

HIDDEN WIFE : BEST HUSBAND

Chapter 41 - 41 - Horrible

Pyeongchang-dong Villa.

As soon as they arrived the villa, Soo Yin immediately cleaned her body in the bathroom. The memory of how Lee Joung Youn forcefully touched her body made the girl felt disgusted.

To get rid of it all, Soo Yin soaked in a bath up using aromatherapy soap to make her more relaxed.

In the outside, Doctor Kang was busy cleaning Dae Hyun's wound with alcohol so that it wouldn't get worse.

Sometimes, Soo Yin can hear Dae Hyun screamed in pain. So she immediately finished her bath by poured herself into the shower. Then changed clothes and dried her hair.

Soo Yin rushed out of the bathroom to find out what was going on.

Soo Yin immediately sat beside Dae Hyun who was lying on the bed. Glanced at his body which was currently shirtless. Observing the man's face which was covered in sweat from enduring the pain. She also felt horrified when she saw the wound which turned out to be quite deep. No wonder his arm continued to bleed quite a lot.

Dae Hyun's face was bruised in several parts. His eyelids also blackened in the blow. His nose was bleeding earlier but it was dry. The corners of his lips were also injured.

"Arghh!" Dae Hyun shouted, enduring the pain as Doctor Kang sewed up his arm.

Soo Yin grabbed Dae Hyun's arm. Wipe it gently. Can not bear to see him continue to moan in pain.

"Doctor Kang, what happened? Did you forget to put him on anesthetic?" Soo Yin asked Doctor Kang.

"This is so that the wound dries quickly so I only gave him a low dose of anesthetic," Doctor Kang replied as he continued to sew Dae Hyun's arm.

"Sorry, because of me you got hurt like this." Soo Yin lowered her head, feeling very sad. If she were careful and didn't just trust new people, nothing would have happened.

"Shhh, it's not your fault. I should be the one who apologizing. If I hadn't forced you to the party, this wouldn't have happened." Dae Hyun held Soo Yin's hand gently so that the girl wouldn't felt anxious anymore.

"No need to worry, Dae Hyun is much stronger than you think," said Doctor Kang, who had finished carrying out his duties.

"I'll excuse myself because it's already late at night," Doctor Kang said as he looked at his watch which was already two o'clock in the morning. If it wasn't Dae Hyun who was injured, he wouldn't have come at this late.

"Thank you, Doctor Kang," Soo Yin said, escorting him to the front door of the room.

Aunt Xia entered carrying warm water to clean the bruises on Dae Hyun's face. When she was about to clean his wound, Soo Yin reached out to take it.

"Ahjumma, let me do it. Ahjumma better rest because it's late at night," Soo Yin said with a smile.

Aunt Xia only nodded her head. There was a feeling of confusion because Soo Yin was acting unusual. But she was very happy about it. Auntie Xia

chose to immediately leave the room, not wanting to disturb them. Can only hope that Soo Yin has changed and was willing to accept Dae Hyun.

Soo Yin started to clean Dae Hyun's face slowly. Clean the blood stain that has dried on the corner of his lips.

Dae Hyun continued to stare at Soo Yin's beautiful eyes. Really more and more fascinated by it. He really felt happy because the girl cares for him. Really hope that Soo Yin will continue like this.

They stare at each other for a moment. Until Soo Yin's face flushed in embarrassment.

"I'm very happy that you are beside me right now," Dae Hyun said honestly. Extended his hand to lightly touch Soo Yin's cheek then rubbed it.

Soo Yin was silent while looking at Dae Hyun. Her hand was still on the man's face.

"Arghh." Dae Hyun felt his wound hurt because Soo Yin was pressing too hard on him.

"Ah, sorry. I really didn't mean it," Soo Yin said, frantically afraid to hurt his face even more.

"I'm fine," Dae Hyun said with a smile.

"It's getting late, you better rest." Soo Yin put down the basin filled with warm water, placed it on the table. She was about to get out of bed but Dae Hyun grabbed her wrist.

"Do you need anything?" Soo Yin asked while frowning.

"Can you get me some clothes?" Dae Hyun said.

"Okay." Soo Yin forgot that Dae Hyun was still shirtless.

Soo Yin picked up a short shirt that was slightly loose so the sleeves could easily fit in. Because his right arm is bandaged.

Soo Yin shyly helped Dae Hyun get dressed.

"Where are you going?" Dae Hyun asked when he saw Soo Yin about to leave.

"I'll sleep on the sofa," Soo Yin said with a smile.

"Sleep beside me, at least for the night." Dae Hyun patted the pillow beside him which was still empty.

Soo Yin lowered her head while biting her lower lip.

"Come here," Dae Hyun said softly.

Finally Soo Yin climbed back into bed. Slowly lied down beside Dae Hyun. Her heart was pounding because she had never slept this close to a man. She didn't dare to face Dae Hyun, so she chose to turned her back on him.

HIDDEN WIFE : BEST HUSBAND

Chapter 42 - 42 - Kiss

Soo Yin woke up when she felt something coiled in her stomach. Groping it turned out to be Dae Hyun's hand who was still asleep. Soo Yin could feel the exhale that hit his neck. So tickled the hair on her neck..

Slowly Soo Yin tries to let go of Dae Hyun's hand, but the man tightens his hug even more. Soo Yin's heart was beating wildly.

"Don't go, let it be like this for a moment," Dae Hyun said in a hoarse voice while placing his face on Soo Yin's shoulder.

Soo Yin didn't move. She tried to catch her breath to stay calm. Didn't think that Dae Hyun was awake.

Dae Hyun turned Soo Yin's body so that they face each other. The roar of their breath chasing each other. Dae Hyun held his wife's chin, staring at the lush lips that were so seductive.

"Soo Yin, may I" Dae Hyun didn't dare to continue. It wouldn't be right to ask this time. Moreover, Soo Yin was just being nice to him. Maybe he has to be more patient if he don't want to make Soo Yin hate him again.

Soo Yin can read Dae Hyun's mind from the look in his eyes. So that she immediately landed her kiss on Dae Hyun's lips gently.

Dae Hyun widened his eyes. He can't believe Soo Yin kissed him. A big smile immediately appeared on his face. Then hugged the girl very tightly. Dae Hyun can hear Soo Yin's heart beating so fast.

Dae Hyun cupped Soo Yin's face with his hands. It turns out that Dae Hyun landed a kiss on Soo Yin's sweet lips. The taste is so sweet that the man didn't want to end it. Continued to deepen the lichen to make it difficult for Soo Yin to breathe.

Soo Yin, who was silent before, starts to offset Dae Hyun's kiss. Their tongues danced to each other.

"Stop it, I can't breath," Soo Yin said, her breath was raging. Then pushed Dae Hyun's body because it felt tight. Also felt her lips which felt sore and swollen.

Dae Hyun allowed his wife to catch her breath. Really don't think that girl did it first. Even though he was afraid that Soo Yin would refuse.

