

Big Shot 521

Chapter 521: Aggravated

“Really?” The man’s tone was slightly subdued, as if he didn’t believe her. His gaze never left her lips.

“Of course it’s true. I won’t lie to you,” Qiao Nian said kindly.

Gu Zhou reached out and gently caressed Qiao Nian’s beautiful face. His eyes became more and more misty. In a gentle voice, he said, “Nian’er, what do you think I should do to make you stay by my side forever? What if I never go anywhere else?”

Qiao Nian’s heart trembled.

Her gaze was not at all like Zhou Zhou’s. It was more like the usual Gu Zhou’s.

He looked a little different from the usual Gu Zhou. He seemed to be a little sickly.

Strange, wasn’t he Zhou Zhou now?

Would Zhou Zhou have a third personality when he felt insecure?

It was as if he hadn’t called her Nian Nian just now. He seemed to have called her Nian’er.

Moreover, what was even stranger was that he didn’t call himself Zhou Zhou just now.

Could this be Gu Zhou’s third personality?

If that was the case, Gu Zhou’s condition would only worsen.

No, this couldn’t happen!

Without hesitation, Qiao Nian hugged him.

She looked up into his eyes and gently touched his back, hoping that he would calm down as soon as possible.

“You don’t have to do anything. I’ll always be by your side. I won’t go anywhere. Zhou Zhou, be good. Let’s go take a shower now, okay?”

His cold hand slid gently across Qiao Nian’s face, finally landing on Qiao Nian’s lips. He pressed his fingers hard against her lips.

Qiao Nian felt the touch of his hand. Her eyes panicked, and her heart was in a mess.

The man gave a savage smile. He stuck out his tongue and licked the rainwater from his lips, then swallowed. The possessiveness in his eyes grew more and more obvious. Then, he moved closer to Qiao Nian.

Qiao Nian was slightly taken aback. An indescribable sense of oppression instantly overwhelmed her. Her heart seemed to skip a beat as she looked at him nervously.

Qiao Nian's lips parted slightly. "Zhou..."

Before she could finish speaking, Gu Zhou's fingers touched her lips, forcing her to stop talking.

His hands were cold, but the places he had touched were burning hot. She swallowed nervously.

She wanted to escape now.

With this thought in mind, Qiao Nian took a step back. In the next moment, the man suddenly pressed his hand against her waist, forcing her to approach him.

Qiao Nian took a deep breath, her eyes darkening.

This was the first time Qiao Nian had seen Gu Zhou like this.

Qiao Nian subconsciously wanted to leave.

However, the man pressed her against the wall and whispered in her ear, "Nian'er, I want you to be with me forever."

His voice was hoarse, as if he were suppressing his desire.

His hot breath rushed into Qiao Nian's ear like waves, crashing into the beach again and again.

Qiao Nian's face turned red and hot.

She looked up at Gu Zhou and saw the shy look in his eyes.

His hand slid down from Qiao Nian's lips and landed on her collar.

Qiao Nian took a deep breath and tried her best to remain calm. She reached out and held Gu Zhou's hand, her heart gradually racing.

She believed that the man in front of her was neither Zhou Zhou nor Gu Zhou.

"Who are you?" Qiao Nian asked carefully.

Gu Zhou's hand lingered on Qiao Nian's collarbone for a moment. His gaze gradually turned cold as he said coldly, "You're really disobedient. How dare you forget my name!"

He looked devilish.

At this moment, Qiao Nian was completely certain that the man in front of her was Gu Zhou's third personality.

"Nian'er." The man's low and hoarse voice sounded again. "Why are you so disobedient? How should I punish Nian'er?"

Qiao Nian was shocked.

Chapter 522: Danger

Qiao Nian wanted to cry. She was about to go crazy.

What exactly was going on?

Why did a third personality suddenly appear?

Zhou Zhou was clearly so adorable. Why had he disappeared?

Now, Qiao Nian felt that it was better for her to deal with Zhou Zhou.

The personality in front of him seemed to be even more dangerous than Gu Zhou.

Qiao Nian stared unblinkingly at the man in front of her. She licked her lips and said politely, "I... I haven't seen you in a long time. I couldn't remember your name for a moment. Actually, I... um..."

Before she could finish, the man sealed her lips without hesitation.

This kiss seemed to be different from before.

He wrapped his arms around her back and pulled her into his embrace. Caught off guard, their hearts collided.

Her heart was beating very fast.

His heart beat faster.

