

HIDDEN WIFE : BEST HUSBAND

Chapter 21 - 21 - Nakji Bokkeum

Soo Yin entered through the back gate which was meant for employees. Her hands played the sling strap of the bag while continuing to step her feet. For some reason, if she's around Dae Hyun, she always wants to get angry and think badly about him.

"Soo Yin, wait!" call Jae-hwa. Walk quickly towards Soo Yin.

Soo Yin looks at the back when she hears someone calling her.

"Hi, you didn't bring the car?" asked Soo Yin when Jae-hwa was at her side.

"No, Grandpa took the car away," says Jae-hwa breathlessly.

"What have you brought?" asked Soo Yin when she saw Jae-hwa carrying a plastic bag in his right hand.

"Ah, this ... this ... Grandma left something for you." Jae-hwa shyly hands him a plastic bag.

"What is this?" Soo Yin stretches out her right hand to accept Jae-hwa's gift.

"I don't know, Grandma just said to eat for you," says Jae-hwa, shrugging his shoulders. His grandmother had long supported Jae-hwa and Soo Yin to date. According to his grandmother, they were a good match.

Soo Yin untied the plastic bag a little. There was a very delicious aroma that penetrated her sense of smell. Seems to know the special smell of that food. Soo Yin is curious, so immediately opens to peek at it. It turns out that the contents are Nakji Bokkeum, a dish made with fried octopus served with stir-fried vegetables and hot sauce.

By looking at the delicious appearance and smell, Soo Yin couldn't wait to eat it. Soo Yin thinks back to when she was in high school visiting Jae-hwa's

house. His grandmother prepared a very delicious Nakji Bokkeum dish. She felt ashamed that she had finished so much food there.

"It turns out that Grandma still remembers it," said Soo Yin smiling shyly.

"Yes, Grandma also asked about you. Want you to visit us, Grandma will make more food for you," said Jae-hwa.

"Thank you very much, next time I'll visit Grandma," said Soo Yin.

"You're welcome," said Jae-hwa.

"Come on, let's eat together!" Soo Yin grabs Jae-hwa's wrist to follow her.

Jae-hwa's heart is pounding at this time. He repeatedly saw his hand being held by Soo Yin. Afraid that all this is just a dream.

It is the same as what Soo Yin used to feel in high school who admired Jae-hwa who was handsome and also smart. Some of her girlfriends are jealous that Soo Yin is close to Jae-hwa.

Without them knowing it, Dae Hyun had been following them to the pantry. Dae Hyun feels curious when he sees Soo Yin holding Jae-hwa's hand and sees her laughing out loud with other men. Dae Hyun chose to peek through the glass window.

"Let us eat!" Soo Yin took out two bowls. She divides the food from Jae-hwa's grandmother for the two of them.

"But this is only for you," said Jae-hwa.

"It's better to eat together," said Soo Yin. Start feeding food into her mouth. When leaving earlier, Soo Yin didn't have breakfast because she didn't have

the taste. But when she saw Nakji Bokkeum made her stomach struggle to ask to be filled.

Jae-hwa feels happy to be with Soo Yin. They haven't spoken since graduation.

"Try it! It's delicious!" Soo Yin feeds the food into Jae-hwa's mouth.

Jae-hwa opens his mouth and starts chewing the food. It's very delicious, especially when added to eat together with the girl he likes.

"Mr. Dae Hyun? Why are you standing here?" asked Jean who was going into the pantry.

"I ... I just want to make coffee ... black coffee," said Dae Hyun. Surprised by Jean's arrival, Dae Hyun was forced to enter the pantry.

Soo Yin and Jae-hwa turned their heads when they heard a voice chat. They were also surprised when Dae Hyun suddenly entered the pantry, even though he never once entered there.

"Good morning, Mr. Dae Hyun," Jae-hwa said as he immediately stood up and shifted his chair and bowed his body.

Soo Yin didn't do anything, remained busy eating the dish in front of her without any intention of greeting or turning around.

"It looks delicious! May I taste it?" Dae Hyun asked looking at Soo Yin who was eating, then sat in front of her to replace Jae-hwa.

"Yes?" Soo Yin looked at Dae Hyun's face.

"Sorry, you will not like food like this," said Soo Yin pretended to smile. Then take the food that's in Jae-hwa's bowl.

Suddenly Dae Hyun grabs the chopsticks Soo Yin used to eat. Eat all of them until there is nothing left. Dae Hyun feels annoyed when he sees Soo Yin's closeness with Jae-hwa. Her attitude was very different when she was around him.

Soo Yin, Jean, and Jae-hwa just stare at their boss's behavior. Especially Jean and Jae-hwa who are surprised to see Dae Hyun eating with Soo Yin's chopsticks.

"Why do you ... mean you finished all the food?" said Soo Yin. Jae-hwa's grandmother's food is too good, so she doesn't want other people to eat it.

"Soo Yin, just let it go. I'll tell Grandma to make more for you. Don't be rude to Mr. Dae Hyun," whispered Jae-hwa as he pulled Soo Yin's arm.

"Just let it go, isn't it rude to eat someone else's," said Soo Yin while pursing her lips.

"Sorry, I finished it all. I'll send food to you," Dae Hyun said to his feet. For a moment staring at Soo Yin with a smile.

"No need," said Soo Yin in a flat tone.

