

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 120-124

Chapter 120 One Kiss and It Will No Longer Hurt

The next day, Lin Fan woke up and signed in as usual.

“I don’t believe that I can’t sign in and receive something good this time.” Lin Fan sat up. He was a little serious this time.

The function of this system was too ridiculous. It had been upgraded to 2.0. If he did not complete the system’s mission, he would not be able to get anything good.

This mission system was also very ridiculous. How could it be so easy to woo Xia Wanqiu?

Chasing girls had to be done step by step, and he couldn’t rush it.

Until the right time, even if he managed to woo her, it would be difficult for them to continue together.

“Ding... Signed in successfully.”

“Congratulations to master for obtaining a Tomson Riviera villa model!” The system’s voice sounded.

Thus, on Lin Fan’s bed, a very small model of a Tomson Riviera villa appeared.

Lin Fan looked at the villa model on the bed and felt that his life was a little loveless.

What happened to the Tomson Riviera villa? The duck that was about to be eaten had flown away just like that...

That detestable system! Lin Fan decided that he would never believe in this system ever again.

If he wanted to rely on the system to get rich, he would have to wait patiently.

Lin Fan could probably sell iced tea and coke, as well as the villa model.

Would he be able to sign a model for a Ferrari sports car next time?

It looked like he had to rely on himself to earn money.

With this lousy system, Lin Fan felt that he would only get poorer and poorer in his entire life.

Lin Fan was furious. If he hadn’t signed in and gotten such a villa model, he wouldn’t have said that it was a lousy system.

One had to know that Tomson Riviera villas were all worth tens of millions or even hundreds of millions.

This is like telling you that someone gave you 100 million in... Zimbabwean dollars.

[1 yuan = 8.6 billion Zimbabwean dollars]

Lin Fan was a little helpless. The system was still quite reliable during Version 1.0. Now that it had been upgraded to Version 2.0, it was a little unreliable.

However, this didn't affect Lin Fan's current life.

He was a chef, a screenwriting master, had top musical talent, and was also a director. He also knew how to act...

The current Lin Fan could still earn a lot of money even without the system.

However, if he completed the mission to woo Xia Wanqiu, Lin Fan didn't know what good things he could get. Perhaps, as long as he completed a mission, the things he could get would be far more than these ordinary luxury cars and villas.

When Lin Fan completed his first mission, he received seven floors of the technology building worth over three billion dollars. This allowed Lin Fan to escape from his poor life. Before he upgraded the system, Lin Fan only had two million dollars in his bank account. He was indeed very poor.

Now that he had more than 80 million, the second system mission was more difficult to complete.

It was Sunday, and the company was on break.

Lin Fan was at home. He worked every day and occasionally slept and played games.

The current Lin Fan's life was still very relaxed.

After writing scripts, Lin Fan switched on his computer and played League of Legends. He immediately snatched Yasuo and ended the game 0-8.

The joy of life was that simple.

Lin Fan played some games and felt that it was boring so he went to sleep.

In the evening, Lin Fan and Lin Yushi were watching television together.

They were watching Joy of Life, which was airing that day.

Lin Yushi looked on and leaned on Lin Fan's shoulder.

Lin Fan wanted to move but he gave up. After all, she was his sister.

It wasn't a big deal for his own sister to lean on his shoulder.

At this moment, there was a knock on the door.

Two girls walked in.

Since Xia Wanqiu often came here, the security system would let her in.

Needless to say, the security guards at the entrance of Blue Wave Bay were even more envious.

They knew that Xia Wanqiu and Su Xiaoyu often came to look for Lin Fan, but so what?

In their eyes, Lin Fan was their idol. They were already used to such things.

Of course, it was Lin Fan's privacy that the celebrities came to look for him. The security guards wouldn't leak this information.

Xia Wanqiu and Su Xiaoyu were both at Lin Fan's house.

Xia Wanqiu was about to give Lin Fan a surprise. She was carrying a cute kitten in her arms. It was the kitten raised in Lin Fan's villa. Its name was Qiuqiu. Qiuqiu rubbed against Xia Wanqiu's chest again, and Xia Wanqiu patted the kitten's head gently.

When Xia Wanqiu pushed open the door, she saw Lin Fan and Lin Yushi together.

Lin Yushi was leaning on Lin Fan's shoulder, looking like she was immersed in a drama.

When she saw this scene, Xia Wanqiu's expression changed.

