### Chapter 231: Qin Shu Was Disfigured

Two hours later

In the master bedroom

Qin Shu lay on the bed with her eyes closed, but she couldn't fall asleep.

She had already showered and was wearing cotton pajamas. It was very comfortable.

"Let's try it."

This was what the man had said as he pressed close to her ear.

He spoke in an unusual tone.

She had a feeling that something was wrong with the man these couple of days.

Like what the man had said in the rockery.

And what the man had done in the study just now.

Even though she had been reborn, she still couldn't fully understand what the man was thinking.

She thought of the man whispering in her ear and felt restless.

Qin Shu tossed and turned on the bed. She didn't know when she had fallen asleep.

In the study

Fu Tingyu was in no hurry to go back after settling the matters at hand.

He stared in front of him with his dark eyes. He looked at his dark brown desk, his mind wandering.

—

—

The next day-

Qin Shu got up late again because she could not fall asleep last night.

Fortunately, it was the last day, and she didn't panic like last time.

After washing up, she went into the cloakroom and changed her clothes.

After breakfast, Qin Shu got into the car and tried to make up for the lost sleep last night.

When she got to school, Qin Shu walked slowly into the teaching building.

Qin Ya walked out from behind the tree and watched Qin Shu walk into the classroom.

Xia Yihua stood right beside her. Her eyes turned from Qin Shu to Qin Ya. Her voice was filled with disbelief. "Is Qin Shu really disfigured?"

Qin Ya sneered. "Of course. Otherwise, why wouldn't she braid up her hair on such a hot day? Besides, I have evidence."

Xia Yihua's eyes lit up when she heard that there was evidence. "Let me see it quickly."

Qin Ya took out her phone and opened the photo album. She found a photo of Qin Shu from the past and showed it to her. "Here, this is it."

She had taken this photo for Qin Shu in the past and had kept it.

Xia Yihua leaned over and looked at the photo on the phone screen. She couldn't help but widen her eyes.

The photo was a profile photo. Qin Shu's bangs were tucked behind her ears. There was a black scar the size of a coin at the corner of her eye that was so ugly it made one's stomach turn.

No matter how good-looking her eyes were, they were mostly destroyed by that black scar.

This was no different from being disfigured.

Xia Yihua's eyes flashed with a trace of viciousness. She looked up at Qin Ya. "Send this photo to me."

She would consider herself avenged after she disseminates this photo.

"I am only sending it to you because I consider you my good friend."

Qin Ya said this on purpose. Then, she sent the photo to Xia Yihua's WeChat without hesitation.

Xia Yihua opened the message and looked at the photo sent to her. Her eyes flashed with a look of revenge.

Qin Ya glanced at Xia Yihua and an unnoticeable sneer flashed in her eyes.

Qin Shu, today is the last day of school. Shall I give you a memorable graduation present?

Just wait for your classmates to make fun of you.

"I heard that during the competition between the two schools, Qin Shu and Han Xiao went on a date alone in the field," Qin Ya said with a fake nonchalant tone.

Xia Yihua heard this and gripped her phone tightly. "Han Xiao must have been tricked by her. She's so ugly that she's not even fit to carry Han Xiao's shoes."

Qin Ya just sneered and didn't reply.

"I'm leaving first."

Xia Yihua gripped her phone tightly and walked towards the teaching building.

She wanted to make good use of this photo when she suddenly remembered Wu Yue from class 305. She seemed to have a grudge against Qin Shu.

The smile in Qin Ya's eyes deepened. From the corner of her eyes, she saw Fu Tingyan carrying his school bag and walking toward the teaching building.

His handsome appearance was recognized by the whole school. He was tall and slender. He walked forward with even steps.

His temperament was noble, and his long and narrow eyes were breathtaking.

If she couldn't get a man like Fu Tingyu, having Fu Tingyan be her boyfriend would be nice too.

### **Chapter 232: Exposed**

Class 305

Qin Shu sat in front of her desk. She didn't do anything. She just sat there spacing out.

The thing she thought about the most was Fu Tingyu.

The holiday would start tomorrow. Most of the students were not in the mood to review and study. Instead, they were chatting and thinking about where to go and have fun during the two days of holiday.

Ye Xue continued studying. She had never relaxed because she had a guaranteed spot in university.

Qin Shu glanced at Ye Xue. She was still wearing her large uniform which covered her slim waist that had appeared after she had lost weight.

Her hand, which was holding the pen, had become thinner. One could clearly see her bones.

Her face had also become an oval shape.

If she changed her clothes and her hairstyle.

Qin Shu's eyes lit up. "Tomorrow is a holiday. Let's go shopping. How about it?"

"Sure." Ye Xue agreed without thinking. "I'll treat you to a meal."

When Ye Xue smiled, her dimples were a little playful and cute.

Qin Shu did not reject her. "Sure."

—

—

During lunch, a post on the forum became the talk of the town.

"Quick, go to the school forum and take a look. Someone said that Qin Shu's long hair is because of her disfigurement. There's a scar on her face and there's even a photo in the post," Wu Yue shouted excitedly as she held her phone as if no one could hear her.

"Where is it? I'll go and take a look too."

"I was curious about that. It's so hot and she's still wearing her hair down every day. Isn't she afraid of getting heat rash?"

The students took out their phones and logged into the school forum to look at the post with Qin Shu's facial scar.

"It's true, it's true. There's a scar at the corner of Qin Shu's eye. It's like a big black spot. It's so ugly. No wonder she's wearing her hair down."

"She's really disfigured. She actually dated the campus hunk next door and even dumped him. Tsk, tsk, tsk. Does she really think she's a beautiful fairy?"

"The campus hunk next door is so handsome. How could he fall for Qin Shu? She must have used some tricks."

"Hasn't the class president been helping Qin Shu recently? I wonder what tricks Qin Shu used to threaten the class president. She's too scheming."

Hearing the discussions of her classmates, Ye Xue hurriedly took out her phone and logged onto the school forum.

At this moment, Qin Shu's disfigured post had become a hot topic.

The photo was a close-up of Qin Shu's face. The scar at the corner of her right eye was the size of a coin. It was especially eye-catching on her fair face.

The number of comments, likes, and shares kept increasing.

Ye Xue was also shocked when she saw the scar at the corner of Qin Shu's right eye. She had never thought that Qin Shu would have such a scar on her face.

No wonder her hair was always draped over her face. Her head was also always hung low even when she was walking.

When Ye Xue heard her classmates' mocking laughter, she finally couldn't help but stand up and yell at her classmates, "You guys are too much. It's not Qin Shu's fault that she has a scar on her face. Who wants to have a scar on her face?"

As soon as Ye Xue finished her sentence, the discussion in the classroom halted for a few seconds. Then, there was another burst of laughter.

"You look like a country bumpkin yourself, yet you still speak up for others. It is true that ugly people make the most noise."

"Please, can you look at yourself in the mirror first? Your bangs are covering your eyes."

Ye Xue had been busy studying during this period of time, and her thick bangs were already below her eyes. She did not have the time to cut them, so she just left them by her eyes. It could be said that she looked both tacky and ugly.

Ye Xue's face was flushed red. She felt self-conscious and lowered her head and she subconsciously reached out to move her bangs to the side of her face.

Her thick bangs, which were soaked in sweat, looked greasy.

### **Chapter 233: Live Broadcast**

"Qin Shu is back," The student sitting at the outermost corner came in and said that softly.

“Which one of you wants to go up and pull her bangs up to take a look?” Wu Yue glanced at the students in the classroom and asked.

“I’ll go.”

“I’ll go too.”