"Thank you, sir," said Jean. She elbowed Soo Yin's stomach.

"Soo Yin, please deliver a drink to my office!" said Dae Hyun then hurried away.

Soo Yin just rolled her eyes.

"Jean, you deliver! I have to do something else." Every night, remembering Dae Hyun didn't come home with another woman made her want to keep getting angry.

"But .... " argued Jean.

Soo Yin has stepped out of the pantry.

### Chapter 22 - 22 - Plan Watching Movies

In recent days, Soo Yin often meets Jae-hwa because they often do work in the same room. Jae-hwa is also not reluctant to help so Yin's work. Makes so Yin feel bad.

Dae Hyun and Soo Yin relationship are still as usual. Soo Yin is always ignorant and doesn't care about Dae Hyun. Especially now that Dae Hyun rarely returns to Pyeongchang-dong. Make Soo Yin sure that Dae Hyun already has another woman or chooses to be with his first wife.

Currently, Soo Yin and Jae-hwa are cleaning the same room. The room was spacious enough that two people needed to clean everything to get it done quickly.

"Let me clean the bathroom," jae-hwa said, as Soo Yin was about to go into the bathroom.

"It's okay, let me. You must be tired of always doing everything yourself," said Soo Yin. Feel bad because Jae-hwa always cleans the bathroom every time they clean the room together.

"I love doing it all. While I can be with you, I'm willing to do it," said Jae-hwa.

"Huh?" asked so Yin. Don't understand what Jae-hwa said.

" I mean, if ... if we are together everything seems light, " said Jae-hwa stammered.

Holding his hair because they felt it was the wrong talk.

" oh, did you? " ask soo yin while laughing.

On the sidelines of time to do the job, they will kid and laugh heartily.

Accidentally, Dae Hyun hears laughter from the bedroom door in the situation is a bit open.

Dae Hyun was curious so he saw what happened. It turns out that Soo Yin and Jae-hwa are chasing each other while hitting each other with pillows. Soo Yin laughed very freely as if there were no more burdens on her shoulders.

"Why do you only act like that with other people? You hate me so much," said Dae Hyun, clenching his fingers.

Dae Hyun also heard the conversation that tonight they will go to watch. Even though the other day Dae Hyun had invited Soo Yin to go out to dinner but the girl refused. Dae Hyun took a deep breath then left them. Afraid that someone might catch him.

Jae-hwa and Soo Yin go to the cinema to buy tickets. Jean's plan followed, but it didn't go according to plan. Jean suddenly couldn't participate because she had a stomachache. Even though Soo Yin has already bought three tickets. While walking Soo Yin just throws away the supposed ticket for Jean on the floor.

"Do you want something?" asked Jae-hwa, when they walked into the room.

"Hmm, I just want drinks and snacks," Soo Yin replied. Not suitable if watching without bringing a snack.

"All right, wait here for a minute! I'll be right back." Jae-hwa immediately rushes away and disappears into the crowd.

Soo Yin sat on a long bench while constantly checking her watch. Half an hour has passed, but Jae-hwa hasn't returned. But soon the movie will begin.

"Why did he take so long?" murmured Soo Yin. She rises from her seat, pacing while biting her lower lip.

Five minutes is about to begin. Soo Yin thinks she's going to turn around looking for Jae-hwa but undoes her intentions because Jae-hwa may be queuing for food. Soo Yin chooses to come in and wait for Jae-hwa inside. anyway, they've brought their tickets.

Inside is still bright, so Soo Yin can see everyone sitting almost in pairs. Just be aware because this is a horror movie so it's not fun to go watching alone. At first, they intended to watch a romantic movie but it turned out to be playing when they hadn't arrived.

Soo Yin watched the horror film titled, *Gonjiam : Haunted Asylum*. A film that tells the story of a group of young people who want to witness gonjiam's horror, a haunted psychiatric hospital in South Korea.

It's been ten minutes since the movie started but Jae-hwa hasn't shown himself yet. She becomes unfocused watching because she thinks of Jae-hwa and is too afraid to see some scenarios. Moreover, she sits in the middle between empty benches.

Soo Yin covered her face with palms. Watch only by looking from the sidelines of a loose finger for not daring. Soo Yin put her hand on the side of the chair but suddenly she felt her hand touch something

The girl surged, holding her toned chest. With fear, Soo Yin turned to see it, it turned out that someone was sitting beside her. Watching a horror movie makes her mind wish that beside her is a ghost

"Dae Hyun?" said Soo Yin, when she saw the face of the man beside her. Even though he wears glasses and a hat to cover his face, Soo Yin is very sure that it is Dae Hyun

Dae Hyun opened the glasses and the hat that was worn one by one.

"What are you doing here?" said Soo Yin in a slightly loud voice.

#### Chapter 23 - 23 - Angry

The audiences who were not far from their seats immediately turned their heads at her. They were annoyed by the girl's voice.

Soo Yin only smiled as he apologized by waving her hand.

"Why are you here? Don't men who are old don't like to go to watch?" quipped Soo Yin.

"I don't want you to watch alone," Dae Hyun said casually.

"I went with Jae-hwa, so you don't have to worry," said Soo Yin while rolling her eyes.

"He's not coming back because he told him to go home," said Dae Hyun casually. Put one foot on top of the other.

"How do you know he's back?" asked Soo Yin.

