

## **I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 140-144**

### **Chapter 140 Lin Fan Is Here For Everything!**

Xia Wanqiu looked at all the termination notices and pursed her red lips.

She stood rooted to the ground, her pretty face pale as she lowered her head, looking aggrieved.

She had originally wanted to record a show happily. She wanted to film a good work for the audience. She wanted to eat Lin Fan's feast and be with him...

But reality was not like that.

Xia Wanqiu's beautiful eyes were a little red as she sat beside Su Xiaoyu. Like a cat, she gently lay on the table and curled up.

She just wanted to be with someone she liked...

She just wanted to go to Lin Fan's house and stay with him.

However, the comments on the Internet made her not know what to do.

She was innocent. She was not the scheming b\*tch those people on the Internet said she was.

She had no way to explain it to her fans or anyone else.

Looking at Xia Wanqiu, everyone felt their hearts ache.

Xu Yang stood up, poured a glass of water and placed it on Xia Wanqiu's table. He brought a towel over for her.

Su Xiaoyu patted Xia Wanqiu's shoulder and gently hugged her.

Lin Jingjing also accompanied Xia Wanqiu.

All of this was fatal to Xia Wanqiu.

Xia Wanqiu faced such a fate.

She cried out softly.

Because she knew...

She could no longer be a celebrity.

So what if she paid the penalty fee? If she filmed the second season of Joy of Life, the audience would not like her anymore.

“CEO Li, what should we do?” Xu Yang looked at CEO Li and asked.

“The entertainment industry is like that. When you climb up, there will always be people who want to drag you down.”

“What I want is to carry on China’s traditional culture, bring it to greater heights, and produce classic works so that those foreigners overseas won’t dare to underestimate us anymore, but...”

“At this point, we probably won’t be able to produce such good works in the future. I’ve pulled you guys back. I’m sorry.” CEO Li bowed in front of everyone.

How could Yuehua fight against Huace Pictures now?

How could they fight against “Star Garden” released by Huace Pictures?

Even if Joy of Life was indeed very popular, even such a popular Joy of Life might not be able to compare to Star Garden, which Lin Kexin starred in.

Even if the second season of Joy of Life was filmed, it would be completely crushed by Star Garden.

Furthermore, after this incident, how many investors would invest in the second season of Joy of Life?

Xia Wanqiu’s popularity was decreasing rapidly.

If there was a way, she would have already done it.

But now, there was no other way.

Yuehua Entertainment’s future seemed to be set in stone.

It was too difficult to win back the hearts of the audience.

The second season of Joy of Life was indeed very popular, but what could they do?

Ignoring whether or not the second season of Joy of Life could defeat “Star Garden”, it was extremely difficult to film the second season of Joy of Life.

Investors, advertisers, and endorsers would probably not invest in television dramas Xia Wanqiu starred in anymore.

Yuehua Entertainment had fallen into a desperate situation.

“CEO Li, I’m the one who should apologize,” Xia Wanqiu said as she looked up.

“I’ve implicated everyone. I’m sorry,” Xia Wanqiu said seriously as she looked at everyone.

Looking at such a girl, how could Yuehua Entertainment blame Xia Wangiu?

At this moment, Lin Fan returned.

ence

When Lin Fan pushed open the conference room door, everyone looked at him.

When Lin Fan walked in, the first thing he saw was Xia Wanqiu with red eyes.

Lin Fan walked forward and gently put on a coat for Xia Wanqiu.

In front of everyone, Lin Fan didn’t hide anything.

He already knew what happened online.

“Everyone, don’t give up or get discouraged. I’m still here.” Lin Fan smiled confidently and sat down. He looked around.

“That’s right. There are indeed a lot of negative comments online. Many endorsements and advertising companies feel that Wanqiu has a lot of negative comments and often has scandals. That’s why they decided to terminate their contracts with her.”

“Of course, this isn’t the main reason. Yuehua Entertainment has always been inferior to Huace Pictures. Recently, Huace Pictures signed a big star called Lin Kexin. Her popularity is even higher than Wanqiu’s.”

Lin Fan stood up and walked in front of everyone.

“Let me tell everyone why these endorsements want to terminate their contracts with Wanqiu.”

“First, the price. If the endorsements invest in Lin Kexin of Huace Pictures, they will receive more profits.”

“Second, it’s Lin Kexin herself. She doesn’t have any scandals or negative news. She has a lot of fans and is very popular. Therefore, many endorsements are more inclined to invest in her.”

