

HIDDEN WIFE : BEST HUSBAND

Chapter 91 - 91 Will Not Let Go

Soo Yin dried her long hair first while occasionally swallowing her saliva. Really this was so unexpected. She has not been able to be caught by her in-laws. Surely Park Ji Hoon will be very angry or even angry with her.

"You haven't changed your clothes?" Dae Hyun grabbed his wife's shoulder who looked lost in thought. The girl was still wearing a towel that was only above her thigh.

"Dae Hyun, I'm scared," Soo Yin said softly. Her eyes were teary like she was about to cry.

"Didn't I tell you not to be afraid? Speak honestly without fear." Dae Hyun briefly kissed those sweet lips to calm her down.

"Do you want me to dress for you?" In times of precarious situations like that, Dae Hyun flirted with his wife.

Hearing naughty words from her husband, Soo Yin immediately ran to the changing room to change her clothes.

Her heart was racing very fast when she came out. It turned out that Dae Hyun was very well dressed. His face looked very handsome.

"Let's get out!" Dae Hyun asked while holding his wife's hand.

"I'm afraid." Soo Yin paused for a moment as the door was about to open.

Dae Hyun just smiled as he rubbed Soo Yin's back. Convinced her not to worry. How could his father be angry if he had the same big secret. Even though Dae Hyun would never break it down. It was just a threat.

Dae Hyun walked outside first followed by Soo Yin behind him. Soo Yin looked nervously at the back of the man who was now sitting with his back to them.

"Dad, I'm sure you know her," Dae Hyun said when he was standing in front of his father.

"Good morning, sir," Soo Yin said as she lowered her head.

"Soo Yin?" Park Ji Hoon raised his head after hearing the familiar voice of the girl. Even though he wanted to pretend to be ignorant by continuing to read the newspaper. But when he heard her voice, he felt very curious.

"Let me introduce you that she is my wife," Dae Hyun said as he embraced Soo Yin's waist without shame and fear in front of his father.

Soo Yin was silent and remained in a position to lower her head. She didn't know what to respond to in front of her in-laws. She was very afraid that her in-laws would not accept her as a daughter-in-law. So Soo Yin tried to keep her body away from Dae Hyun but the man didn't let her go. In fact, he even tightened his hands around Soo Yin's waist.

Park Ji Hoon did not think that the girl he had seen sleeping earlier was Soo Yin. No wonder he never came home when Soo Yin was in the hospital. So this was a secret that his son has been keeping all this time.

"Are you crazy? Why did you marry a girl who is still underage? You even look much older than her." Even though Park Ji Hoon didn't know Soo Yin's age but from her face, it can be seen that she was still very young.

"So what if our ages are too far apart? I don't care, Dad. The most important thing is we love each other," Dae Hyun said casually. Even though this world will someday opposed their relationship. He will continued to fight for it.

"I'm not sure if she loves you sincerely," Park Ji Hoon said in an understatement. Many young girls out there pretended to love just for the sake of profit.

"We'll see," Dae Hyun said with confidence that Soo Yin had fallen in love with him.

"Soo Yin, what exactly did Dae Hyun promise to you?" Park Ji Hoon asked Soo Yin.

Soo Yin ventured to raise her head. Her heart was a little sore when she heard Park Ji Hoon thought she was approaching Dae Hyun just because of her possessions even though her in-laws did not say it openly.

"I didn't promise her anything," Dae Hyun replied.

"Soo Yin, I know you're a good girl. Before it's too late you should just go. I'll give you everything you need," Park Ji Hoon said, who did not want to see an innocent girl like her suffer.

"Father!" Dae Hyun shouted with emotion. He was not willing if his father underestimates Soo Yin.

"Dae Hyun," Soo Yin said while holding her husband's hand. She tried to calm him down so as not to get angry like that in front of his father.

"Sorry sir, I can't do it. I also don't need whatever you'll give me," Soo Yin replied boldly. For her it was too late to go and get away from Dae Hyun. The love that was not there now has grown bigger in her heart.

"Are you sure you won't regret your decision? What if Dae Hyun falls into poverty? I'm sure you will regret it," Park Ji Hoon said with a lopsided smile.

"Of course not, sir. I will prove if your guess all this time is completely wrong," Soo Yin said politely. Even though Park Ji Hoon's words hurt her, she shouldn't be rude.

Dae Hyun widened his eyes at the words of his little wife who had so boldly said all that. He became very happy to hear the statement from his little wife.

"Do you still doubt it?" Dae Hyun asked with a triumphant smile. Really did not expect if Soo Yin said that in front of his father.

"It's up to you, but if one day there's a problem don't ask me for help. I won't get involved with your business because I've warned you," Park Ji Hoon said.

"Dad doesn't need to worry about us," Dae Hyun said as he grabbed Soo Yin's waist back from the side but the girl turned away. She herself feel ashamed because there was her in-law.

The door suddenly opened so everyone turned towards the door. Soo Yin immediately kept her distance from Dae Hyun when she saw someone entering.

HIDDEN WIFE : BEST HUSBAND

Chapter 92 - 92 - He Likes Your Wife

Park Soo Hyun was standing at the door with a huge expression on his face. He immediately entered and stepped into his father and brother.

"What are you doing? You look very serious?" Park Soo Hyun said.

Dae Hyun and Park Ji Hoon looked at each other.

"Looks like you guys are in discussion. Soo Yin, you better come with me!" Without an answer, Park Soo Hyun grabbed Soo Yin's arm and pulled her wrist. Willing to take Soo Yin out of the room.

"What would you do?" Dae Hyun said in a cold tone.

Park Soo Hyun just smiled at his brother without any intention of answering his question. He immediately took Soo Yin out of the room. Soo Yin glanced at Dae Hyun before finally disappearing behind the door.

Park Ji Hoon could only massage his head. Currently, he didn't know which side to choose because both of them were his sons. Just last night Park Ji Hoon was happy because Park Soo Hyun wanted to work at the hotel. It was all done in order to be close to Soo Yin. This morning, he should found out that Soo Yin was his eldest son's mistress.

"Dae Hyun, for a while I don't want anyone to know about your relationship. If you still want Park Soo Hyun to stay in Seoul," Park Ji Hoon said as he got up from the sofa.

"What do you mean?"

"Your brother seems to like your wife," Park Ji Hoon said frankly because sooner or later Dae Hyun will find out.

"How do you know?" Dae Hyun asked. He felt suspicious that it was just an excuse to separate him from Soo Yin.

"Last night he said it. He wanted to work at this hotel because of your wife," Park Ji Hoon said honestly.

"What?" Dae Hyun couldn't believe what he had just heard.

"Looks like you have to compete with your brother. One thing you need to remember! No one should know your relationship if you want this hotel to stay on top," Park Ji Hoon said.

"I will not let him approach my wife," Dae Hyun said with red eyes. He immediately went to Park Soo Hyun's room, followed his wife.

=====≠=====≠==

It turned out that Soo Yin was taken to one of the workrooms that looked brand new. Soo Yin can smell the smell of stinging paint. The girl looked confused why Park Soo Hyun took her to the room.

"Look, isn't this room very beautiful? From now on I will work in this hotel." Park Soo Hyun turned around with a look on his face that looked very happy.

"Then?" Soo Yin didn't understand what it has to do with getting her there.

"This is your table." Park Soo Hyun walked over to a table not far from his desk.

"What do you mean?" Dae Hyun who was still at the door said. He immediately walked towards the direction they were.

"Brother, I want you to let Soo Yin be my secretary from now on," Park Soo Hyun told Dae Hyun.

"No!" Dae Hyun said firmly. He will not allow his wife to be close to his brother. Especially he just knowing that Park Soo Hyun liked Soo Yin. It will make him even crazier.

"I beg you Hyeong, you can find someone else to be your secretary," Park Soo Hyun asked hopefully so that Dae Hyun would grant his request.

"Of course, Dae Hyun would allow Soo Yin to be your secretary. Because I will be the wife as well as the new secretary for my husband," Aeri who suddenly entered without permission said

Everyone turned towards the source of the sound. Dae Hyun looked displeased that when he saw Aeri come.

"Can I be your secretary, Honey?" Aeri asked in a spoiled tone as she approached Dae Hyun.

"It's true what sister-in-law said," Park Soo Hyun said, he was who strongly agreed with Aeri's proposal.

"No! I won't replace Soo Yin's position with anyone!" Dae Hyun said in a high tone. He glared at Aeri and Park Soo Hyun in turn.