Her eyes were a little red. She didn't know Lin Yushi. She thought that Lin Fan had taken advantage of her absence to hang out with other girls.

Just as Xia Wanqiu was about to say something, Su Xiaoyu spoke first.

"Master, we're all here, why are you watching television?" Su Xiaoyu stuck out her tongue. Her thoughts were different from Xia Wanqiu's.

Xia Wanqiu's first reaction was jealousy, and Su Xiaoyu's first reaction was to call Lin Fan over.

Su Xiaoyu was so smart. If Xia Wanqiu left without a word, their relationship might break down.

If she called out to Lin Fan first, if there was a misunderstanding in this matter, Lin Fan would be able to react and quickly explain.

After all, this world emphasized on monogamy. Adultery was not something couples were used to.

When Lin Fan heard Su Xiaoyu's voice, he immediately turned around.

His back felt cold.

Just now, Lin Yushi was leaning on his shoulder.

Lin Fan could feel that if he didn't explain himself quickly, the cat would really get angry.

Lin Fan and Xia Wanqiu looked at each other. With just one look, Lin Fan knew that Xia Wanqiu was already angry. It was a very serious kind of anger that couldn't be coaxed.

Lin Fan's desire to live immediately exploded. He ran over and took the initiative to hold Xia Wanqiu's hand. "Wanqiu, she's my biological sister. She's in her second year of university and came to stay here during the summer break. Her name is Lin Yushi and she's your fan."

Xia Wanqiu raised her beautiful eyes. Before she could react, Lin Fan held her hand. After Lin Fan's explanation, how could Xia Wanqiu be angry?

"Trash, I'm not angry. Why are you explaining to me?" Xia Wanqiu said softly. Lin Fan was holding her hand and she couldn't break free for a moment.

"I know you're not angry, but I have to explain clearly that I'm innocent," Lin Fan smiled and said seriously. Of course, he had to give Xia Wanqiu a way out.

"I know, I know. You're innocent." Xia Wanqiu looked at Lin Fan's strong desire to live and laughed.

"Then can you let go of my hand now? You bully me every time you see me. Stupid Lin Fan, I really don't want to talk to you anymore." Xia Wanqiu pouted. Her wrist was a little red.

Lin Fan was anxious just now and was afraid that Xia Wanqiu would really misunderstand. When people were anxious, they wouldn't be so calm.

"I'm sorry, I didn't hurt you, right?" Lin Fan looked at Xia Wanqiu's red wrist and felt his heart ache.

"It hurts ~ ~" Xia Wanqiu felt even more aggrieved.

"Hit me," said Lin Fan.

"Meow, meow – I'm not a violent person."

"But my wrist still hurts... If you kiss it, it won't hurt anymore." Xia Wanqiu looked at Lin Fan's expression and couldn't help but smile sweetly. She couldn't keep stopping Lin Fan from taking advantage of her. Otherwise, what if this idiot Lin Fan really got together with someone else?

Listening to Xia Wanqiu's words, Lin Fan felt his mind go blank.

Would it not hurt after a kiss?

How could he resist this?

Lin Fan immediately hugged Xia Wanqiu and held her slender waist, kissing her red lips.

“Mmm...” Xia Wangiu’s face was flushed red. Lin Fan’s sudden kiss had taken over everything in her body. Her entire body felt like lightning had just coursed through it as her mind went blank.

She was a little angry.

This idiot, Lin Fan, kissed the wrong place!

Chapter 121 My Wife Is Too Beautiful, What Should I Do!

Su Xiaoyu and Lin Yushi were stunned.

Lin Fan was way too domineering.

He kissed Xia Wanqiu forcefully.

Xia Wanqiu was a superstar, a girl that many people liked. The number of her fans added up to more than 90 million, close to 100 million.

Many male celebrities wanted to collaborate with Xia Wanqiu in a television drama. It would be even better if they could film a kissing scene with Xia Wanqiu.

However, all these years, Xia Wanqiu had only acted in a relationship scene once. It was in Joy of Life with Lin Fan.

In this drama, Xia Wanqiu’s first kiss on the screen and her personal first kiss were all given to Lin Fan.

After all, that was acting. No matter how many fans saw it, they wouldn’t say anything. But what was happening now was reality... Lin Fan forcefully kissed Xia Wanqiu...

If news of this got out, countless fans would go crazy.

By then, the number of people who would come for Lin Fan would be over a hundred million!

