

HIS WIFE IS THE REAL BIG BROTHER –

CHAPTER 5 NO ONE IS ALLOWED TO TALK TO HER

Chapter 5

At 7:45 p.m., Tang Qianzhu arrived at the auction hall.

She was dressed casually, not much different from usual. Even so, because this face is so beautiful and open, it attracts numerous pairs of eyes.

Black chicken slightly lowered his head towards her ear and whispered, "Boss, there are at least thirty-five hungry wolves lusting after your beauty."

Tang Qianzhong was not too excited, looking at the men who were gathering towards them, so she said, "I'm going to the bathroom, you deal with it."

"Huh? Boss"

The words did not finish, the girl has walked away.

As soon as she turned her head, Black Chicken was confronted by the oncoming men.

"Mr. Lu, it's been a long time, I didn't expect, to see you here." A boss smiled and extended his hand.

Black Chicken smiled and shook it.

The other party was busy adding, "By the way, which girl is that young lady you were with just now? Brother Lu is really lucky to have such a beautiful girlfriend."

The black chicken smiled lightly and did not say anything, in fact, did not know what to say.

Every time he was taken out by his boss to shoot, he had already gotten used to it.

Holding to the principle of more talk and more mistakes, he did not say much, the other side said anything he was smiling and nodding.

This scene, coincidentally, was just arrived by the two Feng string see.

In fact, the two came in after Tang Qianzhong, just in time to witness this scene.

The assistant's eyes were round with shock.

When he saw it just now, he thought it was just a misunderstanding, but he didn't expect that Tang Qianzhuo had really made a boyfriend.

The company's main business is to provide a wide range of products and services to the market.

The eyes are mysterious and profound, always unreadable.

In a few seconds, he moved his eyes away and struck up a conversation with the old bosses who came over to say hello.

The assistant pushed his glasses, and was not much surprised by the boss's reaction.

After all, his boss has nothing but work in his heart, he doesn't care about other people's personal matters.

The reason he came to the auction tonight was because word had gotten out that Bai Mi had sent a unique perfume to be bid on.

His boss was trying to find Bai Mi through this perfume.

Tang Qianzhong came out of the bathroom and went to the terrace to pass the time by blowing the wind and waiting for the auction to start.

Just after walking out, a somewhat shrill female voice came to her ears -

"Cousin?!"

She turned her head slightly, and her eyes were clear and cold.

Lin Wenyu carried a skirt whose width could almost be described as exaggerated and approached quickly, staring at Tang Qianzhong with wide eyes, "It's really you!"

She turned around and shouted as if she had discovered something remarkable, "Mom, Dad, it's cousin."

Tang Qianzhu didn't even intend to pay attention to her, and by now had already gone to stand by the bar, enjoying the night view.

Yun Ruyi couple came closer and saw the girl's side face, and was surprised for a while.

"How come indistinct is also here?" Yun Ruyi looked at her husband.

As before, Tang Yi did not have a good face as soon as he saw Tang Qianzhu.

At this time, it is even more described as the word gloomy.

Lin Wenyu bit her lips, "Dad, in fact, this afternoon my mother and I saw cousin was picked up by a strange man, last night she did not go back to the Feng family, nor to the Tang family, I'm afraid, is to go live with someone else."

After she finished, she pursed her lips and secretly measured her stepfather's expression.

Seeing his face darken a few more, the corners of her lips hooked up slightly.

Just then, a man appeared beside Tang Qianzhong, close to her, saying something.

Lin Wenyu's eyes lit up, "That's the man!"

Yun Ruyi sighed, "It seems that indistinct was brought by him, otherwise this auction admission is so hard to find, how can she get in as a child."

"Husband, I'm really worried about indistinct, after the death of her sister she became strange, not listening to anyone, a solemn aura, this is just, now also mixed with men, if this continues, she will ruin herself."

Before the words were finished, Tang Yi's face was already getting darker and darker, his cold, hard eyes fell on Tang Qianzhong, and a few seconds later, glanced at the mother and daughter.

"Neither of you two are allowed to go over and talk to her, just pretend you don't know this person."

After explaining, he walked away with his steps, not even a single look moved towards Tang Qianzhu.

Yun Ruyi's mother and daughter looked at each other and both sneered at Tang Qianzhong's direction.

"Mom, cousin really doesn't like dad, she doesn't even like to take care of her business."

Yun Ruyi's eyes raised, "So I told you to work hard, excellent in every aspect, to make your father happy, and in the future to leave you a part of the inheritance may be."

Lin Wenyu excited: "Then I'll see something good later and give it to dad as a gift, with my bonus shot. Also let cousin see how far the gap between her and me is!"

After the three people had gone far away, Tang Qianzhong's eyes slowly turned to that figure, with sarcasm in the bottom of her eyes.
