

HIDDEN WIFE : BEST HUSBAND

Chapter 101 - 101 - Jealous Of His Own Son

"You must be tired, I'll just sleep here. I'll wake you up if Yeon Ho wakes up. Sleeping on the sofa must be uncomfortable and your body will feel sore," Park Soo Hyun persuaded Dae Hyun to go back to sleep in his room.

"No need, this feels very comfortable," Dae Hyun who pretended to close his eyes said.

With lazy steps, Park Soo Hyun went to the kitchen to get some water. Even though he was just pretending to be thirsty. After Park Soo Hyun took drinking water, he muttered indistinctly, the man was forced to return to his room. His intention to see Soo Yin's face when the girl fell asleep failed because of his brother

Dae Hyun tried to close his eyes but the sleepiness didn't come. Suddenly his mind wandered to think about how nice it would be to be Jo Yeon Ho. He can sleep comfortably while hugging Soo Yin's body.

Dae Hyun deftly hurried up and entered the guest room. He widened his pupils when he saw Jo Yeon Ho hugging Soo Yin's body with his tiny hands.

Dae Hyun immediately took a bolster pillow and then put it in the middle between his son and wife. He put Jo Yeon Ho's hand to hug the pillow. Only after there was a barrier between them, the man finally felt relieved. Finally he went back to sleep on the sofa and could sleep until morning.

=====

Soo Yin yawned as she stretched her hands. Her eyes still felt sticky so she went back to sleep. Until finally she felt a small hand that was smooth against the skin of her face.

Jo Yeon Ho, who was already awake, immediately threw the bolster pillow on the floor. Since earlier that child had been observing Soo Yin's face, which was still closed. Gently rubbing the face of a woman whom he considered a goddess of help for saving him.

Soo Yin blinked her eyes. Slowly, she could see the little handsome boy smiling at her. Soo Yin rubbed her eyes again because it felt like a dream. How could that child be with her?

"Eunnie, are you awake?" The boy asked with a smile on his lips.

"Yeon Ho?" Soo Yin immediately got up to sit down. She confirmed this was a dream or a reality by pinching her hand which was indeed painful.

"How did I get here?" Soo Yin muttered softly but Jo Yeon Ho could still hear it.

"Last night uncle brought you here," Jo Yeon Ho who sat down said. He tilted his face to meet Soo Yin's eyes.

"Huh?" Soo Yin tried to remember what happened last night. The girl remembered Park Soo Hyun's car, who intended to close her eyes for a while but fell asleep until morning. Really she could not understand why she could sleep so well.

"Good morning, Honey," Dae Hyun who suddenly opened the door said. He walked over to them to the bed.

"Good morning, Daddy." Jo Yeon Ho immediately stood up and then put his arm around Dae Hyun's neck.

"Morning, Sir," Soo Yin said awkwardly. She only smiled faintly which was met with a warm glare from Dae Hyun.

"Yeon Ho, let's go outside. Let Soo Yin clean up first," Dae Hyun said while staring intensely at his wife's two beautiful eyes.

"But I didn't bring a change," Soo Yin said while biting her lower lip.

"Don't worry, I've told the maids to put your clothes in the bathroom," Dae Hyun said.

"Thank you," Soo Yin said briefly.

"Eunnie, hurry up and take a shower," Jo Yeon Ho said as he waved his hand. Slowly they disappeared behind the door.

Soo Yin came out of the room after changing her clothes. Didn't know who provided clothes for her. The shirt was so fit and comfortable to wear on her body.

"Eunnie, today you don't have to work with father," Jo Yeon Ho who was jogging when Soo Yin just came out said.

Soo Yin just smiled as she glanced at Dae Hyun behind him.

"We have to go immediately," Dae Hyun said while looking at the circular object around his wrist. Actually it's still quite early but he wants to immediately take Soo Yin out of his house.

"Do you want to leave this early? You better have breakfast first," Mrs. Park said, noone knew since when she has stood behind Dae Hyun.

"We have a meeting soon so there is no time for breakfast at home. We'll have breakfast later," Dae Hyun said, trying to find an excuse.

"Is it in such a hurry? Even though I haven't spoken to Soo Yin yet. Anyway, you have to come here tonight," Mrs. Park said while looking at Soo Yin with a warm smile.

Seeing Mrs. Park mae Soo Yin miss her mother. A figure she never met because she could only see her face from the photo. It was fortunate that Dae Hyun still has both parents who were still complete. Soo Yin felt jealous of him.

"Soo Yin, you want to come to this house tonight right?" Mrs. Park asked softly. The woman found out that Park Soo Hyun liked the girl. It didn't matter to her as long as the girl comes from a good family.

"Hmmm" Soo Yin glanced at Dae Hyun.

"You don't need to worry that later I will bring my future ..." Park Soo Hyun who just came said, but his words were interrupted.

"Mother, we should go now," Dae Hyun said, interrupting his brother's conversation.

"Hyeong, just let Soo Yin be with me," Park Soo Hyun said.

"It's true what Park Soo Hyun said so you can take me to the salon for a while," Aeri who joined in the conversation said.

Dae Hyun looked Aeri from top to bottom. It turned out that Aeri hadn't even gotten ready at all.

"Sorry, I'm in a hurry. You can just go with Park Soo Hyun," Dae Hyun said then squatted down to kiss his son's cheek. After that, asked Soo Yin to get out of the house.

Park Soo Hyun couldn't do anything because he also just got dressed. Unexpectedly, his brother left so quickly.

Aeri clenched her fingers so tightly that her long nails made marks. She was getting more and more annoyed now that her husband preferred that damn

girl than her. Looked like she has to do something soon. If not, it's likely that her mother's words will actually come true.

"Mother, look at Dae Hyun. He doesn't even care about me," Aeri said with teary eyes.

"Well, he's just in a hurry," Mrs. Park said.

"Tomorrow you go to the salon. Isn't your husband off work tomorrow?" Mrs. Park asked.

"You're right mother," Aeri said, looked happy at this time. She would seduce her mother-in-law so that Dae Hyun would take her to the salon.

===== ≠ =====

On the way.

"Sorry, you must have been exhausted last night," Dae Hyun said as he rubbed the top of Soo Yin's head. He stopped the car on the side of the road which was rather quiet. Besides, it was just an excuse to leave the house. Luckily, Park Soo Hyun wasn't ready yet so he wasn't too insistent on bringing Soo Yin.

"I'm fine," Soo Yin said.

"If you are not tired, then you might not sleep through the night. You don't even notice when someone hugged you," Dae Hyun said with a slightly grim facial expression.

"Hugged me? Nobody hugged me. Besides, didn't I sleep last night with Yeon Ho?" Soo Yin was confused what her husband meant. Who hugged her? Couldn't it be Park Soo Hyun.

"You mean Park Soo Hyun hugged me?" Soo Yin widened her eyes.

"So you want to be hugged by my brother?" Dae Hyun actually asked the question with a sullen face, making Soo Yin even more clueless.

"It's not that, but I don't know what did you mean?" Soo Yin said as she raised her hands.

"Didn't you feel Yeon Ho hugging your body?" Dae Hyun glanced at Soo Yin then turned his face towards the front looking at the street. He felt insane because he might be jealous of his own son.

"Ha ... ha ... ha" Soo Yin bursted into laughter while holding her stomach. She felt very funny about her husband's behavior.

"What is so funny?"

"Are you jealous of your own son?" Soo Yin asked while covering her mouth, still wanting to laugh.

Without answering her, Dae Hyun pulled his wife's nape until their lips touched each other. Suddenly Soo Yin widened her eyes in response to the sudden attack made by Dae Hyun. The man scooped Soo Yin's lips slightly harsh and there was no pause for Soo Yin to breathe, leaving her gasping and gasping.

Never had Dae Hyun done it like that. Even her nape was blocked so Soo Yin can't get away.

"E ... noug ... hhh" Soo Yin tried to speak between the hot kisses.

Realizing that his wife was nearly out of breath, Dae Hyun immediately let her go. He observed the tiny lips which were slightly swollen from his act.

HIDDEN WIFE : BEST HUSBAND

Chapter 102 - 102 - Dinner (part 1)

"Sorry," Dae Hyun said as he rubbed those lips. Now he really felt that he had lost his mind. He was too afraid to lose his little wife.

"What exactly happened to you?" Soo Yin looked at Dae Hyun cluelessly.

"I'm just afraid of losing you." Dae Hyun rested his head on Soo Yin's shoulder.

"Then, will you also be jealous if we have a son?" Soo Yin said while touching her husband's back.

"Maybe, I feel very angry whenever you are close to other men," Dae Hyun said honestly. Especially when he saw Soo Yin with Park Soo Hyun. Really he was not willing.

"Will you promise me?" Dae Hyun straightened his head back and then embraced the beautiful face with a wistful gaze.

"Promise about what?" Soo Yin asked.

"You have to promise not to leave me no matter what. You will continue to be with me even though there are so many obstacles that stand in our way together. You will not leave me for another man," Dae Hyun said.

"I promise I will do it. So you don't have to worry so you act weird like that," Soo Yin said.

Dae Hyun took out something from his coat pocket. It was like a recorder that was shaped like a pen.

"What for?" Soo Yin asked.

"I want you to record the statement earlier so that if you forget I will play it back for you," Dae Hyun said.

"Okay." Soo Yin immediately grabbed the recorder and said what her husband had asked. Really her husband's behavior this time made her want to laugh.

After Soo Yin finished his request. Dae Hyun hurriedly drove back to the hotel because they had been there for a long time.

Soo Yin tidied up her desk as she will be home soon. Actually, she wanted to excuse not to come because she didn't want to be with Dae Hyun's family just yet. But she also felt bad for Mrs. Park who invited her earlier.

"Hi, Soo Yin!" A voice suddenly appeared that made her jump in shock.

"What's the matter, Sir?" Soo Yin said when she saw the man who surprised her turned out to be Park Soo Hyun.

"I want you to call me by my name. I don't like it when you call me that," Park Soo Hyun said. He thought they will find it hard to get close if Soo Yin called him that.

"Sorry, I feel bad if I call you by your name," Soo Yin said.

"No need to feel like that. Oh yeah, my brother seems to be still in the meeting room for a while. You'd better come home with me," Park Soo Hyun said.

"I'll just wait for Mr. Dae Hyun," Soo Yin said politely. If she was with Park Soo Hyun, she didn't know what would happen to Dae Hyun because she promised not to be close to any man. She wouldn't leave Dae Hyun like last night.

"Well, it's okay. Okay, I'll tell you that you shouldn't be too close to a married man," Park Soo Hyun said.

Soo Yin knitted her brows together. She tried to digest Park Soo Hyun's words. Did he mean she should stay away from Dae Hyun?

"Come on, don't think too much. We'd better go home now so it's not too late."
Park Soo Hyun grabbed Soo Yin's wrist.

"Please let go," Soo Yin said as she glanced at her wrist. If Dae Hyun found out that his brother touched her, he would be very angry.

"Ahh, sorry." Kim Soo Hyun immediately let go of Soo Yin's hand. It didn't matter if she didn't want to touch him now. Take it easy, later he will prove that he was a man worthy of being loved by Soo Yin. Sooner or later, Park Soo Hyun believes that he will definitely be able to conquer the girl.

Suddenly Park Soo Hyun's cell phone rang. The man immediately asked Soo Yin permission to answer the call. Of course Soo Yin happily allowed it.

Soo Yin returned to her seat. She occasionally looked at the door but Dae Hyun didn't appear for a long time. She glanced at the wall clock which was almost seven in the evening. Soo Yin did not allow by Dae Hyun to join the meeting. With the excuse that everyone was male so Dae Hyun was not willing if Soo Yin came along. Not willing to see his wife teased by other men.

Klek

Soo Yin looked directly at the door. At first thought that Dae Hyun opened the door but it turned out to be Park Soo Hyun, made Soo Yin pursing her lips.

"Soo Yin, Mother told us to go home immediately because there are Uncle and Aunt too," Park Soo Hyun said.

"But" Soo Yin said.

"Well, he will definitely follow later," Park Soo Hyun said.

With compulsion, Soo Yin finally wanted to go home with Park Soo Hyun because after waiting half an hour, Dae Hyun still didn't show his nose. It was up to Dae Hyun to get angry later because it wasn't her fault either.

Right after they left the parking lot it turned out that Dae Hyun had already finished the meeting so he went straight back to his room.

"Honey!" Dae Hyun who walked over to his wife's desk called, but she was not there.

Dae Hyun continued to walk down the room to the toilet but can't find Soo Yin. Dae Hyun immediately contacted his little wife.

"Hello, Sir." It wasn't long before Soo Yin answered the phone.

"Where are you?" Dae Hyun asked.

"I ... I've been on the way with Mr. Park Soo Hyun," Soo Yin said.

"Shit!" Dae Hyun grumbled while turning off the telephone line. Hurriedly headed straight to the parking lot.

==/=====

Kim Soo Hyun parked his car in the yard. He then opened the car door for Soo Yin. The two of them were immediately greeted by the servants. It turned out that the house looked crowded. Kim Soo Hyun said that if there was his uncle and aunt who came from Japan, it had been a long time since they returned to Korea.

"Park Soo Hyun!" A woman called while jogging towards them.

Soo Yin widened her eyes and almost fell when she found out that the woman was Li Sa. Cold sweat instantly leaked out of her body. There was fear when she saw Li Sa because often her cousin would humiliate her in public.

"Soo Yin? What are you here for?" Li Sa asked curtly when she saw someone she had hated so much since childhood.

"I should have asked, what are you doing in this house?" Park Soo Hyun asked with displeasure.

"I invited her," Aeri who has been standing not far from them for a while said.

Kim Soo Hyun looked at his sister-in-law with annoyance. This was what she hated so much from Aeri, she always brought Li Sa into this house when he came home.

"Hey daughter of a bitch! You don't deserve to be close to this family," Li Sa said while looking at Soo Yin with displeasure.

Soo Yin's chest felt very tight when she heard Li Sa's words.

Aeri was happy when she saw Soo Yin's facial expression that turned red from holding back her anger. She did invite Li Sa on purpose to embarrass Soo Yin in front of Dae Hyun's family so that the girl wouldn't dare come to the house again and look for a face.

"Li Sa, watch your words!" Park Soo Hyun said in a high tone. He didn't want his girl to be called like that.

"Sorry, I missed it," Li Sa said as she covered her mouth with the palm of her hand.

"Hi, you guys have come." Mrs. Park looked happy when she saw Park Soo Hyun with Soo Yin.

"Good evening, Mrs. Park," Soo Yin said. Feel relieved because there was her mother-in-law. That way, she hoped Li Sa wouldn't mess around.

"Let's gather in the dining room because we have Park Soo Hyun's Uncle and Aunt too. But where is Dae Hyun?" Mrs. Park who didn't see his eldest son said.

"Master have not" Soo Yin said.

"You guys didn't even waiting for me to come home. You impatience!" Dae Hyun's words cut off Soo Yin's words. The man immediately stepped into the house without looking at anyone.

Soo Yin felt something strange when she heard her husband's words. It stabbed her heart a little when he said 'You impatience!' Soo Yin felt that those words must have been directed at her.

"Father?" Luckily, Jo Yeon Ho greeted him so that the irritation in Dae Hyun's heart disappeared a little. Yes, he's annoyed that Soo Yin was with Park Soo Hyun even though this morning she promised not to be close to any man.

"Let's go inside, all of you must be hungry." Mrs. Park took Soo Yin's hand to follow her in without even bothering about Li Sa because all this time this middle-aged woman has never liked that girl. Mrs. Park agreed to invite Li Sa only because Aeri kept nagging at her.

HIDDEN WIFE : BEST HUSBAND

Chapter 103 - 103 - Dinner (part 2)

It turned out that three people had gathered at the dining table. They were currently talking. There were Park Ji Hoon, Hyun Bin and Jung Woo. They seemed so engrossed in conversation that they could hear a crisp laugh echoing in the dining room.

"Who is she?" Hyun Bin asked Mrs. Park. She was Dae Hyun's aunt.

"Let me introduce you, this is Soo Yin. She is the secretary of Dae Hyun," Mrs. Park said.

Soo Yin bent her body while smiling kindly at Dae Hyun's uncle and aunt. Not to forget, Soo Yin took turns greeting her father-in-law who had a flat

expression. Even though when she entered earlier, Soo Yin could hear his laughter, but now he has a slightly different facial expression.

"Please, sit." Mrs. Park pulled out a chair for Soo Yin to sit next to her.

Everyone has started arriving and surrounding the dining table including Aeri and Li Sa. Li Sa sat next to Park Soo Hyun. While Aeri of course sat next to Dae Hyun. It was a sight like this that Soo Yin hated so much.

There were so many dishes available but Soo Yin hasn't filled a single type of food on her plate yet. The girl just observed everyone who has a partner. There she seemed to be alone so she didn't know what to do. Usually Jo Yeon Ho put the food on the plate but the kid sat next to Dae Hyun. Soo Yin felt like a stranger even though Mrs. Park occasionally invited her to talk.

Dae Hyun glanced at his little wife who was looking down. She was seen staring at the empty plate in front of her. There was a feeling of guilt in Dae Hyun's heart when he said something inappropriate. He was really so annoyed that he said that.

"Soo Yin, hurry up and eat. Don't you like these food? Although this is all for you as a thank you," Mrs. Park said.

"It's not that, I really like it, Mrs." Soo Yin just smiled faintly as she took a little food to put on her plate.

"Just call me mom because I really really want to have a daughter," Mrs. Park said with a smile. Made Park Ji Hoon and Dae Hyun look at each other.

Soo Yin was stunned by what Mrs. Park said. She wondered whether if she later found out that she was Dae Hyun's mistress, Mrs. Park would still be nice to her. Well, Soo Yin didn't want to imagine it.

Aeri and Li Sa also looked at each other when listening to Mrs. Park's statement. There was displeasure in both of their hearts when they heard all of that. Looked like they must have a way to get rid of Soo Yin.

"Eun Hee! Please bring me the soup," Mrs. Park called at one of the waiters.

"Auntie, just let me take it," Li Sa who immediately stood up said. Li Sa immediately leaned toward the kitchen.

"Very well," Mrs. Park said, agreed to Li Sa's request.

The others continued eating in silence. While they eat the dish deliciously. Soo Yin instead put the food into her mouth with no appetite. She felt like she did not deserve to be in the middle of that big family. Especially when she heard Dae Hyun's words, 'You impatient!' really made her heart sliced.

