

Big Shot 651

Chapter 651: Disappointment

Now, she couldn't accept him being replaced by an old man.

Su Sheng was no longer in the mood to think about Qiao Nian. She was immersed in a world of collapsing faith.

"Su Sheng?"

Gu Qing's voice came from the side.

Su Sheng came back to her senses. She looked up at Gu Qing and asked in confusion, "Senior Sister, what's wrong?"

"Are you feeling unwell? I called you a few times just now, but you didn't respond?" Seeing that Su Sheng didn't look well, Gu Qing frowned slightly. "Why don't I take you to the hospital now?"

"Senior Sister, I'm fine. I was just thinking about a case I came into contact with previously. I'm just a little worried about that patient!"

"I know you're very serious when you're working, but it's useless to think too much about it now. If the patient is unwell, his family will definitely call you." Gu Qing comforted her. "Since they didn't call you, it means that he's fine."

"Yes." Su Sheng nodded casually.

Just as Su Sheng was about to retract her gaze, she accidentally saw Lu Zhu standing beside Gu Qing.

Lu Zhu's facial features were very well-defined. His facial features were well-defined, and his nose was high. His narrow and deep eyes were like the bright night sky.

This man seemed to be the most perfect masterpiece in heaven. There was no flaw on his face.

All these years, Lu Zhu had been the man she had yearned for day and night.

She had never expected Lu Zhu to not be Mr. Dong Hua.

She felt as if she had fallen out of love.

However, she also heaved a sigh of relief. At least Qiao Nian didn't harm her Mr. Dong Hua.

However, when she thought of how Mr. Dong Hua was an old man in his fifties, Su Sheng's heart ached again.

Su Sheng wanted to leave right away, but when she thought about how Lu Zhu wasn't Mr. Dong Hua, it meant that Qiao Nian didn't know Mr. Dong Hua.

When Qiao Nian came out of the elevator just now, she had walked in the opposite direction. This meant that Qiao Nian wasn't here to listen to Mr. Dong Hua's new song.

Coincidentally, she could stay and meet Mr. Dong Hua again.

Although Mr. Dong Hua was not the Lu Zhu in her heart, he was still her idol.

However, she regretted that she could no longer be Mr. Dong Hua's confidante.

After Su Sheng composed herself, her expression gradually improved. She sat there quietly, waiting for Mr. Dong Hua to arrive.

After a while, Lu Zhu's phone rang. He turned it on and took a look. He stood up from the sofa and said, "Alright, he's almost here. We can go to his piano room and wait for him now."

Su Sheng's heart was beating faster and faster. She was so nervous that her breathing quickened.

She could finally see her idol.

Gu Qing nodded and stood up. Su Sheng followed suit.

Su Sheng followed Lu Zhu and Gu Qing out.

Just as the three of them walked out of the meeting room, Lu Zhu's secretary walked up to them. With a troubled expression, he said, "Director Lu, there's a very important document here that needs your signature now."

Lu Zhu glanced at the secretary. Usually, the secretary would not disturb him when outsiders were around, unless it was something related to the Qiao family.

When Lu Zhu thought of the way Qiao Yu looked at Qiao Nian, his heart sank to the bottom. He turned to Gu Qing and said, "Walk along this corridor. When you turn left at the intersection ahead, you'll see a piano room. I have something to attend to. You guys go over first."

Gu Qing smiled and nodded. "Go ahead. We'll go over ourselves."

Lu Zhu nodded, then called his secretary back to his office.

Lu Zhu sat in front of his desk. He opened the document and glanced at the title. He knew that it was the piece of land the Qiao family wanted to bid for.

Qiao Yu knew that Qiao Nian wasn't his biological sister. How could he have such dirty thoughts?

His Sugar had suffered greatly in the Qiao family.

This time, he had to seek justice for Sugar.

Lu Zhu looked down at the document in his hand. As he had to hurry to the piano room, he took a rough look and said, "Now, tell me the key points!"

Chapter 652: Dealing with the Qiao Family

“The Qiao family is very likely to get that piece of land.”

Lu Zhu frowned, his body exuding a cold aura. He asked, “Because of Qiao Yu?”

The secretary nodded. He knew in his heart that Qiao Yu was in trouble.

“Why?” Lu Zhu raised his eyebrows slightly.

“The people from the Land Bureau value Qiao Yu very much. Moreover, that piece of land has already been decided for Qiao Yu, but it seems that a mysterious organization has appeared. The Land Bureau has hesitated. It’s precisely because of this that we have a chance to win the bid.”

Lu Zhu’s hand tapped lightly on the table. Puzzled, he asked, “You didn’t find out which family it is?”

“Indeed, we haven’t found anything, but there should be news soon.”

“Then investigate thoroughly,” Lu Zhu said thoughtfully. “If there’s a chance, buy over the Qiao family.” Lu Zhu didn’t want his precious sister to be targeted by such a despicable person.

When the secretary heard Lu Zhu’s words, she was slightly stunned. She hurriedly said, “Director Lu, this isn’t appropriate!”