Again and again. Ruthlessly.

His kiss was especially domineering. He insisted on taking the lead, mercilessly stealing all her breath.

She was suffocating more and more.

Qiao Nian tried to push him away, but to no avail.

"Well... ssss—"

Suddenly, her lips hurt, and a metallic taste spread in her mouth.

This man!

He had bitten her!

He seemed to be deliberately punishing her for her disobedience.

This stimulation almost made Qiao Nian faint from the pain.

Just as Qiao Nian was about to lose consciousness, the man finally let go. His tongue gently brushed across her lips.

Qiao Nian tried hard to breathe. She looked at Gu Zhou in shock, frowning. "You..."

Gu Zhou looked down into Qiao Nian's eyes. His Adam's apple bobbed slightly, and he made a swallowing motion, swallowing her blood mercilessly.

Qiao Nian was stunned.

This man was not only possessive and exaggerated, but also bloodthirsty.

Qiao Nian had already forgotten the pain in her mouth. At this moment, she just wanted to leave him and never come back.

The man took Qiao Nian's hand, lowered his eyes, and wrote a word on her palm.

The word had only three strokes.

Qiao Nian's eyes widened uncontrollably as she stared in disbelief at the words on her palm.

Chuan!

Why is it Chuan?

Qiao Nian pretended to be calm. She looked up at Gu Zhou and asked tentatively, "Chuan Chuan?"

When she called out the name, she regretted it. Surely this man wouldn't come up with a name as simple as that?

Sure enough, in the next moment, the man frowned.

The man opened his eyes and stared into hers with contempt. "How could I be like that idiot and pick a pet name?"

Qiao Nian looked at the man in front of her in disbelief. He actually knew about the existence of Zhou Zhou.

In that case, this personality seemed to be even stronger than Gu Zhou.

At this moment, the man's eyes narrowed slightly. His facial features were handsome, and his thin lips moved slightly. "Nian'er, does that fellow treat you well?"

Qiao Nian's heart skipped a beat. She was sure that he was referring to Gu Zhou.

Qiao Nian lowered her gaze. Since he already knew everything, did that mean that he knew that he was Gu Zhou's third personality?

She didn't know what to say.

Then, suddenly, there was another flash of lightning, followed by a deafening clap of thunder.

The man subconsciously shielded Qiao Nian in his arms. His face grew paler, and his breathing grew heavier.

Qiao Nian was slightly stunned. She recalled that when she received Zhou Zhou's call, his breathing had been like this.

"Gu... Chuan, how are you now?"

The man hugged her tightly without hesitation, but with some caution, as if he was hugging a lost treasure.

"Nian'er, I've been looking for you for more than ten years. How can you forget me so quickly?"

Chapter 523: Found Her After More Than Ten Years

After saying this, his voice became weaker and weaker. His gaze fell on Qiao Nian's lips, and his eyes became more and more reckless. The danger in his eyes did not diminish at all. "I'll let it go this time. If you still forget me next time, I'll bite you to death!"

Qiao Nian stared at him, stunned.

What did he mean by those words just now?

He had been looking for her for more than ten years?

Among the people he knew, only Qin Chuan's name had the word Chuan in it!

The more Qiao Nian thought about it, the stranger she felt. She looked up at the man in front of her and said, "Gu Chuan... what do you mean by that? Tell me clearly. What do you mean by looking for me for more than ten years..."

Just as Qiao Nian was about to say something, she realized that he was becoming more and more fragile.

Weakly, he leaned over her shoulder. He was so heavy that her shoulder ached under his weight. She could hear his heavy breathing.

"Nian'er, don't leave me in the future. Stay by my side like this and don't go anywhere. Otherwise, if I go crazy again, I don't know if you can bear the consequences..."

When he had finished, he closed his eyes and his breathing slowed.

Qiao Nian hurriedly supported him, worried that he would fall.

Her mind was in a mess. If it weren't for the smell on his body and his face, she couldn't help but suspect that the person she was carrying wasn't Gu Zhou.

Qiao Nian pushed him away anxiously and shouted softly, "Don't sleep. Wake up quickly. Make yourself clear!"

As soon as Qiao Nian finished speaking, she felt the pressure on her body lighten. She turned her head and saw the man's eyes open.

The man's eyes were extremely clear, reflecting the wall lights. They were sparkling.

"Gu..."

Chuan.

Before Qiao Nian could finish speaking, Gu Zhou pressed himself against her face and nuzzled her neck.

