

《Billionaire CEO Won't Leave》

Chapter 57

After calling Secretary Xing, Kang Mobei directly takes Bai nianxi to the designated place on the phone.

Bai Yuhao has been beaten, his face is bruised, and his leg is twisted in a strange posture. He should have been interrupted.

As soon as I saw Bai nianxi, I cried in a sad voice: "elder sister! Sister! Help me! Help me

After several people see Bai Yuhao calling elder sister, understand the identity of Bai nianxi, one of them came up to Bai nianxi and said: "are you the elder sister of this boy? This kid doesn't know what's going on, and he's offended the elder brothers. Now he's been taught a lesson by the elder brothers. If you give him a sum of money, I'll let you take him away. "

That person arrogant, tone is also very big, "buy it now, 500000."

Feeling that the momentum of the people around him is as cold as ice, Bai nianxi starts to worry about these real dog eyed poor boys.

Kangmo north stand beside Bai nianxi, a face of indifference, momentum like ice, did not speak.

Although the momentum of kangmobei was terrible, they were not afraid when they thought of being alone. They said fiercely, "do you hear me?"

"Want money?" Conmber's thin lips moved.

There was a sudden sound of a car coming from behind. When the car came near, there was a sharp brake sound.

Secretary Xing first stepped down from the car, and then three or four big men in black came down from the car with two shiny black suitcases.

Several people on the opposite side were a little shocked by the situation and didn't say anything.

Kangmobei waved his hand gently. The man in black laid the box on the ground and opened it. It was full of two boxes of brand-new RMB!

"I don't know."

At a command, several big men in black took the money out of the box and scattered it to the sky. In an instant, a red rain of RMB was floating all over the sky.

Several people had some hesitation, when they saw countless money, they looked at each other, and finally all rushed over.

Bai Yuhao, who had been howling in the back, was stunned and quieted down. This is his brother-in-law?

It's true. It's so fuckin 'rich.

"Two million for you, as long as you take it with you." Commo North mouth with a smile, while saying, while quietly away from the ground busy with a pair of hands snatching money.

Until everyone grabbed a lot of money and piled it in front of themselves.

Kangmobei took a condescending look and ordered: "give me a call, who gets the most money, who is the most ruthless."

A few people have not yet reacted, fierce fists have fallen like rain, heavy hit on the body.

Until a few people were beaten hemoptysis, completely lost the ability to move, each hanging a breath, komobi finally let people stop.

With disgust, he kicked the bloody pile of money under the kick and turned his eyes to Bai Yuhao, who had been shocked to dementia. "This car is for you, and the money will be moved back. One condition is not to appear in front of your sister in the future."

Finish saying, take a crowd to turn round to leave.

Hearing that the money and the black Mercedes Benz were all his own, Bai Yuhao's eyes suddenly lit up. He even forgot the pain on his broken leg, and nodded like a chicken pecking rice.

Bai nianxi sits back on the bus and quietly looks at Bai Yuhao with a satisfied and

greedy smile. Supported by a mysterious force from nowhere, he stands up and carries the money to the bus bit by bit.

I don't know what it's like.

All the way back, conmobei didn't say a word, until he came home, sat on the sofa, and didn't say a word.

Bai nianxi still feels ashamed of Kang Mobei. After all, he has been throwing money for her since he knew him. Today's event cost him another two million yuan.

She borrowed money from kangmobei and added a sum to it. She owes more and more money to kangmobei. I don't know when she will be able to pay it back.

After a long time, Kang Mobei finally said, "who is Lu Yichen?"

After all, Bai nianxi is not very confident because he owes money to others. It's rare that he doesn't talk back.

"He was a good friend I used to know in high school. He had a good relationship all the time. We haven't contacted each other for many years. This time I just asked him for help and arranged a job for Yuhao..."

Conmobei's face is still not good, "I'm by your side, don't come to me, why look for him?"

Bai nianxi is speechless. Is kangmobei angry about this? What's so angry about this? Is it because he has a lot of money and doesn't feel comfortable if he doesn't spread some?

Two people are making trouble, outside the door came a car engine flameout sound, and then a round white tender little ball rolled in from the door, with a milk wind, stopped in front of Bai nianxi.

It's Lolo.

"Xiaoxi - Xiaoxi -"

Luo Luo reaches out his short hand, stands on tiptoe and runs up to find Bai nianxi for a hug.

Lolo's appearance is like a quick acting pill to save Bai nianxi from the death threat of kangmobei. Bai nianxi bent down to pick up Lolo, "is baby Lolo back? Are you tired today? "

Lolo puffed up his mouth and touched his stomach. "Xiaoxi, you see, Lolo's stomach is almost hungry. Lolo is starving to death! Lolo wants to eat! "

Bai nianxi was amused by Luo Luo's performance with a light smile, and his face showed a gentle look, "OK, OK, what Luo Luo wants to eat? Tell me, can I make it for you?"

Commo North Yin face sitting on the sofa, since Lolo came back, the two began a warm and loving interaction, completely ignored him.

But he is still angry with Bai nianxi. What is this? They are completely ignored and have no sense of existence.

"Cough." Kangmobei coughed to show his existence.

Two people at the same time looked back at the north, and then tacit understanding at the same time back.

"Do you want something to eat?"

"Think about it, I want to eat..." Lolo happily waved his hand, happily reported the name of the dish.

In Luo Luo reported that a series of fancy dishes, there is a dull voice appears particularly abrupt.

"Noodles."

"I want to eat more..." Lolo is still counting his fingers, while the endless reported dishes.

There is still a voice of disobedience, "face."

.....

"Is that all Lolo eats?"

"Well!" Lolo hard point of the little round head.

Bai nianxi's eyes turned into crescent moon with a smile, "OK, OK, I'll do it now."

The anger is dense in the eyes of Kang Mo north, the eye color is deep, raised voice, "face."

Bai nianxi and Luo Luo were stunned at the same time. After a while, Bai nianxi nodded, "OK, I'll make you a bowl of noodles, too."

"I mean, noodles for dinner, only noodles."
