

Big Shot 661

Chapter 661: Guest

Lewd?

Using her body to climb up the ranks?

When Lu Nian realized that Su Sheng had used such a word to describe Qiao Nian, he could no longer suppress the anger in his heart.

Although Qiao Nian wasn't related to him by blood and wasn't his biological sister, in his opinion, Qiao Nian looked a lot like his biological sister.

The two of them had similar personalities and tastes.

He had always treated Qiao Nian as his confidant.

Now, someone was actually criticizing Qiao Nian in front of him.

Lu Nian couldn't take it anymore.

He had always had a sharp tongue and usually tried his best to control himself, but now he didn't want to control his words and actions.

He had never been one to show mercy to others, nor was he one to show mercy to the fairer sex.

"Qiao Nian is an esteemed guest I've specially invited over. It's not up to a rat like you to say anything about my relationship with her. You're just an extra Sister Gu Qing brought over. What right do you have to judge my esteemed guest?"

Guest?

How was that possible?

How could Qiao Nian be Lu Nian's distinguished guest?

Lu Nian was the most outstanding genius composer in the world.

How could he treat a gold digger and lewd woman like Qiao Nian be an esteemed guest?

"No... this is absolutely impossible... Qiao Nian can't be a distinguished guest..." Su Sheng was dumbfounded, muttering to herself.

When Qiao Nian heard Lu Nian's words, she had a strange feeling. She looked up at Lu Nian and smiled.

At this moment, Su Sheng looked at Qiao Nian. Her lips parted slightly, but she couldn't say a word.

At this moment, Gu Qing could already tell that Lu Nian was angry.

She had grown up with Lu Nian since she was young, so she naturally knew his personality.

Lu Nian thought so highly of Qiao Nian. Previously, Lu Zhu had also asked her to treat that child.

It seemed that Qiao Nian, Lu Zhu, and Lu Nian had a good relationship. Her status shouldn't be as simple as Miss Qiao.

Gu Qing smiled and walked forward, pulling Su Sheng back. She said, "I just remembered something. We seem to have an appointment with a patient tonight. You guys are busy, so we'll leave now!"

Gu Qing was really worried that Su Sheng would anger Lu Nian.

"I'm not leaving!" Su Sheng shook off Gu Qing's hand and shouted.

If a lewd person like Qiao Nian could become Mr. Dong Hua's distinguished guest, why couldn't she become his distinguished guest?

She was here today to listen to Mr. Dong Hua's new song.

It was impossible for her to leave without hearing Mr. Dong Hua's tune.

Moreover, she had to make Mr. Dong Hua realize that she was the most suitable woman for him. A woman like Qiao Nian was not worthy of being with Mr. Dong Hua at all.

Gu Qing looked at Su Sheng in disbelief. She had never expected that her lively and cheerful junior sister would break down so easily, disregarding her image.

Gu Qing knew that if Su Sheng continued to stay here, who knew what would happen.

She liked Su Sheng a lot. She didn't want Su Sheng to disappear from An City because of what had happened today.

"Su Sheng, it's getting late. Come back with me!" Gu Qing said loudly, her expression cold.

"Senior Sister!" Su Sheng felt terrible. Her senior sister, who had always doted on her the most, was also on Qiao Nian's side.

"If you don't want to make things worse, leave with me immediately!" Gu Qing said sternly, her expression cold.

Seeing Gu Qing like this, Qiao Nian knew that she was angry. She frowned slightly and her gaze fell on Su Sheng's face again.

Qiao Nian could tell that Gu Qing was helping Su Sheng.

However, when she was in the elevator, Su Sheng was still slandering Gu Qing's professional abilities.

Su Sheng really didn't deserve a senior sister like Gu Qing.

Of course, Qiao Nian wouldn't say such a thing.

Su Sheng looked at Gu Qing in disbelief. Her eyes were slightly red as she said pitifully, "Senior, you've always been by my side. You know that I like Mr. Dong Hua a lot. Why won't you help me?"

Gu Qing opened her mouth to speak, but she did not expect Lu Nian to speak first.

“I find it disgusting to be liked by someone like you.”

Lu Nian’s words were as cold and cruel as ever.