It was two male students who answered. They often fawned over Jiang Yu and knew that Jiang Yu disliked Qin Shu, so they wanted to take advantage of this opportunity to embarrass Qin Shu and curry favor with Jiang Yu.

The two male students walked to the classroom door and stood there, waiting for Qin Shu to come in.

The students in the class were all waiting to watch the show.

Ye Xue felt anxious. “You can’t do this. Why do you have to pry open other people’s wounds for fun?”

Qin Shu must definitely feel very sad about the scar on her face. These people even deliberately made fun of her scar as if they were sprinkling salt on her wounds. She knew that feeling very well.

Wu Yue said to two girls, “You two, go and cover Ye Xue’s mouth.”

“You guys are too much.” Ye Xue took two steps back.

The other two girls immediately walked over when they heard that. They ignored Ye Xue’s struggle and covered her mouth.

“Qin Shu, don’t...” Ye Xue’s mouth was covered and she swallowed the rest of her words. She could only stare at the classroom door with her eyes wide open.

A few students were holding their cell phones and were aiming their phones at the entrance of the classroom, ready to take photos.

Wu Yue was also holding her cell phone. She wasn’t taking photos but was doing a live stream.

She was quite famous in the school as a live streamer. She had quite a number of male and female fans in the school.

In the morning, she had sent a message in the group to remind them that there would be a live broadcast during lunch break. She also said that it would be breaking news.

Once the news spread, even those who did not follow Wu Yue came to join in the fun.

At this moment, there were many students waiting to watch the live stream.

[Where is the breaking news? Look at my eager eyes!]

[Can you give me a spoiler first? Satisfy my curiosity.]

[What kind of news is it? I’ve been waiting for it for a long time. ]

Wu Yue wore earphones and looked at the comments on the screen. She said, “It’s about to start. Open your eyes and watch carefully. Otherwise, you’ll miss a wonderful scene.”

Wu Yue said nothing more and looked at the classroom door. The camera was also aimed at the door. She was in the middle. In order to let everyone see more clearly, she deliberately walked to the front row and sat down.

At this moment, in the corridor-

Qin Shu was holding her laptop as she slowly walked from the other side of the corridor to the door of the classroom.

She thought about Fu Tingyu while she walked.

So she did not pay much mind to her surroundings as she walked.

She walked into the classroom and suddenly two male students walked out from both sides. She was stunned for a few seconds.

Before she could react, the two students in front of her stretched out their hands. Her bangs were lifted up by the two boys and there was a gust of cold wind. She had been feeling uncomfortably warm and this made her feel slightly cooler.

The students who were aiming their phones at her didn't care and quickly took photos.

The sound of whistles and slapping on the table could be heard in the classroom.

Wu Yue also moved her phone forward and said into her earpiece, "Breaking news is that Qin Shu's real face is that of an ugly monster."

"Look, look, look at Qin Shu's face..."

When the students saw Qin Shu's face, they were stunned.

The classroom suddenly became quiet. It was eerily quiet.

After Wu Yue finished speaking, she realized that the atmosphere in the classroom was not right. At this moment, she also saw Qin Shu's face on the phone screen. She could not help but widen her eyes.

She had not switched on the beauty filter.

### **Chapter 234: Stunning the Audience**

Wu Yue looked up at the door in disbelief. Her eyes were not only filled with surprise but also amazement.

Qin Shu was even more beautiful in real life than on the phone.

Qin Shu, who had her bangs lifted, could be seen by everyone.

Her skin was extremely fair, like a top-grade white jade, without any flaws.

Her skin was pale with a tinge of pink and was full of collagen.

Her palm-sized oval face, with exquisite facial features, was like it had been specially treated by the Creator. She was so beautiful that it made those who looked at her feel breathless.

Her light and straight eyebrows made her look a little cute.

She had a perky nose.

The corners of her lips curled up slightly. Her sexy cupid bow made her entire lips look three-dimensional.

The most beautiful and attractive thing about her was that her eyes were full of stars. It was as if there was a sea of stars in her eyes. People couldn't help but take a few more looks at her.

The students who were still taking photos were so shocked when they saw Qin Shu's bare face that they even forgot to take photos.

The scene was broadcasted live, and the students who were waiting in front of their screens were also shocked.

Everyone's expression was almost the same. They were shocked, in disbelief, and stunned.

This was because they had seen Qin Shu's photo on the school forum. Although they had only seen half of her face in that photo, it was still very ugly.

Now that they were seeing her bare face, it was a stark contrast.

Not only were the male students holding their phones and staring at the screen in a daze, but even the female students were also looking at it.

At this moment, the live broadcast screen suddenly shook violently, followed by the sound of glass shattering.

The students who were still watching the live broadcast suddenly could not see anything and they couldn't help but feel a little anxious.

[Why is the live stream over? I haven't had the time to record it yet.]

[Continue the live broadcast. I didn't expect our school to have such a hidden beauty. She's even more beautiful than the two school belles.]

[Didn't they say that Qin Shu was an ugly girl? How could this be called ugly? Then wouldn't the school belles be extremely ugly?]

It was Qin Shu who took the phone from the male student on the right and smashed it at Wu Yue's phone. It caused her phone to fall from her hand onto the ground. The screen shattered into pieces.

Qin Shu was stunned for a few seconds before she quickly reacted and smashed the phone in Wu Yue's hand. At the same time, she raised her foot and stomped on the back of the male student's foot who had lifted her bangs.

She had used all her strength and strength in this stomp.

When the two students lifted Qin Shu's bangs, they saw that she did not have any makeup on. Because she was too beautiful, they were stunned for a moment. They did not even have the time to react when their phones were taken away.

What had caused them to react was the immense pain on the back of their feet.

Because of the pain, their faces were distorted and their faces were pale.

They brought their feet to their hands. It was so painful that they couldn't even make a sound.

Qin Shu lowered her long bangs which covered her delicate facial features. The corner of her right eye was hidden in her bangs.

She held the laptop with one hand and looked coldly at the people in the classroom as if she was looking at strangers and not her classmates.

She found it ridiculous to be classmates with people like them.

She had planned to keep her hair down until the summer holidays.

In the end, she became the object of ridicule by these people.

"What's wrong?"

Fu Tingyan and Jiang Yu walked to the classroom door side by side and saw Qin Shu standing at the door. The students on both sides of her were hugging their feet with painful expressions on their faces.

Qin Shu walked straight to her seat.

At this moment, the two female students who were covering Ye Xue's mouth had already let go of Ye Xue and returned to their seats.

When Ye Xue saw Qin Shu's bare face, she was completely stunned. She had also forgotten to struggle.

She only knew that Qin Shu was very beautiful.

The words beautiful and pretty were insufficient to describe Qin Shu's beauty.

When Qin Shu walked over, Ye Xue finally reacted. Looking at Qin Shu who was no different from usual, she suddenly remembered that there was a scar at the corner of Qin Shu's eye in the photo.

Why was it gone?

"Don't pay attention to them."

Qin Shu smiled at Ye Xue, walked past her, and then sat down in her own seat.

Ye Xue also sat down half a beat later.

Fu Tingyan saw Qin Shu sitting at her seat. There was not much expression on her face, but her whole body was emitting a cold intent.

Fu Tingyan's eyes were slightly cold. He walked to the nearest classmate and asked coldly, "What happened just now?"

"They, they, there was a post on the forum saying that Qin Shu was ugly. So, they wanted to lift up Qin Shu's bangs to take a look and let her make a fool of herself."

The classmate who was questioned felt like crying. However, because of the pressure exerted on him by Fu Tingyan, he roughly recounted what had happened just now.

Hearing this, Fu Tingyan took out his phone and logged onto the forum. He immediately saw the post and the photo. A hint of doubt flashed across his narrow eyes.

