

Very slowly, Dae Hyun laid Soo Yin's body on the bed wrapped in white sheets.

"You're completely healed, aren't you?" Dae Hyun said once again with a misty look.

Soo Yin nodded her head. Reassured her husband that she was okay now. Although after that she didn't know because her ribs still hurt a bit.

Already getting a love signal from his wife, Dae Hyun then landed his kiss again on Soo Yin's lips more aggressively. His hands had unbuttoned Soo Yin's pajama buttons one by one and then threw them in any direction.

Likewise with Soo Yin who had helped to take off Dae Hyun's shirt. Touching his tummy was so tempting and she always wanted to touch it.

They were now both wearing no clothes. Until Dae Hyun easily gave the stamp of ownership on his wife's chest.

Soo Yin continued to squirm with breath that continued to hunt followed by Dae Hyun's passion that was getting hotter.

Two people who were making love were now increasingly burning together with the desire to feel something even more beautiful. The sound of sighs continued to sound from Soo Yin's lips as Dae Hyun's hand touched her sensitive area. Until it made her flinch and her gaze grew foggy.

Dae Hyun smiled when he saw his little wife who had been calling his name.

"Honey, I love you," whispered Dae Hyun who was ready to remove all the clothes that were stuck to his body.

"I love you too," Soo Yin replied with a misty look, holding back the passion of romance. Now there was no longer a barrier covering her body.

Dae Hyun couldn't stand it so that he quickly almost took off his pants when he heard the faint sound of someone calling him.

"Father ... Father ...." The voice was getting clearer and clearer.

"Yeon Ho?" mumbled Soo Yin breathlessly in between the already smoldering feelings.

"Father, I'm scared." Jo Yeon Ho's voice was getting louder and louder.

"Honey, Yeon Ho is outside," Soo Yin said with sweat dripping down her body. Her desire immediately vanished along with the fear if Yeon Ho entered the room they occupied.

Before it was too late, Soo Yin immediately pushed Dae Hyun's body away from her body.

"Get off of my body," said Soo Yin. Because Dae Hyun was still in a position to lock her up.

"Just leave it," said Dae Hyun in a hoarse voice because the desire that had been in the crown wanted to be channeled immediately. Until Dae Hyun landed his kiss on Soo Yin's lips again. But Soo Yin managed to dodge because her mind was not at peace.

"Hurry up and get out," said Soo Yin, trying harder to push Dae Hyun's body until she finally succeeded. With a quick movement, Soo Yin had already sat down and put on her pajamas. There was no chance to put on her underwear again.

Dae Hyun really wasn't willing when Soo Yin was about to walk away.

"Honey, don't go," Dae Hyun whined as he grabbed Soo Yin's wrist.

"We'll continue later. Remember, there is Jo Yeon Ho outside who is looking for us." Soo Yin can't bear to let Yeon Ho keep looking for them. After all, this was Yeon Ho's first time staying overnight. It could be that he was not used to the atmosphere of the room which was still unfamiliar.

Before leaving, Soo Yin tied her messy hair carelessly.

Dae Hyun just sighed resignedly when he saw Soo Yin who was no longer visible. He rubbed his face angrily. Tried to hold back his anger right now. It turned out that Jo Yeon Ho's arrival at the house made them unable to be free as usual.

Dae Hyun wanted to be angry but it was impossible because he was the one who invited Yeon Ho to stay.

"Ughh, it's not as beautiful as imagined," Dae Hyun grumbled as he got up and put his clothes back on. He stepped into the bathroom limply and uninspired. Before leaving he had wanted to first eliminate his desire.

Soo Yin immediately came out of the room. No wonder Yeon Ho's voice was so clear. It turned out that Yeon Ho was already in front of the room they occupied.

"Honey, why are you awake?" Soo Yin then squatted in front of Yeon Ho while stroking his hair. She looked at him with a warm gaze.

"I'm scared," said Yeon Ho.

Outside, there was a thunderstorm accompanied by a flash of light that was quite thunderous. The wind was blowing so hard that the windows moved and the curtains fluttered in the wind. Looked like it was going to be raining soon.

"Come here." Soo Yin hugged Yeon Ho in her arms. Tried to get rid of Yeon Ho's fear.

"Where's father?" asked Jo Yeon Ho who didn't see where his father was.

"Your father is inside. We'd better go back into your room. Your father will definitely follow soon. Don't be afraid, I'm here to take care of you," Soo Yin coaxed so gently, giving understanding to her son.

Jo Yeon Ho nodded his head. Agreed to Soo Yin's invitation to enter the room.

Soo Yin helped Yeon Ho to get on the bed and covered him with a thick blanket.

"Now go to sleep, I will accompany you. Do you want to hear a story first?" asked Soo Yin.

Yeon Ho nodded his head with a sparkling face.

Soo Yin began to tell the famous fairy tale in Korean society about the Eldest With the Magic Stone. Told about the eldest who had an arrogant nature with what he had.

The moral message that can be taken from the story was not to show off what we have. It was all just a gift from God.

Yeon Ho listened while leaning on Soo Yin's shoulder as one of Soo Yin's hands was holding him.

Bam...

The sound of thunder again sounded loud enough for both of them to jump in surprise.

"I'm scared." Yeon Ho wrapped his arms around Soo Yin's waist as he kept his body close.

"Calm down, it's okay. Now close your eyes." Soo Yin patted Jo Yeon Ho's back lightly.

After ten minutes, Jo Yeon Ho finally went back to sleep even though it wasn't too deep.
