

# 《Billionaire CEO Won't Leave》

## Chapter 47

Bai nianxi is stunned, love?

Love? Does she love him?

It seems that all along, she has been used to his company. She appreciates his company and his kindness to her. Therefore, she accepted him, fell in love with him and got engaged.

But love?

"Why, why don't you ask me to explain when you see me with other women? I'd rather you beat me and scold me, but why do you have nothing to do with you? "

When Jiang zhiang said this, Gu xuanlin's heart ached. Was she such a position in his heart? But she is sincere to him. She has no reservation.

Bai nianxi didn't speak. Her wrist was tightly held by Jiang zhiang, but she didn't seem to feel it at all. Suddenly, the other wrist was tightly held.

Deep voice sounded in my ears, "white night."

It's comber.

Conmo North frowned, eyes first fell on the ground was broken cake above, "why did not tell me to come to the river house."

Jiang zhiang's face became more excited when he saw the appearance of kangmobei. "Let go of my fiancée!"

"Fiancée?" The corner of his mouth in the north of commo starts a cold radian and looks at Bai nianxi.

In Jiang zhiang's astonished eyes, Bai nianxi slowly gets rid of Jiang zhiang's hand.

"Zhiang, you had a car accident. When you were in the hospital, aunt Yao had already told me about the dissolution of the engagement..."

"White night!"

"I didn't promise at that time, but now I think we can really think about it." It can be seen that Gu xuanlin is sincere to him, "zhi'ang, you should be with a woman who you like and also likes you. She can make you happy..."

"White night!"

Bai nianxi didn't say any more and turned to leave.

She thought, she is not qualified to be Jiang zhiang's wife again, so let him be happy.

Kangmobei's eyes are dim and he leaves with Bai nianxi.

Walking out of the Jiang family, Bai nianxi struggled to get rid of Kang Mobei's hand. "Can Mr. Kang let go now?"

Conmo North eyes burning, "why open?" He held on to another point.

Bai nianxi stares at Kang Mobei, and his eyes suddenly gush endless hatred. It's all because of him!

"Do you mind?" Kangmo looked into Bai nianxi's eyes with a gloomy voice.

Bai nianxi didn't speak. Kang Mobei said, "are you sad?"

After shaking the hand of Kang Mo Bei, Bai nianxi just turned his head to one side and didn't look at Kang Mo Bei.

The next moment, he was picked up by kangmobei and carried into the car waiting for him. Secretary Xing was driving in front of him.

"Bar." Said conmber.

Late at night, VK bar.

It's the biggest night city in a city, and it's also the most popular place for high-class people like your son and young master in a city. It's only because you need money and strict identity restrictions to get here.

No money? no way. No identity? No way. No money, no status? No more.

The swaying wine glass, the graceful dancing girls on the stage and the sexy music

reveal the unique style here.

Bai Yuhao ordered a glass of red wine and sat at the bar, shaking his head and looking around. Not to mention that the rich people are really different, they come out to take a dip, and everyone is in suits. The girls who come here are also very noble, totally different from the girls in ordinary bars.

So many rich people, who is he looking for? Bai Yuhao carefully selected his target.

Finally, he took a fancy to a girl, took a picture of her on the reflective wall, sorted out her hair and clothes, recalled the chat up lines that he had already prepared, and walked forward.

"Hey, miss..."

.....

"Ah, ah!" Before Bai Yuhao could finish his carefully prepared opening speech, two strong bodyguards beside Wen Xin had already driven Bai Yuhao.

"Ah! What are you doing! Let go! Let go

Wen Xin Jiao didi took off the sunglasses on her face, and her voice was also Jiao Didi, "where is this wild man from? Do you still want to hook up with me?"

Bai Yuhao saw clearly that the man he just talked to was Wen Xin! Today's hottest female star! I heard that it's so popular that nine out of ten people you meet when you walk around the street are her fans!

"Go and tell my godfather that someone is harassing me here." Wen Xin hung the sunglasses on his hand and said with disdain.

"Miss Wen! Miss Wen Looking at the situation is not right, Bai Yuhao quickly asked for mercy, "I'm wrong, I'm wrong, I have eyes, don't know Taishan, please forgive me!"

Wen Xin snorted and said to the bodyguard: "go! What are you doing? "In a hurry, Bai Yuhao suddenly glimpses a familiar figure on one side of the bar, which is Lu Yichen!

"Brother Yichen! Brother echen

Lu Yichen was sitting beside him with a glass of red wine in his hands, when he suddenly heard someone calling out to him. He looked to the side that made the sound. This is Bai Yuhao? Bai nianxi's half brother!

Looking at Bai Yuhao seems to be in trouble, Lu Yichen puts down his wine glass and comes over.

Wen Xin's proud and cold face changed when he saw Bai Yuhao. Lu Yichen!

After understanding the whole story, Lu Yichen said to Wen Xin, "this Mr. Bai is a friend I know. Why don't Miss Wen give me some face for Lu? Let him go for a while."

With Lu Yichen's plea, Wen Xin certainly didn't pursue it any more, but his big eyes fell on Lu Yichen, risking countless pink hearts

Bai Yuhao quietly sniffed in the bottom of his heart: cut, don't you think he has no money? A dog's eye is low on a man. Suddenly, the gate of VK bar was opened, and someone came in. After coming in, they went directly into the VIP channel.

It's a man in a suit, cold as an emperor, holding a woman in his arms, just the woman's face. How does he look familiar?

After rubbing his eyes, the man had disappeared around the corner with the woman in his arms, leaving only a side face that flashed by. However, it was still like Bai nianxi

After taking a picture of his head, what do you think? How can it be Bai nianxi? It's a VK bar. It took him a lot of effort to get a fake pass. Just now, the man was still walking through the VIP channel, which means that he is a powerful man among the powerful. How can Bai nianxi catch up?

However, after looking at Lu Yichen, the rich young master Lu also takes a fancy to Bai nianxi? It's not impossible to like it for so many years.

Anyway, Bai Yuhao has changed his next struggle plan. How can he almost forget that he has a half sister?

Kangmobei has been carrying Bai nianxi into the VIP box. As soon as she enters the box, Bai nianxi struggles fiercely to get off kangmobei. Just now, she is not easy to break free outside. The more she breaks free, the greater the movement. She doesn't want to attract people's attention.

"What are you bringing me here for?"