Li Sa came from the kitchen carrying a bowl of soup which was still hot and walked towards Soo Yin. Until Li Sa purposely spilled the soup on Soo Yin's thigh. The bowl slipped at Soo Yin's feet until it finally fell on the floor.

"Awww!" Soo Yin who felt like her thighs were burning shouted. She immediately stood up so that the soup water dripped onto the floor.

"Sorry, I really didn't mean it," Li Sa who immediately took the tissue said.

"Li Sa, why aren't you be careful?" Mrs. Park said while glaring at Li Sa.

"Auntie, I really didn't mean it," Li Sa said while helping to clean the vegetables that still stuck on Soo Yin's feet.

Dae Hyun and Park Soo Hyun stood at the same time. Feeling immediately stepping their foot towards Soo Yin who was standing because of

burning. Soo Yin wears a knee-length dress so that only the bottom of her legs can be seen turning red.

"Soo Yin, we'd better see a doctor," Dae Hyun who was worried about his little wife said. He was afraid that Soo Yin's leg will blister.

"I'm fine," Soo Yin said while enduring the pain from the heat.

"See your skin turning red like that," Park Soo Hyun said.

"Mother, I'll take her to the doctor," Dae Hyun said.

"Just let the driver take her," Aeri who also stood up said. He didn't want Dae Hyun to go out with Soo Yin.

"She is my secretary so I should be responsible," Dae Hyun said with great emphasis.

Aeri was furious. Her intention to make Soo Yin leave just failed because Dae Hyun also went with her. Even though earlier she was quite happy because her plan to get Soo Yin to leave almost succeeded.

"Let me come too, Hyeong," Park Soo Hyun who wanted to accompany Soo Yin asked.

"No need!" Dae Hyun said firmly.

"Dae Hyun, hurry up and take her to the doctor," Jung Woo said, feeling sorry for Soo Yin.

Dae Hyun immediately grabbed Soo Yin's hand to follow his lead. Did not care about the sharp gaze from Aeri who was so annoyed to see him leave.

Soo Yin complied to get into the car. Actually, her skin was not injured at all, it was just a little hot.

"I don't want to go to the hospital," Soo Yin said. It was too much just to get hot soup she had to go to the hospital. She was not Aeri who always has to pay attention to her appearance. So it didn't matter if her legs turn ugly.

"But your skin is flushing red," Dae Hyun said with a worried expression.

"We just stop by the pharmacy to buy burn medicine," Soo Yin said while looking at Dae Hyun with hope that the man would comply with her request.

"But" Dae Hyun said, who was cut off.

"I'm fine," Soo Yin said.

"Alright."

Dae Hyun forced to obey the words of his little wife. Hopefully the wound wasn't too serious. They first bought medicine at the pharmacy before finally took Soo Yin back to Pyeongchang-dong villa.

Once Dae Hyun arrived, he rushed to park his car in the garage. Hastily he went out and opened the door for his little wife. Just as Soo Yin stood up, it turned out that Dae Hyun immediately carried her body so that Soo Yin seemed to be floating in the air. Reflex, she immediately wrapped her hands around Dae Hyun's neck so she wouldn't fall.

"Sir, Miss," Aunt Xia who approached her master said.

"Dae Hyun, put me down," Soo Yin who felt embarrassed because there was aunt Xia said.

"Auntie, please get me some cold water and bring it upstairs," Dae Hyun said.

"Yes sir." Auntie Xia immediately went to the kitchen to get ice water. Actually she was curious about what happened but Auntie Xia stopped her intention.

Dae Hyun continued to carry Soo Yin's body up the stairs. He did not care about his wife struggling to be taken down. After arriving, Dae Hyun put her down on the side of the bed.

Roughly and impatiently, Dae Hyun tore Soo Yin's lower dress and threw it in any direction. Sure enough, he guessed if her thigh was also inflamed. It's a shame that Soo Yin didn't want to be taken to the doctor.

"What are you doing?" Soo Yin widened her eyes as Dae Hyun tore her gauntlets roughly. She immediately covered her exposed thighs with both hands.

Without answering, Dae Hyun reached for the medicine in his coat pocket. He had bought some medicine to treat the burns earlier.

"Sir, what happened to Miss Soo Yin?" Aunt Xia who was worried asked when she saw Soo Yin's flushed legs.

"She was hit by hot soup," Dae Hyun replied with an expression that was difficult to interpret. He immediately squatted on the floor to make it easier to treat it.

"Do you need help?" Aunt Xia asked.

"No need, just put the water on the floor." Dae Hyun said.

"Are you all right, Miss?" Aunt Xia asked to Soo Yin before turning around.

"I'm fine. It just hurts a little," Soo Yin said with a smile.

Aunt Xia obeyed her master's words. Although worried, it was impossible to argue with Dae Hyun's words. After that she immediately rushed out of the room.

Dae Hyun took off his jacket then returned to squatting in front of Soo Yin.

"Awww!" Soo Yin moaned as Dae Hyun put the cold cloth on her leg.

Dae Hyun painstakingly cleaned up the remaining dry soup water using a cloth. Luckily the soup wasn't too hot that it didn't blister her skin.

"Does it hurt?" Dae Hyun looked up to see his wife biting her lower lip.

Soo Yin shook her head slowly because she didn't want to worry her husband.

HIDDEN WIFE : BEST HUSBAND

Chapter 104 - 104 - Prom Night

After finished cleaning it, Dae Hyun started rubbing burn medicine on Soo Yin's leg. When he was about to put the medicine on her thigh, Soo Yin grabbed his wrist.

"Let me put it myself," Soo Yin said. She was very embarrassed because her legs were without a barrier at all. Besides, she can also treat it herself without the need for help from others.

Dae Hyun finally let Soo Yin dab it herself. Fear if he couldn't control his desires because of the scene in front of him. The man chose to go into the bathroom to wash his hands.

After finishing, Soo Yin hurriedly changed her clothes. It wasn't terribly uncomfortable for Dae Hyun to see her half naked.

As soon as Soo Yin came out of the locker room, Dae Hyun was already sitting on the edge of the bed. Soo Yin walked over to her husband who was fixing his sleeve.

"Are you going back to UN Village tonight?" Soo Yin asked.

"Hmmm," Dae Hyun said curtly.

"Sorry, I went first with Park Soo Hyun," Soo Yin said while lowering her head.

"I should be the one apologizing for saying harsh things to you." Dae Hyun stood up and grabbed his wife's chin so he could look her in the eye.

"Are you angry?" Soo Yin asked as she looked into the eagle's eyes.

"My heart is burning when I found out that you are with another man," Dae Hyun said with such a deep gaze.

"Don't you believe me?" Soo Yin said.

"Not in disbelief but lately that's how I feel. I'm afraid you will be seduced by a man who is younger than me." Dae Hyun clutched his wife's body in a hug. Hold her so tight.

"Are you going to sleep here?" Soo Yin who returned the warm hug asked.

"If you ask for it then I will still be here with you," Dae Hyun said.

"Soo Yin, I'm sorry because this dinner almost made you in danger," Dae Hyun continued. He felt guilty because whenever Soo Yin was in the middle of his extended family there was always something that happened to her.

"It's not your fault, maybe Li Sa does have his own grudge against me. Li Sa has never liked me since we were little," Soo Yin saie. She felt sure that Li Sa spilled the soup on purpose.

"Really? Why is Li Sa like that? Didn't you say Li Sa is your cousin?" Dae Hyun who was surprised asked.

"I don't know, I don't know why she was like that to me. Maybe because I was the daughter of a mistress so that my extended family never liked me, including Li Sa," Soo Yin said.

"Never mind, don't think about it anymore. Now there is me who will always love and take care of you. I won't let Li Sa hurt you again," Dae Hyun said while rubbing Soo Yin's back.

"Go home! I'm afraid your family is worried about you. I also don't want them to suspect our relationship." Soo Yin slowly broke away from the man's embrace.

"Do you really want me to go? For the next several days maybe we won't meet," Dae Hyun asked to confirm.

"Why won't we meet? Where are you going?" Soo Yin asked. Instantly her face turned grim.

"I will go to Jeju Island to buy land. At the same time I want to review a strategic location to build a resort there," Dae Hyun said with a deep sigh. Actually he also didn't want to leave his wife alone. Even more so when imagining Park Soo Hyun who would feel very happy because he was not there. That made him even more unwilling.

"Aren't you going to ask me to go there?" Soo Yin pursed her lips.

"No, I don't want you to be tired," Dae Hyun said as he reached out to gently rub Soo Yin's cheek.

"I won't get tired at all," Soo Yin said with a sad face.

"There I have to visit several locations. It's useless if you come but I'll leave you alone at the hotel," Dae Hyun said to explain about the situation so that Soo Yin would understand.

"I can follow you wherever you go and I promise I won't bother you while you're there," Soo Yin said. He stared hopefully that Dae Hyun would invite her. An island that she had always dreamed of visiting since she was a

child. Because since childhood, Kim Nam always talked about the beauty of Jeju Island.

"I'm sorry, next time I will definitely invite you to go there," Dae Hyun said. There was a sense of guilt when he refused his little wife's wish to come along.

"Then stay here tonight," Soo Yin asked.

"Of course, I'll accompany you tonight," Dae Hyun said with a smile.

They spent the night talking about Dae Hyun's past that Soo Yin didn't know. Dae Hyun hasn't determined how long he will be on Jeju Island. Just the thought of being away with Soo Yin made him miss her. Especially if he has to part with her.

=====

Jeju Island

Dae Hyun is very anxious because it has been three days since he saw his little wife's face. It turned out that separating from Soo Hyun Yin was tormenting his feelings. They only communicate occasionally because Soo Yin was busy helping out with Park Soo Hyun's work. Making Dae Hyun really not willing if his wife was close to his brother. He kept imagining things that made him uneasy.

Quickly the man immediately contacted his assistant by telephone.

"Is there a problem, sir?" Chang Yuan asked on the other side of the phone.

"Assistant Chang, please take my wife to Jeju Island right now!" Dae Hyun ordered.

"But Young Lady is still needed to help Mr. Park Soo Hyun's work," Chang Yuan said.

"I don't care! You just have to take her to Jeju Island today!"

Hearing Soo Yin together with Park Soo Hyun made his heart even hotter.

"Yes, sir," Chang Yuan said.

"And make sure Park Soo Hyun didn't know about it," Dae Hyun said.

"Yes sir."

Dae Hyun threw his cell phone on the bed. He just returned to the hotel to rest after reviewing several locations. While on Jeju Island Dae Hyun felt uneasy. He always thought about Soo Yin every night.

Now he felt relieved after telling Chang Yuan to send his wife. He couldn't wait to meet her.

=====

Seoul

Chang Yuan could only take a deep breath at the command from his boss. Quickly contacted Auntie Xia to get Soo Yin's clothes ready. It will take a long time if he has to go back to Pyeongchang-dong villa first. Not to forget he also ordered tickets for two people. Of course for him with Soo Yin.

This trip will definitely be very tiring as she has to commute endlessly from Seoul to Jeju Island. Then have to come back again. Hopefully his boss will let him rest for a while on Jeju island.

Chang Yuan rushed to Park Soo Hyun's room to meet Soo Yin because while Dae Hyun was away Soo Yin was assigned to help with his work.

Chang Yuan knocked on the door several times before he finally walked straight in. He saw Soo Yin's desk filled with all kinds of flowers and

chocolates. No wonder the boss gave orders for Soo Yin to catch up with him. Apparently his boss was afraid that his little wife would get too close to Park Soo Hyun.

"Assistant Chang?" Soo Yin said while smiling at Chang Yuan.

"Miss, come with me," Chang Yuan said. He was very lucky that Park Soo Hyun was not in his room so Chang Yuan didn't have to ask permission first.

"Where?" Soo Yin asked while linking her eyes.

"Later, you will find out yourself. Bring your bag too," Chang Yuan said politely.

Even though she was hesitant, Soo Yin still stood up following Chang Yuan's steps to get out. She was sure there was no way Chang Yuan would do anything to her.

Just about to leave, it turned out they bumped into Park Soo Hyun.

"Where are you guys going?" Park Soo Hyun asked curiously.

"Sorry, I have to take Miss Soo Yin to go away for a while," Chang Yuan said as he bowed his body.

"Where? Then I should come too," Park Soo Hyun said he was not willing if Soo Yin taken away by Chang Yuan. Even though they had only been together for a few days since their brother's absence.

"Sorry, you can't come," Chang Yuan refused gently. He couldn't possibly tell the truth. According to his boss's orders, Park Soo Hyun must not know that Soo Yin followed Dae Hyun to Jeju Island.

"Anyway, I'll come," Park Soo Hyun said.

Chang Yuan massaged his head which felt a little sore. He thought about his life which was difficult right now. Living between two brothers who love the same woman makes him very dizzy.

HIDDEN WIFE : BEST HUSBAND

Chapter 105 - 105 - Jeju Island

"Mr. Park Soo Hyun, you don't seem to be able to come because there will be a meeting soon," Soo Yin who tried to help prevent Park Soo Hyun from coming said because she also didn't know where to go.

"Ah, I forgot. Then hurry back. If Assistant Chang does anything, you should contact me," Park Soo Hyun said.

"Hmmm," Soo Yin said with a faint smile. She was sure that Chang Yuan wouldn't mess with her.

While in the car Soo Yin kept asking Chang Yuan where he wanted to take her. However, Chang Yuan remained tight-lipped and kept everything a secret. Makes Soo Yin suspicious.

"You don't have to worry because nothing will happen to you." That's the word Chang Yuan always says that made Soo Yin bored. The girl chose to remain silent and said nothing more.

'Airport? What for go to the airport?' Soo Yin thought as Chang Yuan stopped his car in the airport area. So many questions were raging in her heart but Soo Yin remained silent without asking.

Soo Yin continued to follow Chang Yuan's steps. It turned out that he immediately took her to a plane. Soo Yin wasn't allowed to see the ticket so she didn't know where Chang Yuan took her.

"Miss, get in," Chang Yuan said.

Soo Yin didn't move, there was doubt in her heart to obey Chang Yuan's words.

Chang Yuan let out a long sigh.

"Hurry up, if you don't want to get too late because Master is already waiting," Chang Yuan said bluntly. The man was tired of explaining everything.

"Master?" Soo Yin felt even more relieved when she heard Chang Yuan mention her husband's name.

"Yes, Mr. Dae Hyun told me to accompany you to follow him," Chang Yuan said.

"Is it true?" Soo Yin's face immediately broke when she heard Chang Yuan's statement. That meant that soon she will meet her husband. Soo Yin felt really happy right now.

"That's right, miss. So get in quickly, because soon the plane will fly."

"Okay," Soo Yin said without asking again. Knowing that she would catch up with her husband made her heart flutter.

Chang Yuan walked first to climb the plane stairs. He ordered first class or first class tickets.

Soo Yin followed Chang Yuan's steps, not knowing where to sit. It turned out that Chang Yuan took her to the front row. There was a higher level of privacy and a more personalized service.

But just as the plane went up, Soo Yin's stomach suddenly felt like she was churning. She felt so nauseous that she accidentally vomited her stomach contents into Chang Yuan's feet.

"Miss, are you all right?" Chang Yuan asked. He was just about to close his eyes for a moment.

"I don't know, my stomach feels really nauseous," Soo Yin said while holding her stomach. Soo Yin felt really embarrassed that even only taking a plane makes her drunk.

Chang Yuan immediately went to get a hangover medicine for Soo Yin. After drinking it, Soo Yin can fall asleep.

=====

Jeju Island

Soo Yin slowly blinked her eyes. Looking around the room that seemed foreign to her. But her head was spinning so she closed her eyes again.

"Honey, are you awake?" Dae Hyun, who had just cleaned up, walked up to his wife when he saw her squirm.

"Why am I here?" Soo Yin muttered while massaging her head. The scent of Dae Hyun's skin was so fragrant that it filled her sense of smell. The aroma was able to make the dizziness fade away.

"You were drunk while on the plane. Assistant Chang said you vomited before finally falling asleep. I thought you fainted so I called the doctor but thank goodness you're fine," Dae Hyun said while sitting next to Soo Yin. The remaining droplets of water in his hair flowed down his body.

Soo Yin tried to remember what happened before. She began to remember how she vomited her guts at Chang Yuan's feet. After taking the medicine she didn't remember anything else. She often got drunk while in the air. Soo Yin felt guilty towards Chang Yuan. That man must be very upset with her.

So Yin shifted her body to sit leaning on the side of the bed which was directly assisted by Dae Hyun.

"Are you still dizzy?" Dae Hyun asked as he smoothed his wife's hair. He tucked Soo Yin's long hair behind her ear so it didn't cover that pretty face.

"It's a little better," Soo Yin said while trying to listen to the sound of waves crashing on the beach.

"Where are we now?" Soo Yin asked as she got out of bed as her eyes looked at the vast expanse of sea through the window. She immediately stood in front of the window directly facing the sea.

Actually, Chang Yuan has said it but Soo Yin was not sure if she was currently on her dream island.

"We're on Jeju Island?" Soo Yin asked to make sure. Her face lit up when she saw such a beautiful sight. She had dreamed of coming to this place for a long time.

"Do you like this place?" Dae Hyun asked.

Soo Yin nodded her head enthusiastically without taking her eyes off at all.

"Hurry and change clothes, I'll wait outside," Soo Yin said, immediately stepped out of the room. Her hangover and dizziness had completely disappeared. She didn't want to waste her time just sitting there in the room.

Dae Hyun didn't have time to answer yet, but it turned out that Soo Yin has disappeared behind the door. The man immediately hurried wearing his clothes for fear that Soo Yin would play too close to the waves.

When she was outside Soo Yin was again stunned because right in front of here there were so many Camellia plants. It turned out that the room was a resort located among Camellias and on the beach. The distance between the resorts was far from each other.

Soo Yin kept walking until she found a ladder leading to the sea. Without thinking, she immediately descended it because she couldn't wait to reach the shore.

In the afternoon like this it was very comfortable to play on the beach because the weather was cool. Especially when it was spring so it was perfect for a vacation.

When Dae Hyun came out he didn't see his wife anymore. When he descended the stairs, he could see Soo Yin playing with the sand and waves. Seeing her happy like that touched his heart. It was not in vain that Chang Yuan chose a place for them to vacation. After returning to Seoul it seemed like he had to pay a higher salary for Chang Yuan.

"Honey, let's go back. It's almost dark," Dae Hyun asked as he walked over to his wife.