"Zhou Zhou is going to sleep with Nian Nian tonight!" Gu Zhou looked at Qiao Nian coquettishly, his voice filled with dominance.

Qiao Nian was stunned again.

Zhou Zhou?

Oh my God!

She was really tired this evening.

Right, why wasn't Gu Zhou out yet?

Could someone come and save her this evening?

Suddenly, Zhou Zhou looked up in confusion. His eyes were as clear as water, and he blinked innocently. He looked at Qiao Nian obediently and asked carefully, "Nian Nian, do you not want to sleep with Zhou Zhou?"

Qiao Nian looked into Gu Zhou's innocent eyes and swallowed silently. For a moment, she didn't know what to say. Her mind was in a mess, and she couldn't think straight...

Seeing that Qiao Nian didn't say anything, he held her hand aggrievedly and gently poked her palm with his finger. Then, he drew a heart on Qiao Nian's palm and muttered, "Nian Nian, Zhou Zhou is very sleepy now. Let's sleep together!"

Sleep?

Alright, sleeping was better than being tormented by him.

"Then let's sleep!" Qiao Nian said eagerly.

"Okay."

Seeing how wet Gu Zhou was, Qiao Nian frowned and said, "You'll catch a cold if you sleep like this. Zhou Zhou, go take a shower first."

His beautiful eyes instantly curved into crescents as he asked expectantly, "Is Nian Nian going to take a shower with Zhou Zhou?"

Without thinking, Qiao Nian subconsciously shook her head and said, "No!"

Disappointment instantly appeared in his eyes. He frowned and asked in confusion, "Why not?"

Qiao Nian raised a hand to her forehead and sighed helplessly. She desperately hoped that Gu Zhou would come out soon. Zhou Zhou was like a child.

It would have been fine if Zhou Zhou was really a child, but he was an adult, and an adult older than her.

"Nian Nian."

Chapter 524: Men and Women Should Not Touch Each Other

At this moment, Gu Zhou was no longer as cold and domineering as he usually was. He was like an obedient and adorable curious child, his face filled with curiosity.

Qiao Nian gave a gentle smile and explained to Gu Zhou seriously, "Zhou Zhou is a boy, and I'm a girl. Boys and girls can't shower together!"

"Why can't you shower with me if I'm a boy and you're a girl?"

"Because men and women shouldn't touch each other!" Qiao Nian tried her best to speak in a gentle voice.

"What do you mean by that? But we're very close!"

Qiao Nian was speechless.

Qiao Nian thought for a while, then gave an easy answer. "This saying applies to two people of different genders. Usually, when you interact with each other, you have to keep a certain distance. You can't be too close."

Gu Zhou looked at Qiao Nian's face and seemed to understand something. He frowned slightly and asked suspiciously, "Nian Nian, are you saying this because you don't want to sleep with Zhou Zhou?"

"Of course I'm not!"

He still didn't seem to understand what Qiao Nian was talking about. He tilted his head slightly, looking confused. He asked again, "Then why isn't Nian Nian willing to take a shower with Zhou Zhou?"

Qiao Nian had never taken care of a child before, and she didn't have much patience. This time, when she heard Gu Zhou's words, she said impatiently, "The books say that I can't, so I can't. There's no need for so many questions!"

Gu Zhou was instantly stunned. He bit his lower lip aggrievedly, his eyes instantly filled with tears. "Nian Nian is fierce to me again!"

Qiao Nian was speechless.

Gu Zhou looked at Qiao Nian with an aggrieved expression. He asked angrily, "Nian Nian, you said you wouldn't be fierce to me. Why are you being fierce to me again?"

"I... I didn't!"

"You just did!"

"I really didn't!"

"But you clearly did!"

"I—"

"If Nian Nian doesn't want to take a shower with Zhou Zhou, then don't. Why must she be so fierce to Zhou Zhou? Hmph, Zhou Zhou will shower by himself!" Gu Zhou's temper flared up. He looked at Qiao Nian unhappily, pouted, and began to unbutton his shirt.

After Gu Zhou finished speaking, he began to unbutton his shirt. He unbuttoned the first button of his shirt, revealing his exquisite and sexy collarbone. It connected with the line of his Adam's apple and was very seductive.

He lowered his head and continued to unbutton the second button. His sexy and muscular chest was clearly visible.

Finally, he reached down and unbuttoned all the buttons on his shirt. He took off his shirt unhappily and threw it on the ground.

