Chapter 691: It Turned Out That He Had Tampered With The Car

“We don’t dare to disobey the chairman’s orders. Please leave.”

Two tall security guards stood in front of Qin Hai, refusing to let him in no matter what they said.

These few days, they had been coming in almost every day, clamoring for him to go in with all sorts of tricks.

“When your chairman sees me, she has to call me ‘Dad’. Get out of the way, or you’ll be in big trouble.”

Qin Hai was about to enter after he finished speaking.

The two security guards, who were newbies, looked at each other awkwardly after hearing Qin Hai’s words.

“Why didn’t I know that I have a father?”

Qin Shu walked over evenly and looked at Qin Hai with a faint smile.

When Qin Hai saw that Qin Shu had come, he still felt a little guilty. He said earnestly, “No matter what, you can’t pretend that I’m not your father. It was Dad’s fault in the past. Can you give dad a chance to reform from the New World?”

“I haven’t had a father like you since I entered Sheng Yuan.”

Qin Shu then glanced at the company behind him. “This company has nothing to do with you. You’d better leave quickly, or the security guards won’t be polite.”

After saying that, Qin Shu walked away.

Qin Hai hadn’t achieved his goal yet. How could he let Qin Shu leave? He grabbed her sleeve and almost cried for her to see.

“Little Shu, even if I beg you, please give me a way out.”

Qin Hai did not have a good life. He thought that he could rely on his experience and ability to find a particularly decent job.

The facts often proved that not only could he not find a decent job, but he was also despised for his old age and should have retired long ago.

Anyway, there was no company that hired him.

Even an unknown small company did not hire him.

In order to eat, he could only go to the hotel to wash dishes.

In the past, he also earned money by working.

But after living in luxury for so many years, how could he still wash dishes.

He broke a few dishes and was even beaten up by the consul.

Qin Shu sneered. "I gave you a way out? Didn't I already give you a way out of the mental hospital?"

"No, the company is already in your hands. You have so much money too. Just give Daddy some money to enjoy his old age..."

Qin Shu interrupted him. "You still have the face to mention the company? Mention money? Haven't you spent a lot of money? How much did the company lose in your hands? How much money did I put in when the company was in my hands?"

"My money is mine. I don't have any money with you. If you want to talk about filial piety, you have to ask yourself if you're qualified to be a father."

"Ye Luo, throw him out."

After Qin Shu gave the order, she walked straight in.

Ye Luo was very fast. Without waiting for Qin Hai to refute, he grabbed the back of his collar and threw him out of the company gate.

Qin Hai fell very badly. In addition to being hungry for two days, he couldn't get up from the ground for half a day.

After lying down for an unknown amount of time, he struggled to get up and left the company. He had to find another way to go back to the company.

After walking for half an hour, a black luxury car suddenly flew over.

Before Qin Hai could react, several men in black uniforms came out of the car one after another and dragged him into the car. They didn't even give him a chance to scream.

The person was very fast. It was obvious that he had been trained, and he came and went quickly.

..

After Qin Shu entered, she walked straight to the president's office.

Chu Ciwen was in the middle of his office. When he saw Qin Shu, who had suddenly arrived, he was a little surprised.

"Why didn't the chairman tell me that he was here? I wasn't even prepared."

"Uncle Chu, I'm here today for a private matter."

Qin Shu walked straight to her desk and sat down.

Chu Ciwen nodded. "Tell me about it."

Qin Shu didn't beat around the bush. "Uncle Chu and my mother worked together in the company. You should know my mother after all. Does my mother have any enemies?"

Chu Ciwen asked in puzzlement, "Why would you ask that?"

Qin Shu said, "My mother's car accident was planned, not an accident."

“Really?” Chu Ciwen realized that he was a little agitated. He calmed himself down and said, “The business world is like a battlefield. Your mother is so powerful and powerful. It’s inevitable to offend some people. But they shouldn’t want to take your mother’s life just because of those things.”

Qin Shu thought for a while and then asked, “Then Uncle Chu, do you remember who had the deepest hatred with my mother?”

Chu ciwen lowered his eyes and thought for a long time, then he said, “There are one or two people in this city who have the deepest hatred, but I guess it can’t be them. However, there is one in the neighboring city, Lu Chuanfeng. At that time, he also looked for Li Shang to cooperate with him. It was also because of your mother’s death that Li Shang canceled the cooperation and cooperated with Lu Chuanfeng.”

Lu Chuanfeng?

This name was too familiar. She couldn’t forget it even if she wanted to.

Qin Shu recalled the time when the man went to Lin City to discuss a collaboration with Li Shang. Lu Chuanfeng then looked for him halfway.

If it was Lu Chuanfeng, it was very likely that he had tampered with the car because he was very scheming and had a dark personality.

However, after Lu Chuanfeng got into a car accident, he became a vegetable. She didn’t know if he had woken up yet.

After getting the answer, Qin Shu thanked him and left the company.

On the way, she asked ye Luo to check if Lu Chuanfeng had woken up yet?

Back at Sheng Yuan, Qin Shu ate some tea and snacks prepared by Ning Meng. However, not long after she finished eating, she vomited, as if she was going through the motions in her stomach.

In the end, Ning Meng could only bring some soda biscuits for Qin Shu to eat.

After eating two pieces, the symptoms of vomiting lessened a lot.

While waiting for the results, Qin Shu picked up her laptop and went to the deep sea forum to read the post.

At this moment, the post had already received more than 10,000 replies, and there were quite a number of private messages.

She couldn’t be bothered to read the comments, so she directly went to read the private messages.

[last rank: Are You the Black Knight? The number one hacker on the hacker rankings, the Young Master of the Hacker Alliance? If so, are you accepting a disciple?]

[thirty-five: Are You a hacker? How’s your hacking skills? I want to spend money to hire a hacker, but I’m afraid of being cheated!]

[great mountain and Great River: brother, let me know if you’re still alive!]

[... : I know where Lan Zhicao is.]

Seeing the last message, Qin Shu's eyes instantly lit up, and she hurriedly returned.

[Black Knight in a vest: May I know where you are? No matter what request you have, I will agree.]

After she replied to the message, she started to wait anxiously for the news.

At this moment, Ye Luo walked in from outside.

“Young Madam, we have already found out. Lu Chuanfeng suddenly woke up the day before yesterday and has already gone home.”

Woke up?

Since he had woken up, she would go and ask him about it.

Qin Shu raised her head and looked at Ye Luo. “Prepare the car and go to Lin City.”

“Yes, Young Madam.”

Ye Luo only hesitated for a moment before turning around to prepare the car.

Qin Shu changed her clothes and left the house.

An hour later, they arrived at Lin City.

Lu Chuanfeng's house could be found with a single search.

With the address, Qin Shu got Ye Luo to drive straight to his house.

When they arrived at the villa's entrance, Ye Luo knocked on the door and said a few words to the maid.

The maid hurriedly turned around and walked in.

After a while, she came back and invited them in.

Qin Shu followed the maid in.

Ye Luo followed behind unhurriedly.

Chapter 692: It Was All Done By You

Lu Chuanfeng's villa was decorated extremely luxuriously, displaying the word “Rich” to the fullest.

However, he had experienced car accidents, failed bids, and other setbacks. This was probably the only house left for Lu Chuanfeng.

Qin Shu followed the maid all the way to the living room. She saw Lu Chuanfeng sitting in a wheelchair in front of the marble tea table, drinking tea.

Lu Chuanfeng, who had just been discharged from the hospital, was in good spirits, but he had lost a lot of weight.

When Lu Chuanfeng saw the guests arrive, he put down the teacup in his hand and raised his head to look at the two men in front of him. They were strangers. He had never seen them before in his memory.

When Qin Shu and Ye Luo came, they had disguised themselves.

Lu Chuanfeng was a veteran in the business world. Even though he was puzzled, he still looked calm on the surface.

“Why are you looking for me?”

“I do have something to ask you, President Lu.” Qin Shu took two steps forward and sat down in front of the sofa. She crossed her legs and looked calm.

Lu Chuanfeng frowned and was a little unhappy. “Since you have something to say, why didn’t you tell me your name?”

Qin Shu said, “I’m Wen Xin’s relative.”

At the mention of Wen Xin, Lu Chuanfeng could not help but sit up straight. He looked at the man in front of him again. His young face was very handsome, and he did not look old.

Wen Xin’s son?

How come he had never heard of her having a son?

“The car that she got into the accident was sabotaged by you, wasn’t it?”

Qin Shu used a positive tone.

Lu Chuanfeng was stunned at first, then he said angrily, “Nonsense, how could I have sabotaged it?”

Qin Shu sneered, “In order to get rid of your competitors, you were unscrupulous. If Fu Tingyu had not switched cars midway, would he have been able to avoid the people you arranged on the road?”