"Soo Yin, hurry back to my office! Because you have a lot of work to do." Dae Hyun ordered Soo Yin in a slightly high tone so they don't get suspicious.

"Yes, Sir." Soo Yin immediately left the room followed by Dae Hyun behind her.

"Hey, don't go!" Park Soo Hyun said but was ignored by Dae Hyun at all.

"Bye, brother-in-law," Aeri said as she waved her hand and then immediately walked out to follow Dae Hyun.

Aeri also felt very upset because she was always ignored. Even so she wouldn't just give up. Dae Hyun would be even more happy if she gave up because Aeri already knew that Dae Hyun wanted to be separated from her for a long time. She was not willing if someone changed her position.

"Honey, I brought breakfast for you," Aeri said as she put the food she brought on Dae Hyun's desk.

"Thank you," Dae Hyun said flatly. He only glanced briefly at the food that Aeri brought.

Soo Yin, who was sitting in front of her desk, could only look at Aeri and Dae Hyun from behind the glass. She couldn't hear what they were talking about. Soo Yin just scribbled the blank paper very hard when she saw Aeri clinging to Dae Hyun's arm. She wanted to approach them but what could be

if her position was just a mistress who couldn't do much. Maybe this is the sight she should see.

But looking at Dae Hyun's expression, Soo Yin was very sure that Dae Hyun didn't like being around Aeri. Every now and then they even looked each other's eyes but Soo Yin immediately looked away. Pretended to be working on something.

Dae Hyun stood up when he saw Soo Yin's displeased eyes.

"Honey, where are you going?" Aeri said.

"I'm hungry," Dae Hyun answered flatly as he walked over to the sofa to sit down. His gaze did not take his eyes off of Soo Yin.

"Okay, I'll prepare everything for you." Aeri opened the food box she brought and handed it to Dae Hyun.

HIDDEN WIFE : BEST HUSBAND

Chapter 93 - 93 - How To Treat Husband Well,

Dae Hyun was busy staring at his cellphone to contact Soo Yin instead. He remembered that the girl had not had breakfast.

"Honey, hurry up and eat," Aeri said while handing him a spoon filled with food.

"Wait a minute," Dae Hyun said.

After a while, Soo Yin approached Dae Hyun even though she didn't know why the man had contacted her.

"Soo Yin, let's have breakfast together. Aren't you haven't breakfast either?" Dae Hyun asked when Soo Yin was standing in front of him.

"Honey, what are you asking her for? She can go eat at the cafeteria," Aeri who did not agree protested. She didn't want Soo Yin to join them. That food was only for Dae Hyun.

"Soo Yin, sit down!" Dae Hyun said, ignoring Aeri who looked very angry because she felt ignored earlier.

"Thank you, but I'll have breakfast in the cafeteria instead," Soo Yin who felt bad about Aeri said.

"That's right, Soo Yin. Let's just eat with us," Aeri said with a fake smile etched on her lips. She finally agreed because she had a plan in mind.

"But" Soo Yin said.

"It is okay." Aeri handed over a plate that already contained food.

With trembling hands, Soo Yin picked it up and sat on the sofa opposite them.

"Honey, let me feed you," Aeri said to Dae Hyun.

"No need, I'll eat myself," Dae Hyun said flatly.

"You can't do that. I want to teach Soo Yin how to treat husband well," Aeri said while glancing at Soo Yin.

"Cough ... cough ... cough ..." Soo Yin's throat felt choked when she heard Aeri's words.A

Dae Hyun hurriedly handed a glass of water to his little wife.

"Thank you, I better eat in the canteen." Soo Yin immediately put the plate on the table then walked out of the room.

Dae Hyun couldn't do anything. He could only look at Soo Yin who had disappeared behind the door. Even so, Dae Hyun remained indifferent to Aerei. He only occasionally responded to what Aeri said.

=====

Once finished eating at the canteen, Soo Yin returned to the room. It turned out that Aeri was not there. Soo Yin can breathe a sigh of relief for not having to see Aeri's spoiled attitude towards Dae Hyun that was too much. It could be said that Soo Yin was very jealous earlier.

Soo Yin glanced at Dae Hyun who didn't turn his head when she entered. Maybe the man didn't hear the door open so Soo Yin closed the door slowly. She walked over to her husband, who did not look away from the laptop screen in front of him.

"Sir," Soo Yin called hesitantly afraid to bother him. Her tongue felt a little stiff when she said the word 'sir'. A call that had not been spoken by her for a long time.

Dae Hyun tilted his head to look at Soo Yin.

"Honey, are you back?" Dae Hyun said with a smile.

"Don't call me that. What if someone hears it?" Soo Yin said.

Dae Hyun stood up to approach his little wife. Feeling guilty because today he had hurt her feelings.

"Sorry, I can't make it all happen yet." Dae Hyun grabbed Soo Yin's cheeks to stare at her with a shady gaze.

"There's no need to apologize, didn't I ask for it?" Soo Yin stared at the man in front of her.

"Give me more time to prove it." Dae Hyun hugged the tiny body which the owner immediately replied.

Ceklek ...

Slowly the door opened, fortunately it was not other than Chang Yuan who entered the room.

'Geez, they always make my eyes hurt. Until when do they want to torture me like this?' Chang Yuan muttered to himself. He couldn't possibly dare to speak his heart out to his boss. His single soul felt like struggling.

Chang Yuan was a little annoyed that his boss couldn't even help about his feelings. Moreover, last night they had slept together. Are they not satisfied yet? Dae Hyun should have also thanked him for bringing the best clothes.

"Hmmm," Chang Yuan exclaimed because he could no longer bear to see their intimacy.

Suddenly Soo Yin immediately let go. She immediately tidied up her hair and clothes, which were slightly matted. Although relieved that it was Chang Yuan who entered, Soo Yin felt embarrassed.

"What's the matter, Assistant Chang?" Dae Hyun said as he turned to his desk.

"Has Manager Han prepared the report?" Chang Yuan asked.

"I don't think so, you can ask for him now," Dae Hyun ordered.

"Just let me go to Manager Han's room," Soo Yin said.

"No, just let Assistant Chang do it," Dae Hyun said.

"It's okay, I'll be right back." Soo Yin immediately rushed outside. She also felt sorry for Chang Yuan who had to work so hard. Even what should be her job is done by him.

Soo Yin got off using the elevator to the ninth floor to hurry up.

Knock ... knock ... knock ...

Several times Soo Yin knocked on the door but there was no answer. So that Soo Yin immediately opened the door a little. Soo Yin glared so much that her eyes might fall when he saw Aeri there. Aeri was sitting on Manager Han's lap and wrapped her hand around the man's neck.

Aeri and Manager Han didn't even notice Soo Yin's arrival before the girl finally cleared her throat.

"Soo Yin?" Aeri widened her eyes and immediately released herself from Manager Han's lap. Really unexpected if she has to be caught by her husband's secretary.

"Sorry, I should just go," Soo Yin said.

"Wait!" Aeri called.

Soo Yin stopped in front of the door when Aeri called out to her. It's really unexpected if a public figure like Aeri has an affair with her husband's own subordinates.

"Hurry over here and close the door!" Aeri said in a trembling voice. Yes, she was very afraid that Soo Yin will tell Dae Hyun what she did. If that happened then her efforts would have been in vain.

HIDDEN WIFE : BEST HUSBAND

Chapter 94 - 94 - Better Be Quiet

Soo Yin immediately turned around. She remembered that her purpose here was to ask Manager Han for a file so she stepped in.

"What are you here for?" Manager Han asked.

"I just want to take the financial report file because Mr. Dae Hyun will check it," Soo Yin said while looking down.

"Are you going to tell Dae Hyun about me?" Aeri urged as she surrounded Soo Yin's body. She didn't need further pleasantries.

Soo Yin was speechless. She should have answered that question 'yes'. That way Dae Hyun will divorce Aeri and she can become the only woman to become Dae Hyun's wife.

"If you dare to tell him I'll reveal your secret to everyone here!" Aeri threatened.

"I heard from Li Sa that you were almost crazy because you were traumatized as a child. You are traumatized because everyone taunts you as the illegitimate child of a flake." Aeri said with great emphasis in Soo Yin's ear.

"Do you want everyone here to find out?" Aeri continued once again when she saw Soo Yin's clenched her fist. That meant she was holding back her anger.

"I never thought an innocent girl like you is the daughter of a perpetrator. I want to know which rich man your mother has managed to seduce," Aeri continued.