Qiao Nian looked at the sexy mermaid line on his stomach and felt her face heat up. His figure was simply too amazing!

Seeing that he was still reaching out to undo his belt, Qiao Nian blushed even more.

Although this man had Zhou Zhou's personality, his body was still Gu Zhou's!

This figure was not something ordinary people could compare to.

Qiao Nian turned around, her face flushed red. Her breathing involuntarily became heavier.

It was the first time she had felt so helpless.

How could she face an adult man with three personalities calmly?

She was going mad now!

Just as Qiao Nian was deep in thought, she heard the bathroom door close and the sound of water flowing.

Qiao Nian heaved a sigh of relief.

This evening was really about to kill her.

She felt extremely tired after being tortured by Gu Zhou. She took out her phone and quickly sent Chen Qing a message to tell him that she had already found Gu Zhou.

Qiao Nian casually placed her phone on the bedside table and changed into her pajamas. She sat by the bed and thought about what had happened tonight.

She closed her eyes slightly, and Gu Zhou's third personality appeared in her mind.

The gaze of Gu Zhou's third personality was a little paranoid and even a little sickly. She recalled his last words and felt a chill on her back. She could not help but shiver.

Chapter 525: Nian'er

Qiao Nian hurriedly opened her eyes and took a deep breath. Only then did the uneasiness and suffocation gradually disappear.

She had a vague feeling that Gu Zhou's third personality knew her, which meant that they had met before.

With this thought in mind, Qiao Nian recalled that he had called her Nian'er. When he spoke, he was careful, as if they had known each other for many years. Then, today was their long-awaited reunion.

However, after thinking about it carefully, she really could not remember where she had seen Gu Zhou before.

In her memory, only Qiao Yu would call her Nian'er.

If Gu Zhou called her Nian'er, that scene...

Qiao Nian didn't dare imagine it.

Her mind was all over the place now, as if it had all been a dream.

However, Gu Zhou did have a third personality.

Just as Qiao Nian's mind was in a mess and she was in a daze, the bathroom door opened.

Zhou Zhou must have come out of the shower.

Qiao Nian looked over.

Zhou Zhou had already dried his hair cleverly. The dim yellow light fell on his fine hair. He looked gentle and warm.

Even her chiseled face had turned gentle.

His face was well-defined, and his facial features were well-defined. His eyes were deep-set, but his pupils were crystal clear, like a pool of clear water. They were extremely clean.

Perhaps because of his illness, his skin was ridiculously pale.

After taking a shower, the hot air caused a blush to appear on his sickly pale face. It was pure and lustful.

For the first time, Qiao Nian realized that as long as a man was good-looking, he could reveal his pure side.

Those clear eyes were fixed on her as if she were his whole world.

Qiao Nian couldn't help but feel nervous. Her hands tightened around the bed sheets beneath her.

Although she knew very well that Gu Zhou's second personality was soft and innocent, without a trace of lethality, she still felt the danger he brought when she saw him wearing a bathrobe. The collar was loose and slightly open, revealing his strong and muscular figure.

While Qiao Nian was thinking, the man had already walked to the bed and approached her.

The refreshing scent of shower gel still lingered on his body. Qiao Nian couldn't help but swallow.

Seeing Gu Zhou like this made her nervous.

Did she really have to sleep with him?

Although she had always been thick-skinned, she couldn't take it anymore.

"Nian Nian, let's sleep together!"

Hearing Gu Zhou's words, Qiao Nian hardened her heart and slept on the bed.

She could feel the bed beside her sink. When she opened her eyes, she found Gu Zhou lying on his side, his face facing her.

His handsome face was almost flawless.

Qiao Nian felt as if she had just witnessed a feast.

Qiao Nian pursed her lips slightly.

"Nian Nian, why are you looking at me like that!"

Qiao Nian felt a headache coming on.

Could he stop calling her Nian Nian? She suddenly felt that Nian'er sounded better!

No, no.

Whether he called her Nian Nian or Nian'er, both men were very dangerous and troublesome.

Gu Zhou was still the best. Although he looked cold, he would always call her Qiao Nian.

"Nian Nian."

Qiao Nian gathered her thoughts and tried her best to suppress the anger in her heart. She smiled lightly and said, "Alright, I won't look at you anymore. Go to sleep!"

"Nian Nian, Zhou Zhou needs Nian Nian to hug him to sleep!" Gu Zhou stared unblinkingly at Qiao Nian.