"I told him to go back to the hotel to do something," replied Dae Hyun, while eating the popcorn in his hand. He also grabbed the food that Jae-hwa had bought earlier.

"You suck!" Soo Yin hit Dae Hyun's arm hard.

"Can you be quiet?" protested a young man sitting next to Dae Hyun.

"Sorry," said Soo Yin. Take a sitting position as before.

Not wanting to disturb all the viewers, Soo Yin finally focuses on watching a movie. Regardless of Dae Hyun who was beside her, did not think there was.

The women almost all screamed as invisible figures began to appear on the screen.

Unconsciously Soo Yin grabbed Dae Hyun's wrist tightly and squeezed it when she was really afraid. Sometimes Soo Yin also uses the man's hand to cover her face.

"If you are afraid why to go to the watch," Dae Hyun whispered in Soo Yin's ear.

"Go! Nobody told you to stay here." Soo Yin turned her head and then violently let go of Dae Hyun's hand.

Dae Hyun just smiles when he sees Soo Yin's behavior. So this is what teenagers do today. They spend Saturday night going to the movies.

After nearly two hours, the film finally ended. The lights were turned on again, the viewers, one by one, started to leave. Soo Yin frowned when she saw the couple holding hands.

If only the person beside her had been Jae-hwa, that would have been a lot of fun. It will be more romantic. Annoyedly, Soo Yin glanced at Dae Hyun who was beside her.

Several couples looked at Soo Yin and Dae Hyun, they whispered to each other but it still sounded faintly in Soo Yin's ears.

"Look at that girl! She watched a horror movie but together with her brother," said a woman in red who spoke to her partner while pointing at Soo Yin with stifling laughter.

"She must not have been allowed out so her uncle followed her."

"Her face is sullen showing that she doesn't like being followed by her brother."

"Even so, the man beside her is very handsome even though he looks more mature."

"It could be that the man already has a wife and she is his mistress, maybe the actor is more precise," said two women who are the same age as Soo Yin. They laugh at each other when talking about Soo Yin with Dae Hyun.

Soo Yin clenched her fingers, holding back the emotions that were about to explode. She wanted so badly to tear the mouths of the two women who said he was the culprit.

Dae Hyun feels that Soo Yin is currently feeling very angry. So immediately grabbed her wrist when Soo Yin was about to step her foot towards the two women.

"Let go!" shouted Soo Yin as she tried to release Dae Hyun's grip.

"Don't mind what they say," said Dae Hyun, trying to calm Soo Yin.

"Let me rip their mouths. It's okay to say I'm the culprit." Soo Yin managed to get away from Dae Hyun and immediately ran towards the two women. She grabbed a woman with curly hair.

"Ouch, my hair!" shouted the curly-haired woman, holding her aching head.

"How dare you say that I am a mistress and also a culprit!" shouted Soo Yin while continuing to ruffle the woman's hair to make her scream in pain.

Dae Hyun and the female friend try to get Soo Yin's hand out of her hair. Instead, Soo Yin took turns grabbing a woman who tried to intervene.

Dae Hyun is overwhelmed because Soo Yin's strength is too strong and keeps on struggling. Soo Yin is currently really very angry, no matter how many people who have gone outside now come back to see the conflict. Until finally the officers came and tried to intervene.

Dae Hyun gives some money to the two women so that the problem doesn't extend so Soo Yin can go home. Dae Hyun took a deep breath as he rubbed his forehead remembering the chaos that had happened.

While on the way to the villa, Dae Hyun doesn't dare to say anything to Soo Yin. Imagining what happened earlier made him feel that Soo Yin was very angry.

Her hair was messy from attacking each other. Her eyes were currently flushed red with sharp eyes.

so Yin just clenched her fingers firmly until her nails pierced the palm. If she had not been in the car, she might have vented her anger at Dae Hyun

### HIDDEN WIFE : BEST HUSBAND

Chapter 24 - 24 - I Love You

Villa Pyeongchang-dong,

Once in the villa courtyard, Soo Yin went straight outside and slammed the car door firmly. Step her foot upstairs very quickly. Went into the bathroom and then slammed the door back. Luckily the door is made of strong material so it is not broken.

Soo Yin sat limp while covering the ears with both hands. Re-ed the words of her past.

"She is the son of Kim Nam's mistress."

"I don't think she will survive and will follow her mother into the grave."

"Let's see, if she can survive to adulthood

"I'm sure when she grows up she will be like her mother who took someone's husband."

Although she was still in elementary school, Soo Yin still remembers the words of her father's family who always insulted her and her mother. Always said that her mother had taken Kim Nam from his first wife.

Until now she didn't know what was going on so couldn't do any defense against her mother. Soo Yin can only cry every time people throw an insult that hurts her heart.

Every time she asks about it her father never wants to tell the truth. Just telling not to care what other people say.

While in junior high school, Soo Yin also got insults from the sisters of one grandmother, causing all the students of one school to ridicule her.

Soo Yin sobbed while covering her face with both hands. It's shattered because the wounds that have not been remembered for a long time are now happening again.

That's why Soo Yin still hates Dae Hyun all this time because the man has already caused herself to be considered a mistress.

Knock ... knock ... knock ....

"Soo Yin!" called Dae Hyun while knocking on the bathroom door. He could hear Soo Yin's voice stuck in the water.

"Soo Yin, get out!" said Dae Hyun.