Soo Yin clenched her fingers until cold sweat escaped her body. Suddenly the past that she hated so much seemed to be spinning back in her memory. She didn't want that incident to happen again. To her being humiliated and bullied like that was very painful.

"How, do you want that?" Aeri asked once again with a sarcastic smile. Luckily she met her yesterday while shopping with Li Sa. So that she can find out a little secret about it. If not, then maybe her position was now in danger.

"Enough! Don't bring my mother!" Soo Yin shouted with red eyes.

"If you don't want your past to happen again, you better shut up," Aeri threatened with a crooked smile.

"Han gave the file to her," Aeri said, she asked for the file in Han's hand. Han was about to give it to Soo Yin but Aeri grabbed it instead.

"Go, remember I'm not messing with my words! Besides, Dae Hyun won't believe your words because you don't have any evidence," Aeri said while handing over the file Dae Hyun requested to Soo Yin.

After that Soo Yin rushed out of the room with a feeling raging in her heart.

"Han, I want you to find out more about that girl! We almost got caught," Aeri said.

"Okay, you don't have to worry."

They also continue their romance which was hampered by the arrival of Soo Yin.

=====

Soo Yin walked with languid steps. Her mind was now out of focus. Every time she heard the insult aimed at her mother, her heart was really deeply sliced. Really she felt a pain in her chest cavity even though since childhood she had never met his mother. Soo Yin can only pray that his mother will be happy in heaven even though she never saw the tomb.

With a blank and staggered stare, Soo Yin returned to Dae Hyun's room. Just before she entered, suddenly her head was dizzy, causing her body to fall to the floor.

"Miss!" Chang Yuan stood up first then immediately helped Soo Yin to get up. He carried her to sat on the sofa.

"Soo Yin, are you sick?" Dae Hyun placed the back of his palm on the girl's forehead.

"No, I'm fine," Soo Yin said while smiling faintly. She didn't want to make Dae Hyun worry about her.

"Assistant Chang, call Doctor Kang immediately!" Dae Hyun ordered.

"No need, I'm really fine," Soo Yin said as she grabbed Dae Hyun's fingers to calm him down.

"How could you be okay? You suddenly fell," Dae Hyun who was very worried said.

"I'm really okay. Don't worry too much," Soo Yin said.

"Then you better go home," Dae Hyun said he thought it was because his wife was tired from working with him late at night.

"I'll be fine around you." Soo Yin leaned her head against Dae Hyun's chest. Only that man could calm her down now. After his father's departure there was no place to complain and lean on.

"You bad girl," Dae Hyun said with a happy smile then rubbed Soo Yin's shoulder.

"If nothing is needed I will go, sir," Chang Yuan said.

Chang Yuan, who had seen their intimacy earlier, couldn't stand it. Do they think his heart was like a robot so that his boss just spits happiness in front of his eyes.

"Okay, you can go," Dae Hyun said.

Chang Yuan was about to step his foot but someone opened the door.

"Good afternoon, Miss Aeri," Chang Yuan said aloud so that Dae Hyun and Soo Yin would keep their distance if they didn't want their secrets to be discovered.

Soo Yin immediately pulled herself up and then stood up. Smoothed her slightly messy hair using her fingers.

"Honey, accompany me to the mall," Aeri said. She did rush after Soo Yin for fear that the girl would reveal her secret.

Soo Yin has a stomach ache listening to Aeri greeted to Dae Hyun. She really want to throw her using sandals. Moreover, she just saw her in another man's lap. Soo Yin felt very furious but she was very afraid of Aeri's threat earlier.

"I have a lot of work, and you can go alone anyway," Dae Hyun said in a flat tone. Very much different in tone of voice when talking to Soo Yin.

"Soo Yin, can you leave us alone?" Aeri expelled for Soo Yin to leave.

"No need to tell her to leave. Better you just go home," Dae Hyun said. He preferred to be around Soo Yin than Aeri.

"So you kicked me out?" Aeri asked angrily.

"I just don't want to be bothered because there's a lot of work to do," Dae Hyun said.

Soo Yin chose to leave the room because she didn't want to listen to the argument between them. She needed a place to calm down for a moment.

Chapter 95 - 95 - Searching For Information

Today, Jean was assigned to clean Park Soo Hyun's room. Because the room was new so there were some corners that were still a bit messy. As usual, she seemed always nervous about meeting him.

Knock ... knock ... knock ...

Jean knocked on the door with a deep sigh. He remembered how what happened the other day when he met Park Soo Hyun. There must often be unexpected events between them.

"Enter!" Park Soo Hyun's distinctive voice exclaimed, making Jean's heart want to jump out.

Jean entered with her usual cleaning equipment. Just entered her heart already beating wildly.

"Hey, what's your name? I forgot," Park Soo Hyun asked while massaging his temples to look at Jean.

"Jean, sir," The girl said.

"Are you very close to Soo Yin?" Park Soo Hyun who was still curious about the girl who was now he adored asked. He wanted to find out more about her.

"Of course, we've been friends since high school. What's wrong?" Jean wondered why the man suddenly asked about her best friend.

"I ... I intend to make her my secretary so I want to find out about her. Can you help me?" Park Soo Hyun asked. He didn't want to tell the truth. Actually he had to compete with his own brother if he wanted Soo Yin to be his secretary.

"Of course, sir. But now I have to work first," Jean said.

"No, I want you to tell it right now," Park Soo Hyun said, immediately pulled Jean's wrist so that the girl sat down.

"But" Jean said.

"No buts! This is one of the orders from the superiors. Do you want to be fired?" Park Soo Hyun threatened even if it's just pretending.

"Please don't fire me, Sir," Jean said, afraid that the man would really do it.

"Sit down."

Jean finally pulled out the chair opposite Park Soo Hyun's table.

"I wonder if Soo Yin has a lover?" Park Soo Hyun asked frankly because the first thing he really wanted to know was about this.

Jean frowned. The question, according to her was a little strange. Should a superior need to know the personal affairs of his subordinates?

"Quickly answer," Park Soo Hyun who couldn't wait to find out said.

"She ... she" Jean was confused about how to explain Soo Yin's relationship with Jae-hwa. They were close but there was no connection between them.

"What is she?" Park Soo Hyun urged.

"She ... she doesn't seem to have a lover yet, Sir," Jean finally replied.

"Is it true?" Park Soo Hyun was very happy when he heard the good news. If there weren't Jean he would probably jump now to vent his fun. But his expression looked normal so as not to arouse suspicion.

"Then what is her favorite food?" Park Soo Hyun asked.

"Geez, why did he ask her favorite food?" Jean thought. Why didn't he ask himself and ask other people instead.

"She likes spicy food, that's all I know," Jean said, remembering the food her best friend often ate. According to her, Soo Yin was not the kind of person who was picky and did like kind of spicy food.

"Let's exchange cell phone numbers. So I can find out more about her. I just want to make my secretary as comfortable as possible," Park Soo Hyun said with a smile. Finally got to know a little about Soo Yin.

"Quickly give your cellphone to me," Park Soo Hyun said when he saw Jean who was just silent.

Jean reached for her old-fashioned cell phone from her pocket and put it on the table.

Park Soo Hyun immediately typed his number on Jean's cellphone. Did not forget to also saved Jean's number on his cellphone.

Jean thought Park Soo Hyun would tell her to do her job but apparently the man kept asking again. Until without realizing it was already twelve o'clock in the afternoon. It was time to rest.

"As a thank you, I'll treat you for dinner. Are you willing?" Park Soo Hyun asked.

Jean was stunned for a moment when she heard his boss's invitation. She felt like a dream in broad daylight being invited to dinner by a rich and handsome man like Park Soo Hyun for the sake of information alone.

"Because you're silent it means you agree to it. Tomorrow night we'll go," Park Soo Hyun said then left Jean who just stood there frozen.

=====

Tonight, Soo Yin returned to the Pyeongchang-dong villa and didn't accompany her husband overtime because Aeri was there.

"Honey, I trust you," Soo Yin muttered as she looked at the ring that was wrapped around her ring finger. She convinced her heart to always believe in her husband. Especially after finding out that Aeri was having an affair with full determination, Soo Yin would never let Dae Hyun go no matter what.

"I'll find a way to get you out of that witch." Soo Yin was really furious and felt like throwing up when she remembered Aeri was making out with Manager Han.

But whatever, at this time she couldn't do anything because she didn't have any proof even though Dae Hyun might believe her. But she shouldn't be careless, especially since Aeri knew Li Sa. They could have conspired until what she said would actually happen.