Chapter 662: Heartbroken

When Su Sheng heard Lu Nian’s words, she was about to break down. Her eyes were filled with sorrow as she said in pain, “When I was 18, I fell in love with you the first time I heard your music. I collected all your music. I like you so much. I’m a loyal fan of yours. How can you say such hurtful words? I’m clearly so good. Why don’t you like me?”

“Who in this world has set the rule that if you like me, I have to like you?” Lu Nian’s eyes turned cold as he said impatiently.

Su Sheng swayed on the spot.

Her fragile heart seemed to have been smashed to the ground by Lu Nian, shattering into countless pieces.

When Su Sheng was in school, she was known as a genius beauty. When she came out of school, she opened a counseling studio with Gu Qing.

She had seen all the rich people in An City. No one sneered at her beauty.

There were also many wealthy people who asked about her marriage status. Countless people wanted to marry her.

But she had rejected those people mercilessly.

In her opinion, those rich second-generation heirs were all useless. Her future husband had to be a genius, and he must shine in his field.

When she found out that Lu Nian was Mr. Dong Hua, she had already put herself in the role of Mr. Dong Hua’s wife.

She was a world-renowned genius psychiatrist, and Lu Nian was a world-renowned composer.

How compatible the two of them were.

Who did Qiao Nian think she was?

Qiao Nian wasn’t even worthy of carrying their shoes.

“But why do you like Qiao Nian? What’s so good about Qiao Nian?” Su Sheng looked at Lu Nian sadly, her gaze finally moving to Qiao Nian’s face.

Was this like what others said? If a woman wasn’t bad, a man wouldn’t like her?

Lu Nian clearly knew that Qiao Nian was with another man, but he still liked her.

At this moment, Qiao Nian was slightly stunned.

Only then did she realize that Su Sheng thought that Second Brother liked her.

How was that possible? They were biological siblings!

No, no.

Second Brother didn't know her identity now, but he also knew about her relationship with Gu Zhou. It was impossible for Second Brother to have feelings for her like a man would for a woman.

Second Brother was treating her well now not only because he felt that she was talented in music, but also because of Gu Zhou.

Had Su Sheng gone crazy?

How could she spout nonsense?

When Lu Nian heard Su Sheng's words, he frowned.

Only then did he realize that Su Sheng had said that he liked Qiao Nian.

He had no romantic feelings for Qiao Nian at all. He only treated her as his younger sister.

He knew that if he didn't reject Su Sheng explicitly, he would be in a lot of trouble in the future.

Lu Nian said, "That's because she's Qiao Nian!"

At this moment, the piano room instantly fell silent. Su Sheng looked at Lu Nian in disbelief.

Lu Nian's words were like an invisible slap to her face, hurting her heart.

Su Sheng's heart ached so much that it was difficult to breathe. Frowning, she looked at Qiao Nian. "She's been cheating on many people. How can you like such a woman? She's a bad woman!"

"Are you any better?" Lu Nian asked.

"When I went to the Gu residence, I realized that Mr. Gu Zhou and Qiao Nian had an extraordinary relationship. Look at the wound at the corner of Qiao Nian's mouth. Gu Zhou must have bitten her!" Su Sheng said in exasperation.

Hearing this, Lu Nian and Gu Qing both looked at Qiao Nian in unison.

Actually, Gu Qing was the most shocked. She had never expected someone with a phobia of women to do such a thing to a woman.

Gu Zhou bit Qiao Nian's mouth.

If this matter were to be posted online, it would definitely rank first on the trending searches.

Gu Qing was very curious. Did Gu Zhou really like Qiao Nian a lot?

Lu Nian looked at Qiao Nian's lips, his eyes darkening slightly.

He remembered that whenever Gu Zhou mentioned Qiao Nian, he always looked gentle.

At that time, he had been very surprised that Gu Zhou would believe a woman unconditionally.

After meeting Qiao Nian, he finally understood why Gu Zhou liked Qiao Nian so much. Qiao Nian was too obedient and smart.

Chapter 663: Lewd Woman

When he first entered the room, he had seen a wound at the corner of Qiao Nian's mouth.

