

Park Soo Hyun who was ready to throw his fist chose to lower his hand again. It was used by Chang Yuan to kick Park Soo Hyun's leg until Park Soo Hyun staggered.

"Enough, just let the coward go." Jean held Chang Yuan's hand when he was about to hit Park Soo Hyun again.

"Go away, don't ever show your face in front of Jean," said Chang Yuan. If Jean didn't hold him, he might end up killing Park Soo Hyun.

Park Soo Hyun finally got up and chose to leave Jean's house. He could have retaliated but he was well aware that Chang Yuan was very angry with him.

After Park Soo Hyun left, Jean's body felt so weak that she would almost sit on the floor if Chang Yuan didn't support her.

Chang Yuan immediately led Jean to enter the house. Then led her to sit on the sofa in the living room.

"Jean, is what I heard true?" Chang Yuan very carefully asked her.

Jean's eyes began to glaze over with a blank look. Her heart was so sore that the tears that had started to dry up were now dripping again.

"Assistant Chang, why do I have to know a jerk like him," said Jean in a pitiful tone between her sobs.

Chang Yuan then sat down beside her. Hesitantly he rested Jean's head on his chest. The man also felt a tightness in the pit of his heart. He understood about Jean's feelings that must be very hurt right now. He will not remain silent about this.

"Jean, if he's not responsible then I'm here," said Chang Yuan in a calming tone.

Jean shook her head slowly.

"No, let me feel it myself. You don't have to feel sorry for me," Jean said quietly.

"Jean, marry me. I promise to make your life happy." Chang Yuan rubbed Jean's back then hugged her very tightly. He knew that Jean would think he was insane but he couldn't let the girl who was currently in his arms slump.

Jean paused her sob for a moment. It was like a dream that someone was asking her to marry. But Jean immediately dismissed the happiness. She knew Chang Yuan said it because seeing her who was so pitiful. Chang Yuan only felt pity not love.

"I know you must think I said it out of pity. Just so you know, that I've admired you for a long time. I don't dare to say it because you really love that man," said Chang Yuan with a heavy sigh.

Jean didn't know how she felt at this moment because she had never had feelings for Chang Yuan. But now she needed someone who can make her forget about the pain and tightness in her heart.

"Jean, will you marry me?" Chang Yuan straightened Jean's body so he could look her in the eyes with both hands holding her shoulders.

Jean fell silent, looking down. She was not ready to open her heart to other people.

"Sorry, you should think about it carefully because I'm not a good woman. Getting married is not something to play with," said Jean sadly. She also didn't want to accept Chang Yuan just because of something like that.

oooooooooooooooooooo

Pyeongchang-dong villa.

Today Soo Yin didn't go to the restaurant because she wanted to spend the whole day with her husband.

As she was waiting for her husband to take a shower, Soo Yin chose to go to the balcony to breathe in the fresh morning air.

Soo Yin's mind suddenly drifted to think of her best friend. It had been a few days since she had seen Jean because Jean said that she was still not feeling well so she couldn't go to a restaurant. She was worried if what she thought of Jean getting pregnant came true. But Soo Yin immediately dismissed the negative thoughts.

"What do you think?" Suddenly, Dae Hyun wrapped his arms around her stomach from behind.

Suddenly Soo Yin turned to the side in surprise. Her stomach tingled when Dae Hyun touched her.

"I'm thinking about Jean right now. I haven't seen her in a few days," Soo Yin said with a long sigh.

"Did something happen to her?"

"I don't know, Manager Chang said that Jean is still not feeling well. The last time we ate together, Jean threw up like when I was pregnant." Soo Yin rested her head on Dae Hyun's arm.

"Really?"

"Hmmm, maybe it's just an ordinary pain. There's no way she felt the same way as I am," Soo Yin said with a chuckle. She really didn't think that she would become a mother at such a young age.

"Would you like to visit her? Let me take you there." Although Dae Hyun wanted them to spend time by themselves, but he can't bear it if Soo Yin felt anxious and sad.

"Is it okay for us to go today? You said we're not going anywhere though?" Soo Yin reassured Dae Hyun not to say the wrong thing.

"It's okay, the important thing is not to take too long," said Dae Hyun while leaning his chin on Soo Yin's shoulder.

"You are the best husband." Soo Yin turned her body to face Dae Hyun and wrapped her arms around the man's neck.

"I would do anything for my wife." Dae Hyun smiled so warmly that it always shook Soo Yin's soul.

"How is Yeon Ho? We haven't seen him in a long time."

"Do you want to meet him?" Dae Hyun was very happy because Soo Yin loved Yeon Ho like her own son.

Soo Yin nodded her head with a wide smile on her thin lips.

"Hmmm, I'll pick him up to meet you later. Hopefully there's no Aeri who will make it difficult. While you're at Jean's house, I'll pick him up. After that, we'll go together, that way they won't suspect if our relationship is fine." Dae Hyun looked at Soo Yin's face with full of love. A young girl who melted his heart and drove him crazy.

"I see, but aren't they suspicious of you who rarely come back to the UN Village?" Soo Yin doubted if her husband's family found out that they were actually still together.

"They thought I was calming myself down because I was disappointed in you." Dae Hyun brought his face closer and then brought his forehead to Soo Yin's. Until they can feel regular breathing.

"We should get ready because if Jean's condition has not improved then I will take her to the hospital. She must be very sad because there is no one to take care of her" said Soo Yin with a gloomy face.

Dae Hyun took Soo Yin's hand until they entered the room. Held it so tightly when they were in a warm mood. Because they were rarely like this.
