

Big Shot 301

Chapter 301: Background

Qiao Nian recalled Jiang Yue's question to her and instantly understood.

So that was how it was. He was bothered by this.

Qiao Nian's voice turned colder as well. "Actually, I didn't want to have a child either. I was just joking with Jiang Yue. You don't have to take it seriously."

"That's good."

Gu Zhou's voice was low and hoarse, making it impossible to tell his emotions.

Actually, Qiao Nian didn't want to have a child at all. However, when Gu Zhou had mentioned this just now, she had thought that he really wanted to have a child with her.

Since he didn't want to have children either, that was good.

However, when she thought about it, if the sun rose in the west one day and Gu Zhou insisted that she give birth, she would have a headache.

Now that Qiao Nian had relaxed, it didn't take long for her to fall asleep.

In the darkness, Gu Zhou slowly opened his eyes. His eyes were like stars in the night sky, cold and deep.

He wasn't sure if Qiao Nian would accept that child.

Four years ago, when he found Wang Lin, she was lying in a pool of blood.

Beside Wang Lin was a dying child. Wang Lin begged him to save the child.

After that, he did a paternity test with the child. This child was indeed related to him by blood.

For so many years, he had always thought that Wang Lin was the young lady who had spent that night with him because of this.

However, he had a strange feeling that Wang Lin wasn't her.

Hence, he got someone to investigate it, but the results were fruitless. He also asked a famous hacker to help investigate it. The information the hacker found was identical to what he had found previously.

Last week, he suddenly thought of something.

If Wang Lin didn't give birth to the child, it meant that someone else had spent the night with him.

He asked Chen Qing to get Wang Miao's hair so that he could do a paternity test with the child.

It was probably at this moment that Jiang Yue found out about the existence of that child.

The results of the paternity test were out.

Wang Miao was not related to the child by blood.

This child was his and Wang Lin's. Then who exactly gave birth to this child?

What concerned Gu Zhou the most was that when Qiao Nian's adoptive mother came to save Qiao Xin, she had also mentioned Wang Lin.

That could only mean one thing.

Qiao Nian's adoptive mother might know about what happened back then.

In that case, the investigation had to start with the Qiao family.

At the thought of this, Gu Zhou's eyes grew colder and colder.

...

The next day, when Qiao Nian woke up, her bed was cold and she was alone.

It seemed that Gu Zhou had been awake for a long time.

After Qiao Nian got out of bed and washed up, she walked downstairs. She didn't see Gu Zhou anywhere.

When she walked downstairs, she saw Jiang Yue sitting on the sofa, her face pale. A servant was massaging her neck.

When Qiao Nian passed by, she accidentally saw a mark on Jiang Yue's neck. It seemed to have been caused by a snake.

Strange.

Why would a snake attack Jiang Yue for no reason?

When Jiang Yue saw Qiao Nian, she greeted politely, "Second Sister-in-law, good morning!"

Qiao Nian nodded indifferently. She wasn't concerned about the wound on Jiang Yue's neck. Instead, she walked towards the dining room. As soon as she entered, she saw Mr. Dong Hua and Matriarch Gu chatting casually. Zhao Qian, who was standing at the side, was grinning from ear to ear.

When Mr. Dong Hua saw Qiao Nian, he raised his beautiful phoenix-like eyes slightly and greeted her gently, "Good morning, Little Sister!"

When Qiao Nian heard Mr. Dong Hua address her as his sister, she was slightly stunned. She had always thought that this was just a casual remark. She didn't expect Mr. Dong Hua to take it seriously.

When Matriarch Gu heard Lu Nian's words, she said angrily, "You can't call her that. You have to call her Second Sister-in-law!"

Lu Nian narrowed his beautiful phoenix-like eyes and licked his lips with her pink tongue. "Nian Nian, how do you think I should address you?"

Qiao Nian was slightly stunned. She didn't expect Lu Nian to throw this question at her.

Chapter 302: Scandal

Qiao Nian looked at Lu Nian. Although she knew that Lu Nian was a part of this family, the thought of him being Mr. Dong Hua made her involuntarily nervous.

His music brought her out of the darkness.

He was her guiding light.

He was her idol and pillar of support, so she would always be at a loss of words.

Qiao Nian pondered for a while, then said, "Just call me Nian Nian, just like Grandma."

Her answer was according to Lu Nian's wishes.

Matriarch Gu said helplessly, "You've struck gold!"

Lu Nian smiled happily, then his gaze fell on Qiao Nian's face. He asked, "Shouldn't there be a conclusion today about Xia Xue?"

"Yes." Qiao Nian nodded.