At that time, he had thought that the wound on Qiao Nian's mouth was caused by inflammation in her mouth. He had never expected Second Brother to bite her.

Second Brother was too ruthless.

He wondered if Qiao Nian was hurt.

Seeing that Gu Qing and Lu Nian were both looking at Qiao Nian's lips, Su Sheng said unhappily, "Mr. Dong Hua, have you seen this person's true colors? Not only is she in an ambiguous relationship with Gu Zhou, but she also has a very ambiguous relationship with Lu Zhu. Otherwise, Lu Zhu wouldn't have specially looked for Senior Sister and asked her to treat the child of Qiao Nian's friend when she was catching a plane and going on a long trip."

"And now, Qiao Nian is still seducing you. She is playing a song you've never made public. Moreover, you've kept the score away. How did she get your score? I think she's just a lewd woman. She's involved with many men. You're just one of them. She doesn't take you seriously at all."

Lu Nian stood there calmly, frowning slightly. Previously, he was told that Big Brother's attitude towards Qiao Nian was very ambiguous.

Moreover, Big Brother had previously said that he would not ruin Second Brother's family.

Lu Nian's gaze gradually became firm. He looked at Su Sheng in disdain and said, "It's her business if she has the ability to attract so many men. What has it got to do with you?"

When Su Sheng heard Lu Nian's words, she was about to suffocate. Her heart skipped a beat. She had never expected Mr. Dong Hua, who she thought was very intelligent, to say such ridiculous things.

If Mr. Dong Hua was an old man, she could still accept that he was senile.

But Mr. Dong Hua was a young and handsome man. How could he say such a thing?

Would a man give up everything for the person he liked?

Even if he had to become one of that woman's many men?

What kind of ability did Qiao Nian have to toy with so many young and handsome men?

Su Sheng's eyes gradually turned red. She was extremely jealous of Qiao Nian. If she had the ability, she would have been with Mr. Dong Hua long ago.

Su Sheng's gaze gradually fell on Qiao Nian's face, the anger in his eyes obvious. If looks could kill, Qiao Nian might have died a million times over.

At this moment, Qiao Nian crossed her arms and stood there calmly. She looked at Su Sheng indifferently, like a high and mighty person looking at a weak and helpless ant. She only needed to move her toes slightly to crush that ant to death.

Su Sheng's heart turned cold. She felt ashamed.

Qiao Nian had hidden herself too well. From the beginning, Qiao Nian had treated her as a joke.

"You b*tch. What kind of sorcery did you use to make so many men like you?!" Su Sheng questioned angrily.

When Lu Nian heard Su Sheng's voice, his expression darkened. He couldn't tolerate anyone bullying Qiao Nian.

In his opinion, Qiao Nian was the best girl in this world.

"Sister Gu Qing, please drag her out. I don't want to see her again." Lu Nian frowned and suppressed the anger in his chest. He paused for a moment and continued, "I don't want to see her in An City again!"

The reason why he was willing to talk to Su Sheng previously was entirely because Su Sheng had been brought here by Gu Qing. He was only doing it for Gu Qing's sake.

However, Su Sheng had crossed his bottom line. He could not tolerate it.

Lu Nian's words frightened Su Sheng so much that her legs went weak. She looked at Lu Nian in fear, not understanding why he had said this.

At this moment, Su Sheng began to doubt her worldview.

Qiao Nian was clearly the one who had done something wrong, and Qiao Nian was clearly the one who had cheated on many people. In the end, she was the one who was hurt.

She was a fan of Mr. Dong Hua. She had always loved Mr. Dong Hua deeply. How could Mr. Dong Hua trample on her love and crush it?

Mr. Dong Hua didn't like her but he should find a good girl to be with. Not Qiao Nian.

Su Sheng's mind was in a mess. She thought of how Lu Nian was going to chase her out of this city.

Chapter 664: There Must Be Something Hateful About Pitiful People

Su Sheng's legs felt a little weak. If her senior sister hadn't been supporting her, she would have knelt on the ground long ago.

Gu Qing nodded and said, "Yes, I'll take her out now!"

With that, Gu Qing grabbed Su Sheng's arm and walked out.