When did Qin Shu have such a scar at the corner of her eye? He didn't see this scar the last time.

Fu Tingyan didn't need to read the comments to know what the comments were like.

He logged out of the forum and looked up at his classmate. His voice was a little cold. "So? Did you see it?"

When Qin Shu's face was mentioned, the male classmate's eyes instantly lit up.

Fu Tingyan frowned.

"Qin Shu is not ugly. She's very pretty. No, she's extremely pretty. She's much prettier than the school belle."

"Are you exaggerating?" Jiang Yu walked to Fu Tingyan's side. He had just taken out his phone. When he went on the forum, he saw the post that said Qin Shu was ugly. At the same time, he saw the scar at the corner of Qin Shu's eye.

She was even prettier than the school belle?

However, she was pretty good at fighting.

This was the only thing that Jiang Yu admired about her.

"Is she different from the photo in person?"

Fu Tingyan glanced at everyone in the classroom with a cold gaze. Everyone who was swept by the gaze felt a chill run down their backs.

"Whose idea was it?"

The students could not help but look at Wu Yue.

Wu Yue felt a chill run down her spine and subconsciously shrank back.

"I, I only saw the posts on the forum, so I was curious to know what Qin Shu looks like without makeup."

Fu Tingyan looked at Wu Yue coldly and glanced at the phone on the ground in front of her. He walked over and bent down to pick up the phone that had a broken screen on the ground.

After picking it up, he found that the broken screen was still in the live stream setting. He clicked the end button and watched it again.

He knew what had just happened.

He knew that Qin Shu did not wear any makeup. It was indeed as the classmate had said. She was very beautiful, much more beautiful than the school belle.

He looked up at Wu Yue and said coldly, "It was you who framed Ye Xue last time. This time, you wanted to embarrass Qin Shu. Why are you so disgustingly evil?"

"I, I'm not, it's not me, it's Xia Yihua. It was Xia Yihua who posted the thread on the forum."

Fu Tingyan usually only slept and played basketball with Jiang Yu. However, he shared the same blood as Fu Tingyu. No one knew that his temperament was the same as Fu Tingyu's.

There was another similarity between the two brothers, which was that they were both very protective of their own.

He could despise Qin Shu for not being good enough for his brother, but an outsider would not be able to do so.

Fu Tingyan's cold gaze swept across Wu Yue. She was really afraid, so she exposed Xia Yihua.

### **Chapter 235: They All Want to See Qin Shu's Beauty With Their Own Eyes**

Fu Tingyan threw the phone in his hand away forcefully. The already broken screen shattered into pieces when it fell to the ground.

Wu Yue was so scared that not only was her heart trembling, but even her legs felt weak.

Wu Yue wasn't the only one who was scared. Everyone present was so scared by Fu Tingyan's action that they didn't even dare to breathe loudly.

Jiang Yu walked over slowly and placed a hand on Fu Tingyan's shoulder, he said softly, "Yu is right. You're a girl and yet you only know how to frame others and mock others. How black-hearted are you? You're not as good as Ye Xue who is kind and more pleasing to the eye than people like you."

Ye Xue, who was suddenly called out by Jiang Yu, blushed. She lowered her head. Why did he mention her?

Qin Shu couldn't help but laugh. "Jiang Yu isn't blind."

Ye Xue looked up at Qin Shu. "What do you mean?"

"I was just being literal."

Ye Xue looked at Qin Shu in confusion. She didn't understand what Qin Shu meant.

Fu Tingyan and Jiang Yu returned to their seats. Everything seemed to have returned to normal.

Fu Tingyan didn't plan to let Wu Yue off just like that. He wanted to make sure that she wouldn't be able to participate in the college entrance examination.

As for Xia Yihua, his brother wouldn't let her off either.

Qin Shu didn't say anything. She took out her laptop, logged into the school forum, and saw that post.

It was a post by Xia Yihua, but this photo was indeed one of her.

She remembered this photo. It was taken last semester when she wasn't in school. Qin Ya had made her take it.

Qin Ya had said that she wanted to help Qin Shu find a doctor to cure the scar on her face.

Qin Shu didn't expect that Qin Ya would borrow someone else's hand to embarrass her after so long.

However, the post was deleted a minute later.

A trace of doubt flashed in Qin Shu's eyes. She didn't delete this post.

She turned her head to look at Fu Tingyan and found that he was playing with his phone as if nothing had happened.

Then who had deleted it?

Was it Xia Yihua herself?

—

—

Qin Ya and Xia Yihua were also waiting for the live stream.

They had been waiting for Qin Shu's bangs to be lifted, revealing her ugly scar.

However, when they saw Qin Shu's bangs being lifted, what they saw was a flawless face.

Not only was Qin Shu's face flawless, but her facial features, as well as her eyebrows, were flawless.

The two of them were stunned for a long time.

Qin Ya's eyes were filled with disbelief. Qin Shu's scar was gone? Didn't she say that she would only use the scar removing cream during the summer vacation?

Now that everyone in the school knew how beautiful Qin Shu was without makeup, wasn't Qin Ya's schemes all a waste?

It was not easy for Qin Ya to ruin Qin Shu's face, but Qin Shu was actually so lucky to be cured again?

Xia Yihua looked at Qin Shu, who had a face that launched a thousand ships. Her expression could be said to be very ugly as she glared at Qin Ya. "What do you mean by lying to me?"

Qin Ya defended herself. "How did I lie to you? She was ugly to begin with. She just suddenly got rid of her scar."

Xia Yihua felt that she was being played like a monkey. She suddenly stood up and raised her hand to slap Qin Ya's face.

It happened so suddenly that Qin Ya couldn't dodge in time and was slapped forcefully by Xia Yihua.

"Do you think I'm a fool? That I am gullible? You say that your sister is ugly. She's much prettier than you. You are nothing when you stand next to her."

After Xia Yihua vented her anger, she turned around and left.

Qin Ya was a little dazed from the slap. She covered her face with one hand, her cheeks burning with pain.

She gritted her teeth and glared at Xia Yihua fiercely. Xia Yihua dared to behave like this because of her status and background.

She actually said that Qin Shu was prettier than her?

Was Qin Shu even worthy of being mentioned in the same breath as her?

Wasn't she a slut who was rejected by Han Xiao?

During the lunch break, the news of Qin Shu's stunning looks had spread to every corner of Lin Xi High School.

Anyone who had seen Qin Shu's looks would say so.

"Qin Shu is very beautiful, much prettier than the school belle. It's not an exaggeration to say that she's a beauty who could launch a thousand ships."

However, those who had not seen her were very curious. How beautiful was Qin Shu?

Their curiosity felt like a cat scratching at their hearts, making their hearts itch.

Therefore, such a scene happened in the school.

Qin Shu went to the toilet. When she passed by the other three classes on the third floor, many heads poked out of the windows and classroom doors. Their eyes were all looking at Qin Shu, hoping that they could inadvertently see her without makeup. How beautiful was she?

However, they did not get what they wanted.

"Just how beautiful is Qin Shu?" Those who did not see Qin Shu's face without makeup could not help but ask

"She is very beautiful. Words can not describe her beauty. In any case, she is much more beautiful than the school belle. You only have to take one look at her to be stunned by her beauty," Those who saw Qin Shu's face without makeup would answer.

On Qin Shu's way back, someone from the class next door could not help but stop her out of curiosity.

"They all say that you're very beautiful. Can I take a look?"

Qin Shu raised her head to look at the male student in front of her. He was the class monitor of the class next door and also the class hunk of the class next door. He was 178 cm tall looked handsome.

However, just like the others, he cared only about outward appearances.

