

《Billionaire CEO Won't Leave》

Chapter 94

Bai nianxi stares nervously for fear that he will be thrown into the river by Kang Mobei.

Kangmobei held out one hand to hold Bai nianxi's back, and the other hand released, "you know, I can do whatever I want with one hand."

Bai nianxi almost wants to cry without tears.

Can only even dregs with seeds will be high school and Lin you things all spit out.

It's a big misunderstanding!

It is said that the love letter she wrote to Lin you was not written by her at all. When she came home from school that day, she just walked behind Lin you and saw a white envelope fall out of his bag, so she stopped him.

When she enthusiastically picked up the white envelope and handed it to Lin you, the principal came over.

The result was that the next day, Bai nianxi made a self-examination in front of all the teachers and students. The self-examination letter and the love letter were pasted side by side in the billboard for three months.

As for what happened later, she was even more unjust.

It is said that she follows Lin you home and tries to be frivolous. Who can think that she is just a careless man who bumps into his arms?

It is said that when Lin you found her and told her that it was impossible between them, she burst into tears because she was rejected by Lin you, and her face was crazy.

Who would have thought that she was just eating with a piece of chili in her mouth?

There are too many rumors, and she is very frustrated.

"You see, that's why I said I'm not going to their wedding, so that people won't gossip

there again."

"Of course." Kang Mo North picked to pick eyebrow, "be taken advantage of by the person, how can not take back?"

Huh?

Kangmobei embraces Bai nianxi's waist and takes her down from the guardrail. Just when Bai nianxi thinks he is going to land, kangmobei raises her up.

Bai nianxi's two legs are on the side of kangmobei's waist. Kangmobei hoops her like a daughter and walks into the car.

"What are you doing?" Bai nianxi is on guard.

"Didn't you say that long ago?"

"But you also promised me that I would not take the law seriously!" Bai nianxi roared out.

"So I changed places."

“.....”

Uneasy, finally arrived Huang Ruoling and Lin you marriage day.

Bai nianxi's whole body is full of clothes and jewelry selected by kangmobei. Even her make-up is kangmobei's make-up, which has been studied by the stylist all night.

Commo has said that today's theme is: low-key luxury has connotation.

Let Bai nianxi use an invisible temperament to impress others.

Bai nianxi, carrying the seemingly ordinary property with tens of millions of real value, sighed in his heart.

Kangmobei has something to do, so he can't accompany Bai nianxi to the wedding. If he doesn't come, Bai nianxi feels in his heart that if he comes to such a place, it will damage his value.

Lu Yichen came early. He watched Bai nianxi come down from the Lamborghini of the north school of Como. With a smile on his lips, he stepped forward and said, "don't you mean you can't come?"

Bai nianxi said with a bitter smile, "it's a coincidence."

"It's a coincidence." Lu Yichen felt his chin thoughtfully, "or did he come to smash the field?"

Bai nianxi's eyelids jump, and she suddenly has a kind of foreboding.

Musili also appeared at the wedding in a black suit and sunglasses.

Before the bridegroom came out, there were two men on the court, one mu Sili and the other Lu Yichen.

Bai nianxi secretly congratulates her in her heart, as long as people don't pay attention to her. Different from kangmobei's lofty ambition, she just wants to spend her life in obscurity, oh no, after the wedding.

Things always go against our wishes.

"Ah, isn't this a white night?" A harsh voice came, and a woman came.

Bai nianxi is careless. Like two door gods, Mu Sili and Lu Yichen are on both sides of her. How can she not attract people's attention?

Bai nianxi comforts the beating eyelids and looks at the woman coming. After a long time, he is stunned to find out who the person is.

"Why don't you know me?" Liu Qinglan spoke with irony.

"Oh, Qinglan, you've become so beautiful now. How can people recognize you?" Another woman came up.

Bai nianxi finally remembered that this woman is Liu Qinglan, Huang Ruoling's best friend.

Sure enough, the place where there are women is the battlefield. Another woman, Bai nianxi, also recognizes it. It's Li mo.

Li Mo Gang just said this, which is really superb. He not only praised Liu Qinglan, but also skillfully pointed out the fact of Liu Qinglan's plastic surgery.

No wonder, she said, other people change their hair styles, become fat and thin, and change their skin after many years, but Liu Qinglan's contour has completely changed.

Liu Qinglan seems to be dissatisfied with Li Mo calling her name and corrects: "my

name is Allen now."The name is too rustic, even the name has changed.

Seeing the two talented young people sitting beside Bai nianxi, the eyes of Liu Qinglan and Li Mo are shining, and even the tone of speaking has changed.

"I thought you wouldn't come." With that, Liu Qinglan goes to Musili and sits down. It seems that she wants to talk to Bai nianxi, but she is close to Musili.

"I heard from Xiao Ling that you didn't have time to come here. Why did you come here today?"

Bai nianxi said with an embarrassed and polite smile, "suddenly there's time again."

"Ah, nianxi, didn't you like Lin you very much before? Today's bridegroom is Lin you. Will you..." Li Mo stopped again and sat down beside Lu Yichen.

There are girls around constantly attracted by Musi Li and Lu Yichen, and they gather here.

"Ah, look, Bai nianxi is here."

"As the number one fan sister of Lin you, is it unusual for Lin you to appear here when she gets married?"

"Huang Ruoling is really big hearted. She dares to let Bai nianxi come to the wedding, and is not afraid to rob her bridegroom?"

A woman laughed and pointed to one side, "look, isn't that the security guard Huang Ruoling specially invited for Bai nianxi?"

Bai nianxi turns his head. It's the two men in black who have been following her since she got off the bus.

Face a black, Huang Ruoling is really intentional, specially asked two security guard against her. In this case, why do you have to ask her to come here?

People say happy, ha ha laugh.

Because of Lin you, Bai nianxi has always been a laughing stock in their eyes. In fact, Bai nianxi didn't care so much about it. Her heart was so small that she couldn't hold anyone except the one she cared about.

Lu Yichen could have expected their attitude towards Bai nianxi. He looked at Bai nianxi with some concern. Seeing that her face was ok, he didn't seem to want to care

about it.

"It's all about the past, and there's nothing to say. Nianxi has his fiance. Why do you joke about the past?"

Although Lu Yichen is bailing out for Bai nianxi, she really wants to see Bai nianxi. For so many years, only in this matter, he just refuses to believe her.

Lu Yichen said that it was too much for other people to hold on to the matter, so after laughing for a while, they stopped talking about it.

Someone began to turn the topic to Bai nianxi's fiance.

They just keenly grasped the key point in Lu Yichen's words - fiance.

Bai nianxi has a fiance?
