

Dae Hyun only briefly laid beside Soo Yin. If they were at home they would be reluctant to leave their room at this time. He got up to put his clothes back on.

"Honey, don't you want to take a bath with me?" asked Dae Hyun with a mischievous smile on his lips.

"Ughhh, go. I'll take a bath later," Soo Yin said as she pulled the blanket over her body. Seeing the smirk on her husband's lips scared her of something else.

"Are you sure?" Dae Hyun teased.

"If I take a bath with you, you won't want to leave this room. Go, don't let Yeon Ho wake up and find you here," said Soo Yin.

Without consent and asking for permission, Dae Hyun then carried Soo Yin's body so that the blanket fell on the floor.

"What are you doing? Didn't I tell you to take a shower first," Soo Yin said with a tone full of emphasis.

"I promise I won't do anything else unless you allow it," Dae Hyun said with a wink.

Dae Hyun lowered Soo Yin slowly into the bathtub. Then reached for the shower to splash her body with warm water.

"Stop it, I can take a shower myself," Soo Yin said when Dae Hyun squirted water on her face.

"I've got what I want. Now it's my turn to do good to you," said Dae Hyun while chuckling without stopping what he was doing.

Soo Yin grabbed Dae Hyun's wrist until he fell into the bathtub with her.

"It turns out that you are pretending to be shy when you actually want to take a bath with me," Dae Hyun said to tease Soo Yin again.

"Don't talk nonsense," said Soo Yin.

Dae Hyun then played with the water in the tub so that it hit Soo Yin's face. Likewise with Soo Yin who didn't want to lose so she did the same thing.

"Enough, honey. If we continue to be like this, when can I get out," Dae Hyun said as he covered his face with both hands.

"Didn't I tell you from the start but you didn't believe me," Soo Yin said with a crisp laugh but she immediately covered her mouth. Afraid that someone outside would listen to them.

"No need to worry because all the rooms in this house are soundproof," said Dae Hyun.

oooooooo

Aeri stretched stretching her body muscles. Felt happy because Jo Yeon Ho whined, asking his parents to sleep with him. That way Dae Hyun didn't have to sleep with Soo Yin.

But when she sat down, Aeri only saw that there was a bolster pillow next to Yeon Ho. Even though it was clear that Dae Hyun was there last night. Maybe he was taking a shower, Aeri thought.

Aeri went out of Jo Yeon Ho's room to her room which was one room away. But there was no one inside. There was no sound of anyone taking a shower. Usually Dae Hyun would shower in that room after waking up.

"Perhaps ...." Aeri's eyes went wide and her heart was beating really fast.

Aeri rushed out of the room to confirm what she was thinking. Just halfway down the stairs, Aeri already saw Dae Hyun who was already dressed up. The man had just left the room occupied by Soo Yin.

Even though as Aeri recalled, the bathroom floor was still dry as if it hadn't been used since last night. She immediately approached Dae Hyun while holding back her annoyance. It turned out that her efforts were in vain.

"Honey, you look very fresh this morning. You are very well dressed. What time did you wake up? Are you going to the hotel quickly?" Aeri provoked to confirm what she was thinking. If so, then it would be pointless to separate them for a few nights.

"No, today I will be leaving a bit late," said Dae Hyun flatly.

"Did you take a shower in Soo Yin's room? Why didn't you wake me up? I'll definitely wake up to prepare your clothes," said Aeri.

"What are you guys doing here so early?" said Mrs. Park with a furrowed brow when she saw her son and daughter-in-law chatting in front of the guest room.

"Mother, you're awake," Aeri greeted with a happy heart.

"I was looking for Dae Hyun who wasn't in Yeon Ho's room. It turns out that Dae Hyun just came out of Soo Yin's room." Aeri was sure if Mrs. Park will be angry to know Dae Hyun entered Soo Yin's room. Because since yesterday, the woman had forbidden him.

"Is that true?" said Mrs. Park while looking at her son's face with a probing gaze. Even though she had warned him not to approach Soo Yin's room since they had stayed the second night at the house.

"You don't have to be like that, Mom. What's the problem anyway? In the past, Mom used to match Soo Yin with Park Soo Hyun, but why are you now treating Soo Yin differently? Mom seems to want to keep us away," said Dae Hyun.

Mrs. Park fell silent hearing Dae Hyun's words. It was true that in the past Mrs. Park actually wanted Soo Yin to always come for Park Soo Hyun.

"That's because Park Soo Hyun used to love her very much," said Mrs. Park with simple words.

"Just so you know, I love Soo Yin even more than anyone else," Dae Hyun said flatly because he didn't want to hurt his mother.

"Then what do you want now?"

"I want you to be nice like before to my wife because after all she is your daughter-in-law too," Dae Hyun asked with a long sigh. Honestly, he felt sorry for Soo Yin because while she was staying home his mother was always very indifferent to her.

"I once considered her a prospective daughter-in-law. But before I knew that she stole a married man," said Mrs. Park in a firm tone. For her all of that can not be forgiven, no matter the reason was.

"One more thing, because of Soo Yin, Park Soo Hyun had to leave this house," continued Mrs. Park.

"Mom should also know that Park Soo Hyun has impregnated a girl. That's why he went somewhere because he wanted to run away from his responsibilities," said Dae Hyun with a roaring breath because he couldn't accept that Soo Yin was always being blamed. His mother should know that Park Soo Hyun ran away because he was running away from responsibilities.

Dae ....

It was as if a sharp thorn had pierced her heart. Until Mrs. Park remained unmoved for a moment. Including Aeri who was also flabbergasted by Dae Hyun's words.

"No way, you must be joking," said Mrs. Park with a body that began to stagger.

Aeri hastily stood beside Mrs. Park, she was afraid that the woman would suddenly collapse.

"If you don't believe me, just ask him when he comes home," said Dae Hyun.

Soo Yin immediately came out of the room after changing her clothes. She could faintly hear the chatter in front of her bedroom door.