Lin Fan pushed their most beloved goddess to the door and kissed her red lips.

“Stupid Lin Fan, scumbag. All you know is to bully others. I’m really not talking to you anymore!” Xia Wanqiu pouted. She was just about to walk out when Lin Fan held her hand. “Hmph, what are you doing? I’m not going to your house. I want to go home.” Xia Wanqiu’s face was red. She wanted to have a big meal at Lin Fan’s house but first, she saw Lin Yushi leaning on Lin Fan’s shoulder and then Lin Fan kissed her.

“Does your hand still hurt?” Lin Fan asked as he carefully looked at Xia Wanqiu’s wrist that was still red.

“It hurts.”

“You idiot, you kissed the wrong place. Do it again,” Xia Wanqiu said pitifully. Su Xiaoyu’s eyes widened. Sister Wanqiu was the goddess in the hearts of many people. What kind of words were these? She actually wanted Lin Fan to do it again.

She was a dog to begin with and was still a single dog now. But Lin Fan and Xia Wanqiu were showing off their love to the dog together.

She was already a dog, yet she still had to keep eating dog food. Su Xiaoyu felt like she had become a blank background

Finally, she understood how Xu Yang felt.

The two of them were showing off their love, not caring if there was anyone else around.

Lin Fan and Xia Wanqiu weren’t really together yet. If they were together and publicly showed off their love on the streets, many media and paparazzi would definitely take photos of them and spread it online.

When the time came for the official announcement, no one would criticize Lin Fan and Xia Wanqiu. However, the dog food that they displayed was enough to fill the fans online with dog food.

Looking at Xia Wanqiu’s pitiful and aggrieved expression, her hand was still held by Lin Fan. Lin Fan’s heart warmed. It wasn’t that he couldn’t stand it. The key was that Xia Wanqiu’s appearance was too lethal.

Even if he could withstand it, Lin Fan didn’t want to.

The cat was right in front of him. Who could resist touching it?

Lin Fan gently held Xia Wanqiu’s hand and held her wrist in front of him.

Then, Lin Fan kissed her gently.

It was cold and warm, blissful and moist.

Kissing Xia Wangiu’s snow-white arm, Lin Fan felt like he was kissing a cute little angel. “Does it still hurt?” Lin Fan asked again.

“If it doesn’t hurt, I’ll kiss you a few more times,” Lin Fan smiled and held Xia Wanqiu’s other hand.

“Ahwooh! Ahwooh!”

“Master, Sister Wanqiu, if the two of you want to show off your love, don’t bully the dog. The dog is very cute. If you bully the dog again, the dog will bite you!” Su Xiaoyu said.

Looking at Su Xiaoyu acting like a cute little puppy, Lin Fan and Xia Wanqiu both smiled.

“Sir, there’s no need to kiss me. I forgive you.” Xia Wanqiu smiled sweetly. Her cheeks were slightly red and she was a little shy. She gently retracted her hand and bowed slightly to Lin Fan, just like a daughters of an ancient family.

That detestable woman! Lin Fan really could not take it anymore.

How could there be such a woman in the world?

With just a few sentences and a few expressions, it was difficult for Lin Fan, who had such strong willpower, to stand it. If it wasn’t for the fact that his sister and the dog were around, Lin Fan would have already punished Xia Wanqiu on the spot.

Five years was not a loss, three years was worth it!

If it was the old Lin Fan, he would indeed be like this.

The current Lin Fan had god-like acting skills.

“It’s okay as long as my dear wife doesn’t hurt anymore.” Lin Fan smiled.

Xia Wanqiu blushed and glared at Lin Fan.

Lin Fan had actually learned from her!

He even called her his wife. Since when was she Lin Fan’s wife?

Xia Wangiu would not admit defeat either. She immediately calmed down and smiled sweetly. The shyness on her face deepened. “It’s time for you to leave. Otherwise, Madam will be angry when she sees you.”

Lin Fan was stunned. Xia Wanqiu...

She even mentioned his wife. Xia Wanqiu, who had superb acting skills, acted as if she was secretly together with Lin Fan.

Lin Fan took a step forward and said seriously, “That’s good. If I can chase my wife away, you will be my wife from now on.”

Xia Wanqiu’s pretty face was slightly red. She turned her face to the side and lowered her head slightly. She said softly, “Hmm ~ Then tonight... don’t leave.”

It was over. Lin Fan could not take it anymore.

This was no longer a matter of acting. This was a physiological reaction.