As Dae Hyun was about to do it again, suddenly a rumbling sound came from Soo Yin's stomach.

"Are you hungry?" Dae Hyun asked.

Soo Yin nodded her head. Just remembered that she had not eaten since yesterday.

"Let's get up, I don't want to make you sick because of kissing with me," Dae Hyun teased as he got up to sit down.

"Soo Yin, thank you," Dae Hyun said, smiling at his wife's beady eyes.

Soo Yin just replied with a smile. Her face felt hot and flushed with shame. She really didn't want to admit that she now starting to have more feelings for Dae Hyun.

Soo Yin immediately rushed to the bathroom to clean up. She saw her face in the mirror, her hand touched her lips which were swollen and red. Dae Hyun's kiss was quite rough for her.

After half an hour Soo Yin finally finished.

"Where are you going?" Dae Hyun asked when he saw Soo Yin about to step out of the room.

"Didn't you say I had to have breakfast? I was already feeling really hungry. What's wrong?" Soo Yin asked while knitting her eyebrows.

"Will you help me?" Dae Hyun just asked back.

"I can't use my other hand. Will you help me to take a shower?" Dae Hyun asked.

Soo Yin widened her eyes, staring at Dae Hyun with a sharp gaze. Even though she has done good to him at this time, that didn't mean she wanted to do that. Too horrified to imagine.

"Take a shower yourself!" Soo Yin immediately ran out of the room.

"Soo Yin, you really have the heart!" Dae Hyun shouted but Soo Yin had disappeared behind the door.

Dae Hyun stepped into the bathroom. His body ached all over, so he felt pain when moved. He only washed his face because he could not take off his shirt.

HIDDEN WIFE : BEST HUSBAND

Chapter 43 - 43 - Hot

Soo Yin headed to the kitchen. There was Aunt Xia who was preparing a menu for breakfast. She was cleaning the ingredients to make Bibimbap while humming.

"What did Ahjumma cook for breakfast?" Soo Yin asked, who was already behind her.

Aunt Xia was shocked by Soo Yin's sudden arrival. She was cleaning some ingredients under running water.

"I will make Bibimbap, Mr. Dae Hyun's favorite food," Auntie Xia said.

Soo Yin suddenly thought about preparing breakfast for Dae Hyun. Incidentally today she's not going anywhere. She wanted to learn to be a good wife, even though she was not sure she can do it.

"Ahjumma, just let me prepare everything," Soo Yin said.

"No, Miss. You better wait at the table," Aunt Xia said politely. It was not that she didn't want to let Soo Yin cook, but a little doubt that Soo Yin can do it.

"Yes, it's okay. Ahjumma can do something else," Soo Yin said as she pushed Auntie Xia away.

Aunt Xia obeyed Soo Yin's request to leave. Allowing the girl to prepare. This was the first time Soo Yin wanted to prepare breakfast for Dae Hyun.

Soo Yin looked for a recipe for how to make Bibimbap on her cell phone. Follows every step of the way.

It didn't take long before Soo Yin started setting the two bowls of Bibimbap on the dining table. One bowl of Bibimbap contains stir-fried meat, boiled vegetables, seaweed, sliced raw vegetables and also a half-cooked egg placed in the middle. To complement the taste, Soo Yin also adds hot chili paste, soy sauce and soybean paste.

Dae Hyun, who had just come to the dining table, immediately wanted to eat the dishes that were already available. Looks very tasty and appetizing.

"Did you make it?" Dae Hyun asked as he sat on the chair.

"Ah, I'm just continuing Ahjumma's work," Soo Yin said while scratching her head which didn't feel itchy.

Soo Yin observed Dae Hyun who was still wearing the shirt from last night. The pants haven't been replaced yet. Feeling suspicious that Dae Hyun hasn't cleaned up.

"You didn't shower?" Soo Yin asked.

"Didn't I say that I couldn't do it myself? My arm still ached," Dae Hyun said.

"You're so dirty!" Soo Yin said while pretending to cover her nose.

"Then after we have breakfast you have to help me," Dae Hyun said.

"Hurry up and eat," Soo Yin said to change the subject while handing him chopsticks and spoon. Can't wait to hear comments about her cooking. Really hope that it tastes good enough.

Dae Hyun started eating Bibimbap. Enjoyed the taste that was a little too salty. But It doesn't matter at all while Soo Yin was the one who cook. Happy finish the food.

Dae Hyun continued to enjoy it, so that Soo Yin won't be disappointed. But after a few chews his mouth started to burn. His throat felt hot. Couldn't take it anymore, Dae Hyun immediately took a glass filled with water and then drank it all.

Soo Yin hasn't tasted it yet. She felt something was wrong when Dae Hyun kept drinking. Her stomach was rumbling for food, so she joined in to taste. Just swallowed one bite, Soo Yin immediately spat out the food that was in her mouth. Her tongue was burning.

"It's so spicy!" Soo Yin cursed while looking at Dae Hyun.

Dae Hyun lowered his head, holding his stomach which was in a lot of pain. But tried to hold back.

"Dae Hyun, what's wrong with you?" Soo Yin asked, she was worried as sweat started pouring out of his face. She then walked over to him to confirm his condition.

"I'm okay," Dae Hyun said as he tried to stand up. But suddenly his body collapsed to the floor.

"Dae Hyun, wake up!" Soo Yin shook Dae Hyun's body in panic.

Dae Hyun didn't move. His eyes were now closed. Auntie Xia who heard Soo Yin's scream immediately rushed into the dining room to find out what happened.

"Miss, what happened to Mr. Dae?" Aunt Xia asked.

"I don't know, after eating he suddenly held his stomach like he was in pain," Soo Yin said with trembling hands.

"Does the food taste spicy?" asked Aunt Xia.

"Yes Ahjumma, my tongue also burns when I eat it," Soo Yin replied.

"This is bad! He can't eat too spicy." Auntie Xia was also worried about Dae Hyun's situation. She forgot to say that Soo Yin shouldn't put too much chili paste in his food.

"How about this? Dae Hyun, wake up!" Soo Yin shouted hysterically. Putting Dae Hyun's head on her lap. The man's face looked very pale.

"Dae Hyun, wake up!" Tears were pouring out of Soo Yin's eyes. Very afraid something happened to him.

"Get up, don't leave me!" Soo Yin shouted tearfully. Keep patting Dae Hyun's face to wake up.

Dae Hyun felt something trickle down his cheek. Opening his eyes slowly. Can't bear to see Soo Yin who kept crying. Dae Hyun just pretended to be unconscious to find out that Soo Yin was worried about him

"I'm not going to leave you," Dae Hyun said, smiling broadly.

"How outrageous! It turns out you lied to me." Soo Yin felt annoyed at being lied to. To vent it immediately pinched Dae Hyun's waist to teach him a lesson.

"Awww, it hurts," Dae Hyun said as he tried to avoid it but Soo Yin kept pinching him until his stomach really hurt now.