Soo Yin played her cell phone. It's been a few days, but her father hasn't contacted him. Accidentally her finger pressed the call button and after a while the number was active.

"Father!" Soo Yin called enthusiastically. The girl was very happy to be connected.

"Hi, Dear, how are you?" Kim Nam asked with a heavy breath.

"I'm fine, why did you take so long that you didn't call me? A few days ago I called Dad but it wasn't active," Soo Yin said while pursed her lips. She spoke continuously without any pause.

"I'm sorry, Soo Yin," Kim Nam said in a deep voice. There was sadness in the tone of his voice.

"Did something happen?"

"No, but maybe dad will trouble you again." Kim Nam took a deep breath when he said it.

"Let's just say, Daddy, I've never been bothered at all."

"Dad seems to need a fair amount of money around 1000 U \$ D. Can you send it?"

"Why so many?" Soo Yin was quite surprised to hear the amount. There won't be enough money in her bank account.

"If it's too much, half is fine," Kim Nam said.

Actually, Soo Yin really wanted to ask what that kind of money was for. But every time she wanted to ask him, her tongue felt dry and uncomfortable. So far, she lived being spoiled by Kim Nam. Maybe now was the time to repay his father's kindness all this time. Even if only a little.

"I'll send it later, Daddy. I want to ask where exactly is Mother's grave?" Soo Yin repeatedly asked him but Kim Nam never answered with a clear answer. His father always evaded and changed the subject.

"For ... what did you suddenly ... ask about it?" Kim Nam's voice choked up a little when he said it.

"I just wanted to visit her," Soo Yin said sadly.

"Soo Yin, it's night you better rest," Kim Nam said. Not long after that the telephone connection was lost.

"Daddy? Can you hear my voice?" Exclaimed Soo Yin, actually there is more that she wants to talk about. But it's a shame because the phone line has really been cut off.

Soo Yin tossed his cellphone on the bed then walked to the bathroom to freshen her mind. Because today there was so many events made her dizzy.

=====

This morning Soo Yin left early. Lately every time she slept without Dae Hyun beside her, he found it difficult to close her eyes. Soo Yin immediately entered but the room was still quiet. There was no sign of Dae Hyun so the girl rushed over to her desk.

There was a bouquet of white roses on the table along with chocolates tied with a pink ribbon. Soo Yin immediately picked it up to find out who the author was.

It turned out that there was a paper folded in the middle of the flower. Soo Yin felt so curious that she immediately opened it. It turned out that the paper contained poem.

You're like twilight

Even though it is only for a moment, but so beautiful and people will always look at you

You are like water that is always needed in this life

I fell in love when I first met you.

Looking at your face makes my heart flutter uncertainly

Do you know that every night I always dream of living with you?

Have cute kids with you

Raising them with great love for the two of us

Will you accompany my life?

From me who always loves you

Soo Yin smiled to herself when reading it. Really did not think if her husband can make words that can melt her heart. Although the words were a bit messy. And even though it was not clearly stated who the author was, Soo Yin was sure that all of it was from her husband.

[HIDDEN WIFE : BEST HUSBAND](#)

Soo Yin inhaled the scent of flowers with a big smile. The girl was very happy because her husband had given her a surprise with flower in the morning. She then arranged the flowers on the table.

"Morning, honey," Dae Hyun said as he hugged Soo Yin from behind. Feeling very homesick because he was not accompanied by her when he was overtime.

"Morning," Soo Yin said while leaning over to look at Dae Hyun.

"Thank you." With a flushed face, Soo Yin kissing her husband's cheek made Dae Hyun widened his eyes. He was happy that his little wife was a little more aggressive now.

"You look very happy today," Dae Hyun said.

"Of course, because this early morning you've already given me flowers and chocolates," Soo Yin said with a smile.

"Flower?" Dae Hyun didn't understand what his wife meant because he didn't give her flowers at all.

"Wasn't this flower from you?" Soo Yin took the flower and sipped it back.

"Oh, this ... yes of course I sent it." Dae Hyun was forced to lie because he didn't want to make his wife sad. Even so, he had never thought about sending chocolates and flowers in the morning.

Later he will find out who actually sent the flowers. Really, he was currently feeling very guilty. Suddenly remembered that it must be Park Soo Hyun who sent it.

"I never thought you were good at stringing words. Where did you learn?" Soo Yin asked.

"Words?"

"Wasn't this you who wrote it? Or could it be that you ordered someone else to write it?" Soo Yin said while showing the paper so that Dae Hyun could read it at a glance because Soo Yin closed it again.

"Of course that's my writing. At school I really liked literature," Dae Hyun said. In fact, he really hated literature because it gave him a headache to write.

There was no doubt that this must be from Park Soo Hyun because he was known to be very good at melting women's hearts with his poetry.

"Honey, do I have any schedule out today?" Dae Hyun asked, trying to change the subject. He didn't want to lie to his wife too much. Hopefully Park Soo Hyun didn't tell her.

Soo Yin immediately looked at the journal because she didn't remember her husband's schedule at all. Because oftentimes Chang Yuan was the one who took care of it.

"Tonight there's a dinner with Mr. Takashi, that's all. Didn't you worked overtime last night?" Soo Yin who was very curious said.

"No, I'm just overtime for a while. I'm lazy if it's Aeri who accompanies me. I prefer you to accompany me," Dae Hyun said while hugging his wife's back. Paired his head in Soo Yin's hair.

Soo Yin was amused by Dae Hyun's breath on the nape of her neck. Luckily, her cellphone suddenly vibrates so Soo Yin immediately releases herself from Dae Hyun's embrace. It was Jean who sent a message.

[Soo Yin, I want to meet you] Jean wrote.

[Ok, this afternoon we meet at the cafeteria] Soo Yin replied then put her cell phone back on the table.

"Who?" Dae Hyun asked curiously.

"Jean asked me to meet her, it seems like there is something she wants to talk about," Soo Yin said.

"I thought it was another man," Dae Hyun said.

Soo Yin pinched Dae Hyun's waist while pursed her lips.

"Ouch!" Dae Hyun exclaimed.

"So get rid of your bad thoughts. Quickly finish the piling up of work," Soo Yin muttered.

Dae Hyun kissed Soo Yin's lips briefly then immediately went to his seat. He was afraid that his wife would pinch him again.

=====

As she promised with Jean, Soo Yin rushed to the cafeteria after lunch time. Soo Yin looked at Jean who was sitting daydreaming while biting her lower lip.

"Jean?" Soo Yin called while holding her friend's shoulder.

"Hi, you have come." Jean looked surprised by Soo Yin's presence.

"What's the matter? You look so restless?" Soo Yin asked while putting down the tray on the table.

"I ... I ... I was invited to a dinner by someone," Jean said, stuttered.

"Really? Tell me which man asked you?" Soo Yin was very excited when she heard the good news.

"Next time I'll tell you. Soo Yin, I don't know what kind of clothes to wear?" Actually Jean wanted to tell the truth, but she had promised to keep everything a secret.

"So you don't want to tell me the man?" Soo Yin looked disappointed that she didn't know who was it.

"That's not it, of course I would have told you but not now because we just met," Jean said.

"So you just met?" Soo Yin asked.

Jean nodded her head.

"But I have no clothes." Jean lowered her head, she didn't have enough money to buy a dress.

"No need to worry, I have some. Later you can use them," Soo Yin said.

"Really? Where did you get it?"

"I bought it when Dad was around," Soo Yin said while scratching her head which didn't itch.

"Then when I get home I'll go to your rented house," Jean said with a happy face.

"No, I will take it this afternoon because I will also accompany Mr. Dae Hyun to dinner together with one of his relatives." Soo Yin answered quickly. She forgot that Jean didn't know if she had moved.

"All right, thank you for helping me," Jean said.

"Don't hesitate, I'll help if you need help," Soo Yin said. She felt happy if she could help her friend.

=====

In the afternoon Soo Yin called Chang Yuan to send her clothes. She had already contacted Aunt Xia first to get it in the cupboard.

"Hi, Jean!" Soo Yin called. Luckily she met her best friend right away, so she didn't have to look for her.

Jean turned her head towards Soo Yin while waving her hand. She just came out of a room.

"Here, put it on! I hope the size is right." Soo Yin handed the clothes she brought to Jean.

"Is this new?" Jean asked.

"No, it's been a long time. It's so small in my body that I never wear it," Soo Yin replied. Sometimes it was okay to lie for good things.

"But I feel bad." Jean thrust back at Soo Yin.

"It's okay, don't hesitate, aren't we friends?" Soo Yin said.