When Gu Qing brought Su Sheng to the door, she saw Lu Zhu standing there.

At this moment, Lu Zhu was emitting a cold aura, like a demon from hell.

Su Sheng's tears welled in her eyes.

She had already been abandoned by Lu Nian, but so what? If someone like Lu Zhu knew that Qiao Nian was two-timing, he would definitely hate her even more.

It seemed that Qiao Nian was in deep trouble.

Just as Su Sheng was about to complain, she couldn't help but meet Lu Zhu's cold eyes.

How should she describe it? Lu Zhu looked at her as if he was looking at a dead person.

How had this happened?

Lu Zhu should hate Qiao Nian.

She still remembered that Lu Zhu had looked at her gently just now. Why was he looking at her like this now?

Could it be because she had told the truth?

Su Sheng gasped. That made sense. Rich men all cared about their dignity. What she had just said was the truth. Perhaps Lu Zhu hated Qiao Nian to the core, but what Lu Zhu cared about the most now was his dignity.

Su Sheng's breathing involuntarily intensified.

At this moment, Lu Nian and Qiao Nian, who were in the piano room, both noticed Lu Zhu.

Lu Nian stood there calmly. It was rare for him to see his brother look at others so fiercely, and his eyes were filled with confusion.

He recalled what he was told previously, and his eyes gradually darkened. Could it be that Big Brother had really fallen for Qiao Nian?

Lu Nian's frown deepened.

Seeing her brother like this, Qiao Nian had a bad feeling.

It seemed that her brother was really angry. Su Sheng was going to be in big trouble this time.

"Just now, you said that Nian Nian had an improper relationship with me?" Lu Zhu's voice was low and hoarse. Every word seemed to have been tempered in an icehouse.

When Lu Nian heard the words Nian Nian, his narrow eyes narrowed slightly.

Su Sheng's body trembled uncontrollably, and her mind went blank.

After a long while, Su Sheng came back to her senses. She didn't understand what had happened at all.

Why had things turned out like this?

First, she was hated by Mr. Dong Hua, and now, she was questioned by Lu Zhu.

Who was Lu Zhu? He was the eldest young master of the Lu family in An City.

Someone like Lu Zhu could kill her with a casual sentence.

At this moment, Su Sheng was truly afraid. Her lips trembled, and she was so frightened that she could not speak.

Su Sheng looked at Gu Qing in fear, tears welling up in her eyes.

Gu Qing met Su Sheng's eyes and sighed helplessly.

Su Sheng was too competitive. As long as someone was more outstanding than her, she would always pick on others.

She had discovered this problem with Su Sheng in the past.

But in her studio, other than her, Su Sheng had the most power.

At that time, Gu Qing felt that Su Sheng had some foresight and wouldn't spout nonsense.

But today, Gu Qing realized how wrong she was.

Su Sheng had gone too far today.

Moreover, she had already interrupted Su Sheng several times, but Su Sheng was still stubborn.

Gu Qing sighed slightly. Although Su Sheng had made a huge mistake today, she had promised her parents, who had long passed away, that she would take good care of Su Sheng.

Gu Qing's gaze landed on Lu Zhu's face. Only then did she realize that Lu Zhu already wanted to kill Su Sheng.

Gu Qing narrowed her eyes slightly. She hurriedly pulled Su Sheng behind her and looked up at Lu Zhu. With a sincere expression, she said, "Ah Zhu, Su Sheng has indeed said a lot of things wrong today. I'll apologize to you, Ah Nian, and Miss Qiao on her behalf. I'll definitely discipline her well in the future."

At this point, Gu Qing turned back to look at Su Sheng.

At this moment, Su Sheng was no longer as arrogant as she usually was. All that was left was unease. Su Sheng stood there trembling like a drenched chicken in the rain. She looked extremely pitiful.

As the saying went, there must be something hateful about pitiful people.

If Su Sheng had kept quiet today, the situation would not have been so awkward.

What made Gu Qing curious was what relationship Qiao Nian had with Lu Zhu and Lu Nian. Why would those two take such good care of Qiao Nian?

Although she had a lot of questions in her mind, she understood one thing. The less she knew, the better.