Lu Chuanfeng’s expression changed when he heard this. He looked at the young man in front of him in disbelief, “... You, who are you?”

Qin Shu questioned, “Wen Xin was also your competitor back then. Did you not think of getting rid of her?”

Lu Chuanfeng was stunned.

“I have already found out that someone had tampered with her car. After she died in the car accident, Lishang canceled his cooperation with the Qin Corporation and turned to work with you. Do you dare to say that you did not tamper with it?” Qin Shu’s voice was cold.

Lu Chuanfeng did not expect that someone would still bring up the matter of the past few years. His expression did not look good.

Lu Chuanfeng took a deep breath, he said, “I did think about tampering with the car, but I didn’t do it in the end. “As for the cooperation, Lishang only trusts Wen Xin. She died in an accident, and Lishang

canceled the cooperation for his own benefit. As the president of the company, of course, I will not let go of this rare opportunity to cooperate.”

Qin Shu frowned. “If you say so, will I believe you?”

Lu Chuanfeng retorted, “I didn’t tamper with the car, whether you believe it or not.”

Qin Shu looked at Lu Chuanfeng a few times, as if she could tell the truth from his expression.

On the way back

Qin Shu sat in the back seat of the car, frowning.

Lu Chuanfeng didn’t deny Fu Tingyu’s matter.

Was it really not Lu Chuanfeng?

If it wasn’t Lu Chuanfeng, then who was it?

The trail was broken again.

After thinking for a while, her head hurt a little.

Whether it was Lu Chuanfeng or not, she had no intention of letting him go.

Since he was out of the hospital, then he really had nothing.

Taking revenge on a person, they need not have to be dead for it to be satisfying.

It was something that would make him lose the most important thing.

He was used to living a luxurious life. A simple life was what made life worse than death.

When she returned to Sheng Yuan Garden, the sky had just turned dark.

Qin Shu had made a trip back and forth. Coupled with the fact that she had not eaten anything for the entire day, she was so hungry that her chest was pressed against her back, and her eyes were dark.

When she walked to the front yard, a tall and straight figure stood there, as if he was waiting for her intentionally.

Under the backlight, it was easy to see that the man’s face was cold and stern. His lips were tightly pursed, as if he was unhappy.

She came back late today.

Qin Shu quickened her steps and walked over. When she got closer, she reached out and hugged the man. Her voice was a little coquettish. “Baby Yu, I’m starving.”

“You still know how to be hungry?” The man was a little helpless. He picked her up and asked as he walked, “Why are you going to the market?”

It was not strange for the man to know. Ye Luo was one of his people, a very loyal subordinate.

Qin Shu raised her small face. “I want to know if he was the one who murdered mother.”

The man stopped in his tracks and looked down at her. "How do you know that your mother was murdered and not an accident?"

Qin Shu said, "I've already checked. Someone tampered with the car and the brakes failed, causing the accident to happen."

Wen Xin had passed away many years ago, and no one had ever suspected that it was a murder.

The man asked, "You think Lu Chuanfeng did it?"

"He has a motive. In addition, he's very shrewd and has a dark personality. He will do anything to achieve his goals."

The man took a few steps and stopped. He looked at the girl in confusion. "How do you know that he has a dark personality and will do anything to achieve his goals?"

"It was him last time..." Realizing that she was about to spill the beans, she immediately stopped talking.

The man knew that she was hiding something from him the moment he saw her face. "Last time what?"

Qin Shu blinked her eyes. Her mind was racing as she thought of something. She said, "Last time, didn't he hire a hacker to change the data and frame you? From this, it can be seen that he has a dark personality and will do anything to achieve his goals."

The man carried her and continued walking. "It's not about that. The plan on Lu Chuanfeng's computer was replaced with a vulgar web novel. It was you who did it, right?"

It was only then that Fu Tingyu remembered the collaboration with Li Shang. There were a few coincidences.

The plan on his personal computer was replaced. Other than hackers, no one else could do it.

She was a little proud. Wasn't it your wife who did it.

"I just wanted to disgust him a little."

It was indeed disgusting. If the plan became a colorful web novel, not only would she lose face, but she would also lose her ability.

The man asked, "How did you know that he would intercept?"

Qin Shu answered with a little guilt, "I guessed."

Although he did not deliberately prevent her from listening to business matters, she had never been interested in certain things.

She would never know that Lu Chuanfeng and he were competitors.

The man took a few steps forward, and the more he thought about it, the more he felt that something was wrong.

When he entered the dining room, the man placed her at the dining table and sat her down.

The maids brought the dishes over one after another.

Ning Meng brought a basin of water over.

The man took the girl's hand and placed it in the basin. He washed it with clean water, then picked up the towel on the edge of the basin and wiped the beads of water off his hand.

After putting the towel into the basin, lemon took the basin and left.

Qin Shu was really hungry. She ate a little more during dinner. She didn't care whether she would vomit later or not. Anyway, her empty stomach was full.

The man took the girl to the balcony of the bedroom on the second floor to lie down on the chaise longue to relieve the vomiting symptoms.

He sat on the side and stared at the girl.

Lying down was indeed more comfortable than sitting down.

Qin Shu glanced at the man and felt that he had something to say.

Before she could finish her thought, she heard the man ask, "Are you hiding something from me?"

Chapter 693: Pulled on Qin Shu's Pigtail

He used a positive tone.

Qin Shu knew that he was curious about what happened in Lin City, but how should she explain it?

Just as she was hesitating on how to speak, her stomach churned.

She covered her mouth with one hand and sat up from the chair. She ran into the bathroom without a care and vomited so much that the sky and earth turned dark.

The man quickly followed her. He stood in front of the sink and patted the girl's back with one hand. His heart ached for her.

He didn't expect the pregnancy to be so difficult.

After she vomited, Qin Shu felt much better.

She took the towel the man handed over and wiped the water droplets on her face.

She was still thinking about how to answer the man's question.

After she was done wiping, the man took the towel and put it aside. He looked at her pale face and asked, "Are you better?"

"I feel better after vomiting. It's just a waste of food." Qin Shu sighed.

In Fu Tingyu's eyes, what was a waste of food?

As long as he didn't starve his wife, she would be fine.

Qin Shu was led back to the balcony by the man, and then she was pulled into his arms. It was too familiar, and smelling it would make people feel at ease.

She always believed that the man wouldn't lie to her.

And he would not do anything to hurt her.

The man vaguely guessed that Lu Chuanfeng's car accident might have something to do with her.

Because everything happened too coincidentally.

His baby..

Before she slept, Qin Shu ate some supper, and then she ate two pieces of soda biscuits.

Thinking of the posts on the deep sea forum, she took the opportunity when the man went to take a shower to take a look.

It was mainly because at this time, the man would not let her play with her phone and computer, saying that there was radiation and that it would affect her brain's rest.

She went to the deep sea forum to take a look, but the man did not reply. She was a little disappointed and turned off the computer, lying down to continue sleeping.

..

Ever since Jiang Yu left, Ye Xue had been upside down during this period of time. She could not sleep at night and lay in bed during the day, not wanting to get up.

Every night, she held her phone and didn't dare to send Jiang Yu a message for fear of being despised by him.

Since they were separated, she didn't want her final impression in Jiang Yu's heart to become worse.

Ye Xue wasn't introverted by nature. No matter what she did, it was Jiang Yu who took the initiative.

So after she read the message, she didn't have the courage to send a message to ask him.

That sentence, are you okay over there?

She had been there the whole time and did not have the courage to send it out.

Just after fifteen, the temperature in Jiang City was still very low.

But on the contrary, the temperature in Fengyi Mountain was above twenty degrees. When the breeze blew on her face, it was very comfortable.

She had been here for more than ten days. From the beginning, she was not used to it, but now she was already used to it.

She did not know if Uncle Ye did it on purpose. There was obviously a manor at the foot of the mountain and they were not allowed to live there, but he just had to let the three of them squeeze into a bamboo house.

It was quiet at night.

It was just that the three of them were born into a wealthy family and they really couldn't get used to living there.

When they slept, the three of them lay together.

Jiang Yu tossed and turned, unable to fall asleep. He turned his head and used his arm to push Fu Tingyan who was beside him. "Little Qi, are you asleep?"

This bed was so hard that it was hard to die. Who could sleep?

On the surface, he was calm as usual. "You can't sleep?"

Jiang Yu sighed. "I Miss Xiao Xue."

Fu Tingyan closed his eyes and replied, "Give her a call. Although the signal in the mountains isn't good, it's still okay on the top of the mountain."

In the dark, Jiang Yu's hand went under the pillow and touched the cold phone. He held it tightly in his palm as if he was restraining himself.