Lin Fan and Xia Wanqiu were both good actors. The two of them didn’t rehearse their lines or wear ancient clothes. They completely relied on improvisation to act like this.

Xia Wanqiu didn't lose, but Lin Fan had already lost.

If this continued, a small tent would be erected.

If Xia Wanqiu saw this, wouldn't he be suppressed by her forever?

His family status could not be lost!

Lin Fan had to be on top. Xia Wanqiu could only be below him. Otherwise, his family status would be in chaos.

This seemed like an act, but in reality, it was a fight for family status. It determined who was above and who was below. At such a critical moment, Lin Fan decided to throw caution to the wind! In front of his wife, if he wanted to fight for family status, he had to be shameless.

"Wife, let's enter the bridal chamber now." Lin Fan smiled and held Xia Wanqiu's hand, wanting to walk into the room.

"Sure ~ ~" Xia Wanqiu's smile could topple cities, and the surrounding world seemed to freeze over.

However, her smile made Lin Fan feel a sense of lethality once again. Was this Xia Wanqiu's true appearance? She looked so pretty when she smiled.

F**k family status, wouldn't it be the same no matter who was on top or at the bottom?

Anyway, it didn't feel that much different.

Lin Fan shook his head helplessly. It seemed like it was too difficult to fight with Xia Wanqiu.

Xia Wanqiu's acting skills were very good, and she was also so pretty.

Even if he wanted to admit defeat, he had to do so with confidence. "Wife, I've lost," Lin Fan said. He looked at Xia Wanqiu and sighed. He had already taken out his final trump card and asked her to enter the bridal chamber. In the end, Xia Wanqiu resolved it perfectly with a smile.

His wife was too beautiful. What should he do? He was waiting online!

Chapter 122 Distributing So Much Dog Food that Dogs Were About To Be Full

Xia Wanqiu looked at Lin Fan with her beautiful eyes and her face was flushed red. "Meow meow – If you say that I'm your wife again, I'll bite you! Cats bite people fiercely!" Lin Fan shook his head and finally smiled, "Wife, looks like you've lost."

Xia Wanqiu stomped her feet. "I'm angry!"

Lin Fan held Xia Wanqiu's hand and kissed it again. He smiled gently and said, "It doesn't hurt anymore, right? I'll be careful in the future. I won't hurt you."

“So, it’s my fault,” said Lin Fan with a smile. It was fine to admit defeat in front of his wife. At most, the cat would be on top of him in the future.

When Xia Wanqiu saw Lin Fan’s expression, she smiled slightly. Her red lips gently touched Lin Fan’s cheek. “No, I was wrong. I shouldn’t have wronged you. Seeing that you performed well, I’ll give you a reward -“

Lin Fan felt as though his life had reached its

peak.

How could there be such a good cat in the world?

When couples quarreled, the boys would usually have to admit defeat and coax the girls before they could get back together.

After Lin Fan took the initiative to admit his mistake, Xia Wanqiu gave him a reward. She also took the initiative to admit her mistake.

Moreover, the girl in front of him was so sweet and warm.

She would occasionally flaunt her acting skills with Lin Fan, but she would always call Lin Fan “Official”.

The meaning of “Official” in ancient times was very simple. It meant husband.

A husband for a lifetime.

How could ordinary girls and guys competing in acting skills look so sweet?

If he remembered correctly, this was the first time Xia Wanqiu took the initiative to kiss him.

Lin Fan felt that his life had turned colorful.

It was too good to have a girl like the cat.

Previously, he had kissed her because they were filming. No one would misunderstand. It was an open kissing scene. Later on, he kissed her because Lin Fan had misunderstood Xia Wanqiu.

But Xia Wanqiu had never been really angry. Every time, she would be shy, pretend to be angry, and pretend to bite Lin Fan.

Now that he had apologized to her, she wasn’t like other girls. Instead, she gave Lin Fan a sweet kiss.

At this point, even if Lin Fan’s love EQ was 0, he could still confirm one thing.

The cat liked him!

Only in front of the guy she liked would the cat be like this.

If you don't believe me, you can go to the streets and find a pretty girl to kiss and see her reaction.

If you were handsome to the extreme, there might be a story between the two of you. If you were ugly, it might become an accident.

Of course, if she had a boyfriend, you would have to go to the hospital at least once.

Could one kiss a girl casually?