“What’s wrong with that? Go and formulate a plan to buy over the Qiao family first. When the time comes, I’ll see if it’s feasible. If possible, I’ll buy it.” Lu Zhu knew in his heart that Qiao Yu was the only one supporting the Qiao family now.

The news that Qiao Yu was a genius had spread throughout An City. Coupled with the fact that Qiao Yu was extremely outstanding, he had to be very thorough in dealing with the Qiao family.

“Director Lu, I’ve also found out that Second Young Master Gu is fighting for that piece of land,” the secretary said in all seriousness.

A trace of confusion flashed in Lu Zhu’s eyes.

Gu Zhou rarely made a move. Could it be that Gu Zhou wanted to avenge Sugar?

“No matter who has this piece of land, as long as it’s not in the hands of the Qiao family, it’s fine.” Lu Zhu’s eyes darkened. He had to make the Qiao family suffer.

“By the way, Director Lu, I’ve also found out something about Miss Song Yu.”

... .

At this moment, Gu Qing and Su Sheng were already standing outside the piano room.

Su Sheng had a bad feeling about this. If she remembered correctly, Qiao Nian had walked in this direction when she came out of the elevator.

Su Sheng’s face gradually turned pale.

Why had Qiao Nian walked this way?

Could it be that Qiao Nian had also been invited by Mr. Dong Hua?

She knew that Qiao Nian was Mr. Dong Hua's musician in the past, but so what?

What kind of person was Mr. Dong Hua?

He was a genius musician. How could he invite a female musician to listen to a new song?

Unless Qiao Nian already had a special relationship with Mr. Dong Hua.

Su Sheng gradually clenched her fists.

Qiao Nian not only had an ambiguous relationship with Lu Zhu and Gu Zhou, but also with Mr. Dong Hua.

Qiao Nian was very good-looking, but Su Sheng hated people who deceived people using their looks.

No wonder Qiao Nian didn't have Mr. Dong Hua's limited edition album. Just think about it. How could a successful man give such expensive things to a woman he was fooling around with?

At the thought of this, Su Sheng felt a trace of comfort.

It seemed that it was just a coincidence that Qiao Nian was walking in this direction.

Gu Qing stood at the side and saw Su Sheng's change in expression. She frowned.

Previously, Su Sheng's emotions had been a little off.

Gu Qing glanced around. Seeing that there was no one else around, she walked over to Su Sheng and asked in a low voice, "Sheng Sheng, are you feeling unwell?"

When Su Sheng heard Gu Qing's words, she hurriedly shook her head and said, "Senior Sister, I'm fine."

"You look like you're in a panic. You seem to be guarding against something. Did something happen?"

Gu Qing was a psychiatrist, so Su Sheng's expression naturally couldn't escape her eyes.

When Su Sheng heard Gu Qing's words, her eyes froze for a moment. She bit her lip and said half-truthfully, "Actually, it's not a big deal. It's just that I accidentally had a conflict with Miss Qiao previously, and things got a little unpleasant. I've been thinking about this matter!"

When Gu Qing heard Su Sheng's words, she recalled how she had interacted with Qiao Nian. Qiao Nian had a carefree personality and was very good at handling matters. She was not a petty person.

Chapter 653: Love at First Sight

Gu Qing smiled at Su Sheng and comforted her. "I thought it was something big. So it's just a small matter. You don't have to think too much about it. Miss Qiao should be a very generous person. As long as you don't cross her bottom line, she won't usually hold it against you. So, don't worry anymore. She won't be angry with you."

When Su Sheng heard Gu Qing's words, she forced a smile. She trusted her senior sister's judgment.

But for some reason, her heart was still in a mess. She had a nagging feeling that something bad would happen.

Moreover, she felt that Qiao Nian wasn't as simple as she seemed.

Especially Qiao Nian's relationship with Gu Zhou and Lu Zhu. She was 100% sure that Qiao Nian was very intimate with those two men.

Perhaps Senior Sister had misjudged him this time.

Qiao Nian was really not a simple person.

Su Sheng couldn't tell Gu Qing directly.

At this moment, the melodious sound of a piano came from the piano room.

The beautiful sound of the piano brought warmth and peace, as if it could chase away the coldness in the world.

The sound of the piano was like a flowing stream, gentle and delicate, incomparably clear.

The uneasiness in Su Sheng's heart gradually dissipated, leaving only calmness.

Mr. Dong Hua was the only person in the world who could play a tune that could cleanse one's soul.

Su Sheng looked into the piano room expectantly. Her heart was beating faster and faster.

Although she knew that Mr. Dong Hua was an old man, that didn't stop her from liking his music.

Mr. Dong Hua's music was truly wonderful.

Suddenly, she didn't want to enter the piano room anymore. As long as she listened to Mr. Dong Hua play this song outside, she would have no regrets in her life.

Su Sheng pulled Gu Qing to the door. She closed her eyes to admire the music.

Could this song be Mr. Dong Hua's new song?

It was another tune that could cure one's illness.

Gu Qing stood at the side, her frown deepening. For some reason, she felt that she had heard this music before, but she couldn't remember.

Where exactly had she heard it before?

