily, he hugs Bai nianxi.

"I hope you'll be happy. Conmber is worthy of your trust."

Whispered by the ear, even though Musi Li didn't want to leave, he still let go of his hug and finally returned with a blessing smile. Musi Li was a little lonely and ready to leave.

"Wait, where are you going?" Kangmobei asked, looking at the figure of Musi Li.

"I don't know. Maybe I'll go back to the United States or stay at home. My family, I have to protect them."

"Shen Shimo is our common enemy." Commo North Light Road.

After hearing the sound, Mu Sili turned slowly and looked up at Kang Mobei

He remembered what conmbert had said on the road.

[when we go back, let him die.]

it was early morning when she drove to the nearby airport overnight and took the plane back to city A. conmobei didn't want to disturb Bai nianxi's sleep. Besides, she was dirty all over. She would be worried when she saw it.

In Shen Hedan's house, he hurried to wash up and waited impatiently for the day to break. When it was daybreak, kangmobei had already disappeared in Shen Hedan's house. He didn't have to think about where to go.

Shen Hedan was injured all over, and it was hard to take a bath. After leaving the bathroom and having a rest for a while, the secretary came to Shen Hedan with the paper in his arms.

"General manager Shen, Shen Shimo dare not do it in China. I have sent the relevant ultimatum." The Secretary reports.