No, but Lin Fan could kiss the cat beside him whenever he wanted. Even though they weren't together yet, her first kiss, her first time holding hands, her first time taking the initiative to kiss someone, were all Lin Fan's.

The cat liked him as well.

When Lin Fan received this information, he finally let out a relieved smile.

From now on, Lin Fan was really at ease.

One day, he would woo her and pamper her. He would show off his love with her in the entertainment industry. They would wake up in the morning and eat breakfast together. At noon, he would gently hug her waist and cook lunch together.

In the evening, he would hold her hand and walk along the beach with her.

At night, he would take off her clothes and enter dreamland with her.

His future was so beautiful.

"Meow, meow?" Xia Wanqiu's snow white hands waved gently in front of Lin Fan as she smiled sweetly.

Looking at Lin Fan, she confirmed a fact.

Lin Fan had so many outstanding girls by his side. When he was in high school and university, there were the school belle and the class belle. Now, he even had beauties like Su Xiaoyu and Lin Jingjing around him.

But Lin Fan would always be different to her. Whenever she kissed him, he would be stunned.

So this blockhead, Lin Fan, liked her too.

Xia Wanqiu was so happy as well.

In her opinion, she was just an ordinary girl. Although she had the halo of a superstar, there were many other equally outstanding girls around her.

When Lin Fan looked at her, it would always be different from how he looked at others.

Lin Fan would seriously look at how she dressed and would even secretly take photos.

When she was wearing a short skirt and shorts, Lin Fan would always look at her snow-white legs a few more times.

As for other girls, Lin Fan never took a second look.

When an investor forced her to drink, he was the one who stood up to protect her. At that time, Lin Fan was simply too handsome.

His back view was deeply imprinted in Xia Wanqiu's mind.

Only he was unique.

He was enough.

"What do you want to eat? I'll make it for you." Lin Fan smiled and said.

"It doesn't matter what you make as long as it's made by you," Xia Wanqiu said. Seeing that the two of them were still showing off their love, Su Xiaoyu could not take it anymore.

She was going to be stuffed with dog food!

"Ahwooh, Ahwooh. Master, I want to eat barbecue – I want to eat barbecue before exercising," Su Xiaoyu said.

Su Xiaoyu could only get used to the two of them being lovey-dovey.

She finally understood Xu Yang's feelings.

Thinking back to when Xu Yang was fed dog food, he was so lonely, helpless, pitiful, and his life was filled with darkness.

Lin Fan and Xia Wanqiu looked at each other and made a gesture to roast fish. Xia Wanqiu's cheeks were slightly red as she nodded her head and turned around.

Su Xiaoyu: "... Lin Yushi : " ... "

Even if Lin Fan and Xia Wanqiu didn't say anything, they could still show off their affection.

Especially Lin Yushi. Ever since Xia Wanqiu came in, Lin Yushi felt like she had been ignored. She was Lin Fan's younger sister.

But her brother, Lin Fan, only had eyes for Xia Wanqiu.

"Let's go, ignore them. Hmph." Su Xiaoyu walked to Lin Yushi's side and said.

“Prioritising love over your own sister, I won’t bother with you anymore.” Lin Yushi rolled her eyes at Lin Fan, looking very angry. Lin Fan smiled and said, “I’ll bring you guys to the beach for a barbecue feast.”

Lin Yushi’s eyes lit up. She was initially angry, but when she heard that she could eat Lin Fan’s feast, she immediately stopped being angry.

It was only because she realized how amazing Lin Fan’s culinary skills were in the past few days.

Lin Fan could make all sorts of home-cooked dishes, lobsters, abalones, seafood, and simple Egg Fried Rice and Zhajiang noodles extremely delicious.

Now, she could even eat Lin Fan’s barbecue.

It was simply... too beautiful!

As for the matter of prioritizing love over his sister, Lin Yushi did not care.

If Lin Fan could really be with Xia Wanqiu, Lin Yushi would be able to see a superstar like Xia Wanqiu in the future at any time.

Therefore, for Lin Fan’s lifelong happiness, Lin Yushi had already decided that she would definitely help her brother woo Xia Wanqiu! Xia Wanqiu was a big star in the entertainment industry and was also Lin Yushi’s idol. It wasn’t good enough to just be Lin Fan’s friend. If she could be married to Lin Fan, her future would be blissful!

Chapter 123 Lin Fan Is On camera and His Live Stream Is Hot!

Everyone was present!

