

《Billionaire CEO Won't Leave》

Chapter 99

It's impossible for the Jiang family to go back. Since Yao Mei came to her and showed her the video of Jiang zhiang and Gu xuanlin, Jiang zhiang never came back to her. She thought, maybe Jiang zhiang and Gu xuanlin are having a good time now.

Kangshi recently successfully signed several international large orders, and Kangshi group's stock rose with the tide. It doubled the money that it had bought shares in the board of directors.

Kangmobei's prejudice against Qi Zhiwei is still great. After Qi Zhiwei intervened in the st project last time, resulting in a loss of 200 million yuan, the cooperation among the three parties was once suspended. Although they had a good talk with mousse, they failed to reach a final agreement.

That day, moussili called.

I don't know what suggestions musili put forward on the other side of the phone. Conmobei frowned and said, "no way."

"That's what aunt Qi means." "In fact, I think you can think about it," musley said with a smile

"Don't think about it." Conmbe still insists.

"You have to know that if you agree, it will be easy for us to talk about the cooperation among the three parties. Aunt Qi agrees that she can make concessions."

"I don't need to ask for anyone's concession," he said

"Of course I know." Moussili chuckled, "but, you know, even if you don't agree, someone will agree for you."

"You're not the only one who can put Rushuang in your company."

Qi Zhiwei's intention to arrange mu Rushuang into the company of kangmobei is very obvious. Although the cause of tripartite cooperation, but the meaning of the drunk is not in the wine, how can kangmobei not know?

It's just that Musi Li is right. Although Kangshi group is now dominated by kangmobei, it's easy for Kangtai ye or Kangli Qing to arrange mu Rushun to work if they have this heart.

After some consideration, conmba hung up.

Looking at Bai nianxi's eyes, he said, "there's something I need to tell you."

Bai nianxi stopped writing, "what's the matter?"

"From tomorrow on, murushuang will come to work in the company," he said

Bai nianxi was stunned, "Miss mu?"

"Well."

Miss Bai remembered the tripartite cooperation among kangmobei, musili and Qi Zhiwei.

Murushuang is a member of the Murdoch group. Why is he suddenly assigned to Kang? You don't have to think about it.

Is it true that after mu Rushun comes, her assistant to the president, who always stays beside commobei, will abdicate?

When I think about it, I feel like I'm going to lose something.

"Well, that's fine." Bai nianxi nodded.

She has no position, no reason, no qualification to raise an objection.

Kangmobei looked at Bai nianxi, eyes unclear, for a long time, said: "you are still assistant to the president."

Bai nianxi looks at Kangmo North indifferently, so?

"No one will drive you away."

Well, she admitted, this, let a person have so a trace of heart.

In fact, Qi Zhiwei asked mu Rushuang for the position of assistant to the president, which was rejected by kangmobei. Qi Zhiwei explained that it doesn't matter to have two assistants, but was rejected by kangmobei again, and reiterated that there will only

be one assistant, that is Bai nianxi.

From the next day, mu Rushuang came to work in the Kangshi group.

He is also an airborne soldier, and the airborne position is very high. He is directly the vice president of the company.

Although it is only a nominal vice president, it is still noticeable enough.

On the first day of work, murushuang prepared a gift for all the employees of the company. The gift was a box of Swiss pure dark chocolate. She specially asked moussili to send someone to come by air from Switzerland, and the company had a copy.

So expensive chocolate, or a hand, all of a sudden let mu Rushuang in the company to attract enough people's attention.

Perhaps some people didn't know the existence of Mu Rushun, the deputy general manager of the airborne company. In this way, everyone will know, not only know, but also feel her beauty and generosity.

It is also said that murushuang is the daughter of the Murdoch group, and those who are smart and good at it will guess the secret.

"What vice president? Is that Mr. Kang's fiancée?"

"But the rumor is not that Kang always likes Bai nianxi? People in the company can see that they used to stand out for her like that, and then they directly transferred her to be an assistant to the president. "

The man who spoke first touched his chin and thought, "what you said seems to be right, but if you want to think about it, there are more powerful and playful women in a plutocratic family like President Kang. Finally, the one who really married into the family must be a famous lady?"

The man behind nodded in agreement.

Another good person gossiped: "you say that there are no two tigers in one mountain. In the past, there was only assistant Bai. Now vice president Mu is here. What will happen in the future?"

"What else can we do? Of course, we have a good play to watch!""Maybe it's still a series."

"What kind of series, gongdou drama is almost the same."

.....

"Why, are you very interested in the opposite play between the dialogue assistant and vice president Mu?"

Behind a person came, is Gao Wanqing.

After Bai nianxi left the Propaganda Department, Gao Wanqing had been promoted to vice minister because of her outstanding working ability.

His momentum is stronger than before.

The people who spoke didn't know Gao Wanqing, but looking at Gao Wanqing's vigorous tone and momentum, it's obvious that he is not an ordinary employee. In addition, talking about high-level gossip behind his back is enough to make them feel guilty.

Before Gao Wanqing came near, several people took a look at each other and scattered like birds and beasts.

Gao Wanqing stood in the same place, thinking about what they had just said.

Since Bai nianxi went to the president's office, she has never seen Bai nianxi again. She didn't have any opinions on Bai nianxi, but she couldn't stand this kind of airborne soldiers without strength.

It's because of Bai nianxi that Secretary Xing has visited her several times. Now, the distance between her and Secretary Xing is also a blessing for Bai nianxi. Let's get closer.

Bai nianxi and Kang Mobei also received the chocolate from mu Rushuang, which was sent by mu Rushuang's assistant. They put it on their tables and put it separately.

Bai nianxi took one and put it in his mouth. It's really bitter.

The president's office of commobei is on the top floor of the company, while mu Rushun's office is on the lower floor, which is convenient for communication.

At noon, mu Rushuang knocked on the door, "Mr. Kang, are you there?"

Bai nianxi took a look at Kang Mo Bei. He didn't have any reaction, so he said, "come in."

Mu Rushuang pushes the door to come in at the same time, Bai nianxi also lowers his head down, seriously busy with the work of drawing.

Mu Rushuang looked at the hardworking working atmosphere in the office, looked at her watch and said with a smile, "it's time to rest now. Kang and Bai are really diligent."

Bai nianxi took a look at the time. Sure enough, it was ten past twelve. He thought about the meaning of Mu Rushun's words. It seemed that he wanted her to make room for them to be alone?

Well, she's not unreasonable. Besides, she's really embarrassed here.

He packed up his things and stood up, "Mr. Kang, vice president Mu, then I'll go to dinner first."

Kangmobei also stopped working and inserted his pen into the pen holder. He didn't even turn his eyes. It seemed that he said carelessly: "together."
