

# 《Billionaire CEO Won't Leave》

## Chapter 91

Kang Liqing's words surprised everyone, especially Qi Zhiwei and Kang Mobei.

Qi Zhiwei doesn't seem to understand Kang Liqing's idea at all. After listening to Kang Liqing's words, Kang Mobei's eyes shrink suddenly, and his eyes look unbelievable.

But just for a moment, the expression of conmbere returned to the usual.

"In that case, I'll go with Lolo first." Conmobei said, turned and left without hesitation.

Lolovo is in the arms of Commodore, holding the collar of Commodore with his short little finger, wrinkling the expensive Italian high-grade custom-made suit.

After going out of Kang's house, Lolo tried to hold her mouth, her face turned red, and she still couldn't stop the tears falling from her eyes.

"How?" he said

Lolo stubbornly turned his head.

Mommy said, little man, you can't cry.

Thousands of thoughts came from kangmobei's heart. Kangmobei stretched out his fingers and gently scraped Luoluo's small nose as round and tender as jade.

With a light smile, "we are in the same boat, aren't we?"

Voice is a rare ease and fun, but people can't help but feel sad.

Finally, Lolo could not help but wipe his tears and snot on the collar of Commodore.

"Lolo wants Mommy, and Lolo needs Mommy -"

conmobeir's eyes softened, haze layers in his eyes, gently patting Lolo on the back, "HMM."

I need her, too.

After putting Lolo in place, conmobei pulled the door open and got on the bus. Suddenly, a voice came from behind. "Just a moment, Mr. Kang."

Looking back, it was mu Rushun who came out and stood at the door.

Lolo in the car stares at his red and swollen eyes and immediately becomes alert.

Commo north face to restore the previous indifference and cold, "Miss mu, what's the matter."

Mu Rushun came over with a smile and said, "I'm sorry if it bothers Mr. Kang today."

"Well."

"It's OK to be a friend without mentioning the marriage?" Conmobei's current attitude is very clear, she can only step by step.

"No Conmber looked away. "I don't lack friends."

Then he opened the door and turned to get on.

"Mr. Kang." Mu Rushuang suddenly called out and stood at the door with a smile on his face. The meaning in his eyes was particularly firm. "Has Mr. Kang ever had a chance to win?"

Where is the potential? Conmber's eyes flashed.

There is such a person who wants to make him a potential winner, but occasionally, he will lack some confidence.

Kang Mo North rolled up the window, "advise Miss mu, don't put stubbornness in the wrong place."

Bai nianxi took off his glasses and rubbed his eyes. After painting for a long time, his eyes were tired.

She lay back and leaned on a soft and comfortable chair. Her chair was specially prepared by commobei, which was the same as the President's.

After a lazy stretch and a look at the time, it's more than four o'clock in the afternoon, and I don't realize that it's been a long time for commobei to go out.

Turn on the mobile phone and have a look, there are several missed calls, one of which is from Lu Yichen.

He dialed back to Lu Yichen.

"Hello, it's me."

There came Lu Yichen's leisurely voice, "Miss Bai is very busy recently. She can't get through even after dialing two."

Bai nianxi laughs, "just in work, set mute, how, have something to do?"

"I can't find you if I'm ok?" Lu Yichen's voice is slightly angry. He can feel his eyes rolling across the screen.

"Yes, yes." Bai nianxi echoed, "Dear Mr. Lu Yichen, please tell me."

"That's right." Lu Yichen was silent for a moment, and then said, "nianxi, do you remember that senior Lin you in high school?"

"Mr. Lin you?" Bai nianxi recalled, "remember."

How could she not remember? It's a legend that she's been in love with for three years, and she's been in love with people who want to die!

Yes, that's right! It's a legend!

Because in addition to Bai nianxi, all people think so! Bai nianxi doesn't know what's going on, as if overnight, in everyone's heart, she inexplicably became the number one fan sister of Lin you.

It's said that even eating, sleeping and going to the toilet are thinking about him!

As soon as I said this, I was still angry, "why, why did you suddenly tell me about him?"

"He's getting married."

"Marriage?" Bai nianxi was a little surprised for a moment, "Oh, that's normal. It's all over the legal marriage age. Just get married."

He thought again, "but why do you tell me this?"

Lu Yichen on the other end of the phone seemed to sigh slightly, "nianxi, I know that many things have changed after so many years, but some things, even in the past, will always leave its traces." "Even if you put it down, I know that when you hear this news, your heart will not be happy..."

"Stop, stop, stop." Bai nianxi has a headache when she looks at Lu Yichen's posture of pouring chicken soup into her heart. It seems that the legend says that she didn't like Lin you very much.

"You have something to say." Bai nianxi rubs his eyebrows.

After Bai nianxi repeatedly showed that he had made enough psychological preparation and was absolutely able to accept the sudden change without sudden myocardial infarction, Lu Yichen finally said the matter with ease.

Lin you is getting married with Huang Ruoling.

These two people are very interesting. One is the dying elder who let Bai nianxi love, and the other is Bai nianxi's former high school rival.

In fact, it's Huang Ruoling's unilateral hostility to Bai nianxi. Bai nianxi doesn't know how to offend her, which leads to Huang Ruoling's trouble when she has nothing to do.

This time they got married and had a big dinner. It was like inviting all the acquaintances in the world.

I can't help it. Who is Huang Ruoling? Her father is rich. I heard that she has made a lot of money in recent years, and her once rich assets have increased several times.

But what does it matter to her?

Until Lu Yichen put out Huang Ruoling's invitation.

Huang Ruoling specially asked Lu Yichen to give it to Bai nianxi. Because she couldn't get in touch with Bai nianxi, Huang Ruoling gave the invitation to Lu Yichen. After all, it is a fact that Lu Yichen and Bai nianxi had a good relationship.

"If you don't want to go, it doesn't matter. I'll say you have something to do. After all, we haven't been in touch for so many years, and you don't have to go."

Bai nianxi said, "don't go."

She went to fart. She didn't deal with Huang Ruoling. Besides, her marriage partner is Lin you. She'll go there at that time. I don't know what other people will think of her.

Lu said nothing more and hung up.

Bai nianxi vomited his breath and scratched his head. This day, it's nothing to worry about.

The door of the office was pushed open, and conbmer came in with Lolo.

When Luo Luo saw Bai nianxi, he opened his little fat hand and scattered his little feet, and ran over, "Xiao Xi --"

his eyes were red, and his voice was still full of grievances.

Bai nianxi was surprised and coaxed: "baby Luo, what's the matter with you?"

Luo Luo rushes to Bai nianxi's leg, embraces Bai nianxi's leg and says: "Xiao Xi, Luo Luo misses you so much."

Bai nianxi bent down to pick Luo up and put him on his leg, "what's the matter? Didn't we just meet this morning? I said good morning to you and gave you a good morning kiss

Luo Luo wrongly poked his little finger, "as long as Luo Luo can't see Xiao Xi for a second, he wants Xiao Xi in particular. Luo Luo not only wants to kiss Xiao Xi in the morning, but also wants to have three meals a day with Xiao Xi, good morning, good afternoon and good night."
