

Big Shot 511

Chapter 511: Drill

Song Yue met Qiao Nian's gaze. Qiao Nian looked at her as if she was looking at a dead person.

Song Yue felt a chill on her back and her surroundings were cold.

She was a little afraid of the current Qiao Nian.

Song Yue suppressed her fear. She would never allow a country bumpkin like Qiao Nian to step on her head.

She was a high and mighty heiress.

She was the most suitable woman for Brother Lu Zhu.

Song Yue questioned, "Qiao Nian, don't change the topic. Do you think I won't know if you don't tell me? From the beginning, I suspected that you were in cahoots with Jiang Chi. Otherwise, why would Jiang Chi let you leave? The facts prove that I was right!"

Qiao Nian felt that Song Yue was getting more and more ridiculous.

She believed that her brother would never believe Song Yue's nonsense.

Qiao Nian asked, "Weren't you the one who cooperated with Jiang Chi and told his men to take my life? It hasn't even been a week. Does Miss Song have amnesia? Have you forgotten all about this? You said that I'm not my brother's sister. Do you have any evidence?"

Towards the end, Qiao Nian's voice became colder and colder. She was about to lose her patience.

Qiao Nian looked at Song Yue threateningly, as if warning her not to spout nonsense.

Hearing Qiao Nian's words, Song Yue snorted coldly and said disdainfully, "You won't give up until you see death!"

After Song Yue finished speaking, her gaze landed on Lu Zhu's face. She said ingratiatingly, "Brother Lu Zhu, when you were in the operating theater, Qiao Nian gave you 500 milliliters of blood because you lost too much blood. If she's close to you, the doctor wouldn't have used her blood. This can only mean one thing. She only has the same blood type as you. You two aren't related by blood."

Lu Zhu did not speak. His gaze became colder and colder.

Qiao Nian frowned. She hadn't expected Song Yue to know about her blood donation. Moreover, Song Yue had used this matter to prove that she wasn't Lu Zhu's biological sister.

Seeing that Qiao Nian was silent, Song Yue thought that she had hit Qiao Nian's sore spot and became even more arrogant.

“Qiao Nian, you’re really vicious. Your blood was transfused into Brother Lu Zhu’s body. When the two of you do a paternity test, the results will definitely show that the two of you aren’t related by blood. You’re really scheming. You’ve done so much just to get close to Brother Lu and the Lu family. Tell me, what exactly do you want to do?”

When Qiao Nian heard Song Yue’s question, she wished she could give her a thumbs up. She looked at Song Yue disdainfully and mocked, “Your imagination is running wild. You described it so vividly. If you’re so good at making things up, why don’t you become a screenwriter?”

Lu Zhu sat by the bed and looked at Song Yue quietly. Song Yue’s face was filled with seriousness, as if she was not lying.

Even though Song Yue sounded serious and flawless, Lu Zhu still believed that Qiao Nian was Sugar.

Lu Zhu did not know why he would believe that Sugar was her so unconditionally.

Song Yue saw that Qiao Nian was silent. Like a judge in court, she said righteously, “Qiao Nian, the evidence is in front of you now. I’ve exposed all your lies. What else do you have to say? I advise you to tell the truth early!”

Qiao Nian smiled coldly and asked, “Who told you that I donated blood?”

When Song Yue heard Qiao Nian’s words, she laughed maniacally and said sarcastically, “Qiao Nian, I think you’re the one with Alzheimer’s. You’re already spouting nonsense. All the doctors and nurses know that you donated blood to Brother Lu Zhu. Moreover, Li Na even said that you donated 500 milliliters!”

Qiao Nian frowned slightly. She didn’t want her brother to hold a grudge against her because of Song Yue.

Chapter 512: Witness

Qiao Nian smiled coldly and said, “Alright, call someone from the operating theater over now. We’ll ask him in person.”

At that moment, Li Na walked in with the pills.

Li Na was sensitive to the strange atmosphere in the room. Her heart skipped a beat and she swallowed nervously. “Mr. Lu, your medicine!”

When Song Yue saw Li Na, her eyes lit up.

Li Na, the young nurse, looked like a yes-man. She probably wouldn’t lie.

Song Yue smiled sweetly and said to Li Na gently, “Miss Li Na.”

Li Na’s heart was in her throat when she heard Song Yue calling her. Then, she pretended to be calm and turned to look at Song Yue. She asked politely, “Miss Song, what can I do for you?”

