

《Billionaire CEO Won't Leave》

Chapter 58

Lolo's eyes are wide open. Daddy's going too far!

Looking at Luo Luo's face completely unwilling, Bai nianxi was about to speak, and Kang Mobei said faintly, "aren't you afraid of tired Xiao Xi?"

Luo Luo first Leng for a while, then Wei Qu Baba's shriveled mouth, alas, he is not good, how can he forget that mommy will be tired? You can't make Mommy too tired. You have to love Mommy.

"Xiaoxi, let's have noodles."

The reason of commobei is really high sounding, afraid of tiring her? It seems that at some time, there is no such concept in komorbei?

Turned into the kitchen, no matter what, she still want to give Lolo fried two small dishes.

Looking at the two followers behind her, Bai nianxi was speechless for a while, so she came to make a face. As for the two people who were so eager to follow?

"Can I have pepper?"

"Guess what?" Conmber stood on one side with a serious tone and a rogue in it.

He remembered that she had asked the same question before. Why can't she remember now?

Guess, guess a ghost, she guessed, although she thought so in her heart, she still said: "can I?"

The corner of his mouth in the north of commo slightly raised a radian and pasted it in Bai nianxi's ear, "it's very effective."

.....

Bai nianxi silently grabbed a handful of Chaotianjiao, didn't he?

"Cough, cough, cough." When Bai nianxi brought out the noodles of kangmobei, Luo Luo just accidentally sucked his nose and was choked by the pungent taste.

Commo's face was expressionless, but the slightly rolling Adam's apple showed his helplessness at the moment.

Bai Xin Xi had a provocative smile on her face, but she used the essence of a dozen dozen pepper seeds. Besides, she added two teaspoons of chili powder.

"Eat while it's hot, Mr. Kang."

Conmobei picked up the chopsticks on the table, put them into the bowl and stirred the noodles. The color of the noodles had been thoroughly dyed by the red pepper, as if they were from hell.

Expressionless, Kang Mo North clip full of a chopsticks, in Bai nianxi and Luo Luo shocked eyes, to the mouth.

Lolo put his hands on the table and couldn't help swallowing. Mom, dad doesn't want to live.

Until he finished eating the noodles, kangmobei didn't say a word. Lolo was surprised to find that people's faces could be red!

Kangmobei's face exudes sweat. Somehow, Bai nianxi feels sorry.

He pours a large glass of water and hands it to kangmobei. Kangmobei doesn't reach for it. He just stares at Bai nianxi with layers of fog in his eyes.

When Bai nianxi was about to cry, Kang Mobei fell back and fell to the ground.

"No, I said, how can he eat so much pepper! This is a man, not a chili can! "

The doctor taught Bai nianxi a severe lesson, and he muttered: "this man is strange. How can he eat such a spicy food..."

Bai nianxi came back to the ward with guilt.

This meal of devil pepper noodles made kangmobei wash his stomach once. Looking at the pale kangmobei on the bed, Bai nianxi suddenly felt a little distressed.

If you can't eat it, don't eat it. Why try to be brave.

Conmobei woke up, his stomach was still a little uncomfortable, his voice was hoarse, "where is this?"

"Hospitals."

Kangmobei frown, hospital? It seems that it is still a public hospital?

"Why am I here?"

"What else do you ask?" Bai nianxi stares, "is it comfortable to torture yourself? Are you happy to be brave? You can't afford to lose at all? "

You know it's all you eat?

This sentence Bai nianxi did not say.

Conmber squinted. "Didn't you make it for me? The noodles you made for me, of course, should be eaten no matter how spicy. "

Bai Nian Xi Yu Sai.

But just now, his anger was easily resolved by the light words of kangmobei.

Where is anger? My heart is full of guilt.

Kang Mo North Wu Wu Wu his stomach, "pain."

Bai nianxi was shocked, "is it still painful?" I'm going to call the doctor.

He was held by commo north, "just hold it."

..... Bai nianxi suspects that this move should have been learned by Kang Mobei and Luo Luo.

Kangmobei's problem is not very serious. After a day in the hospital, he was brought home by Bai nianxi.

Luo Luo had already been waiting at the door and was eager to see through. As soon as he saw them getting off the bus, he rushed up.

It's a pity that he didn't welcome his father who had just recovered from his serious illness. Luo Luo rolled to Bai nianxi's leg and stretched out his hand for a hug.

Bai nianxi is about to bend down when he hears a cough from kangmobei. Looking back, he sees kangmobei covering his upper abdomen and frowning slightly.

Stretch to Luo Luo's hand direction a turn, helped on the body of Kang Mo north, concern of ask a way: "all right." Shaking his head, the weak kangmobei leans on Bai nianxi.

Lolo is stunned. This is the father who used to have a high fever of 38 degrees and abuse Uncle Wang Yijing in Boxing Is that right?

The following night, Bai nianxi simply opened the unlimited dotting mode for kangmobei.

Kangmobei said to drink porridge, bainianxi never put a sugar, kangmobei said to drink pure apple juice, bainianxi never leave a little skin, kangmobei said to drink warm water, bainianxi control the water temperature at absolute 40 degrees.

In a word, he is obedient. Even Lolo, who has always been in favor, just sits on the sofa and looks at Bai nianxi's sullen work for kangmobei.

After all, it's time to rest.

Luo Luo washes under the maid's service, pedals to Bai nianxi's side, pulls Bai nianxi's hand to pull toward own room.

He said: "it's late. It's time to go to bed. Xiaoxi is so tired. Xiaoxi also wants to go to bed early."

Bai nianxi follows Luo Luo to the upstairs room.

Suddenly, a weak cough came from behind. Looking back, it was the poor face of conumber standing behind him.

Luo Luo is pulling Bai nianxi, but he finds that he can't pull it at all. He looks back.

Daddy! Use bitter meat again!

Mouth a shrivel, "small night, you don't sleep with Luo Luo?"

Kangmobei didn't say anything. He stood there with a weak face. On the contrary, Bai nianxi was defeated.

We have to get rid of Lolo first.

Kangmobei embraces Bai nianxi in her arms and sniffs the sweet smell of her hair. Suddenly she is satisfied. Bai nianxi reaches out to turn off the light and pulls the quilt for kangmobei.

"Go to sleep."

He turned over and sat on Bai nianxi, bringing a strong wind.

This speed, this movement, or just that incomparably weak, walk the road all the steps are flighty, need her to support Kang Mobei?

Realizing that he was cheated, Bai nianxi threw his fist at Kangmo north and said, "you lied to me, right! You just pretended, didn't you? "

Kangmobei catches Bai nianxi's fist, holds it in his hand, and puts Bai nianxi's hands on his head. In the dim light, the smile on the corner of his mouth is particularly ghostly.

Stretch out a finger and poke at Bai nianxi's neck.

"What are you doing?"

Kangmobei looks like he's ready for leisure. His hands don't stop. He pushes aside the pajamas that cover Bai nianxi's chest, and his fingers fall on the white and greasy skin under his neck and chest.

Write down the three words "kangmobei" with one stroke.

Bai nianxi was itchy and angry. He scolded: "kangmobei, you asshole!"

After writing, conmobei nodded with satisfaction, "just signed, now, it's time to fulfill my obligation as your man."