If she wanted to deal with Xia Xue, she could just move her little finger.

After breakfast, Qiao Nian carried the violin to school.

When she reached the school gate, she realized that everyone was looking at her strangely, as if she were a vicious beast.

Qiao Nian frowned. She had a bad feeling about this.

"How can such a person still have the cheek to come to school?"

"If I were her, I would have found a place to hide long ago. How would I dare to come to school?"

"You don't understand. She can only be with old men with her looks. How can she not go out on the streets? If she doesn't, won't she lose her job?"

"I really didn't expect our school to produce such a scum. I hope the principal will chase her away quickly!"

"Previously, I heard her play the violin so well. I thought she came to this school on her own. I didn't expect her to get in through the back door!"

"Her violin skills are much better than Senior Xia's!"

"Really?"

"What a pity that you weren't there!"

"What do you know? The old man who kept her likes the violin, so she risked her life to play the violin just to get that old man to keep her. It was also so that that old man could send her here!"

“Really?”

“How can that be fake? There are already photos. Hurry up and go take a look at Baidu Tieba [1. Baidu’s online forum]!”

“Could it be that someone else is deliberately creating hype to frame her because he envied her talent?”

“How is that possible? Didn’t you hear what she said? She taught herself how to play the violin and zither. Do you think someone who came from the countryside has the ability to make the school make an exception and accept her?”

“The eyes of the public are sharp. Now that the matter has been exposed, I’ll see how she’ll still have the cheek to stay here in the future.”

...

Listening to the whispers of those people, Qiao Nian roughly understood what had happened.

It was obvious that Gao Lin and Xia Xue were behind this.

The moment Qiao Nian entered the classroom, she saw Wang Xuan running over, panting.

“Nian Nian.”

“What’s wrong?” Qiao Nian looked at Wang Xuan in confusion.

“You don’t know who’s making this up. Hurry up and look at Baidu Tieba!” Wang Xuan said anxiously.

Qiao Nian and Wang Xuan walked into the classroom and asked casually, “Inelegant photos?”

Wang Xuan nodded slightly.

“Then there’s no need to look. It must be fake,” Qiao Nian said calmly.

“There’s a photo of you getting into Second Young Master’s car!”

Qiao Nian recalled what had happened yesterday evening and instantly understood.

Those people would probably have photos of her getting into a luxury car. Then, they would photoshop some indecent photos. When that happened, word would spread like wildfire. What was fake would become real.

“Then what do you plan to do?” Wang Xuan looked at Qiao Nian worriedly.

Qiao Nian’s eyes were cold, and her red lips curved up wickedly. She said unhurriedly, “Since they want to cause trouble, let’s add fuel to the fire!”

Wang Xuan looked at Qiao Nian in surprise and confusion. “What kind of logic is that?”

Qiao Nian said confidently, “Don’t worry, just wait for the show.”

At this moment, Gao Lin walked in arrogantly in her high heels.

Chapter 303: Lesson

Gao Lin gave Qiao Nian a sidelong glance, her eyes filled with disdain. She pretended to fan the air in front of her nose.

“Oh my, why does it smell so bad? No wonder I smell like a fox. So it’s the woman who is relying on an old man. How disgusting. Qiao Nian, how many men do you have to take care of every day?”

Wang Xuan frowned. Just as she was about to scold Gao Lin, Qiao Nian stopped her.

Qiao Nian stepped towards Gao Lin.

Gao Lin looked at Qiao Nian, suddenly frightened by her aura. “You... you want to do...”

Bam!

The crisp sound of the slap reverberated throughout the classroom.

All the students in the classroom were stunned.

Even Gao Lin, who had been hit, could not regain her senses for a long time.

Qiao Nian straightened her back and her gaze fell on Gao Lin’s face. She raised her eyebrows slightly and said coldly, “It’s useless to speak up when dealing with people like you, who are full of shit. I have to attack directly.”

Wang Xuan looked at Qiao Nian with starry eyes.

Wow!

Qiao Nian was too cool!

She had really learned something!

Gao Lin had never suffered such humiliation before. She was so angry that her eyes turned red. She wanted to hit Qiao Nian back, but when she thought of how Qiao Nian had defeated four classmates last time, she instantly chickened out.

Gao Lin sniffed and questioned, “Are you angry out of humiliation? Are you desperate? If you have the ability to do it, don’t be afraid of others saying it. You’re a whore, yet you still want to set up a memorial arch!”

Bam!

Qiao Nian gave her another slap.

The entire class was so shocked that their eyes were about to fall out of their sockets. At this moment, they were all shocked by Qiao Nian’s cold aura.

Oh my god, Qiao Nian was so bold!

