

《Billionaire CEO Won't Leave》

Chapter 63

Kangmobei meaningless smile, slightly bent down to take off one of the Tibetan mastiff's mouth cover.

The big mouth of the blood basin was suddenly free. It was suddenly opened and expanded to the extreme. The faint howl escaped from the throat, and the hot gas with fishy smell was exhaled in the mouth.

The security guard on one side had already backed away. Seeing this scene, the three of the Bai family were frightened and retreated.

Bai Jianguo's legs and feet softened for a while. Even with crutches, he could not support his shaking body and sat on the ground.

The smile in the corner of his mouth was even more serious. He seemed to be a God, and he was in charge of killing people. "By the way, it's not illegal for dogs to eat people."

A fishy smell came. Bai Jianguo was wet under his buttocks. It turned out that he had pissed his pants.

Bai nianxi's face was pale and the soles of his feet were soft.

Kangmobei turns his head, hands over Bai nianxi's knee, holds Bai nianxi up and turns to leave.

Feel the trembling fear of the woman in the arms, slightly lowered his head, "don't be afraid."

The stability and calmness in the words are like a tranquilizer, which brings Bai nianxi a strong sense of security.

From behind came a howl of ghosts and wolves, sharp and harsh.

Bai nianxi lowered his eyelashes. Before long, he raised his eyes again. He was about

to say something, and his words were intercepted by comomo north.

"They'll be fine, just a warning."

Bullying her people, he will eventually bit by bit for her back.

After returning home, Kang Mobei first ordered Bai nianxi to take a bath, and then let her have a good sleep. When she woke up, it was already nine o'clock in the evening.

Lolo was coaxed to sleep by conmobei, no one bothered her again, and the surrounding environment became extremely quiet.

Kangmobei stood by, with a lot of documents on his desk, all of which he asked Secretary Xing to move back from the company.

During the day, he came back early because of Bai nianxi. Then he stayed at home with Bai nianxi. There were so many company affairs that he couldn't wait to deal with them. So he simply moved his office to his home.

When Bai nianxi opened her eyes, kangmobei didn't find her awake.

In order not to affect Bai nianxi's rest, kangmobei does not adjust the brightness of the table lamp high. In order to see the data more clearly, kangmobei also wears a pair of silver framed glasses.

At this time, kangmobei was very gentle, which could not match with the usual domineering power. He was wearing a light blue boutique shirt, orderly and gentle.

Bai nianxi was fascinated.

Kangmo North aware, eyes cast over, the sharp moment let Bai nianxi moment awake. Warm as jade? It's impossible. Komo north is still that Komo north, as cold as ice.

Seeing Bai nianxi, Kang Mobei's eyes softened, "wake up?"

Probably because of a long time of silence, some hoarse voice.

Bai nianxi nodded.

"Hungry or not?" Kangmobei stopped his work and went to Bai nianxi, "what do you want to eat?"

Bai nianxi shakes his head and nods again.

Conmberg got up and went to the kitchen, busy.

Bai nianxi never knew that kangmobei could cook too!

Even his noodles are better than hers!

"What am I doing?" Commo north to the expressionless Bai nianxi poured a glass of water.

White read Xi silent, "you have nothing to ask me?"

During the day things, make so ugly, don't he want to ask her what? Make things clear?

Kangmobei's eyes fall on Bai nianxi's face. Do you want to tell this woman? Tell her that as early as five years ago when she appeared in front of him, he had already felt her background clearly?

"I'm not that gossipy."

Bai nianxi nodded silently, oh, it turned out that she was a gentleman with a villain's heart.

"But I'm curious about the women I like."

This sentence almost didn't choke Bai nianxi, but I also want to know whether he is curious about her or not?

Kangmobei didn't ask any more. Bai nianxi felt a little loss in her heart. Even she didn't know where the loss came from.

"By the way, go to my house tomorrow."

"Oh."

"My dad's birthday."

"Poof -"

this time, Bai nianxi choked solidly, and all the water in his mouth sprayed on Kang Mobei's face.

Just now he said to go to his house. She still wondered if he was in his house now. How could she go? I didn't expect to go to his house!

Kangmobei was sprayed a face of water, the forehead hair are hanging beads, face expressionless looking at Bai nianxi, faint anger in the brow condensation.

This woman

If it were not for her, she would not have lived three days in front of him.

Bai nianxi coughs slowly. After he comes, he pats his chest and shakes his head like a rattle. "Don't go, don't go." "Why?" Conmber's eyes darkened.

You know, she was the first woman he wanted to take home.

Looking at Kang Mobei's face, Bai nianxi can almost imagine what his father looks like. Facing one big ice block is enough to make people tired, and he has to face two at once.

Because of what else, because of the desire to survive!

As soon as the words changed, Bai nianxi asked, "since tomorrow is your father's birthday, your aunt should be there, too?"

She gently reminds conmbe that she once had a holiday with his aunt, and now she is following him to their family party, OK?

"It doesn't matter. She's afraid to do anything to you."

.....

"I'm not familiar with you either..."

"Get along well with each other."

.....

"I'm not familiar with the environment of Kang's family. I'll be uncomfortable then."

"Be your own home."

Bai nianxi is really angry and wants to throw the bowl. It's easier for kangmobei to say than to do. Standing and talking doesn't hurt his back!

"It's such a pleasant decision. I'll ask someone to prepare your clothes and shoes for tomorrow, and your jewelry and bags will be ready together. You don't have to worry."

Where happy! Where happy! How did you make a happy decision?

And is that what she's worried about? is this one? What she worried about was whether things would be good after she went to Kang's house!

Secretary Xing was driving in front of him with all his heart, but in fact he was in a terrible mood.

I'm sitting in the back, but the pressure of the third group is low. Hello!

Let's not talk about the constant situation of kangmobei, and let's not talk about the occasional situation of Bai nianxi. Let's talk about young master Luo. He is a replica of kangmobei now!

This family, is simply big ice with small ice, next to sitting ice cream lady, a word, cold!

Luo Luo doesn't like to go back to Lao Kang's home. Every time he goes back, he resists it. If it wasn't for Bai nianxi's coming here today, Luo Luo would not like to come here.

When the car arrived at Lao Kang's house, the old housekeeper had already been waiting for him.

The architectural style of Lao Kang's house is quite different from that of the villa in kangmobei. It is more like a vast manor, and the decoration of the house is quite antique.

When kangmobei and Lolo get off the car, the old housekeeper bows respectfully, but when he sees Bai nianxi, his body is slightly stiff.

Did the young master bring a woman back today?