Qiao Nian felt a little uncomfortable under his gaze. She hurriedly said, "Hurry up and turn around."

Hearing Qiao Nian's words, Gu Zhou obediently turned around, his back facing her.

Chapter 526: Hold Me!

Qiao Nian hesitated for a moment before reaching out, but she refused to place her hand on Gu Zhou's waist.

"Nian Nian, why aren't you hugging me?"

Hearing Gu Zhou's words, Qiao Nian was afraid that he would cause trouble again. She hurriedly placed her hand on his waist. With a red face, she said sternly, "Alright, you're not allowed to speak anymore. Hurry up and sleep!"

Gu Zhou silently moved closer to Qiao Nian.

In that instant, she pressed herself against his back.

Even through their pajamas, she could feel the heat of his body.

At the thought that she was still hugging Gu Zhou, Qiao Nian's hands trembled involuntarily. Her heart raced.

Gu Zhou didn't seem to know that Qiao Nian was very nervous now. He casually placed his hand on the back of Qiao Nian's hand and gently rubbed the pad of her index finger again and again, as if teasing Qiao Nian's heart.

Qiao Nian wanted to retract her hand, but Gu Zhou held on tightly, not giving her a chance.

For some reason, she thought of Gu Chuan again, and her heartbeat instantly became chaotic.

The thunder had sent Gu Chuan away just now. Could it be that Gu Chuan had returned?

Qiao Nian felt increasingly uneasy. She pursed her lips slightly and asked tentatively, "Zhou Zhou, are you asleep now?"

Gu Zhou's clear voice sounded. "Nian Nian is naughty. You can't speak when you're sleeping."

When Qiao Nian heard this voice, she heaved a sigh of relief.

Fortunately.

As long as it was not Gu Chuan.

With that thought in mind, Qiao Nian switched off the lights in the room with her other hand.

The entire room instantly turned dark. Qiao Nian could still hear his breathing even after he fell asleep.

However, Qiao Nian couldn't fall asleep no matter what. Her current position with Gu Zhou was too ambiguous.

Besides, it was hot and sweaty where the two of them were pressed together.

She had slept with Gu Zhou before, but they had half the bed each. How could they sleep so intimately together?

Besides, she was the one holding him...

At the thought of their current positions, Qiao Nian didn't know how to describe it.

She was a normal adult woman, and she was holding a handsome, fit man. This was simply...

Qiao Nian's face turned redder and redder, and her body tensed up. She tightened her grip on him uncontrollably, but she didn't realize it.

After an unknown period of time, Qiao Nian was still wide awake. She hugged him mechanically.

She felt like there was a difference between ice and fire. This was even more exciting than knowing that she and Lu Zhu were her biological brothers...

Her reunion with Lu Zhu was just an emotional stimulation.

But now, she was hugging him to sleep. That was a double shock, both physically and mentally.

Furthermore, the man felt nothing. His breathing became lighter and lighter, as if he were sleeping peacefully.

Qiao Nian pursed her lips slightly and called out tentatively, "Zhou Zhou?"

However, the man didn't speak. The only response she got was his gentle breathing.

It seemed that he had really fallen asleep.

Then she could pull her hand back!

At this thought, Qiao Nian pursed her lips and tried to retract her hand.

However, the sleeping Zhou Zhou seemed to feel especially insecure. When she moved, he held her hand even harder and even pulled her hand to his chest.

This...

Qiao Nian had already felt uncomfortable hugging him to sleep. Now, she could still feel his strong heartbeat in her palm. Her mind was in a mess.

This was simply killing her!

In the darkness, Gu Zhou slowly opened his eyes. He felt the softness in his palm and looked coldly at the scenery outside the window. There was no starlight in his eyes.

Chapter 527: Awake

When he heard Qiao Nian's even breathing, the coldness on his face gradually dissipated. His eyes lit up.

His lips moved slightly as he called out softly, "Nian'er..."

However, the only response he got was Qiao Nian's breathing.

During this period of time, Qiao Nian had been guarding Lu Zhu. Her mind and body had been in a state of high tension, so she had fallen asleep.

As she was too tired, she fell into a deep sleep. She did not hear the man's voice.

Gu Chuan called out again, "Nian'er..."

However, Qiao Nian still didn't respond.

Gu Chuan pursed his thin lips into a straight line. Gradually, a trace of doubt flashed across his eyes. He didn't understand why he had addressed Qiao Nian this way.