Chapter 665: Reprimand

Gu Qing sighed and looked up at Lu Zhu. She said kindly, "Ah Zhu, on account of our past relationship, can you give her a way out?"

Lu Zhu's gaze landed on Gu Qing's face, and his eyes darkened. He pursed his lips slightly and said coldly, "Take good care of her in the future. Don't let her set foot in Yong'an Building again."

"I will." Gu Qing smiled and dragged Su Sheng out.

Su Sheng's legs were as limp as noodles. All her weight was leaning on Gu Qing.

When Gu Qing dragged her away from Lu Zhu, the tears in Su Sheng's eyes fell. She looked at Gu Qing in fear. "Senior Sister!"

Qiao Nian, who was standing in the piano room, watched as Gu Qing and Su Sheng left. Her frown deepened.

Su Sheng, who was ignorant, would only be a burden to Gu Qing if she followed her.

At this moment, Qiao Nian heard Lu Nian ask, "Sister Nian, where did you get your score?"

Qiao Nian came back to her senses. Her gaze fell on Lu Nian's face, and her eyes were filled with confusion.

Actually, she didn't know where she had seen the score before.

When she first arrived at the piano room, this melody appeared in her mind. She only relied on the memories in her mind to play this song.

Moreover, she didn't know that Lu Nian had written this song.

Lu Nian narrowed his eyes slightly and looked at Qiao Nian nervously. He wanted to hear Qiao Nian's explanation.

He believed that Qiao Nian wouldn't steal anything, but he had written that song in his early years, and he had never publicized it to the public. How did Qiao Nian know this song?

He wanted to hear Qiao Nian's explanation.

Could it be that he and Qiao Nian really had a telepathic connection and wrote the same tune at the same time?

Actually, this was not impossible.

At this moment, Lu Zhu walked in. The coldness on his body instantly disappeared. He looked at Qiao Nian with concern and asked, "Nian Nian, are you alright?"

"I'm fine." Qiao Nian forced a smile.

Nian Nian?

Lu Nian came back to his senses. He frowned slightly and turned to look at his brother.

His good brother was still looking at Qiao Nian worriedly.

Lu Nian's frown deepened. Just as he was about to speak, he heard his brother speak again.

"Then, if anyone bullies you, just tell me. I won't let you suffer at all!"

"Actually, it was nothing just now. Besides, I can handle it!" Qiao Nian gave a sweet smile.

Lu Nian's frown deepened. He recalled what the mistress had said. Then, seeing his brother's attitude towards Qiao Nian, he had a bad feeling.

Big Brother's concern for Qiao Nian wasn't superficial at all, nor was it an average relationship. It was a heartfelt concern.

Big Brother had never been so concerned about a girl. Although Big Brother was not afraid of women, he rejected most girls.

Lu Nian was deep in thought when suddenly, a cold gaze swept over. He instantly came back to his senses and met Lu Zhu's gaze.

"It's all your fault!" Lu Zhu looked at Lu Nian coldly, his voice filled with blame!

Lu Nian was speechless.

"If you hadn't been chasing after Nian Nian to ask about the score, how could Nian Nian have been mistaken for a thief? When there are outsiders around, don't you know how to restrain yourself?"

Lu Nian frowned slightly.

What his brother said made sense but he seemed to dote on Qiao Nian more?

If he remembered correctly, Big Brother hated Qiao Nian the most before he went to MY.

"I've told you many times before not to be rash in the future. You're already so old, yet you still need me to teach you!" Lu Zhu frowned and continued to reprimand him, as if he was very dissatisfied with Lu Nian's performance just now.

Lu Nian's frown deepened. He looked at Lu Zhu intently and said nothing.

When Qiao Nian heard her eldest brother reprimand her second brother, she hurriedly smiled and said, "Brother, don't be angry. Actually, Brother Ah Nian has already explained it to Su Sheng. It's just that Su Sheng was too emotional and didn't listen at all!"

When Lu Zhu heard Qiao Nian's words, his gaze fell on her face. The coldness in his eyes gradually dissipated. He pursed his lips for a while before saying stiffly, "You really know how to feel sorry for him!"