"Soon, I want to enjoy the sunset first," Soo Yin said, turned to look at Dae Hyun as she pursed her lips. Right now she was sitting on the sand looking up at the sunset.

Dae Hyun sat beside his wife. He didn't think it's a problem to comply with her request because it's rare to be able to invite her here.

Dae Hyun grabbed Soo Yin's body to stick her closer to his body. Soo Yin's clothes were now wet from playing with the waves, made her body felt a little cold.

Soo Yin rested her head on Dae Hyun's shoulder while enjoying the view of the orange sky on the western horizon. Something she had dreamed of finally happened. Just a small dream to see the sunset with the one she loved.

"Have you stayed at this resort from yesterday?" Soo Yin asked out of curiosity. This place was a tourist destination for couples on their honeymoon so Soo Yin suspected her husband.

"So what?" Dae Hyun just asked back.

"Say you don't go out with other women, do you?" Soo Yin narrowed her eyes as she looked into Dae Hyun's eagle eyes.

"Do you think so?" Dae Hyun teased, who heard his wife's jealous tone.

"So you're really with another woman?" Soo Yin immediately broke free then sat away from Dae Hyun but the man moved closer to her without caring Soo Yin pushed his body.

"Are you jealous?" Dae Hyun said with a smile as he looked at the sullen expression on his little wife's face.

Soo Yin looked away.

Cup....

Cup

A kiss landed on Soo Yin's cheek, causing the girl to widen her pupils.

"Don't touch me! Just touch the woman who has accompanied you!" Soo Yin said curtly as she rubbed her cheek roughly.

"Are you sure you won't regret it?" Dae Hyun teased.

"No!"

"Okay." Suddenly Dae Hyun immediately grabbed Soo Yin's body until she hit his burly body.

Dae Hyun grabbed his wife's face so he could stare at her. Soo Yin's jealousy was completely unreasonable.

"You're the only woman I touch now," Dae Hyun whispered then began to land his lips on Soo Yin's lips.

.

HIDDEN WIFE : BEST HUSBAND

Chapter 106 - 106 - Jeju Island (part 2)

Soo Yin tried to break free but Dae Hyun held the nape of her neck too hard so the girl can't move. Can only accept Dae Hyun's tongue dancing in her mouth. Until making her breath gasping.

"Let go!" Soo Yin pushed Dae Hyun's body because he was already out of breath.

"Do you want to kill me?" Soo Yin continued.

"I just want to prove that your jealousy is unreasonable," Dae Hyun said.

"I just wonder, shouldn't you currently finish your job?" Soo Yin pursed her lips.

"I just got here when you woke up. I couldn't even sleep here because I thought about you. But you just accused me of doing things," Dae Hyun said with a snort.

"I'm sorry," Soo Yin said. She felt stupid for acting like that to her husband.

"I came back first because it was dark. If you want to stay here, whatever!" Dae Hyun said, pretending to be angry. He stood up then left Soo Yin. Even though he actually can't bear to let her be on the beach alone.

Soo Yin immediately ran after her husband. Now the situation was reversed. It turned out that men can get angry too.

"Honey, I'm really sorry!" Soo Yin shouted while jogging following Dae Hyun's steps.

Brukk....

Soo Yin ran without looking at her steps until she tripped over a sharp rock which knocked her down. There was blood running down her leg.

Dae Hyun turned around when he heard Soo Yin falling. He immediately rushed over to his wife.

"Is your leg hurt?" Dae Hyun crouched down to check it out. It turned out that there was a rock that pierced the soles of her feet.

"Does it hurt?" Dae Hyun said while washing it with sea water.

"A little," Soo Yin said while biting his lower lip.

Dae Hyun immediately lifted his wife's tiny body. Felt sorry for having to let her walk alone up the stairs. Besides, how could he has the heart to let his wife walk with a sore leg.

"I can walk alone," Soo Yin said as she put her hand around his neck.

"It's okay, don't be stubborn." Dae Hyun didn't care about Soo Yin who kept asking to be dropped.

"Sorry, I always hurt you," Dae Hyun said, staring at the eyeballs he always missed.

"I'm sorry too for not believing you," Soo Yin said regretfully. Even though Dae Hyun has repeatedly stated that he loves her.

"Never mind, forget it. The most important thing is in the future you should not act like that," Dae Hyun said with a gentle smile.

"Hmmm." Soo Yin nodded her head. From now on she will not think negatively about her husband.

Dae Hyun continued to carry Soo Yin's body up to the resort then dropped her on the sofa. Dae Hyun rushed to find the medicine box in the nightstand. After finding it, Dae Hyun immediately washed the wound with alcohol then gave her medicine so that the wound would dry quickly.

"Are you going to take a shower now?" Dae Hyun asked.

"Later, my leg still feels it hurts a little," Soo Yin said with a grimace.

"Then you better change your clothes. I don't want you to get sick," Dae Hyun said.

Soo Yin nodded her head. She also felt a little cold.

Dae Hyun immediately got a change of clothes for his little wife. After that, just contact the waiter to immediately send dinner to the resort.

Not long after, the waiters began to serve various kinds of menus at the dinner table. Soo Yin who really felt hungry immediately ate with gusto. She never felt ashamed to be herself in front of Dae Hyun.

"Eat a lot so that your body is thicker," Dae Hyun who kept looking at his wife said. Seeing her eat greedily made his stomach feel full.

"You also eat a lot." Soo Yin got some seafood dishes until Dae Hyun's plate was full.

"I can't eat too much seafood. Do you want me to have cholesterol?" Dae Hyun said when he looked at his plate which was like a mountain.

"Ah, I forgot, you're so old that you shouldn't eat too much seafood," Soo Yin sneered while laughing seductively. She took the food back and put that on her plate.

"You bad girl!" Dae Hyun said while shaking his head.

Soo Yin instead stuck her tongue out at Dae Hyun. She didn't care if the man got mad at her. After all, it was a fact.

"How's your job? Is it more fun working with me or with my brother?" Dae Hyun asked, just curious as she put the food in her mouth.

"Your brother is very weird, he brought flowers and chocolates for me every day, he said it was as a thank you for helping him," Soo Yin said honestly. The girl didn't realize that Park Soo Hyun had feelings for her.

"Did you eat the chocolate?" There was jealousy when his younger brother approached his wife so aggressively. It turned out that taking Soo Yin to Jeju Island with him was perfect. That way his little brother wouldn't have a chance.

"I collect it in a drawer. I'll give it to Jean later," Soo Yin who had finished eating said. She started rubbing her messy mouth using tissue.

"Why do you wanna give it to Jean for?"

"You know at night after meeting Mr. Takashi? It turns out that Jean and Park Soo Hyun were dating at the same restaurant. That's why I was able to meet them and Park Soo Hyun forced me to be escorted home but I overslept," Soo Yin said, explaining at length about that night.

Looked like Dae Hyun should warn his brother not to play with women's feelings. Wouldn't let Park Soo Hyun approach Jean just to get Soo Yin. He wouldn't let Jean fall victim.

"Did you ask to be escorted to the villa?" Dae Hyun asked.

"Of course not, I asked to be taken to the rented house that I used to live in," Soo Yin said with a laugh.

Suddenly Dae Hyun's cell phone rang. This was what always annoyed him, there were people who call at times together like this. He just let his cell phone rang a few times without any intention of answering it.

"Why do not you answer?" Soo Yin asked.

"Just leave it, I don't want anyone to interfere with you." Dae Hyun grabbed Soo Yin's hand who was on the table.

"I'm fine. Pick up, maybe it's an important call," Soo Yin said while squeezing Dae Hyun's fingers.

Dae Hyun snorted in annoyance but then stood up and stepped into the room. Because the cellphone was above the nightstand which was located beside the bed. He turned up the volume of his voice so that it could be heard outside.

Waiting for Dae Hyun to answer the call, Soo Yin chose to tidy up the table so it didn't get messy. This can lighten the waiter's work a little.

Kim Nam's figure flashed across her mind.

"Don't Father live on Jeju Island? But I don't know the address because Father never told me," Soo Yin muttered while biting the tip of her nails.

"Honey, just let the maids do it," Dae Hyun said, breaking Soo Yin from her reverie that had only been a few minutes.

"Oh, it's okay. I was just did a little help. Is there anything important?" Soo Yin said while knitting her eyebrows.

Dae Hyun let out a deep breath.

"The person who sold his land asked me to visit his house tonight," Dae Hyun said with an unpleasant look.

"Go, I'm okay here alone," Soo Yin said.

"But promise you that you will stay here and not go anywhere?" Dae Hyun said, worried that his wife would leave.

"Of course, I'm not going anywhere." Soo Yin held up looking for her pinkie which Dae Hyun immediately linked.

"Shower and rest! Your clothes are already in." Dae Hyun kissed the top of Soo Yin's head gently.

"All right, be careful and don't come back too late," Soo Yin said, who waved her hand at Dae Hyun, who slowly disappeared into the dark night.

Soo Yin walked into the room slightly limp. Her eyes were stunned for a moment when she saw the red rose petals scattered on the white sheet. The roses scattered to form love. There were candles with aromatherapy around the bed. The fragrant aroma invaded Soo Yin's sense of smell, made her inhale even deeper.

This room looked like in a romantic movie she watched a few days ago.

Soo Yin just stood there frozen. She was surprised because it seemed like when she left, the bed was very messy. There's no way they entered the wrong way. She immediately threw away all the astonishment that was on her mind.

Soo Yin immediately went into the bathroom. Fill the bathup with warm water and soap. She immediately went into a bath that was filled with foam with a very fragrant soapy aroma. Nearly half an hour Soo Yin soaked to relax her body.

HIDDEN WIFE : BEST HUSBAND

Chapter 107 - 107 - Honeymoon (part 1)

After being satisfied soaking, Soo Yin finally came out using a towel. The girl ruffled the suitcase but none of the clothes fit her heart. One suitcase

contained Dae Hyun's clothes and the other contained lingerie of various colors and sizes.

"Why do I always find these clothes?" Soo Yin grumbled as she took one of the plain white and transparent lingerie. The size was slightly longer than others but the material was too transparent. Inevitably, Soo Yin was forced to wear it.

Soo Yin finished changing her clothes when she was about to lie down on the bed but was discouraged. She really regretted if the beautiful bed arrangement would be messy by her. Actually she wanted to take a walk outside to enjoy the night by the beach. It was just not possible to go outside wearing only lingerie.

The girl turned on the television to get rid of boredom. She turned off the light first before finally lying on the sofa.

=====

Dae Hyun returned to the resort at eleven in the evening. The resort where he was staying was dark when it was seen from a distance so Dae Hyun immediately took a hurry to arrive.

Klek....

Just got hold of the doorknob. The door was apparently unlocked, so it opened immediately when he pushed it a little. Dae Hyun immediately looked for a switch to turn on the light. He turned his gaze around the room until he finally felt relieved that his wife was on the sofa. He thought Soo Yin was leaving earlier.

Dae Hyun approached his little wife who was already asleep. He looked at Soo Yin's body who was lying in a transparent dress. Luckily there were no bad people who entered. He could not imagine all of that.

Dae Hyun took a sip of saliva when he saw his wife's smooth legs that extended to the top of the thigh without being covered by anything because the lingerie was exposed to the top of the thigh. He can also see Soo Yin's protruding chest and the belly.

'Is she teasing me into dressing like this?' Dae Hyun thought as he massaged his head.

Dae Hyun sat squatting in front of his wife. Get rid of the hair covering her face. Dae Hyun slowly traced every inch of the smooth skin with his index finger. Until his gaze stopped on the pink lips that were so seductive. He rubbed Soo Yin's lips gently with his thumb.

Dae Hyun could no longer hold back his long-held desire. Slowly he brought his face closer to Soo Yin's face. He began to put his lips against her lips to start a soft kiss, which finally deepened his lips. Even occasionally biting her lower lip with exasperation.

Soo Yin, who was fast asleep, felt like she was dreaming of being kissed by her husband. She was so surprised when she opened her eyes that it was not a dream. Even Soo Yin repeatedly blinked to confirm it. Because of shocked that it was not a dream Soo Yin opened her mouth so Dae Hyun used it to break into his wife's mouth to deepen the kiss. Until his tongue can trace his wife's tongue.

Soo Yin tried to push her husband's body because she felt like out of breath. Her breath was wheezing because Dae Hyun didn't let go of the kiss. But Soo Yin's strength was too weak compared to Dae Hyun's mighty power, which has been burned with burning passion.

"I... I can't breathe," Soo Yin said on the sidelines when the opportunity arose.

Seeing his wife who was out of breath, Dae Hyun slowly let go of the kiss.

"Honey, can I do it?" Dae Hyun asked with a wistful look as he held back his desire.

Soo Yin nodded her head without understanding what Dae Hyun meant. Because her mind wasn't working properly.

Happy because he got the green light, Dae Hyun immediately picked up his wife's body. Until Soo Yin seemed to float in the air. Immediately, she put her hands around Dae Hyun's neck.

Dae Hyun took Soo Yin's body into the room. The scent of the candles was so fragrant that Dae Hyun immediately became even more excited.

He lied Soo Yin's body on the bed gently. He didn't want to scare his wife.

Dae Hyun traced her forehead then nose to lips with his mouth. He started kissing his wife's neck to collarbone. Made Soo Yin felt a strange feeling all over her body.

Dae Hyun played his tongue against Soo Yin's ear, giving a swish effect all over her body. Dae Hyun stuck Soo Yin's earlobe into his mouth and traced each ear curve with his tongue.

Soo Yin really can't help it. Her hand gripped Dae Hyun's arm so tightly that her nails stuck. Her body writhes hoping Dae Hyun will stop the game in her ears.

Dae Hyun's game has now moved to Soo Yin's neck. Making traces of possession so much that was clearly visible on Soo Yin's white skin.

Dae Hyun again crushed Soo Yin's lips with the desire that was already on the crown. His hands continued to wriggle over the two tempting plump objects that were still wrapped in cloth.

Soo Yin's breathing was irregular. Her body shook every time there was a strange rustle that tickled her body. Her hand was now tightly gripping Dae Hyun's hair. It felt like Soo Yin wanted to bite hard on Dae Hyun that was trying to hold back.

Dae Hyun immediately tore Soo Yin's lingerie and threw it in any direction. Then play again with two twin hills that were not barred by a single thread. Tasted and sipped it with burning passion. Not allowing his wife to rest at all.

Dae Hyun really enjoyed every inch of Soo Yin's body from head to toe. Now that man was already burning with passion that he has been holding for too long, which sometimes made him very frustrated whenever he saw Soo Yin's beautiful body.

"Honey, can I do it? I really can't hold it in anymore," Dae Hyun said in a hoarse voice and breaths that are hunting. His gaze looked so sad that Soo Yin felt sorry for him.

Soo Yin was silent for a moment. Their eyes met each other. Soo Yin who heard Dae Hyun's request that was full of hope could only let out a long sigh before finally nodding her head.

Dae Hyun smiled broadly to get a positive response from his wife.

"But I'm afraid," Soo Yin said softly as she bit her lower lip. There was a look of fear in her eyes.

"I promise I'll take it slow," Dae Hyun said with a foggy and hopeful look. He tried to convince his little wife that he would not hurt her.

For a moment Soo Yin stared at her husband's eagle eyes to think back before finally nodding her head. Hopefully what she has imagined so far was not true. Besides, she realized that it had been long enough to delay it. Soo Yin also didn't want Dae Hyun to take it out on other women.

Dae Hyu was excited and was about to kiss the lips, but Soo Yin's hand blocked him again.

"I don't want to have children yet," Soo Yin said.

Dae Hyun could not hold back the desire that was already on his head, so he crushed his wife's lips without heeding what she said.

Soo Yin could only surrender and accept what Dae Hyun was doing with her body. In her heart, she prayed that this was not the fertile period so that she could postpone her pregnancy. She felt unable to have children at a young age.

Dae Hyun took off his clothes and threw it away in any directions.

"Arghhh!" Soo Yin screamed when something hit her sensitive part.

Slowly but surely, tears occurred in Soo Yin's sensitive area, which was very painful and so sore that droplets of water flowed down her cheeks. Soo Yin tried to endure the pain by grabbing Dae Hyun's back very hard. She didn't care if her nails stuck into that burly body.

Dae Hyun, who saw the water droplets on his wife's cheek, felt that he could not bear to. But he couldn't hold it anymore this time. Even if he put it off, his wife would feel the same way sooner or later.

Soo Yin locked her mouth and closed her eyes holding back the pain as Dae Hyun's burly body continued to shake his body. Dae Hyun seemed not feeling tired at all for carrying out attacks quickly.

The night was getting cold and lonely, but not with the atmosphere in the room which got hotter with the groan of two people who making love to each other.

Dae Hyun felt happy that Soo Yin finally gave her body to him alone. Dae Hyun felt very happy to be the first for his wife.

HIDDEN WIFE : BEST HUSBAND

Chapter 108 - 108 - Honeymoon (part 2)

Dae Hyun was awake when the sun appeared. There was work waiting so he got up early. He looked at his wife's face, which looked exhausted by what he had done last night. Who knows how many times last night he did it to Soo Yin until his wife was exhausted. They even went to sleep when it was almost dawn.

Dae Hyun raised the blanket to cover Soo Yin's body until only her head was visible. He was afraid that by seeing that beautiful body he would not be able to hold it back like last night. He kissed Soo Yin's forehead gently before going to the bathroom to wash up.

After finishing the bath, Dae Hyun immediately ordered food, maybe his wife would wake up. But several times trying to wake her up, Soo Yin just squirmed and closed her eyes again.

Dae Hyun chose to work on the bed beside Soo Yin while waiting for her to wake up. He didn't want to leave his wife alone at the resort. He chose to order his men when there was urgent work to be done outside.

-
-

Soo Yin tried to open her eyes which were dazzled by the already orange sunlight. Her whole body felt crushed when she moved. She looked at her body which was only covered by a blanket without wearing a single thread.

"Oh God, what happened?" Soo Yin said softly as she held his head to remember what happened last night. Her head still felt a little heavy.

Soo Yin tried to get out of bed by sliding her body to the edge. Just stood up and took a step but Soo Yin felt something stabbing her sensitive area.

"Awww," Soo Yin moaned while holding her sensitive part that felt sore. She winced when she felt it.

"Honey, are you awake?" Dae Hyun said. He just came back from the convenience store for a while to buy something not too far from the resort.

Soo Yin immediately wrapped the blanket around her tightly so as not to sag.

"Don't be embarrassed, didn't I see it all last night?" Dae Hyun teased with a really charming smile. Made Soo Yin's face turned bright red.