Anyone who had seen Fu Tingyu's mesmerizing appearance would feel that the guy standing in front of them was average-looking.

One could tell just by looking at Fu Tingyan.

"I'm not an object, why should I show you? What does it have to do with you whether I'm ugly or pretty?"

Qin Shu's voice was very calm. She sounded neither happy nor angry. She only felt rather bored.

After that, she walked past the class hunk in front of her and returned to her classroom.

“Did you see her face, class monitor? Is she even prettier than the campus belle?” Someone came over and asked.

“If she’s more beautiful than the campus belle, then is the campus belle still the campus belle?” The class monitor stared at Qin Shu’s back.

“The class monitor is right, the campus belle should be Qin Shu now.”

Not only they think so, but anyone who had seen Qin Shu’s bare face all thought that she deserved to be the campus belle.

Qin Shu suddenly became the campus belle of Lin Xi High School. Although it was the last day of school, anyone who mentioned the campus belle of Lin Xi after that all meant Qin Shu and not Qin Ya nor Mo Feifei.

—

—

After Xie Yiha had slapped Qinya-

Qin Ya saw that Qin Shu did not seem to have the slightest bit of expression on her face. She did not know how to ask Qin Shu the question she had.

After much hesitation, she asked.

“Sis, did your scar heal?”

Qin Shu glanced at Qin Ya and said, “Why are you so excited? I have a scar-removal ointment. Healing is natural, no? But you, gave my old photos to others, what do you mean by that?”

Qin Ya hurriedly explained, “That photo, it wasn’t me...”

Qin Shu coldly interrupted her. “You took that photo, and only you have it. Even I don’t have that photo.”

Qin Ya grabbed Qin Shu’s arm and explained in a panic, “Sis, someone must have taken my phone and stolen the photo. I really didn’t give it to anyone else.”

Qin Shu looked at Qin Ya coldly and laughed softly, “I heard from Dad that your mother is too materialistic and that he wants to divorce your mother. I wonder if the procedures have been completed?”

Qin Ya’s face turned pale when she heard that. She recalled that her parents did not seem as lovey-dovey as before.

Could it be that her father really wanted to divorce her mother?

**Chapter 236: Beating up a Scumbag Is So Satisfying**

Qin Shu looked at Qin Ya's pale face and knew that she must be very scared. She continued, "He also said that every time he sees the company, he would think about how hard my mother had worked to build it. No matter what, he wouldn't let it go bust and he would hand it over to me in a perfect state. I feel quite stressed about it, actually."

Qin Ya's face turned even paler. She remembered that when her father was drunk, he had said that that woman had been very capable. She had established the company all on her own. She had made him seem useless.

Was he referring to Qin Shu's mother?

Was this also the reason why her father wanted to leave the company to Qin Shu?

Qin Ya could not imagine what kind of life she and her mother would lead after her parents' divorce. She couldn't let that happen.

Qin Shu glanced at the pale-faced Qin Ya. She wanted to destroy their trust in each other and to pit them against each other. Then, their family would fall apart.

Actually, death would be too light of a punishment for them.

Qin Ya wanted them to live a life worse than death.

A never-before-seen coldness flashed through her eyes. She turned around and walked into the classroom.

—

—

The last lesson was taught by the homeroom teacher.

The homeroom teacher gave them an encouraging and inspiring speech. The remaining time was spent self-studying because the school break would start tomorrow.

Qin Shu took out her laptop and opened it. She finished the last few questions.

When she was done, she checked the young professor's home page.

It was empty. The page didn't state his age nor did it have any introduction about him.

It was just like him. Cold and aloof.

After school.

Qin Shu took a hair tie and tied her long hair into a high ponytail. After she combed her hair up, she instantly felt much cooler.

Ye Xue saw Qin Shu's bare face again. She was still amazed, and she couldn't take her eyes off her.

When Jiang Yu was packing up his school bag, he turned his head to look at Fu Tingyan. When he saw Qin Shu's bare face, he was stunned for a moment. His eyes were filled with obvious amazement.

Previously, he had not believed his classmates when they exclaimed over how beautiful Qin Shu was.

Now, he was stunned when he saw her face with his own eyes.

It was his first time seeing such a talented, beautiful, and capable girl.

He tapped Fu Tingyan's arm. "Tingyan, look at Qin Shu. She is indeed very beautiful."

Fu Tingyan turned his head to look and saw that Qin Shu had tied her hair up. He wasn't as surprised as Jiang Yu because he had seen her bare face before.

Jiang Yu recovered from his shock and glanced at Fu Tingyan. He found that Fu Tingyan looked very calm as if he wasn't surprised at all.

A possibility suddenly flashed through his mind. Perhaps Tingyan already knew how Qin Shu looked like without makeup.

That was why Tingyan had taken a liking to Qin Shu and had helped her out time and time again.

That must be it. That's right.

It was entirely possible that Fu Tingyan would fall in love with a girl like her.

Qin Shu walked out of the classroom with her schoolbag on her back. Her classmates were stunned when they saw her bare face.

When she walked downstairs with her schoolbag on her back, she heard the excited shouts of her high school classmates and saw schoolbooks flying all over the place.

She was also very excited because she had had enough of Lin Xi High School.

She tied up her hair as a final farewell to Lin Xi.

What awaited her was university life. She looked forward to the different environment.

Qin Shu didn't ask Ye Leng to pick her up today because she wanted to visit her mother.

She hadn't seen her mother since her rebirth.

Qin Shu carried her school bag and walked out of the school. When she reached the bus stop, she saw a familiar gray sedan parked in front of her.

The driver's door opened and a man in a black suit opened the back door. He saw Qin Shu freeze up, standing on the same spot. As such, he motioned with his hand. "Miss Qin, please get in the car. My young master has something to say to you."

Qin Shu glanced at the back seat. Shen Yaohui was inside the car. One could see the cast on his leg. But since he was able to come out, it meant that he was not crippled yet.

She looked at the assistant. "If he has something to say, he can tell me after he comes out of the car."

The assistant didn't know what to do.

Shen Yaohui, who was sitting in the car, almost did not recognize Qin Shu when he saw her bare face. His eyes were filled with amazement.

He remembered seeing a scar on her face in the past.

He had tried to hook up with Qin Shu despite her scarred face because he knew that she had half of the shares of the Qin Corporation

When he was with her, he felt disgusted just by the touch of her hand.

Fortunately, she was naive. He made up some excuse and she believed him. So they had never held hands. Even though he said "I love you," to her, he would never hug her or kiss her.

But if he had known that Qin Shu was this beautiful, he would have laid his hands on her long ago.

No wonder Fu Tingyu would not let go of her. It was because of how she looked.

When he thought of how Fu Tingyu might have already laid his hands on Qin Shu, he felt jealous and regretful. He should have laid his hands on her earlier.

Shen Yaohui felt a little embarrassed when Qin Shu refused to enter the car.

He thought of how in the past, Qin Shu would have approached him even if he did not say anything.

However, thinking about how she had shares and how beautiful she was, he thought that he would have both the beauty and money if he could marry her.

However, the biggest obstacle now was Fu Tingyu.

At that very moment, he was already hooked by Qin Shu's beauty and had forgotten the painful experience of being beaten up the last time.

Shen Yaohui got out of the car and propped himself up with the car door.

Seeing this, his assistant hurriedly went up to help him.

"Shu, I've been in the hospital for a long time. Otherwise, I would have come to see you long ago. Look at my leg. It was all done by Fu Tingyu's men. He was ruthless to me because he didn't want me to see you."

Shen Yaohui thought that Qin Shu must still be in love with him since she had liked him so much in the past. She would definitely be afraid of Fu Tingyu and hate him upon finding out that he was so violent.