Gu Qing's frown deepened.

At that moment, footsteps sounded in the distance.

Although the sound of her footsteps seemed to have softened a lot, it still pulled Su Sheng out of the world of music. She couldn't help but frown and look back. Who was disturbing her from listening to Mr. Dong Hua's song?

What if this person disturbed Mr. Dong Hua's performance?

Su Sheng turned her head. In the next moment, she saw the man's handsome face.

Her heart sank.

This man was simply too good-looking. His skin was very fair, and very delicate. His features were three-dimensional, especially his beautiful phoenix-like eyes. They were soul-stirring.

His beauty was a little feminine, but the aura he exuded was that of a king.

If he wore female clothes, no one would suspect that he was a man.

She might even be classified as the most beautiful queen.

He was like a blazing fire, so beautiful that no one could profane him.

When Gu Qing saw him, a faint smile appeared on her face. She hadn't seen Lu Nian in a long time. She didn't expect him to look even better than before.

Just as Gu Qing was about to speak, she saw Lu Nian shake his head at her, indicating for her not to speak. He didn't seem to want to interrupt the beautiful music.

Gu Qing nodded. Her gaze fell on Su Sheng's face and she elbowed Su Sheng's arm.

Only then did Su Sheng realize that her gaze on that man was a little greedy. She hurriedly lowered her gaze, her heart beating faster and faster.

Who wouldn't like to look at such a handsome man?

Su Sheng's heart began to race. She wondered what this man did for a living and if the two of them would have a chance to be together.

Su Sheng was no longer in the mood to listen to music. All her attention was on that man.

Her palms were covered in sweat, and she was extremely nervous.

Amidst the beautiful piano music, she felt like the female lead in an idol drama. She had met her Prince Charming. This feeling was truly wonderful.

She imagined herself falling in love with him, getting married, having children, and growing old with him. She couldn't help but blush.

If she could spend the rest of her life with such a good-looking man, she would do anything.

She wondered if this man would like girls like her.

Su Sheng looked at the man's face with spring in her eyes, already intoxicated by his looks.

Chapter 654: How Could It Be You?

Just as the beautiful music was about to end, Su Sheng came back to her senses.

She lowered her gaze shyly, and her lips curved up involuntarily, thinking that she might be with him.

Su Sheng's gaze inadvertently fell on the man's hands. The man's hands were clenched into fists, his knuckles white and his veins bulging.

According to Su Sheng's professional knowledge, the man seemed to be angry.

Su Sheng frowned slightly. She looked up at the man in front of her. Suppressing the anger in his eyes, the man's breathing quickened.

Su Sheng was a psychiatrist. She could naturally tell that the man was angry.

The man didn't just seem to be angry. There was also a trace of fear in his eyes, as if he was afraid of losing something.

Strange, why did this man have this expression?

Did he hate this song very much?

Or had he heard this song before? Had something bad happened?

Su Sheng's mind was filled with confusion.

At this moment, Su Sheng heard Gu Qing say, "It's over. Why don't we go in?"

"Okay." Su Sheng retracted her gaze. Mr. Dong Hua was her spiritual idol. She had always wanted to meet him.

Even if it was no longer possible between her and Mr. Dong Hua, she was still very curious about the rumored age of Mr. Dong Hua.

Perhaps Mr. Dong Hua was just like what outsiders said. He was a white-haired old man. Only by seeing the coldness and warmth of this world could one compose moving songs.

Su Sheng followed behind Gu Qing and carefully walked into the piano room.

Her heart began to race.

When she walked in, she saw Qiao Nian sitting by the piano. She was stunned, her face pale.

What was going on?

Could it be that Qiao Nian played the piano?

How was this possible?

If Qiao Nian was really Mr. Dong Hua, then Qiao Nian must have her own limited edition album.

It seemed that Qiao Nian had played the music just now.

At this moment, Qiao Nian seemed to be still immersed in the song from just now. She didn't even notice that someone had entered.

Su Sheng looked around but did not see any speakers.

It couldn't be Qiao Nian who had used her phone to play an audio clip, could it?

That was absolutely impossible. The phone volume couldn't have been turned up so loud.

Su Sheng frowned. If she removed all the impossibilities, the rest might be the truth.

Qiao Nian was Mr. Dong Hua!

"Why is it you?" Su Sheng exclaimed.

Qiao Nian suddenly came back to her senses. Only then did she realize that three people had walked in.

When her gaze fell on Lu Nian's deep eyes, her heart suddenly skipped a beat.

Second Brother?

Why was Second Brother looking at her like that?

Second Brother's eyes were filled with anger, as if she had crossed his bottom line.

Did Second Brother not want her to play this piano?

This was also unlikely.

Previously, Second Brother had clearly asked her to use this piano!

Qiao Nian hesitated for a moment, then slowly stood up. Her breathing involuntarily lightened, and she felt a little uneasy.

Su Sheng looked at Qiao Nian and frowned slightly. She had never expected Qiao Nian to be Mr. Dong Hua.

She felt that Qiao Nian was too scheming.

