

All-Mighty Girl Gets Spoiled by A Bigshot

Chapter 18: Challenge

Qin Sheng entered the villa. When the three people in the living room saw her, they immediately quieted down.

“You’re back,” Qin Hai said indifferently.

Lin Shuya turned her head and didn’t even look at Qin Sheng. Her dislike for her was obvious.

Qin Churou also reacted. Her face was full of surprise. “Sister, it’s so late. Why did you come back now? Where did you go? I was so worried. You just came to H City and are unfamiliar with the place. I was so afraid that you would get lost.”

Qin Sheng stopped in her tracks. She sneered, her eyes filled with endless mockery. “If I got lost, who caused it?”

Qin Sheng’s eyes were very clear, but Qin Churou could not see clearly what was hidden in her eyes. All the dark thoughts in her heart seemed to have been seen by Qin Sheng.

Qin Churou pinched the hem of her clothes. She was worried that Qin Sheng would say something, so she decided to strike first. “Sister, I thought something happened to you. I didn’t find you. I wanted to tell Mom and Dad, so I let the car come back first.”

Qin Sheng’s gaze was very mocking. Qin Churou was like this. She was used to pushing all the blame onto her. She was always soft and weak, winning the sympathy of others.

Qin Churou’s words were just a lie to Qin Hai and Lin Shuya.

In her previous life, the Qin family’s private car had always only picked up Qin Churou. She could only walk or take the subway bus back.

Qin Sheng did not expose Qin Churou’s lie. She averted her gaze and walked upstairs.

She did not want to spend a single moment with these hypocritical people.

“Sheng’er, Dad has been very busy recently. We won’t be holding the banquet to announce you. It’s good that Dad and Mom know that you are our daughter. You are

also a sensible child. You shouldn't care about these superficial things," Qin Hai suddenly said.

His words were dignified, but he didn't want to waste time on her. He was even more worried that others would know that Qin Sheng was their daughter.

"Whatever," Qin Sheng replied indifferently and went upstairs.

Her eyes were a little red. Although she had told herself over and over that she shouldn't care about these so-called family ties, she couldn't help but feel sour.

A biological daughter was far inferior to an outsider. She was also the daughter of a person who had deliberately swapped their biological flesh and blood, causing them to be separated for more than ten years,

No matter how much she tried to please them, she would never have a daughter like Qin Churou in their eyes.

She, Qin Sheng, was a dispensable existence in the Qin family.

Qin Sheng sat in front of the table and adjusted her emotions. She turned on the computer and logged into Black Emperor.

Her previous provocation had been effective. Her posts had already been blocked for dozens of floors. Everyone was mocking her for overestimating herself. There were not many, but it was enough.

The moment Qin Sheng's ID appeared, some hackers noticed it and issued a challenge to her.

One by one, the challenge posts popped up.

[Hacker 001 issued a challenge to QS.]

[Thousand-Faced Man issued a challenge to QS.]

[I'm Little Blackie issued a challenge to QS.]

" ... "

Qin Sheng narrowed her eyes and casually clicked 'agree'.

The target of their attack this time was a virtual system. They needed to break through three lines of defense.

This time, the other party did not put Qin Sheng in their eyes, so they chose a simple target to end it as soon as possible. They did not want to waste too much time on an arrogant person.

Qin Sheng typed on the keyboard very slowly, and her expression was very relaxed.

A small window appeared on her computer.. It was the page on the opponent's computer.