However, his heart was beating violently. His brain subconsciously told him that he really knew a woman called Nian'er. Moreover, that woman was very important to him...

Except he could no longer remember why this woman was not in his memory.

Moreover, he did not understand why he had called her by that name so affectionately.

He was even more confused about how he had returned to this hotel.

Gu Chuan moved his body slightly and felt Qiao Nian's softness and his warm embrace. His lips curled up slightly, and his eyes were filled with smiles.

It felt really good to be hugged by her like this.

... .

The next day, the sky cleared.

The rain was heavy last night. The sanitation workers who woke up early had already cleaned up the rain on the ground.

Qiao Nian stirred in a daze. She slowly opened her eyes and saw Gu Zhou's handsome face in front of her.

Without warning, she met those deep eyes, and her heart suddenly raced.

Only then did Qiao Nian notice that she was nestled in Gu Zhou's arms, her legs still wrapped around his. At this moment, she was like a koala bear.

Qiao Nian's face instantly turned red. She hurriedly retracted her leg and silently retracted her hand. She moved back and said carefully, "W-why didn't you call me?"

Gu Zhou moved his body slightly. Only then did he realize that his body was almost numb.

"I've heard that you've been so busy lately that you haven't had time to sleep."

So that was his reason for allowing her to cuddle him to sleep.

Qiao Nian stared intently at Gu Zhou, listening to his voice. His eyes were as cold as usual, and there was a hint of scrutiny in them.

Her heart instantly fell back into her throat.

Gu Zhou was finally awake.

The person in front of her was really Gu Zhou.

At this thought, Qiao Nian couldn't help but heave a sigh of relief.

She did not have time to guess what Gu Zhou was thinking now. She asked with concern, "Gu Zhou, feel your body carefully. Do you feel any discomfort?"

Or perhaps, were there any strange memories?

However, Gu Zhou remained calm and asked, "What should I feel unwell about?"

Hearing Gu Zhou's words, Qiao Nian remembered that Gu Zhou had a split personality. He wasn't sick now, so he probably wouldn't remember what his other personalities had done.

Qiao Nian smiled awkwardly and hurriedly corrected herself. "Nothing. I was just concerned about you. By the way, why did you suddenly come back?"

Qiao Nian naturally didn't dare to casually tell Gu Zhou about what his other personalities had done when he had split personalities.

Gu Zhou's eyes moved slightly, and a trace of confusion appeared in his eyes.

In fact, he did not remember clearly what had happened before.

He vaguely remembered that he was in a hotel. When he woke up, he saw Qiao Nian hugging him to sleep.

He originally thought that Chen Qing had sent him back because he was sick.

Chapter 528: Headache

However, from Qiao Nian's tone, it seemed that something else had happened.

"Last night, what exactly happened?"

Hearing Gu Zhou's question, Qiao Nian's expression turned serious. She sat up and explained calmly, "Last night, there was a thunderstorm. Chen Qing called and told me that you suddenly felt sick and ran out. I went out to look for you. When I found you, I brought you back."

At this point, Qiao Nian looked at Gu Zhou in confusion, as if she didn't understand why Gu Zhou was asking this. "Don't you remember?"

Gu Zhou lowered his head slightly and frowned, trying hard to recall what had happened.

Then, he felt a headache. Of course, it was as if he had been pricked by countless needles. Sweat instantly seeped out of his forehead.

Seeing him like this, Qiao Nian's expression changed slightly. She hurriedly held Gu Zhou's hand and said anxiously, "Don't think about it anymore. If you can't remember those things, it doesn't matter. After all, these things aren't important."

Gu Zhou raised his hand and massaged his temples. His head still hurt.

Seeing Gu Zhou like this, Qiao Nian couldn't help but worry. She knelt down beside Gu Zhou and removed his hand, gently massaging his temples.

"Gu Zhou, if you're not feeling well, don't force yourself. Relax and breathe slowly."

Gu Zhou listened to Qiao Nian's gentle voice. His eyes were filled with worry, and he could feel the gentleness in her hands.

She massaged his temples. The headache had eased a lot.

Suddenly, a blurry image appeared in his mind. He stared at Qiao Nian intently, his eyes burning. He asked, "Why did you hug me when you were sleeping?"

Qiao Nian, who was massaging Gu Zhou's temples, looked at his eyes in surprise. His eyes were filled with confusion.

She had a bad feeling and quickly withdrew her hand.

"Yes?"

There was a trace of scrutiny in the man's voice.

