

《Billionaire CEO Won't Leave》

Chapter 45

In response, Gao Wanqing was the one who helped her speak. Bai nianxi was also startled.

"Evidence?" Chen Zhou's wife sneers coldly and takes out her mobile phone. It's full of text messages Chen Zhou sent to Bai nianxi, which she secretly photographed. People pass them on one by one. Those words can't help but give people goose bumps.

Everyone felt that Bai nianxi was shameless and should be beaten.

Bai nianxi finally recovered and said with a cold face, "I have nothing to do with your husband. Don't gush. He harassed me first!"

Who would believe it?

Chen Zhou's wife also plans to start, Gao Wanqing has a wooden face, coldly said: "this is the company, not the market, please pay attention to your behavior."

This has no deterrent effect on Chen Zhou's wife. She grabs Bai nianxi's hair and tears it up

Secretary Xing looked at the picture taken by the monitor in the mobile phone of kangmobei, and a heart suddenly raised to his throat.

Kangmobei is holding an early morning meeting. When he just answered a business call for kangmobei and was ready to hang up, probably because kangmobei had been setting the monitoring screen in the background, he inadvertently cut it out and saw this soul stirring scene.

Looking at the expressionless commobei sitting in a high position, I felt chilly.

He rushed out of the meeting room and rescued Bai nianxi from Chen Zhou's wife.

Kang Mobei stood in the office, blue faced, waiting for secretary Xing to bring Chen Zhou and his wife in.

On one side, Bai nianxi's face was red and swollen. Half of his face, which had just

been beaten by Chen Zhou's wife, was swollen, and the corners of his mouth were still stained with bright red blood.

Kangmo North eyes with fire light to see the white read Xi one eye, the whole body momentum is more terrible.

Chen Zhou and his wife were brought in. As soon as Chen Zhou came in, he saw Bai nianxi standing beside Kang Mobei, and Kang Mobei, who was full of Yan's aura, he understood everything.

His whole body trembled. Before he could kneel on the ground, kangmobei had already stepped forward with a fierce momentum and made a big step towards Chen Zhou.

Chen Zhou left a clear footprint on his white shirt. After two rolls on the ground, he got up and knelt down again.

Chen Zhou's wife is still standing, looking at Kang Mo Bei's fight. Chen Zhou feels a burst of anger. She rushes to fight Kang Mo Bei, but Kang Mo Bei kicks her away and falls to the ground.

Conmber took a deep breath, rudely pulled open his chest bow tie and threw it on the ground.

"Cell phones." The voice was gloomy and depressing.

Shivering, Chen Zhou takes out his cell phone from his pocket and kneels down to hand it to kangmobei. Kangmobei opens Chen Zhou's information box and finds Bai nianxi's dialog box.

The naked messages appeared in front of kangmobei's eyes. Kangmobei frowned, and his eyes were a thick mass of ice that could not be melted.

"Is your man as good as me?"

"Would you like to try it on my bed?"

"Wash up at night and wait for me."

.....

These messages were sent by Chen Zhou later. Bai nianxi had gone black at that time and didn't see them.

Kangmobei clenched his fist, clucked his fingers and bones, and his mobile phone suddenly hit Chen Zhou. Chen Zhou leaned back, and a half finger long wound was broken on his scalp, bleeding.

Chen Zhou snorted. In a flash, half of his face was covered with blood.

Still can't help but explain and beg for mercy: "Mr. Kang, this is a misunderstanding. I sent the wrong message. The message was not sent to Miss Bai..."

Before he finished speaking, he was kicked in the face by kangmobei, kicked off a few teeth, and spat blood in his mouth.

Chen Zhou's wife opened her eyes wide. "Do you have any other women? You murderer He rushed over and began to tear up Chen Zhou.

Bai nianxi covers his swollen side face. Looking at the farce in front of him, he just feels sad.

Kangmobei's eyes are full of killing intention, but because Bai nianxi is beside him, he has to restrain himself. He steps back and forth in the room with his hands akimbo.

He raised his head and said to Secretary Xing, "get rid of it."

Chen Zhou begged for mercy, knelt down and hugged kangmobei's trouser legs. He was kicked away by kangmobei. Then he squatted down and leaned down in front of Chen Zhou. In a voice that only two people could hear, he said, "if you mess with my woman, do you want me to save your life?"

With that, Chen Zhou and his wife were dragged out, leaving Bai nianxi alone.

A doctor has arrived to treat Bai nianxi's face.

People in the meeting room were a little scared. Just in the middle of the meeting, conmobair suddenly went out in a hurry. Without conmobair's order, none of them dared to go. They had to wait here.

Conmobei came in again. He was no longer as well-dressed as before. His suit coat had been taken off and his bow tie had been torn off. He was only wearing a white shirt, his chest collar was slightly open, and his sleeves had just been rolled up. It was obvious that he had just moved. Is conmobei going out to fight someone and then coming back?

Thinking that Vice President Chen was called away at the meeting just now, and now he has not come back, the fear in everyone's heart has risen to a new level.

Kangmobei went to the master's seat and waved. Secretary Xing turned on the projector and a picture of a woman appeared on the screen.

It's a photo of Bai nianxi.

"Is it good?" Asked conmobei suddenly.

The following people look at each other, what does commobei mean?

All of you here are human spirits. I know that kangmobei will never ask this question for no reason. Looking at the girl's appearance, she is really outstanding. It is obviously a lie to say that she is not good-looking.

But it's beautiful

No one answered. There was a terrible silence in the room.

"Pretty or not?"

There is still no answer. Everyone looks down at it. No matter whether it looks good or not, it's the right thing not to look at it.

Conmobei sneered, "in that case, you remember."

"This woman's surname is Kang. If anyone dares to take a look more and end up with Chen Zhou, do you understand?"

They nodded busily, relieved for their wise choice, and then mourned for Chen Zhoumo.

Back to the president's office, the doctor has taken care of Bai nianxi. Bai nianxi is the only one left in the office.

Conmber came in and closed the door.

At that moment, Bai nianxi suddenly had the illusion that his life would not be long. It's just that the present situation of komorbei is so terrible.

I used to settle accounts with them. Now it's time to settle accounts with Bai nianxi.

"You're back?" Bai nianxi's voice was not clear because of his swollen cheek.

Kangmobei didn't speak. His eyes were fixed on Bai nianxi's eyes. Step by step, he

forced them slowly.

"Chen Zhou harasses you. Why didn't he tell me?"

There was no answer.

"Do you think I can't solve it?" Kang Mo North has already forced Bai Nian Xi's front, the cold light in the eyes is pressing, "or, you don't mind being harassed by him at all?"

What's the meaning of this? Does that mean she enjoys being sexually harassed?