Qin Shu glanced at his leg that was in a cast. There was laughter in her eyes when she said, "I see that you can still walk, which means that it's not serious. Did Ye Luo not eat?"

Then, she looked up at Shen Yaohui. "You lied to me for so long, so this is nothing, right? I think that breaking your leg was being too easy on you. It wouldn't be overboard of me to break your third leg, right?"

Shen Yaohui's face turned pale. His eyes were filled with disbelief, especially at the last sentence. He broke out in cold sweat.

“I’m not lying to you, Shu. I really like you. If it wasn’t for Fu Tingyu, I would have come to look for you every day...”

Qin Shu interrupted his explanation. “But Qin Ya told me that you’re just lying to me about my feelings. The one you really like is Mo Feifei. She said that you said that Mo Feifei is very beautiful and that I disgust you.”

“Shu, don’t listen to Qin Ya’s nonsense. She just can’t stand it when things go well for you. That’s why she tried to sow discord between us.”

Shen Yaohui thought to himself, that it turned out that Qin Ya was the one who instigated Qin Shu’s sudden change in attitude towards him. What a F\*\*\*\*\* B\*\*\*\*. He would teach her a lesson sooner or later.

Qin Shu looked at Shen Yaohui’s leg that was in the cast. A trace of coldness flashed through her clear eyes.

She suddenly raised her leg to kick the leg in the cast. She used all her strength, and the leg of her pants whistled in the wind. There was a cracking sound of bones breaking when she hit Shen Yaohui’s broken leg.

### **Chapter 237: Sir Wants to Go Shopping Too**

What followed was a howl that sounded like a pig being slaughtered.

“Ahh ! ! !”

Shen Yaohui’s face turned pale, and his forehead was covered in cold sweat. His face was distorted because of the intense pain. Other than a howl that sounded like a pig being slaughtered, he could not make any other sound.

Qin Shu’s eyes were cold. She raised her leg and kicked at Shen Yaohui’s abdomen again, still using all her strength.

Due to the strength and angle of the kick, Shen Yaohui was not sent flying. Instead, he fell heavily on the ground, causing a cloud of dust to rise.

When his lower jaw hit the hard ground, a large amount of blood flowed out from the corner of his mouth.

Shen Yaohui almost fainted from the pain.

The assistant was so scared that his face turned pale and he stood frozen to the spot.

Qin Shu squatted down and looked at Shen Yaohui, who was in a sorry state and had a pained expression on his face. When she lowered her eyes, one could see that her eyes were full of ridicule.

She said faintly, “She’s my sister. How could she possibly lie to me? You know that I hate it when people lie to me.”

Shen Yaohui was in so much pain that he was seeing stars. He opened his mouth and explained, “I didn’t lie to you, Shu...”

He opened his mouth and spat out blood.

“If you say that, who should I believe?”

Qin Shu’s tone was full of distress and confusion.

“Of course...” Shen Yaohui said too hastily. He coughed twice and blood flowed out from the corner of his mouth. “You should trust me. I love you so much.”

“I don’t know whether to trust you or my sister. I’m so confused.”

After saying that, Qin Shu stood up and turned around to leave.

Qin Shu gave up trying to go and visit her mother. She figured that she would go and visit her mother after she took back the company.

She also wanted to bring Fu Tingyu along and tell her mother that she was doing well.

Qin Shu walked to the other side and prepared to hail a taxi home.

Shen Yaohui’s assistant also reacted at this time. He hurriedly helped Shen Yaohui up and into the car. He was going to send Shen Yaohui to the hospital.

At this time, Fu Tingyan drove out of the school. He saw Qin Shu walking to the opposite side of the street. Then, he saw two men. One of them helped the other into the car.

Although he only saw their backs, he recognized the man as Scum Shen.

Could it be that Qin Shu and Scum Shen had just met to catch up?

At this moment, a taxi stopped in front of Qin Shu. He watched as Qin Shu got into the car and left.

Fu Tingyan’s eyes turned cold, and he suddenly tightened his grip on the steering wheel. What was wrong with his brother? Why was she always thinking about Scum Shen?

He stepped on the gas and drove home.

But deep down inside, he felt conflicted and wondered whether to tell his elder brother about Qin Shu and Scum Shen meeting.

But when he thought of how Qin Shu had helped him and how she had also not told his brother about how he had gotten into a fight, he felt a little hesitant.

—

—

The first day of the college entrance examination holiday.

Qin Shu and Ye Xue were about to go shopping.

Before leaving, Fu Tingyu said, “Let Ye Luo go with you.”

Qin Shu actually really wanted to refuse.

Having a man who was nearly 1.9 meters tall following behind two girls as they went shopping was a really awkward scene no matter how she thought about it.

The key was Ye Luo's expressionless, cold and violent personality. Ye Xue might be so scared that she would not dare to speak.

"How about you get Ye Luo not to come with us?" Qin Shu tried to negotiate.

Fu Tingyu said softly, "Alright."

Qin Shu heard the man agree, and before she could smile, she heard him say, "I'll go with you."

"We'd better let Ye Luo come with us. He can help carry things."

Because even Fu Tingyu didn't say anything, his aura would make people feel pressured.

People unconsciously feel a chill run down their backs when he looked at them with his icy cold eyes.

Fu Tingyu's long and narrow eyes turned to look at the girl, and a dangerous glint flashed across his deep eyes. "You don't want me to accompany you?"

Qin Shu hurriedly shook her head. "Of course not. You've been so busy recently. If you accompany me for a few hours, you'll have to work overtime for a few hours. It's too tiring."

There was one more thing she hadn't said. If he went, Ye Xue would become the third wheel. It would be too awkward.

So in the end, Ye Luo went with her.

Qin Shu was wearing light-colored cropped jeans, a white chiffon shirt, and a pair of white sneakers.

Her hair was tied into a ponytail.

It was a simple and low-key outfit, but it brimmed with youthful energy and was also very beautiful.

Ye Luo drove expressionlessly.

Qin Shu picked Ye Xue up at the agreed place.

After Ye Xue got into the car, Qin Shu sized her up.

It was already vacation, and Ye Xue was still wearing a long-sleeved shirt and long pants, as usual, wrapping herself up tightly.

Her thick bangs had grown long during this period of time, and Ye Xue had combed them into slanted bangs.

After Qin Shu sized her up, she said to Ye Xue, "Let's go to the mall to buy clothes first, then you can change your hairstyle."

Ye Xue shook her head. "It's been a long time since I went to the mall. I'm too fat and won't be able to find clothes."

“You haven’t tried anything on yet. How do you know you won’t be able to find any clothes? I’ll pick for you. Just try them on.”

Ye Xue knew that Qin Shu meant well, so she nodded. “Okay.”

Twenty minutes later, at the International Mall-

Before getting out of the car, Qin Shu gave Ye Xue a few coupons. She was afraid that Ye Xuan would not dare to go inside the shops when she saw the price tags on the clothes, much less try them on.

The International Mall was Fu Tingyu’s property, so there were a lot of coupons like these, and it was as good as giving them away for free.

“This is a coupon. It will be much cheaper if you use these to buy clothes.”

Ye Xue didn’t take it. “If you give it to me, won’t you have none?”

“The mall held an event and I have a lot of coupons like this.” Qin Shu said indifferently.

Ye Xue hesitated for a while before taking the coupon. She thought that she might not buy clothes and could return the coupon to Qin Shu later.

After getting out of the car, Qin Shu and Ye Xue walked into the mall side by side.

Ye Luo followed behind them expressionlessly, maintaining a distance of nearly ten meters, which was Qin Shu’s request.