Song Yue went straight to the point. "I have a very important question to ask you. You have to tell the truth. If you lie, don't blame me for being rude. When Mr. Lu was undergoing surgery, did Qiao Nian donate blood to Mr. Lu?"

Li Na recalled Qiao Nian's words and nodded. "Yes, Doctor Qiao donated blood to Mr. Lu!"

Lu Zhu was slightly stunned. He had not expected Li Na to say that, and the answer was what he expected.

Except there was something wrong with Li Na's eyes. She was looking down to her right, and she was swallowing hard. She looked as if she were guilty of lying.

When Song Yue heard Li Na's words, her lips curled up into a bright smile. She knew it. Qiao Nian was a liar. This time, Brother Lu Zhu would definitely believe her.

Song Yue smiled at Li Na and said, "You can leave now."

Li Na silently set the pills on the nightstand. "Yes," she said, and hurried outside.

Song Yue sat proudly in her wheelchair, looking down on Qiao Nian. She shouted, "Qiao Nian, there's already a witness. What else do you have to say?"

"Actually, back in the emergency room—"

"I advise you not to quibble anymore. When I found out that you donated blood to Brother Lu Zhu, I thought it was a little strange. Why didn't you tell Brother Lu Zhu with great fanfare? Now I understand that you deliberately hid this matter to pretend to be Brother Lu Zhu's sister. You really have ulterior motives!"

Towards the end, Song Yue couldn't help but get excited.

Song Yue took out her phone from her pocket. These were the bank records of Li Na and Doctor Sha. After the surgery, Qiao Nian had transferred two million yuan to them.

Song Yue pushed the wheelchair to Lu Zhu's bed and handed the phone to him. With a gentle expression, she said, "Brother Lu Zhu, don't be fooled by Qiao Nian's flowery words."

When Lu Zhu saw the payment information, his eyes gradually became deep and his expression complicated.

Lu Zhu's frown deepened. His Sugar was already thinking very far ahead.

He knew exactly why Sugar had wired money to the doctors and nurses.

Qiao Nian clenched her fists so tightly that her knuckles turned white. She looked at Song Yue with a sinister expression, wishing she could punch her.

Qiao Nian turned around and glanced at Lu Zhu again. She saw that he had been staring at Song Yue's phone thoughtfully. She couldn't tell what he was thinking at all.

Qiao Nian's heart skipped a beat.

Would her brother believe what she said?

Would he believe Song Yue's words since her words sounded reasonable?

The situation was very disadvantageous to her now. Qiao Nian's frown deepened.

A trace of anticipation flashed across her eyes as she looked at Lu Zhu. She really wanted to gain Lu Zhu's trust.

Lu Zhu was her biological brother. They were real family members!

Chapter 513: Selfish

Qiao Nian's gaze fell on Song Yue's face again. Her expression was serious as she enunciated each word clearly. "Are you stupid? Don't you think your words are a little contradictory? According to what you said, I gave them the hush money purely to prevent them from telling my brother that I donated blood to him. That way, I can take the opportunity to become the precious daughter of the Lu family. But why did she just say in front of us that I donated blood to my brother? Isn't she worried that I'll ask for the hush money back?"

Hearing Qiao Nian's words, Song Yue couldn't help but laugh. With a look of disdain, she said, "Compared to your threat, she's more afraid that Brother Lu Zhu will attack her. What's wrong with that? That's why she doesn't dare to lie to Brother Lu Zhu. You're a despicable and shameless person. Now that you've pretended to be the eldest daughter of the Lu family, have you ever thought about how sad Brother Lu Zhu and the others will be when they find out the truth?"

Without waiting for Qiao Nian to speak, Song Yue said confidently, "You're pretending to be the eldest daughter of the Lu family. You're just pretending to be someone. But have you ever thought about what the Lu family will do when they find out the truth? Do you know that they're obsessed with the pain of losing the eldest daughter of the Lu family? They've been in pain for more than twenty years. You're making them suffer even more for your own selfish reasons. You're not worthy of being human!"

Qiao Nian ignored Song Yue's words, because she felt that Song Yue was like a fly buzzing in her ear, making her feel a little annoyed.

However, Song Yue was still self righteous and continued, "Have you ever thought that if you just used a fake paternity test to enter the Lu family, the rest of the Lu family wouldn't notice? Do you really think everyone in the Lu family is an idiot? There can't be any loopholes in that matter back then. If there were, it wouldn't have escaped the eyes of the Lu family!"

At this point, Song Yue's eyes couldn't help but turn red. Her heart ached as she looked at Lu Zhu. Her Brother Lu Zhu was too kind. He had almost been deceived by Qiao Nian again.