It was obvious that Gu Zhou wanted to get to the bottom of this.

Qiao Nian frowned and stared intently into Gu Zhou's eyes. She asked, "Do you remember anything?"

Gu Zhou only looked at Qiao Nian calmly. In the memories he had just recalled, her back was facing him.

At that time, her hand was on his waist. Her hand was soft and warm. When she placed it on his waist, he felt warm all over.

Later on, her grip seemed to tighten, as if she wanted to melt him into her body.

He had never seen Qiao Nian like this before.

She had no idea that Qiao Nian would do such a thing.

He could still feel the warmth and softness of Qiao Nian's arms around him. His throat moved slightly, and his voice was sexy and low. "Huh? Why did you take the initiative to hug me last night?"

Qiao Nian was speechless.

Could it be that Gu Zhou had already remembered everything?

That didn't seem right either.

She didn't seem to have taken the initiative to hug him!

Could it be that Gu Zhou only remembered a little bit?

Really, when had she ever taken the initiative to hug him? Her hands were clearly stiff with nerves.

Qiao Nian's breathing became increasingly irregular. She tried her best to regulate her breathing. After a long while, she said, "I... I didn't!"

"You didn't?"

Clearly, Gu Zhou didn't believe Qiao Nian.

He approached Qiao Nian slightly.

Qiao Nian instantly felt a sense of oppression. Instinctively, she moved back and said sincerely, "I really didn't take the initiative to hug you. When I found you last night, you were drenched and had a slight fever. When we were sleeping, you insisted that I hug you. Don't you remember?"

Gu Zhou's phoenix-like eyes narrowed slightly, as if he still doubted Qiao Nian's words. "Did I ask you to hug me?"

Chapter 529: Brother Zhu

Qiao Nian hurriedly nodded. She was extremely nervous now. With a serious expression, she said, "Think about it. If you hadn't suggested it, I wouldn't have dared to hug you, right?"

Seeing Qiao Nian's panicked expression, Gu Zhou couldn't help but recall her valiant and heroic appearance when she had brought Lu Zhu out of the ghost city that day. The corners of his lips curled up slightly as he asked, "Are you trying to say that if I take the initiative to ask, you'll do as I say?"

"I—"

Before Qiao Nian could finish speaking, Gu Zhou slowly interrupted her and said, "Alright, I'll let you hug me again!"

Qiao Nian was speechless.

Qiao Nian's beautiful eyes were filled with shock as she stared at the man in front of her in disbelief.

He was not the second personality, Zhou Zhou, nor was he the third personality, Gu Chuan. He was Gu Zhou himself!

How could he make such a request?

Was something wrong with his head?

Qiao Nian swallowed, thinking about how to reject him.

At this moment, the man suddenly approached Qiao Nian. His gaze landed on her lips, and he asked in an ambiguous voice, "Why aren't you moving?"

Qiao Nian's face turned red uncontrollably. She got off the bed silently and muttered, "How can this be the same? You caught a cold previously. I can't just leave you alone, right? Besides, you're fine now. Why should I hug you and coax you?"

With that, Qiao Nian walked away in her slippers.

She had just taken a step when she felt a weight on her hand.

The man gripped her hand tightly. With a squeeze, she fell towards the bed uncontrollably.

Caught off guard, Qiao Nian fell into Gu Zhou's arms.

Her heart was so nervous that it was about to jump out of her chest. Her face was slightly hot, and she did not dare to look at Gu Zhou. "You, what on earth..."

The man's hand tightened around her waist as he stared intently into Qiao Nian's eyes. His gaze gradually turned scrutinizing as he said, "You seem to be hiding something else from me."

Qiao Nian's heart trembled.

So Gu Zhou wasn't teasing her on purpose. He was just suspecting her.

Qiao Nian shook her head without thinking. With a serious expression, she said, "I have nothing to hide from you. You were indeed drenched in the rain last night. Your condition wasn't good. You even had a fever."

The scrutiny in Gu Zhou's eyes gradually dissipated.

Qiao Nian heaved a sigh of relief. Seeing that Gu Zhou believed her, she struggled to get up. "It's getting late. I'll go wash up first. Brother Zhu is still in the hospital. I wonder if he can be discharged today!"

Gu Zhou's uneasy heart had just calmed down when he heard Qiao Nian address Lu Zhu. He watched thoughtfully as Qiao Nian entered the bathroom.

"Brother Lu Zhu?"