Qin Shu looked at a boutique discount store for women’s wear. The clothes inside were all targeted at people in their twenties.

“Let’s go in and have a look.”

Qin Shu pulled Ye Xue in.

After Qin Shu went in, she started to pick out clothes for Ye Xue.

Ye Xue had not bought clothes for a long time, so she was a little dazzled by the sight of so many clothes.

Qin Shu picked out three skirts, two tops, and two pairs of pants and handed them to Ye Xue.

“Try them on first and see if they fit.”

At this moment, the sales assistant hurried over and sized up Ye Xue. Not only did she appear to be unrefined, but she was also fat. What if she ruined the clothes after trying them on?

“She definitely won’t be able to wear this size. The clothes we have here are all suitable for people with better figures.”

Ye Xue, who was hesitating, also felt that she couldn’t wear these clothes.

“I’d better buy clothes that are bigger. These clothes are too small.”

Qin Shu raised her eyes to look at the shop assistant. Her eyes were slightly cold. "How would you know that she can't fit if she doesn't try them on?"

"Just look at the clothes she's wearing. They're so big, she definitely won't fit in these clothes. If she tears them, we won't be able to bear the responsibility." The salesperson's professional smile was replaced by a look of disdain.

"If the clothes don't fit, my friend won't continue to put it on. If it tears, we'll naturally pay for it. If it tears just from being tried on, it's because there's a problem with the quality of your clothes. Of course, you'll bear the responsibility for them tearing," Qin Shu retorted.

### **Chapter 238: A Slap in the Face and a Successful Transformation**

The salesperson's face alternated between red and white. Although Qin Shu did make sense, she still said unwillingly, "I'm afraid that your friend might accidentally tear the clothes and can't afford to pay for them."

"You can only talk about paying for the clothes if my friend tears them. Besides, as a salesperson, what you should be concerned about is what kind of service attitude you should use to make the customers come and leave happily. As for the money, that's what we should be worried about."

Qin Shu's words made the salesperson shut up.

Ye Xue pulled Qin Shu's arm and whispered, "I don't think I should try it on."

Qin Shu looked at Ye Xue and stuffed the clothes in her hands into Ye Xue's arms. She pushed Ye Xue into the dressing room on the right. "Listen to me, try them on."

After saying that, she closed the door.

She turned around and walked to the sofa to sit down and wait.

The salesperson's expression didn't look too good. She didn't believe that the little fatty would be able to fit into those clothes.

After waiting for a while, the dressing room's door opened from the inside.

Ye Xue lowered her head and walked out somewhat embarrassedly.

She was wearing a strapless dress. It was light green in color, which made her skin look even paler.

The design of the waist perfectly outlined Ye Xue's figure.

Just as she thought, Ye Xue had really lost a lot of weight.

"Look at yourself in the mirror. It looks good and suits you very well." Qin Shu's voice was a little excited.

Ye Xue did not expect to be able to fit into the dress. When she heard Qin Shu's excited voice, she turned around and looked at the mirror behind her.

When she saw herself in the mirror, she could not help but cover her mouth with both hands, afraid that she would scream out of excitement.

She used to have rolls of fat on her waist but they were now gone. Her waist was especially obvious. Her thick legs had also become especially slender.

During this period of time, she had been busy studying. She felt as if she was fighting a war every day and she did not notice the changes in her body.

This dress looked as if it was tailor-made for her. It fit just right.

Ye Xue was surprised that she had actually lost weight and that she had lost so much weight.

There was nothing that made her happier than this. She almost jumped up and down to express how excited she was at this moment.

Ye Xue turned around excitedly to look at Qin Shu. "I, I actually lost weight."

Qin Shu was also happy for her. "Yes, this is the result of your hard work."

She didn't tell Ye Xue when Ye Xue had lost a bit of weight because she wanted to give her a pleasant surprise after she loses a lot of weight.

The salesperson standing by the side was also stunned. She didn't expect that Ye Xue would look so thin in this dress even though she looked quite fat.

Qin Shu asked Ye Xue to try on the rest of the clothes.

Ye Xue looked very nice in all those clothes. Qin Shu asked her to buy all of them so that she could wear them when she went to university.

When she was paying, Ye Xue was shocked when she saw the price on the tag. It was too expensive.

The money she had on her was not even enough to buy a single piece of clothing.

The salesperson knew that Ye Xue could not afford the clothes when she saw how awkward Ye Xue was behaving. Her eyes were full of disdain.

"You know that you can't afford them yet you still want to try them on. Are you deliberately wasting our time?"

A hint of coldness flashed across Qin Shu's eyes. "Who said that we can't afford it? My friend is just a little embarrassed."

She turned to look at Ye Xue. "Let them ring the clothes up. Also, take out the coupons. There's no need to waste them."

Ye Xue looked at Qin Shu and hesitated for a long time before lowering her head. She opened her bag and took out the coupons and handed them to the cashier

The cashier took a few coupons and looked at them. Her expression changed.

The salesperson also came over. When she saw the coupons, her eyes were filled with disbelief.

The coupon was an internal coupon and such coupons were given to business partners every quarter.

Using this to buy clothes was equivalent to giving them to the other party for free.

To be able to have such a coupon also meant that the other party's identity was not simple.

Insignificant employees like them did not know the specific details.

But the sales manager said that if someone ever used such a coupon, they had to call him to inform him.

Therefore, they hurriedly called the manager.

Ye Xue did not understand what was going on and looked at the salesperson in confusion.

Qin Shu knew what the salesperson was doing. She said to Ye Xue, "Go and put on that light green dress."

Ye Xue was a little confused, but she still listened to Qin Shu and went to change her clothes.

After Ye Xue left, Qin Shu said to the salesperson, "Pack up the clothes once you ring them up."

The salesperson had just made a phone call. From the manager's tone, she knew that the other party's identity was not simple. She did not dare to offend Qin Shu, so he hurriedly packed up the clothes and handed them to Qin Shu.

Qin Shu carried the bag and waited for Ye Xue to walk wearing a light-colored dress. She looked nice wearing that.

"Let's go and change your hairstyle."

"Okay." Ye Xue nodded uncomfortably.

When Qin Shu and Ye Xue were walking out, the sales assistant and the cashier hurried over.

"Please hold on a moment. Our manager will be here soon."

"What does it have to do with us?"

Qin Shu glanced at the two people in front of her with a faint smile. Then, she walked out side by side with Ye Xue.

"I'm sorry, Miss, can you wait a moment before you leave?" The sales assistant hurriedly chased after them.

"We're also very busy. We still have other things to do."

After saying that, Qin Shu ignored them and continued to walk towards the salon with Ye Xue.

Ye Luo still maintained a distance and followed behind them. For him, shopping in the mall was the most boring thing.

But no matter how boring it was, his face did not have any expression.

The sales assistant and the cashier looked at each other and thought the same thing. Their manager would definitely scold them if they did not manage to get the customers to stay.

And they were indeed scolded and were scolded badly.

“Do you know who you’re dealing with? If you offend her, even the boss will suffer. Your bonus for this month is gone.”

They felt extremely remorseful. They should not have looked down on others.

—

—

At the salon-

Ye Xue’s hair is very long, reaching her waist. Her hair was naturally brown.

The hairdresser cut it much shorter according to Ye Xue’s request, but it still fell over her shoulders.

Then, Ye Xue was given a perm according to Qin Shu’s request.

It would look good no matter if her hair was loose or tied into a ponytail and it was a hairstyle suitable for university students.

Her bangs were no longer straight bangs, but French bangs. Ye Xue’s skin was very pale. After she lost weight, she had an oval face and a pair of big eyes that seemed to be able to speak.

