

# 《Billionaire CEO Won't Leave》

## Chapter 85

"I haven't been with you these years, haven't you grown up?" Qi Zhiwei didn't seem to be touched at all. He glanced at Kang Mobei and said, "he is so handsome and excellent."

Mu Rushuang didn't speak all the time. She is a girl with good family education and etiquette, which is what Qi Zhiwei looks up to her most.

In the dialogue between Qi Zhiwei and Kang Mobei, she has no position to get in.

Before, she only knew that Qi Zhiwei had a son she hadn't seen for many years in China, but she didn't expect that it was kangmobei who made her fall in love with her at first sight that day in the western restaurant.

Kang Mobei's resistance to Qi Zhiwei was natural to her.

Conmber no longer spoke, but took his eyes cold and light at her, this woman, he hated her.

"You should have seen Rushuang. I remember telling you that she's the girl I like. "

"So?" Kangmo north desert has no expression.

Qi Zhiwei said slowly, "my idea is that I hope you can be together. No matter from family background, appearance or character, she will match you enough."

"You think." Kang Mobei looked at Qi Zhiwei, and his tone was not only indifferent, but also casual. "Is your idea important to me?"

"It doesn't matter whether you think it's important or not." Qi Zhiwei put down the red wine in his hand, "what your father and I think is important."

"Mobei, you know, not all dogs and cats can be with you."

Conmobei sneered, as if disdaining the most ridiculous thing in the world, "I won't

leave my children behind like you."

"Child?" Qi Zhiwei frowns.

"My child."

Qi Zhiwei and mu Rushuang are all startled by the sudden news. How can kangmobei suddenly have another child?

Conmber did not explain, just looked at all this contemptuously.

Qi Zhiwei was obviously not very receptive to the news, so he couldn't help scolding: "nonsense! It's nonsense

Mu Rushuang's face was dignified and appropriate smile gradually solidified, which seemed unnatural. Just then, the phone in the bag vibrated.

Bow to take out the phone from the bag, mu Rushuang slightly bent over to Qi Zhi, then went to one side to pick up.

It's not a big deal, and it's not a must. It's just that the atmosphere in the dining room makes her a little at a loss. Especially after hearing that conmobeir has children, she needs time to take it easy.

Bow to Qi Zhiwei and say goodbye, "aunt Qi, because something urgent happened, I have to go back and deal with it. I'll leave first. I'm very sorry."

Qi Zhiwei nods. She just wants to spend time alone with Kang Mobei and ask him about the children.

I didn't expect that kangmobei also stood up, "I'll take Miss Mu back."

Qi Zhiwei picks her eyebrows. Naturally, she knows what kangmobei's intention is, "so positive?"

Without answering Qi Zhiwei's words, Kang Mobei turned and left directly.

I didn't expect mu Rushun to come to blue sky apartment.

Kangmobei once came here. He knows that Bai nianxi's small apartment is here. Before, Bai nianxi said she would deal with the apartment, so she might still be here.

See mu Rushuang out of the car, he can't help but follow up, mu Rushuang didn't say anything.

Although she had only known each other for a few days, she was almost sure that Conmber was the one she was destined to be.

There will be no better man than him. There will be no more people who can make her move.

If that person is his, what does it matter if he has children?

On the floor, mu Rushuang came directly to the phone, the person in charge reported to her floor, "here is..." Looking at Mu Sili and Bai nianxi, mu Rushuang finished his words . what's the matter? "

Kangmobei comes out behind him, and sees Bai nianxi and Mu Sili's face in a daze. His eyes fall on the mess and bloody garbage outside Bai nianxi's apartment. His eyes look cold.

"Is that what you're talking about?"

Looking at the momentum of the whole body, Bai nianxi swallowed his saliva unconsciously.

Conmber stepped forward and said, "little things?"

Bai nianxi shook his head, "I also found out after I came here."

Only Musi left his face with a clear understanding of everything, sure enough, there are not only mu Rusheng, but also komorbei.

This also shows that Qi Zhiwei arranged to meet them tonight?

"Brother, why are you here?" Mu Rushun's face showed doubts.

Musi from pick eyebrow a smile way: "by chance."

By chance? Mu Rushuang takes a look at Bai nianxi next to her. She knows that this girl is very attractive to Kangmo north, but she doesn't think that it seems that she is also attractive to Mu Si?

"You told me to come, didn't you?" Mu Rushuang looks at Mu Sili again. If it wasn't for him, how could Bai nianxi call her here?

What's more, looking at Musi Li's appearance, it's clear that this apartment is an industry under the name of murushuang in China, and she was specially called out. The

person in charge of the property on one side didn't know mu Rushuang. He just saw that the manager just came here was respectful to Mu Rushuang, and he almost knew who mu Rushuang was.

"What's the matter?" Mu Rusheng is serious, and his momentum is still very strong.

After learning the whole story, mu Rushuang pondered for a while.

It seems that the next moment the glacier is going to break its bank, and her brother is so busy to watch a good play. How can she deal with it?

"It's really the property's fault. In ten minutes, the property will send someone to clean it up. A notice will be issued tomorrow to explain and apologize to the residents who have complained about it. The security and management system of the apartment also needs to be upgraded. "

after that, mu Rushuang glanced at the head bowed property manager," you, apologize to Miss Bai, by the way, hand in the resignation letter tomorrow. "

Bai nianxi didn't expect that she looked gentle and admirable. When she was dealing with things, she was also vigorous and resolute. She couldn't help but have a little more admiration in her heart.

After mu Rushuang ordered to go down, the action of the property can not be described as unpleasantness, and it will be cleaned up after a while.

Mu Rushuang turns around and wants to leave. Looking at kangmobei, he doesn't seem to want to leave, so he pulls Mu Si away first.

He wants to be with Bai nianxi, she knows, and she has always been very patient.

Bai nianxi takes out the key from her bag and opens the door of the apartment. Because she hasn't come back for some time, the house seems to be covered with dust.

Press the door button, the living room lights up, the light is not bright warm chrysanthemum.

"Didn't you tell me it was because the water pipe broke?" Conmbe's voice sounded unhappy.

When the property called her, she just said that someone complained about her in the community and the impact was bad. She needed to come back to deal with it. She didn't know exactly why.

"Oh, I made a mistake." Bai nianxi responded.

"Wrong?" The eye son of Kang Mo north is not pleased of MI get up.

Bai nianxi is bending over to clean up the sofa. Suddenly, he is held by the arm of Kang Mobei and pulled to his chest. "Is it a mistake, or don't you want to tell me?"