Fu Tingyan turned to look at Bo Ye. It was pitch-black, and he couldn't even see the back of Bo Ye's head clearly. He moved closer to him, and the faint scent of mint entered his nose. His brain felt hot, so he used his knee to hit him.

He asked in a low voice, "Are you asleep?"

Bo Ye closed his eyes. "What's the matter?"

"What brand of shower gel do you use in the shower at night? It smells pretty good." He even deliberately went over to sniff it.

Bo Ye replied, "It's the same as yours."

"Is that so?" Fu Tingyan lowered his head to sniff it, but there was no smell at all.

The night was cold, and the three of them had their own thoughts.

..

Qin Shu lay on the balcony, feeling a little drowsy. However, she received a notice saying that the Imperial College had delayed the start of school.

This was a good thing for her.

It was because the pregnancy reaction during this period of time had been a little unbearable for her.

The school would start later. After the pregnancy reaction was over, it would be more convenient for her to go to school.

She waited for a whole day, but that person still did not reply,

it made her feel like she had been tricked.

Just as she put down her computer, Ye Xue called.

“Qin Shu, have you received the notice? School will be delayed.”

“I just received the notice. You can play at home for a little longer.”

Ye Xue lowered her eyes. She actually wanted to start school earlier, or else she would feel crazy if she stayed at home.

She suddenly looked up. “Qin Shu, come out. I’ll treat you to milk tea and dessert.”

Qin Shu readily agreed. “Sure, I just want to go out for a walk.”

After hanging up the phone, she asked Ye Luo to prepare the car and go out.

The weather today was not bad.

When they arrived at the promised dessert house, Qin Shu saw Ye Xue standing at the door. She realized that her dark circles were very serious and she felt that she had lost weight again.

Every festival, she gained three kilograms. Instead of gaining weight, she had lost weight.

“How did you lose weight? Did Jiang Yu leave and Miss Him?”

“No, let’s go in first. It’s windy outside.”

Ye Xue pulled Qin Shu into the dessert house.

Qin Shu gave Ye Xue a puzzled look.

“Find a seat first. I’ll order dessert.”

After Ye Xue said that, she walked briskly to the counter.

Qin Shu glanced at Ye Xue’s back. There was something wrong with this girl. Although she was puzzled, she was not in a hurry to ask. Instead, she found an empty seat and sat down.

Ye Xue was very fast. In addition, after spending so much time with Qin Shu, she was familiar with her tastes and hobbies.

She placed a mousse cake and a cup of red bean milk tea in front of Qin Shu and ordered the same for herself.

Ye Xue drank the milk tea while sizing up Qin Shu. “You seem to have lost weight?”

“You still dare to talk about me? Look at yourself. You’re thin, dark circles under your eyes, and heavy.” After Qin Shu said that, she asked again, “What happened?”

Ye Xue couldn’t resist Qin Shu’s gentle question. She lowered her eyes, and her voice suddenly became hoarse. “Jiang Yu left, so I broke up with him.”

Qin Shu was stunned. She had never thought that Jiang Yu and Ye Xue would break up?

At this moment, in the Fu residence

Xu Wei had been silent for a long time. Today, she came to the Fu residence again. Looking at the main door of the Fu residence, the corners of her mouth curled up into a determined smile, and then she walked in.

The Old Madam was still thinking about her little grandson, and her spirit was a little listless.

She was afraid that he would learn martial arts and suffer. In the end, she still couldn't bear for him to go to such a remote place to learn martial arts.

They were all acquaintances, but they couldn't come to Jiang City?

Xu Wei's crisp voice came in, which made the Old Madam feel a little spirited.

"Grandma, I'm here to see you."

Xu Wei walked in front of the Old Madam with light steps and called her very intimately.

She sat down beside the Old Madam and placed the pastry in her hand on the coffee table.

"Grandma, I have something very important to tell you this time. It's about Qin Shu."

Chapter 694: Cuckold Him

Xu Wei was in a hurry to tell the Old Madam about Qin Shu. She didn't even bother to show off the pastries in her hands in front of the Old Madam.

The Old Madam raised her eyebrows and glanced at the pastries on the coffee table. They were sweet and soft, very suitable for people who were old and had bad teeth.

She, who was wearing glasses, was a little disappointed when she saw the mango flavor written on the gift box. It was not her favorite flavor.

The pastries that Xu Wei usually brought were all made or bought according to the taste that the Old Madam liked.

There was an important matter today, so she had forgotten that the Old Madam did not like mango flavor.

The Old Madam withdrew her gaze in disappointment and looked at Xu Wei. "What happened to Qin Shu?"

Xu Wei leaned in front of the Old Madam and whispered, "Grandma, my classmate's relatives are in Imperial City. They came back to visit some time ago and said that Qin Shu went to the hospital for an abortion two months ago."

The Old Madam smacked the table when she heard that. Her expression was a little ugly. "Nonsense. Why would Qin Shu go for an abortion when she's fine? This is the thing that hurts a woman the most. Xiao Yu wouldn't let her go to the hospital for an abortion."

This was the first time Xu Wei saw the Old Madam get angry. She was shocked and couldn't react for a long time.

When she came back to her senses and thought of her purpose, she held the Old Madam's arm as usual and said gently, "Grandma, Tingyu doesn't know about this. Given Tingyu's personality, he would be too happy. Of course, he wouldn't let Qin Shu suffer that kind of pain."

When Xu Wei said this, she glanced at the old man's expression and realized that it had eased up a little. Then, she continued, "Qin Shu did it secretly behind Tingyu's back. Tingyu still doesn't know about this until now."

Secretly?

The Old Madam had lived for a long time. What had she not seen? Never experienced it?

When she heard this, she would think of something.

She looked at Xu Wei suspiciously. "What do you mean?"

Xu Wei said, "Grandma, it's a good thing that Qin Shu is pregnant. Why would she secretly go for an abortion? I'm guessing that this child isn't Tingyu's. That's why she secretly went behind Tingyu's back to do this."

When she heard this, the Old Madam's expression changed again. If it was in the past, she would definitely go berserk and look for Qin Shu to ask her clearly.

However, after going through some things and getting older, time allowed her to settle down.

"You can eat whatever you want, but you can't talk nonsense. If there's no evidence, you can't talk nonsense. This is related to Qin Shu's reputation."

Xu Wei looked at the Old Madam. It was very different from what she had expected. She thought that the Old Madam would go berserk.

But after being stunned for a moment.., she then explained, "Grandma, I was born into a prestigious family. Am I the kind of person who talks nonsense? Besides, of course, I hope that Ting Yu and Qin Shu are fine. However, I don't want Ting Yu to be deceived by others. I also don't want Grandma to be deceived by others."

The Old Madam was a little moved when she heard that. Her anger from before had lessened quite a bit. "But no matter what, we have to talk about evidence in everything. It's better not to talk about things without evidence."

"Grandma, I have evidence. It's just that there's evidence that Qin Shu went to the hospital for an abortion. That's why I'm so angry that I want you to know. I want Tingyu to know that all of you have been deceived by Qin Shu." Xu Wei said affirmatively.

The Old Madam was hesitant at first, but when she heard how certain she was, she couldn't help but waver.

"What about the evidence? Show it to me."

Xu Wei opened her shoulder bag and took out some photos and audio recordings. She handed them to the Old Madam. "Grandma, look. These are the photos."

The Old Madam hurriedly took them and looked at them carefully. On the photos, Qin Shu entered the maternity ward and came out.

In the photos, there was the back of a man. He looked familiar, but it was definitely not Xiao Yu.

Could the photo be a composite?

There was also an audio recording. It was a conversation.

“This is your first time, right?”

“Yes.”

“Don’t be nervous. It’s painless.”

“Alright, you should rest for a while.”

“Okay.”

From the sound, one could tell that it was the words of the doctor and Qin Shu.

The Old Madam’s expression changed again and again. She was so angry that her hands were shaking. Even after experiencing so much right and wrong, she was still so angry that she wanted to explode.

When the Old Madam was looking at the photos and audio recordings, Xu Wei had been sizing up the Old Madam. From her expression, she knew that the Old Madam was angry. Qin Shu was definitely done for this time.

Coincidentally, the doctor who performed the surgery on Qin Shu was her classmate’s aunt.

She happened to bump into them when she was shopping last time and accidentally brought up the topic of abortion.

Xu Wei felt that something was a little strange when her classmate’s aunt spilled the beans.

Hence, she specially sent someone to the Imperial City to investigate.

The result surprised and surprised her.

As for these photos and audio recordings, she had asked someone to retrieve them from the hospital surveillance footage.

Money could make the world go round, so it was very easy to get those things.