"Qiao Nian, I will never allow you to hurt Brother Lu Zhu. The eldest daughter of the Lu family is Brother Lu Zhu's bottom line. Now that I've exposed your fake mask, you're like a rat. You're vicious and disgusting. You shouldn't continue to live..."

"Shut up!" Lu Zhu interrupted Song Yue with a dark expression. He could almost guess what Song Yue was going to say next.

Song Yue was shocked by Lu Zhu's voice. She looked at her brother Lu Zhu in surprise. She did not expect there to be killing intent in his eyes.

Song Yue couldn't help but shiver. Her lips trembled as she said, "Brother Lu Zhu, I..."

Lu Zhu lifted the blanket and got up from the bed. He walked towards Song Yue step by step.

When he walked up to Song Yue, he looked at her with a dark expression and questioned in a low voice, "Since you know that I care about my family's eldest daughter, why are you still slandering her? You even want to curse her. How dare you?"

Lu Zhu's voice was cold and hoarse, like a demon from hell.

Qiao Nian's throat tightened involuntarily, and she felt a lump in her throat. She had never expected her brother to believe her unconditionally.

Even though Song Yue had brought out so many arguments against her, her brother had never suspected her.

Song Yue swallowed nervously and looked at Lu Zhu with red eyes. This was the first time she had seen such a terrifying Lu Zhu, and her body couldn't help but tremble.

"Brother Lu Zhu, why don't you believe me? I'm clearly doing this for your own good..."

Before Song Yue could finish, Lu Zhu grabbed her neck. His eyes were cold, like a dagger slashing across Song Yue's face.

"You've already touched my bottom line." Lu Zhu's voice was so cold that there was no warmth in it.

Chapter 514: Danger

Qiao Nian was stunned by Lu Zhu's reaction.

She had always thought that her brother was like a bright moon in the night sky, cold and unattainable. However, she never expected that after her brother got angry, he became completely different.

Song Yue tried her best to breathe. She reached out to pry Lu Zhu's hand away, but Lu Zhu's grip became stronger and stronger. She gradually could not breathe.

"Ahem..."

Song Yue was speechless now.

She could not believe that Lu Zhu did not listen to a single word she said to him previously.

Qiao Nian was a liar.

Qiao Nian was the one who had done something wrong.

Why was Brother Lu Zhu so harsh on her?

Song Yue gradually rolled her eyes and struggled less. Just as she almost died from lack of oxygen, Lu Zhu threw her to the ground.

“Ah!” Song Yue screamed, gasping for breath, and tears fell uncontrollably.

It hurt. It hurt so much. That part down there hurt so bad she could barely breathe.

Song Yue looked down and saw that her pants were already stained with blood.

Song Yue looked at Lu Zhu with tears streaming down her face and said pleadingly, “Save, save me...”

Lu Zhu’s eyes were cold without any warmth. “I gave you a way out before.”

Song Yue’s blood stained the floor. She trembled as she looked at Lu Zhu.

Qiao Nian frowned slightly. She could tell that Song Yue was really afraid this time.

At this moment, Song Yue bit her lip. She could not see any warmth in Lu Zhu’s black eyes. She knew that Lu Zhu really wanted her to die.

Song Yue shook her head gently and crawled to Lu Zhu bit by bit. She begged bitterly, “Brother Lu Zhu, save, save me...”

“I’ve already given you a chance, but you keep crossing my bottom line. Since you’re so brave, I’ll let you be brave for once! You don’t have to go back to An City anymore!”

At this point, Lu Zhu called out, “Chen Shi.”

Chen Shi pushed open the door and walked in. When he saw Song Yue on the ground, his face was expressionless without a trace of pity. “Young Master.”

Lu Zhu looked at Chen Shi without blinking and said, “Take her out and clean her up!”

“Yes.”

Song Yue still wanted to struggle, but she was in too much pain.

Chen Shi carried Song Yue out like a rag.

Only at this moment did Song Yue clearly realize that Brother Lu Zhu really didn’t want her to live anymore. They really couldn’t go back to the past.

Chen Shi hurriedly got someone to clean up the blood in the room. The entire room instantly became clean, as if nothing had happened.

Qiao Nian was slightly taken aback. She didn’t pity Song Yue at all, because Song Yue deserved it. If Song Yue hadn’t caused trouble, she wouldn’t have suffered so miserably.

However, Qiao Nian was worried that Song Yue’s death would affect her brother. After all, everyone in An City knew that Song Yue had come here with her brother.