“Third, many companies and teams are defaming Wanqiu and fabricating negative news, making the endorsement companies very dissatisfied with Wanqiu.”

“Fourth, the most fundamental reason is that Huace Pictures hired five top scriptwriters to create a television drama that completely surpasses the second season of Joy of Life. It’s called Star Garden.”

“In other words, Huace Pictures’ Star Garden is equivalent to declaring war on us.”

“If we want to make a comeback, Yuehua Entertainment has to launch a corresponding television drama,” said Lin Fan.

In the entertainment industry, one relied on strength and experience.

The five top screenwriters hired by Huace Pictures were very strong and were more experienced than Lin Fan.

With the powerful team of Huace Pictures, many endorsements and investors were even more optimistic about them.

Even if there were no scandals, most of these endorsements and investors would invest in Lin Kexin.

Without scandals, Huace Pictures could still find many ways to defame Xia Wanqiu.

“Huace Pictures is deliberately targeting Wanqiu this time. This means that Huace Pictures is afraid.”

“Huace Pictures can’t completely crush Wanqiu with just a scandal. No one can.”

“The penalty of 280 million yuan is just to scare us. So what if there’s a scandal between me and Wanqiu? So what if she’s in my house? I’m the male lead and she’s the female lead. We’ll discuss the script together and even have a feast together. It’s reasonable. Not only will Wanqiu come to my house, but Xiaoyu, Lin Jingjing, and even Xu Yang will come to my house.”

“The so-called penalty is nonsense. CEO Li, our company should have a special legal department and public relations department, right?”

“The public relations department should immediately clarify all the rumors on the Internet and release screenshots of the corresponding evidence. I’ve already prepared everything. There’s also video evidence of me and Wanqiu discussing the script in the room.”

“The legal department should immediately bring the many termination contracts and file a lawsuit in court.”

“We can refute all the rumors by ourselves. Wanqiu and I are discussing the script at home. Can the few keyboard warriors outside have a negative impact on these products?” “Since all these endorsements have breached the contract...”

“The ones who should pay the penalty are these endorsements and advertisers. Wanqiu doesn’t need to pay a single cent for the penalty. A total of 28 endorsements have to pay the price of breach of contract!”

“We will be the ones the court ultimately supports.”

“So what if there’s a scandal between Qiuqiu and me? Our fanbase hasn’t wavered.”

“There are also Xiaoyu’s fans, Xu Yang’s fans, Jingjing’s fans, and the fans of the entire cast of Joy of Life. There are also many fans on the Internet who protect us. As long as the fanbase is still there, we can still create a perfect television drama.”

“Lin Kexin is indeed very popular. It’s indeed difficult to surpass Star Garden in all aspects, but if it’s not challenging, what’s the point?”

“Huace Pictures wants to crush us, so all the more we can’t be crushed.”

“If Huace Pictures wants to fight with us, then let’s fight with them!” Lin Fan said confidently.

Everyone looked at Lin Fan.

Unknowingly, everyone felt a sense of dependence on Lin Fan.

They believed that,

With Lin Fan around, they would definitely be able to resolve this crisis!

### **Chapter 141 The Legend of Sword and Fairy, Another Peak Television Drama!**

“Lin Fan, I’ll accompany you. I’ve rejected my subsequent dramas. If you need me for any scenes, feel free to tell me,” Xu Yang said and patted Lin Fan on the shoulder.

“Master, me too. Xiaoyu is also very awesome.” Su Xiaoyu smiled at Lin Fan.

“Me too,” Lin Jingjing said seriously.

“We can’t tolerate people bullying Wanqiu. Do they think Yuehua doesn’t have anyone? So what if they signed Lin Kexin? We can still produce good works.” Director Lu Benkai slammed the table.

Everyone was confident in Lin Fan.

As long as Lin Fan could release the second season of Joy of Life and the original cast acted in it, the second season of Joy of Life might not lose to “Star Garden”, which Lin Kexin starred in.

CEO Li looked at Lin Fan and said, “Lin Fan, how’s the script for the second season of Joy of Life going? If possible, we’ll start filming and declare war on them.”

A good script could lay the foundation for a television drama’s success.

Huace Pictures had five top screenwriters and Lin Fan was a true screenwriting master.

Would Lin Fan’s script be worse than those people’s?

