

《Billionaire CEO Won't Leave》

Chapter 96

"It seems that what Lu Yichen said before is right. Bai nianxi is really married into a rich family now. The ugly duckling has become a white swan." The man who said this had a sour face.

"A piece of clothing can be tens of millions, I'm afraid it's not just a general rich family?"

"In my opinion, Bai nianxi must be on purpose today, otherwise, how could he dress like this?"

The man was surprised. "Do you mean that Bai nianxi never killed Lin you? Who came to demonstrate on purpose? "

"Who is right?"

Someone shook his head, "I don't think it's necessary. They've all gone up to the branches and become golden phoenix. Why do you want Lin You's ordinary wood again?"

"Young and handsome, isn't it?" One of them guessed, "it's better than a bad old man with seven or eighty years old, isn't it?"

Hearing these comments word for word, Lu Yichen shook his head helplessly. Why speculate on others with the greatest malice?

However, looking at Bai nianxi on the stage, Lu Yichen's eyes are also involuntarily tinged with a bit of awe, never thought that she should have such a beautiful moment.

It's very exciting.

Musi from still a light ran sat on the table, eyes after a moment of intoxication, restore the clear.

Deep and beautiful eyes seem to be looking at and thinking about something.

Kangmobei is really a big hand, but I don't know in his heart, how heavy is the weight

of Bai nianxi?

Think of their own that desperate silly sister, do not feel a smile, this feeling off, I am afraid it is sad.

Bai nianxi just wants to step down quickly. It's not good to bathe in the eyes of others.

Huang Ruoling, who used to have a happy smile on her face, was also embarrassed. Although she didn't show much on her face, she was already itching with hatred, and she had to maintain her demeanor.

Because Liu Qinglan let Bai nianxi come to power without authorization, Huang Ruoling was dissatisfied with Liu Qinglan.

Liu Qinglan originally wanted to see Bai nianxi make a fool of herself, but she didn't expect to make a show of herself. She hated her even more.

When Bai nianxi got off the stage, he went straight back to his seat and sat down. He spread out his palm and was already sweating.

Lu Yichen handed over a piece of paper, "don't care."

Bai nianxi wipes her palm. Although she doesn't like Huang Ruoling very much, she doesn't want to screw up her wedding. After all, it's a once-in-a-lifetime event, so she should have a sense of public morality.

So before the face of those noisy women can be difficult, she stiffly endure down.

But now

It's all the blame of komorbei. Must it be so exaggerated?

After the ceremony on stage, the bride and groom begin to step down and toast, and the banquet begins.

A circle of respect down, Huang Ruoling has been holding Lin you came to her side.

"Bai nianxi, thank you for coming to my wedding with ah you today." Huang Ruoling's address has been specially changed to "a you". I don't know if it has some special meaning.

Bai nianxi stood up with a smile, took up his red wine glass and drank it all, "I wish you all the best."

Huang Ruoling looked at the table. "How much is the red wine? You should drink Baijiu bar only after your many years of friendship."

Baijiu? She Baijiu not good, red wine is the limit, she can not even swallow the liquor.

Huang Ruoling has poured a full glass of Baijiu and delivered it to the white Nian Xi.

Bai nianxi twisted her eyebrows and didn't reach for it.

"Why don't you give me that face?" Huang Ruoling gouges out Bai nianxi with hatred. She doesn't forget that Bai nianxi robbed her of the limelight on the stage just now.

He added: "or do you not even wish sincerely? In your heart, haven't you forgotten ah you? "

Bai nianxi thought it was unreasonable.

Huang Ruoling didn't intend to put down the wine cup, so they were deadlocked. Suddenly, Huang Ruoling's hand was light, and the wine cup had been picked away.

It's musili.

"I'll drink this for Miss Bai." Lazy smile, drink, eyes scattered endless amorous feelings.

Huang Ruoling sneered in her heart and poured another glass. "This glass of wine belongs to ah you. From now on, if there are flowers of the Lord, don't read it again."

Oh, Huang Ruoling really recognized her love for Lin you.

Seeing that the situation was not right, Lu Yichen said: "nianxi, she can't drink. Just..."

Before he finished, the wine cup was picked up again, and it was still Musi Li.

After a glass of drink, his eyes twinkle, have other meaning. He is a good drinker and patient.

Sure enough, the third cup has been handed over again, "this cup I respect you, to your wasted feelings for so many years, there is no home, I and a you, thank you for your blessing."

Endless? Do you have to take the chance to trouble her? Bai nianxi's heart also gives birth to a nameless dark fire. Without waiting for mu Sili's finger to reach out, he has already taken the lead in grabbing the wine cup."You can rest assured that there are

countless herbs in the world. Why should I never forget a Dogtail grass?"

said, and drank up vigorously. Bai Xin Xi never drank baijiu. When she drank too much, the wine just entered her throat, and then there was a burning sensation.

The high concentration of wine choked in her throat, but Bai nianxi couldn't help it. She turned her head to one side to avoid spraying on others.

Huang Ruoling came up and grabbed Bai nianxi. "If you don't drink it, it's..."

With a puff, all the wine in Bai nianxi's mouth was sprayed on Huang Ruoling's face.

After spending Huang Ruoling's delicate makeup and expensive dress, the strong wine gas choked her nose. Huang Ruoling could no longer help her anger and pushed Bai nianxi fiercely.

"Bai nianxi! What do you mean

The guests all around looked over here with a curious look.

"You just can't stand me with ah you, can you! Come to our wedding and find fault

"I was supposed to be the protagonist of the wedding, but you came to the show in your best clothes! I propose a toast to you, but you spray it on my face. What kind of heart do you have

Huang Ruoling said angrily, "after all these years, where did I get in your way? You're going to trouble me again and again? Even if you steal my necklace at the Xieshi banquet, now even my wedding will make trouble! "

"Don't you know how important a wedding is to a woman?"

Like the groom, grab the limelight, disrupt the wedding, steal

Huang Ruoling said all these things from her mouth, and her infamous reputation was tied to Bai nianxi's head, which made her become the target of public criticism.

Bai nianxi is also very surprised, steal the necklace? Stealing Huang Ruoling's necklace at the Xie Shi banquet of college entrance examination? She?

Why?

When did she steal her necklace? What's the thank you banquet for college entrance examination and when?

I suddenly remember my dream that rainy night.

Girl in dream, stealing necklace, Xie Shiyan, Xiaoling

Suddenly a headache to crack the feeling came, Bai nianxi subconsciously held his forehead, dream of things, how really happened to her?

Who is the girl in the dream? But she clearly did not have any memory, these things, in her mind can not find any fragments.

What's going on?

What the hell is going on?

fearful words as like as two peas of flood waters come to her, surrounded by anger as if they were the same as that day, and she has already begun to distinguish reality from dreams, and is in a state of confusion.

The door of the dining room was opened, and kangmobei came in like a God in the sun.