Dae Hyun immediately sat up, squeezing his stomach. Immediately go to the bathroom because he can't take it anymore.

"Ahjumma, is he really sick?" Soo Yin asked, she was already sitting on the chair.

"Soon Ahjumma will get some medicine for him." Aunt Xia hurried off to find the medicine box in the cupboard.

HIDDEN WIFE : BEST HUSBAND

Chapter 44 - 44 - I Love You

wind blows gently against Dae Hyun's face who was sitting under a pine tree. Enjoy the refreshing morning air because spring has started to come. The frozen flowers were now blooming.

It's been two days Dae Hyun has been at the Pyeongchang-dong villa. Not doing any activities at all, even though his condition has also started to improve. Wanted to spend more time with Soo Yin without anyone disturbing. If he didn't remember Jo Yeon Ho, he might not return to UN Village.

Soo Yin approached her husband carrying a cup of tea. Feeling curious about Aeri who seemed to have never contacted her husband for several days being in here.

"Dae Hyun, isn't Aeri looking for you?" Soo Yin handed Dae Hyun a cup of hot tea. She sat next to her husband.

"It tastes sweet like you," Dae Hyun said while sipping and sipping the aroma of the tea.

"Why didn't you answer my question?" Soo Yin snorted in annoyance. Several times asked about it but Dae Hyun never intended to answer it.

Dae Hyun took a deep breath. Not sure how to explain everything to Soo Yin. So far, he has never loved Aeri. The marriage was only by accident.

"I've told Assistant Chang to say that I'm in the middle of my honeymoon with my wife," Dae Hyun said as he looked at Soo Yin with a smile.

"I'm serious!" Soo Yin hit Dae Hyun's shoulder.

"I'm even very serious," Dae Hyun said.

Soo Yin supported her face with one hand, making a sullen face in annoyance. Dae Hyun actually answered with a joke.

Look at the expression on his wife's face. Dae Hyun was very excited to see it. He wanted to pinch her cheek.

Cup

Dae Hyun kissed Soo Yin's cheek. Suddenly the girl was shocked so that reflex hit her arm, causing Dae Hyun to moan in pain.

"Ah, sorry," Soo Yin said while blowing Dae Hyun's injured arm.

Dae Hyun smiles seeing Soo Yin so concerned about him. Never expected to be so worried about him.

"Aeri is going overseas. I've told Assistant Chang to represent me at the hotel." Dae Hyun leaned his back on the chair.

"And she didn't suspect that you never came home?" Soo Yin asked.

"She hasn't been home very often since my son was five years old." Dae Hyun stared away remembering between him and Aeri who rarely seen each other. Since getting married Aeri has changed a lot compared to before.

"So that's why you married me?" Soo Yin wondered why Dae Hyun wanted to marry her even though he never knew her before.

"No. I married you because I loved you so much since the first time we met." Dae Hyun stared into Soo Yin's eyes.

"Crap," Soo Yin said with a smile. It cannot be denied that she felt happy when he heard it. But she didn't know how many times Dae Hyun kept saying it for the past two days.

"You always don't believe in me," Dae Hyun said.

"Then what about your parents? Aren't they looking for you too?" Soo Yin changed the subject.

"Hmmm, they currently live in Japan. Only occasionally they return to Korea. Don't you want to visit your in-laws to Japan?" Dae Hyun teased.

Soo Yin rolled her eyes. Annoyed that Dae Hyun's answers were always vague. Soo Yin got up from her seat about to step her foot to leave but her wrist was pulled so that it made her unbalanced. Immediately fell on Dae Hyun's lap.

Dae Hyun stared into Soo Yin's eyes. Can hear Soo Yin's heart pounding. Wiping her lips with his thumb. Looking at her like that made Dae Hyun couldn't stand it. Without asking permission, Dae Hyun immediately landed a soft kiss on his wife's lips.

Soo Yin didn't refuse the kiss. Enjoying Dae Hyun's tongue game dancing in her mouth. Soo Yin put her hand around Dae Hyun's neck to hold on.

Derrt ... Dertt ... Dertt ...

'Shit,' Dae Hyun thought when he felt his cell phone vibrate in his pocket. Dae Hyun was forced to end the kiss.

"Sorry, someone called me," Dae Hyun said as he reached into his pocket.

Soo Yin didn't answer. Chose to immediately got off Dae Hyun's lap. Ran into the room without looking back. The game earlier made her body feel hot.

Dae Hyun checked his cell phone. It turned out that it was Jo Yeon Ho who contacted him.

"Hello, honey. What's wrong?" Dae Hyun asked while stroking his hair.

"I miss Mom and Dad. When are you two coming home?" Jo Yeon Ho asked on the other side of the phone.

"Dad misses you too," Dae Hyun said. Almost forgot that he had not seen his son in two days.

"If you miss me, why don't you come home?" Jo Yeon Ho asked.

"Hmm, maybe tomorrow Dad will come home," Dae Hyun replied.

"I'm bored at home. I want to take a walk," Jo Yeon Ho said.

"Okay, tomorrow we'll go for a walk. Where do you want to go?"

"I want to go somewhere," Jo Yeon Ho said.

"Just wait. At home, tomorrow Father will pick you up." Dae Hyun immediately turned off the line. It was very difficult for him to refuse Jo Yeon Ho's invitation.

Dae Hyun immediately followed into the villa. Looked for her in the living room but she was not there. Then look for her in the room. It turned out that there was a sound of water gurgling from the bathroom.

Knock ... knock ... knock

Dae Hyun knocked on the door to make sure Soo Yin is inside. But no answer at all. The bathroom was audible no one showered. Dae Hyun was worried because he heard the sound of water flowing earlier but now it disappeared. Dae Hyun turned the knob firmly. Keep trying to open until finally with all his might Dae Hyun collided his body at the door.

HIDDEN WIFE : BEST HUSBAND

Chapter 45 - 45 - Taking A Bath Together

Brak ...

The door was successfully broken down by Dae Hyun. Causing his body to fall on the bathroom floor.

Soo Yin who was soaking in the bath up widened her eyes. Remove the earphones that cover her ears. Earlier she was listening to music so she didn't hear when Dae Hyun called her.

"What are you doing?" Soo Yin shouted, she did not move from the bath up. Currently, she was not wear a single thread so that it was not possible for her to get up. Luckily the bath up was filled with so much foam that Dae Hyun couldn't see her body.

"Honey, help me," Dae Hyun said, wincing in pain. The wound on his arm was sore again.

"I don't want to, get out of here quickly!" Soo Yin said firmly."

"Honey, how could you be," Dae Hyun said while trying to stand up.

"Who told you to break the door anyway," Soo Yin said.

"I thought something's wrong with you, because when I called you you didn't answer at all." Dae Hyun walked over to the bath up.

"I'm listening to music, I can't possibly hear you," Soo Yin said while removing the earphones that were still stuck to her other ear.