"Go outside, I want to take a shower," Soo Yin said as she stepped into the bathroom. She grimaced because she held back the extreme pain.

Dae Hyun, who saw that his wife had difficulty of walking, immediately put the plastic bag on top of the nightstand and carried the small body.

"Let go!" Soo Yin said while hitting Dae Hyun's broad chest. As a result of the movement of her hands, the blanket fell to the floor.

Soo Yin widened her eyes and immediately covered his twin hills with palms.

Dae Hyun who saw such a beautiful scene before his eyes became excited again. Unconsciously he drank his saliva.

"Put me down," Soo Yin said.

Dae Hyun didn't care about his wife who kept struggling. He still stepped into the bathroom. He lowered Soo Yin's body into a big bath up. Inside, there was soapy water with abundant foam and a very fragrant soapy aroma.

Soo Yin felt relieved that now her body was covered in foam. But immediately she closed her eyes with her palms when Dae Hyun opened his shirt.

"What are you doing?" Soo Yin shouted as she peeked through her fingers.

"Don't be like that, didn't you also see everything last night?" Dae Hyun who started to take off his pants asked.

"I'm embarrassed," Soo Yin who didn't want to open her face said.

Dae Hyun just shook his head and went into the bath up with Soo Yin.

"What are you doing? Why come in?" Soo Yin who looked back said. Because Dae Hyun was sitting right behind her so she could feel their skin touching each other.

"I want us to have a bath together," Dae Hyun whispered in Soo Yin's ear with a mischievous smile.

"But...."

Dae Hyun didn't allow Soo Yin to protest. He turned Soo Yin's body to face him and immediately covered Soo Yin's mouth with his lips.

At first Soo Yin put up a fight but Dae Hyun's strength was too strong for her small body. Besides, now Dae Hyun kissed her gently until she felt the sensation roll back in her body. Now Soo Yin began to kiss Dae Hyun back until it got hotter and made Dae Hyun flare up again even though he just did it last night.

Dae Hyun returned to play with two beautiful hills without letting go of his lips, made Soo Yin's body tremble and gasp for breath.

"It hurts," Soo Yin said with a dark look in her eyes.

"This time it won't hurt," Dae Hyun said, he immediately buried himself in his wife's body.

Accompanied by the sound of flowing water, Dae Hyun attacked Soo Yin's body again. As if the man was not bored and tired at all.

Soo Yin sat in front of the mirror while drying her hair after changing the clothes. Her body now felt even more crushed because of Dae Hyun's act earlier in the bathroom. Especially after did it in the bathroom. The sensitive area felt sore. Luckily, Dae Hyun bought her some pain relievers when he went to the convenience store. If not, then Soo Yin believed it must be hard to walk right now.

"I want to go for a walk," Soo Yin whined as she pursed her lips. She turned her head to look at Dae Hyun who had just come out of the bathroom.

"It's already afternoon. Where are you going?" Dae Hyun asked to his wife shirtless.

"Afternoon?" Soo Yin immediately rose to her feet because she did not believe in her husband. She rushed to the window. It turned out that it was true that now the sun was already orange and was about to set.

"Why didn't you wake me up since morning?" Soo Yin grumbled, she now turned to look back at Dae Hyun. She narrowed her eyes while pursing her lips.

"I've tried many times to wake you up but you look so tired that I'm forced to let you sleep longer," Dae Hyun said casually.

"Really? Could I possibly sleep that soundly?" Soo Yin didn't just believe her husband's words. She didn't hear Dae Hyun at all to wake her up.

"Hmm, I can't bear to wake you up because you look so tired," Dae Hyun said.

"It's all because of last night you didn't want to stop," Soo Yin muttered.

"I saw that you enjoyed it too last night," Dae Hyun teased with a crooked smile.

"Don't deny it! You are the cause of everything," Soo Yin said with a flat expression trying to hold back her embarrassment.

"Alright, this is really my fault," Dae Hyun said, admitted his mistake last night even though it was not entirely his fault. If Soo Yin wasn't wearing such a hot outfit he would have been able to endure it.

"Too bad, time being here is wasted. Even though we should have gone for a walk," Soo Yin said regretfully. She returned to standing at the window to watch the sun that was almost setting. If she woke up earlier, she would have been able to play with the sand on the beach with satisfaction all day long.

But it was useless to regret it because time will never come back again.

"So you're regret about what we did last night?" Dae Hyun asked.

"A little," Soo Yin said curtly.

"There's still time tomorrow to go sightseeing. I'll definitely obey wherever you want," Dae Hyun said.

"Really?" Soo Yin said with a happy face.

"Hmmm," Dae Hyun said.

"Thank you." Soo Yin walked over to Dae Hyun and immediately hugged him.

"Ouch," Dae Hyun groaned as Soo Yin's nails scratched his back.

"Why?" Soo Yin asked while frowning. Looked like she didn't do anything but why was her husband suddenly moaning in pain.

"My back hurts," Dae Hyun said, grimacing. Soo Yin's nail scratch from last night was sore again.

Soo Yin immediately let go of her hug. She walked behind Dae Hyun to see that back. Soo Yin widened her pupils until it almost fell when she saw Dae Hyun's back which was covered with scratch marks.

"What happened to you? Why is your back like this? Have you been fighting a tiger?" Soo Yin asked repeatedly looking at Dae Hyun's back flushed with horror.

"Yes, last night I finished fighting the tigress. Luckily I was able to conquer it," Dae Hyun said with a flat expression. He glanced at his wife while sucking a smile.

"Really? Is there a tiger near here? Where are you fighting? Why don't you ask for help?" Soo Yin asked with an innocent face that made Dae Hyun feel anxious about eating it again. The girl didn't realize that Dae Hyun was fooling her.

"There's no way I'm screaming for help because no one will help. The tiger was so fierce that it scratched my back blindly. Look at my back, it all hurts," Dae Hyun said, pretending to be in pain while rubbing his back.

"Where were you fighting so there were no people?" Soo Yin asked.

Dae Hyun brought his face closer to Soo Yin's face so that their breaths were chasing each other.

"We fought on the bed," Dae Hyun whispered right in his wife's ear, smiling with satisfaction because he had tricked his little wife.

"On the bed?" Soo Yin raised an eyebrow. Trying to digest Dae Hyun's words. There was no way a tiger could enter the room, unless....

"So you think I'm a tiger?" Soo Yin asked while narrowing her eyes. She immediately punched Dae Hyun's shoulder with all her might. Although earlier she believed that there was a tiger. It was unexpected that she had been tricked.

"I wasn't the first to say it." Dae Hyun tried to block Soo Yin's hand from punching him.

"You're too much!" Soo Yin then took turns beating her husband's back, making Dae Hyun moan in pain.

Soo Yin stopped the action when he saw Dae Hyun who was really moaning in pain.

"Does it really hurt?" Soo Yin asked when she saw Dae Hyun whimpering, it made her feel bad.

"A little," Dae Hyun said.

"Is there a medicine to treat this wound?" Soo Yin asked.

"There, it was on the nightstand because I bought it earlier," Dae Hyun said, he got up to sit on the edge of the bed while rubbing his back.

Soo Yin took the medicine in the form of a cream and then rubbed it all over Dae Hyun's body, which was injured by her actions.

Almost all of Dae Hyun's back, which had been smooth without injury, was now covered with scratches. Soo Yin didn't fully remember what she was doing last night.

"Your back is injured like this but you didn't stop it last night," Soo Yin said while painstakingly rubbing the drug on Dae Hyun's back.

"Last night I didn't really feel it. I just felt sore when I took a shower this morning," Dae Hyun said. How could he stop the long-held desire.

"You!" Soo Yin instead pinches Dae Hyun's waist so that the man straightened his back because it hurts.

"This wound doesn't matter at all while you do it. Even I am willing that every night I have to get hurt like this," Dae Hyun who glanced at Soo Yin with a lopsided smile said to tease his wife.

"I'm hungry, hurry up and order the waiter to bring food for me," Soo Yin said to change the subject. She didn't want to remember what they had done last night. Although she felt relieved that she had given up her honor only to a man who had become her husband.

"Very well," Dae Hyun said. He immediately grabbed his cell phone which was above the nightstand to contact the waiter. He didn't want to starve his wife.

=====

Seoul,

Dae Hyun's leaving for Jeju Island made Aeri felt free to do anything. What's more, her in-laws have also gone to Ghosan and didn't know when will they return.

Tonight, Aeri planned to go to a night club with her friends. There was a party held by one of her friends.

"Where are you going?" Jo Yeon Ho who saw her mother wearing an evening gown asked. Although long but the dress slightly opened the chest.

"Small children don't need to know adult businesses," Aeri said flatly as she applied bright red lipstick on her lips.

"Mother, if you are going to go, read me the story first," Jo Yeon Ho whined while looking up. He sat on the edge of the bed near the dressing table.

"Just tell Aunt Eun Hee to read it," Aeri said in a slightly high tone. Her gaze was not distracted from the mirror because she was still busy polishing her face with make-up.

"I want Mother to read it." Jo Yeon Ho held the dress so that it made it look wrinkled.

"Watch out, look at mother's dress so wrinkled like this." Aeri pushed his son so hard that he lost his balance and fell on his back.

"Ouch!" Jo Yeon Ho groaned when his butt touched the floor.

"Men don't have to be spoiled," Aeri who only glanced at her son said without any intention of helping him up.

Jo Yeon Ho slowly rose to his feet while rubbing his pants that were not dirty. He immediately took Aeri's cell phone that was lying on the bed. Trying to find a familiar cell phone number. Not having had time to press the button to call, Aeri had already taken it first.

"What would you do?" Aeri asked while checking her cellphone. It turned out that Jo Yeon Ho was about to contact her father.

"I miss Daddy," Jo Yeon Ho said while bending his face.

"Your father is busy. You better go back to the bedroom and sleep!" Aeri said sarcastically. She was tired of pretending to be a good mother.

Jo Yeon Ho immediately ran and then slammed the bedroom door hard.

"You grumpy!" Aeri cursed, she did not care about her son at all. This was the time for her to be free and not need to pretend to be nice to her son.

After finished dressing Aeri immediately rushed to a night club. She went to drive her own car.

Colorful lights flickered in the dim light. From a distance she saw a man who had been waiting for her. Aeri immediately smiled happily when she saw him.

"Hi, dear," Aeri said, she was immediately greeted with a hug by the man.

"You took so long," the man said.

They chat with each other while enjoying the drinks that have been provided. All the invited guests danced to each other to the beat under the dim light.

Every now and then Aeri almost fell because she lost her balance due to the alcohol she drank. Luckily there was this man who always managed to support her.

Aeri left the night club before the party was over. Aeri wobbled a little so the man happily carried Aeri's body to the parking lot. Aeri smiled with satisfaction because she was able to meet the man after a long time of not being able to see him. Having her in-laws at home made it difficult for her to leave.

From a hidden place not far from the parking lot. Since earlier, Chang Yuan had been watching them even from a distance. He cannot enter the club because he does not have an invitation letter. But Chang Yuan already had

some photos he got from one of the invited guests that he had paid to spy on Aeri with that man.

Chang Yuan narrowed his eyes when he saw the familiar figure.

"Manager Han?" Chang Yuan said when he saw Han's face so clearly when he was about to get into Aeri's car.

Without thinking, Chang Yuan immediately followed them in his car. In fact, he had long suspected that there was an affair between Aeri and Han. However, his suspicions lacked solid evidence. This time he won't let them off the hook because the boss needs solid proof if he wanted to escape the woman's rotten snare.

It turned out that Han took her to his apartment. He returned to carrying Aeri's body to enter his apartment. Chang Yuan kept trying to keep up but he had a little trouble after they entered the apartment. But some evidence seems to be sufficient. Chang Yuan firmly believed that this time Aeri would not be able to dodge. It was impossible to know their activities in the apartment, Chang Yuan immediately hurried to leave Han's apartment area. Besides, he could guess what they were doing.

Aeri has been longing to sleep with that man for a long time until now her desire was really burning.

"How is your relationship with Dae Hyun?" Han asked, just curious even though he already knew the answer.

"No need to talk about it. You must already know that my relationship with him has never been good," Aeri said with a bent face.

"I'm sorry," Han said, he immediately gave a kiss on every inch of the body of a top model. So smooth and well maintained.

"Han...." Aeri groaned with a wistful gaze as Han's hand continued to play in her sensitive area. It has been a long time since she felt such an intoxicating sensation. Especially when her parents-in-law there she couldn't meet Han. Someone who has been her lover for a long time but she chose not to marry him. They were only playing behind Dae Hyun if Aeri's career didn't want to be ruined.

"I miss you so much," Han whispered in Aeri's ear to make her gasp and felt floating in the air.

"But...."

Han, who was impatient, immediately covered Aeri's mouth with his lips. Devouring her very greedily. The fear that Aeri felt slowly disappeared replaced by the feeling of wanting to ask again and again.

The room was only heard by a sigh that shouted to each other. They stop the action when Aeri's cell phone kept ringing.

"Who disturbed us on a night like this?" Aeri cursed, she then took her cellphone on the nightstand.

"What's the matter, Auntie?" Aeri lazily answered a call from one of the servants at her house.

"Miss, Little Master ... Little Master is missing," Aunt Eun Hee said, stuttered from trembling.

"How can?" Aeri shouted, she immediately sat down. This will be bad if Jo Yeon Ho wasn't found.

"We've all been looking for him since this afternoon but Little Master was not found."

"Okay, I'll be home soon." Aeri immediately hung up. She picked up her clothes which were scattered on the floor.

"What exactly happened?" Han asked.

"Yeon Ho disappeared. Hurry up and help me find her!" Aeri said while wearing her clothes. The woman was very afraid that if Jo Yeon Ho complained about everything to Dae Hyun, her history would end now.

Although annoyed, Han still obeyed Aeri to help her find Jo Yeon Ho. They continued to walk down the street and where Jo Yeon Ho might be at the moment

Chapter 110 - 110 - Find Jo Yeon Ho

Jo Yeon Ho was angry so he left the house quietly until he didn't know where was the way home. The boy continued along the sidewalk holding his growling stomach. His steps stopped when he was in a small restaurant. He kept looking at someone who was enjoying their meal.

The child sat in front of the tavern until a woman came out. That woman was none other than Jean who had just bought food.

Jean watched Jo Yeon Ho, who was sitting on the terrace, looking down at him, then she approached him because she was curious about a small child on a night like this.

"Are you waiting for someone?" Jean asked. She looked around but found no one.

"I... I'm lost," Jo Yeon Ho said while looking up. His eyes filled with tears as if he was about to cry.

"Where is your house?" Jean continued to observe the cute face she seemed to have recognized.

"At UN Village, I don't know the way back," Jo Yeon Ho said. Even though he was still small, the boy knew where his address was. However, because it was night he did not know.

Jean thought for a moment that she seemed to have seen the child who was now in front of her. His face looked familiar.

"Then I'll take you home," Jean said. Everyone must know where UN Village was because it was a famous housing complex with rich people living in that area. According to Jean it was not too far from there.

"I'm hungry," Jo Yeon Ho said with an innocent face.

Jean was stunned to hear that. How could a child from a rich family starve on a night like this. Were they even too busy to take care of their son properly.

"Let's eat first." Jean invited Jo Yeon Ho to go back into the restaurant. Even though her money was not enough, she can buy at least two servings of Ramyeon. Hopefully the kid won't get a stomachache after eating it.

Jean ordered a bowl for Jo Yeon Ho. The boy immediately ate it with gusto, made Jean smile. The child looked very cute because he put the food in his mouth until it was full.

"Cough... cough." Jo Yeon Ho almost choked because his mouth was too full.

"Slow down," Jean said as she patted Jo Yeon Ho's back then handed him a drink.

Jo Yeon Ho sipped a glass of water until it wasn't left then put the spoon back on the table because he had finished eating.

"If I may know, can you remember your parents' names?" Jean asked curiously.

"My father's name is Dae Hyun," Jo Yeon Ho said with a flat face.

"What? Can you say it one more time!" Jean widened her eyes until they almost fell off when she heard that the child in front of her was the son of her boss.

"My father is Dae Hyun," Jo Yeon Ho said lazily.

"Is your name Jo Yeon Ho?" Jean asked to make sure. No wonder she thought she had seen the child's face. Jean just remembered seeing the boy several times at the hotel.

Jo Yeon Ho nodded his head lazily.

"Then let's go home! Your father and mother must be worried about you right now," Jean said as she got up from her seat.

"I don't want to go home before my father comes home," Jo Yeon Ho said as he crossed his arms across his chest.

"But it's late," Jean said gently. She also needed rest so she wanted to go home immediately but it was impossible to leave the child there alone.

"If you want to go home, go! I'll stay," Jo Yeon Ho said.

Jean didn't know how to persuade a child. The shop was open until midnight, but it was too dangerous to let a child stay there. What if a bad person kidnaped him? then she will be blamed.

"Tomorrow, your father will come home," Jean said again. It crossed on her thought to contact Soo Yin but she stopped her intention. There was a feeling of annoyance every time she remembered how the man she liked actually liked her best friend.

"I want my father to come home right now!" Jo Yeon Ho exclaimed, ignoring Jean's words.

Jean suddenly came up with the idea of contacting Park Soo Hyun. She believed that the man can help her because Park Soo Hyun was Jo Yeon Ho's uncle.

Jean immediately sent a message to Park Soo Hyun to come to where they were right now. It turned out that it didn't take long for Park Soo Hyun to reply to the message saying he would come soon.

Jean invited Jo Yeon Ho to get out of the shop. Luckily the boy wanted to follow her to sit on a bench at the edge of the sidewalk. It turned out that persuading angry little children was difficult too.

Jean opened her coat to cover Jo Yeon Ho's body, which seemed cold. Even though her body also felt cold, it didn't matter to her as long as Jo Yeon Ho was fine.

A car stopped right in front of them. It was Park Soo Hyun who had just gotten out of the car.

"Jo Yeon Ho, finally uncle found you," Park Soo Hyun said while hugging his nephew's tiny body. Everyone was confused when they found out that Jo Yeon Ho has disappeared.

"Why are you two together?" Park Soo Hyun asked as he looked at Jean's face.

"I just bumped into him here," Jean said as she rubbed her arm to warm herself.

"Everyone is very worried. Jean, thank you for calling me," Park Soo Hyun said sincerely. He felt lucky because Jean found Jo Yeon Ho. If a bad person found him it will be very dangerous.