Xu Wei was filled with righteous indignation. “Grandma, I was also furious when I saw this. Grandma and Tingyu treated her so well. Not only did she lie to you, but she also humiliated the Fu family. How hateful.”

After Xu Wei said that, she seemed to have remembered something and exclaimed, “Grandma, Could Qin Shu also not be...Tingyu’s?”

She covered her mouth with one hand and swallowed the last two words back into her stomach. She widened her eyes in disbelief.

The Old Madam clenched the photo and audio in her hands. When she thought about how her grandson treated Qin Shu so well, but Qin Shu did such a thing, she almost had a heart attack.

There was a long silence

The Old Madam called the butler in. "Butler Fu!"

Butler Fu hurriedly walked in from outside and nodded. "Old Madam, what are your orders?"

The Old Madam ordered in a low voice, "Call Xiao Yu to come over."

"Yes, Old Madam." Butler Fu accepted the order and turned to make the call.

When Fu Tingyu found out about Qin Shu's miscarriage, it was possible that the woman in her stomach was not even his. No matter how much he liked her, he could not accept the woman who cheated on him.

Any man couldn't handle it.

Think of Qin Shu is about to face Fu family despise, disgust, spit.

Xu Wei in the heart can not help but have some hatred and some sense of accomplishment.

But when she looked up at the old lady, she looked very sad. "Grandma, don't be angry. It's bad for your health if you get angry."

The Old Madam is angry the complexion is flushed: "Xiao Yu is played coax by her like this, can I not be angry?"

"I know, but it's not worth it to ruin your body because of someone like her. Telling you all this is not to make you angry and ruin your body. It's just that I don't want you and Tingyu to be deceived," Xu Wei said.

Fu Tingyu received a call from Butler Fu. He learned that Grandma asked him to go back and said that it was an urgent matter, so he put down what he was doing and rushed back to the old house.

He walked into the living room with steady steps and found that Xu Wei was also there. He looked at the Old Madam on the sofa and asked, "What urgent matter did Grandmother ask me to come back for?"

When the Old Madam saw that her grandson had returned, she couldn't help but feel sorry for him. She said, "It's very important. Regarding Qin Shu, you have to be mentally prepared. Don't be so angry."

Chapter 695: Face-to-face Confrontation

Xu Wei also raised her head to look at Fu Tingyu. She had liked him since a very long time ago. He was a very outstanding man who had occupied her entire heart.

Qin Shu had such an incident.

She could not help but start to imagine in her heart that as long as Qin Shu was not by his side, he would definitely be able to see how good she was. He would discover that she was not inferior to Qin Shu at all. On the contrary, she was even better and more outstanding than Qin Shu.

Hearing about his wife and the tone of the Old Madam, Fu Tingyu couldn't help but feel a little nervous.

"Grandma, what's wrong with her?"

The Old Madam waved her hand and gestured for him to sit down first. "Sit down first, I'll tell you."

How could Fu Tingyu still sit down? But since his grandmother said so, he still sat down patiently.

Only then did the Old Madam pass the photos and audio recordings in her hands to him. "Take a look at these first."

Fu Tingyu glanced at the Old Madam and vaguely felt that she was enduring something.

He shifted his gaze to the things that the Old Madam had pushed in front of him. His slender fingers picked up a stack of photos and looked at them one by one. He saw the girl's figure and the place where she had appeared. A hint of doubt flashed in his eyes.

He held one of the photos and looked at the figure of a man on it. He did not know if it was an accident or if it was taken with the girl.

As for the man's back..

The Old Madam saw that her grandson was almost done looking at it, so she said, "Xiao Yu, when Qin Shu was in the capital, she went to the hospital alone for an abortion. I don't think you know about it, right?"

Fu Tingyu almost thought that there was something wrong with his ears. A girl went to the hospital for an abortion?

He looked up at the Old Madam and said in a cold voice, "Grandma, just based on a few photos, you're saying that she went to the hospital for an abortion? What do you mean by that?"

Grandma didn't like girls and even let girls learn more from Xu Wei, making the girl suffer a lot.

All the grievances and this incident gave Fu Tingyu a way to vent his anger.

"I know Grandma doesn't like her, but you can't slander her just because you don't like her."

The Old Madam was also a little angry, but when she thought about how her grandson was also deceived by Qin Shu, her heart ached for him.

She held back the anger in her heart.

She pointed at the audio. "Listen to this again."

Fu Tingyu glanced at the thing on the coffee table. It was a mini-player, black.

His slender fingers picked up the player and pressed play.

The voices of two women came from inside. The quality of the sound was not bad, so they could hear it clearly.

Xu Wei sat at the side and did not make a sound. She only looked up to see Fu Tingyu's reaction. From his reaction just now, Fu Tingyu was really too protective of Qin Shu, to actually blame the Old Madam for this.

Therefore, he didn't dare to make a sound. He quietly sized up Fu Tingyu's reaction when he listened to the audio.

After listening to the audio, Fu Tingyu's expression clearly changed.

"You believe it now?" The Old Madam sighed. "Little Yu, I don't want this to be true either. But she did do such a thing. We can't turn a blind eye."

After the Old Madam finished speaking, she looked at her grandson's face. It was ashen. She knew that he was extremely angry, but there were some things that could not be left out.

"I know you don't like to hear this, but even if you don't like it, I have to say it. The child that was aborted previously definitely wasn't yours. If it was yours, she wouldn't have had to go to the hospital to have an abortion behind your back."

The Old Madam paused at this point and thought about her words. "Xiao Yu, I suspect that the child in Qin Shu's stomach right now..."

Before the Old Madam could finish her sentence, Fu Tingyu suddenly raised his head and looked at her. His gaze was as cold as an Antarctic Glacier.

"Seeing may not be true, let alone judging based on a few photos and an audio recording?"

Fu Tingyu had wronged the girl several times because of Qin Ya's words.

After he finished speaking, he looked at Xu Wei opposite him. "Did you get all of this? Why did you slander her?"

Xu Wei was so scared that her body trembled. She couldn't even bear to look at him. She felt like a person who had done something wrong and wanted to escape.

The Old Madam couldn't stand it. "Xiao Yu, Xu Wei took the time to find these things so that we wouldn't be deceived by Qin Shu. She means well. How can you say that about her?"

Fu Tingyu's face was livid. He stared at the photo in his hand as if he wanted to see a hole in it.

Xu Wei thought of all these facts. They were not fabricated by her, but facts. She had the courage again.

"Tingyu, I don't have any ulterior motives. I just don't want you to be deceived. Moreover, the gynecologist who performed the surgery on Qin Shu is my classmate's aunt. She works in the People's Hospital of the Imperial City. "If you don't believe me, I'll get my classmate to make a call and get her to come to Jiang City from the Imperial City."

The Old Madam heard this and nodded in agreement. "Since there are questions, of course we have to get to the bottom of it. If it's possible, I'll have to trouble you to get your classmate to make a call and get that doctor to come to Jiang City. I'll pay for the expenses, and I can also pay for it."

“Grandma, what are you talking about money or not? In order to prove that I didn’t slander her, I’m willing to go out and look for my classmate.” Xu Wei’s voice was filled with grievance.

The Old Madam was about to speak.

Fu Tingyu’s voice was cold. “Do you think I’ll believe you just because you found someone?”

The Old Madam was angry and helpless. “Xiao Yu, why are you so stubborn? The truth is right in front of you and you don’t believe it even if you found someone. This isn’t a small matter. How can you be blind just because you like Qin Shu?”

Fu Tingyu said, “I don’t believe that all of this is true unless she admits it herself.”

Seeing her grandson’s stubbornness, the Old Madam instructed, “Butler Fu, go and Fetch Qin Shu over.”

“Yes, Old Madam.”

Butler Fu turned around to fetch her.

Fu Tingyu suddenly said, “Wait a moment.”

Butler Fu stopped in his tracks and turned to look at Fu Tingyu. “Young Master, what orders do you have?”

The Old Madam and Xu Wei both looked at Fu Tingyu. They all thought that he wanted to go back on his word and not let Qin Shu come over.

“Xiao Yu, what are you doing?” The Old Madam asked.

“Butler Fu is old and it’s not suitable for him to drive.” Fu Tingyu then instructed, “Shi Yan, take her over. Drive slowly and don’t brake too quickly. She’s prone to vomiting.”

“Got it, Fourth Master.”

Shi Yan took the order and left. However, before he took two steps, Fu Tingyu stopped him again. “Buy her some soda biscuits on the way.”

“Got it, Fourth Master.”

Shi Yan turned around and left again.

Fu Tingyu pursed his lips and sat on the sofa. His face was calm and he was still holding the stack of photos in his hand.

When the living room quieted down, he lowered his eyes and looked at the photos again.

There was a moment of silence in the living room.