"You should have told me so it wouldn't worry me," Dae Hyun said.

"Stop there and don't come near! Get out now!" Soo Yin shouted furiously. Extended her hand to grab the towel but she couldn't reach it.

"I will go but there are conditions." Dae Hyun smiled crookedly as he folded his arms across his chest.

"What are the conditions?" Soo Yin asked.

"You have to help me take a shower," Dae Hyun said, smiling mischievously.

"No, I won't!" Soo Yin glared at Dae Hyun.

"Then I'll stay here until you're done," Dae Hyun said casually.

"Ah, okay, hurry up and get out right now!" Soo Yin's face flushed between holding back anger and embarrassment.

"I'm holding on to your words, Honey. Don't take too long because I'm already feeling hot." Dae Hyun winked one eye.

He wanted Soo Yin to hit Dae Hyun with a rock to get out of the bathroom quickly.

"All right, but get out of here right now!" Soo Yin really ran out of patience. She wanted to soak longer so that her body felt more comfortable. Didn't turn out like this.

Soo Yin dragged her feet lazily following Dae Hyun's steps into the bathroom. The girl wanted to cry this very second. Even though she has been able to dodge it several times, now she was trapped. Meanwhile, Dae Hyun casually has no shame.

"Honey, why are you silent? Please help me take off my clothes." Dae Hyun looked at Soo Yin who was still standing in the middle of the door.

"Why don't you just do it yourself?" Soo Yin said with a sullen and reluctant face.

"Didn't you promise earlier? It's also because of you that my arm is like this," Dae Hyun said.

"Even though it's his own fault, but why even blame me. As if I did it," Soo Yin muttered as she walked unsteadily.

Soo Yin started to help take off Dae Hyun's shirt while turning her face away. Don't dare to look at it because she felt embarrassed. After that, immediately prepare the water in the bath up. Don't forget she also add soap to it.

"What do you want?" Soo Yin asked when she saw Dae Hyun was about to take off his pants.

"Of course take it off. You think I should wear trousers like this in the shower." Dae Hyun took off his pants and wore only shorts.

"Take a quick bath, if you don't want me to go!" Soo Yin covered her eyes with both hands and didn't dare look at Dae Hyun.

"Why are you covering your eyes? Isn't it natural that a husband and wife bathe together," Dae Hyun said.

"I'm embarrassed," Soo Yin said honestly.

Soo Yin was so cute and adorable. If his arm hadn't been injured he might have forced her to bathe with him.

"Open your eyes, I've been soaking," Dae Hyun said.

Soo Yin first peeks through between his fingers to make sure Dae Hyun isn't lying. It was true what he said.

Soo Yin started rubbing Dae Hyun's back. Do it a little forced. Dae Hyun really enjoyed the gentle massage on his head. Makes his head feel light and comfortable. While occasionally glancing at Soo Yin who is so serious about doing her job.

Splash ...

Dae Hyun grabbed Soo Yin's body causing her body to fall into the bath up with him. The bath up was large enough to fit both of them.

"Arghh, why did you pull me?" Soo Yin struggled to stand up but Dae Hyun hugged her tightly from behind. Put his hands around Soo Yin's stomach.

"Stay here, honey," Dae Hyun whispered in Soo Yin's ear. Then slipped his head around his wife's neck. Her breath exhales a swish effect all over Soo Yin's body, making the girl stop rebelling.

Dae Hyun played his tongue against Soo Yin's earlobe. Tracing every curve of Soo Yin's ear with his mouth. Soo Yin tried to hold back her feelings by gripping Dae's thighs firmly.

Knowing Soo Yin has gotten carried away into his game. Dae Hyun rest Soo Yin's head on his arm to easily see her face. Immediately devouring the sweet lips that he always wanted.

Soo Yin's breathing was irregular with a strange rustle tickling her body. Makes Soo Yin want to bite Dae Hyun's lip to hold back the feeling.

Dae Hyun's naughty hands unbutton Soo Yin's shirt one by one. Run his hands into her clothes. Immediately making Soo Yin's body trample but the girl tried to hold it back.

When Dae Hyun's hand was about to touch the twin mountains, Soo Yin's hand suddenly grabbed him. The girl refused by shaking her face.

It's not that she doesn't want to do it, but Soo Yin's mind comes back to the memory of her mother being ridiculed as a seizer of other people's husbands.

HIDDEN WIFE : BEST HUSBAND

Chapter 46 - 46 - Really Love You

Soo Yin doesn't want this to happen to her life, especially as she is only Dae Hyun's second wife. Everyone will definitely think of her as a flake too.

"Why, dear?" Dae Hyun asked with a pitiful face.

"It's not the right time yet," Soo Yin said while looking at the man who had become her husband.

"Aren't you sorry for me?" Dae Hyun asked with a shady gaze.

"Prove it first that you really love me. Cup ... Cup" Soo Yin kissed Dae Hyun's lips for a moment and then got up. Change her wet clothes using a towel.

Soo Yin doesn't want to do it because there is no guarantee that Dae Hyun will not leave her one day. Just wanted to do it after Dae Hyun really loved her and wasn't just lust. Don't want to end up like the woman out there who was abandoned by her partner after being taken away from her honor.

Dae Hyun just looked down languidly, not wanting to force the girl he loves. Wiped his face in a huff then sank his head into the bath up. Really want to drown right now.

oooooooooooooooooooooooooooooooooooo

Soo Yin rushed to the kitchen after changing clothes. As a result of Dae Hyun's behavior earlier, he had to bathe twice.

"Will you prepare the food?" Aunt Xia asked.

"Ah, no ... no, I just wanted to see Ahjumma." Soo Yin was still traumatized by the incident the other day where she put too much chili paste.

"You can learn more now to cook," Aunt Xia offered.

"You can do it because I don't like cooking." Soo Yin helped put some menus that are ready to put them on the dining table.

Soo Yin was mesmerized when she saw a purple scenery on the hill through the glass window in the kitchen. Although far away but very beautiful to see. It was like a flower garden.

"Ahjumma, what garden is there? It looks very beautiful!" Soo Yin who was amazed asked.

"Over there is a garden of Lavender Flowers. It's so beautiful in a spring like this," Auntie Xia said.

"Do you want to go there?" Dae Hyun just came and hugged Soo Yin's body from behind.

"Dae Hyun, you startled me." Soo Yin tried to get away from her husband's arms. Feeling embarrassed that Auntie Xia was there.

"Let's go there, I want to spend this vacation with you." Dae Hyun didn't let go of his arms. He is in the mood to enjoy moments like this with Soo Yin.

"But it seems quite far from here," Soo Yin said.

"It doesn't matter, as long as you are with you everything that is far away will feel closer when we pass," Dae Hyun said.

Soo Yin pinched Dae Hyun's waist. She really felt ashamed of Aunt Xia. That middle aged woman must be thinking strange. At first she was here trying to escape but now she's making out in front of her.