He hadn't expected that Qiao Nian and Lu Zhu's relationship would improve so quickly in just four days.

Gu Zhou narrowed his eyes slightly. He gently rubbed the ring on his thumb, and his expression darkened.

Qiao Nian walked into the bathroom and immediately closed the door. She turned on the shower to release the hot water, her heart still beating wildly.

After interacting with Gu Zhou just now, she now felt that Zhou Zhou was the easiest to get along with.

Be it Gu Zhou or Gu Chuan...

It was all too hard.

She was about to be killed by them.

She had to study schizophrenia properly. She had to think of a way to treat Gu Zhou.

However, she still had a worry in her heart.

If she cured Gu Zhou's illness, would Gu Zhou's second and third personalities disappear? Or would they combine and become the first personality? At that time, would Gu Zhou himself remember everything, or would he forget everything?

Would the other personalities disappear forever?

Chapter 530: Better All Disappear

If they disappeared...

Qiao Nian thought of Gu Zhou's second personality, Zhou Zhou. His eyes were extremely clear. Every time he saw her, she seemed to be his entire world.

Zhou Zhou was insecure, innocent, and kind. He was a very cute little puppy.

Qiao Nian couldn't bear to leave Zhou Zhou.

However, when she thought of Gu Zhou's third personality, she could not help but shiver.

Forget it, they should all disappear!

It was really hard for her to imagine what kind of disaster would happen if Gu Zhou's three personalities were all combined.

Anyway, it was too much for her.

She had never studied patients with schizophrenia before, nor had she treated patients with this disease. The only thing she could do now was to control Gu Zhou's emotions.

If only her grandfather was still by her side. She believed that Gu Zhou would recover soon.

There was no point in dwelling on it now. Let nature take its course.

After taking a shower and changing her clothes, Qiao Nian came out of the bathroom.

Gu Zhou also walked out of another bathroom. He was wearing a dark blue shirt and black pants that accentuated his long legs.

Gu Zhou casually picked up the suit at the side and placed it on his shoulder indifferently. He leaned lazily on the sofa, emitting a cold aura that made people unable to approach him.

When Gu Zhou saw Qiao Nian come out of the bathroom, he stood up and said indifferently, "Alright, let's go!"

"Yes."

Gu Zhou walked in front. As soon as he opened the door, he saw Chen Qing leaning against the door outside, sleeping.

Qiao Nian couldn't help but admire Chen Qing's professionalism.

The sound of the door opening woke Chen Qing up. He quickly woke up. "Second Young Master, Second Young Madam!"

"To the hospital!" Gu Zhou's expression was cold.

"Yes!"

After going downstairs together, Gu Zhou sat in the car. He looked at the rainy day outside and felt a little empty.

From what he could remember, he didn't like rainy days.

Every time it rained, he felt uneasy.

He felt as if something important had happened last night. This memory was important to him, but he couldn't remember the past...

Irritation spread from the bottom of his heart. Gu Zhou casually crossed his legs and sat down coldly.

He leaned back in his chair and played with the jade ring on his finger.

Even so, he couldn't ease the frustration in his heart. He placed his hand in his pocket and wanted to take out the cigarette box. When he thought of Qiao Nian sitting beside him, he couldn't help but give up.

Sitting beside Gu Zhou, Qiao Nian could feel his frustration. She suddenly remembered something.

Gu Zhou seemed to be in a mood. She thought of Gu Chuan from last night. If she remembered correctly, Gu Chuan had appeared on a rainy day.

Qiao Nian knew that Gu Zhou needed to calm down. She said, "You can smoke in the car. I don't mind."

Gu Zhou's gaze fell indifferently on Qiao Nian's face. He said slowly, "I don't want cigarette smoke to cover your scent."

Qiao Nian was shocked.

Chen Qing, who was driving, almost couldn't react in time and stepped on the accelerator.

Qiao Nian's entire body moved forward uncontrollably. She was about to crash into the back of the passenger seat.

At this moment, Gu Zhou stretched out his long arm and pulled Qiao Nian into his arms.

Caught off guard, Qiao Nian sat down on Gu Zhou's lap.

The man's hands tightened around her waist. Her back pressed against his chest.

Qiao Nian could feel that the places she and Gu Zhou touched were burning hot. Her ears turned red uncontrollably.

She quickly took a deep breath and pretended to be calm as she silently got off him.

Qiao Nian looked up and met his smiling eyes. They were 30% seductive and 70% meaningful.