Her cherry lips were red without being touched. After the hairdresser finished his work, Ye Xue looked at the mirror in front of her and couldn’t recognize herself.

She had changed so much with just a change of clothes and hairstyle?

Ye Xue looked at Qin Shu in embarrassment. She still couldn’t believe it. “I, is this really me?”

Qin Shu looked at Ye Xue who had changed her hairstyle and was also stunned. She was one of those girls who was a little cute, and also very beautiful.

The corners of her lips lifted. “Of course. I have said that you’re very good-looking. You know that I’m not lying to you now, right?”

Ye Xue was really excited. She couldn’t even speak clearly. “I’m... I’m so happy. I never knew that I would look like this after I lose weight.”

### **Chapter 239: Pursued by Boys and Fu Tingyan Spills the Beans**

Ye Xue was still extremely excited after walking out of the salon.

In the end, she hugged Qin Shu excitedly. She was really happy to have met Qin Shu. Because of Qin Shu, she had changed so much and become beautiful.

“Qin Shu, thank you so much. Thank you for letting me meet my best self.”

“You should be thanking yourself the most. It’s because of your hard work that you were able to break out of your cocoon and become a butterfly.”

Ye Luo, who was standing in the distance, saw the two girls suddenly hugging each other. He felt...

After Ye Xue calmed down, she saw that there was a shop selling milk tea not far away.

“What kind of Milk Tea do you like? I’ll treat you to it.”

Qin Shu’s eyes lit up when she heard milk tea. She could drink an entire cup today while the man was not around.

“Sure, I like red bean milk tea.”

“Wait for me here, I’ll be right there.”

Ye Xue turned around and walked to the milk tea shop.

“I’ll have two cups of red bean flavor milk tea.”

Ye Xue took out some change from her wallet and handed it to the cashier.

Zhou Yizuo took the milk tea from the waiter. When he turned around, he saw a beauty standing beside him. His eyes lit up because she was his type.

She looked a little familiar.

“Hey hottie, have we met before?”

When Ye Xue turned her head and saw Zhou Yizuo, she was stunned for a few seconds. Out of instinct, she lowered her head and did not look at Zhou Yizuo.

Zhou Yizuo thought Ye Xue was being shy. “How about we add each other on WeChat? I’m from Lin Xi High School. The college entrance exam is coming up soon and I’m preparing to go to Imperial College. You should be a high school student too. What year are you in?”

This was Ye Xue’s first time hearing Zhou Yizuo speak to her in such a gentle tone. She was not used to it and did not know how to answer. She could only lower her head to hide her confusion.

“Your milk tea is ready.”

The waiter packed two cups of milk tea and handed them to Ye Xue.

Ye Xue took the milk tea and turned around to leave quickly.

“Hey, I’m not a hooligan. I just want to make friends with you. Really.”

Zhou Yizuo shouted and Ye Xue quickened her pace again, disappearing into the crowd.

“Why are you shouting?” Zhou Yizuo’s friend asked curiously.

“I saw a girl who is my type, I wanted to add her on WeChat as a friend but she ran away.” Zhou Yizuo felt a bit depressed. He looked at his friend, “Do I look like a hooligan? Why did she run?”

“You don’t look like one but you act like one.”

—

—

Qin Shu sat on the bench waiting for Ye Xue. She saw Ye Xue jogging over as if there was someone chasing after her

When Ye Xue approached, Qin Shu asked, "What's wrong?"

"It's nothing. Let's go. I'll buy you dinner."

Ye Xue handed the milk tea in her hand to Qin Shu and then pulled her away.

Qin Shu glanced behind then with a puzzled expression. She did not see anyone chasing after Ye Xue. So why was she running?

Ye Xue spent a lot of money to treat Qin Shu to lunch. Fortunately, her father had given her money.

Qin Shu and Ye Xue walked into a Chinese restaurant. The interior decoration was full of ancient charm.

Each table is separated by a screen.

They chose the window seat.

Qin Shu ordered the food since it was Ye Xue's treat.

Fu Enterprise

Fu Tingyan paced back and forth in front of the office building, looking hesitant.

He raised his head to take a look at the office building. Should he go in?

What if his brother gets angry when he told him that Qin Shu and Scum Shen had met...

"Young master, What are you doing? Why aren't you going in since you are here?"

Shi Yan had just returned from outside. When he saw Fu Tingyan at the door, he walked over curiously.

Fu Tingyan turned around and saw that Shi Yan had already walked close to him. Even if he didn't go in earlier, he had to go in now.

"I was just about to go in."

Shi Yan said, "Let's go in together. You have to come and learn the ropes in the company after the college entrance exam anyway."

Fu Tingyan nodded and entered the company with Shi Yan. Then, they took a special elevator to the top floor.

Fu Tingyan was still in two minds when they got out of the elevator and walked toward Fu Tingyu's office.

In the past, he would tell his brother without hesitation. He wanted his brother to see Qin Shu's true colors so that his brother could find another partner.

But now...

Why was he hesitating?

When he reached the office, Shi Yan pushed open the office door and allowed Fu Tingyan to enter first.

Fu Tingyan hesitated for two seconds before walking in.

Shi Yan followed closely.

Fu Tingyu, who was sitting in front of his desk, looked up. When he saw his brother, he chuckled. "Why? Do you want to enter the company to learn the ropes earlier?"

"No, I just wanted to talk to my brother."

Fu Tingyan pulled over a chair and sat down. He sized up his brother's office. It was not his first time here and he felt that there were no changes.

Shi Yan placed the documents in his hands on his desk and turned to leave.

Before he left, he closed the office door.

Fu Tingyu's gaze moved away from the computer screen and looked at his brother in front of him. He asked in a low voice, "What do you want to talk about if you're not going out to relax during the holidays?"

Fu Tingyan lowered his eyes and thought for a while. Only then did he muster up the courage to look up at his older brother, whom he had always admired.

"I've never understood one thing. You knew that Qin Shu didn't like you, so why did you keep her by your side? You knew that there was someone else in her heart, why did you still marry her?"

Actually, he wanted to say, you knew that Qin Shu didn't like you, so why did you insist on loving her?

Fu Tingyu's eyes instantly turned cold as he stared at his brother for a long time.

Even though what his brother said was the truth...

"You have never dated. What do you know? If you have such curiosity, why don't you focus on studying management?"

Fu Tingyan felt a chill run down his spine. He knew that his brother was angry, but when he thought of Qin Shu's behavior, he felt that his brother might as well find another woman.

Perhaps he would be able to meet a woman who was in love with him.

"Then, can you tolerate the fact that she has another man in her heart?"

He pursed his lips and still said those words.

Fu Tingyu's eyes turned completely cold. There was a hint of sharpness in his eyes.

Babe was his woman. He naturally had a place in his heart and there could only be space for him in her heart.

"Did you come here today just to annoy me?"

Fu Tingyan was suddenly cowed and felt that the pressure in the room was making it difficult for him to breathe. "I... Bro, don't be angry. I just feel that there are many good women in the world. Why would you keep a woman who doesn't love you around?"

Fu Tingyu stared at him with his dark and deep eyes. His eyes were like X-rays, making Fu Tingyan avoid his eyes guiltily.

After a long time, Fu Tingyu asked in a deep voice, "Did you see something?"

Fu Tingyan immediately shook his head. "I didn't."

Fu Tingyu sneered. "I've watched you grow up. You never dare to look me in the eye when you lie."

"Bro, I just feel that Grandma's right. You can't force things." Fu Tingyan also knew that lying to his brother was courting death.

Fu Tingyu thought of every little thing that happened during this period of time. Everything that had happened was sweeter than honey, warming the cockles of his heart.