The Old Madam might be old, and she looked a little tired. She had always had the habit of taking an afternoon nap.

But when she thought about how things had not been completely clarified, she just sat there and waited.

Xu Wei felt a little unbalanced. The truth was already in front of her, but Fu Tingyu was still so considerate. Would Qin Shu vomit?

She shall just wait, see what Qin Shu still have to say upon facing these evidence?

Chapter 696: The Sign of Regaining Her Memory?

She couldn't wait to see Qin Shu unable to defend herself.

Fu Tingyu's expression when he was completely disappointed in her.

Xu Wei suppressed the anticipation in her heart and waited quietly.

Fu Tingyu stared at the photo in the dark and felt that the figure on it was very familiar.

After looking at it for a while, he took out his phone and dialed Gu Yan's number.

After the call was connected, he said, "Come to the Fu Residence."

Gu Yan stopped flipping through the medical book and asked, "Is there anything important?"

Fu Tingyu said, "I'll let you take a look at the photo."

Photo? Gu Yan's eyes flashed with doubt, but he did not ask, "Okay, I'll go over now."

After hanging up the phone, he closed the medical book and stood up. He put the medical book back on the shelf and then turned around to go downstairs.

However, before he went out, Ye Xing suddenly came to visit him.

After Gu Yan came back from the capital, Ye Xing also came to Jiang City. She often came to see Gu Yan for treatment and wanted to recover her memory as soon as possible.

Gu Yan asked, "What's the matter?"

Ye Xing rubbed her head and said, "I have a headache these days. Is it a sign that I'm going to recover my memory?"

Ugh! ! !

Gu Yan glanced at Ye Xing, "It's not a headache. It's a sign that you're going to recover your memory. Of course, I can't rule it out."

Ye Xing was like a studious student who didn't know how to ask, "Is there any difference between the two?"

Gu Yan felt a headache coming on. This academic question was really hard to explain, and it wasn't something that could be explained in a short period of time.

Seeing that he didn't answer, Ye Xing asked again, "What's wrong? Is my way of asking wrong? Or should I not ask like this!"

Gu Yan saw the clock behind Ye Xing and said, "No, this is an academic question. It will take a while to explain."

Ye Xing smiled. "It's okay. I'm fine for now. I can listen to you slowly."

Uh!

Gu Yan looked at the clock again. He felt a little helpless, but he thought that it should not be a problem to delay it for more than ten minutes.

"Then sit down first. I'll tell you."

"Okay." Ye Xing had been here a few times, so she didn't need Gu Yan to say anything. She walked to the sofa and sat down, waiting for him to say something.

At the dessert shop

Qin Shu felt a little sorry after hearing about what happened between Ye Xue and Jiang Yu, but Jiang Yu felt that it was a little irresponsible.

"Ye Xue, don't worry. When Jiang Yu comes back, I'll help you beat him up." Qin Shu clenched her fist, gritted her teeth, and said hatefully.

Ye Xue hurriedly grabbed Qin Shu's clenched fist, as if afraid that she would beat up Jiang Yu in the next second. "There's no need, Qin Shu."

Qin Shu said, "What's wrong? I haven't even beaten him up yet, and your heart aches already?"

Ye Xue did not shake her head and deny it. "Jiang Yu actually made it very clear from the beginning. I don't know if he likes me, and he wants to try dating me. Whether he wants to date me or not depends on me."

When Ye Xue said this, her voice lowered again. "I still feel that I'm too bad, so Jiang Yu has been dating me for a few months, but he still doesn't like me."

Qin Shu said, "You're already very outstanding. You have your grades, looks, and cooking skills. Jiang Yu didn't like you because he was blind. You'll definitely meet a man a hundred times better than Jiang Yu."

Ye Xue said in a low voice, "There's no need for such a good man. I don't have such high expectations."

Shi Yan returned to Sheng Yuan and didn't see Qin Shu. He took out his phone and dialed Qin Shu's number.

Qin Shu still wanted to console him, but when she received a call from Shi Yan, she had no choice but to pick up the call first. Perhaps the man had asked Shi Yan to call her.

After picking up the call, she asked, "Shi Yan, what's the matter?"

Shi Yan asked, "Where is Young Madam now? Fourth Master asked me to pick you up at the old residence."

"I'm outside. He's at the old residence, right?" Qin Shu asked.

Shi Yan replied, "Yes, Young Madam."

"I'll go by myself."

“Fourth Master asked me to pick you up. Just tell me the location,” Shi Yan said.

Qin Shu did not think much about it and gave the address. “Are you coming to Sunshine Tea?”

“I’ll be right there.”

After hanging up, Qin Shu said to Ye Xue apologetically, “Are you feeling better now?”

Ye Xue replied with a smile. “I’m much better.”

Qin Shu heaved a sigh of relief. “I’m going back to the old residence. I’ll treat you to some delicious food some other day.”

Unknowingly, after chatting with Qin Shu for so long, Ye Xue felt a little embarrassed. “Sure, you can do your own thing first. I’ll go back after drinking the milk tea.”

“Okay, just text me if there’s anything.”

Qin Shu then left Sunshine Tea.

After drinking the milk tea, Ye Xue carried her backpack and walked out of afternoon tea.

As she walked along the street casually, she accidentally bumped into someone. She instinctively lowered her head and apologized, “Sorry, sorry, I didn’t mean it.”

After apologizing, she continued walking. However, she didn’t expect to be grabbed by someone’s arm, giving her a fright.

When she raised her head, she saw Zhou Yizuo and was stunned for a few seconds.

That was because when she was in Imperial City, Zhou Yizuo had looked for her a few times after she was with Jiang Yu.

Jiang Yu and Zhou Yizuo had even quarreled and almost fought. At that time, she had been scared to death.

After that, she had not looked for him again.

Zhou Yizuo asked, “What’s wrong?”

Ye Xue was a little embarrassed. “Nothing’s wrong with me. I’m just shopping.”

Zhou Yizuo looked as if he had seen through her. “Are you unhappy?”

Ye Xue hurriedly shook her head. “No, I’m fine.”

However, Zhou Yizuo said, “Your lying skills are really bad. Your unhappiness is written all over your face.”

“Really?” Ye Xue reached out to touch her face in disbelief.

Then, she heard Zhou Yizuo laugh. Only then did she realize that she had been deceived. Her face instantly darkened.

Zhou Yizuo stopped laughing in time. “Did Jiang Yu bully you?”

Ye Xue's face stiffened at the mention of Jiang Yu.

Zhou Yizuo was also stunned. "I was right?"

Ye Xue ignored him and continued to walk towards the bus stop.

Zhou Yizuo hurriedly chased after her. "I didn't say that on purpose, and I didn't mean to laugh at you."

..

On the way to the old house, Shi Yan's car drove very steadily. Then, he passed the soda biscuits that he had prepared beforehand to Qin Shu.

Qin Shu did not get carsick, but her pregnancy reaction had caused her to feel a little dizzy. When she saw the soda biscuits, she smiled. "You're still thoughtful."

Shi Yan looked up at the rearview mirror and said, "Young Madam is joking. It wasn't Shi Yan who was thoughtful. It was Fourth Master who ordered it."

When Qin Shu heard this, her smile deepened, and it was a little sweet.

The man was really thoughtful and considerate.

She opened the package and took a piece of biscuit and chewed on it. The biscuit wasn't sweet, but it was sweet in her heart when she ate it.

After arriving at the old house, Shi Yan slowed down the car and stopped. He didn't make Qin Shu feel uncomfortable at all.

Shi Yan opened the car door. Qin Shu got out of the car and walked straight in.

After walking for a while, she arrived at the front hall.

When she walked in, she saw the Old Madam sitting on the sofa. Xu Wei was sitting beside her, and the man was sitting across from her.

However, the atmosphere was a little different from usual. It was a little depressing.

The moment Qin Shu entered, the three people in the living room all raised their heads and looked over. Their gazes were all different.

Chapter 697: Trust her?

The moment she saw Xu Wei, Qin Shu had a bad feeling.

When she saw the way the Old Madam looked at her again, there was something wrong. She was not as amiable as before.

When she looked at Fu Tingyu, the man's face was calm and normal. However, his dark eyes were so deep that no one could see what he was thinking.

After hesitating for two seconds, she walked to the man's side and sat down. She didn't forget to greet the Old Madam. "Grandma."

The Old Madam nodded in agreement.

Qin Shu looked at Fu Tingyu and asked, "Why did you ask me to come?"

Before Fu Tingyu could say anything, the Old Madam spoke first. "I did ask you to come because I have something important to ask you."

Qin Shu looked at the Old Madam. "Grandma, May I ask what is it about?"

The Old Madam did not beat around the bush and asked directly, "When you were in the Imperial City, did you have a child that you aborted?"