She treated Qiao Nian as her good friend, but Qiao Nian was full of lies. She didn't treat her sincerely. Instead, she treated her like a clown.

Back then, Qiao Nian had even appeared at Mr. Dong Hua's concert as Mr. Dong Hua's female performer. Wasn't it tiring for her to play two roles alone?

Su Sheng's hatred for Qiao Nian had reached its peak.

"Miss Qiao, are you Mr. Dong Hua?" Su Sheng asked. She had already checked her surroundings. The piano piece from before was played from the piano in front of Qiao Nian.

However, Su Sheng still refused to give up.

At this moment, Qiao Nian didn't answer Su Sheng's question. Her heart was filled with Lu Nian, and her heart was beating faster and faster.

She had never expected Second Brother to be angry with her.

She didn't know what she had done wrong.

According to her current relationship with Second Brother, Second Brother probably wouldn't like her either.

Qiao Nian's frown deepened. She didn't know what to do either.

Chapter 655: Are You Questioning Me?

Seeing that Qiao Nian was ignoring her, Su Sheng frowned slightly. She took a step forward and asked, "Miss Qiao, why are you ignoring me when I'm talking to you? Don't you know that this is very rude?"

Qiao Nian was already terrified and uneasy. She felt a little uncomfortable because of Lu Nian's attitude towards her.

Now that she heard Su Sheng's unreasonable words, she recalled how Su Sheng had bragged in front of her. Her eyes instantly turned cold. "Are you questioning me?"

When Su Sheng heard Qiao Nian's cold voice, she instantly understood something.

Qiao Nian was really Mr. Dong Hua.

Su Sheng's heart gradually sank to the bottom.

Seeing Su Sheng like this, Gu Qing hurriedly stepped forward and pulled her aside, saying in a low voice, "You've misunderstood. Miss Qiao isn't Mr. Dong Hua. Actually, Mr. Dong Hua is..."

"She isn't Mr. Dong Hua?" Su Sheng interrupted Gu Qing mercilessly, asking impatiently. A trace of joy flashed in her eyes.

"Yes." Gu Qing nodded.

When Su Sheng heard this, her lips curved up slightly in a happy smile.

So Qiao Nian wasn't Mr. Dong Hua.

She had asked Qiao Nian this question just now, but Qiao Nian didn't want to answer. This meant that Qiao Nian still wanted to pretend to be Mr. Dong Hua. Qiao Nian was truly shameless.

Someone as immoral as Qiao Nian was not worthy of playing the piano in Mr. Dong Hua's piano room. This was simply a stain on Mr. Dong Hua's piano.

Although she had yet to meet Mr. Dong Hua, she would never allow Qiao Nian to act wantonly in Mr. Dong Hua's music room.

Su Sheng's expression also turned cold. She raised her eyebrows slightly and questioned, "You've trespassed on Mr. Dong Hua's territory without his permission and used his piano without his permission. Previously, you told me that you were also a fan of Mr. Dong Hua. How can a fan do such a thing? Are you an extreme fan of Mr. Dong Hua?"

When Qiao Nian heard Su Sheng's words, she clenched her fists tightly, then let go weakly.

Actually, she didn't care what outsiders thought of her. What she cared about the most was what Second Brother thought of her.

Was Second Brother really so angry just because she had privately played her piano?

Seeing that Qiao Nian wasn't looking at her, Su Sheng frowned and questioned, "Qiao Nian, did you hear me?"

Gu Qing tugged at Su Sheng's sleeve and whispered, "What are you doing?"

Just as Su Sheng was about to speak, she heard Gu Qing say, "Didn't you want to reconcile with Miss Qiao?"

"Senior Sister, it was clearly Qiao Nian who casually touched Mr. Dong Hua's piano," Su Sheng said unhappily. She even looked at Qiao Nian. Seeing Qiao Nian's cold expression, the more she thought about it, the angrier she became.

"Alright, stop talking. Even if Mr. Dong Hua is unhappy because Miss Qiao touched the piano, this is still Mr. Dong Hua's business. Don't interfere anymore!"

Gu Qing gave Su Sheng a silent look.

Su Sheng lowered her head reluctantly, biting her lip.

She just couldn't stand Qiao Nian's aloofness. Moreover, Qiao Nian had casually touched Mr. Dong Hua's things. This in itself was an insult to Mr. Dong Hua.

Gu Qing walked up with a smile, breaking the awkward silence. She smiled at Qiao Nian and asked, "Miss Qiao, you were also invited by Ah Nian, right?"

Ah Nian?

Could it be Mr. Dong Hua's real name?

Could it be that Mr. Dong Hua had really invited Qiao Nian?

How was that possible? Qiao Nian was just a female musician Mr. Dong Hua had hired at the last minute.

Su Sheng's face instantly turned pale. Subconsciously, she refused to believe this.

Su Sheng took a step forward and grabbed Gu Qing's arm. "Senior Sister, how is that possible? Qiao Nian is just..."

"Alright, stop talking." Gu Qing interrupted Su Sheng sternly.

Su Sheng shrank back and stood there silently, not saying anything else.

