

# 《Billionaire CEO Won't Leave》

## Chapter 56

Looking at Mo Zhixi's attitude, Bai nianxi sneers at the bottom of his heart. The more Mo Zhixi is like this, the more Bai nianxi believes in Gao Wanqing.

When Mo Zhixi finished speaking, the atmosphere suddenly solidified to freezing point. Kang Mo's face was cold. He had known for a long time that someone in the propaganda department had been playing tricks on Bai nianxi. Now he found out who it was. Of course, he had to deal with it well.

"Wait, I remember, don't we have a lot of monitoring in our office?" Bai nianxi suddenly said: "it's better to check the monitoring of the office and see if the witness is wrong."

Mo Zhixi's face did not change. That night, in order to post photos, she was the last one to get off work in the office. At this time, she was not afraid to check in Bai nianxi.

Secretary Xing has actually checked the monitoring, but since Bai nianxi has spoken, he still takes out the monitoring and looks at it again.

It can be seen from the monitoring that after six o'clock, people began to leave work one after another. Mo Zhixi didn't get up until the office was empty.

Seeing this, Bai nianxi suddenly asked, "no, if someone wants to post photos, shouldn't they wait until the last one to leave?"

Mo Zhixi hissed, "maybe she thought everyone else was gone?"

Bai nianxi let out a cry and continued to watch the surveillance. She remembered that Gao Wanqing had a habit of reporting to Minister Yang after work every time. The surveillance on that day showed that she left so early, which was abnormal.

Mo Zhixi didn't understand Bai nianxi's practice, but suddenly he saw that the monitoring time showed that one hour after Mo Zhixi left work, Gao Wanqing returned to his desk with a pile of information, and then began to pack up his things to get off work!

"What's going on?" Bai nianxi asked deliberately.

"I came back after posting the photos." Mo Zhixi still has a hard tongue.

"I'm talking about work in Minister Yang's office!" Gao Wanqing looks serious. If she can't figure out who's planting and framing herself here, she really has a ghost.

Kang Mobei called Minister Yang directly, and Minister Yang confirmed Gao Wanqing's words.

All the spearheads point at Mo Zhixi again, and the truth is self-evident.

Apart from the people who really post photos, who would be bored enough to make perjury to frame others?

No matter how much Mo Zhixi refutes for himself, Kang Mobei does not have the patience to listen any more. He directly asks Mo Zhixi to leave. By the way, he explains that all of Kang's subsidiaries and affiliated enterprises can no longer employ Mo Zhixi. Whoever uses her will leave.

"Thank you today." Standing at the door of the reception room, Gao Wanqing says to Bai nianxi.

Although Mo Zhixi's testimony is not perfect, as long as Kang Mobei has patience, he can definitely find it out, but when it comes to Bai nianxi, Kang Mobei would rather kill 1000 people by mistake than let one go.

Without Bai nianxi's help, Gao Wanqing could not wash away his grievances.

"No thanks." Bai nianxi shook his head. "I just don't want the real bad guys to get away with it."

Before Gao Wanqing left, he suddenly said, "Oh, by the way, it's not a good way to wait for the man you like."

Gao Wanqing's eyes twinkled and his expression was complicated.

After Gao Wanqing left, Kang Mobei came up from behind, his eyes meaningful, "what should I do?"

Bai nianxi was startled. He looked back and saw that it was Kang Mobei. He glared at him and said, "stay away!"

"What about you to me?" Kangmobei turns around and comes to Bai nianxi. He presses him step by step until he knocks Bai nianxi on the wall.

"Do you keep away from me, or do you take the initiative to entangle me?" Voice around, with a unique charm.

The last second's face is still cloudy and sunny, this second is already clear. When he silently marvels at Kang Mobei's face changing ability, Bai nianxi can't help but angrily say in his heart: my God, this man is a monster!

Bai nianxi wants to answer, but he finds that he has dug a hole for himself. He doesn't answer right, so he just shut up.

Kangmobei raises Bai nianxi's chin and kisses it.

"It turned out to be anything."

There are important guests in the company today.

A French multinational company took the initiative to go to comrades group and wanted to develop a new product together. The investment in the new product is about 2 billion yuan.

With a big hand from France, it was a big deal. Kangshi group was even more wealthy. When it came to a good project, kangmobei directly spent money. The two sides had a very pleasant discussion and decided on the project plan directly at the meeting.

At the end of the meeting, the atmosphere was beautiful and harmonious. Suddenly, a rush of mobile phone rings.

The brow of French representative slightly frowned.

The bell is uploaded from Bai nianxi. After a ring, Bai nianxi realizes that it's her mobile phone and presses it off.

Just now when she heard the proposal of the two sides, she was deeply attracted by the design concept and scheme of the new product. She indulged in it and didn't respond.

Kangmobei's expression was light and didn't show any emotion. Unexpectedly, the mobile phone rang again immediately. Although Bai nianxi quickly pressed the phone this time, the sudden ringing still seemed a little abrupt in the quiet conference hall.

Bai nianxi bows apologetically and goes out with his cell phone.

Kangmobei stood up and went straight to the end of the negotiation. Three minutes later, the meeting was hastily ended by kangmobei.

When all the people were gone, Kang Mobei came to Bai nianxi and glanced faintly, "what's the matter?"

Bai nianxi is holding a mobile phone in his hand, and his face is a little embarrassed.

The phone call just now was from Bai Yuhao.

Before she asked Lu Yichen to arrange work for Bai Yuhao, Lu Yichen was very efficient, and Bai Yuhao went to work directly the next day.

The welfare arranged by Lu Yichen is good, and the work itself is relatively easy, but Bai Yuhao is too much to worry about. She has been in trouble for a few days since she went to work.

It seems that when Bai Yuhao was working as a manager in a shopping mall, he met a customer who deliberately made trouble for the salesperson. He took a fake Jr bag bought elsewhere, went to the counter and insisted that he had bought it at the counter the day before and asked to return it.

Bai Yuhao was a man with poor patience. He was impulsive when he was young. In a rage, he scolded the man and beat him.

As a result, the next day, a group of people stopped Bai Yuhao on the way to work. After a beating, now they want Bai Yuhao to lose money.

Bai Yuhao, who has money to pay, can only find Bai nianxi.

Hearing what Bai nianxi said, Kang Mobei's face turned darker and darker until he was completely overcast.

Bai nianxi lowers his head, just like a child who has done something wrong.

Just when Bai nianxi thought that kangmobei was going to scold her, a few words like ice came down on his head, "where, go."