Before the Old Madam could finish her sentence, Qin Shu was struck by a bolt of lightning, causing her body to stiffen and her mind to go blank. She could not function normally.

Xu Wei looked at Qin Shu and saw that her expression was very bad. She knew that she was feeling guilty.

She couldn't help but feel proud in her heart. She was waiting for Qin Shu to be so ugly that she would be kicked out of the Fu family.

Qin Shu's silence made the Old Madam even more certain that the matter was true. "Qin Shu, why didn't you answer?"

Qin Shu recovered from her shock. She looked at the Old Madam's sharp eyes and questioned her in a questioning tone.

How did the Old Madam know that she had a child in the Imperial hospital?

She glanced at Xu Wei who was sitting beside the Old Madam and saw a flash of pride in her eyes. It was not difficult to guess that she was the one who came to tell the Old Madam and Fu Tingyu about this matter.

However, how did she know about this matter?

She subconsciously turned her head to look at the man. In the end, she bumped into the man's deep eyes. His deep feelings were still there as if he was waiting for her answer.

The man knew about this too?

So, he called her here just to confirm this?

She could not help but feel a sense of fear. This was the thing she did not want the man to know the most.

The man had been looking at her the whole time, waiting for her to deny everything. However, when he saw that she was silent, his heart sank a little.

The Old Madam had now confirmed this matter, her gaze became sharper. "Qin Shu, I didn't know that you would be such a person. If I had known, I would have stopped you from being with Xiao Yu no matter what. Otherwise, he wouldn't have been hurt like this."

Xu Wei couldn't help but ask, "Qin Shu, Tingyu treated you so well. Why did you lie to him like this? Play with his feelings? Only by making him bruised black and blue would you be willing, right?"

Because she was worried that Fu Tingyu was biased towards Qin Shu, she didn't say anything unpleasant, afraid that Fu Tingyu would think that she was a particularly bad woman.

Qin Shu looked at Xu Wei, who was fanning the flames, and her eyes were a little cold. "I didn't play with his feelings, so how could I play with his feelings? On the other hand, why are you always so concerned about the feelings between Tingyu and me? Do you want a third party to interfere?"

Xu Wei's face turned pale, and she retorted, "Ting Yu and I are classmates, and I like Grandma very much. Of course, I don't want them to be deceived by a woman like you."

The Old Madam was also so angry that her face turned pale. She shouted sternly, "Qin Shu, you dare to say that you didn't play with Xiao Yu's feelings? Then what about the child you secretly aborted? Whose child is that?"

Qin Shu was startled again. Could it be that the Old Madam thought that the child that was aborted was not Fu Tingyu's but someone else's?

The man's gaze just now..

She hurriedly looked at the man beside her. The man was still looking at her, waiting for her answer.

But what should she say about this matter?

To say that a child had been aborted was actually Fu Tingyu's.

The man would definitely have wild thoughts again, thinking that she didn't want his child.

They would definitely ask why she secretly aborted it since it was Fu Tingyu's child?

If she wanted to prove her innocence, she would have to tell them about going up the mountain to look for the medicine.

After the man found out the truth, he would definitely be very sad, blame himself, and feel guilty.

Perhaps it was because he had waited for a long time, plus the child in Qin Shu's stomach might not be from the Fu family.

The Old Madam saw Qin Shu looking at her grandson with an aggrieved expression and felt even angrier. "Why are you looking at Xiao Yu? After doing such a thing yourself, you still want Xiao Yu to continue protecting you? How badly do you want to hurt him before you're willing to let go?"

Qin Shu could not care less about the Old Madam at the moment. She looked at the man and felt his gaze turning cold bit by bit. When her hand touched the man's big hand, she realized that his hand was cold and his knuckles were tightly clenched together.

The man's hand was tightly clenched. She tried to push the man's hand away. At first, her muscles were tense, but later, they slowly loosened. It was just like the man's heart at the moment. He was always nervous and scared at the same time.

She held the man's hand and stared into his dark eyes. She said one sentence after another, "Believe me, I didn't do anything wrong to you. From the beginning to the end, I only have you."

No one present was more nervous than Fu Tingyu. They all thought that all of this was the truth.

But he was the only one who hoped that all of this was fake. He was just fabricating so-called evidence to deceive him.

However, when he heard the girl's words, the man stared at her for a long time and nodded. "I believe you."

Qin Shu was stunned. Then, the corners of her mouth curled up again.

She thought that the man would not believe her so easily. She did not expect him to believe her.

When everyone did not believe her and questioned her, the man believed her.

The joy of being believed made her ignore all the gossip.

As soon as the man finished speaking, Xu Wei's expression changed again and again. She looked at Fu Tingyu in disbelief. The evidence was already so clear, and she believed it just because of Qin Shu's words?

She took a look at the Old Madam and realized that the Old Madam was also so angry that her face turned green. So, she held back and waited for the Old Madam to speak.

As she expected, the Old Madam saw that he believed Qin Shu so much, she immediately flew into a rage.

"Xiao Yu, how can you ignore this evidence just because of her words? If you think that these photos and audio recordings are fake, you can find a professional technician to take a look."

Fu Tingyu held the girl's hand tightly and stood up. Qin Shu stood up as well. He looked at the Old Madam. "Grandma, I've said it before. I only trust her."

The Old Madam seemed to be a little agitated. She suddenly stood up and was no longer as amiable as before. "You have to find out what happened today. I don't want to accuse anyone wrongly, but the Fu family is not a place that anyone can lie to!"

The Old Madam was afraid that her grandson would side with Qin Shu again, she continued, "Since the matter has already been revealed, are you going to let the rumors fly around without stopping them? This is not only bad for the Fu family's reputation, but it's also not a good thing for her. You also don't want others to point fingers at her behind her back, right?"

Chapter 698: Gu Yan Sided With Qin Shu

Fu Tingyu pursed his lips as he listened, but the strength in his hands did not decrease at all, it was as if he was trying his best to hold onto her, afraid that if he was not careful, she would disappear.

Qin Shu only felt that her hand was tightly held by the man, facing the old Madam's questioning, it was indeed very difficult for the man to be caught in the middle.

However, if this matter was to be clarified, then everything related to it would have to make clear.

She really couldn't bear to let the man face the pain of losing a child, as well as guilt and remorse.

Thinking of the old Madam's words, what were those photos and audio recordings about?

She looked at the coffee table and found a stack of photos and a mini recorder/player on it.

She bent down to pick up the stack of photos on the coffee table, as one hand was held by the man, she could only pick them with one hand.

When she saw the photos on it, she was stunned for a few seconds.

These were all photos of her when she went to the hospital, when she thought of Xu Wei's look as if she was watching a show, she must have found them.

Xu Wei glanced at Fu Tingyu and Qin Shu's tightly clasped hands, she was so angry that she almost vomited blood.

Why was Fu Tingyu still protecting Qin Shu at this moment?

When she saw Qin Shu picked up the photos and looked at them, she raised her voice. "You saw these photos yourself, do you still want to deny that these are fake? Faked?"

The old Madam said, "Xu Wei is right, after seeing these photos, you still want to continue saying that you haven't done anything wrong to Xiao Yu? That you haven't been unfaithful to him?"

At this time, Fu Tingyu turned to look at her. "Tell them that these photos are fake."

Qin Shu clenched the photos in her hands and looked up at the man, if she said these photos were fake, wasn't that the same as lying to him again?

Xu Wei was afraid that Qin Shu would try to convince Fu Tingyu and she would deny it, so she said, "Qin Shu, the doctor who performed the surgery on you is my classmate's aunt, she personally performed the surgery on you, if you still want to deny it, I can let her confront you face to face."

When she mentioned the doctor who performed the surgery on her, Qin Shu thought that she was a nice person, she just didn't expect that it would be such a coincidence that she was the aunt of Xu Wei's classmate.

Since Xu Wei dared to say that, she must be confident that she could get that doctor to come to Jiangcheng.

If she confronted her face to face, she would undoubtedly be asking for trouble.

When Xu Wei saw Qin Shu's reaction, she knew that she had a guilty conscience, she felt proud in her heart. "You don't dare to do it, right?"

Qin Shu raised her eyes and glanced at Xu Wei, the man's deep voice rang in her ear. "Babe, just tell me that these photos are fake, don't worry about the rest."

Qin Shu looked up at him, his dark eyes filled with anticipation.

The more the man trusted her, the more she couldn't lie and say that the photos were fake.

As time passed, the girl remained silent for a long time, the Man's dark eyes gradually dimmed, like the winter night, cold to the bone.

After a moment of silence, the man said, "Babe, why aren't you saying anything?"

The Man's voice was a little low, and there was an almost imperceptible tremor in it.

