

# 《Billionaire CEO Won't Leave》

## Chapter 46

Bai nianxi frowned, "do you mind if I do, what's your business?"

"None of my business?"

"What are you to me? Why should I tell you? What, you think I'm a slut? Think I'm shameless? "

Bai nianxi with a disappointed sneer, "yes, yes, I am such a person, like to mess with men, private life chaos, what's the matter!"

"What did you say?" Conmobei's face was black, and he pressed forward. He surrounded Bai nianxi between himself and the wall, and his voice gritted his teeth, "say it again."

"I said, yes! you 're right! I'm just dang... "

Before the word "Fu" is finished, Bai nianxi's mouth has been blocked by kangmobei. Kangmobei bites Bai nianxi's lips punitively, and blood comes from their mouths.

Until the breath of Bai nianxi was exhausted, Kang Mobei finally pulled out.

Dumb voice way: "is I too connive at you, so you dare to challenge my bottom line again and again?"

The pain and numbness on the lips have not disappeared. Bai nianxi looks at Kang Mobei with hatred. What's his bottom line? The devil knows what his bottom line is!

One hand pinched Bai nianxi's chin, fingers carefully avoided the red and swollen area on Bai nianxi's face, while unfastening his trousers zipper.

Conmobei's eyes are dim, "look, who's your man?"

With that, he stepped forward.

Bai nianxi frowns deeply and feels pain.

Kangmobei puts Bai nianxi on the wall, holds her hands and starts to move. Bai nianxi feels that there has never been such a pain before, but he still insists on not saying a word.

Kangmobei touched Bai nianxi's face, voice ghost, "even if you are a slut, it can only be me."

Bai nianxi didn't have Li kangmobei for three days. He didn't even want to see him.

Even simply pull out the monitor on her desk and throw it into the garbage can.

Lolo is very happy. Mommy is angry with Daddy. He's really happy. Mommy sleeps with him every day these days. She doesn't sleep with Daddy.

Luo Luo even quietly made a wish. Buddha Guanyin, Buddha of the Tathagata, Mr. God, please let daddy be a little more stupid and annoy mommy from time to time

Looking at the calendar on the table, she marked a red circle under today's day, which was Jiang zhiang's birthday.

Jiang zhiang's birthday, does she want to go back and have a look? I don't know what happened to Jiang zhiang's leg injury

After work, Bai nianxi didn't go back to Kang's house directly. Instead, he went to the cake shop to buy a cake and mentioned it to Jiang's house.

The servant who opened the door seemed surprised to see Bai nianxi, "Bai..." I don't know whether it's Miss Bai or Madam Shao.

Looking back at the room, Miss Gu is still at home with master Jiang today.

"What's the matter?" Bai nianxi is puzzled.

"No, nothing." The servant shook her head. Now she can't figure out which one is the future hostess of the Jiang family, Miss Bai or Miss Gu. "I'll tell the young master."

"No more." Bai nianxi shook his head. "I'll go in myself, and you'll help yourself."

The servant looked embarrassed. After thinking about it, he retreated.

Some of them were worried about what might happen next. In order to make up for the young master and Miss Gu, the old lady made an excuse to go out earlier, just to give them a separate space to get along with each other

Bai nianxi walked into the house slowly. She didn't come here for more than 20 days. She felt that it was going to become something she didn't know. From furniture, furnishings, style, even the taste of the house, it was no longer what she was familiar with.

There seems to be no one at home.

Isn't today Jiang zhiang's birthday? Why is the home so cold?

Suddenly, I noticed that there were candles on the stairs, small candles on the left and right sides, extending to the upstairs.

Bai nianxi followed the trace of the candle and went up the stairs. The candle extended to the door of Jiang zhiang's room.

Inside came the voice of a man talking to a woman. Bai nianxi recognized that it was the voice of Jiang zhiang and Gu xuanlin.

"Happy birthday, zhiang." Gu xuanlin's voice sounds very gentle.

"Xuanlin, thank you."

"Zhiang, you know, I like you all the time. I like you very much..."

"I know, it's just..."

Gu xuanlin interrupted Jiang zhiang's words, "I want to accompany you all the time. You see, recently, I've been around you. We get along well. You can also try to accept me. How can you know we can't do it if you don't try?"

In silence, Jiang zhiang did not speak.

For a long time, there seemed to be some sound inside.

Bai nianxi's hand trembled unconsciously. She couldn't tell what she felt in her heart at the moment. She just lifted it up involuntarily, and then gently pushed open the door between her and Jiang zhiang. Seeing Jiang zhiang sitting in a wheelchair, Gu xuanlin holds her hands on Jiang zhiang's shoulders, and her lips are printed on Jiang zhiang's lips. Jiang zhiang seems to be half pushed.

The cake in his hand fell to the ground with a slap, which interrupted the emotional interaction between Jiang zhiang and Gu xuanlin. When Jiang zhiang saw Bai nianxi standing at the door, his face was shocked at first, and then became a kind of urgency.

Turning the wheelchair, Jiang zhiang comes to Bai nianxi and says, "nianxi, why are you here?"

Bai nianxi came back and said in a low voice, "today, isn't it your birthday?"

"Are you here for my birthday?" Jiang zhiang seems a little happy. Bai nianxi still remembers to celebrate his birthday!

Bai nianxi looks at Gu xuanlin standing in the room. Gu xuanlin also looks at her. The emotion in her eyes is a little complicated and can't be explained clearly.

Now it seems that she was abrupt. She disturbed Jiang zhiang and Gu xuanlin.

"Well, I'll see if your legs are any better. By the way, happy birthday It's nothing more. I'll go first. "

Seems to be afraid of disturbing Jiang zhiang and Gu xuanlin, Bai nianxi finished, turned and went outside.

Jiang zhiang holds Bai nianxi and refuses to let her go. "Nianxi, let me explain..."

"You don't have to explain to me." Bai nianxi bit his lip and finally said, "zhi'ang, who are you with? It's your freedom, although before we I've been engaged, but legally, we still have nothing to do with each other. "

"Who do you want to be with? I won't stop you. Just be happy."

Gu xuanlin, who has been standing silently behind her, moves slightly. Bai nianxi, what does she mean? Do you want to give Jiang zhiang to her?

Jiang zhiang looks at Bai nianxi's face in disbelief. How can she say such words?

They're engaged. They're husband and wife! Destined to be husband and wife!

What is his freedom about who he wants to be with? What does she mean she doesn't stop? What does she mean? Is that what she should say as his fiancée? If she loves him and sees him with other women, why not be angry?

She's changed. She's really changed. She's changed since she went to conbmer!

"I won't!" Jiang zhiang almost roared out, "I won't let you go!"

I didn't expect that Jiang zhiang, who has always been as warm as jade, could be so emotional out of control. Bai nianxi and Gu xuanlin were a little confused.

"Zhiang..."

"Bai nianxi, tell me, what am I in your heart? Have you ever really loved me? "