How dare she?

One had to know that if one hits someone in school, they would be expelled.

Wasn't Qiao Nian afraid of being expelled?

"How dare you hit me?" Gao Lin looked at Qiao Nian in disbelief, her tears falling uncontrollably. If looks could kill, Qiao Nian would have died a thousand times over.

Qiao Nian took out a tissue and gently wiped the hand that hit Gao Lin. She said casually, "So what if I hit you? What can you do?"

Gao Lin stomped her foot and said angrily, "Just you wait. I'll go look for the dean now. You'll definitely be expelled!"

"Then go! We'll see who gets expelled first."

Gao Lin's eyes widened in anger. She said furiously, "I'll go to the dean with this face. I'm injured. He'll definitely believe me!"

Gao Lin took a step forward and continued, "Don't think that just because those old men who are supporting you are all powerful, you can do whatever you want in An City. Let me tell you, this school is run by Principal Lu. No one in An City dares to go against him!"

Qiao Nian crossed her arms and raised her eyebrows slightly. She said, "If you didn't mention it, I would have forgotten. If Principal Lu finds out that the three of you casually slandered your classmates and said that their private lives were indecent, wouldn't such a person be expelled?"

Gao Lin was stunned.

Three?

How did Qiao Nian know that there were three of them?

If she remembered correctly, Qiao Nian had never seen Liu Yu before.

All the onlookers turned to look at Gao Lin. They could smell gossip.

A trace of a smile flashed across Qiao Nian's face. She continued, "Oh, right, I remember now. Did you lie to Brother Cao and snatch someone else's place?"

"What nonsense are you spouting!" Wang Lin roared in exasperation.

"Why are you throwing a tantrum? Let me tell you, on account that we were classmates, I'll give you twenty minutes to go to the radio room with Xia Xue and Liu Yu. Then, you'll apologize to me in front of the entire school. Moreover, you'll have to make Xia Xue admit that she stole someone else's position as Mr. Dong Hua's female musician. You'll also have to admit to everything you've done outside the school!"

Chapter 304: Threat

Seeing the aura Qiao Nian was exuding, Gao Lin was so frightened that she couldn't speak.

For some reason, she felt that Qiao Nian was different from ordinary classmates. Qiao Nian was like Asura from hell, making one shudder.

In the end, Qiao Nian raised her voice and said, "If you don't do as I say, don't blame me for being impolite. Not only will the three of you be punished by the school, but you'll also lose your foothold in An City."

Gao Lin was initially a little afraid of Qiao Nian, but when she heard Qiao Nian's last sentence, she immediately burst out laughing.

So Qiao Nian was just bluffing.

How could she, Gao Lin, be frightened by Qiao Nian?

Gao Lin looked at Qiao Nian mockingly. "Qiao Nian, who do you think you are? You're so arrogant. Those who don't know better might think that you're the president of the country!"

Qiao Nian looked at Gao Lin calmly and said, "I've already given you a chance. If you don't cherish it, then blame me for being impolite!"

With that, Qiao Nian pulled Wang Xuan out.

Gao Lin walked out. She hurriedly took out her phone and called Xia Xue, then briefly explained what had just happened.

When Xia Xue heard this, she began to laugh. She said mockingly, "Qiao Nian must be desperate! She must be trying to scare us because she's guilty. You don't have to bother with her. In the end, her reputation will definitely be ruined, not ours!"

Gao Lin thought so too, so she said, "After this incident, she can forget about snatching your position in the future! What right does a kept mistress have to be Mr. Donghua's female musician?"

When Xia Xue heard this, her lips curved up in a bright smile. "Alright, Mr. Dong Hua's concert is about to happen. I still have to practice, so I won't talk to you anymore!"

"Sister Xia Xue, you have to practice hard. I'll hang up first. Bye!"

After Gao Lin hung up, she walked out smugly.

Downstairs.

Wang Xuan stood beside Qiao Nian. Seeing that Qiao Nian was texting, she asked slowly, "Aren't we going to the training room to practice?"

When Qiao Nian heard Wang Xuan's question, she looked up at her and asked seriously, "Didn't you say that you wanted to hold a music gathering at the field? Let's go now!"

Wang Xuan's eyes widened as she looked at Qiao Nian in disbelief. Qiao Nian actually wanted to go for the event. She sighed helplessly. "Now that you're embroiled in scandals, I don't think those people will go for the vent. They don't want to get into trouble! I think it's better if we don't go!"

When Qiao Nian heard Wang Xuan's words, she raised her eyebrows slightly and said, "Whether they come or not, as an invited party, I should go. This is a courtesy, and also a fulfillment of my promise."