“Brother.”

Lu Zhu seemed to understand what Qiao Nian was about to say. He interrupted her and said, "If we bring her back to An City, it will only bring us more trouble. If she doesn't cause trouble, she will naturally be safe. However, she is restless. She only has herself to blame."

Lu Zhu knew about the relationship between the Song family and the Lu family, so he gave Song Yue a chance. It was just that Song Yue was unwilling to cherish it!

"Brother, what about the Song family?" Qiao Nian looked at Lu Zhu worriedly.

When Lu Zhu heard Qiao Nian's words, his voice was cold as he said, "She was the one who wanted to kill you first, and she almost caused me to die in the Ghost City. She should have died at Jiang Chi's hands. If it weren't for me, you wouldn't have brought her back. Now, we're just letting Song Yue return to the night she was injured. We will just choose not to save her again."

Chapter 515: Trust Her

Qiao Nian had never expected her brother, who she had always thought was gentle, to have such a cold and ruthless side.

Besides, her brother was right. Song Yue should have died in Ghost City long ago.

"If she comes to her senses and finds out who you are, she'll spread the word and put you in danger."

At this point, Lu Zhu hid the coldness in his eyes and his voice became warm. "Sugar, I once told you that I wouldn't put you in danger again."

When Qiao Nian heard Lu Zhu's words, her eyes couldn't help but turn red. It felt so good to be protected. "Brother, you're so good to me. In the future, I might not be able to control myself. I might become arrogant after being doted on."

Lu Zhu reached out and gently tapped Qiao Nian's nose. He smiled dotingly and said softly, "My sister has the right."

Qiao Nian smiled in embarrassment. She helped Lu Zhu to the bed and asked curiously, "Brother, Song Yue just brought out a lot of evidence. Why didn't you suspect me?"

Seeing the bright smile on Qiao Nian's face, Lu Zhu couldn't help but swallow. He said softly, "Silly girl, why should I suspect you? It's all my fault. I lost you by accident. I didn't protect you well enough and didn't find you sooner."

Qiao Nian looked at Lu Zhu in confusion.

"Did you realize that the two of us were related when you were in the operating theater?" Lu Zhu asked.

Qiao Nian was slightly taken aback, but she quickly reacted and nodded. "Okay."

“That’s why you gave them hush money to keep it quiet. If you hadn’t done that, news of our relationship might have spread back long ago. At that time, you would have become a target.” Lu Zhu paused and continued, “If I had woken up then, I would have made the same decision.”

Qiao Nian’s uneasiness instantly dissipated. Her eyes were filled with joy as she said softly, “Brother, so you understand everything!”

“You’ve worked so hard to survive until now. Every step you take is very careful.” Lu Zhu held Qiao Nian’s hand and said warmly, “However, you don’t have to be so careful in the future. With me around, I’ll definitely protect you well.”

Qiao Nian’s heart warmed and her eyes reddened. So Brother already knew everything.

“If you weren’t my biological sister, with your achievements, how could you insist on being my sister? This is all my fault. If I hadn’t brought Song Yue over, how could you have suffered?”

Hearing Lu Zhu’s words, Qiao Nian held his hand tightly. “Brother, if you hadn’t brought her here and if you hadn’t experienced all this, I wouldn’t have the chance to acknowledge you. I know that with you around, you definitely wouldn’t let me suffer.”

When Qiao Nian reached the end of her sentence, her voice broke. She was really too easily touched.

She recalled the situation when she returned to the Qiao family. At that time, everyone treated her coldly and she did not receive any love.

So this was what real family meant. Real family put her first.

“Thank you, Brother.”

“Actually, I should be the one thanking you!”

As soon as Lu Zhu finished speaking, the door opened.

Qiao Nian and Lu Zhu looked over and saw Xu Qian standing nervously at the door of the ward. Her expression was complicated. After thinking for a long time, she walked in.

Xu Qian pursed her lips and mustered her courage. She explained, “M-Mr. Lu, Li Na is a person who keeps her promises, so she didn’t say anything. However, I didn’t take any money, so I can tell you the truth. Actually, Doctor Qiao didn’t give you a blood transfusion because when you were having surgery, there was a hemolysis. Only then did I realize that she was related to you by blood.”

Chapter 516: Clarification

Xu Qian really did not know what would happen if she told the truth.

Besides, she just overheard the conversation between Doctor Sha and Li Na.

Doctor Sha was very unhappy. He felt that in that situation, Li Na should tell the truth.