"You're welcome," Jean said briefly.

"Let's go home," Park Soo Hyun persuaded as he crouched in front of Jo Yeon Ho.

"No, I want my father to come home." Jo Yeon Ho looked away.

"It's late, tomorrow morning your father will definitely come home," Park Soo Hyun said.

"Call him now!" Jo Yeon Ho was adamant about meeting her father immediately.

Park Soo Hyun tried to call Dae Hyun's cellphone but the number was not active. Then call Soo Yin's cellphone but it was the same, not active. As long as Soo Yin caught up with her brother on Jeju island their number becomes difficult to reach.

"Why is it always inactive?" Park Soo Hyun grumbled, feeling annoyed with his brother.

Jean kept staring at Park Soo Hyun's handsome face. A man who was able to make her heart tremble, but Jean must accept the harsh reality that this man loved someone else.

"Jean?" Park Soo Hyun called when he saw Jean who continued to stare at him without blinking. He was shaking his hand in front of the girl's face to bring her up.

"Ah, sorry," Jean said, she woke up from her reverie. Her face flushed with shame that she was caught observing Park Soo Hyun's face.

Park Soo Hyun was acting normal. For him it was used when there were girls who would be bewitched by his good looks.

After tried even harder, Park Soo Hyun finally managed to persuade Jo Yeon Ho to come home with him.

"Jean, come on in. I'll take you home," Park Soo Hyun said, he had put Jo Yeon Ho into the rear passenger seat. Now the child was asleep.

"No need, I can go home alone," Jean said.

"I beg you, come in. I have something to talk to you about," Park Soo Hyun said with sparkling eyes.

Seeing the happy Park Soo Hyun, Jean was suspicious of the man.

Without Jean's approval, the man immediately pushed her into the front passenger seat.

Jean didn't say anything during the trip until Park Soo Hyun finally opened his voice.

"Do you live alone?" Park Soo Hyun asked.

Jean turned her face towards Park Soo Hyun. This was the first time he had asked about her life. Usually what was always asked was about Soo Yin.

"I used to live with my mother, but now I live alone. But after Mom left the hospital now my mother lives with Auntie because I work from morning to night. I don't have time to take care of my mother so I leave her with Aunt." Jean lowered her head. She felt that she had failed to be a child because she could not take care of her mother when she was ill. But if she didn't work then they won't have money for medical expenses.

"I hope your mother gets well soon so you can live with her again," Park Soo Hyun said as he reached out to rub Jean's shoulder.

"Thank you," Jean said with a smile. Happy because someone cares about her.

"I want to ask your opinion," Park Soo Hyun said.

"What for?" Jean frowned. Curious what Park Soo Hyun really wanted to ask her.

Chapter 111 - 111 - Seduce

"Soon Soo Yin will definitely return to Seoul. I want to surprise her. What do you think is the most suitable so that it can be memorable to her?" Park Soo Hyun asked.

'Can't you not just talk about Soo Yin when we're together just once?' Jea thought. There was resentment and jealousy mixed in her heart.

"Quickly say it," Park Soo Hyun who couldn't wait to hear Jean's opinion said.

"That's up to you," Jean said curtly and looked away.

"I want to ask your opinion? Car, ring, bag or house? Which gift do you think suits you best?" Park Soo Hyun asked. He was indeed the type of man who was very generous and not stingy with the woman he was chasing.

'Is he out of his mind? It's like he's proposing,' Jean thought to herself. She thought it was too much. Was it just because he was rich so he can waste money. Besides, it was not certain that Soo Yin will accept the gift given by him.

"Quick tell me what you think?" Park Soo Hyun said, he immediately broke Jean's reverie.

"That's too much," Jean said while rolling her eyes.

"So what do I have to give?" Park Soo Hyun asked which made Jean even more dizzy.

"It's up to you," Jean said, grunted irritably. It turned out that the man was very insensitive.

"Please stop here," Jean said as she took off her seat belt.

"Isn't your rental still up front?" Park Soo Hyun asked as he frowned.

"I can walk over there," Jean said with a sullen face. She didn't want to listen to Park Soo Hyun who talked about Soo Yin anymore.

Park Soo Hyun was forced to stop his car on the side of the road. He thought there was something strange about Jean's attitude this time. He looks cool, not as usual.

"Thank you for the ride," Jean said briefly without turning back to Park Soo Hyun. She immediately got down then slammed the door firmly. Luckily Jo Yeon Ho didn't wake up.

==≠=====

UN Village

Aeri stepped into the house after going around looking for Jo Yeon Ho who had not been found. Now her body felt weak and trembling for fear that her son will complain when Dae Hyun came home.

"Park Soo Hyun, do you know where my son is?" Aeri who saw Park Soo Hyun who just came down from upstairs asked.

"Actually, where were you that this time you just got home?" Park Soo Hyun grumbled as he sniffed Aeri's body like a cat. There was the smell of alcohol so strong that Park Soo Hyun covered his nose.

"I ... i" Aeri stuttered not knowing what to say. Because she was very sure that Park Soo Hyun could guess it.

"He's in his room. Lucky he met with Jean so he's fine. What if he met a bad person like that time?" Park Soo Hyun didn't care where his sister-in-law was because it was none of his business. However he was annoyed that he couldn't take care of her son.

"I'm really sorry, then I'll go upstairs," Aeri said, she immediately climbed the stairs in a hurry. She wanted to meet Jo Yeon Ho immediately before it was too late.

Aeri took a shower first before meeting her son to cool her head. Besides, her body must have looked really messy.

Aeri really felt sorry for scolding him earlier. If Jo Yeon Ho complained, she would have nothing else to use to persuade Dae Hyun to keep her.

Quickly Aeri immediately changed her clothes and entered Jo Yeon Ho's room. The child was already curled up in the middle of the bed.

Aeri sat on the bed beside her son. She reached out to gently rub Jo Yeon Ho's face. On the other hand, sometimes she hated Jo Yeon Ho very much, but on the other hand, she realized that she can't be a good mother for him. Even though she admitted that she was not a good person, as a mother she sometimes still has a conscience.

"Dad," Jo Yeon Ho said when he felt a hand touch his face. His hand immediately grabbed and grasped it tightly.

"Yeon Ho, this is mom," Aeri said, trying to say softly.

Jo Yeon Ho immediately withdrew his hand. He immediately turned his face the other way.

Aeri rolled her eyes because now she had to rack her brain to persuade the boy again. She was really sorry that she said something harshly. Not regret what she said. She was more afraid that Jo Yeon Ho will hate her. So her efforts have been in vain.

"Earlier I really didn't mean to hurt you. Mother hurriedly said that," Aeri said while pretending to be sobbing and wiping the corners of her eyes with her fingers.

Jo Yeon Ho was just silent. This was the second time his mother has been willing to apologize to him so far. Should he also forgive him this time? as a child Jo Yeon Ho wanted to be like other kids who went to entertainment venues with their families. Had the mother who always read fairy tales like her friends who often tell stories.

"To make amends, how about if Mom took you to the playground?" Aeri persuaded.

"I want Dad to come home!" Jo Yeon Ho said curtly. He didn't care with what his mother said.

"So you love your father more than me? I feel that no one loves me anymore in this house," Aeri said in a voice that sounded very sad.

Aeri's statement made Jo Yeon Ho turn to look at her.

"I love you," Jo Yeon Ho said sincerely. He didn't want to make his mother feel sad even though Aeri had repeatedly hurt him.

"If you love me, you should forgive my mistakes," Aeri said.

"I've forgiven you," Jo Yeon Ho said, she immediately got up and hugged Aeri.

"Smart boy," Aeri said with a triumphant smile. With a little effort she finally succeeded in seducing the boy.

HIDDEN WIFE : BEST HUSBAND

Chapter 112 - 112 - Jealous

Jeju Island,

Before returning to Seoul, Dae Hyun planned to take Soo Yin to tour Jeju Island but the plan seemed to be failing because Park Soo Hyun had just contacted him if Jo Yeon Ho wanted Dae Hyun to return to Seoul immediately.

"Can't we get another day in here?" Soo Yin said with disappointment raging in her heart. How can she not to be disappointed because they haven't even gone elsewhere. Soo Yin regreted that her time here were wasted.

"Sorry, I'll definitely take you again next time," Dae Hyun persuaded when he saw clearly the look of disappointment on his wife's face. But he really couldn't refuse Jo Yeon Ho's request to return to Seoul. Especially after hearing the news that last night Jo Yeon Ho ran away from home. It made his heart even more uneasy.

"Looks like your son is more important than everything. I have no meaning in your life," Soo Yin said as she pursed her lips. Somehow there was jealousy in her heart again for Jo Yeon Ho. Whereas previously she was fine and there were no problems at all.

Dae Hyun massaged his temples at his little wife's words. Currently his heart was really in a dilemma between choosing his son or his little wife. They were both important in his life. But he immediately realized something about Soo Yin's attitude this time. Whereas Soo Yin used to laugh at him when Dae Hyun acted like that.

"Are you jealous of him?" Dae Hyun teased with a smile. He reached out to rub his wife's cheek but Soo Yin brushed it off.

"Yes, I'm really jealous," Soo Yin said in a harsh tone. She immediately went into the bathroom and locked it from the inside. Pummeling her head under the shower to calm her mind which felt so chaotic. She needed to chill her head for a moment so she could think clearly and at the same time quell the flames of jealousy that was nonsense.

Soo Yin just felt angry because Dae Hyun has promised to take her to a flower garden which was very famous for its beauty and very diverse flowers. All night she had imagined standing amidst the blooming flowers. However, at this moment, it seemed like she has to bury his desire deeply because she didn't know when to return to Jeju Island.

After a while of showering her head, Soo Yin finally started to think clearly again. She can't act like a child. Instead, she should be self-conscious enough. After all, her position was only a mistress who cannot be too demanding. What's more, she and her father owe a lot to her husband.

'Soo Yin, you should be self-conscious,' Soo Yin thought, she said to herself as she rubbed her wet hair.

Dae Hyun just let out a deep breath. He felt guilty about his little wife. He should be able to be fair between Soo Yin and his son.

He should also be grateful that Soo Yin now accepted and believed him. What he did now only made her disappointed. Even though he only need to comply with a small desire to accompany her to the flower garden.

Dae Hyun immediately called someone to delay his flight to Seoul. He really didn't want to disappoint his wife's small request. For Jo Yeon Ho, he will definitely be able to persuade him later.

Soo Yin came out of the bathroom then immediately changed into clothes. It turned out that Dae Hyun wasn't in the room. She even looked around outside the resort but could not find him. So Soo Yin returned to the room and packed all of her belongings into a suitcase.

Soo Yin wiped the white sheet as a witness that she had handed over her honor to the man she loved. She will never forget this place in her lifetime. A smile etched on her lips as she remembered how they had enjoyed a very long night for the first time.

Click ...

Dae Hyun opened the bedroom door. Soo Yin immediately turned her head to look at her husband's face. She quickly got up and then ran to Dae Hyun to hug him.

"Forgive all my childish nature," Soo Yin said while hugging her husband's body very tightly.

"Hey, why should you apologize? I'm the one who should apologize," Dae Hyun said while rubbing his little wife's back. Although sometimes her nature made his head hurt but as long as Dae Hyun can continue to be with her, he will happily learn to accept all her shortcomings.

"Sorry, I might be demanding too much of you," Soo Yin said while burying her head in Dae Hyun's chest.

"Shhhhhh...." Dae Hyun let go of his hug while covering Soo Yin's lips with his index finger.

"No need to say like that. I can understand it so you don't have to worry," Dae Hyun said.

"Okay, let's go. Jo Yeon Ho must be really missed you," Soo Yin said with sparkling eyes. She wanted to prove to Dae Hyun that she wasn't angry at all if he couldn't fulfill her wish.

"Hmm." Dae Hyun rubbed the top of Soo Yin's head. He felt both happy and curious at the change of Soo Yin's attitude. But that didn't matter at all.

Soo Yin picked up the bag and made sure that nothing of their belongings left. Just about to pull her suitcase Dae Hyun grabbed it then put the suitcase back on the floor.

"Leave it, I told the maid to bring it," Dae Hyun said, he immediately took Soo Yin's hand tightly until they reached the parking lot. The people who saw it seemed jealous of the two of them.

Dae Hyun immediately drove his car through the streets of Jeju Island while occasionally glancing at Soo Yin who looked very cheerful. Seeing her smile like that made his soul tremble. It was fortunate that he can have a wife like Soo Yin.

"Where are we going? Shouldn't we go to the airport?" Soo Yin asked while knitting her eyebrows when she realized that their car wasn't going to the airport.

"I want to go somewhere first," Dae Hyun said, smiling secretly.

HIDDEN WIFE : BEST HUSBAND

Chapter 113 - 113 - Bungee Artpia

Soo Yin just nodded her head without asking where they were actually going. She did not want her husband to say that she was nagging.

While still on the way, Dae Hyun suddenly stopped his car at the side of the road. Dae Hyun asked Soo Yin to cover her eyes with a cloth. It made Soo Yin's heart beating fast.

"Where are we going?" Soo Yin asked, she felt very curious. Currently the car was back on track.

"Later you will know," Dae Hyun said with a smile.

"Don't make me curious like this," Soo Yin protested. She hated it the most when playing secrets like that.

"Don't worry, I won't do anything bad. We'll arrive soon," Dae Hyun said. He didn't want to say it before they got to the place.

Dae Hyun parked his car first before opening the door for his little wife. Dae Hyun helped Soo Yin to get out of the car because her cloth-covered eyes was giving her a little trouble.

"Where are we going?" Soo Yin who was already feeling very curious asked. She gripped Dae Hyun's wrist tightly for fear that her husband would do something bad.

Suddenly crossed Soo Yin's mind that she will be thrown into a cliff by her husband so he told her to close her eyes. 'Does her husband intend to throw her away when he gets what he wants?' Soo Yin was actually really scared but then she pushed the bad thoughts out of her head.

"Later you will know," Dae Hyunsaid as he continued walking, guiding Soo Yin so that she did not fall.

"You don't intend to throw me into the cliff, do you?" Soo Yin said. Even though she tried to keep thinking positively, she still thought about it.

"Ha ha ha, you are so cute. How can I throw away the wife I love the most?" Dae Hyun said while laughing so crisply. He did not expect that his little wife would think negatively like that.

"Yes, maybe it's because you're already bored with me so you intend to get rid of me," Soo Yin said while pursed her lips.

"Please, don't think something stupid like that," Dae Hyun said.

Not long after, Dae Hyun stopped in his tracks which was followed by Soo Yin who also stopped. Dae Hyun slowly began to untie the cloth around her head that covered his wife's eyes.

"Look, if it's not a cliff," Dae Hyun whispered in his wife's ear. He put his hand on Soo Yin's stomach.

Soo Yin immediately widened her eyes when she saw such a beautiful scene around her. It turned out that they were currently in the middle of a yellow flower garden. It was very beautiful and enchanting. Soo Yin repeatedly blinked in disbelief at what she saw. It was as if she dreamed that she could stand amidst such beautiful flowers.

"Are we really in Bungee Artpia?" Soo Yin asked as she turned her head to look at Dae Hyun. Although Soo Yin has never been to this place before but she heard a story about a very famous and beautiful flower garden on Jeju Island. Bungee Artpia has so many types of plants that can get from all over the world.

"Of course," Dae Hyun said as he placed his cheek against Soo Yin's cheek. He was very happy to see his little wife who looked very happy like that.

"Thank you, you've invited me to this place," Soo Yin said with sparkling eyes looking at the vast expanse of flowers. It felt like she only wanted to stay here.

"You're welcome, honey. I'll do whatever that can make you smile," Dae Hyun said.

"Then what about Jo Yeon Ho? He must be very disappointed because we postponed returning to Seoul," Soo Yin said. She tilted her head back to look at Dae Hyun.

"Don't think about it. Later I'll think of ways to persuade him. The most important thing right now is to fulfill my dear wife's wishes," Dae Hyun said with a smile. He didn't regret having to postpone his return to Seoul while he can make his little wife's face smile.

"Okay." Soo Yin also really wanted to enjoy to be there even if it's only for a moment.

Soo Yin stretched out her hand while inhaling the fragrant aroma of the flowers. The breeze made her hair fly. She closed her eyes for a moment to take a deeper breath in the fresh air.

Soo Yin broke free from her husband's embrace because it made her body unable to move freely. She then ran around like a butterfly flying around looking for flower petals to perch on.

Dae Hyun followed Soo Yin wherever she went. Sometimes he left so far behind his wife.

"Don't go too far," Dae Hyun said breathlessly because Soo Yin kept running around the park as if she didn't feel tired at all.

"Honey, hurry over here!" Soo Yin exclaimed while waving his hand for Dae Hyun to come over to her. She stopped in her tracks so that Dae Hyun wouldn't left behind.

"Aren't you tired at all, we'd better rest first," Dae Hyun said, he was already near Soo Yin.

"I don't want to waste my time here. I really want to enjoy this park," Soo Yin said with a happy face.

Dae Hyun just shook his head with a deep sigh.

"Honey, how about we take a photo here?" Soo Yin said. She wanted to capture the moment when she was at Bungee Artpia because she didn't know when they'd be there again. Since childhood, Soo Yin loved flowers so much that when she saw such a large flower she felt very happy.

"Of course," Dae Hyun said. Even though he didn't like taking pictures, it didn't matter to make his wife happy if he took photos occasionally.

They took several photos of different styles. From hugging, holding hands, there were even photos when their lips were together. Sometimes even Soo Yin also asked other visitors for help to take their pictures.

Soo Yin felt a bit tired from running around so she chose to sit for a while on the grass between the flower trees.

"Are you tired?" Dae Hyun who sat beside his wife asked.

"Just a little," Soo Yin said.

Dae Hyun stretched out his hand to massage his wife's leg. But Soo Yin immediately grabbed his wrist. Although tired but everything was replaced with a stunning view.

"I'm okay. Thank you for inviting me here," Soo Yin said while leaning her head on Dae Hyun's shoulder. Really she felt like a real honeymoon.

Dae Hyun grabbed his wife's waist then hugged her tightly.

"I've bought land nearby. I wish I could someday be able to live here with you." Dae Hyun pointed to a place not far from the park.

"Are you going to build a house there?" Soo Yin asked with a sparkling face. She suddenly imagined that one day she could live with Dae Hyun there without anyone disturbing them. Surely all of that will feel very good.

"I've contacted the architect to build it immediately. I really want to live there with our children," Dae Hyun said as he put his lips on the top of Soo Yin's head.