Soo Yin glanced at Auntie Xia who was slicing vegetables. Her face looked smiling.

"You must think I'm a strange girl, right?" Soo Yin asked looking at Aunt Xia who kept smiling.

"Ah, of course not. Miss is not a strange girl," Aunt Xia said as she looked at Soo Yin with a broken smile.

"You must be thinking why I should hate Dae Hyun first if I love him in the end?" Soo Yin narrowed her eyes.

"So you love me already?" Dae Hyun turned his wife around.

"Ah ... No .. I don't love you." Soo Yin's face flushed red because she felt the wrong way to speak.

"Quickly say that you love me, once again," Dae Hyun asked.

"I don't want to, I don't love people who are married and old like an uncle." Soo Yin turned around pretending to frown.

"You bad girl!" Dae Hyun lifted Soo Yin's body.

"Put me down, doesn't your arm hurt?" Soo Yin asked.

"It hurts so much when I am away from you," Dae Hyun whispered and then kissed Soo Yin's lips briefly and then placed her on the dining table.

Aunt Xia who saw their intimacy felt very happy because Soo Yin finally accepted Dae Hyun as her husband. LAfter all, Auntie Xia chose to go outside. Don't want to disturb the closeness of the two of them.

"Dae Hyun, I'm so hungry. Do you want me to starve to death?" Soo Yin said while pushing Dae Hyun's body so dhe could get down then walked to the chair.

"Sorry dear." Dae Hyun pulled the chair Soo Yin was going to sit behind. Immediately bring the food into his wife's plate. Soo Yin didn't think that Dae Hyun could be so caring.

"Open your mouth, are you full just to see my face?" Dae Hyun thrusts the spoon filled with food into Soo Yin's face.

But Soo Yin was currently smiling to herself while looking at her husband's face. Without realizing it, she was already fascinated.

"Let me eat alone." Soo Yin immediately turned away her blushing face. Extended her hand to grab the spoon but Dae Hyun didn't give it.

"Let me prove what I said that I really love you," Dae Hyun said.

Soo Yin was speechless hearing Dae Hyun's words. Finally opened her mouth, chewing food slowly.

Soo Yin grabbed the spoon that was in Dae Hyun's hand.

"You should eat too," Soo Yin said. In turn, she fed Dae Hyun.

"Soo Yin, keep acting like this. Trust me, if I really love you," Dae Hyun said while staring at Soo Yin's sparkling eyes.

"Yes, I trust you," Soo Yin whispered in her husband's ear.

"So can we do something?" Dae Hyun asked. Still hoping the girl will change her mind.

"No, I don't want to do that one yet." Soo Yin already knew what her husband was thinking.

"Hmmm, alright. I'll hold back my feelings until the time comes," Dae Hyun said languidly. Looks like he has to wait quite a while longer.

HIDDEN WIFE : BEST HUSBAND

Chapter 47 - 47 - Only Me

Early in the morning, Assistant Chang has called Dae Hyun's number several times. But the owner seems reluctant to answer it.

And after several times, finally Dae Hyun answered Assistant Chang's call.

"What's the matter? Why have you contacted me so early?" Dae Hyun's said in a hoarse voice waking up. His eyes glanced at Soo Yin who was still fast asleep.

Soo Yin's head rests on Dae Hyun's left arm for cushion.

"I just remind you that today you should meet with Mr. Peter Anderson, Sir," Assistant Chang said over the phone.

"Can't you do it?" Dae Hyun who was annoyed asked. Actually he still wanted to enjoy the holidays even longer.

"Sorry, Sir. Mr. Peter Anderson would like to see you in person. We must also pick him up at the airport," Assistant Chang replied.

"All right, soon pick me up!" Dae Hyun said, not wanting to talk to Chang Yuan for too long on the phone.

"Yes, Sir."

Dae Hyun immediately turned off the phone call. Put the cell phone back on the nightstand. He smiled happily when he saw Soo Yin who was now beside him. Even though he was already in a relationship with Aeri, this was the first

time that he can fall in love again after his first love. Even patiently didn't force his will.

'How happy it would be if I met you first,' Dae Hyun thought as he smoothed the hair covering his wife's face.

'It's not possible, because you must be too young when I married Aeri,' Dae Hyun thought. Remember that their age difference is very far. No wonder Soo Yin sometimes calls him 'uncle'.

Dae Hyun slowly puts Soo Yin's head on the pillow. The girl was a little annoyed by stretching but soon fell back asleep. Now she actually wrapped her hands around Dae Hyun's body.

At first Dae Hyun wanted to wake up but didn't. If he let go of her hand it will definitely disturb Soo Yin's sleep. Finally he chose to hug his wife's small body in return.

Soo Yin blinked and rubbed her eyes when she saw someone staring at her.

"Did you sleep well?" Dae Hyun asked with a smile.

"Hmm." Soo Yin nodded her head. Immediately pulled her hand that was wrapped around Dae Hyun's stomach.

Dae Hyun grabbed Soo Yin's hand then kissed the back of her hand.

"Don't be embarrassed, I'm happy when you hug me," Dae Hyun said with a wink.

Soo Yin's face immediately turned red. Can't stop thinking about her current self who was fascinated by Dae Hyun. Even though she didn't want to admit it yet.

"Are we going to work today?" Soo Yin asked, trying to change the subject.

"Assistant Chang said that Mr. Peter Anderson wanted to see me in person," Dae Hyun said with a sigh.

"It's okay. I'll come later, but I'm not sure I can do my job well," Soo Yin said. She didn't even understand the work of a secretary at all.

"You don't have to do anything. You just need to be beside me so we have more time together," Dae Hyun said as he cupped Soo Yin's face with his hands.

"What if I mess up your job?" Soo Yin asked.

"Your presence might make me not focus," Dae Hyun said while pinching his wife's nose.

"Ouch, it hurts." Soo Yin held his nose.

Dae Hyun kissed Soo Yin's lips briefly then immediately got up. He was afraid that he could not hold back his desire anymore. After all he was a normal man.

Soo Yin was confused what kind of clothes she should wore. She has tried several clothes on, but still didn't fit her well. Soo Yin thought, it looked like she needed much more modest clothes. Because the clothes that are on the dressing room mostly very revealed on her body. Made her felt uncomfortable.

Dae Hyun entered the dressing room following Soo Yin, he was already wearing work suit. Only the tie still slung over his shoulders. Dae Hyun massaged his forehead when he saw Soo Yin still picking clothes.

"You are not yet ready?" Dae Hyun asked.

"Sorry, I don't know what to wear," Soo Yin said as she turned to her husband. Dae Hyun chose clothes that according to him appropriate. Actually everything looked good on his wife's body but he won't let Soo Yin wear sexy clothes.

"Everything looks revealing, I feel uncomfortable," Soo Yin said.