Besides, Dr. Qiao was Mr. Lu’s sister.

Xu Qian was really worried that Mr. Lu would still believe Song Yue's words. If that was the case, the consequences would be unimaginable.

Only now did Xu Qian know that Mr. Lu was injured because of Song Yue.

So Song Yue was the bad guy.

Therefore, when Xu Qian heard those words, she was really worried that Mr. Lu did not believe Doctor Qiao. The only thing she could do was to help Doctor Qiao explain.

She was going to tell the whole truth.

Qiao Nian frowned warily and asked, "How did you know?"

"I'm a nurse, so no matter what, I'll be very careful. When I was packing up the operating theater that night, I didn't find the blood bag you donated for Mr. Lu, so I initially suspected that in order to please Mr. Lu, you deliberately made everyone say that she donated blood for you. Coupled with what Doctor Sha and Li Na said, I'm completely sure what happened," Xu Qian said with a firm gaze.

Seeing Xu Qian like this, Qiao Nian suddenly understood why Xu Qian could become a head nurse in MY.

Xu Qian was quick-witted. The hospital needed such talent.

Xu Qian frowned and pursed her lips slightly. "I was originally worried that Mr. Lu would believe what Song Yue said. That's why there was such a huge misunderstanding. I wanted to tell you about this."

When Xu Qian said this, she could not help but feel nervous again. However, she did not know how Doctor Qiao would deal with her.

She couldn't bear to see Doctor Qiao and his sister turn against each other because of someone else's instigation.

The air in the ward gradually became thinner. She glanced at Mr. Lu, then at Qiao Nian. Seeing that they were deep in thought and not speaking, she continued, "Don't worry, I won't spout nonsense. I won't mention this again."

After saying this, Xu Qian became inexplicably nervous. She didn't know how Doctor Qiao would deal with her.

Actually, Xu Qian did not want to get involved in these matters at all because it was too dangerous.

Qiao Nian narrowed her eyes and looked at Xu Qian. Pursing her lips, she said, "Okay, remember what you said. Get out."

Xu Qian heaved a sigh of relief before turning around and walking out.

Qiao Nian watched as Xu Qian left. She could feel the fear in Xu Qian's heart.

Previously, Xu Qian had brought Song Yue over. She didn't like Xu Qian to begin with, but Xu Qian was a reliable nurse.

Moreover, Xu Qian clearly knew that she didn't donate blood, but she didn't tell anyone. It seemed that she was a person who could keep her mouth shut.

Moreover, Xu Qian had run over without any scruples this time to help her clear her name.

"Thank you." Qiao Nian watched as Xu Qian walked to the door of the ward.

Xu Qian had just opened the door when she heard Qiao Nian's words. She turned around and saw the sincerity in those beautiful foxy eyes.

She had a strange feeling in the pit of her stomach and suddenly didn't know what to say. In the end, she shook her head and gave her a thin smile before heading outside.

Lu Zhu naturally understood Qiao Nian's thoughts. She must be grateful that Xu Qian could help her.

Actually, without Xu Qian's words, he would have still believed Qiao Nian.

Lu Zhu could not help but sigh in his heart. His Sugar must have suffered so much to become so insecure.

He had to work hard to give all the best things to Sugar and make her happy for the rest of her life.

Qiao Nian smiled and reminded him, "Brother, you should rest."

Chapter 517: Something's Happened

Lu Zhu looked at Qiao Nian lovingly. He wanted to spend more time with her, but when he saw the dark circles under Qiao Nian's eyes, his heart ached. He hurriedly said, "Sugar, go back to the hotel and rest tonight. Chen Shi will guard me here."

"But I—"

"Sugar, don't refuse your brother's kindness. We've already reunited. If Mom and Dad find out I didn't take good care of you, they'll say I treated you badly. They might even break my leg."

Hearing Lu Zhu's words, Qiao Nian couldn't help but laugh. "Brother, I won't expect you to be beaten up by Mom and Dad at your age!"

Lu Zhu smiled dotingly and said, "Alright, Sugar, listen to me now. Go and rest!"

As for what he said about being beaten up, he didn't elaborate.

Qiao Nian didn't want Lu Zhu to worry about her, so she nodded and said, "Alright, I'll go back to the hotel first. Brother, I'll come back tomorrow!"

"Yes."

Qiao Nian covered Lu Zhu with the blanket before walking out.

Lu Zhu lay on the bed and watched Qiao Nian leave, his eyes filled with gentleness. However, when he thought about how Qiao Nian was already married, he couldn't help but feel depressed.