"... I..." Qin Shu opened her mouth, but she couldn't say anything.

The old Madam saw that he was still stubborn, she tried to persuade him, "Xiao Yu, what else do you want to hear from her? The truth is right in front of your eyes, you can tell from her reaction that she's too guilty to say anything."

Xu Wei could not help but try to persuade him, "Tingyu, she's been lying to you all along, even if she did say anything, she's still lying to you."

The man glanced at Xu Wei and said in a cold voice, "Shut up, did I ask you to speak?"

Xu Wei was stunned by his cold gaze, she was so scared that her body trembled and her legs went weak.

No one could withstand Fu Tingyu's anger.

The old Madam was stunned, looking at Xiao Yu's angry face, he looked very much like her son Beichen.

At this moment, Gu Yan finally arrived.

As soon as he walked into the living room and saw the confrontation, he felt that the atmosphere was not right, his anxious footsteps could not help but slow down a little.

"What's Wrong?"

Gu Yan stopped in front of the four people, he kept feeling that something big had happened.

The old Madam saw Gu Yan coming and said, "You and Xiao Yu grew up together, please help me persuade him to stop being so stubborn."

Gu Yan looked at the old Madam and asked curiously, "What's wrong, grandma Fu?"

The old Madam said in a hurry, "Qin Shu did something against common sense and was unfaithful, but Xiao Yu still protected her, please hurry up and persuade him."

Gu Yan was stunned at first, then he looked at Qin Shu. "Grandma Fu, I don't understand, what did Qin Shu do to make you think that she did something against common sense?"

"When she was in the capital, she went to the hospital to abort a child, and she did it secretly behind Xiao Yu's back, don't you think she was unfaithful?" The old Madam said.

Gu Yan was stunned, then he looked at Qin Shu.

Qin Shu saw Gu Yan came and turned to look, she saw his puzzled expression.

Gu Yan retracted his gaze and retorted, "Grandma Fu, Qin Shu would never do such a thing, you must be mistaken."

Gu Yan said it with great certainty.

The old Madam pointed at the photos in Qin Shu's hand and the audio recording on the coffee table.

"Am I the kind of person who would slander someone without evidence? There's evidence here, if you don't believe me, look at it yourself, please try to persuade Xiao Yu to stop being so stubborn."

Gu Yan looked at Qin Shu and found that she was indeed holding the photos in her hand, he walked over and reached out his hand to take the photos out of her hand and brought them closer.

When he saw the photos, Gu Yan was stunned, he looked up at Qin Shu and then lowered his head to continue looking at them, although the background in the photo was not familiar, he still knew that this was the gynecology department of the hospital where he had taken Qin Shu for surgery.

When he flipped to the last photo, he could not be more familiar with the back view and the clothes.

Even his figure was on it.

He suddenly remembered that Fu Tingyu asked him to identify the photos, could it be this photo?

Fu Tingyu recognized him?

The reason why Qin Shu did not stop Gu Yan was that he knew about this and there was no need to stop him.

She was worried that the consequences of saying it out loud would not be what she wanted.

Fu Tingyu looked at Gu Yan and did not let go of the change in his expression, he looked at the photo in Gu Yan's hand, it was the photo that confused him.

He asked, "Is that you?"

Gu Yan held the photo in his hand and looked at Fu Tingyu, he did not know if he should admit it or not.

"What do you mean, is that Gu Yan?"

The old Madam looked at Qin Shu, she really could not tolerate such a woman to stay by her grandson's side, she looked at Gu Yan and asked, "Gu Yan, can you check if the child in her stomach now is related to Xiao Yu?"

Gu Yan turned to look at the old Madam and said with certainty, "Grandma Fu, I can guarantee that the child in her belly is related to Yu, I can also guarantee that she hasn't done anything unfaithful."

"Gu Yan, why are you speaking up for her?" The old Madam was angry and helpless. "Do you think that I hope these things are true? But the truth is right in front of me, I can't tolerate such a woman to continue staying by Xiao Yu's side."

Chapter 699: The Truth Was Reversed

Gu Yan felt sorry for Qin Shu when he saw how much the old Madam hated her, however, Qin Shu didn't want Fu Tingyu to know about this.

“Grandma Fu, please trust me this time, I guarantee that Qin Shu didn’t do anything to let Yu Down, you shouldn’t talk about her like this.”

The old Madam frowned when she saw Gu Yan speaking up for Qin Shu, she had never seen Gu Yan speak up for her before, what was going on today?

Xu Wei was also puzzled. “Gu Yan, why don’t you listen to the audio recording again? These are all real, they’re not made up.”

Gu Yan glanced at Xu Wei and did not listen to the audio, instead, he said, “I believe in Qin Shu’s character.”

Xu Wei’s face turned green with anger, she could not help but say, “Gu Yan, you’re Tingyu’s friend, you don’t want him to be cuckolded, right? So don’t be fooled by her appearance, some people may look innocent on the surface, but you don’t know what they actually are behind your backs.”

Gu Yan’s face turned cold. “Can Miss Xu speak properly? You’re from a wealthy family, after all, I don’t need to tell you that you should be careful with your words and actions, right? I know better than you what kind of person Qin Shu is, that’s why I can guarantee that she’s not that kind of person.”

Xu Wei’s face alternated between green and white, she spoke with some grievance, “Grandma is so good to me, and I’m classmates with Tingyu, I just don’t want Tingyu and Grandma to be deceived.”

The old Madam saw that Xu Wei was aggrieved, so she said, “Gu Yan, how can you say that about Xu Wei? She did it for us, if it were anyone else, she wouldn’t be bothered.”

Qin Shu watched Gu Yan defend her and was very grateful to him in her heart.

She glanced at Xu Wei, who had been sowing discord, she did this as she wanted to drive her away from Fu Tingyu so that she could take the place.

Fu Tingyu had been watching Gu Yan defending the girl, he thought of the photo and the girl’s silence.

He pondered for a moment. “Gu Yan, the man in the photo is you, right? You know about this too.”

Gu Yan’s body froze, Fu Tingyu rarely called him by his full name, he usually called him by his first name.

This time, with his full name, his tone was so serious, he knew that the consequences were serious.

“... I...” He couldn’t deny it as he had a feeling that Fu Tingyu might have guessed something.

After the old Madam heard it, she suddenly remembered the figure in the photo, she was a little surprised. “Gu Yan, the person in the photo is you? No wonder I looked a little familiar, I thought my eyes were playing tricks on me, since you were there, you’ll know if Qin Shu did this or not.”

Gu Yan glanced at the old Madam and didn’t know how to answer, he was at the scene, he saw Qin Shu walk in energetically, when she came out, she even had to walk with support from the wall.

He was a doctor, he knew better than anyone that this surgery was very harmful to the body.

Qin Shu had done so much for Fu Tingyu, and she was framed, he wanted to seek justice for her.

Gu Yan’s reaction let Fu Tingyu know that what happened this time was very likely true.

What Gu Yan was defending was probably because he knew the truth, that was why he was so determined to defend it.

Why didn't he tell the truth?

Fu Tingyu's eyes suddenly turned dark, he looked at the girl and said slowly, "I believe that you are with me from the beginning to the end, but why did you give up on that child? Is it because you don't want it?"

Fu Tingyu asked this as he had come to a conclusion from the cause of the incident, Qin Shu's reaction, and Gu Yan's reaction.

Other than this, he could not think of any other reason for getting rid of the child.

Gu Yan quickly said, "It's not what you think..."

Before Gu Yan could finish his words, Fu Tingyu interrupted him coldly, "I asked her, did I ask you to speak?"

Gu Yan was stunned.

"I haven't asked you why did you help her with this surgery without telling me? Don't you know how long I've been looking forward to this child?"

Fu Tingyu let out a low growl with suppressed anger at the last sentence.

Gu Yan was in the wrong. "Of course I know."

Fu Tingyu retracted his gaze and looked at the person in front of him, he recalled the time when she had secretly taken the birth control pill, the man's eyes were red. "I thought you were ruthless enough by taking birth control pills. I didn't expect you to be able to do this to a small life, are you even capable of..."

The man lowered his eyes and looked at the girl's lower abdomen, his heart was aching.

"... No, how could I bear to hurt the child that belongs to us?" Qin Shu stretched out her arms to hug the man, the moment she thought of the child that was aborted, her heart ached.

It was a tiny life, if she didn't have to, how could she bear to give it up?

Gu Yan really couldn't stand it anymore, he walked up to Fu Tingyu. "You're right, I was there with her, but do you know how you got the antidote?"

Fu Tingyu raised his head to look at Gu Yan. There was confusion in his voice. "You didn't find it?"