"Thank you, you are the best." Jean was moved so she immediately hugged Soo Yin's body.

"Well, I have to come back soon because I still have work to do."

Jean watched Soo Yin leave behind the elevator door. She really felt lucky to have a friend like her.

=====

Soo Yin immediately returned to her room because she has to prepare some documents that have to be brought for tonight. One of the regular guests from Japan invited them to talk about the advantages of investing in this hotel.

Soo Yin walked over to Dae Hyun who was busy at his desk.

"Are we going straight to the restaurant later?" Soo Yin asked to confirm it because she had to be prepared with her appearance.

Dae Hyun raised his face to look at his wife but Soo Yin looked away, a little nervous. Even though they had been making up for quite a while, Soo Yin still felt embarrassed when her husband looked at her.

"We'll be home soon to get ready," Dae Hyun said.

"Home?" Soo Yin asked. She didn't understand where to go home because Dae Hyun has two house.

"Going back to our house," Dae Hyun who could already guess his wife's thoughts replied.

"Very well," Soo Yin said.

"Oh yeah, I almost forgot. Tomorrow night mother invited you to dinner, I hope you will come," Dae Hyun said, hoping Soo Yin would come so she could get to know his family members.

"What for?" Soo Yin suddenly felt scared coming there. Especially after Park Ji Hoon found out about their relationship.

"Jo Yeon Ho wants to meet you. Actually, the kid has been whining for a long time to thank you," Dae Hyun said.

"Oh, but I'm scared," Soo Yin said while biting her lower lip.

"No need to worry, you have me by your side." Dae Hyun took his wife's hand and then held it.

"I'll try. If you're still busy I better go home alone. Later I'll ask Chung Ho to get me to you to the restaurant," Soo Yin said as she pulled her hand. She was still afraid that people would suddenly walk in to see them.

"No, I'll be done soon."

"Then I'll go back to my desk," Soo Yin said goodbye, if she continued to be there Dae Hyun might not finish doing his job.

"Hmmm," Dae Hyun said with a smile. He rubbed softly for a few moments on Soo Yin's cheek with his thumb.

Soo Yin immediately returned to her desk. Dae Hyun didn't want her to help with his work so Soo Yin played with her cell phone.

Beep

There was a message coming to her cell phone.

[Soo Yin, have you sent the money? Sorry if daddy impatient]

It turned out to be a message sent by Kim Nam.

HIDDEN WIFE : BEST HUSBAND

Chapter 97 - 97 - Don't Want To Be A Bother

Soo Yin patted her forehead for forgetting to send money. Not that she's forgotten, but she hasn't had time to talk about it with Dae Hyun. She was also a little scared because Dae Hyun had given her money in the past, but she rudely refused. Really Soo Yin felt embarrassed when remembering her stubborn attitude at that time.

[Sorry, maybe tomorrow I'll send it to you, Dad] Soo Yin replied. After that there was no reply from Kim Nam.

Soo Yin leaned her head on the chair and rubbed her face. Her head throbbed slightly at the thought of that. There was also no way she could borrow from someone else because if Dae Hyun found out then he will most likely be angry.

"Honey, let's go home," Dae Hyun asked in a soft voice. But his wife did not respond, instead she was just lost in her thought.

"Honey," Dae Hyun said while shaking his wife's body.

"Ah, what's ... what's wrong?" Soo Yin jumped in shock so that reflex immediately stood up.

"Do you need anything?" Soo Yin continued.

"What do you think of?" Dae Hyun asked.

"Ahh, that ... I didn't think of anything," Soo Yin said with a thin smile.

"Really? If there is something you need you should tell me. Don't hesitate," Dae Hyun said.

Soo Yin just nodded. Her tongue felt heavy when she wanted to tell the truth.

"Alright, let's go home," Dae Hyun asked, repeated his words.

"Are you finished?" Soo Yin looked at the clock which was still showing half past five in the afternoon. Actually it was still too early to go home.

"Yes."

Soo Yin followed Dae Hyun's steps to get out of the hotel.

=====

During the trip, Soo Yin looked unusually gloomy. Dae Hyun felt that something was wrong with his wife.

Until they arrived at the Pyeongchang-dong villa, Soo Yin was still silent. Whenever Dae Hyun asked something, Soo Yin will always change the subject.

Dae Hyun made sure that his wife was busy taking a shower by placing his ear against the door. It turned out that there was a sound of water flowing inside.

Somehow Dae Hyun wanted to check her cellphone so badly. He picked up Soo Yin's cellphone which was on the nightstand. Luckily there was no password or code so Dae Hyun didn't have to bother to open it.

There was only an inbox that was from Kim Nam. Dae Hyun slowly read Kim Nam's every message.

"Why didn't she tell me?" Dae Hyun muttered as he put the cellphone on the nightstand. No wonder Soo Yin was always changing the subject, maybe his wife was afraid to tell him all of that.

"Assistant Chang, please send money right now to Mr. Kim Nam," Dae Hyun said, he immediately contacted Chang Yuan to take care of everything.

"Yes, sir," Chang Yuan said on the other side of the phone without asking any more.

That was what made Dae Hyun not want to replace Chang Yuan's position with someone else because he was very nimble and could always keep his secret even though Dae Hyun didn't ask.

Soo Yin who just came out of the bathroom could faintly hear their conversation. Soo Yin walked over to Dae Hyun while biting her lower lip. The girl was still using the towel above the knees on her body.

"Did you send money to Dad?" Soo Yin asked softly. She was really afraid Dae Hyun would scold her.

"Why didn't you tell me?" Dae Hyun said as he approached Soo Yin and then rubbed his wife's cheek.

"I ... I just don't want to bother you," Soo Yin said while looking down. The water that was still wet in her hair was slowly dripping down her snow-white skin.

"Aren't we husband and wife? It's only natural that we share something with each other," Dae Hyun said softly. He raised Soo Yin's chin so she would want to see him.

"I can't even be a good wife for you." Soo Yin suddenly rested her head on Dae Hyun's chest to hide her face.

Was it appropriate that she was considered a wife who never even wanted to do her duty? Soo Yin just didn't want to be too demanding on her husband. There were too many things Dae Hyun had done but Soo Yin couldn't reply at all.

Dae Hyun who was shirtless could feel warm water running down his chest. He put his arm around Soo Yin's back. Then tightened his embrace even though there was something to be endured.

"For me you are a good wife. In fact, I am not yet able to be a good husband for you. Not able to make you happy, have to hide if you want to be close to you." Dae Hyun rubbed his little wife's back. Pat lightly to calm him down.

"I even always delayed doing my duties as a wife," Soo Yin said softly.

"Never mind, I'll always be patient waiting for you until you are willing to do it." Dae let go of his hug.

"Thank you for never pushing me," Soo Yin said. She felt very lucky to have a husband like Dae Hyun.

"Okay, I'll take a shower first. Seeing you like this I'm afraid I can't hold it anymore," Dae Hyun teased.

Soo Yin immediately pushed her husband's body into the bathroom. Didn't want Dae Hyun to see her red face like a tomato.

Just about to change clothes, it turned out that there was a short message on the cellphone. Soo Yin opened it immediately.

[Soo Yin, thank you. You even sent double to dad] ~ Kim Nam.

Soo was surprised that the amount of money that Dae Hyun sent him was too much. How can he be thankful? It seemed that just saying thanks was not worth the amount of money.

'Should I thank him using my body?' Soo Yin whose heart immediately beat fast thought when imagining it.

Soo Yin was walking around because her mind felt chaotic. The thought of engaging in conjugal relations for the first time was terrifying to her. Just imagining it made her shudder with horror.

Dae Hyun just got out of the bathroom. He observed Soo Yin who hasn't changed clothes since earlier. Even though it's been half an hour when he finished showering.

"Honey, don't you want to wear clothes?" Dae Hyun teased while hugging the slender waist.

Instantly, Soo Yin's hair bristled, feeling the breath on her nape. The girl held her breath so as not to get excited.

"Come on," Dae Hyun asked as he let go of his hug.

"Come on?" Soo Yin gawked at Dae Hyun's invitation. Thinking that should they do it on an afternoon like this? Soo Yin slowly walked ahead of Dae Hyun to get onto the bed which immediately made cold sweat out of her body.

"Don't you really want to change?" Dae Hyun said once again. He frowned when he saw his little wife climbed onto the bed.

"Huh?" Soo Yin gawked again.

"Let's change clothes later you will be cold." Dae Hyun walked over to Soo Yin and then pulled her hand to follow him to the changing room. He can't stand it if Soo Yin only used a towel.