"Children?" Soo Yin raised his face to look at Dae Hyun. She didn't even think about having children at all. She was afraid she could not take care of them.

"Don't you want to have children with me?" Dae Hyun met Soo Yin's gaze.

"I ... I'm just not ready to have children yet. After all, I'm still 18 years old. It's still too young to plan it now," Soo Yin said.

"So what? I'm okay with that," Dae Hyun said.

"I want to enjoy my youth first. Only then I'll think of children," Soo Yin said.

"You can enjoy your youth while taking care of our children. If you delay it too long then I might be too old," Dae Hyun said.

"I don't want to. I'm afraid I can't take care of them properly. It doesn't matter if you are old anyway," Soo Yin said.

"Come on, honey. I really want to have a child with you. Later there is a nanny who will take care of our child so you don't have to worry," Dae Hyun persuaded.

"I'll think about it later," Soo Yin said. She was about to get up again, but Dae Hyun grabbed her wrist and made her fall into Dae Hyun's lap.

Dae Hyun had been so anxious to see Soo Yin's pink lips that without thinking he immediately landed a soft kiss on his lips. Soo Yin couldn't help because her nape had been hold tightly by Dae Hyun so she could only accept the kiss.

The flying butterflies witness the two lovebirds making love in the middle of a flower garden that will begin to witness their love story which was just about to begin.

"Enough!" Soo Yin pushed her husband's body away. Dae Hyun was forced to stop the hot kiss that just happened.

"Aren't you satisfied that two days and two nights have locked me up at the resort so that you will do it again in here?" Soo Yin asked innocently. Because of Dae Hyun she can't go anywhere. Her body was sore and tired so she can't go anywhere. Soo Yin regretted that she wasted her time here.

HIDDEN WIFE : BEST HUSBAND

Chapter 114 - 114 - On The Way Home

Dae Hyun scratched his head which didn't feel itchy. It's true that he made Soo Yin unable to come out of the room because that was his chance to be alone while on Jeju Island. He didn't guarantee there would be more time alone when in Seoul.

"Let's go that way," Soo Yin said as she pulled Dae Hyun's hand from her feet.

"Okay, we have one hour left before we go home," Dae Hyun reminded her as he stood and walked following his wife.

Dae Hyun continued to follow Soo Yin wherever she steps. The stiffness in Soo Yin's leg disappeared because it was replaced by such an amazing sight.

After an hour, Dae Hyun finally asked Soo Yin to leave Bungee Artpia. Soo Yin pursed her lips because she didn't want to leave such beautiful flowers.

"Can't we stay here any longer?" Soo Yin asked sadly.

"I promise I'll bring you here next time. Our time is up now," Dae Hyun said while holding Soo Yin's chin to stare at him.

"Okay," Soo Yin said softly. Although disappointed, she must not be selfish.

They first returned to the resort to clean up. Only then did they travel to the airport. Not to forget that Soo Yin took the hangover medicine first before getting on the plane. It felt really embarrassing to just get on a plane drunk.

Dae Hyun had already booked first class tickets due to the higher level of privacy and more personal waiters. Just as Soo Yin sat down, her eyes already felt very heavy. For almost three days on Jeju Island, she was really sleep deprived because Dae Hyun always asked again and again without caring about his wife's body, which felt crushed and needed rest. Only today they can leave the resort.

"Are you sleepy?" Dae Hyun asked.

"Hmmm, while you're here you won't let me sleep well," Soo Yin protested honestly.

"It's because you delayed too long," Dae Hyun said without feeling guilty.

"Is it my fault?" Soo Yin knitted her brows together.

"Of course. Lie down if you're sleepy." Dae Hyun was about to adjust the back of the chair so she could sleep comfortably.

"I just want to sleep like this," Soo Yin said as she leaned her head against Dae Hyun's burly chest.

"If you want to do it, let's do it here," Dae Hyun teased.

"You pervert!" Soo Yin stared sharply then immediately distance herself from her husband. Can not understand how her husband was not satisfied after did it without stopping. Soo Yin thought it's like Dae Hyun was possessed by a perverted demon.

"I see you really enjoy it too," Dae Hyun said while winking at Soo Yin.

Soo Yin's face immediately felt hot with a reddened complexion. It cannot be denied that she was slowly enjoying her husband's game. Soo Yin turned her face towards the window to hide her embarrassment.

Dae Hyun embraces that small waist, making Soo Yin's body come into contact with that broad chest.

"Sleep here, I won't bother you," Dae Hyun said while leaning Soo Yin's head against his chest. He didn't want to tease her anymore, afraid that his little wife would get angry again.

"Really?" Soo Yin asked as she raised her face.

"Go to sleep," Dae Hyun said and then kissed the top of his wife's head while rubbing her shoulder to fall asleep.

Soo Yin's eyes were too heavy so it didn't take long because as soon as Dae Hyun told her to sleep, Soo Yin immediately closed her eyes and slept soundly until they arrived in Seoul.

Dae Hyun really can't bear to wake Soo Yin. So he stay still, let her fall asleep on his chest even though they were already at the airport. Even the passengers have all left. Now only the two of them were still inside. Luckily the plane was still a few hours away from making the journey back. There were only a few people doing the cleaning on the plane.

After two hours....

Soo Yin blinked as she stretched her hands to stretch her stiff body muscles. She immediately pulled her body as soon as she realized she was still in Dae Hyun's arms.

"Is it still long for us to land?" Soo Yin asked while yawning.

"We've arrived," Dae Hyun said.

Soo Yin widened her eyes in disbelief and immediately stood up to look at the window. It turned out that it was dark now even though they should have arrived in the afternoon. Soo Yin also looked at the other passenger seats that were already empty. There were no one but the two of them.

"Have we been here long?" Soo Yin asked.

"We arrived two hours ago," Dae Hyun said.

"What? Two hours? Why didn't you wake me up?" Soo Yin was shocked that she has slept that long and Dae Hyun didn't wake her up.

"I did it on purpose," Dae Hyun whispered in Soo Yin's ear.

"What do you mean?" Soo Yin asked with an innocent face.

"So that you can't sleep tonight so we can have fun again," Dae Hyun teased with a smile.

"I don't want to," Soo Yin replied quickly when she already knew what her husband meant.

"Are you sure?" Dae Hyun said with a crooked smile.

"Yes, we'd better get down before being kicked out. Besides, Jo Yeon Ho must have been waiting for you at home," Soo Yin said, trying to change the subject.

"I already contacted my son if I just returned to Seoul tomorrow morning," Dae Hyun said with a triumphant expression.

"It's up to you, I won't open the door if you go back to the villa," Soo Yin threatened, she immediately ran away. She wanted to hurry to a taxi before Dae Hyun could catch her.

But it's not that easy, just about to stop a taxi, it turned out that Chang Yuan has already approached her so that Soo Yin can't help but get in the car with Dae Hyun. Not that she didn't like it when Dae Hyun came home with her, but remembering that the man didn't seem tired at all made her shudder with horror.

=====

Pyeongchang-dong Villa

Soo Yin immediately went upstairs and hurriedly locked the door. She didn't want to let her husband in. It sounded very strange, but let it be because her body still needs rest.

Soo Yin immediately went into the bathroom to clean up. Her eyes widened when she saw her flushed body full of ownership marks. There were even some that look blue in several places, especially on the thighs. No wonder it hurts a little when the bruise was pressed by something.

There was a knock on the door outside the room but Soo Yin remained relaxed to clean her body.

"Honey, why did you lock the door?" Dae Hyun said as he tried to knock on the door.

Soo Yin immediately walked towards the door after finishing her shower.

"Didn't I say that I won't let you in," Soo Yin said in guilt-free.

"Ugh, you really have the heart. I even want to take a shower," Dae Hyun said.

"You can take a shower downstairs," Soo Yin said.

"Then what about my clothes?" Dae Hyun asked.

"You can find it in the suitcase earlier," Soo Yin who kept talking loudly said that so that Dae Hyun would listen to her because they were blocked by the door.

There was no reply from Dae Hyun so Soo Yin went straight to the dressing room to find clothes. After an hour Soo Yin was in the room. She felt sorry for her husband. She thought her attitude this time was outrageous. Even though Dae Hyun had fulfilled her wish.

Soo Yin immediately walked out of the room. She opened the door to the study Dae Hyun used to use when he was in the villa, maybe he was there. There was no Dae Hyun there. Not to forget that Soo Yin also checked the room next to her but it was also empty.

"Is he really angry?" Soo Yin muttered softly. She immediately ran to the balcony to see her husband's car. It turned out that the car was still there. That means Dae Hyun hasn't left the house yet.

Soo Yin was so curious about her husband's whereabouts that she immediately went downstairs to find out where he was.

Soo Yin descended the stairs while holding on because it was a bit dark, only the dim light from the headlights shone a little bit.

Soo Yin immediately felt for a switch to turn on the light to make it brighter. As soon as the lights came on she looked around the room until her gaze was fixed on the sofa.

There was a person sleeping on his stomach on the sofa who was none other than her husband. Soo Yin felt guilty for not letting him into the room even though the handsome face looked really tired. Dae Hyun slept on the sofa with his legs dangling because his body was longer than the size of the sofa.

"Honey, wake up!" Soo Yin shook her husband's body to wake up. Sleeping on the sofa was definitely uncomfortable and will actually make his body ache.

"Dae Hyun, wake up. You better rest in the room," Soo Yin said once again.

HIDDEN WIFE : BEST HUSBAND

Chapter 115 - 115 - Teasing

Dae Hyun only stretched for a moment then closed his eyes again.

Soo Yin kept trying to wake Dae Hyun by shaking his body. But Dae Hyun still didn't wake up. It seemed her husband was really mad at her so he acted like that.

Soo Yin reached out to touch his face. Gently rub his cheeks. Now she didn't want to disturb her husband's sleep.

"Are you trying to tease me?" Dae Hyun asked hoarsely.

Soo Yin jumped in shock until she fell on her back. Unexpectedly, Dae Hyun didn't sleep. Actually he had expected that Dae Hyun was only pretending to be sleeping.

"You do not sleep?" Soo Yin said while frowning.

"Didn't you wake me just now?" Dae Hyun asked.

"Sleep in the room. Sleeping on the sofa must make you uncomfortable," Soo Yin said while squatting.

"Didn't you tell me to sleep outside? Did you change your mind?" Dae Hyun asked.

"I just don't want your body to get sore when you sleep on the sofa," Soo Yin said honestly.

"It's okay, I'm willing to do it as long as you're happy," Dae Hyun said with a smile.

"Let's sleep in the room!" Soo Yin whined as she pulled Dae Hyun's wrist to get up.

"Go alone because I'm not sure I can hold back my feelings. If I sleep in the room then I'll definitely bother you," Dae Hyun said.

Soo Yin pursed her lips when she found out what Dae Hyun had said.

"I'll sleep on the sofa so you don't bother me," Soo Yin said. Actually she can't sleep alone, especially knowing that her husband was at home.

"Come on!" Soo Yin kept trying to pull Dae Hyun's big body.

"Okay." Dae Hyun finally sat down and then stood up to comply with his little wife's request. He's afraid that Soo Yin will sulk if he didn't comply with her request.

"But don't blame me if something happens to you," Dae Hyun whispered in Soo Yin's ear. Make someone sail on Soo Yin's body.

Dae Hyun immediately carried his wife up the stairs. Soo Yin immediately put her hand around her husband's neck.

"Aren't you going to sleep here tomorrow?" Soo Yin asked. She felt unwilling if Dae Hyun slept with Aeri. Women who have slept with not only one man.

"Have you missed me already?" Dae Hyun teased.

"No, I just want to know. If not, then tomorrow I can sleep well," Soo Yin said.

"You bad girl." Dae Hyun landed a kiss on Soo Yin's lips. It didn't take long because he then let go.

"Does Aeri know Manager Han closely?" Soo Yin asked.

"Why did you suddenly ask about her?" Dae Hyun said as he put Soo Yin's body on the bed.

"I just want to know." Actually she wanted to tell that she had seen Aeri making out with Manager Han but Soo Yin didn't have any evidence for that.

"They have been friends for a long time. Never mind about them," Dae Hyun said, he immediately crushed Soo Yin's lips with a heated body. Somehow whenever Soo Yin was near his body always can't stand it.

Soo Yin kissed Dae Hyun back until their tongues dance and traced every inch inside their mouths.

Soo Yin widened her eyes when her clothes were already scattered on the floor. Even though it seemed like Dae Hyun was tired earlier. It was unexpected that Dae Hyun had the energy that didn't tire at all.

Soo Yin can't resist the treatment from Dae Hyun who continued to play an intoxicating game. Even though her heart wanted to reject her body can't lie if she was enjoying it so much.

Soo Yin groaned as she gripped the bed sheet tightly when something so tight hit her sensitive area. Even though she has done it many times, it still hurts at first until Soo Yin unconsciously scratches Dae Hyun's back.

Dae Hyun didn't care even if he has to give up his back. His sacrifice was rewarded by the pleasures of earthly heaven that always made him want again and again.

They groaned together as Dae Hyun spat out his seeds of love in Soo Yin's womb. His body immediately collapsed on Soo Yin's body from exhaustion. So they only do it once.

Dae Hyun also felt sorry if Soo Yin didn't sleep again tonight.

=====

After a day off after returning from Jeju Island, Soo Yin now has to do her usual activities even though Dae Hyun has allowed her to take a longer holiday, but she didn't want other employees to suspect her.

Soo Yin hurriedly got out of the car that Chung Ho was driving on the side of the road some distance from the hotel. It was her who asked to be dropped there on the grounds that she wanted to walk as well as exercise.

Soo Yin continued along the sidewalk while swinging the paper bag in her hand. She brought Jeju Gamgyul Gawul souvenirs for her two friends and some employees she knew. Snacks made from oranges mixed with wheat and honey. The taste was crunchy and sweet. That's all Soo Yin bought because they didn't have time to visit the gift center.

"Jean!" Soo Yin exclaimed when she saw Jean who was not far ahead of her. She immediately walked quickly to get to Jean.

When Jean heard Soo Yin calling, she did not turn around, she accelerated her steps a little.

"Jean, wait!" Soo Yin who was breathless said because Jean seemed even further away.

It turns out that Jae-hwa was in front of Jean so the man immediately stops Jean from waiting for Soo Yin. He thought there was something wrong with Jean's attitude like that. Usually she never neglected her best friend.

"Jean, you're walking fast," Soo Yin said while catching her breath.

"Sorry, I didn't hear if you called me," Jean said curtly with a flat expression on her face.

"Hi, Jae-hwa? It's been a long time since we met," Soo Yin said with a sweet smile etched on her lips.

"Yes, you are so busy that we don't have time to meet," Jae-hwa said with a somewhat disappointed expression because since Soo Yin became the secretary, the distance between them has stretched far. Even so, his affection for Soo Yin didn't change. He still loved that girl even in silence.

Soo Yin just grinned while scratching her head which didn't feel itchy. Soo Yin realized that she has almost forgotten the people who have supported her in times of trouble.

"I have something for you," Soo Yin said while showing the paper bag in her hand.

"Don't hassle," Jean said in a slightly harsh tone.

"It was not a hassle at all but this is all I can take from there. We don't have time to shop," Soo Yin said. She felt disappointed because she could not buy something that was a little valuable for her two friends.

"Jean, take it for you," Soo Yin said while handing a paper bag for Jean.

"Thank you," Jean said briefly. She immediately left Soo Yin and Jae-hwa without wanting to know what was in the paper bag.

Soo Yin felt something was wrong with Jean's attitude this time. She had never been so nonchalant. Soo Yin immediately got rid of her bad thoughts towards Jean. Maybe maybe it was because there was a problem that she was acting cool like that.

"What's wrong with Jean?" Jae-hwa said.

"Maybe she's in trouble," Soo Yin said.

"Oh yes, I also bought it for you." Soo Yin handed over the other paper bag to Jae-hwa.

"Thank you," Jae-hwa said happily as he peeked at the contents. Even though it's just a meal, Jae-hwa still felt happy because it was Soo Yin gave.

After chatting for a while with Jae-hwa, she arrived at the lobby, Soo Yin immediately excused herself because they have to part. Actually, Soo Yin sometimes misses working with her two best friends.

=====~~==~~=====

Dae Hyun was checking the files on his desk when Chang Yuan came over.

"Sir, I have something to tell you," Chang Yuan said.

"Just say it," Dae Hyun said without taking his eyes off his files. A few days went out of town so as usual his work will always pile up.

Chang Yuan put a brown envelope on the table then immediately handed it to Dae Hyun.

"What is this?" Dae Hyun asked, frowning. Then he took the envelope.

"Please check," Chang Yuan said. He didn't want to say what was inside. It was definitely something Dae Hyun was looking forward to.

Dae Hyun immediately opened the envelope because he was a little curious about its contents. Usually Chang Yuan would say it first.

Dae Hyun clenched his fists when he saw several photos of Aeri with a man at a night club. What was even more astonishing was that this man was Manager Han. One of his trusted people to take care of the finance department.

"Insolent! So this is what they did behind me," Dae Hyun said angrily. His clenched fist slammed into the table hard.

"Then what will you do?" Chang Yuan asked.

HIDDEN WIFE : BEST HUSBAND

Chapter 116 - 116 - Park Seo Hyun's Love Statement

"I'll divorce her soon," Dae Hyun said. The photo will become proof so that Aeri will not be able to dodge it again.

"But I am sure that Miss Aeri will be evasive like before," Chang Yuan said.

"I don't care, it's enough that she's playing with my life," Dae Hyun said with a tight grip.

"Then what about Manager Han, sir?" Chang Yuan asked.

"You better watch him because I'm suspicious of his financial statements that are not compatible," Dae Hyun said.

Dae Hyun had suspected for a long time that there was a special relationship between them, but he didn't really care. After all, he didn't love her but for now it's different. He wanted to be separated from Aeri so he can quickly unite with Soo Yin.

"Hi, good morning," Soo Yin said with a happy face.

When he saw who was coming, Dae Hyun's anger suddenly disappeared. Dae Hyun carved his smile back when he saw his little wife.

"Honey, we'll be together soon," Dae Hyun thought. He's been waiting for the day when he can tell everyone about their relationship.

"Good morning, Miss," Chang Yuan said. No wonder his boss was crazy in love with Soo Yin according to Chang Yuan, the girl was indeed very sweet and fun to look at.

"Good morning dear." Dae Hyun didn't need to hide their relationship in front of Chang Yuan. So Dae Hyun shamelessly walked over to Soo Yin and then landed a kiss on her cheek.