“Sister Wanqiu, I haven’t even had dinner yet, and I’m already full of dog food. Boohoo, now I don’t even have to eat dinner. I’m already full before I even eat,” Su Xiaoyu said pitifully. “Xiaoyu, you can also compete with Lin Fan in acting,” Xia Wanqiu said.

Su Xiaoyu shook her head. “I don’t want to. Otherwise, Sister Wanqiu’s gaze will kill.”

On the other side, Lin Yushi saw Xia Wanqiu and Su Xiaoyu and was shocked.

Although she was also very pretty and was above 9/10 in looks, there was still a difference between 9/10 looks. Her figure was not bad and her body shape was also very good, but compared to the two big celebrities in front of her, she was still much inferior.

Xia Wanqiu and Su Xiaoyu’s figures, looks, and aura were not something that ordinary people could compare to.

They had not put on very nice clothes and did not officially appear in front of the audience. Right now, they were two girls going about their lives. Without makeup, they could already kill a large group of people.

If they put on some makeup, applied some light, and used some modern filters, it would not be too much to say that Xia Wanqiu and Su Xiaoyu were fairies.

“Sister Xia Wanqiu, Sister Su Xiaoyu, you two are so beautiful.” Lin Yushi walked over, her eyes filled with surprise. She finally saw her idols today, Xia Wanqiu and Su Xiaoyu.

She wanted to say that her brother was really awesome.

Not only did he have a good relationship with Xia Wanqiu, but he even called her his wife. His relationship with Su Xiaoyu was also very good now.

If he could woo her... Lin Yushi giggled. It was just that it was not realistic in a monogamous society.

What monogamy? If only he could have a harem.

Although Lin Yushi thought that way, she could tell that Lin Fan only had eyes for Xia Wanqiu.

These were two super beautiful celebrities in the entertainment industry!

“I’m Lin Yushi, Lin Fan’s biological sister. Don’t mind what happened just now. I... accidentally leaned against him,” Lin Yushi said, afraid that Xia Wanqiu would really misunderstand.

If that was the case, how could she see a superstar like Xia Wanqiu in the future?

“It’s okay, I’m not angry.” Xia Wanqiu pulled Lin Yushi over. “Stupid Lin Fan’s sister is so pretty. She can also be a superstar with us.”

Su Xiaoyu nodded as well. “Ahwooh, then we’ll be good sisters from now on. If anyone bullies you, I’ll unleash dogs to bite them!”

Then the three girls chatted in the villa. They had a lot in common.

When evening came and the sun was setting, Xia Wanqiu, Su Xiaoyu, and Lin Fan went to a place not far from the sea.

There were many people by the sea. As this was the Blue Wave Bay district, Lin Fan had a good relationship with the people in the district. These people wouldn’t surround Xia Wanqiu and Su Xiaoyu.

After all, one could often see celebrities in high-end districts. It was not a big deal.

Not far from the beach, Lin Fan set up a barbecue pit with tools around it.

Xia Wanqiu and Su Xiaoyu were also helping from the side. Su Xiaoyu had long been craving for barbecue.

It was fine to eat some barbecue. They could train their bodies at night. After all, Lin Fan’s house had a gym.

Lin Yushi was a second-year university student and usually liked to do livestreams.

Today, she also started a livestream by the sea.

There were not many people watching her livestream and there were very few viewers. This was because Lin Yushi's livestreaming style was simple. She usually liked to play the piano, recite poems, and livestream herself studying

Today, Lin Yushi had started an outdoor livestream. She did not deliberately take photos of Xia Wanqiu and Su Xiaoyu because she just wanted to record what happened today.

After two minutes, no one came in to watch the livestream.

After ten minutes of livestreaming, there were finally more than a dozen viewers.

After livestreaming for half an hour, there were more than a hundred viewers. They were all fans of Lin Yushi.

"666666, your legs are really pretty."

"You're really pretty. Can I give you a glow stick in exchange for you singing a song?" "Are you at the beach? This seems to be a high-end district. You're so pretty, why isn't anyone looking?" Lin Yushi said, "I'm having a barbecue at the beach with my brother today. I didn't want to do a livestream, but I decided to do an outdoor livestream for everyone. If you have any gifts, feel free to give me some."

Lin Fan was indeed rich, but Lin Yushi would usually go teach tuition, do part-time work, or occasionally do a livestream. She could receive many scholarships. She was indeed very outstanding now. She had already been financially independent when she was in university.