At this moment, Qiao Nian's phone rang.

Qiao Nian unlocked it and saw that Gu Zhou had sent her a WeChat message. "No problem."

When Qiao Nian and Wang Xuan arrived at the field, there was indeed no one there.

That made sense. Now that such a big thing had happened to her, no one would be willing to get involved with her before they found out the truth.

Although no one was willing to attend the music gathering, many people came to watch the show.

They were all very curious as to whether Qiao Nian was a mistress who was kept by an old man as suggested by the post on Tieba.

When they arrived at the field, they saw Qiao Nian taking out her violin, preparing to play.

Beautiful music slowly flowed out of the violin. The onlookers could not help but be immersed in the sea of music.

After the song ended, Qiao Nian glanced at her watch. Twenty minutes had passed. Her red lips curved up slightly.

Chapter 305: Public Execution

Gao Lin, Xia Xue, and Liu Yu also rushed over.

Actually, Xia Xue hadn't wanted to come, but Liu Yu had said that she could see Qiao Nian's reputation ruined today. She couldn't help but rush over to watch the show.

Gao Lin stood at the side with her arms crossed. She said disdainfully, "How embarrassing. There's no one here, and you're still soloing. I'm sure you're playing the violin desperately to please the rich!"

Xia Xue felt a flash of pleasure, but her expression was gentle as she spoke. "Lin Lin, don't say that. There might be a misunderstanding."

When Liu Yu heard Xia Xue's words, she said coldly, "How can there be a misunderstanding? Moreover, I just heard from the director that such a person with a loose private life will definitely have a negative impact on the school. The school will definitely punish her severely."

When the other onlookers heard Liu Yu's words, they nodded in agreement and pointed fingers at Qiao Nian.

Seeing that Qiao Nian didn't even bat an eyelid, Gao Lin felt as if her fist had landed on cotton. She was furious. When she thought of how she had been slapped twice in the morning for no reason, she yearned to go forward and slap Qiao Nian back.

However, she was no match for Qiao Nian. She could only scold her even more harshly. "You're just a prostitute. Everything about you has been exposed, and your indecent photos are everywhere. Even if you sit here with your clothes on, we can still imagine your dirty naked body."

"I don't know where you get your courage to sit here. If I were you, I would have found a place to hide long ago. I would never embarrass myself here."

Just as Gao Lin finished speaking, a female voice suddenly sounded from the school's radio, which should have been playing music.

"Sister Xia Xue, what exactly is going on?"

This voice...

Gao Lin's face froze, and her eyelids twitched violently. For some reason, she began to panic.

Xia Xue and Liu Yu looked at each other and then at Gao Lin.

Everyone looked surprised. They didn't understand why the radio no longer played music.

The radio was silent for a long time. The sound of their breathing could be heard faintly.

About five minutes later, Gao Lin's voice rang out again on the radio. "Sister Xia Xue, I think Qiao Nian is playing the song 'Missing You' on purpose today. I think she came prepared. Is she here because of your status as Mr. Hua's female musician? Why haven't you spoken? Are you going to give this position to Qiao Nian?"

"Sister Xia Xue, only you are qualified to be Mr. Dong Hua's female musician. The day after tomorrow is Mr. Dong Hua's concert. Before that, don't screw up!"

After a long time, Xia Xue finally spoke.

"This... this matter is a little complicated. I don't know what to say..."

Hearing Xia Xue's words, all the students in the school pricked up their ears. They seemed to have smelled the scent of a conspiracy.

When Xia Xue heard this, her face turned pale in fear. She couldn't help but tremble.

How... how could this be...

Gao Lin was dumbfounded. Her mind was in a mess. She didn't know why this had happened.

Gao Lin looked toward Qiao Nian and saw her standing under a tree. Her expression was languid, and her lips were curved up slightly, as if everything was within her expectations.

Gao Lin seemed to have thought of something. She hurriedly glanced at the time. Twenty minutes had passed since Qiao Nian had threatened her.

Could Qiao Nian be telling the truth?

Chapter 306: The Truth

Impossible! This was absolutely impossible!

How could Qiao Nian know about this?

The voice on the radio continued to speak.

“Sister Xia Xue, why aren’t you saying anything? We grew up together and have such a good relationship. Don’t hide it from me. What exactly is going on? Don’t worry, I won’t betray you. I’ll help you forever!”

When the others heard Gao Lin’s words, they were all instantly touched. They thought to themselves that Gao Lin and Xia Xue were really close.

Hence, everyone quietened down to listen.

Xia Xue’s face grew paler and paler, and her body trembled in fear. She didn’t dare to listen any longer. She ran up to Qiao Nian and said, “Qiao Nian, what exactly are you doing? What must I do for you to stop?!”