Only then did Gu Qing retract her gaze. Her gaze fell on Qiao Nian's face and she said with a smile, "I'm sorry, Su Sheng was so agitated just now because she liked Mr. Dong Hua too much. Just now, we were outside. When we heard the piano, we thought that Ah Nian was playing it. When she walked in, she realized that it wasn't Mr. Dong Hua playing. For a moment, she couldn't accept the reality, so she spoke rudely."

Chapter 656: Enough!

Su Sheng couldn't help but blush. She had never expected her senior sister to tell her everything she was most unwilling to admit. She was so embarrassed that she yearned to find a hole to hide in.

She felt that Qiao Nian must be extremely smug now. She must be watching her make a fool of herself.

When Qiao Nian heard Gu Qing's voice, she suppressed the discomfort in her heart. Previously, she had already had a good impression of Gu Qing. Now that she heard Gu Qing's words, Qiao Nian nodded. "Yes."

Seeing Qiao Nian like this, Su Sheng's expression instantly darkened.

Since her senior sister had spoken so nicely, Qiao Nian responded indifferently. However, this made her understand one thing.

Qiao Nian had really been invited over by Mr. Dong Hua. At the thought of this, Su Sheng felt very uncomfortable.

If it weren't for her senior sister, she wouldn't have been able to come here. However, Qiao Nian had been personally invited by Mr. Dong Hua.

This difference made Su Sheng feel terrible.

Seeing that Qiao Nian's expression had improved, Gu Qing smiled and continued to smooth things over. "Since you were also invited by Ah Nian, you must have received his permission. I think this is just a misunderstanding."

As Gu Qing spoke, she turned to look at Su Sheng and said sternly, "Sheng Sheng, you should learn to be more mature. Don't be so impulsive!"

Su Sheng had rarely seen Gu Qing so strict. She immediately felt aggrieved, and her eyes gradually turned red. She said unhappily, "Senior, even if she was invited by Mr. Dong Hua, she can't touch his piano casually!"

Qiao Nian's gaze fell on Su Sheng's face, and her beautiful fox-like eyes instantly turned cold. She finally understood. Su Sheng probably didn't want her to be invited over by Mr. Dong Hua and she didn't want to believe this either.

"Shut up!" Gu Qing's face instantly darkened as she whispered angrily.

She had never expected Su Sheng to be so unreasonable today.

Su Sheng looked at Gu Qing in disbelief. His senior sister was actually scolding her again because of Qiao Nian.

Had she said anything wrong?

It was clearly Qiao Nian's fault.

Su Sheng was really furious. She said angrily, "Senior Sister, you shouldn't always help her. If Mr. Dong Hua comes and finds out that Qiao Nian casually used his piano, Mr. Dong Hua will blame her. Moreover, I'm just telling the truth. She touched someone else's things without his permission. This is wrong to begin with. She should apologize to Mr. Dong Hua."

Gu Qing's eyes narrowed and darkened.

She couldn't understand why Su Sheng was so concerned about Qiao Nian touching Mr. Dong Hua's piano.

When she came in previously, Gu Qing had noticed that Lu Nian was looking at Qiao Nian differently.

Moreover, with Lu Nian here, it was not Su Sheng's place to step forward and be self righteous.

"Su Sheng..."

Before Gu Qing could finish speaking, Qiao Nian spoke.

Qiao Nian looked at Su Sheng coldly. Suppressing her anger, she questioned, "What has it got to do with you whether I apologize or not? You're a busybody!"

Su Sheng's face turned green with anger. Just as she was about to teach Qiao Nian a lesson, she heard the man beside her speak.

"Enough!"

The man's voice was cold and mixed with a trace of anger as he interrupt Su Sheng.

At this moment, the air in the room became weaker and weaker, and it was a little suffocating.

Su Sheng looked at the man in a daze. The man's voice was really too pleasant to the ear. It made her feel as if she was about to get pregnant.

Gu Qing heaved a sigh of relief. She looked up at him and said apologetically, "Ah Nian, I'm sorry."

Ah Nian?

Su Sheng's eyes widened involuntarily as she looked at Gu Qing in shock.

How was this possible?

This young and handsome man was actually Mr. Dong Hua.

Su Sheng gasped, feeling a little dizzy.

She had never expected Mr. Dong Hua to be so handsome.

She was willing to marry Mr. Dong Hua now.

Chapter 657: Puzzlement

As Su Sheng thought about this, she recalled that she had been a little fierce to Qiao Nian previously. She wondered if Mr. Dong Hua would dislike strong girls.

Su Sheng's heart was racing. She looked at Mr. Dong Hua uneasily. Seeing that Mr. Dong Hua was neither speaking to his senior sister nor looking at her, she heaved a sigh of relief.

It seemed that Mr. Dong Hua was not angry with her.

Seeing Mr. Dong Hua walking towards Qiao Nian, Su Sheng's lips curved into a mocking smile.

It seemed that Qiao Nian was going to be in big trouble this time.

Qiao Nian looked at Lu Nian like this. Her breathing softened, and her eyes were filled with gentleness. When Lu Nian walked up to her, she called out softly, "Brother Ah Nian!"