"Later we will buy clothes for you. I also don't want you to wear revealing clothes," Dae Hyun said while holding Soo Yin's shoulder.

"Then why do you buy minimalist clothes like those?" Soo Yin frowned.

"That can only be used when you're at home. Remember, only me who can see your body," Dae Hyun whispered.

"Okay, hurry out! I have to change clothes first." Soo Yin pushed Dae Hyun's body out of the dressing room.

Soo Yin immediately came out after changing her clothes. She wore a maroon blouse with a black skirt below the knee. Then walked over to Dae Hyun who was in front of the mirror while tidying his tie.

Soo Yin immediately stretched out her hand to grab the tie around her husband's neck. From now on she will learn to be a good wife.

"Thank you, Honey," Dae Hyun said.

"You better go first with Assistant Chang. I'll go with Chung Ho," Soo Yin said.

"No, we will go together. When we are close, you will be with Chung Ho later," Dae Hyun said, not agreeing if they departed separately.

"But" Haven't had time to argue but her hand has been pulled to follow Dae Hyun out of the room.

It was already late so Soo Yin chose to have breakfast in the car. Afraid they will be late. Besides, Soo Yin had told Auntie Xia to make food for them.

oooooooooooooooooooo

Assistant Chang thought that the present Dae Hyun was very different from the one he had known.

So far, never once did Dae Hyun act so spoiled to Aeri. When together they are indifferent. They only look romantic when in front of the camera and many people.

Assistant Chang only took a deep breath when he saw Dae Hyun and Soo Yin sitting in the back seat. They feed each other. Looks like a very happy couple.

Making Chang Yuan's single soul want to struggle. Actually, many women like him but he continued to refuse because he felt that there are not yet suitable.

If Dae Hyun wasn't his boss, he would have been scolded by him. From now on, he can only surrender and be patient. Pretending not to see the two of them who made his heart even hotter.

"Hey, Chang Yuan, don't peek. I'm sure you're jealous of us," Dae Hyun said in a flat tone. Since earlier, Chang Yuan had been watching them with a look of displeasure.

"Sorry, Assistant Chang, if we make you uncomfortable," Soo Yin said while glaring at her husband.

"It doesn't matter at all, Miss," Chang Yuan said as he drove the car. The boss this time really tested his patience.

Soo Yin shifted her body so that there was some distance between herself and Dae Hyun. The girl was sure that Chang Yuan would be uncomfortable if

he saw them sitting too close. Especially this morning Dae Hyun always acted spoiled by resting his head on her shoulder.

Dae Hyun frowned seeing Soo Yin sitting away. Immediately shifted his body to approach his wife so that there was no longer any distance between them.

"Dae Hyun, please step away a little." Soo Yin pushed her husband away. However, Dae Hyun pulled her hand until Soo Yin was on top of Dae Hyun's lap.

Dae Hyun didn't waste a chance. Immediately crushed his wife's lips even though Soo Yin tried to refuse.

"Ehmmm. Sir, will Miss Soo Yin stay in this car until the hotel?" Chang Yuan awakened the two of them.

Soo Yin immediately pushed Dae Hyun's body. Sit back right away.

"Assistant Chang, I'll just come down here," Soo Yin said while tidying up her messy clothes and hair. Really feel bad for Chang Yuan. Feeling that she was now getting insane.

"Honey, see you later," Dae Hyun said and about to hug Soo Yin, but the girl had turned to open the door and immediately walked out.

Soo Yin just waved his hand. Get into the car driven by Chung Ho.

HIDDEN WIFE : BEST HUSBAND

Chapter 48 - 48 - Looks Like Someone

This is Soo Yin's first day working as a secretary. Make her nervous. Moreover, today she was assigned to pick up Mr. Peter Anderson

with Chang Yuan and Hae Kang to the airport. Because Dae Hyun had to do something else so he couldn't participate.

Mr. Peter Anderson is a British entrepreneur. However, he often forget about traveling to Korea. He also lived for several years in Korea when he was young. For this visit, he planned to invest in The Silla Seoul Hotel.

Picking him up at the airport is one way so that Mr. Peter had a good impression and felt cared for. Because so many hotels in Seoul want to work with Mr. Peter Anderson. No wonder they have to work hard to win the competition.

"Miss, you seem nervous," Chang Yuan who had been seeing Soo Yin through the glass said. They are currently on their way to the airport.

"Hmmm, a little. I just not fluent in English. I'm afraid to mess things up," Soo Yin said honestly while turning to the side to see the road that was being passed.

Soo Yin seemed to see Aeri getting out of the car holding a man. Looked back to make sure it was Aeri or not but they were nowhere to be seen.

'It can't be Aeri,' Soo Yin thought because Dae Hyun said that Aeri might just return to Korea in two or three days. But Soo Yin was very curious about someone who was with Aeri. Like familiar even if only seen from behind.

"Miss, is there something wrong?" Chang Yuan asked when he saw Soo Yin who was back and forth looking back.

"Ah, no. I just like seeing someone I know but maybe it's just my feelings," Soo Yin said as she sat back down calmly.

"What should I do when I see Mr. Peter?" asked Soo Yin.

"Calm down, let Mr. Hae Kang take care of it later. You just need to smile to make a good impression," Chang Yuan said.

"Hmmm, all right."

It took about 45 minutes to arrive at Incheon International Airport. An airport located in west of the city center of Incheon (48 km west of Seoul city) which stands on the man-made land between the reclaimed Yeongjong and Yongyu islands. Has a modern architecture and is very impressive. An airport that has been named the cleanest and best airport in the world.

Soo Yin and Chang Yuan immediately joined Hae Kang who had arrived earlier. They picked up Mr. Peter Anderson through terminal two. Based on the information it will take up to ten minutes so there is no need to wait too long.

"We have to give a good impression," Hae Kang said to everyone who participated in welcoming Mr. Peter at the airport.

"Yes, Sir," All the members along with the bodyguards answered.

Not long after, Peter Anderson finally arrived with his entourage of five.

"Welcome to Korea, Mr. Anderson. I'm Hae Kang, representative of The Silla Seoul Hotel." Hae Kang greeted in English while bowing his body as a sign of respect.

"Thank you, Mr. Hae Kang. Thank you for bothering to pick us up," said Mr. Peter while smiling.

"No problem at all, Mr. Anderson. Sorry Mr. Dae Hyun couldn't pick you up in person," Hae Kang said.

"I understand he's always busy. I want one of you to go with me," Mr. Peter Anderson asked while staring at Soo Yin.

Soo Yin is shocked when everyone looked at her. Indeed she was the only woman among them. Her hunch said that she had to join a car with Mr. Peter.

"Let me come with you," Soo Yin said.

Soo Yin immediately followed Mr. Anderson's footsteps, get in the car he's in. Meanwhile, his men were partly with Hae Kang and Chang Yuan.

It is very quiet in the car because Soo Yin didn't know what to say. Never used to chatting with people she just met.

