

# 《Billionaire CEO Won't Leave》

## Chapter 55

Bai nianxi was transferred to kangmobei as an assistant. Of course, none of the people in the company didn't know that this assistant was not that one.

Things are still not as good as Bai nianxi hoped, but worse. In the past, Mo Zhixi occasionally came to her to find fault and make trouble. Good words and bad words are at least words.

Now, no one in the whole company dares to talk to her. As soon as they see her, they want to bow 45 degrees and then stay away, especially the male employees. They are afraid that they will not see Bai nianxi the next day.

Bai nianxi almost has the idea of resigning, but our president Kang seems very happy for his wise decision.

Bai Yuhao calls again to urge Bai nianxi to help him find a job.

In fact, it's not difficult to arrange a job, especially for kangmobei. It can't be easier. However, Bai nianxi doesn't want to accept the favor of kangmobei any more.

I looked at the note in my hand. It was a string of telephone numbers.

It was the last time I met Lu Yichen in the shopping mall. Lu Yichen left it to her. I saw Lu Yichen again after five years. It seems that there are some differences.

What Lu said gave her a strange feeling that something had gone wrong, but she didn't know.

After thinking about it, I dialed the phone number in my hand and asked Lu Yichen for help. It was better than asking Kang Mobei for help.

"Hello." Lu Yichen's warm voice came from the other end of the phone.

"I'm Bai nianxi."

"Nianxi?" Lu Yichen seems to be very surprised, he left her a number for so long, this is her first call. "What can I do for you?"

Without saying too much to Lu Yichen, Bai nianxi went straight to the theme and expressed his hope that he would help Bai Yuhao arrange a job.

Lu Yichen readily agreed to come down, and the voice on the phone was a little bright, "is there anything else?"

Bai nianxi shook his head. Thinking of this, Lu Yichen couldn't see it, he said, "no more."

"No?" Lu Yichen pretended to be disappointed and hissed, "I thought you were going to tell me you missed me."

Sure enough, Lu Yichen is the one she is familiar with. Bai nianxi rolled his eyes and said, "I miss you a big head ghost."

Lu Yichen hehe, in fact, he has a question in his heart. Last time I saw her fiance named zhiang in the shopping mall, she had a good appearance, dressed well and talked well. Why didn't she ask him for help, but she asked him?

Although puzzled, but did not ask, and began to mischievous, "don't worry about it, you will, small must do this thing well, guarantee your satisfaction."

"I want to kill you."

After hanging up the phone, Bai nianxi stood in the same place for a while. In fact, she was very grateful for Lu Yichen's thoughtfulness. She was so considerate that even if she hadn't seen him for many years, she asked him for the first thing she wanted, but he didn't make her feel any burden.

After giving Bai Yuhao a message and letting him listen to Lu Yichen's arrangement, he turns and walks to the office.

All of a sudden into a hard chest, is the north.

"What are you doing here?"

"No, nothing." Somehow, Bai nianxi felt guilty, as if he had been caught cheating on someone. Then he reacted and wanted to slap himself in the face.

Guilty what? Why should be guilty?

Damn, Bai nianxi, are you really brainwashed by commobei? He said it's you, man is that man? He doesn't know if you're in touch with people, so you're not? What's the

point of being guilty? Unmarried men and unmarried women, fair and aboveboard, OK?

Kangmobei didn't notice the abnormality on Bai nianxi's face. His face was a little serious. He said to Bai nianxi, "you just have a rest in my office. I'll do something."

"What's the matter?" Bai nianxi pulls kangmobei's sleeve.

"The person who took the picture last time found out. I'll deal with it."

"I'll go with you."

Conmber thought about it and nodded.

Bai nianxi's heart is filled with a little joy. I don't know if this man is mo Zhixi? Mo Zhixi really dislikes a little too much. It's better to take this opportunity to teach her a little lesson.

But when he comes to the meeting room, Bai nianxi sees that the person sitting on the sofa is not Mo Zhixi, but Gao Wanqing!

Gao Wanqing is still a cold face, see Kang Mo north into, stand up and bow his head greetings: "Kang general."

The person found out by Secretary Xing is Gao Wanqing. It's said that there are all kinds of human and material evidence. In Gao Wanqing's private folder, he found a photo of Bai nianxi and Secretary Xing, and witnesses saw Gao Wanqing posting photos on the billboard downstairs.

"He said Kangmobei throws the photos on Gao Wanqing and looks angry.

"I didn't take the picture." Gao Wanqing has no expression.

"Not you?" Kangmo North Light raised the eyebrow of one side, called Secretary Xing in.

At the moment of seeing Secretary Xing, Gao Wanqing's cold face finally wavered slightly. "You found it in her folder?"

Secretary Xing nodded.

"It's not you. Why is it in your folder?" Kangmobei looks rebellious, and his brows reveal a faint anger and impatience. "If you deny it, tell me why you collect these photos."

Gao Wanqing hung his head and his face turned red. She didn't take the photos. The photos in the folder were put in by herself. The reason is that

Seeing this, Bai nianxi almost understood. Inexplicably, she believed in Gao Wanqing.

"I believe in her." Bai nianxi suddenly makes a sound.

Kang Mobei and Gao Wanqing had some surprise on their faces.

Bai nianxi said: "it's not that there are witnesses. Bring the witnesses to ask."

When the witness came, it was Mo Zhixi, as Bai nianxi had expected.

Mo Zhixi said that he worked overtime that night and went back very late. When he got off work, there was almost no one in the company. When she came to the door of the company, she saw Gao Wanqing standing in front of the billboard with a pile of photos, as if waiting for someone. When she saw her, she hid the photos in a panic.

"You're bullshit" Gao Wanqing retorted with some gaffes.

She is a person who is aloof and steady. She has never been wronged. She is not as excited as she is now. Only because Secretary Xing is still standing by, she doesn't want to be misunderstood by him.

The monitor at the door of the company just escaped the billboard. Without monitoring, Mo Zhixi's testimony is particularly important.

"Who didn't know that you had a conflict with assistant Bai on the first day of work, looked down upon assistant Bai as airborne, looked down upon her working ability, and made sarcastic remarks?"

"Later, Minister Yang handed over your responsibilities to assistant Bai, but you were so angry that you made a mockery of assistant Bai."

"On the first day of work, Luo Shengmen, assistant Bai said she didn't do it, so someone had to do it? Since it's not her, who else can it be? Who knows if you set up assistant Bai because you are jealous? "

"What's more, depending on what you think of secretary Xing, you also have the motivation to do so!"

Mo Zhixi's words, all of a sudden will pour dirty water on Gao Wanqing's people, it is a word to kill the heart, Gao Wanqing can not refute.

Kangmobei nodded his head. He thought what Bai nianxi said was reasonable.

Then seriously said: "after that, you don't work in the Propaganda Department, come to me, just lack a position for you."

Bai nianxi died.