When Su Sheng heard Qiao Nian speak to Lu Nian, she frowned. She had a bad feeling.

Could it be that Lu Nian and Qiao Nian were close?

Su Sheng thought of Lu Zhu again. He addressed Qiao Nian as Nian Nian.

She instantly understood. Qiao Nian must have relied on her looks to befriend those rich and powerful men.

Su Sheng despised women who had multiple partners.

She had also noticed Mr. Dong Hua's expression just now. If Mr. Dong Hua really treated Qiao Nian as his sister, he definitely wouldn't be angry because Qiao Nian had touched the piano.

However, Mr. Dong Hua was indeed angry just now. This meant that he didn't take Qiao Nian seriously.

Lu Nian's gaze lingered on Qiao Nian's face. His narrow phoenix-like eyes narrowed slightly, and finally landed on the piano.

The expression in his eyes grew more and more complicated. His slender fingers gently pressed on the keyboard.

The piano made a low sound, which seemed especially abrupt.

Seeing Lu Nian's actions, Qiao Nian frowned slightly. Was Second Brother worried that she would damage the piano?

She was just playing the piano. How could she ruin it?

"Why did you enter that room?" Lu Nian's gaze was fixed on the piano. He narrowed his eyes slightly, then looked up at the wooden door not far away.

Qiao Nian looked in the direction Lu Nian was pointing. A trace of confusion flashed in her eyes.

Previously, when she stood at the door, she had a faint strange feeling. Moreover, that door seemed to be very attractive, attracting her to push it open and enter.

But in the end, rationality prevailed. She didn't push the door open.

She could sense that behind that door was definitely Second Brother's most precious item.

Everyone had a secret in their hearts. She didn't want her secret to be exposed, so she felt that Second Brother definitely didn't want his secret to be discovered by others.

Qiao Nian looked at Lu Nian. His tone was very certain, as if he was very sure that she had already entered that room.

Qiao Nian said calmly, "I didn't enter that room."

"No?" Lu Nian's voice rose slightly. It was obvious that he didn't believe Qiao Nian's words.

"Yes, Brother Ah Nian's piano room should have surveillance cameras. Why don't you pull up the surveillance cameras and take a look? Then you'll know if I'm lying." Qiao Nian didn't understand why Lu Nian insisted that she had entered that room. She pursed her lips slightly and said seriously.

When Lu Nian heard Qiao Nian's words, a trace of confusion flashed in his eyes. He frowned slightly.

He knew Qiao Nian well and knew that she wasn't lying.

He had specially written this song for Sugar more than twenty years ago, and no one knew about it.

Then how did Qiao Nian know?

Strange.

Could something have gone wrong? Had his song been leaked?

Su Sheng stood at the side, her gaze fixed on Lu Nian's face. Her eyes were filled with obsession. She could tell that the song Qiao Nian had played just now should have been newly composed by Mr. Dong Hua, but Qiao Nian had played it first.

She glanced at the door not far away.

Since that song was new, the score was probably behind that door. Qiao Nian must have memorized the score after entering the room and came out to play it on the piano.

Qiao Nian had actually stolen Mr. Dong Hua's score.

Su Sheng pursed her lips tightly. Even if she hadn't fallen in love with Mr. Dong Hua, she was still a fan of Mr. Dong Hua. She would never tolerate Qiao Nian stealing the score!

Chapter 658: Sophistry

Stealing was immoral to begin with.

Su Sheng didn't want to say anything more, but Qiao Nian had gone too far. She couldn't help but ask coldly, "Miss Qiao, you've really disappointed me. I thought that you were also a fan of Mr. Dong Hua and that the two of us could be good friends, but I never expected you to do something so despicable as stealing."

When Qiao Nian heard Su Sheng's words, she looked at him coldly and asked, "You said that I stole something. Then what did you see me steal? Without any evidence, I can sue you for slander."

Su Sheng was a psychiatrist. Sometimes, she would help the police judge cases. Her role was to observe the interrogated prisoners so that she could determine if they were telling the truth.

She had seen many prisoners, and she had seen some like Qiao Nian, who looked calm and didn't admit to the mistakes she had made.

It wasn't until the police brought the evidence to them that the prisoners had to admit their past mistakes.

Su Sheng gasped and questioned, "Didn't you play this song just now? If you didn't steal Mr. Dong Hua's score, how could you have played it?"

Hearing Su Sheng's words, Qiao Nian frowned slightly, her eyes filled with confusion.

Gu Qing stared unblinkingly at Qiao Nian. For some reason, she felt that Qiao Nian wasn't lying. Moreover, she didn't think Qiao Nian was the kind of person who stole things.

If Qiao Nian really stole something, as long as Ah Nian pulled up the surveillance video, there would be evidence of Qiao Nian stealing.

Since Qiao Nian wasn't afraid of the surveillance video, it could only mean one thing. Qiao Nian hadn't stolen anything at all.

If Qiao Nian didn't steal anything, how did she play Ah Nian's tune?

Could there be a misunderstanding?

Gu Qing frowned slightly.