Lu Zhu looked at Qiao Nian helplessly.

Chapter 666: Nothing Good Comes From a Dog's Mouth

A coquettish smile appeared on Qiao Nian's face. She didn't speak, tacitly agreeing with Lu Zhu.

That was for sure!

She couldn't bear to let her second brother suffer.

Moreover, this was not Second Brother's fault to begin with. If Su Sheng had not pestered them endlessly, they would have listened to Second Brother's new song long ago.

Su Sheng had made a mistake. She couldn't let Second Brother bear the consequences, right?

Lu Zhu looked at the smile on Qiao Nian's face. In the end, he swallowed his reproachful words, unwilling to say them out loud.

It wasn't easy for him to find Sugar. How could he bear to blame her?

Lu Zhu felt very uncomfortable, and his eyes gradually darkened.

His dark eyes flickered and were gradually tinged with a thick fog.

When he invited Sugar out today, she rejected him.

At that time, Sugar had told him that she had already made an appointment with someone else tonight.

At that time, he had thought that Sugar was going to meet her good friend.

But now he realized that Sugar had rejected his invitation because of Second Brother.

If it wasn't for Second Brother's words, he would have brought Sugar here openly tonight. Why would he let Sugar suffer?

At the thought of this, Lu Zhu glared at Lu Nian, still feeling a little upset.

At this moment, Lu Nian was in a daze. He felt that his mind was not working.

He did not understand what was going on with his brother. Was he jealous?

But that didn't seem right either.

Who was Big Brother jealous about?

Was he jealous of him?

At the thought of this, Lu Nian felt terrible. His mind was in a mess.

It seemed that Big Brother had really fallen for Qiao Nian!

No wonder he was told that Big Brother had fallen for Qiao Nian. He had even said that he had never seen Big Brother so close to a woman.

Lu Nian's frown deepened. He looked up at Lu Zhu, his expression becoming more and more serious. He couldn't help but remind him, "Brother, isn't this a little inappropriate? My Second Brother treats you quite well. How can you do this?"

Lu Nian was the second eldest son of the Lu family. The second brother Lu Nian was referring to was Gu Zhou. He had grown up with Gu Zhou.

Lu Nian recalled that his second brother had called him previously to ask where his eldest brother had gone.

It seemed that Second Brother had already realized that his eldest brother had an extraordinary relationship with Qiao Nian.

However, Second Brother did not make it clear on account of the two families.

Lu Nian pursed his lips tightly. He could not let his eldest brother ruin his second brother's marriage.

"What?" Lu Zhu asked with a dark expression.

He had yet to settle scores with Lu Nian, but Lu Nian had said some strange things.

If it weren't for Lu Nian not taking good care of Sugar, Sugar wouldn't have suffered today.

Previously, Sugar had suffered alone outside.

He had initially wanted to give Sugar all the best things in the world, but because of that incident back then, he had no choice but to hide Sugar's background.

Lu Zhu felt that he could not let Sugar return to the Lu family. He had already made Sugar suffer. He would never allow Sugar to suffer any more.

But today, Sugar had rejected Lu Nian's invitation because of him and she had suffered again.

How could Lu Zhu tolerate this?

He didn't make Lu Nian go home to reflect on himself because of Sugar.

Lu Nian sighed heavily. He felt that his eldest brother was being stubborn. His voice was low as he enunciated each word clearly. "I will never allow anyone to poach Second Brother's wife, not even Big Brother!"

When Qiao Nian heard Lu Nian's words, her mind went blank.

Had Second Brother misunderstood something?

Lu Zhu said, "Nothing good comes out of a dog's mouth!"

Qiao Nian was slightly stunned. This was the first time she had heard her refined brother say such a thing.

Actually, Lu Nian did not want to say it directly, but he could not let his brother pester Sister Nian anymore. After all, he had to nip such ambiguous signs at the bud.

He did not want Gu Zhou's marriage to be threatened in any way, nor did he want his brother to continue being so stubborn.

His gaze swept across Qiao Nian's face and finally landed on Lu Zhu's face. His phoenix-like eyes narrowed slightly, as if he had already seen through Lu Zhu's thoughts.