Soo Yin thought Dae Hyun had asked her to have sex on the bed. Even though she was almost half to death already holding back her nervousness.

'Soo Yin, what are you thinking exactly?' He thought to himself.

Soo Yin chose casual clothes because it was still afternoon at least they still have time to relax a bit before dinner. After finishing changing, she did not forget to choose the clothes to be used for her husband.

"I'll wait downstairs," Soo Yin said while handing the clothes to her husband.

Soo Yin rushed to the backyard to see a small garden that was there. It has been a while since she enjoyed the villa's evening view. Looked like some of the flower plants withered slightly because today the weather was quite hot. Soo Yin immediately took the hose then immediately watered the flowers while humming happily.

A happy mood made the innocent face look like blooming flowers that were there. It was so fun to water that Soo Yin didn't realize that Dae Hyun was already behind her.

"Seeing you smiling like that makes me feel very happy," Dae Hyun said.

Soo Yin was surprised because suddenly there was a voice behind her. She immediately turned around then accidentally sprayed water on Dae Hyun's face until his face was soaked.

"Ahh, sorry. I really didn't mean it," Soo Yin said with fear that Dae Hyun would be angry. She hurriedly turned off the faucet when she saw Dae Hyun's wet face.

"You bad girl!" Dae Hyun grabbed the hose and then turned to spray the water on his wife's body.

Soo Yin who felt that she was under attack immediately ran away while covering her face with her palms. They chase each other like children. In return, spraying water on their bodies in turn.

HIDDEN WIFE : BEST HUSBAND

Chapter 98 - 98 - Eat At The Same Restaurant

Auntie Xia, who peeked through the kitchen window, was very happy to see the sight of a husband and wife getting along. She was very grateful to see those who were now getting closer.

When Soo Yin ran, suddenly her legs slipped so that her body almost slammed to the ground if only Dae Hyun didn't catch her. Soo Yin immediately put her hand around Dae Hyun's neck because of fear of falling.

They stared at each other. The girl was fascinated by a grown man who was now her husband. The eagle-eyed handsome man she now loved. If people thought she was crazy, it was true that she was now crazy about the man she used to hate.

After a while, Soo Yin finally woke up from her reverie. She tried to stand up by holding on to Dae Hyun's arm. But Dae Hyun didn't let go.

Seeing such a beautiful face, Dae Hyun scooped Soo Yin's lips. He always couldn't stand it if he looked at her face that close. Always wanted to bite her pink lip.

Soo Yin who got a sudden kiss suddenly widened her eyes. There was no chance to escape because Dae Hyun was holding her neck tightly.

"Enough ... hhhh," Soo Yin said when she had the opportunity to speak. Her breath was gasping because she was almost out of breath.

Dae Hyun took his body away from Soo Yin.

"I'm sorry," He said.

"It was late afternoon, we better get ready," Soo Yin warned because it was almost dark. They also have to clean up again because of the incident just now.

"Alright," Dae Hyun said as he watched the sky slowly dimmed.

Soo Yin immediately entered the villa followed by Dae Hyun behind her.

=====

This dinner event was quite an important event so that Soo Yin paid more attention to her appearance so that it looked neat and respectful. Unlike her first time working as a secretary, Soo Yin didn't pay attention to her appearance at all. Even though that was a reflection of how we were considered to respect guests.

Tonight Soo Yin was wearing a brown suit and trousers. Leaving the hair loose.

Mr. Takashi did not stay at The Silla Seoul Hotel because he wanted to enjoy living in a traditional Korean house. So they have to book a place that was not too far from the home stay.

Soo Yin and Dae Hyun came ten minutes early on purpose. Didn't let Mr. Takashi come before them. They booked a five-star restaurant with a private room to focus to their conversation.

There was also Chang Yuan there, even though there was Soo Yin but as an assistant Chang Yuan will be near Dae Hyun. He would always be on standby if Dae Hyun needed him.

"Sir, Mr. Takashi has come," Chang Yuan said to report. He was just outside to check.

Dae Hyun and Soo Yin immediately stood up as a sign of welcoming them. It turned out that Takashi came along with his wife and assistant. For dinners like this, most of them will bring their wives as an introduction so that cooperation was closer.

"Welcome, sir." Dae Hyun embraced Takashi as a sign of friendship.

Soo Yin also shook hands with his wife. It turned out that his wife still looks much younger. Really unexpected if Takashi has a young wife. Takashi was still about 40 years old, five years older than Dae Hyun.

"Is this your wife?" Takashi asked Dae Hyun while looking at Soo Yin.

"I am the secretary, sir," Soo Yin replied. She didn't want to cause trouble so it was okay if other people just considered her as his secretary.

"It's a shame, even though you guys look very suitable. Ah, I just remembered that your wife is a model," Takashi said with a smile.

Soo Yin could only smile faintly when she heard that. Her heart must learn even stronger because sooner or later she will hear such statements.

"How was your trip from Japan?" Dae Hyun asked to change the subject. He didn't want to make his wife uncomfortable.

"It's really fun! A few months without going to Seoul, things have changed a lot," Takashi said.

Takashi was a businessman whose business has grown everywhere. His business was engaged in development tools and often invites cooperation as a long-term investment.

"Have a drink, sir." Soo Yin poured Soju into Takashi and his wife's glass in turn. Did not forget to also pour it into Dae Hyun's glass.

Not long after, several waiters arrived bringing menu books.

"Please, sir." The waiter put the menu book on the table.

"I ordered all the most delicious dishes in this restaurant," Dae Hyun said to the waiter.

"Shouldn't we say it?" Takashi said.

"We should have entertained you," Dae Hyun said with a smile.

While waiting for dinner to come they began to discuss the cooperation that would be established. Soo Yin listened enough because she didn't know anything about it. She only occasionally chatted with Takashi's wife about Japan.

At the same time and place.

As he said, Park Soo Hyun invited Jean to dinner.

To say thank you to ask her to dinner for Jean was too much. But Jean still followed Park Soo Hyun's steps to enter the restaurant.

The atmosphere was quite crowded by the pair of visitors. Jean felt nervous because this was the first time someone has taken her to a fancy restaurant. Fortunately, Soo Yin lends her a very good outfit so that Jean can keep up with Park Soo Hyun's stunning appearance so that female visitors always steal glances at him.

"Have you ever dated?" Park Soo Hyun asked.

"Huh?" Jean widened her eyes.

"I mean, have you dated before?"

"I ... I don't have time to date anyone," Jean said, looking down embarrassed. Her face felt hot and flushed.

"Ohhh, is the address you gave really the address Soo Yin lives in?" Park Soo Hyun didn't want to make small talk anymore.

"Of course, I used to play there often but after Soo Yin became Mr. Dae Hyun's secretary I never went there again. Even though I wanted to take her to watch every weekend after that stay at her rent like before," Jean said while remembering the past with Soo Yin.

"There's no need to worry if Soo Yin becomes my secretary, I'll give you free tickets every week for you to watch," Park Soo Hyun said with a mysterious smile.

"That's why you have to seduce her to be willing to be my secretary. Being my brother's secretary is not good because she has to stay overtime. If she was with me I wouldn't let her get tired," Park Soo Hyun continued, proudly telling his superiority.

'What does this man mean?' Jean thought. She kept listening to Park Soo Hyun who only talked about Soo Yin from beginning to end. Only occasionally asked about her personal life. This was all really boring for Jean. Moreover, Park Soo Hyun also asked about the size of the shoes, clothes and so on that Soo Yin was wearing. She didn't really remember what her best friend was wearing.

Even after the order came, Park Soo Hyun always asked the same thing. So that Jean really felt even more annoyed.

"Excuse me to the toilet, sir," Jean who had already stood up said.

"Okay, don't let me wait too long," Park Soo Hyun said while showing off his neat white teeth.

Jean just nodded her head then immediately stepped into the ladies room. Jean looked at her face in the mirror, washing it with water to cool his head.

"Why ask me to dinner if the only one talking about is Soo Yin!" Jean grumbled as she pursed her lips.

Not disliking her friend, but for Jean it was too much. She regretted accepting Park Soo Hyun's invitation. After cooling her slightly hot heart, Jean immediately came out.

"Jean, are you here too?" Soo Yin said with a happy face. Unexpectedly, it turned out that Jean had dinner at the same restaurant.

"Soo Yin?" Jean was a little surprised to meet her best friend here. Wouldn't let her find out that she had dinner with Kim Soo Hyun.