"How could it be that easy?" Gu Yan glanced at Qin Shu. "Qin Shu went into the mountain to look for it a few days in advance, at that time, she didn't even know that she was pregnant, when she was looking for the herbs, she was bitten by a poisonous snake and rolled down the mountain."

Fu Tingyu's body trembled, he looked at Gu Yan in disbelief and then looked at the person in his arms.

He had never known that the girl had suffered so many injuries in order to find herbs for him.

He suddenly remembered that in Qi Hua, Hua Wuyan had said that Han Xiao had accompanied her up the mountain, so she was looking for herbs?

And a few days before that, the girl had been unwilling to return to Jiangcheng with him. It was also because she wanted to go into the mountains to look for herbs, so she had said that she would return later?

“If it wasn’t for the snake venom still lingering, do you think she didn’t want to keep the child? Do you know how pale she looked when she came out of the operating theatre? She couldn’t even walk steadily?” Gu Yan couldn’t help but raised his voice.

Fu Tingyu raised his head to look at Gu Yan, his voice trembling. “So many things have happened, why didn’t you tell me?”

Gu Yan said, “She didn’t want you to worry, and she didn’t want you to know that the child you had been waiting for was gone again, she was also afraid that you would be sad, and even more afraid that you would blame yourself for the lost child.”

As soon as Gu Yan finished speaking, the living room fell silent.

The plot had reversed too quickly, and the truth was too unexpected, everyone present was shocked.

The old Madam was shocked as she didn’t expect the truth to turn out like this, she didn’t even know that her grandson was poisoned.

She looked at Qin Shu, due to the evidence previously, she suspected that she was having an affair with another man, which was why she aborted the child behind Xiao Yu’s back.

However, what she did not expect was that the child was not only Xiao Yu’s, it was lost because of Xiao Yu.

She had lived for a long time, what had she not seen?

However, she did not expect to make such a mistake again.

Qin Shu had suffered so much for Xiao Yu, so much pain, but she was wronged and framed?

Chapter 700: No One Could Bear The Man’s Anger

No one would be able to bear such grievances.

Thinking of what she had just said, the old Madam took two steps back as if she had lost all her strength and sat back on the sofa.

Then she looked at Qin Shu, her thin figure and pale face made the old Madam blame herself.

What did she do just now?

The truth was reversed, Xu Wei was stunned, her face turned from white to green, from green to gray, and it was very ugly.

She spent a lot of effort and money to make such a scene to expose what Qin Shu did so that Fu Tingyu would hate her and leave her.

She didn't expect that she did not succeed, instead, now everyone knew she had suffered so much for Fu Tingyu, and it also increased her favorability in the old Madam's heart to another level.

Seeing Fu Tingyu's pained and self-reproachful expression, she knew that Fu Tingyu would only love her even more, not to mention leaving.

What did it mean by go out for wool and come home shorn? That's what Xu Wei did.

At this moment, Fu Tingyu was the one who felt the saddest, grieved, and self-reproached.

He thought that she didn't want their child had already made his heart extremely ache.

The truth made him hurt so much more, not only just guilt and self-reproach.

He looked at the person in his arms, to begin with, the girl's figure had been very slim. Coupled with the pregnancy reaction, she had lost a lot of weight.

He thought about how the girl had suffered not only pain for him, but also gossip.

His slender fingers caressed the girl's smooth black hair. "Babe, it's my fault, I've made you suffer so much for me, and so many grievances." The Man's voice was a little hoarse.

Qin Shu had been hugging the man this whole time, the moment Gu Yan spoke out, she had expected that the man would blame himself.

Gu Yan noticed that Qin Shu didn't look well, it must have been due to what had happened, he quickly reminded Fu Tingyu, "She doesn't look well, let's not talk about this right now."

Hearing that, Fu Tingyu's heart tightened, he picked her up horizontally and walked straight out.

Gu Yan followed quickly.

Seeing this, the old Madam's face turned pale with fear, what if something happened to Qin Shu and if the baby had some issue due to this incident...

The old Madam didn't dare to think further, she glanced at Xu Wei, who was sitting by the side, and felt angry.

"You didn't investigate clearly and came here to talk nonsense, if anything happened to Qin Shu and the baby, I will not forgive you."

"Grandma, I didn't know it would be like this, when I saw those photos, I thought Qin Shu did something shameful and that's why she was sneaking around, if I knew it would be like this, I wouldn't have thought otherwise."

Xu Wei cried as she spoke, her voice sounded extremely aggrieved. "Grandma, Qin Shu treated Tingyu badly in the past, and with the evidence, I can't help but think this way, If I wasn't worried that grandma and Tingyu would be deceived by her, I wouldn't be in such a hurry to tell you."

The old Madam looked at Xu Wei who was crying extremely aggrieved, although she was angry, she couldn't bear it.

Thinking of Qin Shu's pale face just now, she couldn't bother about Xu Wei, she hurriedly stood up and chased after them.

After everyone left, Xu Wei was the only one left in the living room.

Her eyes were filled with tears and she looked extremely aggrieved and pitiful, however, in her heart, she was gnashing her teeth with hatred, she was not happy to accept this outcome.

Seeing how Fu Tingyu trusted and doted on Qin Shu, she couldn't bear it.

Xu Wei had come to the Fu family's old mansion full of anticipation, when she left, she was in a sorry state and was full of anger.

However, Xu Wei did not know that due to this incident, the Xu family would suffer a disastrous blow.

In the room

After Gu Yan checked Qin Shu's pulses, the man coaxed her to sleep.

Qin Shu had the habit of taking an afternoon nap every day, coupled with the bad experience just now, she had used much effort.

Therefore, the man didn't take long to coax her to fall asleep.

The old Madam had been standing outside the door, waiting anxiously, when she saw Gu Yan come out, she asked, "How is Xiao Shu?"

Hearing the old Madam's words, Gu Yan gently closed the door.

Only then did he turn to look at the old Madam. "Grandma Fu, Qin Shu was being agitated before the New Year and fell into a coma for two days, this time, she must have been agitated as well, she can't withstand all this in the early stages of pregnancy."

Actually, Qin Shu wasn't agitated, just that she was under too much mental pressure, in addition to her worries and other reasons, she was already lethargic during pregnancy, so she fell asleep.

"Grandma Fu might not know, when we were in Mianxia, Qin Shu was hurt when she tried to save Yu, she was in a coma for five to six days, she did a lot for Yu, but she didn't say it out loud, I happened to meet her when I went up the mountain to pick herbs, otherwise, no one would have known about it."

The old madam heard that Qin Shu was agitated and that she had done so much for her grandson, her heart ached and she blamed herself.

"It's my fault, I put Qin Shu in such a difficult position for Xiao Yu, without fully understand the reasons, Xiao Shu did so many things, and I didn't even know about it, I even said bad things about her."

Gu Yan said, "Grandma Fu was considering for Yu, if Xu Wei hadn't taken the so-called evidence and said something to mislead you, you wouldn't have thought so."

"Xu Wei's original intention was she couldn't bear to see Xiao Yu and I being deceived, so she came to tell me with the evidence." The old Madam sighed.

Gu Yan frowned, "Xu Wei liked Yu when she was in junior high, grandma Fu did mention the marriage alliance back then, I don't know if she was worried that you were deceived, but I think she just wanted to defame Qin Shu."

The old Madam was startled.

Gu Yan said, "Qin Shu was already asleep, if the old Madam wants to see her, it's better to wait a little later."

The old Madam glanced at the tightly shut door and was a little worried, but it was not good to stand outside the door and wait.

Fu Tingyu stood by the bed for a long time, looking at the girl's sleeping face, he also thought a lot.

After going through everything that had happened during that period in his mind, he found that everything fits.

He sat at the head of the bed for a while more before he stood up and walked out.

Shi Yan had been waiting outside the room the entire time.

Fu Tingyu stood on the porch, his gaze was cold as he ordered, "Go investigate the Xu family."

When Mr Fu said 'investigate', Shi Yan understood the meaning behind it.

The hidden message was to destroy the Xu family.

"Understood, Mr Fu."

Shi Yan accepted the order and turned to leave.

When Qin Shu woke up, it was already four o'clock in the afternoon, she had slept for quite a long time.

When she opened her eyes, she saw that the man sitting by the bed was staring at her without blinking.

When the girl woke up, the man asked, "You're awake, are you hungry? I'll get someone to bring the porridge over."

Qin Shu had eaten something in the afternoon and she was already hungry, so she nodded. "Okay."

The man stood up and walked out.

After a while, he came in with a bowl of red bean and barley porridge.

Qin Shu had already sat up and leaned on the headboard, when the man walked over, she reached out to take the bowl, the bowl was still steaming.

She looked at the man, his face was calm, but his eyes were very gentle.
