After reading Lin Ze's hard work, Shen Hedan sighed.

"So you came here specially to..." Conmobei looked at the representative of fans and asked with hesitation.

The fans' representatives were still excited: "thank you! Thank you

“.....” Kangmobei a little speechless, but inexplicably, a little cheerful heart.

"Can we go and see Linze?" The little fan representative asked with a pleading face.

Kangmobei and Shen Hedan looked at each other for a few seconds, and immediately refused:

"they are recovering and need to stay in the aseptic room for treatment, so as not to cause infection. Your mind will be conveyed when I see them next time. It's not convenient for them to use their mobile phones or make any response. If you need to know their latest news, you can pay attention to Qianqiu entertainment update My blog

"Well then..."

In the early morning, mousse got up early, stood in front of the full-length mirror, and slowly changed his clothes.

In the mirror, he had recovered. Mousse came closer to him and looked at the wound behind his ear.

The wound has scabbed, and moussili can't remember how serious the wound was.

This injury, let Musi naturally associate with the nurse - Qin ruoqing.

[are you busy at work? Do you have time for lunch? ]

mousse takes out his mobile phone and sends a text message to Qin ruoqing.

There was no time for five seconds, and the message was quickly answered.

[good! ]

muossili gave a subconscious smile and was very happy.

In the restaurant near the hospital, Mu Sili and Qin ruoqing sit opposite each other, but keep silent all the time.

Musi is a little cramped for some reason. I don't know where to put my hand.

This kind of nervous feeling, long time no see, mood with a little nervous, also with a little happy.

"Well Thank you for inviting me to dinner. " After a long silence, Qin ruoqing finally plucked up her courage and said her first sentence.

Mousse from the honest smile: "nothing, thanks to your care, the wound has been completely good."

Qin ruoqing bowed her head slightly and said with a smile, "what is there to be grateful for? It's just the duty." Speaking, Qin ruoqing thought that musili invited her to dinner, just for such a simple thing, a small loss, raised in her heart.

"Do you have a boyfriend?" When Mu Sili said this, he was shocked and blushed. He didn't intend to ask such a question. He just thought about it in his heart, but he blurted it out?

"Poof Qin ruoqing laughed happily, "No."

"Ah I, I just casually asked Moussili's awkward explanation.

"Hum..."

Qin ruoqing's mobile phone on her desk is shaking for the third time. She wants to press it off again, and doesn't want to disturb her lunch time.

Besides, the one sitting in front of me is Musi Li.

"Hum." Once again, the cell phone is buzzing.

Mu Sili noticed that she was very busy: "if you are busy, you can eat quickly and go back."

Qin ruoqing hears the news and has to pick up the phone with an unhappy face.

"Eating, emergency? Oh, I see. I'll be right back. Well, goodbye. "

Putting away her mobile phone, Qin ruoqing said: "sorry, I don't have time for dinner. I have to go back. Thank you for your hospitality."

"It's OK. You go." Moussili keeps smiling.

"Ah, by the way, are you free in the evening? Together "K?" Qin ruoqing asked seriously, waiting for a response.

"Good. See you in the evening." Moussili nodded with a smile and answered the appointment.

Qin ruoqing gets a response and leaves in a hurry.

In the evening, Musi thought that many people would come to KTV, so he bought three dozen beers in advance and put them on the table.

As a result, there were only two of them. They felt embarrassed, which was more serious than noon.

"Why do you buy so much wine?" After Qin ruoqing came, she was surprised by the wine bottles all over the table.

Moussili was embarrassed and said, "I thought your colleagues invited me to dinner, so..."

"Ha ha ha!" Qin ruoqing couldn't help laughing, "ah, just the two of us, forget it, drink as much as you can."

In the small room, in order to avoid embarrassment, Qin ruoqing sang one song after another.

In order to avoid embarrassment, Mu Sili wanted to make an appointment with some friends. After thinking about it, he only thought of Bai nianxi and Kang Mobei? And Shen He Dan.

[I'm at KTV, will you come here? Just two. It's embarrassing. ]

when Bai nianxi received the news, he was very confused.

[Mo Bei's back injury is not well, you Play by yourself. ]

[..... ok ]

the rescue operation failed. In fact, Musi Li was worried that they would come, Mingming I want to be alone with her."If you are hurt by her, please thank her for her kindness. If you feel guilty for her, please thank her for her generous tears. Before we met and fell in love, thanks to her for making you mature..."

Qin ruoqing sings brother Zhen's "mylove" with a sweet voice. She is itching to listen to the music. She only wants to hear her sing, but does not intend to sing at all.

After singing a few songs, Qin ruoqing's voice was about to smoke, but mu Sili just sat still.

Qin ruoqing was afraid of embarrassment before she kept singing. Now, she simply kept silent, and the whole room was silent.

Before the embarrassment came, Qin ruoqing said:

"I know who you are. You are the son of Mu group. I used to see you in newspapers and news, but I didn't feel much at that time..."

"Later, I saw you in the hospital. I didn't expect that your heart was beating so fast. I saw you with so many injuries, old and new. I felt a little distressed. Then I had an idea in my heart, thinking Take care of you, because I think you need someone who can take care of you. "

Qin ruoqing said with a serious face, the feeling of surprise and joy mixed in the heart of Musi Li, and the uneasy embarrassment suddenly dissipated.

"I need someone to take care of me? It seems that..." Musi Li recalled his recent past. He was either beaten or beaten. He felt tired and painful when he thought about it.

"I want to take care of you, OK?" Qin ruoqing is braver than Mu Sili.

Mu Sili looked at Qin ruoqing's cunning and serious beautiful face. He nodded his head subconsciously and slowly as if he had been intrigued.

Seeing him nodding, Qin ruoqing was so happy that she wanted to fly up and went straight to Mu Si's arms.

Her heart beat faster, and Musi left her hands and put them on her shoulder

"If you are hurt by her, please thank her for her kindness Before we met and fell in

love, thanks to her, you matured... "

Beautiful heart piercing melody reverberates in Musili's heart. Beside him is Qin Ruqing, accompanying him and walking home slowly.

The villa of Mu family soon appeared in front of us.

"Remember to come to the hospital tomorrow and I'll change the bandage for you." Parting moment, Qin Ruqing said with a smile.

Moussili nodded: "OK."

"Don't think you don't have to come to the hospital when you are well. You haven't been here these days." Qin Ruqing finally complained.

"I see." Mu Sili smiles helplessly and watches Qin Ruqing turn around and leave alone.
