

《Billionaire CEO Won't Leave》

Chapter 95

"Lu Yichen, you look like you know Bai nianxi's fiance?" Someone asked.

Lu Yichen shakes his head. He just heard Bai nianxi say that he saw the jealous man in the shopping mall last time and guessed that he was her fiance.

Not long after he returned home, he was not familiar with the domestic situation. Although he knew that the man should be valuable, he did not recognize who it was.

"In a word, he is a very powerful man."

Hearing Lu Yichen say this, other women's faces show incredible expression, with jealousy.

"I never believe in Cinderella's marriage to a rich family." Liu Qinglan mercilessly poked Lu Yichen's words, "besides, even if you marry in, sooner or later you will be swept out."

"Do you think so?" Liu Qinglan deliberately turns her head to ask Bai nianxi.

Bai nianxi has a plain smile on her face. She has no interest in these boring contests. "Yes, I think so, too."

When she said this, she was sincere, because she really thought so, and that little sadness was because she suddenly thought of conumber.

Musi Li has been sitting quietly beside Bai nianxi, intentionally or unintentionally dodging the approach of the surrounding women, and now he has been squeezed close to Bai nianxi's shoulder.

With an enigmatic smile in his mouth, he listened to all the women around him. What he was curious about was that this woman, in the face of these sarcasm, ridicule and provocation, was still not angry?

Moussili's distinctive bearing and beautiful face have always attracted the attention of

women, especially Liu Qinglan.

She is sitting beside muse. She wanted to take the opportunity to get close to him, but she didn't expect that he had been quietly hiding from her. She would rather stay close to Bai nianxi than get close to him.

He said, "this gentleman, are you Xiaoling or Lin You's friend?"

Musi Li smiles and takes a look at Bai nianxi. "I'm Miss Bai's friend."

Everyone was stunned.

Lu Yichen was also stunned. From just now on, Musi Li never said a word after saying hello to Bai nianxi. He thought they were just ordinary acquaintances. But when Musi Li said this, it was clear that he was defending Bai nianxi.

Liu Qinglan's face is a little embarrassed, but more resentful. How can this man of two, who is attractive to her at today's wedding banquet, have something to do with her Bai nianxi?

Then he tried to say, "are you the fiance of Bai nianxi?"

Musi smiles and says nothing, with a faint alienation on his face.

He wants to see what she says. If she needs his support, it's not impossible for her to borrow his identity. After all, these women are really annoying.

Seeing that Musi can't do without explanation, Bai nianxi looks at musu. He can't help but stare at him. How can this man always be a half pusher?

He said, "no, Mr. mu, just my good friend."

Liu Qinglan was very happy. "I don't know if a talented young man like Mr. Mu has a girlfriend?"

Musi raised his eyes and said, "what do you think?"

"That's not it." Some people laugh and coax.

"Qinglan, do you take a fancy to Mr. mu? You are so concerned about his personal situation."

Liu Qinglan's face was red with shame. Before he had time to say a word of shame, he heard the beautiful voice of Mu Sili.

"Didn't the young lady just say that she didn't believe Cinderella could marry into a rich family?"

As soon as the words came out, everyone was embarrassed and full of accolades.

Doesn't that mean he doesn't like Cinderella Liu Qinglan?

If other people can refute the past, Musi Li is sitting here with an unquestionable noble spirit. If he is a powerful family that Liu Qinglan can't reach, he can be completely convincing.

Bai nianxi silently murmurs in his heart. Unexpectedly, Musi Li is also a big poison mouth.

As the crowd dispersed, Liu Qinglan turned around with tears in her eyes, and Bai nianxi's side was restored to peace.

The wedding has already begun. The lights on the field are suddenly dim. The beautiful and lyrical music is playing. The door of the dining room is slowly opened. Huang Ruoling is standing at the door in her white wedding dress, surrounded by the fat Huang Yaohua.

The light is focused on Huang Ruoling. Huang Ruoling walks on the red carpet with flowers in her hands and walks step by step towards Lin you on the stage.

This is a beautiful and romantic atmosphere, but Bai nianxi always feels that there is a steady stream of eyes cast on her, seems to be looking forward to something.

Do you expect her to rob you?

Boring.

Disappointingly, the wedding went on smoothly until Liu Qinglan stood on the stage and said a prayer to Huang Ruoling as her best friend.

"Next, does anyone want to say anything to the bride and bridegroom?"

Scattered a few people raise their hands, white read Xi bored looking, in a trance, suddenly heard his name. "Let's invite our former good friend Bai nianxi to come on stage and say his blessing."

Bai nianxi's name just came out of Liu Qinglan's mouth, and the crowd below was already in an uproar.

Most of the people here are Huang Ruoling's senior high school alumni. Even if they don't know Bai nianxi, they must have heard of Bai nianxi's fame.

After thinking about it, Bai nianxi stood up, went to the stage, took the microphone, and with a slightly embarrassed and polite smile on his face, "here, I want to bless..."

After a lot of blessing, Bai nianxi thought that it should be enough, so he was ready to step down. Unexpectedly, the crowd began to talk.

They are all talking about Bai nianxi's clothes and jewelry.

I didn't attract people's attention before, but now, Bai nianxi is standing in the middle of the stage, and the spotlight is on him again. It's hard not to attract people's attention.

Now, Bai nianxi is just shining.

From head to foot, from hairstyle to jewelry, to clothing, to makeup, it is obvious that they are all carefully designed. The delicate eyebrows, white skin, elegant and noble temperament all exude a fatal charm.

Just in an instant, I compared Huang Ruoling who was dressed up beside me.

It's hard to say what's wrong. After all, she's so elegant that she doesn't want to be in the limelight.

More importantly, it's Bai nianxi's clothes today!

At today's wedding, Huang Ruoling is most proud of her wedding dress, which she specially invited a French senior designer to design and customize, worth millions.

But the clothes on Bai nianxi's body all have a small and unimportant logo, but it's this unimportant logo that makes the clothes look particularly eye-catching.

It's R · O's advanced customization series!

It's said that the clothes of this brand only come out one season a year, and each suit is made by the top designer lirella.

The favorite of this brand is to decorate the clothes with all kinds of gems. The value of each set of clothes is no less than 10 million!

But Bai nianxi came here wearing such clothes today!

This is the one who came to smash the scene!

The discussion under the stage is getting louder and louder, and Huang Ruoling is obviously aware of the problem. Bai nianxi had been sitting quietly under the stage before. At that time, the light was not as focused on her as it is now, so no one noticed the details of her dress.

It's just beautiful.

And Liu Qinglan called Bai nianxi to the stage, and everything changed.
