

《Billionaire CEO Won't Leave》

Chapter 65

In a short time, the table had been destroyed by Lolo, and Conmobei didn't even reach out to stop it.

"Mobei." Mr. Kang frowned.

Conmobei just reached out and put Lolo in his arms. Lolo still stretched out his hands and legs fiercely, looking excited.

Bai nianxi couldn't see it. He reached for Luo Luo and said softly, "Luo Luo, come here."

Luo Luo went to Bai nianxi's arms, slowly calmed down, and returned to the former quiet appearance, his quiet and clever, just for her.

"I think we'd better not come back in the future." Kangmo North stood up and took Bai nianxi out.

As usual, every time kangmobei brings Lolo to the old Kang's home, the ending is still unhappy.

Conmobei sat on the bus home, pressing his eyebrows a little tired.

"Did you see the Kang family?"

Bai nianxi nodded her head. It was a bit more chaotic than she thought. The internal relationship of Kang's family didn't seem to be very good?

Lord Kang dotes on Kang Youqin alone. Liu Xia is not kangmobei's biological mother. Luo Luo is very resistant to everything of the Kang family

Commo turned north and glanced at Bai nianxi, "the agreement..."

In fact, Bai nianxi has already made psychological preparations. Kang Youqin doesn't like her so much, and Lord Kang listens to Kang Youqin alone. If the Kang family

doesn't agree, she has no reason to stay any longer.

"It's still the same, except for a longer time."

This words a, white read Xi instant stare big eyes, Kang Mo north this is what meaning?

Not only don't dismiss her, but extend the time?

Mr. Kang's attitude is like this. Will he face him?

"You can see what Lolo looks like." Conmo glanced at Luo Luo in Bai nianxi's arms from the corner of his eyes. He looked a little confused. "He needs you very much."

After hearing Kang Mobei's words, Luo Luo goes to Bai nianxi's arms again. Dad is right. Luo Luo needs Mommy very much. Luo Luo can't do without Mommy.

"Me too."

.....

"No way." Bai nianxi shook his head.

It seems to expect that Bai nianxi's attitude, Kang Mobei's lazy eyes, with some unfathomable, "why?"

"As you saw just now, if it wasn't for my appearance, the Kang family wouldn't be like this."

"You think it's because of you?" Conmobei's eyes turned out of the window. "If it wasn't for you, it would still be like this. For many years, the Kang family has come here like this. "

His cold and indifferent personality, Luo Luo's resistance and resistance from the heart, are inseparable from the Kang family.

Why else would he move out alone with Lolo?

Bai nianxi didn't speak, but she still felt it was not right.

The original appointment was for three months. Although I like Lolo very much, it's really not like to stay by the side of conmber.

What's more, she still needs to deal with her affairs with Jiang zhiang.

"Next time, I will accompany Lolo well and try my best to spend more time on him, but I can't have more than one day for three months."

"You just don't want to stay?" Kangmobei squints his eyes, and his words are full of unhappiness.

Luo Luo also raised his head in his arms and looked at Bai nianxi with expectant and timid eyes.

In the heart too much consideration is not easy to say, white read Xi simply one size fits all, along with the words of Kang Mo North nodded.

Secretary Xing, who was driving in front of him, felt chilly again. Miss Bai, how can you say something nice?

Don't you know how cold it is in the car now? Not afraid of the cold?

Lolo lowered his head, hummed, and slowly rubbed down from Bai nianxi.

Well, he's angry! Really angry!

Mommy always says that she wants to leave him. He's really angry!

When returning to Kang's home, Secretary Xing felt that his hands and feet were cold and he wanted to abandon the car and run away.

Bai nianxi poured a glass of water for kangmobei. Kangmobei didn't take it and went straight upstairs.

He pulled Lolo as usual. "Lolo, it's time to take a bath."

Did not expect that Luo Luo directly evaded the hand of Bai nianxi, followed Kang Mo to go up the stairs.

hey, as like as two peas, two boys are angry.

Commo north into the study, Lolo also followed into the study.

Kangmobei went to the seat and sat down with arms in both hands. Lolo also climbed up kangmobei's legs and sat on kangmobei's legs with arms in both hands.

Father and son looked at each other.

Ignore your little night?

"Well, I'm working hard." Wu Ling's eyes are red and her face is puffy. These days, in order to complete the task assigned by Jenny, she is busy doing design day and night, and the whole person is not like a ghost.

The orange hit Wu Ling's face, the skin was smashed out a piece of bright red, broken orange juice jet out, hanging on Wu Ling's face, looks a bit embarrassed.