“The truth.” Qiao Nian looked at Xia Xue intently and shrugged. “I just want everyone to know the truth. I’ve already given you a chance, but you didn’t cherish it. Don’t blame me for being impolite!”

Hearing Qiao Nian’s words, Xia Xue knew that Qiao Nian had no intention of stopping.

The broadcast continued.

At this moment, Xia Xue’s hesitant voice came through the radio.

“Actually, actually... I’m not the person Brother Cao is looking for!”

When they heard Xia Xue’s words, everyone in the school was stunned.

They looked at Xia Xue in disbelief. Yesterday, when they heard that Xia Xue was going to be Mr. Dong Hua’s female musician, they immediately treated Xia Xue as their goddess.

But they had never expected their goddess to be a liar.

Xia Xue was now sitting limply on the ground. Her face was pale, her eyes were red, and her hair was in a mess. She looked extremely disheveled.

The voice on the radio continued.

Xia Xue felt as if she had been placed on a frying pan.

“How... how did this happen?”

“Actually, that afternoon, when I passed by the training room, I heard the pleasant sound of violin music coming from inside. At that time, I thought that some teacher was practicing in there, so I wanted to go over to greet him and ask for guidance.”

“As you know, violin is the last thing I’m good at. When I entered the classroom, the person inside had already left. At that time, I wanted to be inspired and try to practice the violin. However, when I took it out, I was still uneasy, so I started playing the piano in the practice room.”

“I had just played one song when the cleaning lady came in. I no longer had any intention of playing the piano, so I left directly. Later on, I found out that Brother Cao had been staying inside. He came out to ask the cleaning lady for help, and she told Brother Cao that I was the one practicing.”

“Did Brother Cao misunderstand that you were the violinist?” Gao Lin asked.

“Yes.”

Gao Lin’s sharp intake of breath could be heard over the radio.

“So, the person who was practicing the violin in the training room was Qiao Nian? Qiao Nian is the person Brother Cao is looking for?”

“It’s very likely her. Moreover, the violin tune she played in front of Brother Cao is almost identical to the one I heard at the training room door that day. I don’t know if Brother Cao will recognize this sound. If he knows that the person playing the violin is Qiao Nian, then all my hard work will have been in vain.”

“That’s right. We must not let Qiao Nian know. Otherwise, she will replace you as Mr. Dong Hua’s female musician!” Gao Lin’s voice was firm.

Xia Xue’s voice was a little flustered. “Then... then what should we do now?”

“Actually, this matter isn’t that difficult. Mr. Dong Hua’s concert will be held soon. As long as we don’t let Brother Cao meet Qiao Nian during this period, the matter will be resolved,” Gao Lin said wittily.

“Yes, you’re right. I was the one who got the chance first. This position should have been mine. Moreover, Qiao Nian is a country bumpkin. She hasn’t received any professional training. How can she be qualified to be Mr. Dong Hua’s female musician? She’s not worthy of standing by Mr. Dong Hua’s side either. Only I am worthy of standing by Mr. Dong Hua’s side and becoming the center of attention!”

Chapter 307: Get Out

“Sister Xia Xue, you mustn’t tell a third person about this. We have to be wary of Qiao Nian in the future. Moreover, we have to destroy Qiao Nian’s hands in the future, so that she will never be able to play the violin again. That way, no one will know the truth of the matter, and you’ll be the female musician chosen by Brother Cao.”

“Then, how can I cripple Qiao Nian’s hand?” Xia Xue asked uneasily.

“I... I don’t know either. But Sister Xia Xue, don’t worry. When I return to the classroom, I’ll keep an eye on Qiao Nian. As long as I have the chance, I’ll cripple her hands! Otherwise, she’ll show off in front of us!”

“Then go quickly. Let’s contact each other on WeChat in the future!”

The recording ended abruptly.

Everyone in the school was stunned.

Gao Lin collapsed to the ground. She lowered her head in despair, not daring to look around. Even so, she could feel the people around her looking at her and Xia Xue with anger and disgust.

“Oh my god, my goddess is actually such a person!”

“I was curious previously. Qiao Nian clearly plays the violin so well. Why would Brother Cao think highly of Xia Xue? So there’s more to this matter!”

“Xia Xue is too shameless. Who gave her the confidence to snatch someone else’s position and even want to cripple their hand? She’s simply vicious!”

“My worldview has been refreshed!”

“These two people are worse than beasts!”

“Our hands are the most precious thing to us musicians. If we lose our hands, what’s the difference between us and a cripple? Moreover, Xia Xue and her are too vicious. They stole someone else’s position and even wanted to ruin their future. They’re simply eradicating them completely!”