"Then I will excuse myself, sir," Chang Yuan who wanted to left said. Didn't want to linger to see his boss acting like a young person who was in love.

Dae Hyun just nodded his head.

"How did you sleep tonight without me?" Dae Hyun asked.

"I slept very well," Soo Yin said. Last night Dae Hyun did stay at UN Village.

"Is it true?" Dae Hyun pinched Soo Yin's nose.

"Ouch, it hurts," Soo Yin said while holding her nose.

"You're so cute." Dae Hyun hugged Soo Yin's body from behind.

"Let go, don't let anyone see us," Soo Yin said as she let go but Dae Hyun tightened his hug even more. Not seeing her all day long made him feel very homesick.

Dae Hyun promised in his heart that they won't have to hide about their relationship soon.

Outside, Park Soo Hyun felt very happy because soon he will give a surprise to his beloved one.

With unsteady steps, he rushed to Dae Hyun's room because he already missed Soo Yin. They had not seen each other in almost a week.

Park Soo Hyun turned the knob slowly so that Soo Yin didn't know he's in.

"What are you doing?" Park Soo Hyun asked seeing Dae Hyun was with Soo Yin.

Soo Yin immediately moved away. She was very surprised by Park Soo Hyun's sudden arrival without knocking on the door. Just wish that Park Soo Hyun hadn't been that long so didn't see the hug.

"Mr. Park Soo Hyun?" Soo Yin with a little stuttered. Soo Yin hoped that the man didn't notice when Dae Hyun was hugging her.

"What were you doing?" Park Soo Hyun asked.

"What do you see?" Dae Hyun asked casually. He wasn't afraid at all if Park Soo Hyun caught him. If not because her father asked that their relationship be temporarily hidden from his brother, he would have been honest.

"What were you holding her clothes for?" Park Soo Hyun asked. He just glanced at Dae Hyun who was standing behind Soo Yin.

"Oh, it looks like there were ants on my shirt so Mr. Dae Hyun helped me find it," Soo Yin said while glancing at Dae Hyun.

"Hyeong, you should be able to maintain an attitude because you are married. What if other people see? They will definitely have bad thoughts," Park Soo Hyun who did not want Dae Hyun to be too close to Soo Yin protested.

"So what if I'm married?" Dae Hyun asked.

"Soo Yin, didn't I tell you not to get too close to married men," Park Soo Hyun said with displeasure.

"Never mind, don't worry about it. I'm the boss so it's certain that we'll be close," Dae Hyun said.

"Of course it becomes a problem. It's not good if a girl is too close to a grown man. It can become gossip," Park Soo Hyun argued.

"You think being close to single men won't be gossip as well?" Dae Hyun even put his hands on his hips.

"Please, stop! It's up to me to want to be close to anyone," Soo Yin said, becoming dizzy listening to their arguments.

"I almost forgot, I came here because I wanted to give you something. Come with me." As usual, the two brothers never asked permission so Park Soo Hyun immediately grabbed Soo Yin's wrist.

"Hey!" Dae Hyun exclaimed, wanting to stop his brother, but they had disappeared behind the door.

"Where are we going, sir?" Soo Yin who was stumbling after Park Soo Hyun's steps asked.

"Soon you will find out," Park Soo Hyun said as he pressed the elevator button to get off.

Dae Hyun, didn't doesn't like Soo Yin close to Park Soo Hyun, immediately catches up with them and then breaks into the elevator when the door will close in a few seconds.

"What are you following us for?" Park Soo Hyun said while glowering at his brother.

"She's my secretary so I want to know where you took her." Dae Hyun stood in the middle so Park Soo Hyun can't help but let Soo Yin's wrist off.

"It's like your wife so you have to follow anywhere," Park Soo Hyun grumbled. Even though he only wanted to be alone with Soo Yin so that the moment of giving a surprise felt even more meaningful.

Dae Hyun pretended not to listen to what his brother said.

The lift opened, they immediately got out. Dae Hyun frowned as Park Soo Hyun led her to the basement. Dae Hyun's heart became even more puzzled when Park Soo Hyun stopped in his tracks in a car that was still tightly wrapped.

"Soo Yin, are you ready?" Park Soo Hyun asked with a big smile.

Soo Yin was silent because she didn't understand why Park Soo Hyun took her to the basement. She pinched her eyebrows to find out what Park Soo Hyun was really going to do.

Kim Soo Hyun immediately pulled the car cover slowly until gradually a red car began to appear. The car is decorated with big ribbons and flowers.

Soo Yin was flabbergasted by the sight in front of her. But she didn't understand what Park Soo Hyun meant at all.

"Open and read!" Park Soo Hyun handed a pink paper to Soo Yin.

Soo Yin slowly opened it. Suddenly surprised to see the words contained in it. It was a poem she had read when she got a surprise from Dae Hyun.

"Do you like that poem?" Park Soo Hyun asked with a sparkling face.

"Who made this?" Soo Yin asked while frowning. She looked at the two brothers in turn.

"Of course I am, my brother could not make it," Park Soo Hyun was, which was interspersed with laughter. He chuckled when he saw Dae Hyun's sullen expression.

Soo Yin glared at Dae Hyun. So that man had lied to her at that time. The truth was that Park Soo Hyun was who sent it not Dae Hyun. There was a bit of disappointment that Dae Hyun had lied to her. Why didn't he tell the truth from the start that she wouldn't accept Park Soo Hyun's gift. Soo Yin felt really stupid.

Dae Hyun just scratched his head as he couldn't defend himself for now.

"Soo Yin, you shouldn't be surprised by all of that because I said it before. But this time I will repeat it again," Park Soo Hyun said, he immediately knelt in

front of Soo Yin while holding out a bouquet of white roses. He deliberately chose white because it was a symbol of purity.

Very unusual sight. A man confesses love to a woman in front of her husband.

"Park Soo Hyun, what are you doing. Don't act stupid like that. We have a lot of work to do," Dae Hyun who was already furious protested. How could his brother confess love to his wife in front of his eyes. Before Soo Yin found out it would be better if he took her away from that place.

Soo Yin just didn't budge at all. Her head suddenly felt dizzy. Her mind couldn't properly digest Park Soo Hyun's actions today.

Park Soo Hyun finally stood up because it seemed like it was useless to say it if Dae Hyun was with them. The plan was a complete mess.

Jean who was hiding behind a pole clenched her fists. Her heart now felt broken because the man she loved really confessing love to another girl. Even though Park Soo Hyun hasn't said it, Jean can already guess the man's intentions. Unconsciously, Jean's tears dripped so she immediately left that place. She was very confident that Soo Yin will repay Park Soo Hyun's feelings.

"Soo Yin, we better go because of a lot of work." Dae Hyun immediately walked over to Soo Yin and grabbed his wife's wrist to follow his steps.

"Hyeong, if you want to go then go. Don't take Soo Yin!" Park Soo Hyun exclaimed angrily.

"We don't have time, next time," Dae Hyun said coldly and immediately took Soo Yin away.

Soo Yin just kept quiet and continued to follow Dae Hyun's steps until she stumbles because the man pulled her wrist tightly.

"Let go!" Soo Yin said with a sharp glare at Dae Hyun.

"Honey, I'm really sorry I lied to you," Dae Hyun said.

Soo Yin turned her face the other way. She was currently very angry with her husband.

After the incident that morning Soo Yin was very ignorant of Dae Hyun all day. Even when Dae Hyun was going to take her home Soo Yin chose to ask Chung Ho to pick her up.

HIDDEN WIFE : BEST HUSBAND

Chapter 117 - 117 - Expelling Aeri

Dae Hyun actually wanted to follow Soo Yin to go back to Pyeongchang-dong villa but he wanted to sort things out with Aeri first. He couldn't wait to part from Aeri as soon as possible. That way he could tell the world that Soo Yin only belonged to him and no one should take her, including Park Soo Hyun.

"Father!" Jo Yeon Ho exclaimed, who immediately jogged towards Dae Hyun. As usual the boy was always enthusiastic when he met his father.

"Hi, honey," Dae Hyun said while holding his son's tiny body.

Dae Hyun turned his face the other way as Aeri smiled at him. Really he was very disgusted to see that woman.

"Dad, look. I made this together with Mom," Jo Yeon Ho said while handing the paper to Dae Hyun.

Dae Hyun immediately opened it wanting to know what exactly was in the picture. It turned out to be a picture of a family. There was a man and woman who were on the edge and then there was a small child who was carrying a balloon in his hand. There was a name for each in each picture. Money was none other than the name of the three of them.

"Dad, I want us to be a happy family like in this picture," Jo Yeon Ho said, speaking with a typical little boy accent. His small face now so bright when he saw the picture in his hand.

Dae Hyun scratched his temple. His heart was cut to hear the narrative of his only son. Just about to divorce Aeri but Jo Yeon Ho actually expressed his heart's desire.

"I want us to go for a trip in three of us with Mom and Dad like in the picture," Jo Yeon Ho said expectantly looking at her father.

Dae Hyun just replied with a smile. On the other hand, he wanted to part with Aeri immediately, but on the other hand, he didn't want to disappoint his son. This really got him into a real dilemma.

"Yeon Ho, you better sleep because it's late. It's not good for young children to sleep too late," Dae Hyun said. He continued to carry Jo Yeon Ho until he reached his room.

"Your father is right, honey. Come on, Mom will read you a story so you can fall asleep soundly," Aeri said, she immediately grabbed Jo Yeon Ho to turn to her arms.

Dae Hyun frowned. He felt something was wrong with Aeri's attitude who seemed so patient and compassionate. Looked like the world was wrong in turning around.

Aeri took Jo Yeon Ho to his room while Dae Hyun went straight to the bathroom to clean up.

Aeri entered the room while Dae Hyun was changing clothes. She immediately walked over to Dae Hyun and rubbed his broad chest gently.

"Honey, I miss you so much," Aeri said as she leaned her head on Dae Hyun's chest.

"Don't talk nonsense!" Dae Hyun said with a cold tone that was so piercing heard in Aeri's ears.

"What do you mean?" Aeri asked while rubbing Dae Hyun's cheek but the man immediately stopped his hand.

"Don't pretend you don't know," Dae Hyun said, chuckling. He now didn't have to pretend to be nice because Jo Yeon Ho was no longer around.

"Honey, I really don't understand what you mean," Aeri said as she raised her hand.

Dae Hyun immediately stepped foot to take something above the nightstand.

"Tell me what all this means?" Dae Hyun slammed the photo on the dresser. Until some photos scattered on the floor.

Aeri widened her eyes and almost fell over when she saw the photos one by one. It was a photo of her with Manager Han that night. How did Dae Hyun have all this? Couldn't possibly be one of his friends who would leak to Dae Hyun.

"Where did you get all this?" Aeri said with a little stuttered. Her hands were clenched tightly until her nails stuck into her palms leaving marks. Her body trembled slightly. Even though the photo was taken from a distance, her face was still visible.

"You don't need to know," Dae Hyun said with a crooked smile full of hatred.

"It's not what you think," Aeri said, shaking. Now she was really very scared but Aeri tried to calm down so that Dae Hyun will not be suspicious and believe in his accusations.

"What was I thinking?" Dae Hyun said while cornering Aeri against the wall. His gaze was fiery and filled with anger.

"That night I was just a little drunk so I didn't realize when Han took me to his apartment. We've been friends for a long time so how could Han do anything to me," Aeri who remained defensively argued.

"You better get ready to get out of this house. I don't want to have a lying wife like you!" Dae Hyun said in a fiery tone to vent his anger.

"Dae Hyun, I've never lied to you," Aeri said with teary eyes. She softened her voice to make it sound sad.

"Not lying, you say? You even lied when Jo Yeon Ho was about to get hurt because you left him in the park alone. Lucky that Soo Yin was able to save him," Dae Hyun said coldly. He remembered how Soo Yin nearly lost his life helping his son.

"At that time I... I...." Aeri couldn't find the words to defend herself.

"You even have always prioritized your personal interests more than Jo Yeon Ho," Dae Hyun said with a trembling body trying to hold back his anger.

"Dae Hyun, I'm really sorry. Please forgive me," Aeri said, she sat cross-legged in front of Dae Hyun. She will do everything in her power to remain in that house.

"Your words of regret don't mean anything to me anymore," Dae Hyun said.

"I beg you, forgive me," Aeri said while holding Dae Hyun's feet with tears.

"Pack all your clothes and say goodbye to Jo Yeon Ho. I want you to leave the house tomorrow." Actually Dae Hyun wanted to kick Aeri out tonight but he

still had a conscience. After all, Aeri was the mother of his son and they have lived together for a long time.

"Do you have the heart if Jo Yeon Ho is far from his mother?" Aeri said, still on his knees.

"You don't need to worry because I will find a better mother figure than you," Dae Hyun said then immediately rushed into his clothes before finally leaving Aeri.

"You'll see, can you kick me out of this house," Aeri thought with red eyes looking at Dae Hyun who had disappeared behind the door.

Dae Hyun wanted to leave the house immediately for fear that he would be rude to Aeri.

Just about to went down the stairs now he ran into Park Soo Hyun who made his anger even higher.

"Hyeong, where are you going?" Park Soo Hyun who was just about to climb the stairs asked.

"I want to go outside," Dae Hyun said, he wobbled a little because his body felt strange. But he immediately rushed to leave the house.

=====

Pyeongchang-dong Villa

Soo Yin really felt really angry this time. This was not the first time her husband has lied to her. The first was Dae Hyun admitted that he was single and didn't have a wife so Soo Yin wanted to marry him. But the truth was that her husband already has a wife and children so that Soo Yin can't help but become a second wife. It has passed and she can accept everything.

Now Soo Yin was lied to by Dae Hyun just because of flowers and poetry. If she found out that her husband didn't send it, she will definitely return it to

Park Soo Hyun. She wouldn't be so happy about those words. Although she always read the poem when she was alone at night when she couldn't sleep.

Soo Yin sat on the floor while bending her legs to shoulder and lied her head which felt heavy. Was this her fate that was always lied to. Why was her life destiny so sad like this? The chants of the nocturnal animals were loud as if they were laughing at her terrible fate. They seemed to be talking about her poor life.

Until late at night Soo Yin didn't even move from the balcony. Until she heard a familiar car sound in her ears. If Soo Yin usually felt very happy because her husband came at night, she was reluctant to meet him.

Knock knock knock

There was a knock on the door which was quite loud and repeated. But Soo Yin still didn't move from where she was sitting. Instead, she buried her head in her knees. She tried to hold back her tears from dripping. There's no point crying over someone like Dae Hyun.

"Honey, open the door," Dae Hyun said as he kept knocking on the door.

"I apologize for all my mistakes," Dae Hyun said again. The man never gave up in order to get forgiveness from his wife.

HIDDEN WIFE : BEST HUSBAND

Chapter 118 - 118 - Sick

Soo Yin reached out to grab a cell phone that was nearby. She immediately typed a message then immediately sent it.

Dae who leaned against the door immediately checked his cellphone when a text message arrived.

[Do not bother me! I want to be alone!] ~ Soo Yin.

[Honey, come out. I beg of you] Dae Hyun immediately sent a reply.

After waiting for a while, Soo Yin no longer replied so Dae Hyun tried to call her cell phone. It's just that the cell phone turned out to be inactive, looked like Soo Yin turned it off on purpose.

"If you don't want to come out then I'll sleep at the door!" Dae Hyun exclaimed so Soo Yin could hear him.

Soo Yin didn't care at all. She wouldn't just believe him after feeling cheated twice. It hurts so much. Soo Yin immediately threw away the piece of paper containing Park Soo Hyun's poetry from the balcony.

She immediately rushed into the room while wiping the tears that rolled down her cheeks. It turned out that the tears could no longer be contained.

Soo Yin curled up on the bed. Regretting all the trust she placed in Dae Hyun. She didn't want to be fooled anymore. It could be that Dae Hyun was lying about something else.

"Honey," Dae Hyun called from outside the door. He was still trying to get his little wife to open the door to the room. But still Soo Yin didn't want to open it even though Dae Hyun kept begging.

Two hours later

At two o'clock in the morning it was quiet. There was no sign of Dae Hyun at the door.

"You liar!" Soo Yin grumbled as she got out of bed. She firmly believed that Dae Hyun must have left the villa by now.

Soo Yin slowly opened the door as her throat felt dry since a long time ago. Because there was Dae Hyun Soo Yin holding her thirst until late at night like this.

As soon as she opened the door, Soo Yin widened her eyes. She could not believe what she saw. It turned out that Dae Hyun was actually curled up at the door.

Soo Yin pretended not to see him. She continued her steps towards the kitchen. It must have been Dae Hyun's trick. Soo Yin can't stop thinking that Dae Hyun was good at acting.

"He thinks with him sleeping on the floor like this I'll be sorry," Soo Yin said with an irritated snort. She took a glass of drinking water from the refrigerator then gulped it down.

"At nights like this, why do you wake up?" Auntie Xia who had just come out of her room said.

"I feel so thirsty," Soo Yin said.

"Have Mister fallen asleep?" Aunt Xia asked.

"Yes, Auntie," Soo Yin said curtly.

"Thank God, he looked very pale. Even he looked unsteadily up the stairs. I hope he don't have a fever," Auntie Xia said.

"Cough... cough... cough...." Soo Yin coughed at Aunt Xia's statement.

"Are you all right, miss?" Aunt Xia asked.

"I'm all right, Auntie. Have mister ever had a fever?" That's Soo Yin's question which didn't make any sense. Of course a human must have a fever.

"Rarely, it's just that if Mister feel cold he will usually have a fever. Once Mister had a fever for a week and lied to his family if he was out of town to take care of...." Aunt Xia said, who was cut off.

"Auntie, I'll go back to the room first," Soo Yin said, she immediately rushed to see her husband's condition.

Dae Hyun was curled up with his hands between his legs. His eyes were closed while biting his lower lip. Soo Yin didn't pay attention earlier because of the dim light.

Soo Yin squatted down to see how her husband was. Seeing him like that made her even more afraid. Soo Yin held Dae Hyun's palm which was really cold. Then holding his head with the back of her hand that feels hot. Soo Yin got confused, actually Dae Hyun was hot or cold. Why was his temperature like this.

"Dae Hyun," Soo Yin lifted her husband's head to place it on her lap.

Dae Hyun opened his gloomy eyes with a smile. He grabbed Soo Yin's hand to hold it tightly.