There is no answer at all from the inside, which makes Dae Hyun worry that Soo Yin is doing a bad thing.

"Honey, I'm sorry," said Dae Hyun, as he kept banging on the door.

Soo Yin wiped her tears up and slowly opened the bathroom door. Clenched her fist while holding back the anger she has been holding back ever since. It's time to vent everything.

Dae Hyun was relieved when he saw the bathroom door start to open slowly. The condition of Soo Yin is now like a tiger trying to pounce on its prey. Her eyes were flushed, staring at him with a very sharp eye. Never has Dae Hyun seen Soo Yin angry.

"You're satisfied everyone says I'm a mistress!" shouted Soo Yin angrily and unwittingly tears fell from her eyes

"They also said I was cheating!" shouted Soo Yin while punching Dae Hyun in the chest.

Dae Hyun just keeps quiet, letting Soo Yin vent all the anger she feels.

"Soo Yin, I'm sorry," Dae Hyun said softly while holding Soo Yin's wrist that didn't stop hitting him.

Soo Yin sobbed even more as he tried to get her hands off Dae Hyun's grip.

"You're satisfied now!" said Soo Yin weakly.

"Stop it, Soo Yin! I love you and you are not a snatcher of another woman's husband because I forced you to marry me," said Dae Hyun.

"They won't believe what you say!" said Soo Yin.

"Trust me, I love you," said Dae Hyun, holding Soo Yin's chin but the girl brushed Dae Hyun's wrist.

"Go! I don't want to see you," Soo Yin said softly, her hand hitting Dae Hyun's chest but slowly.

"Cry if that makes you comfortable!" Dae Hyun hugged Soo Yin into his arms, letting her shed all her tears.

Dae Hyun guides Soo Yin to sit by the bed. Feeling tired after crying unconsciously Soo Yin falls asleep in Dae Hyun's arms. After shedding the emotion she had felt all this time, slowly her heart began to sigh.

Dae Hyun lays Soo Yin on the bed and covers his body to keep warm. Dae Hyun reached out her hand touching Soo Yin's cheek gently.

"Sorry, made you cry. But I will never be able to let go of you," Dae Hyun said softly.

If only he hadn't followed Soo Yin to the cinema may be nothing like this would have happened. Dae Hyun also doesn't understand why Soo Yin can be that angry. This is not a good time to find out.

#### Chapter 25 - 25 - Sad

Soo Yin woke up when the morning sun slowly began to rise. When opening her eyes, Soo Yin felt a little dizzy and her eyes also felt heavy. Holding her head so Yin remembers what happened last night.

As soon as she remembered everything Soo Yin rushed down, immediately towards the dressing table. Her eyes were swollen and swollen from last night's tears. Luckily today it doesn't go to work so there's no need to meet people

Soo Yin glanced at the sofa, it turned out that some pillows and blankets were still messy. Soo Yin immediately took a pillow and folded the blanket then put it on the bed.

'Didn't he go home to his wife last night?' ~ said Soo Yin in the heart.

Soo Yin came out of her room after taking a shower. She approached her father who was sitting on the Couch while enjoying a cup of coffee.

"Good morning, Dad," said so Yin as she approached Kim Nam.

"Morning, did you just wake up? You should get up early on holiday so you can cook for your husband," said Kim Nam.

"Are you crying?" asked Kim Nam while observing Soo Yin's slightly swollen eyelids.

"I watched a romance movie last night but it ended sadly so it moved me," said Soo Yin, looking into her eyes.

"You still like to go watch. You've got a husband, stop messing around!" suggested Kim Nam.

"Sorry," said Soo Yin softly, as she lowered her head.

"No need to apologize to Dad. Apologize to Dae Hyun," said Kim Nam.

"It's okay, Dad. Besides last night we went to watch together," said Dae Hyun who walked towards them.

"It's great if you guys go together. I'm just worried that Soo Yin thinks she's still like a girl," said Kim Nam.

When she was in school, Soo Yin often went to watch late at night even though Kim Nam had forbidden her. To be willing to go out through the window because Kim Nam did not let her go.

"Calm down, I'm not what I used to be," said Soo Yin with a sullen face.

"Because you two are here, I want to talk to you about something," said Kim Nam while looking at her daughter and son-in-law alternately.

"What's up?" asked Soo Yin. Curious then sat beside Kim Nam.

"I've decided i'm going to Jeju Island. I want to live there with your uncle, Soo Yin." Kim Nam sighs long while staring at Soo Yin.

"Dad, no kidding, ha ha ha," so Yin said with a laugh.

"I'm not kidding, Soo Yin," Kim Nam replied softly.

"Dad, are you going?" Soo Yin felt that her body was very weak.

"Dad just wants to garden together with your uncle," said Kim Nam.

Soo Yin immediately hugged Kim Nam while shedding tears.

"Dad, don't go! Don't you love me anymore?" said Soo Yin between her broken tears.

"You're an adult, you already have a husband. Father just wants to enjoy old age in the village to breathe fresh air," said Kim Nam while patting his daughter's back.

"Why if I miss you, Dad? Stay here!" said Soo Yin.

"Daddy feels bored here because I didn't do anything. The doctor also said that i should be active to be healthier," said Kim Nam.

Kim Nam also feels sad to have to leave Soo Yin here, but he feels bad about just staying at home doing nothing. Besides, Kim Nam wants Soo Yin to be more mature.