He said plainly, "I feel that everything's working out very well."

Fu Tingyan felt that everything he had said had been completely useless. His brother was already completely in love with Qin Shu, so it was useless to say anything more.

#### **Chapter 240: Meeting the Two Campus Hunks During Lunch**

"Bro, you go ahead and do your work. I'm going back."

Fu Tingyan stood up from the leather chair, trying to escape.

"Stop right there. You haven't answered my question."

Before he could take two steps, he heard his brother's extremely cold voice.

Fu Tingyan's footsteps stopped abruptly, and his back stiffened. He turned his head to look at his brother with difficulty. His brother's gaze was colder than ice.

He swallowed hard. "Bro I might have seen wrongly."

Fu Tingyu asked in a deep voice, "What did you see?"

Fu Tingyan pursed his lips. "I saw Scum Shen coming to the school gate, but I didn't see Qin Shu having any contact with him. She was opposite the school gate."

Fu Tingyu suddenly tightened his grip on the desk. His knuckles had turned white because he had used too much force.

"Then do you know why Shen came to school?"

"I don't know. He was being helped into the car when I came out."

As soon as Fu Tingyan finished speaking, the office suddenly became unusually quiet.

Fu Tingyan saw that his brother did not speak, so he tried to say, "Bro, maybe I saw wrongly."

After a long silence, Fu Tingyu said, "You can go back now."

Fu Tingyan called out uneasily, "Bro."

Fu Tingyu only said two words coldly, "Go back."

Fu Tingyan stood upright in front of his desk. He opened his mouth, wanting to say something, but in the end, he didn't say a word and walked away.

Fu Tingyan closed the door behind him after leaving the office. He stood at the door for a long time, thinking about the same question.

Did he make a mistake?

His brother not only looked angry but also sad.

It was true that he had never been in a relationship before. He did not know that liking someone could be like how much his brother liked Qin Shu.

He knew that the other party did not like him, and he knew that there was someone else in the other party's heart, yet he still wanted to marry her.

"What does it mean to like someone?"

"When you are willing to use your life to protect that person. That's what liking someone is like."

That's what his brother had said the last time he asked him.

Fu Tingyan pursed his lips and walked away.

—

—

At this time, in the Chinese restaurant

"Qin Shu, why was there a scar on the corner of your eye in that picture on the forum?"

After Ye Xue and Qin Shu became close friends, Ye Xue's voice had become louder than before. However, she was still a little timid before others.

Qin Shu raised her eyes and glanced at ye Xue. Seeing her curious expression, Qin Shu said, "It was the summer break of the year of the middle school entrance examination. That's when I got the scar at the corner of my eye. However, it was cured some time ago."

Qin Shu said casually.

Ye Xue stopped eating. That scar had been with Qin Shu for several years, and her hair had been draped over her face for several years. Just thinking about it made Ye Xue feel a little sorry for her.

Qin Shu saw the pity and sympathy in Ye Xue's eyes, and she smiled indifferently. "There's no need to look like that. It's all in the past."

At the dining table beside them-

After listening to the conversation between the two girls next to them, Hua Wuyan leaned into Han Xiao's ear. "Han Xiao, the girl at the next table seems to be your rumored girlfriend."

Han Xiao swept his eyes coldly over Hua Wuyan.

Hua Wuyan looked at him unhappily. "If you don't clarify your relationship, isn't she your rumored girlfriend?"

"..." Han Xiao said, "There's no need."

"So that Qin Shu had her hair down over her face because there was a scar at the corner of her eye. I wonder how she looks like now that it's gone," Hua Wuyan said thoughtfully.

Han Xiao stopped eating. He thought back to when he had met Qin Shu. She did indeed have her hair down over her face. He had met her twice, but he did not know how she looked like.

"Han Xiao, do you want to go over and take a look?"

"..." Han Xiao lowered his head and continued eating.

Hua Wuyan saw that Han Xiao was not speaking, so he continued, "There is a rumor around Lin Xi that is saying that Qin Shu is very beautiful. She is even more beautiful than the two school belles. I'm really curious about how she looks when she ties up her hair."

Hua Wuyan glanced at Han Xiao. He did not believe that Han Xiao was not curious at all.

Han Xiao finally put down the chopsticks in his hand and gave him the side-eye. His voice was cold. "Have you fallen for her?"

Hua Wuyan raised his eyebrows and looked at him. "Do I look like the type of person who only cares about appearances?"

"Then why are you so curious?"

"Aren't you curious? She sat across you and also got full marks on the exam..."

"I just want to know where she is."

Hua Wuyan was stunned for a moment. That's right, they came to Jiangcheng for one purpose, and that was to find her.

However, three years had passed, and there was still no news.

It was as if that person was drowned in the sea of people in this world, and not a trace of her could be found.

"Han Xiao, we will find her." Hua Wuyan's voice was firm, no longer sounding as frivolous as usual.

There was a long silence

"Is she avoiding me on purpose?"

Han Xiao's voice was very low. It was as if he was talking to himself.

However, Hua Wuyan still heard it. He did not say anything because he knew Han Xiao too well.

Hua Wuyan and Han Xiao spoke in low voices, so Qin Shu and Ye Xue, who were seated next to them, did not hear them.

Meanwhile-

Qin Shu and Ye Xue finished their lunch and walked out of the Chinese restaurant.

Han Xiao and Hua Wuyan also happened to walk out.

The four of them walked out of the restaurant one after the other.

Ye Xue remembered that she had bought a lot of clothes, but Qin Shu had not bought a single piece of clothing. She held Qin Shu's hand and asked, "Qin Shu, you didn't buy any clothes today. Do you want to buy some?"

Hua Wuyan, who was walking behind, heard the two words Qin Shu and looked at the two girls walking in front.

The girl called Qin Shu had a high ponytail. She was dressed simply but elegantly, exuding a youthful aura.

He nudged Han Xiao's arm with his elbow.

Han Xiao glanced at the two girls in front of him. His gaze fell on the girl with the high ponytail. Her figure looked somewhat similar to Qin Shu's.

Qin Shu shook her head. "There's no need. I bought a lot of clothes some time ago."

The cloakroom was basically filled with her clothes. There was no need for her to worry when the seasons changed. Fu Tingyu would always update the clothes inside.

Moreover, every piece of clothing was tailored to her size.

Ye Xue did not ask further.

The two of them walked out of the mall one after another.

When the girls walked around the corner, Hua Wuyan and Han Xiao saw Qin Shu's profile.

Hua Wuyan was stunned by what he saw and stopped in his tracks. He elbowed Han Xiao's arm again. "Han Xiao, did you see that?"

Han Xiao looked up and asked, "What?"

Hua Wuyan turned around to look at Han Xiao. There was a hint of uncertainty in his eyes.

"What's wrong?"

"Nothing. Maybe I was wrong."

Hua Wuyan looking in front and realized that Qin Shu had already walked far away. Maybe he had seen wrongly.

After walking around the mall, Qin Shu and Ye Xue did not continue to shop. Instead, they took the car back.

Ye Luo drove towards Ye Xue's house.

Before getting out of the car, Ye Xue said goodbye to Qin Shu. Then, she got out of the car and left.

After Ye Xue got out of the car, Ye Luo said, "Young madam, it's time to head back."

Qin Shu glanced at Ye Luo who was seated at the driver's seat. It had been hard on him having to follow behind her and Ye Xue.

"I don't want to go back for the time being."

Ye Luo thought to himself "..."

"Don't you have violent tendencies?"

Qin Shu suddenly asked with a smile. When she smiled, she revealed two small canine teeth, which made her look especially playful and vindictive.