"Finally you came out too," Dae Hyun said as he put Soo Yin's palm that was holding on to her lips. His face was really very pale.

Soo Yin didn't think that a man who looked strong like Dae Hyun can get a fever too.

"Come on, let's go inside. Looks like you have a fever," Soo Yin said, about to stand up but Dae Hyun held her wrist.

"I'm fine," Dae Hyun said as he rubbed Soo Yin's cheek. Seeing his beloved wife nearby made him feel fine.

"Come on, stand up." Soo Yin tried to stand up even though it was difficult because she had to carry Dae Hyun's body which was quite heavy.

With great difficulty and slowly, Soo Yin finally managed to bring Dae Hyun onto the bed. She was confused about what kind of medicine to give because

Dae Hyun was shivering but his body felt hot. Soo Yin only covered her husband's body with a thick blanket.

Soo Yin was about to go downstairs to get the remote to set the warm temperature but Dae Hyun pulled her.

"Don't go," Dae Hyun said with trembling lips and closed eyes.

If he didn't suddenly get sick like this Soo Yin made sure to continue to let him sleep outside. She just didn't want to be a cruel wife right now.

"I'm just going to take the remote so the temperature is warmer for a while," Soo Yin said as she took Dae Hyun's hand off her waist.

"I just need you," Dae Hyun whined.

Soo Yin rolled her eyes seeing her husband acting like that.

"I should just call Doctor Kang. I'm worried about your condition," Soo Yin said, she was about to reach his cell phone which was on the nightstand.

"No! I hate getting injections." Dae Hyun opened his slightly red eyes.

"Okay." Soo Yin didn't want to argue so she chose to comply with Dae Hyun's request. She only stood for a moment to adjust the temperature using the remote then rushed up to the bed. Really she didn't know what to do at this time. Her heart was now between resentment and pity.

Dae Hyun inched his head against Soo Yin's chest. Soo Yin felt Dae Hyun's body feel cold now. Soo Yin gripped Dae Hyun's hand tightly. Now she could see the figure of a mighty man she knew seemed helpless to endure the pain.

"Is it still cold?" Soo Yin asked.

"Soo Yin, please forgive me," Dae Hyun said with a sad gaze. He was really guilty of lying to his little wife.

"It's not the time to talk about all that," Soo Yin said. She will keep that in mind after Dae Hyun recovered.

"Aren't you going to forgive me?" Dae Hyun said with a pleading look.

"No need to talk about it now. Go to sleep, so you can get well quickly," Soo Yin said, immediately looked away. If she remembered how Dae Hyun lied to her, of course, she was still angry. But as a woman she still has a conscience where impossible she will remain angry when her husband was sick like this.

After an hour Dae Hyun's temperature gradually improved. He was not shivering anymore.

Soo Yin who was already sleepy leaned her head on the side of the bed. When Dae Hyun wasn't there she felt she couldn't sleep but now for some reason her eyes felt so heavy.

=====

Soo Yin blinked her eyes as the morning sunlight burst through the slit of the window. She saw Dae Hyun, who was still fast asleep, leaning his head on her chest with his hand wrapped around her stomach.

Soo Yin shifted her body to get away from Dae Hyun but the man tightened his hug even more.

"What time is it now?" Dae Hyun asked in a hoarse voice.

"It's seven in the morning," Soo Yin said curtly as she tried to escape.

"Really? I have to go to work right away." Dae Hyun immediately sat up and held his head which felt a little dizzy.

"Are you going to keep going to work even though your body is still in pain? You work even harder than your employees," Soo Yin exclaimed while chuckling. Really, she could not stop thinking if her husband was always concerned with work rather than body condition.

"Honey, I have to finish my work," Dae Hyun said hoarsely.

"Then go and never see me again," Soo Yin threatened. All night she was worried about him until she only fell asleep for a while, but now the man was going to go to work instead. Soo Yin felt regretful about her worry last night.

HIDDEN WIFE : BEST HUSBAND

Chapter 119 - 119 - Do Not Seduce Me

"It's not that, it's just that I'm afraid Aeri will order investors she knows to withdraw all of the investments," Dae Hyun said. He thought back to when he wanted to say goodbye to Aeri, which turned out to be Aeri inciting his relatives so that the hotel was short of money. He didn't want that to happen again.

"What's wrong with Aeri? Why would she do that?" Soo Yin asked while knitting her eyebrows.

"I told her last night to leave the house," Dae Hyun said.

"Why is that?"

"Chang Yuan got photo evidence of her having an affair with another man," Dae Hyun said.

"Having an affair? Who is that man?" Even though Soo Yin could already guess, she pretended not to know.

"Hmmm, she went to a nightclub with Manager Han and then they went to his apartment. I told her to leave today. Let's hope she doesn't dodge it so we can

get along with your status as my only wife." Dae Hyun took Soo Yin's hand and then placed it on his cheek.

"Remember, I haven't forgiven you," Soo Yin said as she pulled her hand. She immediately rushed into the bathroom.

Dae Hyun could only massage his temples because his head was still a little sore. Today was a holiday so Dae Hyun hoped that nothing would happen to the hotel. He didn't want to sacrifice his feelings anymore.

Dae Hyun immediately called Chang Yuan to keep an eye on Aeri and Han. Asked him to immediately call his number if anything suspicious happens. He then lay back on the bed.

Soo Yin came out of the bathroom. She has changed his clothes inside. A message arrived on her cell phone so Soo Yin immediately checked it. Maybe there was something important.

[Soo Yin, do you have time? if there is, let's go to the university because student registration will be opening soon. I'll invite Jean too] ~ Jae-hwa.

Soo Yin bit her lower lip. She did not know whether to continue her education or not. Even though when she was a child, she wanted to be a doctor. Soo Yin seemed to have to bury deep all of her dreams. How could she possibly enter university while the cost of becoming a doctor was very expensive. She glanced at the man lying on the bed. Her mouth was already open wanting to say something, only Soo Yin discouraged. She still felt annoyed by Dae Hyun's lies.

Soo Yin didn't reply to Jae-hwa's message. She returned to put her cell phone on the nightstand. She immediately went downstairs to get breakfast for Dae Hyun. Indeed, Soo Yin was still angry, but she cannot bear to let her husband not eat breakfast. She was just trying to repay all Dae Hyun's kindness to her all this time.

After there was no sign of Soo Yin outside, Dae Hyun sat up and then leaned his head on the bed. He was so curious who sent the message to his wife this morning. It's not unbelievable that Soo Yin was loyal to him. He just felt the need to know the message. Earlier, he accidentally peeked at Soo Yin's expression when she read the message. Dae Hyun saw Soo Yin's face, which immediately turned grim.

Dae Hyun started reading the contents of the message which turned out to be Jae-hwa.

'I'm sorry, Soo Yin if I can't make you happy yet. It even had time to forbid you to continue your education,' Dae Hyun thought.

To apologize for all his mistakes it seemed he needed to grant his little wife's request. Dae Hyun also regretted that Soo Yin did not continue her education because she was very young.

Dae Hyun hurriedly put Soo Yin's cell phone on the nightstand because he seemed to hear the sound of approaching footsteps.

Soo Yin returned to the room carrying a tray in her hand. There was also the medicine given by Aunt Xia, which Dae Hyun used to take when he was sick.

"Get up, you have to have breakfast so that you'll get better quickly," Soo Yin said flatly. She helped Dae Hyun to lean on the pillow to make it more comfortable.

Dae Hyun was now sitting leaning on the pillow beside the bed. He continued to observe his wife's beautiful face.

"Honey, if you want to go see university then go," Dae Hyun said softly. He ventured to say it.

Soo Yin narrowed her eyes. 'How did he know if she was going to university? Did he saw my message?' Soo Yin thought.

Soo Yin chose silence. She just scooped up the porridge and then fed it to Dae Hyun. It must be just a seduction to forgive him so Dae Hyun lets her go. Even though at that time Dae Hyun did not seem to intend to allow her to study.

Dae Hyun didn't need to worry if Soo Yin was with Jae-hwa because Jean was with them. Besides, Dae Hyun has also got the love of his little wife. Well, even though because of his mistake now his wife was angry again.

"Go," Dae Hyun asked once again.

"No need, I'm not going to go to college," Soo Yin said without asking how Dae Hyun found out.

"Soo Yin, don't you want to be a doctor?" Dae Hyun asked.

"How do you know that?" Soo Yin asked briefly. Looked like she hadn't said that to anyone all this time. She only ever said it to Jean and Jae-hwa. There was no way that Dae Hyun would bother asking them.

"You have to continue your dream so that if I get old and sick like this you can take care of me," Dae Hyun said as he reached out his hand to touch Soo Yin's face.

"Who will age with a liar like you?" Soo Yin's sneer bluntly with nothing to hide in her heart. She was too tired to bury it all by herself.

"So you've forgotten all this," Dae Hyun said as he pulled out a recorder shaped like a pen. A recording of Soo Yin's voice promising not to leave him at any time.

Suddenly Soo Yin's cellphone rang so she immediately grabbed it to answer it.

"Jae-hwa, what's wrong?" Soo Yin asked after answering the call.

"Have you read the message I sent?" Jae-hwa asked.

"Oh, that. Yes, I just finished reading it," Soo Yin said.

"How, do you have time?" Jae-hwa asked.

Soo Yin looked at Dae Hyun who seemed to be listening to her conversation with Jae-hwa. Dae Hyun nodded his head so that Soo Yin agreed to Jae-hwa's invitation. He didn't have to worry because later he would contact Chang Yuan to have one of his men to follow Soo Yin.

"Okay, we meet at the cafe we usually gather," Soo Yin said.

"OK see you." Jae-hwa immediately hung up the phone.

Soo Yin bit her lower lip. She returned to feed Dae Hyun until the food was finished without saying another word.

Dae Hyun felt very happy with his little wife. Even though she was angry, she still paid attention to him. He thought last night she would ignore him because she was angry.

"Honey, you are the best wife," Dae Hyun said with a smile.

"Don't try to seduce me because that won't change everything," Soo Yin said with a sneer. She would not so easily forgive a man who had lied to her twice.

"Honey, tell me how to make you forgive me?" Dae Hyun asked hopefully.

"Please think by yourself of how," Soo Yin said. She immediately rushed to the locker room to change her clothes and didn't forget to get the clothes that her husband would wear.

"I'll go now," Soo Yin said briefly as she walked out of the room.

Dae Hyun just let out a deep breath. He seemed to have to try even harder so that Soo Yin would forgive him this time. It was unexpected that his wife was really angry about that.

=====

UN Village.

Aeri, who felt that her position in the house was threatened, will do everything she can to make Dae Hyun submit to her. She would not be willing to have someone replace the position she had so painstakingly achieved.

Usually in the morning like this, Jo Yeon Ho would go to her room to find her father. Moreover, today was a holiday, for sure Jo Yeon Ho will enter soon.

Knock... knock... knock....

There was a knock on the door so Aeri immediately opened the cupboard to find a suitcase. She already took out several pieces of clothes on the bed.

"Mother, can I come in?" Jo Yeon Ho said from outside. The boy pressed his head against the door.

"Come in!" Aeri exclaimed from inside. She immediately put on a very sad face.

"Where's Father?" Jo Yeon Ho asked, he looked around the room but couldn't find the figure he was looking for.

"Father ... Your father has been gone since last night," Aeri said while sobbing.

HIDDEN WIFE : BEST HUSBAND

Chapter 120 - 120 - Making Poetry

Jo Yeon Ho frowned. He was surprised to see his mother who looked so sad that she was not like usual.

"Where are you going? Why are you packing clothes?" Jo Yeon Ho asked.

"Yeon Ho, I'm sorry. Maybe from now on we will rarely see each other again," Aeri who was sobbing said while holding Jo Yeon Ho in her arms.

"What do you mean?" The 6 year old boy did not understand Aeri's words.

"Last night your father" Aeri deliberately didn't continue her words.

"What's wrong with Dad?" Jo Yeon Ho asked innocently.

"Father kicked mother out of this house so mom will go right now." Aeri let go of her arms and then wiped the tears that rolled down her cheeks.

"Why?" Jo Yeon Ho narrowed his eyes.

"I also don't know what is really wrong with mother. We seem to be separating, Yeon Ho," Aeri said with tears in her eyes.

"I don't want to part with you." Jo Yeon Ho hugged Aeri's body with his tiny hands very tightly.

"Really?" Aeri asked happily. Did not think that now her son has melted to her. Jo Yeon Ho nodded his head repeatedly indicating that he didn't want to part with Aeri.

"If you don't want to be separated from mom then you have to beg your father not to kick mom out of this house. Are you going to do it?" Aeri let go of Jo Yeon Ho's hug and then grabbed the boy's shoulders.

"Of course, later I'll beg father," Jo Yeon Ho said confidently.

"You know if your father throws your mother out of this house then your father will surely remarry so that you will have a very cruel stepmother. You will be beaten by her if your father is not at home. Your father will not even love you anymore," Aeri said at length to convince her son that having a stepmother was not a good thing.

"Is it really like that?" Jo Yeon Ho asked.

"Of course it is true, therefore whatever happens you must not let your father expel your mother," Aeri said.

"Okay."

Aeri smiled slyly on her lips. With Jo Yeon Ho, Dae Hyun wouldn't be that easy to kick her out of the house.

=====

Pyeongchang-dong Villa

Dae Hyun unsteadily got out of bed then stepped onto the balcony even though his body still felt weak. He looked at Soo Yin who had left the villa by taxi. She was that angry that his wife didn't want Chung Ho to take her.

Dae Hyun pacing back and forth thinking about how to melt his little wife. He really couldn't stand their relationship apart like this. Even though it felt like just yesterday having fun while on Jeju Island. Unexpectedly, after returning home, there was a problem. It's all because of Park Soo Hyun. If he didn't show the same poetry he wouldn't be caught like this.

"Should I do the same as Park Soo Hyun?" Dae Hyun muttered as he put his hand on his chin. To him seducing a woman with a poem was disgusting. But if it can melt his wife's heart then it doesn't matter.

Dae Hyun went back into the room. He stepped his foot closer to the nightstand to find something that was in the drawer. There he found a pen and a book. If Park Soo Hyun could write poetry he should be able to. Since childhood he was smarter than Park Soo Hyun.

After finding what Dae Hyun was looking for, he immediately went into his study so he could concentrate on thinking of beautiful words that were completely unthinkable to him. This was a ridiculous thing for the first time he was doing. In the past, when he was studying in language, he never did the task of making poetry that his teacher gave him. As a result, he was always punished.

Dae Hyun sat in the chair in front of the table in front of him. He started writing on a piece of paper. Scribbling a pen wrote down something that was on his mind.

After reading it over and over again, it turned out that these words seemed very embarrassing. Dae Hyun threw the paper scattered on the floor. He wrote repeatedly and then crumpled the paper and threw it away.

Dae Hyun held his head which felt even more dizzy. It turned out that making those words was not as easy as he imagined, especially because he didn't like literature. He immediately called Chung Ho to immediately go to his office.

For the sake of Soo Yin he should forget about Aeri for a moment. Hopefully Aeri has left the house because he can't check it now. He will take care of his matters with Aeri after his relationship with Soo Yin returns to good. For him it was the most important thing.

Knock... knock... knock....

There was a knock on the door from outside.

"Enter!" Dae Hyun who was still struggling with the piece of paper in front of him exclaimed.

"What are you calling me, sir?" Chung Ho asked. He raised an eyebrow at the scattered crumpled paper.

"Have you ever written poetry for your lover?" Dae Hyun asked as he raised his face. Put back the pen he was holding on to the paper.

"Me?" Chung Ho gawking at the question of his boss who he thought was out of the line of work.

"Hurry and tell me, have you ever sent poetry to your lover?" Dae Hyun insisted, who couldn't wait to find out. If Chung Ho ever did then he would study a little with him.

"Never, sir," Chung Ho said honestly because he never had time to date.

"Well, you should just go," Dae Hyun said. It's useless telling her to come into the room if Chung Ho never made it. Now the time was wasted.

"Don't you need anything else?" Chung Ho was confused about why Dae Hyun threw him out before he did anything. Even though he was in such a hurry to go to his office because maybe there was something sudden that he had to do.

Chung Ho also found it strange that his boss was at home while his wife was away. This was something that happens very rarely.

"Go, I don't need you anymore," Dae Hyun said in a flat tone.

Chung Ho immediately closed the door and then left.

"It turns out that it's really annoying to make words like this," Dae Hyun muttered while crumpling the paper in his hand. Now the floor was full of scattered papers.

It was better to do very difficult calculations than to have to compose a poem. He preferred to memorize many formulas rather than make one sentence of poetry.

=====

Soo Yin rushed over to Jean and Jae-hwa after getting out of the taxi. They were in front of a cafe which was located not far from one of the best universities in Seoul.

Soo Yin walked over to his two friends who seemed to be chatting so warmly. Every now and then Jean hits Jae-hwa's shoulder with a laugh. I don't know what they are talking about until they don't notice Soo Yin's arrival.

"Sorry to make you wait a long time," Soo Yin said.

"Soo Yin? Finally you came," Jae-hwa who widened his smile said, seeing Soo Yin had come.

As soon as Soo Yin arrived, Jean actually closed her mouth tightly. Jean instead turned her face the other way as Soo Yin looked at her with a smile.

"Jean, how is your mother?" Soo Yin asked. The last time she heard the news that Jean's mother was hospitalized. After that she didn't remember to ask Jean again.

"Fine," Jean said curtly. Jean still didn't want to look at Soo Yin's face.

Soo Yin felt that Jean's attitude towards her has been a little cold lately. But Soo Yin always has a good feeling maybe Jean was in a bad mood.

"Hurry up if you want to enter the university," Jean who immediately walked ahead of Soo Yin and Jae-hwa said. She walked in front of herself a few meters from his two friends who were still behind.

Soo Yin wanted to chat with Jean so badly that she hastened her pace so that she could walk side by side with Jean. But always Jean accelerated her steps to stay away from Soo Yin.

"Jae-hwa, did something happen to Jean? She's acting a little different to me," Soo Yin said with a sad face. She felt that Jean was away from her even though she was the only friend she had.

"Really? Maybe it's just your feelings," Jae-hwa said. They walk side by side.

"I don't know, recently we've become not close," Soo Yin said.

"Maybe Jean had a lot of thoughts so she acted like that," Jae-hwa said.

"Hmmm," Soo Yin said.

Not long after, they arrived at the entrance to Seoul National University. Soo Yin and Jae-hwa were so flabbergasted that they can see the campus building up close.