"But ... but should you go to Jeju Island?" Soo Yin couldn't hold back her sorrow. Kim Nam's shoulders are now wet with tears.

"Just for a while, daddy won't belong. Besides, you can visit Daddy whenever you want." Kim Nam let go of his daughter slowly, holding Soo Yin's shoulders to calm her down.

"If you want a garden, I can build a greenhouse for you near here," said Dae Hyun.

"No need," said Kim Nam with a smile. Gaze at his son-in-law kindly.

"Dae Hyun, please take care of my daughter. I don't want to see her sad when I come back," continued Kim Nam.

Dae Hyun let out a deep breath. "Fine, Dad. I will take care of Soo Yin with all my heart," said Dae Hyun at last.

Soo Yin chuckled with a glance when she heard Dae Hyun's words. Would never just trust that man. Her stomach felt nauseous at what he said.

"Soo Yin, you are also a good wife for your husband. Don't ever run away again!" Kim Nam said emphatically.

"How did you know if I ran away?" Soo Yin looked at Dae Hyun with a sharp gaze. Angry that the man had complained to her father.

"Don't be angry with your husband, be nice to him. Serve Dae Hyun wholeheartedly. Remember all dad's messages to you, be a good wife!" Kim Nam said, looking at his daughter.

"Okay, Dad," said Soo Yin softly as she lowered her head. Realized that all this time she had never been kind to Dae Hyun.

In the afternoon, Soo Yin and Dae Hyun drove Kim Nam only to the port. Soo Yin feels that today is very sad because she has to part with her father.

Dae Hyun tries to calm Soo Yin by rubbing her shoulder as the girl continues to cry incessantly. Soo Yin waved her hand towards Kim Nam who had entered the ship.

"Don't be sad, we can visit later," said Dae Hyun who was standing beside Soo Yin. They were standing on the edge of the pier.

"Daddy, why did you leave me?" said Soo Yin softly. Ignoring Dae Hyun who kept trying to cheer her up.

"Let's go home! It's late at night," said Dae Hyun while looking at his watch.

"Go home, I'll stay here first!" said Soo Yin as she let go of Dae Hyun's hand which was on her shoulder.

Dae Hyun just sighs, full of patience to face Soo Yin's attitude who still can't make peace with him.

### HIDDEN WIFE : BEST HUSBAND

#### Chapter 26 - 26 - Bored

Soo Yin stares at the ceiling in her room while lying on the bed. Even though it was morning and she has to go to work immediately, today the girl was still wrapped in a blanket without any sign of getting up. Still can't let go of her father to Jeju Island.

Since childhood, this is the first time Soo Yin has been away from Kim Nam. The girl is also only close to her father. Naturally, at this time I was still sad because she was not used to it.

Soo Yin thinks of Kim Nam's words who trusted Dae Hyun so much to take care of her. She just wasn't sure about Dae Hyun. Until now, Soo Yin's heart cannot accept the man who is now her husband.

The image of Dae Hyun making love with other women still haunts her. Moreover, Dae Hyun has a legal first wife. She cannot share her affection with other women.

"Argh!" Soo Yin covers her head with a pillow trying to get rid of dirty thoughts when Dae Hyun with Aeri.

Especially when at the hotel, Soo Yin often hears conversations about female employees talking about Dae Hyun with Aeri. They keep praising that Dae Hyun and Aeri are a very harmonious couple. It annoyed her even more.

'Should I make peace with Dae Hyun?' ~ Soo Yin thought as she rubbed her face. So far, Soo Yin is very aware that she has never been nice to Dae Hyun.

Soo Yin got up then rushed to the bathroom. She had to go to work so that for a moment she could forget the sadness she felt. Get off immediately after getting ready.

"Where is Dae Hyun, Auntie?" Soo Yin asked Auntie Xia who was arranging the food.

"Mr. ... Mr. Dae Hyun left early morning is gone," said Aunt Xia stammered. This is the first time Soo Yin has asked where Dae Hyun is, which makes Aunt Xia a little surprised to hear that.

"Hmm, maybe he visited his wife," said Soo Yin talking to herself as she took the food to the plate.

Aunt Xia feels sad when Soo Yin tells Dae Hyun to go to his other wife's house. Even though Soo Yin said it in a low voice but Auntie Xia could still hear it. Aunt Xia understood a woman would not be willing to share her love with another woman.

'Have you started loving Mr. Dae Hyun?' ~ Aunt Xia thought as she looked at Soo Yin eating the dish with a sad face.

"Mr. Dae Hyun gave a message if from now on you will be picked up by Chung Ho. Mr. Dae Hyun maybe a few days will be busy so you can't go together," said Aunt Xia.

'Did my attitude keep him so bored that he wouldn't go with me anymore?' ~ inner so Yin

"Fine, but there shouldn't be a delivery because I can go to work alone," said Soo Yin.

"It's okay, Master ordered it," Aunt Xia said with a smile.

Chapter 27 - 27 - Failed

The Silla Seoul Hotel

"How was the film? Is it so creepy?" asked Jean enthusiastically.

Currently, they were in the locker room.

"Not bad," replied Soo Yin curtly as she put her things in a drawer.

"Ah, too bad I didn't go," said Jean regretfully for failed to watch.

"Soo Yin, did you know that there was a scene in the theater?" continued Jean.