He finally found Sugar, but he hadn't spoiled her yet. Sugar was already married to someone else.

Moreover, Sugar was married to Gu Zhou.

Was it just fate?

...

About half an hour later, Qiao Nian returned to her hotel room.

She finally acknowledged her brother now, and her heart, which had been beating wildly in her chest, relaxed.

Qiao Nian happily took a shower and was applying a facial mask when her phone suddenly rang.

The call was from Gu Zhou.

When she saw the name Gu Zhou, she was a little dazed.

Although they had only been apart for a few days, Qiao Nian felt that it had been a long time since she had contacted Gu Zhou.

Qiao Nian answered the call and placed the phone to her ear. "What's wrong?"

The line was silent. No one answered her.

Qiao Nian frowned slightly and called out worriedly, "Gu Zhou?"

The sound of wind and heavy breathing came from the other side of the phone. This breathing was a little too fast. Qiao Nian's expression immediately turned serious.

Could something have happened to Gu Zhou?

Qiao Nian felt increasingly uneasy. Frowning, she hurriedly asked, "Gu Zhou, what happened to you now? Why didn't you say anything when you called? Are you still in MY?"

Qiao Nian asked a series of questions, but the other party didn't answer at all.

Qiao Nian's frown deepened. She bit her lip and asked tentatively, "If you don't speak, I'll hang up!"

"I'm fine. Can't I call you?"

His voice was low and hoarse. It reached Qiao Nian's ears through the microphone, making her feel that Gu Zhou's current situation seemed to be very bad.

Was Gu Zhou injured?

Qiao Nian couldn't help but feel nervous. She hurriedly asked, "Gu Zhou, what's wrong?"

Qiao Nian didn't hear Gu Zhou's voice. She could hear his heavy breathing and the faint sound of his footsteps.

She remembered that Gu Zhou still had injuries on his back and asked worriedly, "Where is Chen Qing?"

At this moment, Gu Zhou's voice came through the phone.

'Why haven't you called me?'

Qiao Nian was slightly taken aback. She had never heard Gu Zhou speak in such a voice before.

There seemed to be an unhappy tone in his voice mixed with some grievance, as if he were suppressing something.

Qiao Nian's heart trembled slightly. For some reason, her heart ached.

"Gu Zhou, you..."

"Why do you keep thinking about Gu Zhou?"

He interrupted her without hesitation. His voice was deeper and huskier than before. He seemed sad and uneasy.

Chapter 518: Zhou Zhou Can't Find You

Qiao Nian frowned and blurted out, "You... you're not Gu Zhou?"

The other party was silent for a moment, as if he was a little hurt. Then, he said, "How many times do I have to tell you before you remember that I'm Zhou Zhou, not the Gu Zhou you're talking about!"

Qiao Nian was shocked.

Qiao Nian's eyes widened involuntarily. She felt as if she had been struck by lightning. She was dumbfounded.

Qiao Nian's heart raced, and her mind buzzed. She even forgot to think.

She never expected Gu Zhou's second personality to appear and even call her.

Her head was pounding now, and she didn't know what to do.

His dissatisfied voice came from the phone. "Nian Nian, where are you? Zhou Zhou can't find you!"

Qiao Nian was speechless. Didn't he say that he had something important to do? Why was he feeling aggrieved?

She was really curious. What could make Gu Zhou's emotions fluctuate so much?

However, she did not have the time to dwell on this matter now. Zhou Zhou's personality was very innocent and did not have the slightest resistance. What if something happened?

Qiao Nian was as anxious as a cat on a hot tin roof. She took off the mask on her face and sat on the bed. She hurriedly asked, "Zhou Zhou, where are you now? I'll look for you."

"Does Nian Nian really not like Zhou Zhou anymore?"

Qiao Nian was speechless. No matter what she asked, he wouldn't answer. He probably didn't know Chen Qing anymore.

Helpless, Qiao Nian could only hang up and call Chen Qing.

On the other hand, Chen Qing was woken up by his phone ringing.

He took out his phone from his pocket. He had just woken up and was a little dazed. When he saw that the call was from Qiao Nian, he instantly sobered up.

Chen Qing greeted her respectfully. "Madam!"

Qiao Nian asked worriedly, "Chen Qing, where is Gu Zhou now?"

Chen Qing was in a daze from his sleep. When he heard Qiao Nian's question, his expression changed.

Madam would definitely not call for no reason. Something must have happened to Second Young Master.

