

《Billionaire CEO Won't Leave》

Chapter 64

The rich experience accumulated over the years made the old housekeeper's face not show any difference. He still had a smooth and polite smile on his face.

After the old housekeeper's respectful greetings, he led several people into the house.

Master Kang, Kang Liqing, Liu Xia and Kang Youqin have already been waiting inside.

Conmobei went in and said hello one by one. Then he sat down on the sofa. Luoluo is held by kangmobei, unwilling to sit down beside kangmobei.

Bai nianxi stood aside, a little at a loss.

"Sit down." Conmobei let out a deep voice, pulled Bai nianxi down and sat on the sofa next to him.

Kang Li Qing took a look at Bai nianxi and asked, "Mobei, what is this?"

"Miss Bai, Lolo's counselor."

Kang Youqin stares at Bai nianxi and says to Master Kang, "Dad, this is Miss Bai I told you about."

Mr. Kang frowned slightly, with a trace of discontent on his face.

He has heard Kang Youqin talk about Bai nianxi several times, so he doesn't have a good impression of Bai nianxi.

Export said: "this is a family dinner." There is something in it.

Conmber bowed his head slightly. "She's not an outsider." All of a sudden, he took the old man's words back.

Kang Li Qing coughed and held out his hand to Luo Luo. "Come, Luo Luo, come to my grandfather."

Lolo didn't move.

Kang Li Qing's face was slightly black, and he looked at the old housekeeper. The old housekeeper was ordered to go to Luo Luo's side.

"Young master, how about going to my grandfather?"

Lolo stares and shakes his head.

The old housekeeper stretched out his hand to take Luo Luo's arm. Luo Luo resisted and waved his arm. Because Kang Liqing spoke, the strength of the old housekeeper's men was stronger, and he had to pull Luo Luo away.

Lolo first frowned and broke free, then his face became more and more resistant, his body desperately broke away from the shackles of the old housekeeper, and his mouth uttered a cry of "aaah".

I can tell he's very resistant.

The old housekeeper had to let go.

Kang Liqing frowned slightly. The child was still like this, resisting contact with him. Not only him, but everyone in the Kang family, except Kang Mobei.

This has always been a knot in the hearts of the Kang family.

Bai nianxi, who had been in the car before, was only worried about the next thing. Now he found that Luo Luo was abnormal. He seemed to be reluctant to contact the Kang family?

She can't stand such a serious and dreary atmosphere here as an adult. What's more, he is a child who should be innocent.

Reach out to Luo Luo, Bai nianxi's voice is soft, "Luo Luo, what's the matter? Come here, auntie

Luo Luo, who was upset and full of resistance, was not happy with every pore. After hearing Bai nianxi's words, he took a few steps and jumped into Bai nianxi's arms.

Very dependent on the paste on the body of Bai nianxi.

The Kang family were all surprised. They had never seen such a gentle Lolo!

In an instant, she changed her mind about Bai nianxi, a psychological counselor. She

didn't know that she had some means.

The servants here have prepared all the luncheon and put all the dishes on the table. In a moment, the aroma of the living room overflows.

The old housekeeper bowed to Master Kang and said, "master, the lunch is ready. You can serve it."

Master Kang nodded and the family sat down around the round table.

Kang Liqing and Kang Youqin were sitting on the left and right sides of Kang Taiye. Next to Kang Liqing was Liu Xia, and then Kang Mobei.

Luo Luo doesn't want to sit next to others. He just sits between Kang Mo Bei and Bai Nian Xi.

In his heart, Kang Taiye still has prejudice against Bai nianxi and doesn't like to see him very much. Suddenly asked about last time.

"Mobei, listen to your aunt. Last time she asked you for funding, you refused her?"

Kang Mobei looks at Kang Youqin and nods.

"Because of this woman?" "She's your aunt," he said angrily

"No matter who it is, doing wrong is doing wrong. Besides, I have no obligation to help my aunt. Her company is left to her by you and grandma. How to run it is her own business. "

Kangmobei's character is very clear, so his answer is expected.

I don't really want to ask Kang Mobei for an explanation, but it can make Kang Youqin feel more comfortable.

Since he came back from kangmobei last time, kangyouqin has been complaining about it all the time. Kangyouqin is his favorite daughter. Of course, he can't let her be bullied. If kangmobei doesn't help, he can only take out his savings for many years to help kangyouqin's company fill the deficit.

This meal was very depressing. Bai nianxi never felt so depressed.

"Mobei, Miss Bai still lives with you now?" Kang Youqin asked suddenly.

"Well.""It's not that I said that even if you ask Miss Bai to be Lolo's psychological

counselor, it's still not good for you to live together?"

At this point, Master Kang's face became overcast again. What's the matter?

Liu Xia, who had never said anything, finally said, "it's not bad that Mo Bei and Miss Bai are unmarried. I believe Mo Bei has a sense of propriety."

"It seems that my stepmother is either a mother or a mother. I'm an aunt. I care about Mo Bei's life. Don't you care?"

Kang Youqin's words are more direct to the heart of Lord Kang.

Kangmobei is the only one who inherits Da Tong. There is no woman around. How can this work?

"You Qin, pay attention to your words. After all, she is your sister-in-law." Kang Li Qing's face was cold, and his tone was the same as that of Kang Mo Bei.

Liu Xia has been married to the Kang family for many years. He can see all her efforts for the Kang family. She is usually gentle. Kang Youqin is domineering and doesn't know how much she has been bullied.

Kang Youqin sneered and said, "Dad, I think if we continue to let Miss Bai stay with Mobei, Mobei will just marry her."

Mr. Kang has a straight face. That's not good!

"I don't agree with Miss Bai's work as Luo Luo's psychological assistant tutor."

As if he didn't hear it, he said with no expression, "the contract has been signed, and the time hasn't expired."

"If you sign it, you can destroy it. Just give her compensation?" Kang Taiye domineering, "psychological counselors are many, in short, I can't let people into my Kang family."

Bai nianxi lowered her head. Sure enough, she would not have come if she knew this time.

However, what is a person who is not clear?

"No way." The color of the northern part of Como didn't change. "Besides, she's not an obscure person."

Kang Liqing didn't speak. He was looking at Bai nianxi silently. He seemed to have seen this girl somewhere.

Kang Tai Yeh is still reluctant to give up, "can't also have line!"

Suddenly, there was a crack of porcelain.

Kang Youqin was startled, touched his chest, and slowly came to see that it was Luo Luo who dropped the bowl on the ground. With dissatisfaction, he said, "what are you doing? Like your father, no big or small? "

Then he turned to Master Kang and said, "Dad, you see, Luo Luo has learned how to throw bowls now! It's not good to follow bad people The words are directed at Bai nianxi.

Bai nianxi was also startled. The Lolo she usually saw was cute and smart. How could it suddenly become like this today.

Lolo twisted his brows, and his face was full of hostility.

"I don't agree!" Lolo called out.

While shouting, he threw all the cups, bowls and chopsticks on the ground, "no one wants to drive away Xiaoxi! Don't think about it