“These two people don’t deserve to stay in our academy!”

“Get out!”

“Get out!”

“Get out!”

...

Xia Xue listened to everyone’s words and immediately felt her mind buzzing. She didn’t want to hear another word and collapsed to the ground weakly.

It was over. It was all over. Her life was completely over!

“No, this isn’t real. This is a synthesized voice!” Gao Lin shouted loudly. Pointing a finger at Qiao Nian, she roared hysterically, “Qiao Nian, Qiao Nian did all of this. In order to become Mr. Dong Hua’s female musician, she used all means to frame us!”

When the people around them heard Gao Lin’s words, they couldn’t help but start discussing.

“Even if your voice can be synthesized, your tone can’t!”

“Qiao Nian plays the violin so well. She doesn’t have to be jealous of you at all. Gold will always shine! You clearly have a guilty conscience!”

“Some hens must be blind to think that they’re phoenixes!”

“I’m really disappointed. I didn’t expect Xia Xue, who has always been gentle and kind, to be such a vicious person.”

...

When Xia Xue heard those words, she broke down and shouted, “No, that’s not what happened. I’m the female musician chosen by Mr. Dong Hua! Only I am! I am!”

Although Gao Lin was on the verge of a mental breakdown, she still wanted to salvage the situation. However, Xia Xue looked as if she was giving herself away.

Gao Lin hurriedly got up and ran to Xia Xue. She hurriedly hugged Xia Xue and said softly, “Sister Xia Xue, every entertainment celebrity has scandals. As long as we get past this, everything will be fine. You have to pull yourself together. What we just played was just a recording. Moreover, we can say that Qiao Nian specially hired someone to imitate our voices. As long as we refuse to admit it, no one will do anything to you!”

Liu Yu, who was standing not far away, looked at Gao Lin and Xia Xue in surprise. She had not expected this to happen.

Now that the three of them were on the same boat, they could not afford to be rash. Otherwise, they would be punished by the school.

Liu Yu forced herself to calm down.

When Xia Xue heard Gao Lin’s words, her rationality gradually returned.

That’s right. As long as she refused to admit it, she wouldn’t replace Qiao Nian.

She was also Mr. Dong Hua’s female musician, whom Brother Cao had personally selected.

As time went on, the storm would pass. No one would remember such a small matter.

Xia Xue took a deep breath. She had to salvage the situation.

Chapter 308: Slander

Xia Xue composed herself. She stood up and looked at Qiao Nian pitifully. Biting her lip, she said pitifully, “Student Qiao Nian, I don’t know why you’re slandering me like this, but I’ve done nothing wrong. I’ve never done anything to let you down.”

As Xia Xue spoke, tears rolled down her cheeks. “And I did practice the violin and piano in the practice room that afternoon. The cleaning lady was my witness.”

Xia Xue looked sincere. Some brainless men really believed her. After all, Xia Xue had always had a good reputation in school.

“I don’t think Xia Xue is lying.”

“Could Qiao Nian really have hired someone to imitate Xia Xue and Gao Lin’s voices?”

“That’s very likely. You must know that Xia Xue is kind, so how could she have done something like impersonate her?”

“That’s right, that’s right. I don’t think Xia Xue would do such a thing either!”

...

When Gao Lin heard the words of the people around her, she heaved a sigh of relief. As long as someone was willing to believe Xia Xue, there was still room for negotiation.

Hence, Gao Lin smiled and tried to smooth things over. "Qiao Nian, everyone knows how capable you are, but you can't try to snatch Sister Xia Xue's position by hook or by crook just because of this!"

Qiao Nian stood rooted to the ground, staring unblinkingly at Gao Lin. She wanted to see what other tricks Gao Lin had up her sleeve, so she didn't interrupt her.

The higher she stood, the harder she would fall.

Gao Lin put on a magnanimous expression and advised earnestly, "Student Qiao Nian, if you really want to be Mr. Dong Hua's female musician, you can get Sister Xia Xue to recommend you to Mr. Dong Hua after Sister Xia Xue gets familiar with Mr. Dong Hua. I believe that with your talent and ability, you can definitely be a backup female musician!"

Wang Xuan, who was standing at the side, was stunned!

This was the first time she had seen such a brazen person. Judging from Gao Lin's words, she was clearly trying to establish her status as inferior.

"Gao Lin, how dare you say such things?" Wang Xuan couldn't help but lash out.

Gao Lin's expression remained the same. She said calmly, "Wang Xuan, what has this got to do with you? Why are you causing trouble? I'm telling the truth!"