“Brother, I know Sister Nian saved your life, but your attitude towards her is a little too gentle. This doesn’t make sense.”

Chapter 667: He’s Just My Brother!

Lu Zhu was speechless. His temples were throbbing with anger. Suppressing his anger, he clenched his fists tightly.

What exactly was Lu Nian talking about?

Qiao Nian was his biological sister.

If he wasn’t gentle with his sister, who would he be gentle with?

However, Lu Nian was completely immersed in the fact that his eldest brother was about to poach his second brother. His frown deepened and he couldn’t help but sigh.

Lu Nian thought of Gu Qing, who had just left, and his expression turned even more serious.

“Brother, you used to be cold to other women. Moreover, Sister Gu Qing has been wooing you for so long, but I haven’t seen you treat Sister Gu Qing very well!”

“Sister Gu Qing grew up with us. She’s like our biological sister. She’s always taking care of me and Third Brother. Shouldn’t you consider Sister Gu Qing first?”

At this point, Lu Nian couldn’t help but sigh again. If only Sister Gu Qing hadn’t left just now. He could have pushed Sister Gu Qing directly to his brother and let him take his relationship with Sister Gu Qing seriously.

That way, Big Brother would not think about Second Brother’s wife.

Lu Zhu was speechless.

At this moment, Qiao Nian understood what Lu Nian meant.

It turned out that Second Brother had thought that there was something going on between her and Eldest Brother. He had thought that Eldest Brother was ruining her marriage with Gu Zhou.

Big Brother was so pitiful!

Qiao Nian hurriedly explained for Lu Zhu, “Brother Ah Nian, you’ve misunderstood Big Brother. It’s not what you think between Big Brother and me. We don’t have that kind of relationship.”

Seeing how serious Qiao Nian was, Lu Nian sighed helplessly again. His eyes were filled with helplessness as he said softly, “Sister Nian, I know you don’t have any other thoughts about Big Brother, but this matter has already been placed in front of us. I hope you’ll treat Second Brother well in the future and ignore him! Now, I hope that you and Second Brother can grow old together and have children soon!”

For the first time, Lu Zhu felt that Lu Nian was so stupid.

How was he romantically interested in Sugar?

It was clearly a concern between an older brother and a younger sister.

Lu Nian didn't know anything and was spouting nonsense.

Or was it that Lu Nian had been single for too long and did not understand the difference between romantic love and sibling love at all?

He felt that Lu Nian was either stupid or blind.

Lu Zhu could no longer be bothered to speak to the fool. He walked to a chair at the side and sat down. He wondered when the water in the fool's head would all flow out.

When Qiao Nian heard Lu Nian's words, she was so anxious that her face turned red.

Jesus.

How could Second Brother misunderstand her and Eldest Brother so much?

Actually, Qiao Nian had wanted to find a formal occasion to acknowledge her Second Brother.

But now, she had no choice but to tell Second Brother the truth in advance. It wouldn't be good if this misunderstanding grew bigger and bigger until it got out of hand.

Qiao Nian hurriedly explained, "Brother Ah Nian, actually, you've misunderstood. Big Brother and I don't have that kind of relationship. I'm just your..."

Lu Nian looked at Qiao Nian's delicate face. He had always liked Qiao Nian. In his opinion, only a delicate young lady like Qiao Nian was suitable to be his god sister.

Moreover, Big Brother's feelings for Qiao Nian were also one-sided. He didn't see any romantic feelings for him on Qiao Nian's face.

Lu Nian still couldn't bear to say anything harsh to Qiao Nian. His mind was in a mess now, so he interrupted Qiao Nian tactfully. "Sister Nian, one might meet many people in one's life. Some people can make your heart race, but that doesn't necessarily mean love. Love should be meeting someone at the right time. That person will accompany you for the rest of your life."

"I know that your marriage with Second Brother is just an order from your parents. If you really don't like Second Brother, please don't hurt him during your marriage. It's already very hard for him to live. You can choose to divorce him, but..."

Qiao Nian heaved a sigh of relief and interrupted Lu Nian simply. "He's just my brother!"

Lu Nian was stunned.

He felt as if he was hallucinating.