"Are you Dae Hyun's secretary?" Peter Anderson asked.

"Yes," Soo Yin said briefly while nodding his head.

"You still look very young," Peter Anderson said as he looked at Soo Yin. When he saw her for the first time at the airport, Peter felt that the girl looked very much like someone he knew very well.

Soo Yin just nodded and smiled back. Felt a little uncomfortable when the 55 year old man looked at her. Peter Anderson looked much younger than his age even though he has a lot of white hair. With facial wrinkles already visible. Most people thought he was 45 years old.

Soo Yin can breathe a sigh of relief as soon they have entered the hotel parking lot. Immediately bring Peter Anderson to Dae Hyun's room.

"Welcome back to Korea, Mr. Anderson," Dae Hyun said kindly as he greeted him.

"Nice to meet you again." Peter returned Dae Hyun's handshake.

Dae Hyun invited Peter Anderson to sit in his room. Having just arrived, it was impossible to talk about work matters. Meanwhile, Soo Yin just stood beside Dae Hyun who was sitting, afraid that they might need something.

"How was the trip, Mr. Anderson? I hope it's fun," Dae Hyun said as he poured a drink into a glass and handed it to Peter.

"Yes, it's very nice. It's all thanks to Miss Soo Yin," Peter Anderson said as he looked at Soo Yin then took a sip of his drink.

Soo Yin just smiled even though she didn't do anything. Even chatting for a while because she was not fluent in English. However, it was fortunate that Peter Anderson could understand Korean even a little.

"Thank you, Ba ... Soo Yin," Dae Hyun said as he looked at his wife. Almost blurted out calling her 'baby'.

"Sorry, excuse me for a moment," Soo Yin said and immediately left Dae Hyun's room. She needed rest. After all, there was Assistant Chang Yuan and the others.

"Dae Hyun, maybe I'll be in Korea for the next few days. Can Miss Soo Yin accompany me to go on a trip while I'm here?" Peter Anderson said as he put the glass on the table.

"Huh?" Dae Hyun widened his eyes at Peter Anderson's narrative. Have a bad feeling about that.

"May I? I'm sure you won't mind," Peter Anderson said with a smile.

"How about using the Tour Guide instead? We'll find a much younger girl for you." Dae Hyun tries to come up with another offer. Didn't want Soo Yin to be with an old man like himself.

"Sorry, I'm not interested. I'm more interested in your secretary," Peter Anderson said.

"Okay, later I'll discuss it with Soo Yin." Dae Hyun took a deep breath. Can only surrender. It was impossible to resist Peter Anderson's wishes because his hotel needed large investors. They will soon rebuild a more modern beauty salon and spa to attract visitors.

After chatting for a long time, Dae Hyun escorted Peter Anderson to a hotel room with a presidential suite type. One of the best room types.

HIDDEN WIFE : BEST HUSBAND

Chapter 49 - 49 - Jealous

Soo Yin felt thirsty so she went straight to the pantry. Not only that, she also wanted to meet Jean and Jae-Hwa. It's not good if she suddenly disappear even though they are still in the same workplace.

Soo Yin grabbed a cold bottle of orange-flavored drink, sips it all over. Glancing at the clock that showed it was time for lunch break so Soo Yin sat on a chair while waiting for them.

"Soo Yin!" Jean called. About to hug her best friend's body but not sure if it is Soo Yin.

"Hi, Jean. I miss you so much." Soo Yin got up from her seat and hugged Jean's body.

"I thought I saw it wrong." Jean returned his best friend's hug.

"Congratulations on your new job. We heard that you guys just came back from Japan. It must be great to be there," Jean said with a big smile.

"Hah?" Soo Yin was shocked when she heard Jean's statement.

"You must be enjoying the cherry blossoms in bloom. If you came with Jae-Jae-Hwa it would be very fun and romantic," Jean said with sparkling eyes.

'Geez, what does that mean? I don't understand what she said,' Soo Yin thought. How could they think that she went to Japan and enjoyed cherry blossoms. She didn't even go anywhere at all because Dae Hyun forbade her.

"Soo Yin, why are you silent?" Jean shook Soo Yin's daydreaming body.

"Uh, yes of course it's very beautiful," Soo Yin said while smiling blankly as she scratched her head which was not itchy. It must be Assistant Chang who said they went to Japan.

"Soo Yin, you came back?" Jae-Hwa who had just entered the pantry asked.

"Hi, Jae-Hwa? It's been a while since we met," Soo Yin said.

"Hmmm, I have something for you." Jae-hwa leaves for a moment to get something in her drawer. He returned while placing a hand on his back.

"This is for you? I bought it this morning to congratulate you for hearing you came back today." Jae-Hwa handed Soo Yin a bouquet of white roses.

"Congrats for what?" Soo Yin asked as he reached out to receive the flower. Smelling its scent that was so fragrant hit her nose.

"Congratulations on having a new job," Jae-Hwa said with a happy smile.

"Thank you, Jae-Hwa. You're very nice to me," Soo Yin said, so touched. It turned out that in this world there are still many people who care about her.

"Hmmm. Let's have lunch, I'm very hungry," Jean said.

Just about to stand up, but Soo Yin's cell phone vibrated. It turned out that Dae Hyun had contacted her to return to his room immediately. Though Soo Yin really wanted to have lunch with Jean and Jae-Hwa. But it was

impossible to argue with Dae Hyun's request, maybe that man needed help right now.

"Sorry, next time we'll have lunch together again," Soo Yin said with a sad face.

"No problem, we know you're very busy right now," Jean said.

"Soo Yin, cheer up!" Jae-hwa said.

"Thank you, you are the best," Soo Yin said then hurried to leave.

=====

Soo Yin entered her room while inhaling the scent of the rose flower in his hand. Put it on his workbench. Looking at it from a different angle, it looked really beautiful.

Dae Hyun observes Soo Yin who just entered from his room. Their rooms are separated by glass so that Dae Hyun can see the happy look on the girl's face while sipping flowers. Dae Hyun was curious and went straight to his wife.

"Who gave the flowers? It makes you look very happy," Dae Hyun who was standing in front of Soo Yi's table asked.

"It's from Jae-hwa. I really like the smell," Soo Yin said with a big smile.

Hearing that the flower was a gift from Jae-Hwa, without thinking Dae Hyun took the flower and threw it on the floor. He didn't want Soo Yin to accept flowers from other men.

"What are you doing?" Soo Yin widened her eyes. Can't believe what Dae Hyun did.

"I don't like you receiving flowers from other men," Dae Hyun answered honestly.

"Your attitude is so childish!" Soo Yin felt really angry this time. Dae Hyun should be able to act mature so he wouldn't go around on his own.

"I'll buy it again for you," Dae Hyun who also felt angry said.

"You're so annoying!" Soo Yin pushed Dae Hyun's body. Squat down to pick up the scattered bouquet of roses. Some of the petals have fallen off.