She seemed to have heard the song Qiao Nian had played somewhere before, but she couldn't remember where.

Seeing that Qiao Nian was silent, Su Sheng thought that she had stepped on Qiao Nian's tail. She snorted. "What else do you have to say? I'll call the police now and send you to the police station!"

"Shut up!"

Su Sheng was slightly stunned. He looked up and saw Lu Nian looking at her with a dark expression.

Lu Nian's voice was not gentle at all, not giving Su Sheng any face.

Su Sheng was stunned. She had never expected Mr. Dong Hua to look at her with such disgust. The thief was clearly Qiao Nian.

What had she said wrong? What had she done wrong?

She had clearly been helping him!

Why would Mr. Dong Hua be fierce to a true fan of his for a thief like Qiao Nian?

Su Sheng felt a little uncomfortable. Her nose felt sore, and her eyes were a little red. She asked in disbelief, "Mr. Dong Hua, actually, I..."

“Do you not understand human language? Or is your intelligence limited?” Lu Nian’s eyes grew colder and colder, interrupting Su Sheng mercilessly.

Tears welled up in Su Sheng’s eyes, and her face turned as pale as paper.

She felt very aggrieved.

She was a true fan of Mr. Dong Hua and had always sought justice for him. However, she had never expected Mr. Dong Hua to mock her for Qiao Nian.

Su Sheng finally understood. Qiao Nian didn’t have any other abilities, but her ability to seduce and steal was top-notch.

That made sense. No one would let others insult their girlfriend.

Su Sheng understood this and sneered. She turned to the side and wiped the tears from her eyes.

Although she had lost, she didn’t feel embarrassed. Qiao Nian had used her body to rope in those men. This kind of behavior was what she hated the most.

Men were all animals who thought with their lower bodies. However, Su Sheng’s fantasy of her idol, Mr. Dong Hua, was completely shattered.

She had thought that Mr. Dong Hua, who could see through the coldness and warmth of the world, would be more self aware.

So that was all.

She had decided that she would never like Mr. Dong Hua again. She only liked Mr. Dong Hua’s music.

Chapter 659: Bewitched

Lu Nian looked at Su Sheng coldly and questioned, “Who told you that she stole my score?”

When Su Sheng heard Mr. Dong Hua’s words, her eyes lit up. She hadn’t expected Mr. Dong Hua to not be completely charmed by Qiao Nian.

If Mr. Dong Hua was really bewitched by Qiao Nian, he wouldn’t have asked her for the reason.

Su Sheng had heard from others in the past that idols of a certain quality would always have strict requirements for their fans, asking them to treat passersby better.

Mr. Dong Hua had been so fierce to her just now. He was probably asking her to have a better attitude.

After thinking this through, Su Sheng felt a little guilty for misunderstanding Mr. Dong Hua.

Su Sheng looked up at Mr. Dong Hua, her eyes red-rimmed. “But did I say anything wrong? Mr. Dong Hua hasn’t released this song to the public, right? Looking around the entire piano room, there’s no score. Then how did Qiao Nian play Mr. Dong Hua’s song?”

The more Su Sheng spoke, the more she felt that her words made sense. Her gaze fell on Qiao Nian’s face as she enunciated each word clearly. “It’s also possible that Qiao Nian created a song identical to

Mr. Dong Hua's. The chances of that happening are too low. Otherwise, it can only mean that she stole your score!"

When Qiao Nian heard Su Sheng's words, she was slightly stunned.

What Su Sheng said made sense.

If she stood in Su Sheng's shoes, she might also suspect that someone had stolen Mr. Dong Hua's song.

Qiao Nian's frown deepened. She heard Lu Nian say, "Since there are other possibilities, why do you think she stole the score?" Lu Nian's narrow eyes narrowed slightly, and his voice became colder and colder.

Qiao Nian was stunned.

When Second Brother walked in just now, she had noticed him. He seemed to be unhappy because she had unintentionally done something. However, Second Brother had been suppressing his anger.

Coupled with Su Sheng's accusation, it was reasonable.

Qiao Nian had always felt that her second brother would believe Su Sheng's words.

She regretted coming here just now. If she hadn't come here today, she wouldn't have gotten into an argument with Second Brother.

But she had never expected Second Brother to stand by her side and speak up for her even though there was no evidence that she was innocent.

Second Brother would rather treat this song as her original song than let others misunderstand her as a thief.

Qiao Nian's eyes were a little red. She stared unblinkingly at Lu Nian.

This was her second brother, and the best second brother in the world.

Lu Nian's words rendered Su Sheng speechless.

Su Sheng felt her mind go blank. She had never expected Mr. Dong Hua to believe Qiao Nian so unconditionally.

Why had things turned out like this?

Qiao Nian was clearly in the wrong.

Why was Mr. Dong Hua still speaking up for Qiao Nian?

Did Mr. Dong Hua dote on his little lover, Qiao Nian, so much?

Qiao Nian was clearly two-timing.

What was so good about such a lewd woman?

Could it be that Mr. Dong Hua didn't know that Qiao Nian was with someone else?

At the thought of this, Su Sheng's lips curved up slightly.