"How was your dinner? It must have been fun. I wonder what kind of guy who asked you out," Soo Yin said with sparkling eyes.

Jean only smiled faintly at Soo Yin's words. The dinner was far from pleasant.

"Come on, I can't wait to see him." Soo Yin pulled Jean's wrist out of the toilet area.

Jean can only obediently follow Soo Yin's steps because she really didn't know what reason to find herself free from her friend.

"Jean, the table is here!" Park Soo Hyun called while waving his hand. The man immediately stood up and widened his eyes when he saw his idol girl beside Jean.

"Mr. Park Soo Hyun?" Soo Yin muttered as she looked at Jean.

"Why didn't you tell me that he asked you out?" Soo Yin whispered in Jean's ear.

HIDDEN WIFE : BEST HUSBAND

Chapter 99 - 99 - Don't Touch Her!

Jean didn't flinch, could only sigh. How could she say it when they weren't dating.

Park Soo Hyun walked over to Jean and Soo Yin.

"Soo Yin, what are you here for?"

"I have a dinner with Mr. Takashi and Mr. Dae Hyun here," Soo Yin said.

"Is the event over?" Park Soo Hyun asked.

"Just finished. We will also be home soon," Soo Yin said.

"Then I should just take you home."

"No need because surely Mr. Dae Hyun will look for me," Soo Yin said.

"Yes, don't worry, I will tell my brother that I'm taking you," Park Soo Hyun who insisted on escorting Soo Yin said.

"But" Without Soo Yin's approval, Park Soo Hyun immediately grabbed her wrist.

Jean just stood up before finally Soo Yin also grabbed Jean's wrist.

"I'll take a taxi home," Jean said. Since Soo Yin was among them, Jean felt that Park Soo Hyun didn't need her anymore.

"Sir, you better just drive Jean because our house is opposite. I'll wait for Mr. Dae Hyun," Soo Yin who felt bad for Jean said.

"No problem, I can take Jean first and then drive you. Come on, everyone." Park Soo Hyun got into the car first.

During the trip, Jean was mostly silent. Only occasionally answering questions asked by Soo Yin. Jean felt like an insect repellent now.

"Are you guys dating?" Soo Yin asked clearly. She wanted to ask that question so badly that she forgot to protect Jean's feelings.

"No," Park Soo Hyun said quickly. He didn't want Soo Yin to misunderstand their relationship.

"There's no need to be shy. I think you two are very compatible," Soo Yin said while winking at Jean.

"Really, I took Jean out to dinner just as thanks," Park Soo Hyun said, glancing at Soo Yin in the rearview mirror.

"Thank her?" Soo Yin said while knitting her eyebrows.

"That's because Jean has cleaned my room very neatly," Park Soo Hyun said, trying to find the right reason.

Somehow Jean's heart was cut to hear the answer from Park Soo Hyun. Even though that was what really happened. If not for Soo Yin, how could that man be willing to invite an ordinary girl like her.

"It's true what Mr. Park Soo Hyun said," Jean said. Really Jean felt too stupid to be invited to dinner by a rich man who didn't even look at her. Herself too confident at first. She should be self-conscious enough that maybe a rich and handsome man as handsome as Park Soo Hyun would take her out to dinner if he didn't want to.

"Ohhh ... I see," Soo Yin said.

Not long after, they finally arrived in front of Jean's house.

"Bye, Jean," Soo Yin said as she waved her hand at her friend. Jean only replied for a moment then immediately went into the house. There was a feeling of resentment towards Soo Yin that she has never felt so far.

"Where is your house?" Park Soo Hyun asked after continuing his journey back. Even though Jean has given Soo Yin's address, he didn't know where it was.

"My house ... my house" Soo Yin was confused about where she lives because it was not possible for her to be honest with Park Soo Hyun.

"Do you still live in the rented house?" Park Soo Hyun asked.

"Yes, just take me there," Soo Yin said without thinking anymore. Even though she had absolutely no idea where Park Soo Hyun was referring to.

Soo Yin forgot that she hasn't messaged Dae Hyun yet. Hurriedly she took out her cellphone from her bag but unfortunately her cellphone died because it ran out of battery.

'Poor Dae Hyun, he must be looking for me now.' ~ Soo Yin thought while biting her lower lip. Really she felt sorry for leaving Dae Hyun.

Soo Yin leaned her head while looking at the tree's shadow under the moonlight.

'I'm sorry, honey,' ~ Soo Yin thought again. She should have strongly rejected Park Soo Hyun's invitation.

Slowly Soo Yin's sleepiness began to come so she closed her head for a moment. She will think about how to meet her husband tomorrow morning.

"Uh, she fell asleep." Park Soo Hyun had parked his car on the side of the road right in front of Soo Yin's old rented house.

But Park Soo Hyun immediately drove back to turn around because he couldn't bear to wake Soo Yin who seemed tired.

o

o

o

At the same time at the restaurant.

Dae Hyun was very restless because half an hour his wife said goodbye to the toilet but until now she hasn't come out yet. He had even been standing in front of the women's restroom ten minutes ago. When he was going to enter there were always women who enter or leave and then they glare at him. Until someone insulted him.

After things were quiet Dae Hyun immediately went in to check one by one the women's toilet door, but to no avail. There was no one inside including Soo Yin.

"Honey, where are you?" Dae Hyun muttered while trying to call Soo Yin's cell phone number but it was not active.

"Master, have you found Young Miss?" Chang Yuan who approached Dae Hyun asked. He had just walked around the restaurant to the front yard but couldn't find it.

"How about outside?" Dae Hyun asked.

"I've been around this place together with the others but couldn't find it," Chang Yuan said.

"Quick check cctv!" Dae Hyun ordered. Currently really worried about his wife. He was afraid that the incident the other day would happen again. Dae Hyun didn't want that to happen.

Chang Yuan rushed to the security room to check the cctv to at least get some light. What a surprise to see everything.

"Sir, it turns out that Miss came out with Mr Park Soo Hyun," Chang Yuan who approached Dae Hyun in the parking lot said.

"What?" Dae Hyun clenched his fists. Can't stop thinking that it turned out that Park Soo Hyun has kidnapped his wife. If something happened to Soo Yin, he won't stay silent.

Dae Hyun immediately called Park Soo Hyun's cellphone which turned out to be a long time to get picked. Make him even more restless and think negatively about his brother.

"Park Soo Hyun, where are you?" Dae Hyun shouted as soon as the call was answered. Even Park Soo Hyun who was on the other side of the phone had to keep the cellphone away from his ear. Dae Hyun's scream was deafening.

"What's the matter, Hyeong?" Park Soo Hyun replied casually.

"Where are you taking Soo Yin?" Dae Hyun asked without further ado.

"I took her home. I just parked my car, bye." Park Soo Hyun immediately turned off the telephone line.

"God damn it!" Dae Hyun said.

"Alright, you can go home," Dae Hyun said to Chang Yuan and his other men.

Dae Hyun immediately got into the car. Slamming the door hard because of annoyance and anxiety. The man immediately drove the car at high speed in order to quickly get home.

=====

Brak

Dae Hyun pushed the main door so hard that the voice sounded loud when it touched the wall. His pace was very fast with sharp eyes. The man was like a demon at this moment.

"Park Soo Hyun!" Dae Hyun shouted in a fiery tone. He went straight to the guest room door to confirm everything.

Park Soo Hyun, who had just closed the door, frowned when he saw his brother's slightly creepy look.

"Where's Soo Yin?" Dae Hyun asked in a fairly loud tone.

"Shhhhhh, lower your voice, Hyeong," Park Soo Hyun said, afraid to wake up his idol girl.

"Why did you take her away without telling me?" Dae Hyun jerked while grabbing Park Soo Hyun by the collar.

"I just wanted to try to get closer to her so I drove her home. But she fell asleep, she seemed tired because you made her work too hard," Park Soo Hyun said at length explaining.

Dae Hyun took off his brother's collar but did not respond to his words at all. He brushed off Park Soo Hyun's hand that still holding the doorknob. Want to immediately confirm the condition of Soo Yin, if her condition was fine and her body didn't get scratched at all.

It turned out that the girl had fallen asleep very soundly. Maybe today she was so exhausted that she overslept. Dae Hyun really felt bad about his wife.

"You didn't touch her, did you?" Dae Hyun asked after closing the door again. Staring at his brother with a piercing gaze.

"Brother, you are very strange! How can I bring her here if I don't touch her?" Park Soo Hyun who felt strange about Dae Hyun's attitude said.

