

Billionaire CEO Won't Leave

Chapter 464

"Well, let's forget about the past." Conmobei whispered to musili.

Kang Liqing didn't think so. Hearing the sound, he was inspired again.

"Now the retribution has come, and you finally know how bad you have done? Hum! I will never forgive you all my life!" Kang Liqing clamored.

Musili left hanging his head, can't get forgiveness, with get forgiveness, whether the depression in the heart will be different, Musili left also don't know.

At least repent and feel better.

"Sorry, I'm There is no younger sister. It hurts so much. It hurts so much I'm sorry Musili tried not to cry.

Musili sincerely repented of what happened to Lord Kang before. Because he felt the same way now, he understood how painful the Kang family's heart was when they were in court.

After Kang Liqing's clamour, he glanced at Musili's expression. His expression, a look at it, would make his heart a little sour.

I don't want to forgive him, but I can't help but feel pity for him.

"All right, Dad," said Conmobei, interrupting the atmosphere with a relaxed tone. "Musili, sit down."

"Pour tea for the guests." Bai nianxi whispered to the servant.

Musili sat on the sofa, and Conmobei sat next to him, silent for a few seconds. Conmobei said again:

"I've forgiven you for a long time. To forgive you is to let myself go, so I feel much better. Thank you for coming to apologize now, Musili."

Musili left the accident and turned to look at Conmobei.

"Don't blame yourself. Let yourself go and live a good life. You are not alone. You have your father and Qin ruoqing After that, he smiles at musili.

Kang Liqing was surprised that his angular, cold and domineering son had become so soft and gentle?

His words also made Kang Liqing suddenly.

As if the knot has been untied, are not willing to put down their own, put down, the heart head is happy.

Mu Sili nodded thoughtfully. Even though he stood up in a hurry, he didn't say anything more and left Kang's house.

This scene of the Kang family seems a little puzzling, but everyone who understands it knows it.

"There is no movement in the Mu family."

A few days later, in the evening, Bai nianxi came home from work. After dinner, he sat on the sofa and chatted with Kang Mobei.

Kang Mobei shook his head: "I don't know. I don't think we will be invited to Mu Rushun's funeral."

Bai nianxi nodded in agreement. After all, there was something before. Even if he had forgiven Mu family, Mu Sili didn't understand these.

"I have to go to bed early. There's a lot to do tomorrow." After chatting, Bai nianxi stood up and walked to the second floor.

The next morning, the tranquility of the Kang family was broken by a quick knock on the door.

"Dong Dong!"

"Madame, young master, are you awake? There are guests at home

Outside the bedroom came the knocking and questioning of servants.

Bai nianxi was awakened. He immediately tidied up his pajamas and opened the door: "who's here?"

The servant shook his head. "I don't know, but the young lady said it was Mr. Musley's friend."

"Oh, I'm coming down."

Bai Nianxi closes the door and wakes Kangmobei in a hurry.

Qin Ruoqing came and sat in the living room of Kang's family. When she went to Mu's home for the first time, she would observe the appearance of the Mansion because of her curiosity.

But in Kang's family, she didn't have this idea at all.

Seeing that Bai Nianxi came downstairs in a hurry, Qin Ruoqing stood up and said, "I'm sorry to disturb you. Excuse me. Do you see Sili? He won't go home for days."

Bai Nianxi hears a voice to doubt: "Did not see, you are?"

Kangmobei saw Qin Ruoqing, subconsciously smile, happy smile.

"I haven't seen Musi leave in recent days, but he hasn't even returned home?" Qin Ruoqing's worry makes Kangmobei a little concerned.

Qin Ruoqing was nervous again and stood in the same place at a loss. She frowned and said, "He didn't come back home. He will go there. I've searched all over, and I can't find him."

"Don't worry. I'll call my friends and ask them."

Kangmobei thought for a moment, and immediately connected to Shen Hedan.

"Hello, have you seen Moussili recently?" After the phone was connected, Kangmobei asked directly.

"Oh, Musili, I came the day before yesterday. What's the matter?" Shen He Dan asked.

Kangmobei nodded: "What is he looking for you for?"

"He came to ask me about Yao Mei's investigation. I showed him all the documents. After reading the documents, he left." Shen Hedan made a simple statement.

"Well, I see."

Kangmobei hung up and immediately began to look worried - he won't be. Did you go to

find Yao Mei?

In order to avoid worrying Qin ruoqing, kangmobei specially modified Shen Hedan's words and then said to Qin ruoqing: "I asked my friend just now. He said that mousse would come back in a few days after he left to help him. He didn't say hello to you because he wanted to do something private. Don't worry too much. I'll let him contact you when I get in touch with him."

Looking at the soft voice and peaceful face of kangmobei, Bai nianxi was puzzled - who was the woman in front of her?

After a little comfort, kangmobei sends Qin ruoqing away and tells her to take good care of Mu Liancheng, kangmobei returns to Bai nianxi.

"That girl's name was Qin ruoqing just now. She was musili's girlfriend." Kangmobei already knew Bai nianxi's doubts, so he took the lead in saying.

"Oh, so it is..." Bai nianxi suddenly felt a little happy. Musi Li has never been in love. Now, as a friend, he is really happy for him.

"But where on earth has moussili gone?" Bai nianxi put away a trace of comfort and continued to ask cautiously.

"I suspect that mousse left to look for Yao Mei. That woman is already a crazy woman..." Conmber looked sad.

"What? He said, "what..." Before he finished speaking, Bai nianxi suddenly remembered that a few days ago, Musi Li came to apologize in person.

It seems that just a verbal apology, musili is not satisfied, at least to do something in essence, just enough to repent?

"No, he's too dangerous to find alone. It's ok if he finds it At least I don't want mousse away from crime. "

After that, he hurried back to his room to change his clothes, and then left the house.

Shen Hedan was confused by the unexplained call from kangmobei. As expected, his office soon welcomed kangmobei.

"What did you show him? Let me see. I suspect that moussili went to find Yao Mei himself. " The Kang Mo North tightly Cu eyebrow urges a way.

Shen Hedan was speechless and had to put the thick stack of documents in front of

Kang Mobei.

"The longest document he read that day was this one." Shen Hedan's mind is delicate, which can be used again.

After receiving the document, conmobei took a look at it and understood the general content of the document - it was a briefing.

This briefing reports on the search of all countries that have no extradition treaty with China. Without exception, all countries that have no extradition treaty with China have not found Yao Mei's whereabouts.

Where to find mousse? Conmobeim fell into thinking about this problem.