Chen Qing got up and hurried into the back room. He turned on the light in the room and saw that the bed was empty.

He had a bad feeling and quickly said, "Madam, Second Master is missing."

Qiao Nian's expression darkened instantly. She asked anxiously, "What do you mean?"

Thinking about what had happened recently, he frowned and said honestly, "Second Young Master has been in a bad mood for the past two days. He has been locking himself in his room. I was guarding him outside. I just entered the room and realized that he was gone."

"Then go and feel the temperature on the bed now," Qiao Nian said anxiously.

"Yes."

Qiao Nian's heart beat faster and faster. She didn't know what had happened to Gu Zhou to force Zhou Zhou out. The thought of the wound on Gu Zhou's back made her expression turn even uglier.

She could tell from the marks on Gu Zhou's wounds that the other party wanted to cut off Gu Zhou's neck and kill him.

However, Gu Zhou cleverly dodged the attack, so he only injured his shoulder blade.

But now that simple-minded Zhou Zhou was out, could he still survive if he encountered another enemy?

"Oh no, madam. Second Master's bed is completely cold."

Chen Qing's voice instantly pulled Qiao Nian back to reality.

"Don't spout nonsense!" Qiao Nian frowned, her voice laced with anger.

Only then did Chen Qing realize that he had said something that would easily be misunderstood. He quickly corrected himself and said, "Madam, I-I think Second Young Master might have left long ago."

Qiao Nian's heart sank. Her eyelids kept twitching as she hurriedly said, "Go and look for him immediately. Search for him somewhere near where you live. You must find him!"

Chapter 519: Missing

"Yes," Chen Qing said nervously.

Qiao Nian's eyes darted around as if she had thought of something. She asked, "Is the place you're living in close to me?"

Chen Qing said without thinking, "Not far. About 20 kilometers."

Qiao Nian's frown deepened. Since Gu Zhou had already returned, why hadn't he come looking for her in the first place?

She recalled what Chen Qing had just said. Gu Zhou was in a bad mood and had been cooped up in the house.

So what happened?

Previously, Gu Zhou left because he saw the video of someone knocking Qiao Xin unconscious and taking her away. Could it be related to that man?

Qiao Nian knew that she wouldn't be able to figure it out even if she thought about it this way. Hence, she frowned and said, "Alright, send me your location now. I'll look for you."

"Yes, ma'am," Chen Qing said, nodding.

After Qiao Nian hung up, her heart was in a mess. Worried that something would happen to Gu Zhou, she took out her phone and called him.

Beep—

Beep—

Beep—

After three rings, a cold female voice suddenly came from the phone.

"I'm sorry, the number you have dialed is unavailable. Please try again later!"

When Qiao Nian heard this voice, she suddenly panicked. Unwilling to give up, she called Gu Zhou again. However, it was still a cold female voice.

She prayed that Gu Zhou would be able to answer the call and suppress his personality as Zhou Zhou and wake up.

She quickly put on her clothes and prepared to leave. Her phone was still switched off.

Qiao Nian didn't give up. As she continued making calls, she put on her clothes and shoes and went out. When she reached the door, she opened it and saw Gu Zhou sitting dejectedly by her door.

He was soaking wet and curled up in a ball. His hair was wet. Water dripped onto the floor and quickly disappeared.

Qiao Nian hurriedly walked up to him and saw that his head was buried in his knees. The phone screen in his hand was broken and covered in rain water.

"Gu... Zhou Zhou?" Qiao Nian called out.

She didn't even know when Gu Zhou arrived at her place. Why didn't he knock?

Hearing Qiao Nian's voice, Gu Zhou raised his head and stared at her intently. He closed his eyes, and the rainwater from his eyelashes slid down his cheeks.

His lips were pale and he looked in terrible shape.

He blinked, a hint of fear appearing in his eyes. He hesitated for a moment before saying, "Nian Nian, Zhou Zhou wants to make a call, but the phone isn't obedient."

Qiao Nian was slightly taken aback.

Gu Zhou handed the phone to Qiao Nian.

Qiao Nian's heart ached when she saw this. She held Gu Zhou's hand hesitantly, her voice filled with gentleness. "Why didn't you knock?"

Gu Zhou didn't say anything. He just held Qiao Nian's hand.

Qiao Nian was really helpless. She had no way of explaining to Gu Zhou's second personality what had happened.

He probably doesn't even know how he got here.

At this thought, Qiao Nian couldn't help but hold Gu Zhou's hand tightly, wanting to warm his cold hand.

