Fei was very excited. He couldn't wait to go to the next sub-sect and destroy them!

It was exhilarating to going around with Jiang Ning and do such things!

"Gou's side can start," said Jiang Ning calmly.

Jiang Ning didn't go to the next sub-sect immediately.

It was too much of a hassle to look up every single one of the 12 sub-sects.

It would be better if they came looking for him.

It was just one Ox sub-sect and a tiny loss, so Bao Rongdong probably didn't care.

Did he dare to come out even if he felt the pinch?

Jiang Ning already asked Brother Gou and the others to stand guard outside the Bao family estate. They weren't going to give Bao Rongdong the chance to escape.

Qing Sect was about to be destroyed. Could he still stand by and just watch?

Jiang Ning was curious.

The Oxen had been eradicated!

Word got out quickly. Huo Song's death especially stirred the leaders.

NH

The leaders of the Dragons and Tigers sat together with an uneasy expression on their faces.

“Jiang Ning? He’s come here?” asked Zhang Tiankai as he stood up immediately. A shred of excitement flashed across the corner of his eyes as he continued, “He fell into our lap! Just when we wanted to kill him, he came overseas on his own!”

If Jiang Ning was still in China, they wouldn’t be able to do anything about him. Since they couldn’t enter the country, they could only sit and watch in frustration as Jiang Ning got off scot-free for insulting Qing Sect and them repeatedly.

But Jiang Ning was acting recklessly now!

“Don’t be rash,” said the Tiger sub-sect leader, Qian Hu, as he shook his head. “Huo Song is dead, and we all know his ability well. Since Jiang Ning could kill him, he isn’t easy to handle.”

“Don’t compare ourselves to trash like Huo Song. And don’t compare the Oxen to our sub-sects,” said Zhang Tiankai as he shook his head. “Our sub-sects are the strongest ones in Qing Sect. Who else could Qing Sect have relied on all these years if it weren’t for us?”

He said rudely, “On Bao Rongdong?”

His voice was filled with contempt and even more dissatisfaction.

The Dragons and Tigers made up almost half of Qing Sect's strength, yet they didn't get the same treatment as that woman, Yin Yun!

"Qian Hu, I tell you this is our only chance!" said Zhang Tiankai with some madness in his eyes. "Now we have the opportunity to use Jiang Ning to kill the Chairman and then..."

Qian Hu's expression changed.

He didn't think that Zhang Tiankai would become this crazy!

Zhang Tiankai wanted to become chairman and wanted to use the opportunity to wipe out all obstacles at the same time

He was really vicious!

"Zhang Tiankai, are you sure?" asked Qian Hu as he narrowed his eyes and looked at him.

"Hahaha, things have already come to this stage. Why ask me if I'm certain now?" said Zhang Tiankai. "Qing Sect belongs to the both of us to begin with. How could there be any problem? Moreover, since the one who offended Jiang Ning was Bao Rongdong, all his supporters can die!"

He walked up to Qian Hu and stared hard at him with a vicious look in his eyes as he said, "After Jiang Ning finishes all of them off, we can kill him. Then our status will naturally be the highest in Qing Sect! Qing Sect will fall into our hands

when the time comes.”

Zhang Tiankai had really calculated all this in advance.

But Qian Hu wasn't stupid either.

“Humph, who is going to be chairman when the time comes, you or I?” asked Qian Hu as he stared at Zhang Tiankai since Qing Sect couldn't have two chairmen. “Or are you planning to kill me in the end as well?”

“Hahaha!” said Zhang Tiankai as he laughed and narrowed his eyes and looked deeply at Qian Hu, “I will kill anyone but you. It's no big deal. You can be the chairman, and I will be your deputy. Okay?”

They glanced at each other with ulterior motives of their own in their hearts.

They both knew there could only be one chairman, but they had to cooperate before they had it in the grips of their hands.

Both of them knew this well. Since neither of them was stupid, they wouldn't kick each other aside easily before they had outlived their use.

“Tell me, what should we do now?” asked Qian Hu.

“Jiang Ning hasn't made any other moves. There was no other news about him after the Ox subsect was destroyed,” replied Zhang Tiankai as he paced about and pinched his fingers like he was in deep thought.

“Destroying the Oxen was probably the best Jiang Ning could do. He is overseas now and away from home. Even if he has great strategies, it's hard for him to execute them well here!” said Zhang Tiankai.

Zhang Tiankai's eyes were filled with murder. “I don't care whether Jiang Ning makes a move or not. I'm going to make him bear the crime of killing the Chairman of Qing Sect!”

Qian Hu instantly understood what Zhang Tiankai wanted to do.

He remained silent for a long time without saying a word.

NH

After a long time, Qian Hu stared at Zhang Tiankai and said, "You are truly vicious!"

Qian Hu already made plans in his heart. Initially, he wanted to kill Zhang Tiankai the moment they had the position in the grip of their hands.

Or else he would die instead.

But now Qian Hu felt that Zhang Tiankai had probably made plans long ago and he wasn't Zhang Tiankai's match.

"It's time for Qing Sect to change family names," said Qian Hu as he suggested. "It should belong to the Zhangs.

They looked at each other and laughed at the same time.

Zhang Tiankai knew that his viciousness made Qian Hu realize that he couldn't outdo him. Even if he could only be the deputy chairman, he would only be reporting to one person, and it was still a vast improvement from what he had now.

Humans shouldn't be greedy unless they were powerful enough. Otherwise, it was wiser to be more down to earth.

Neither of them wasted any time and started immediately.

Zhang Tiankai already made plans long ago.

Very quickly, the leader of the Chickens, Cheng

NH

Hong, the Dogs, Liu Deming, and the Pigs, Pan Shan, had all died!

They died tragically!

Many people could testify that the one who killed these men was Jiang Ning.

Qing Sect instantly surged with fury.

Before they could figure out what had transpired, the leader of the Horses, Bai Dong, and the Goats, Xu Zhe, both perished too. Even their trusted subordinates had all been killed.

In just two days, the leader of the Oxen, Huo Song, was the first one to die, then five more leaders perished one after another...

The blame all fell on Jiang Ning because many people had witnessed Jiang Ning killing Huo Song when the first death took place.

Moreover, Jiang Ning and Qing Sect had a vendetta to begin with. There was a reason for Jiang Ning to have a conflict with their leaders.

Qing Sect went into chaos internally and became even more furious!

They were utterly furious!

Jiang Ning was simply behaving too audaciously!

He had humiliated the time and again within

China. Now that he was abroad, he had become even bolder. How dare he assassinate the sub-sect leaders of Qing Sect?

It was intolerable!

If this kept going on, Qing Sect was done for!

The sub-sect leaders sat together yet again. Even though there was a recent conflict between the leaders of the Monkeys, Lin Huan, and the Snakes, Yin Yun, they put aside their personal feud to come together.

If they kept fighting internally, they would probably all perish!

“Qing Sect is in danger!” said Zhang Tiankai sternly as he slammed the table. “Six leaders have died one after another. Who’s going to be next? Is it you?”

Zhang Tiankai pointed at Lin Huan before pointing at himself, “Or is it going to be me?”

“In any case, I think it won’t be Bao Rongdong for sure since he is hiding at home and doesn’t dare to show his face!”