After hearing Lin Yushi, Lin Fan walked over.

"Are you livestreaming again?" Lin Fan asked. He looked at Lin Yushi and the camera on her phone.

"Yeah, Brother. There aren't many people watching anyway. Go make the barbecue. I'm just doing a casual livestream," Lin Yushi said. "Alright." Lin Fan smiled. No matter how well Lin Yushi's livestreams did, this was still her own way of achieving financial independence. As long as it wasn't illegal, Lin Fan wouldn't interfere.

Lin Fan had only been on screen for a few seconds when the hundreds of viewers watching the livestream exploded.

"D*mn, superstar Lin Fan!"

"Lin Fan is the livestreamer's biological brother? 66666. I'm just here to watch a beautiful woman with long legs do a livestream. I actually saw a big star here!" "Host, let us take another look at Lin Fan. Lin Fan is super handsome and his acting skills are superb. He's a real big star."

Many viewers of the livestream rushed out. Lin Fan's appearance caused the popularity of Lin Yushi's livestream to increase rapidly.

Lin Yushi nodded and pointed the camera at Lin Fan. Lin Fan was barbecuing.

Then... in less than two minutes, Lin Yushi's livestream exploded!

At first, there were only about a hundred viewers. Then, it immediately became hundreds of viewers. Thousands of viewers...

In less than ten minutes, tens of thousands of viewers had already rushed into Lin Yushi's livestream! And the popularity of the livestreaming platform Douyu was also increasing. Lin Fan appeared in the livestream. Lin Fan, who was barbecuing attentively, was still as handsome as ever.

The fans could look at Lin Fan from all angles in the livestream.

After the tens of thousands of spectators entered, it did not stop.

Fans and audience gradually rushed in.

In less than twenty minutes...

More than 100,000 fans rushed into Lin Yushi's livestream, and it was still increasing!

News spread too quickly online.

Even Lin Yushi didn't expect that. Lin Fan did not appear in the livestream for long and she only filmed Lin Fan on her phone for a few moments. In the end, her livestream became extremely popular!

Chapter 124 What Is A True Heavenly Voice!

Lin Yushi was completely stunned by the comments.

Her older brother, Lin Fan, was way too popular!

Lin Fan had only appeared in the livestream for a moment, but there were already so many viewers.

Countless comments appeared in Lin Yushi's livestream.

"Ahhhhhhhhh, how can Lin Fan look so handsome when he makes barbecue? I heard that he's a chef and his cooking is super delicious."

"Chicken wings, roasted lamb skewers, roasted potatoes, roasted seitan, mushrooms... How can it be so delicious? Looking at Lin Fan's technique, I know that he's an expert!" "Lin Fan, Lin Fan, Lin Fan, Lin Fan!!"

"Host, can you stop pointing the camera at yourself? Although you're really pretty, we want to see Lin Fan. Please let us see Lin Fan again, okay?"

Immediately after, there were countless gifts given to Lin Yushi.

[Little Flame Spirit Maiden gave Lin Yushi a plane.]

[Lin Fan's fan gave Lin Yushi a super rocket!]

(Love you for ten thousand years gave Lin Yushi ten super rockets!)

[The cute girl who can be sweet or sexy gave Lin Yushi 20 super rockets!] At first, one could still see people sending planes. Later on, one could no longer see the planes sent by the fans.

The entire screen was filled with super rockets.

Lin Yushi finally felt the power of fans. Lin Fan was already so popular and now that he was on the Douyu livestreaming platform, many fans wanted to see him.

"Brother, I only livestreamed you for a while and the livestream became completely popular. What should I do?" Lin Yushi wanted to close the livestream, but she didn't dare to do so now.

After all, with so many fans rushing in, this news would definitely be trending on Weibo

new

It was originally a simple outdoor livestream, but now, it had become a livestream of a big star.

Lin Fan smiled and took Lin Yushi's phone. "Really? Then leave it to me."

Lin Yushi was completely stunned by the enthusiasm of so many fans.

One super rocket cost 2000 yuan.

And twenty super rockets were 40,000 yuan.

In less than half an hour, she had received 50 super rockets. In other words, all these super rockets had a combined cost of 100,000 yuan!

In half an hour, she received gifts worth a combined total of 100,000 yuan.

This was the cohesion of Lin Fan's fans.

New viewers were still surging in.

When Lin Fan took over the livestream, a handsome face appeared on it.

Then... countless fans went completely crazy.