Dae Hyun clenched his fists. He really wanted to throw a punch to his younger brother's face. How dare him touch his wife.

"What's all this fuss?" Mrs. Park who was going down the stairs together with her husband asked. They came out because suddenly they heard the commotion that had occurred.

HIDDEN WIFE : BEST HUSBAND

Chapter 100 - 100 - Can Not Sleep

"Mother, Hyeong got angry just because I brought her secretary," Park Soo Hyun said to Mrs. Park.

"Mother, he's such a jerk! How can I not get angry? He took her without telling me first," Dae Hyun muttered, not wanting to lose to complain to his mother. Just like a child fighting over a toy.

"Mother, I just wanted to contact Hyeong, but it turned out that he called first," Park Soo Hyun said.

"Mother, he's lying!" Dae Hyun argued.

"Enough! Stop your arguing!" Mrs. Park snapped while looking at her two sons in turn. Her head was really dizzy listening to them arguing with each other.

Park Ji Hoon could only massage his head. It was unexpected that both sons should like the same person. Even Dae Hyun had married her secretly. If Park Soo Hyun found out, he didn't know what will happen next.

"Where's the girl?" Mrs. Park asked.

"She's in the room and is asleep at the moment. I wanted to take her to her house but she fell asleep so I took her to this house," Park Soo Hyun said defensively.

"It's just an excuse for him to touch her!" Dae Hyun argued.

"Hyeong you're much," Park Soo Hyun said.

"Well, haven't you two just got home? You better take a shower and rest," Park Ji Hoon said in a cold tone.

Not wanting to argue in front of his parents, Dae Hyun chose to go upstairs to clean himself. But later he will make calculations on Park Soo Hyun.

"Father!" Jo Yeon Ho who was going down the stairs together with Aeri called. The boy immediately ran towards Dae Hyun.

"You're awake?" Dae Hyun immediately lifted his son's tiny body.

"I'm not sleepy yet," Jo Yeon Ho replied in a typical cute children's accent.

"We heard some noise earlier. What's the matter?" Aeri asked.

"Nothing," Dae Hyun replied briefly without looking at Aeri.

"Daddy will take a shower first, honey." Dae Hyun kissed his son's chubby cheeks then lowered him.

"Do you need help, honey?" Aeri asked while holding her husband's tie.

"No need, I can do it myself." Dae Hyun immediately stepped up to go upstairs.

Aeri was really annoyed by Dae Hyun's attitude towards her. It felt like he never once was being kind and friendly. Always cold. At first Aeri wanted to catch up, but she was curious so she invited Jo Yeon Ho to go back down the stairs.

"Hi everyone," Aeri said.

"Mother, what exactly happened?" Aeri asked to Mrs. Park.

"Dae Hyun is angry of Park Soo Hyun that brought Soo Yin home without asking permission," Mrs. Park said.

"What?" Aeri dilated her pupils. So just because of that Dae Hyun screamed at nights like this.

"Hi, Yeon Ho," Park Soo Hyun who squatted in front of the child said.

"Uncle take a shower first." Park Soo Hyun pinched his nephew's cheek then rushed off to his room.

"Then where is the girl now?" Aeri said.

"She's inside, already asleep," Mrs. Park replied then followed her husband to sit on the sofa. Already unable to fall asleep so they chose to watch television first.

Park Ji Hoon was holding onto his beloved grandson. Even though Aeri felt bored, she was forced to join the watch even though the program was not very interesting. She was just busy playing with her cellphone while occasionally smiling indistinctly.

Half an hour later Dae Hyun got off, followed by Park Soo Hyun in tow.

"Mother, I want to accompany my future wife to sleep. Is that okay?" Park Soo Hyun asked with a crooked smile.

"Ckckck ... what do you mean future wife?" Dae Hyun asked in a harsh voice and widened his pupils.

"Of course, I intend to make her a wife," Park Soo Hyun said.

"You should not!" Dae Hyun said.

"Actually, what's wrong with you? You've been making a lot of noise!" Mrs. Park who got emotional snapped.

Aeri frowned, looking at the two brothers who sat across from each other.

"Park Soo Hyun, there are greetings from Li Sa," Aeri said to change the subject.

"I am not interested!" Park Soo Hyun replied. His head suddenly hurt when he remembered the name Li Sa.

"You should only be with Li Sa," Dae Hyun said.

"Stop! You better sleep right now!" Park Ji Hoon snapped.

"Okay, I'll sleep in the guest room." Park Soo Hyun got up from his seat.

"Dare to touch her I will chop up your body!" Dae Hyun said with flames of anger.

"Grandma, what about me? Can I sleep with eunnie?" Jo Yeon Ho said, blinking his two small eyes.

"You want to sleep with her?" Mrs. Park asked while raising an eyebrow.

Jo Yeon Ho nodded his head quickly.

"No! You'll wake her up later!" Dae Hyun said.

"I promise I won't be noisy." Jo Yeon Ho showed her little finger.

'Actually, what is the strength of that damn girl that everyone in this house likes her so much,' Aeri who felt that her position in the house was not considered thought.

"Very well," Dae Hyun said, approving his son's idea. With Jo Yeon Ho, Park Soo Hyun definitely wouldn't dare do something bad.

"Come on, uncle also come with you," Park Soo Hyun said.

"Park Soo Hyun!" Dae Hyun jerked a sharp glance at his brother.

"Hyeong, you're so scared. I'm just kidding," Park Soo Hyun said with a wicked smile.

Mrs. Park who escorted Jo Yeon Ho to the guest room. Telling his grandson not to bother Soo Yin. Aeri was reluctant to take her son. How could his son chose to sleep with the woman. Aeri was annoyed and finally caught up with Dae Hyun, who had already entered the room.

ooooo

Dae Hyun was lying on the bed hugging a bolster pillow. He tilted his back to Aeri. Completely ignored her and when Aeri talked about her career, Dae Hyun only responded by clearing his throat and not really listening.

Aeri, who really felt very ignored, began to put her hand on Dae Hyun's stomach. But the man let go and immediately sat down.

Dae Hyun glanced briefly at Aeri then stepped his feet while hugging the pillow against his chest.

"Where are you going?" Aeri who hurriedly sat down asked.

"I'm going to sleep in front of the television, afraid if Jo Yeon Ho wakes up in the middle of the night and then looks for me," Dae Hyun said then immediately hurried away leaving his first wife. He closed the door so hard that it startled Aeri. He couldn't sleep because he was anxious if Park Soo Hyun suddenly walked into Soo Yin's room.

Aeri growled in annoyance, her eyes flushed red in anger. Her hands grabbed the sheets and threw them on the floor. She was so emotional this time that she needed an outlet.

"Actually, what is the strength of that girl that everyone likes her!" Aeri cursed, clenching her fists. Aeri really wanted to get rid of Soo Yin so that she wouldn't get too close to this family.

Dae Hyun stepped hastily down the stairs. He slowly opened the guest room door with his left hand clutching the pillow against his chest. He looked at Soo Yin's face who was still fast asleep with Jo Yeon Ho. They sleep facing each other. Actually Dae Hyun was quite happy to see them getting close like that. But something was up and his heart felt something else. Somehow he was annoyed to see it.

"Hyeong?" Park Soo Hyun who is right behind Dae Hyun called.

A sound that suddenly echoed behind his ears made Dae Hyun jump up in surprise. He immediately turned around to look at the person who had surprised him.

"What are you here for?" Park Soo Hyun asked suspiciously.

"I just ... just wanted to see Jo Yeon Ho, maybe he's looking for me," Dae Hyun stammered a little as he closed the door again. He didn't want Park Soo Hyun to come see Soo Yin asleep.

"Looks like Yeon Ho rarely wakes up at midnight," Park Soo Hyun said.

"I'm his father. Certainly know better about my son. Then why do you even come out of the room at night?" Dae Hyun asked. He also felt suspicious of his brother.

"My throat is dry so I want to get water," Park Soo Hyun said while rubbing his neck.

"After you drink you should go back to your room," Dae Hyun who immediately stepped towards the sofa said.

"What are you doing? Why are you sleeping in here?" Kim Soo Hyun asked, raising an eyebrow when he saw Dae Hyun lying on the sofa instead of returning to his room. He felt there was something strange about his brother's attitude.

"I'll just sleep here so that if Yeon Ho calls me, I'll easily hear him," Dae Hyun replied as he closed his eyes with his arm. It turned out that Jo Yeon Ho with Soo Yin can be used for reasons. So that Park Soo Hyun would not be suspicious.