Why did Qiao Nian acknowledge him as her brother again?

Lu Nian's frown deepened. His gaze landed on Lu Zhu's face. He did not think that his brother was the kind of person who would casually acknowledge someone as a family member.

Chapter 668: Bloodline Is The Most Important

Of course, Qiao Nian knew that Lu Nian was puzzled. She hurriedly said, "Actually, you've misunderstood Big Brother. He's not the kind of person who would steal someone else's woman at all. He just feels sorry for me, so Brother Ah Nian, don't think too much about it!"

Lu Nian's pupils involuntarily dilated as he looked at Qiao Nian in shock.

Could it be that Big Brother really acknowledged Qiao Nian as his sister?

Or was this just Big Brother's first move?

Lu Nian's expression instantly turned cold, and his expression turned uglier and uglier. If he wasn't wrong, Big Brother should be using his brother-sister relationship with her to urge her to get a divorce.

When Sister Nian got a divorce, Big Brother could get together with her as a lover and get married.

Big Brother had really made a good move. He had tricked Qiao Nian.

First, he tricked him, then Second Brother. He was really capable.

Qiao Nian treated him like a brother, but his brother's feelings for Qiao Nian were definitely more than just brother and sister.

If Big Brother treated Sister Qiao as his sister, he wouldn't have scolded him for a god-sister.

Big Brother valued bloodline the most.

Lu Nian's expression darkened. He looked at Lu Zhu sinisterly and questioned, "Brother, I understand your intentions. You just want to use your brotherhood to get close to Sister Nian. After Sister Nian gets a divorce, you can be with her!"

Qiao Nian felt a headache coming on. Her heart was beating faster and faster.

She had clearly explained it clearly. Why was Second Brother still misinterpreting it?

Lu Nian's eyes turned cold as he said, "Sister Nian is my adopted sister. It has nothing to do with you! I won't allow you to get close to her again!"

Qiao Nian had a headache initially, but when she heard Lu Nian's words, she was a little touched.

Her eyes were a little red-rimmed.

Before she knew that she was a member of the Lu family, Second Brother had already treated her as his sister.

In Second Brother's heart, she might really be his biological sister.

When Lu Zhu heard Lu Nian's words, his amber eyes were slightly stunned, and there was a smile on his lips.

He really did not expect his brother, who had been single for so many years, to be so nervous about his adopted sister.

When Lu Zhu thought about how Lu Nian was the first to acknowledge his sister, he felt a little uncomfortable.

He still remembered that when he first met Qiao Nian, he didn't have a good impression of the bold young lady who had been staring at him.

Lu Zhu felt that he had gone too far in the past.

His gaze fell on Lu Nian's face again.

He remembered that Lu Nian and Sugar had been very close when he was young.

Fortunately, Lu Nian and Sugar were siblings. If it was really a relationship between a man and a woman, it would be troublesome!

Lu Zhu still wanted to hide Sugar's identity and dote on her as her brother.

Previously, he had wanted Third Brother to acknowledge Sugar first. After all, Third Brother had almost fallen for Sugar.

But now, because Sugar's death anniversary was approaching and Second Brother had been writing songs for her all night.

Forget it, let Second Brother and Sugar acknowledge each other first.

Lu Zhu stood up and walked to Lu Nian's side. Seeing Lu Nian looking at him with a melancholic expression, he said, "Ah Nian, you've misunderstood. She's not my adopted sister. She's our biological sister to begin with."

Lu Nian frowned and looked at Lu Zhu.

In order to get Qiao Nian, Big Brother had already begun to lie.

His parents had adopted Song Yu, but his brother was especially old-fashioned. He usually said that Song Yu was not their sister as Song Yu did not have the bloodline of the Lu family at all.

Therefore, other than Lu Qi, only their mother cared about Song Yu.

Song Yu's status at home was very awkward because the brothers did not take her seriously.

Big Brother really loved Qiao Nian dearly. How could he say such things against his conscience?

Lu Nian felt that he had to wake his brother up.

"Brother, you previously said that the bloodline of the Lu family is very important. You've never acknowledged a god-sister before. Even Song Yu is just a relative, right?" Lu Nian questioned.