“Handsome, handsome, handsome, handsome! Lin Fan looks even more handsome in person than on television!” “Lin Fan, Lin Fan, Lin Fan, Lin Fan, Lin Fan!”

“Lin Fan, I love you!”

“Lin Fan, we want to hear you sing, can you sing a song?” “I also want to hear you sing. Lin Fan is a god of songs, a true god of songs!”

Lin Fan looked at how enthusiastic the fans were and smiled.

He didn’t really want his fans to give him so many gifts. After all, he was much richer than them.

“Everyone, there’s no need to send so many gifts. I’ve already received your love. Today, my sister is the one who started the livestream. I didn’t expect so many viewers to come in. All the profits from today’s livestream will be donated to charity,” said Lin Fan with a smile. It was Lin Fan’s words that shocked all the viewers in the livestream.

This was the idol they liked, the superstar they liked.

His morals were very good. Even if he started a livestream, he would not go there to earn money. All the profits from the livestream would be donated to charity.

Lin Fan had only been a superstar for a short time and had only acted in one television drama. He definitely hadn’t earned much money yet. However, Lin Fan was willing to do such a thing and it made the fans in the livestream even more enthusiastic.

They hadn’t given many gifts originally. After Lin Fan said that, the fans started sending even more gifts.

The screen was filled with super rockets. In a few minutes, he collected 50 more rockets.

Lin Fan sighed. These fans were way too enthusiastic.

Previously, he had questioned whether being handsome could be used to feed him. Now, it seemed that being handsome could indeed feed him.

“Since everyone is so passionate, let me sing a song.”

“The name of this song is Love Confession. If you have someone you like and want to confess to, you can come and learn this song.” Lin Fan smiled and cleared his throat.

Lin Fan wouldn’t treat his fans badly. He had god-level musical talent. He could even sing a song for his fans.

An ethereal voice rang out. Lin Fan was singing this song acapella in the livestream.

[Coffee on the left bank of the Seine]

[I’ll taste your beauty with one cup in my hand.]

[You said that you're a little difficult to woo and you want me to back off.]

(There's no need to pick the most expensive gift. I just want the freshly fallen leaves.)

(If I have you, I have the world.)

When Lin Fan sang up to this point, the entire livestream's audience was stunned.

Not all of Lin Fan's fans had heard him sing before.

When they heard Lin Fan's voice, the name and lyrics of the song made all the viewers in the livestream cheer.

"It's nice. How can Prince Charming sing so well?"

"This song is really too good. I also want to confess to my deskmate."

"How can there be such a nice song? This is the first time I've heard this song. Lin Fan is really a god of songs!"

"Lin Fan will be my idol from now on. The songs he sings are simply amazing."

"I'm crying, I'm crying. I've never heard such a nice song."

When the audience in the livestream heard Lin Fan's song, they closed their eyes and felt the beautiful scenes.

Lin Fan used his voice to outline a sweet scene for them. A sweet love between men and women.

Especially since Lin Fan's voice was already nice to listen to. After he sang the entire song in the livestream, countless fans were already screaming in front of the livestream.

If this was a concert, all the fans would scream and cheer for Lin Fan.

At the same time, Lin Fan's livestream was quickly trending on Weibo.

Previously, Lin Fan had relied on his acting skills to become popular.

And this time,

Lin Fan relied on his voice to conquer all the fans again. Lin Yushi was stunned when she heard Lin Fan's song.

So her brother, Lin Fan, could sing so well.

Even a God of Singers... could only reach this level.

She had also heard the songs of the four Heavenly Kings and many songs written by the Heavenly Queen. Although they were nice, in Lin Yushi's eyes, even the four Heavenly Kings and the Heavenly Queen couldn't compare to Lin Fan in singing.

Su Xiaoyu was already used to hearing Lin Fan's singing

When Xia Wanqiu heard Lin Fan's singing, she walked to his side, her beautiful eyes filled with shock.

This was the first time she had heard Lin Fan sing this song.

It was really... nice.

There were already more than a million viewers in the livestream!

There were also many fans who couldn't help but be immersed in Lin Fan's song.

There was no accompaniment and no music...

Lin Fan sang the song acapella. Without any support, all the fans in the livestream were completely mesmerized by Lin Fan's voice.

Lin Fan wasn't singing an ordinary song. It was simply a heavenly tune that could bewitch one's heart.

After singing this song, the livestream fell into a temporary silence.