"No, what's wrong?" asked Sony Yin while looking at Jean.

"While on the road I accidentally met two women, they told me that last night they fought with a young girl," said Jean.

"Hah?" Soo Yin is a little surprised but then immediately acts normal.

"They said last night a girl was watching with her partner, but the man looks mature. They accidentally say that the girl is a snatcher of someone's husband. The girl was immediately angry that they pulled their hair, messed up like a ruffian. Not long after security guards came to separate them. Otherwise, the two women might have been bald by the girl's pull. Luckily her boyfriend gave them enough money so they didn't report it to the authorities," said Jean at length.

"Do you not know what happened? I checked the news on the internet but could not see her face, only the clothes I have seen," continued Jean while remembering where she saw the red checkered shirt.

Soo Yin is silent. She thought back to last night's incident that was so embarrassing. She did not expect to be able to do something like that, even though all this time, the problems have always been buried under her.

"Isn't it like your clothes?" Jean shows her a photo of the commotion that has occurred in the cinema.

Luckily at that time, Soo Yin's hair was loose, so it could cover her face.

Soo Yin glanced at the photo that was on the news, it was her.

"Of course not! There are a lot of clothes in the world like that," said Soo Yin in a high tone.

"Okay, don't be angry. I'm also sure that it's not you," said Jean, patting Soo Yin's shoulder.

Soo Yin snorted in annoyance but was finally able to breathe a sigh of relief that her worries didn't happen. If her face is seen on the news page, all hotel employees will be excited.

"Soo Yin, sorry yesterday I couldn't go watch," said Jae-hwa, who had just arrived.

"Aren't you leaving?" Jean asked, turning to look at Jae-hwa.

"No, Mr. Dae Hyun suddenly told me to get the files at the office," said Jae-hwa.

"I'm sure it won't be fun watching alone," said Jean to Soo Yin.

"Never mind, I'll go upstairs first," said goodbye. Soo Yin immediately rushed out of the changing room. Don't want to linger over that annoying watching program. Soo Yin doesn't even enjoy the film at all. If something like that happened, maybe she would never go to watch.

"Looks like she's mad at you, even though I pretended to have a stomach so you can watch the two of you," said Jean while peeking when Soo Yin had left.

"So, you're just pretending?" asked Jae-hwa, frowning.

"I did this for the sake of you two to be closer. Even though it was the perfect moment," said Jean, pursing her lips.

"Sorry, I do not know." If only that night Dae Hyun hadn't sent him back to the hotel, surely they could have watched together. Jae-hwa just takes a deep breath.

## HIDDEN WIFE : BEST HUSBAND

### Chapter 28 - 28 - Jjajangmyeon

During lunch break, Soo Yin chose to leave the building. She wanted to get fresh air and find lunch that can restore her spirits and stamina.

Soo Yin walked to a row of restaurants not far from the hotel area. Thought of something spicy and hot. Soo Yin stepped into a shop. She read the food menu displayed in front of the entrance.

"Welcome," The waitress said in a friendly manner.

"I want the spicy one," Soo Yin said to the waitress.

When she was not excited like this, Soo Yin suddenly had an urge to eat Jjajangmyeon when she passed the restaurant that sell it.

Jajangmyeon is a food made from noodles mixed with thick black soy sauce accompanied by vegetables and pieces of meat.

Soo Yin really couldn't wait to enjoy the food.

Not long after that, the waitress delivered the order.

Seen the food in front of her, Soo Yin already wanted to enjoy it until there is nothing left. It looked so mouthwatering that she wanted to drool.

When she was about to enjoy her Jjajangmyeon, Jae-Hwa came over with a bowl for himself.

"May I join in here?" Jae-Hwa asked as he placed a bowl of Jjajangmyeon on the table. Earlier, he accidentally saw Soo Yin go to outside so Jae-hwa followed her.

"Of course," Soo Yin replied while shifting her bowl.

They enjoyed each other's food in silence. It's not good to eat while chatting.

"You don't seem excited today?" Jae-Hwa said while looking at the girl in front of her. Since morning he has been observing Soo Yin even from a distance.

Soo Yin drank one bottle of mineral water until it ran out then let out a long sigh.

"Is there any problem?" Jae-Hwa asked curiously.

"I'm just thinking about my father," Soo Yin replied. Her eyes were far away remembering Kim Nam who had boarded the ship yesterday.

"What's wrong with your father? Did something happen?" Jae-Hwa asked anxiously.

Soo Yin shook her head softly.

"My father went to Jeju island," Soo Yin answered as she lowered her head.

"Really?" Jae-Hwa was very shocked to hear that Kim Nam left Soo Yin in Seoul. He could felt the sadness that Soo Yin was going through. Every child will be very sad to be separated from their parents. Moreover, she only lived alone.

Soo Yin just nodded languidly. Every time she remembered being away from his father, tears continued to pool in her eyelids.

"Sorry, for making you sad. I'm sure there's a reason why your father should go." Jae-Hwa said, feeling sorry but he didn't know what to do.

"Today let me treat," Jae-Hwa said, tried to change the subject.

"Really? Looks like you have enough money?" Soo Yin said, felt a little happy to hear that Jae-Hwa will pay for the meal.

"As an apology for not watching movie yesterday," Jae-Hwa said with a smile.