Fortunately, Gu Zhou was fine, and she gradually felt more at ease.

Qiao Nian pulled Gu Zhou inside and said with a smile, "Alright, go in and take a shower. Don't catch a cold again."

She pulled him toward the room, then closed the door. Automatically, she released his hand and headed for the bathroom.

At this moment, Gu Zhou quickly walked forward and hugged Qiao Nian from behind.

Qiao Nian was stunned. She could feel Gu Zhou's muscles through his clothes.

She didn't move again.

Although Zhou Zhou spoke and acted like a child, he was still a normal man.

After a while, Qiao Nian said tentatively, "Zhou Zhou, I'm..."

“Nian Nian, don’t leave the Zhou Zhou again!” Gu Zhou interrupted Qiao Nian.

Chapter 520: Nian’er

His voice was deep and magnetic, and his voice was extremely sexy. However, when he spoke, he sounded soft and aggrieved.

Qiao Nian couldn’t help but feel her heart ache. Suddenly, she remembered what Chen Qing had told her previously.

The appearance of Gu Zhou’s second personality was very likely because of his grandmother.

If that was the case, then Gu Zhou must have suffered a lot when he was young. At that time, he was still so young. How did he survive that painful time?

The man couldn’t help but hold Qiao Nian in his arms even more tightly. After an unknown period of time, the clothes on his chest were already burning.

Qiao Nian opened her mouth slightly and comforted him softly. “Don’t worry, I won’t leave.”

Gu Zhou buried his head in Qiao Nian’s shoulder, his voice hazy and ethereal. “Zhou Zhou is afraid of the dark, but he’s also afraid that Nian Nian won’t want him!”

Qiao Nian wanted to turn around and hug Gu Zhou, but she didn’t know how strong he was. She could only let Gu Zhou hug her from behind.

“Alright, I’ll accompany you now!”

Gu Zhou let go of Qiao Nian’s hand slightly. He asked uneasily, “Nian Nian... will you always be with me?”

His voice was like clear wine. It was terribly pleasant.

Qiao Nian couldn’t help but frown. Her marriage to Gu Zhou was just a joke. She couldn’t stay in the Gu family forever.

Moreover, the reason why she was willing to marry over was that she did not want anyone to disturb her work.

She and Gu Zhou would be separated one day.

Moreover, if Gu Zhou knew about her past, he probably wouldn’t accept her either.

At this thought, Qiao Nian patted Gu Zhou’s hand gently and said, “Zhou Zhou, we all have our own lives now. We can’t be together forever. You’ll understand in the future.”

Gu Zhou’s body stiffened and he let go of her.

Qiao Nian turned to look at Gu Zhou and saw a hint of hurt on his face. He asked sadly, “Why can’t we be together forever?”

“I just want to be with Nian Nian all the time.”

“What should I do so that the two of us can be together forever and not be apart?”

“Zhou Zhou really doesn’t want to be separated from Nian Nian.”

Gu Zhou’s series of words made Qiao Nian panic.

This was the first time she had heard Gu Zhou’s second personality say so much. He seemed to be very afraid of losing her.

Tears filled his eyes, as if they were going to fall any second.

For a moment, Qiao Nian didn’t know how to answer Gu Zhou.

Just as Qiao Nian was feeling puzzled, Gu Zhou frowned. His eyes gradually darkened, and even his voice became dangerous. “You don’t want to be with me because of Gu Zhou?”

Qiao Nian was speechless.

Qiao Nian instantly felt suffocated. How should she tell him that he was Gu Zhou?

While Qiao Nian was in a daze, the man had already taken her words as tacit agreement.

The man’s phoenix eyes narrowed slightly, and his sexy Adam’s apple bobbed. He confirmed again, “Nian’er is unwilling to be with me because of Gu Zhou?”

Nian’er?

Why had his way of addressing her changed?

Qiao Nian’s heart trembled, and her ears turned red.

Qiao Yu used to call her that, but from Gu Zhou’s mouth, it sounded different.

His voice was pure lust and dangerous, and his eyes had turned cold.

Suddenly, Qiao Nian felt a sense of danger. She couldn’t help but swallow. She looked up at him and hurriedly comforted him, “How is that possible? Gu Zhou is actually a big baddie. How can I leave you just to be with him?”

Qiao Nian was a little flustered.

Gu Zhou’s condition was not good now. When his condition stabilized in the future, she would definitely record all of the conversations when his second personality appeared. At that time, she would show it to Gu Zhou and ask him for compensation for her mental damage.