Although the truth was very cruel to Mr. Dong Hua, she felt that it was necessary for him to see Qiao Nian clearly.

Su Sheng took a step forward. Her gaze fell on Qiao Nian's face and she questioned, "Miss Qiao, may I ask what your relationship with Mr. Gu Zhou is?"

As soon as he said this, the piano room instantly fell silent. It was so quiet that one could hear a pin drop.

Lu Nian frowned slightly. He looked at Su Sheng coldly, his eyes filled with displeasure.

At this moment, Gu Qing was stunned. She looked at Su Sheng in confusion, then at Qiao Nian. Seeing Qiao Nian frowning, she had a bold thought.

Could it be that Qiao Nian and Gu Zhou were together?

That was impossible!

She had heard before that Gu Zhou was afraid of women. How could someone like Gu Zhou get married?

Moreover, although the Qiao family was not a big family, the Qiao family probably could not bear for their daughter to marry a man who was not in good health.

Chapter 660: Messy Relations

Qiao Nian stood rooted to the ground, frowning. She suddenly recalled how she had invited Su Sheng to the Gu family to treat Gu Qi.

At that time, when Gu Chuan came out, he even forcefully brought her back to her room and bit her mouth.

Could it be that Su Sheng had suspected her identity at that time?

Qiao Nian pursed her lips slightly and looked at Su Sheng with a complicated expression.

Could it be that Su Sheng felt that there was something ambiguous between her and Gu Zhou?

Even if she said it, what did it matter?

Wasn't everyone discussing the score now?

"Miss Qiao, please tell everyone what your relationship with Mr. Gu Zhou is." Su Sheng looked at Qiao Nian coldly, enunciating each word clearly.

A trace of disdain flashed in Qiao Nian's eyes. She said coldly, "What has my relationship with Gu Zhou got to do with what happened today?"

“Since you’re unwilling to say it, I’ll say it for you.” Su Sheng felt that Qiao Nian was still running away. In order to gain a good impression of Mr. Dong Hua, she also wanted to let him know that Qiao Nian wasn’t a good woman. “You’re Mr. Gu Zhou’s mistress!”

Mistress?

This was the first time Qiao Nian had heard this term. She found it a little novel, and her lips curved up involuntarily.

When Gu Qing heard Su Sheng’s words, her eyes were filled with confusion. Her gaze fell on Qiao Nian’s face again. Seeing Qiao Nian’s calm expression, she instantly understood that Su Sheng must have guessed wrong.

Just as Gu Qing was about to remind Su Sheng, she heard Lu Nian speak.

“Did I ask you to speak now?” Lu Nian’s tone was not good. His face was dark as he questioned word by word.

Su Sheng looked at Lu Nian’s angry expression and suddenly realized something.

Mr. Dong Hua was also human. If Mr. Dong Hua knew that his woman was having an ambiguous relationship with another man, he would definitely feel very embarrassed. That was why he flew into a rage out of humiliation.

However, Su Sheng was puzzled. Why didn’t Mr. Dong Hua question Qiao Nian?

Before Su Sheng could speak, Gu Qing tugged at his arm.

“Alright, stop talking. Stop causing trouble!” Gu Qing said to Su Sheng with a frown. She knew that her junior sister was decisive and could distinguish between love and hate. When she saw injustice, she would definitely stand up and say a few more words.

However, Lu Nian didn’t look too good. If Su Sheng continued, she was worried that Lu Nian would hate Su Sheng in the future.

“You’re really thinking too much. I told you, she didn’t steal this score!” Lu Nian suppressed his anger. “Her relationship with Gu Zhou isn’t something someone like you can know.”

Su Sheng’s face turned pale as he looked at Lu Nian in disbelief.

Were all rich people so open-minded?

Even if Lu Nian knew that Qiao Nian was cheating on him, he wouldn’t care.

Su Sheng pointed at the small door and said, “The score should be in that room!”

Lu Nian’s anger was on the verge of erupting. He glanced at the door and looked at Su Sheng fiercely. “The surprise I prepared for her is behind that door. I’m just unhappy that she entered without waiting for me!”

Su Sheng was stunned.

She had never expected Lu Nian to prepare a surprise for Qiao Nian behind that door.

“But Qiao Nian and Mr. Gu Zhou clearly...”

Su Sheng found it difficult to breathe. She couldn't speak and felt a little dizzy.

Why had things turned out like this?

What had she done wrong?

Lu Nian looked down at Su Sheng. His voice was cold and heartless as he questioned, “You used the filthiest of thoughts to falsely accuse a clean and pure girl. Is your heart made of dirty rats?”

Su Sheng swayed on the spot.

She had never expected her idol to say that her heart was made of rats and that it was dirty.

Tears welled up in Su Sheng's eyes. She bit her lower lip, trying hard not to cry.

“Alright, let's go!” Gu Qing said as she pulled Su Sheng away.

Su Sheng reached out and pushed Gu Qing's hand away. She looked at Lu Nian with red-rimmed eyes and asked sadly, “She's clearly a lewd woman. What's so good about her?”