"I'll send it to you, one shop if you need one park," Dae Hyun said without any guilt.

Somehow just because of one bouquet of flowers made him very emotional. Not like him who was usually patient and mature. Maybe love can make someone change their attitude.

"This flower is much more valuable than the flowers you give!" Soo Yin looked at Dae Hyun with a sharp gaze. Then immediately get out of the room. Slammed the door firmly.

"Soo Yin!" Dae Hyun called and about to catch up but his cellphone suddenly vibrated.

Drrrtt ...

Drrrtt

Drrrt

He checked the cell phone, it turned out that his son is calling. Dae Hyun immediately answered his call.

"What's wrong, Yeon Ho?" Dae Hyun asked as he rubbed his face in a huff.

"Dad, when are you going to pick me up? Didn't you promise to take me out?" Jo Yeon Ho who was on the other side of the phone said.

"I'm sorry, dear. Today I have a lot of work. How about another time?" Dae Hyun forgot that he promised his son to take him out.

"Father and Mother are evil!" Jo Yeon Ho immediately hung up on the phone.

"Yeon Ho, Yeon Ho!" Dae Hyun called. But his son had already hung up on me.

Who knew what bad luck happened to him today. So that the two people he loved very much angry at him. He will find Soo Yin to apologize and persuade her not to get angry. Persuading Soo Yin seemed more difficult than persuading his son. After making up with Soo Yin he will think of a way to take care of his son.

HIDDEN WIFE : BEST HUSBAND

Chapter 50 - 50 - Apologize

Dae Hyun immediately exited the room to find Soo Yin. Several times called her cellphone but was not answered. The area of this hotel is too wide to be explored so it is not possible to find it alone. Dae Hyun asked Chang Yuan to help locate his wife.

Not long after, it turned out that there was news from Chang Yuan that Soo Yin was accompanying Peter Anderson to lunch with Hae Kang.

Dae Hyun immediately headed to the restaurant which was still in the same area as the hotel area. He even forgot that he had to entertain Peter Anderson.

"Sorry, I'm late," Dae Hyun said when he arrived while glancing at Soo Yin who was already seated.

Soo Yin looked away, pretended not to know his arrival.

"No problem, I understand that you are very busy. After all, there have been Miss Soo Yin and Mr. Hae Kang who have been accompanying you since earlier," Peter Anderson said.

"Once again I apologize." Dae Hyun bowed his body in respect.

It wasn't long before the waitresses started to come with Korean dishes.

They ate lunch in silence. There was only the sound of cutlery clinking and shouting to each other.

Occasionally Dae Hyun glanced at his wife who was sitting next to Hae Kang. Looks like she has no appetite. Dae Hyun regreted that his unreasonable jealousy made the distance between them stretch again.

"Have you discussed it with Miss Soo Yin?" Peter Anderson asked. He asked if Soo Yin willing to be a Tour Guide for him.

"Sorry, Mr. Peter we haven't talked about it," Dae Hyun said, looking down.

Soo Yin who didn't understand what they were talking about can only listen. Feel confused when he heard Peter Anderson's question about her.

"Miss Soo Yin, are you willing to be our tour guide while in Korea?" Peter Anderson asked as he looked at Soo Yin who was across the table.

"Hmmm, it looks like Soo Yin isn't" Dae Hyun said, trying to answer that Soo Yin wasn't willing, but was cut off.

"Of course I am willing," Soo Yin said with a smile, without thinking. Believe that Peter Anderson was a good person. Didn't care about Dae Hyun who looked at her in disbelief. Soo Yin was still mad at him for his unreasonable deeds.

After finished talking, they immediately returned to their room. Soo Yin pretended not to see Dae Hyun who was already standing in front of her desk.

"Soo Yin, I want to talk to you?" Dae Hyun said. He didn't want to see his wife angry too long.

"Speak?" Soo Yin was busy looking at her computer monitor screen.

"Honey, I'm sorry about what happened earlier." Dae Hyun held Soo Yin's hand but the girl brushes it off.

"Don't touch me if you don't want everyone to know our relationship," Soo Yin said in a harsh tone.

Dae Hyun was impatient so immediately grabbed Soo Yin's wrist. Bringing her into a room that is not too big like their room. There was a medium sized bed and a wardrobe.

"Honey, I'm really sorry." Dae Hyun held her hand.

"Do you know why Jae-Hwa gave those flowers? He just wanted to congratulate me. I didn't think you threw them away!" Soo Yin cursed angrily. The room was soundproof so no one would hear it.

"Soo Yin, I didn't mean it like that." Dae Hyun immediately knelt in front of Soo Yin. This was the craziest thing he has ever done in his life just to get forgiveness from a woman. But for the sake of melting his wife's heart he is willing to do anything.

"Dae Hyun, get up quickly!" Soo Yin tried to pull her husband's hand up.

"I will not stand up until you forgive me," Dae Hyun said.

"Okay, but get up quickly," Soo Yin asked. It's bad to see Dae Hyun kneeling before her just to apologize.

"Do you really forgive me?" Dae Hyun asked, looking up at his wife.

"But on one condition," Soo Yin said.

"I'll do whatever you want." Dae Hyun rose to his feet while continuing to hold Soo Yin's hand.

"Don't throw away other people's gifts without asking first," said Soo Yin.

"I promise. I was just jealous seeing you smile when receiving flowers from other men." Dae Hyun immediately hugged his wife. Very happy to be able to make up with his wife.

Soo Yin tried to break Dae Hyun's embrace. Don't want someone suddenly to come in and catch them.

"I want to ask you one thing?" Dae Hyun asked.

"What?" Soo Yin asked while frowning.

"I want you to meet someone," Dae Hyun said.

=====

Dae Hyun took Soo Yin to UN Village after finished some work. Now it was his turn to persuade his son not to get angry.

Soo Yin just waited in the car and didn't get off. Looking at the luxurious and large houses with modern architecture. Over half an hour Dae Hyun entered but there was no sign of the man showing up. Making Soo Yin feel bored, so she lied on the car seat while wearing earphones to listen to music.

The door opened, made Soo Yin sit up and straighten out her messy hair.

"Sorry, you've been waiting for too long," Dae Hyun said as he put his head slightly.

"It's okay," Soo Yin said.

Dae Hyun lifted his son's body and then put him in the back seat with Soo Yin. Aim for them to know each other.

Soo Yin widened her eyes when she saw a child sitting next to her. Very shocked because that child was Jo Yeon Ho. The adorable little kid she's been seeing in the last few weeks.

"Soo Yin, he is my son," said Dae Hyun as he fastened the seat belt on his body.

"Eunnie?" Jo Yeon Ho said with a cheerful face. So happy to see Soo Yin.

"Hi, Jo Yeon Ho," Soo Yin said. She could not believe that the child was his son.

"Do you already know each other?" Dae Hyun asked.

"We met several times," Soo Yin replied while helping Jo Yeon Ho to put on the seat belt.