The onlookers did not speak. Now that the matter had yet to be concluded, they did not know who to believe.

Gao Lin could guess what the other onlookers were thinking, so she gave Liu Yu a look.

Liu Yu immediately understood. She said coldly, "Sister Xia Xue, Linlin, you're being bullied because you're too kind. Why don't you use your brains to think? What's the use of explaining? You won't be able to beat her!"

"She has the ability to seduce old men, and also the ability to get old men to send her to the academy. This means that her schemes are much deeper than yours. Now that she wants to snatch Sister Xia Xue's position, so she must have planned this long ago!"

Liu Yu's words instantly enlightened everyone.

Only then did everyone remember the photo of Qiao Nian on Tieba.

When Qiao Nian left the school, she got into a luxury car with a violin on her back.

Moreover, there had long been rumors on Tieba that Qiao Nian practiced the violin every day because the rich man liked it. That was why she could play the violin better than her peers.

Gao Lin gave Liu Yu a satisfied look and said, "If you didn't mention it, I would have forgotten. She transferred here halfway through school. She probably used her status as a tycoon's sugar baby to enter

the school. That's why she got someone to create this recording. Now, it seems that money can really make the world go round!"

Liu Yu and Gao Lin's words made some people who did not know the truth waver.

"In that case, that tycoon should be very capable in An City!"

"He must be capable. Otherwise, why would a beauty like Qiao Nian be with him?"

"There are many indecent photos of her on Tieba! I didn't expect her to be such a person!"

Chapter 309: Reversal

"A woman who can use her beauty to become a mistress. I think she'll definitely do something to slander others!"

"I don't think that's possible. I've heard Qiao Nian play the violin. Her music is very riveting and spiritual. I think she must be very kind-hearted to be able to master the violin to such an extent. She must be a very good lady! I think the rumors on Tieba are all slander!"

...

Amidst everyone's discussion, Qiao Nian walked towards Gao Lin with her violin on her back.

Everyone's gaze fell on Qiao Nian.

Qiao Nian stood in front of Gao Lin, her fox-like eyes emitting a cold light. She glanced at the guilty Xia Xue and the uneasy Liu Yu and raised her eyebrows slightly. "I'll give you one last chance. Apologize in person, or ruin your reputation. Choose!"

If Qiao Nian were a kept woman, it would be easier to believe.

Xia Xue bit her lip hard and cried pitifully. She questioned pitifully, "Qiao Nian, things have already come to this. Aren't you going to apologize to us? What exactly do you want? Do you want to use me as a stepping stone?"

Gao Lin and Liu Yu, who were standing beside Xia Xue, nodded in agreement.

Qiao Nian's red lips curved up in a mocking smile. "I've already given you a chance. Since you don't want it, let's take this to Weibo!"

After Qiao Nian finished speaking, she looked down at the post she had already composed on Weibo. Finally, she clicked "Send".

Qiao Nian posted the recording and it instantly went viral on Weibo.

Shocking. Xia Xue is pretending to be Mr. Dong Hua's female musician and impersonating someone

Qiao Nian the Treasure Girl

Curious, everyone on the field took out their phones and began to follow the trending searches on Weibo.

In less than two minutes, Qiao Nian was the trending topic that topped the searches.

At this moment, everyone in the school was shocked.

The second trending topic was Second Young Master Gu's Weibo.

"It's my honor to build a gymnasium for An City University!"

After that, Gu Zhou tagged Qiao Nian, the principal of An City University.

Everyone looked at Qiao Nian in disbelief. They had never expected Qiao Nian to be the principal of An City University.

How did she become the principal at such a young age?

Oh, right.

There was an unwritten rule in An City University. The principal of An City University was hereditary. As long as the younger generation was outstanding, they could take on this heavy responsibility.

No one had expected Qiao Nian to be the principal of An City University.

Moreover, those ambiguous photos on the forum were deliberately photoshopped by someone with ulterior motives.

The truth was always so unexpected.

When Gao Lin saw Weibo, she was stunned. It was as if she had been struck by lightning. She could no longer think.

Xia Xue and Liu Yu were also dumbfounded.

The netizens on Weibo instantly erupted.

[Oh my god, the principal is so young and beautiful. She can even debut in the C-rank in the entertainment industry!]

[She's the first person in the world to make Gu Zhou publish a post!]

[I know her. There have been many rumors about her in school these past few days. They say that she's a kept woman of a rich man. Those who spread rumors are truly despicable!]

[So she was discussing a collaboration with Gu Zhou. How despicable is the person who took those photos? They said that she was an old man's sugar baby. Rumors are simply terrifying!]

[If she debuts, I want to be her first fan!]

