

# 《Billionaire CEO Won't Leave》

## Chapter 48

Conmobei went to the sofa and sat down, "drink."

"Drink?" Bai nianxi is puzzled, and sees the box door being opened. The waiters in work clothes, each with a bottle of wine in their hand, fish in from the door.

There are all kinds of wine, red wine, brandy, whisky, vodka, tequila It's full on the table.

Bai nianxi looks at Kang Mobei warily, "what are you doing?"

Conmobeir had poured himself a glass of brandy, looked up and drank it without saying a word.

Today, he first waited for a long time in the downstairs of the company. He didn't wait for Bai nianxi. When he came back home, he still didn't find any trace of Bai nianxi. Thinking of the sudden disappearance of Bai nianxi five years ago, he began to panic.

Finally, let him find Bai nianxi in the Jiang family, he thought Bai nianxi was to run back to Jiang zhiang's side, angrily came to important people.

I didn't expect to see the cake on the ground. It turned out that she had come specially for Jiang zhiang's birthday.

The feeling in my heart is not anger and anger, but disappointment and sadness. Then he saw her refuse Jiang zhiang, and saw her cover up her sadness and loss

After drinking several cups in a row, he finally looked at Bai nianxi. The smile on his face was not clear, "are you sad for him? I'll get you drunk. "

Bai nianxi hissed, "do you want to drink when you are sad?"

"What do you want to do?" Conmber poured another glass. "Go to him? Tell him not to be with other women? Tell him not to break his engagement with you? "

Bai nianxi frowned, "didn't you hear that just now? I'm the one who says I'm going to leave. "

"Oh." Conmobei poured down the wine in his hand, "right and wrong."

Clenched the fist in the hand, white read Xi to wish to give Kang Mo North a fist like this, he knows her very well? Why do you think you know what she thinks?

"Here, drink." Kangmobei handed Bai nianxi a glass of brandy, but Bai nianxi didn't pick it up. Kangmobei poured another glass of whisky and handed it to her, but Bai nianxi still didn't pick it up.

"Or not? Well, drink this. " Conmber poured another vodka and put it in front of bainianxi.

"Conmbe, that's enough!" Bai nianxi was a little excited and knocked off the wine in the hands of Kang Mobei. The wine cup fell to the ground and made a sound of breaking. The box was filled with strong wine.

The eyes of Kang Mo North constrict, bully a body to come forward suddenly, white read Xi to press under the body. "Tell me how much you like him?"

A strong aroma of wine came, Bai nianxi frowned, impulsively, almost said "tell you what? What does it have to do with you? " In that case.

Just looking at Kang Mo Bei's tight face, tiny pupil, deep in his eyes, there seems to be some hidden emotion surging. Bai nianxi suddenly feels that he can't see through.

What you say becomes "why do you want to know?"

Kangmobei breathes out a breath, and the warm smell of wine sprinkles on Bai nianxi's nose. Kangmobei's eyes fall on Bai nianxi's face, like looking at a work of art that has been treasured for a long time and has nothing to do with him.

"I want to know how far away I am from you."

Bai nianxi's face is numb. I don't know why, I feel numb even my heart.

"Is there any shortcut that can be closer to you..."

.....

Kangmobei's eyes were slightly shaken, and he seemed to be in a trance. "Will you like me?"

What the hell is this! Is it true that such sentimental words come from the mouth of commo north, who is always cold and only knows how to lose his temper? Bai nianxi can't believe it.

I can't believe it, but my heart is pounding.

In Bai nianxi's dazed eyes, Kang Mobei's head slowly lowers, and her thin and cool lips are printed on Bai nianxi's lips. I don't know why, it's obviously warm and cool, but Bai nianxi feels hot, and her whole body is about to burn.

Kangmobei sticks out his tongue and gently licks Bai nianxi's lips. It's like a little cat grinding people. It's gently testing, seducing and suppressing.

After waiting for a long time, kangmobei didn't take the next step. Bai nianxi gently pushed away kangmobei and found that his eyes were closed and he had gone to sleep.

Probably drunk.

It seems that she is a little bit lost. However, in an instant, Bai nianxi reacts. What was she expecting just now? Looking forward to her kiss? Even further action on her!

She must be crazy.

The eyelashes of the sleeping kangmobei trembled. In fact, he was the one who was right and wrong, and he was the one who wanted to drink to relieve his worries.

Walking outside the bar with Bai Yuhao, Lu Yichen asked, "how did you come here?"

Bai Yuhao grinned and said, "Hey, brother Yichen, you know, I'm here to make a living."

"By the way, brother Yichen, are you still in touch with my sister? Can you tell me where she is?" Lu Yichen's pupils shrink. He remembers that Bai nianxi's family conditions are somewhat complicated. When she was five years old, her mother died of illness. She lived with her father, who later asked for a wife and gave birth to a younger brother.

Bai Yuhao is Bai nianxi's younger brother. In the past, he remembered that the relationship between his sister and brother was not very good.

"What do you want from your sister?"

"Brother Yichen, look what you said. She's my sister. I can't find her yet?" Bai Yuhao

poked Lu Yichen's arm with his elbow and said with a flattering smile, "right? Brother in law? "

Lu Yichen frowned, "I'm not your brother-in-law. For the sake of your sister's reputation, you'd better not yell. Besides, I don't know where your sister is now. I haven't contacted her for many years

Bai Yuhao looked at Lu Yichen with disbelief. Did he cheat him?

With that, Lu Yichen turned and walked in. Before he went in, he finally said, "by the way, don't come here again. This is not the place you should come. It's a fatal trouble for you to get into trouble with people you shouldn't have."

Looking at Lu Yichen's back, Bai Yuhao nuzui, cut, don't say, he can't check himself?

When conbmer woke up, he was in his own room.

It was Bai nianxi who called Secretary Xing. They carried him back.

It has to be said that after he got drunk, he was really the best. Unlike other people who would be drunk and noisy, he just fell asleep quietly and even had a kind of cute feeling.

Bai nianxi thought that it would be hard to take care of the drunken kangmobei, but he didn't expect that it was inexplicably easy.

Open your eyes, Bai nianxi saw the expressionless Kangmo North standing in front of you, arms in both hands, holding her high.

Thin lips gently open, "wake up?"

"Well." Bai nianxi got up from the bed and saw the questioning eyes of Kang Mobei. He couldn't help feeling speechless.

What's the meaning of this look? What did she do last night?

"Conmbe, you were drunk last night. I brought you back!"

A chill came. Obviously, kangmobei thought of Bai nianxi's going to Jiang's last night.

"Do you know how hard it is to take care of you when you are drunk? Secretary Xing and I managed to move you back, and I took care of you all night. What do you mean by the way you look at me? "

Took care of him all night? Kangmobei's eyes slightly picked, and his mood was a little better.

Bai nianxi got out of bed, "forget it, I won't tell you. I'll go back to my room and have a rest."

Kangmobei took Bai nianxi's arm and said, "wait a minute."

Bai nianxi doubts.

"What didn't you do to me at such a good chance?"

.....

Sure enough, last night was a delusion, and it was the abominable kangmobei.