"Huh, right. You do have to compensate because you made me watch a movie alone. Just imagine how it felt like I watched a horror movie by myself, it really gave me goosebumps." Soo Yin recalled how shocked he was when Dae Hyun suddenly was beside him.

"Once again, I'm so sorry." Jae-Hwa said earnestly.

"Once again, I'm so sorry." said Jae-hwa earnestly.

"Since you already treated me, I'll forgive you," Soo Yin said with a giggle.

They immediately returned to the hotel to work because lunch time was almost over.

Soo Yin felt a little better, it turned out that eating a free bowl of Jjajangmyeon put her in a good mood.

#### Chapter 29 - 29 - New Phone

Soo Yin's good intentions, who want to make peace with Dae Hyun, have not materialized yet. Moreover, it has been three days since Dae Hyun has not returned to the Pyeongchang-dong villa or contacted her via cellphone. It makes Soo Yin pissed off again.

Now Soo Yin increasingly felt that Dae Hyun already had another woman. Even though she had thought of positive things about her husband, the thought of Dae Hyun making out with other women still crossed in her mind. Soo Yin felt that she will never be able to make peace with Dae Hyun

Soo Yin sat on a chair at the hotel hall. She kept looking at her phone repeatedly but still no calls or messages came.

"Wow, you have a brand new phone! I want to see it," Jean said as she grabbed the cellphone in Soo Yin's hand. Observe the cellphone, which is the

latest mobile phone from the famous cellphone brand with the bitten apple logo.

"Isn't this very expensive?" Jean asked so amazed to see Soo Yin's cellphone.

"Ah, it's not that expensive," Soo Yin said as she grabbed his cellphone back but Jean took his hand away.

Soo Yin didn't even know how much the cellphone costs.

"Where did you get the money to buy this cellphone?" This was the phone with a pretty expensive price, so it was natural that Jean felt very curious.

"I ... I bought it in installments. How could I afford to buy it in cash," Soo Yin said, stammered.

"You didn't get it from being a mistress, do you?" Jean asked, she stared suspiciously at Soo Yin.

"Of course I don't! Do you think I have no pride?" Soo Yin asked.

"Your face is so funny hahaha," Jean said while laughed. Felt funny because Soo Yin was provoked by her joke.

"Ah, you're so annoying, Jean!" Soo Yin chased after Jean who was jogging. Tried to hit her with a broom.

From a distance Manager Han was furious to see the two girls joking. Made him wanted to scold them. He stepped quickly to approach them.

Noticing Manager Han's distant gaze, Jean and Soo Yin hurriedly resumed their activities to clean the hall.

There will be a hotel birthday party to be held tomorrow night. So that all workers were very busy to prepare everything.

The hall that will be used is on the lower floor which is directly connected to the hotel garden which is quite large. Usually used for wedding receptions or other big events.

Tomorrow night there will be so many guests coming. Hotel guests will also be invited to party events.

Every year The Shilla Seoul Hotel always held a big party to commemorate the history of the hotel.

"Have you prepared the clothes that will be worn tomorrow?" Jean asked with an enthusiastic face.

"What for?" Soo Yin asked as she kept moving the broom handle.

"Tomorrow there will be so many invited guests, of course from among businessmen. We have to appear attractive in case there are young entrepreneurs who are interested," Jean said daydreaming.

"I'm not interested, maybe tomorrow I won't come," Soo Yin answered flatly.

"Why? Aren't everyone coming tomorrow? After all this is a party event that everyone is waiting for," Jean said, frowning. Not understanding Soo Yin's thought who was not interested in going to the party.

"I don't know, I'm very lazy to go. Tomorrow I'll excuse having stomachache," Soo Yin replied while rolling her eyes.

"Anyway, you must come! Poor Jae-Hwa if you're not coming. He'll be sad," Jean teased.

"By the way, has Jae-Hwa expressed his feeling?" Jean continued.

"What do you mean? To whom does Jae-Hwa wanted to spoke his feeling?"  
Soo Yin asked while staring at Jean.

"Doesn't he like you?" Jean asked.

"Ah, that's impossible," Soo Yin argued. Since she was in school, so many people have said that Jae-Hwa likes her. But until now Jae-hwa has never said anything.

"Hei, both of you! Can't you two work without playing around like that?"  
Manager Han snapped in a cold tone standing right behind them.

Soo Yin and Jean jumped in shock, releasing the brooms in their hands.  
Turning around while looking down at Manager Han. They had thought  
Manager Han had left and wasn't looking at them anymore.

"Sorry, Sir," Jean and Soo Yin replied in unison.

"Do good work if you don't want to be fired!" Manager Han sarcastically said  
with a lopsided smile.

"Especially you, Soo Yin!" Manager Han said while pointing at Soo Yin's face  
with his finger.

Soo Yin just nodded slowly. Felt everytime she met Manager Han, she always  
got into trouble.

"Oh, I almost forgot! Hurry up and go to Mr. Dae Hyun's office," Manager Han  
snapped at Soo Yin. Almost forgot the purpose he came here was to find that  
girl.

"What for?" Soo Yin asked.

"Don't ask too much!" Manager Han immediately left Soo Yin and Jean.

"What's going on?" Jean who was curious asked as soon as Manager Han was out of sight.

"I don't know." Soo Yin replied while shrugging her shoulders.

#### Chapter 30 - 30 - Divorce

Soo Yin immediately rushed to Dae Hyun's room on the 10th floor. While she was in the elevator, Soo Yin just wondered why Dae Hyun called her.