...

Qiao Nian's Weibo account instantly gained countless fans.

While everyone was still worshipping Qiao Nian, Mr. Dong Hua made a post.

“Welcome, my female musician!”

After that, Mr. Donghua even tagged Qiao Nian!

Netizens were confused.

By the time the netizens came back to their senses, Weibo had already exploded.

Oh my god!

Why was there so much gossip today? They couldn't catch up at all!

Chapter 310: Falling to the Bottom

In the beginning, Gu Zhou, who had never posted anything on Weibo, cleared Qiao Nian's name. Then, the mysterious genius composer, Mr. Dong Hua, invited Qiao Nian to be his female musician.

Everyone on the field glanced at Xia Xue, then at Qiao Nian.

The former was someone Brother Cao had taken a liking to, while the latter was personally invited by Mr. Dong Hua!

The difference between them was simply too great!

Xia Xue held her phone with trembling hands. She looked at the contents of Weibo in shock. What little rationality she had left was instantly shattered. She looked up at Qiao Nian. “When did you meet Mr. Dong Hua? Why did he choose you to be a female musician? I'm clearly his female musician!”

Gao Lin stepped forward and grabbed Xia Xue's arm, signaling for her to stop arguing. She said firmly, “Qiao Nian, don't be too smug. Mr. Dong Hua just said that you're his female musician, which means that you're his backup musician. Our Sister Xia Xue is Mr. Dong Hua's true female musician!”

Liu Yu nodded in a daze and continued, “Yes, that's right. Mr. Dong Hua only said that you were his female musician, and he didn't say that you were his only female musician!”

When Wang Xuan heard the words of the three of them, she instantly felt as if her worldview had been refreshed. These three people were truly thick-skinned. They simply wouldn't shed a tear until they saw their coffins.

“Are you sure you're Mr. Dong Hua's female musician?” Qiao Nian asked, raising her eyebrow slightly.

“Of course. Brother Cao has already posted on Weibo!” Xia Xue said firmly.

Qiao Nian looked down at her phone and swiped her finger twice. Finally, she looked at Xia Xue casually and smiled. “But why do I see that Brother Cao has already deleted that Weibo post?”

Xia Xue's heart instantly sank to the bottom. She held her phone with trembling hands, her tears falling onto the screen one by one. It wasn't easy for her to find Brother Cao's Weibo, but the Weibo post about her had already been deleted.

How could this be?

Impossible. It was impossible for Brother Cao to delete it.

It must be because Weibo was too jammed!

With this thought in mind, Xia Xue refreshed Weibo several times, but the results were the same.

Gao Lin stood beside Xia Xue. She looked at Brother Cao's Weibo and her heart sank.

Xia Xue's face was covered in tears. She muttered, "How is this possible? How can this be?"

Xia Xue couldn't believe that Brother Cao had deleted the Weibo post about her. When she refreshed the page again, she saw that Brother Cao had just posted a new Weibo post.

"I'm sorry, everyone. I made a mistake previously. The only female musician we invited is Qiao Nian. I hope to see Miss Qiao Nian's outstanding performance!"

Xia Xue's grip loosened and the phone fell to the ground, shattering the screen.

Liu Yu was instantly flustered. She asked uneasily, "What should we do? What should we do?"

Gao Lin's last hope had vanished. She couldn't believe what she had just seen on Weibo. She shook her head vigorously and repeated, "How could Brother Cao do this? He previously agreed to let Sister Xia Xue be a female musician. Why did he change it just like that?"

When Qiao Nian heard Gao Lin's words, she found them especially laughable. She asked, "Why can't I change it? Xia Xue clearly stole my position! Why can't I take it back openly?"

Xia Xue looked up at Qiao Nian and raised her hand to wipe her tears. Her beautiful peach blossom eyes were filled with hatred as she looked at Qiao Nian. Her body couldn't help but tremble. It was as if all the strength in her body had been sucked out. She felt as if a knife was constantly stabbing into her heart, making her want to die.

There were several times when Xia Xue almost fainted from anger.

Gao Lin stood there in a daze. All her hopes were on Xia Xue. She had never expected her hopes to be dashed so quickly.

Why had it become like this?

Qiao Nian was clearly a country bumpkin!nnn

How did she become the principal of An City University?

Qiao Nian was clearly a shameless mistress who had been kept by old men.

How did it suddenly turn into a discussion about building a gymnasium with Gu Zhou?

She, Gao Lin, was clearly the daughter of a rich family. How had she become an ugly duckling?

What should she do?

What should she do now?

She had even posted some indecent photos of Qiao Nian on the Internet. How should she deal with this?