Suddenly the thought that Dae Hyun was going to divorce her crossed her mind.

Her heart suddenly stopped beating. Shouldn't she be happy if the man did that? However, Soo Yin felt different now.

After being at the front of the room, Soo Yin knocked softly on the door with no enthusiasm. There was fear when she thought that Dae Hyun will divorce her.

"Come in!" Dae Hyun said without turned his head towards Soo Yin. He was busy checking some important documents on his desk.

Soo Yin walked cautiously towards Dae Hyun's table.

"Sit, please fill and sign this file." Dae Hyun handed a red map to Soo Yin.

Soo Yin just stared at the red map without any intention of opening it. Cold sweat escaped her body.

'Is Dae Hyun really going to divorce me?' Soo Yin muttered to herself with sadness. Even though that was what she really wanted, but when Dae Hyun granted her wish, it was undeniable that his heart was hurt.

"Open it," said Dae Hyun, looking at Soo Yin who was silent.

Without asking what was in it, Soo Yin has guessed that it must be the divorce papers. Soo Yin reached out to open the folder shakily.

Soo Yin then took out the pen that was available on the table. After reading a few sentences, they were not divorce papers at all. It is a job application file to become a secretary.

"What is this?" Soo Yin asked with a curious face.

"Starting from tomorrow you will be the secretary," Dae Hyun replied, looking at Soo Yin's eyes.

"What?" Soo Yin just stared, unsure about what she has heard.

"Sorry, I haven't been home these days because of so many things I have to do." Dae Hyun stretched out his hand to grab Soo Yin's fingers on the table.

"I thought you're going to divorce me," Soo Yin said quietly.

"What do you mean?" Dae Hyun who only faintly heard Soo Yin's words asked.

"Ah, nothing." Soo Yin pulled her hand from Dae Hyun's grasps.

"But I don't know what a secretary does," Soo Yin said with a sparkling expression.

"That's okay, I will help you. Sooner or later, you will get used to it," Dae Hyun said while staring at Soo Yin. Three days of not seeing the girl made him miss her so much.

There was a sense of excitement as well as not understanding why Dae Hyun told her to be his secretary. But without any thought, Soo Yin immediately filled out and signed the papers.

"Dae Hyun, I'm sorry all this time ...." Before she could finish her words, suddenly the door opened.

Soo Yin turned around, it turned out that a beautiful woman has come. None other than Dae Hyun's first wife

Eri's body is slim, tall, her skin is smooth as smooth as cotton. No wonder Aeri starred in so many beauty and cosmetics commercials. Not only men, every woman who saw her would feel jealous.

Soo Yin did not blink her eyes when she saw Aeri, so amazed by the beauty the woman has. This is the first time she saw Aeri this close.

"Hey, Baby," Aeri said as she walked towards Dae Hyun. Then she kissed Dae Hyun's cheeks consecutively.

Soo Yin regained consciousness then immediately looked away to look the other way, her chest cavity felt tight when she saw the two of them hugging and kissing each other on the cheek.

"What are you doing in here?" Dae Hyun asked dryly.

"Should there be a need if I went to see my husband?" Aeri said in a spoiled tone.

"Of course not." Dae Hyun smiled as he glanced at Soo Yin who was still sitting. He feels bad about Soo Yin. But Dae Hyun did it on purpose to find out about Soo Yin's feelings.

"Hey, I'm Aeri, Dae Hyun's wife." Aeri reached out her hand to shake Soo Yin hand.

"I'm Soo Yin." Soo Yin also reached out her hand. Felt that Aeri's skin is really smooth and soft.

"Do you work at this hotel?" Aeri asked.

"She is my new secretary who will replace Eun Bee," Dae Hyun said.

"Hope you can help lighten my husband's work because Eun Bee is very good at doing her job," Aeri who took Dae Hyun's arm and stroked his face said.

Dae Hyun tried to get Aeri's hand off of his arm. Right now he was really afraid that Soo Yin will get hurt even though he didn't know exactly how that girl felt.

Soo Yin clenched his fists which were under the table. Tried to hold back the feeling of wanting to vomit when she watched the romantic scene between the husband and wife in front of her.

"Excuse me, I have to go." Soo Yin immediately stepped outside without looking back. She really felt confused by what she was feeling right now. There was no need to be angry with Aeri for being spoiled, they were husband and wife after all.

Soo Yin also felt inferior to Aeri who was very different from her. Even though she was on her thirty, Aeri was very concerned about her appearance.

Dae Hyun just silently watched Soo Yin slowly lost behind the door. Never expected that Aeri would suddenly come. Now he can only surrender if Soo Yin will hate him even more. But he won't give up.

"Baby," Aeri called when she saw Dae Hyun thoughtfully as he looked towards the closed door.

"Aeri, I have to back to work. You can go if there's nothing important anymore," Dae Hyun said as he checked the documents on his table.

"Did you forget? Today we're going to choose the clothes that will be worn tomorrow. I also invited Jo Yeon Ho," Aeri said.

"I will follow soon. You two can go first," Dae Hyun said.

"Alright." Aeri immediately get out of Dae Hyun's office.

Dae Hyun rubbed his face with both hands. He took his cell phone which is in the drawer. Immediately called Soo Yin's cell phone number but the girl did not answer.