Perhaps Lin Fan’s experience in the industry wasn’t good enough, but only those who had interacted with Lin Fan before could deeply experience his scriptwriting skills.

CEO Li continued, “Lin Fan, if you produce a script, the company will buy the rights to adapt your script. We won’t treat you badly and the price will be higher than before.”

Faced with everyone's expectant gazes, Lin Fan just smiled and said, "CEO Li, the script for the second season of Joy of Life hasn't been completed yet. Of course, the second season of this television series will be filmed, but it will take some time."

"I've recently written a new script. I'm planning to adapt it into a television drama," said Lin Fan.

When they saw that Lin Fan had written a new script, everyone was shocked.

Lin Fan had written a brand new script.

It was fine even if the company did not film the script for the second season of Joy of Life for the time being.

"Sure, I won't read the script. The company is willing to buy it for 600,000 per episode."

"Of course, you can also let all the entertainment companies on the market take a look at the script. It doesn't matter who buys the adaptation rights for this script. I believe you will definitely be able to film a brand new and popular television drama," CEO Li said with a smile.

This was his trust in Lin Fan.

Lin Fan wasn't the company's screenwriting master, so he could do whatever he wanted with his script.

And Lin Fan's scripts could also be sold for a high price.

The current Lin Fan was quite famous in the entertainment industry.

The price of 600,000 per episode was already extremely high.

"Mmm, I'll upload the script first and authenticate the copyright. Then, I can sign the contract for the script and start filming." Lin Fan smiled.

"By the way, Lin Fan, what's the name of your script?" CEO Li asked.

"The Legend of Sword and Fairy."

Lin Fan's new script was called "The Legend of Sword and Fairy".

He wanted to create a true classic story, a television drama that could make a deep impression on people.

Therefore, this script was Lin Fan's innovation for himself.

With his master-level creative ability, Lin Fan wanted to create a classic masterpiece that everyone knew!

After the copyright was uploaded, all the entertainment companies looked at Lin Fan's script for "The Legend of Sword and Fairy".

Initially, he thought that many entertainment companies would fight for the script. However, to his surprise, other than Yuehua Entertainment, no other entertainment company bought the rights to adapt Lin Fan's script.

"Hello, Mr. Lin. Our company admires your screenwriting ability very much. The story created by this script is also very interesting. However, I'm sorry that I can't sign a contract with you. I hope that we can work together again in your next script."

"Mr. Lin, the plot of your script is not bad. It's a pity that the end is a tragedy. China's television dramas are all comedies, and the audience likes happy endings more. I'm afraid there won't be any good effects if it's a tragedy."

"It's a pity that this is a tragic television drama. We don't think it meets the requirements of the market. I'm sorry that we can't work together. If you change it to a comedy, we might be able to work together. Do you want to make changes?"

All the entertainment companies rejected Lin Fan's "The Legend of Sword and Fairy".

The ending of the Legend of Sword and Fairy was that the female lead died in the hands of the protagonist.

There were also two characters who turned into birds that flew together. They were willing to be two lovebirds flying in the sky together and twin branches on a tree on the ground.

The plot was outstanding, and the relationship scenes were very touching, but it was too heartbreaking.

In today's Chinese television dramas, most of them were dramas that young people liked. Everyone liked reunions. There had never been a television drama that ended in tragedy in the market.

It was precisely because such a script was too torturous that it was rejected by all the major entertainment companies.

In Yuehua Entertainment.

Many people were looking at Lin Fan's script.

Many people didn't understand why Lin Fan would write a tragedy.

Even Xu Yang did not understand.

However, there was one person who had always been supporting Lin Fan.

This person was the script master, Tian Zheng.

"Oh my god... this script is really well written." "Lin Fan's script is even better than the previous script of Joy of Life. The depth is also higher," Master Tian Zheng exclaimed.

“On the surface, this script looks like a tragedy, but it’s because of the tragedy of this script that it can resonate with people.”

“This is indeed a bold attempt, but how can there be breakthroughs without innovation?” “Think about it. Without the steam engine, humanity would not be able to enter the Industrial Revolution. Without repeated breakthroughs, how could humanity create cannons and planes? Such innovative talents are needed for an era to improve and progress.”

“The characters in this script are well-personified, artistic, and realistic. The theme of this television series is fate. Tragedy is the helplessness of facing something beautiful and walking towards destruction. Moreover, this is a Xianxia drama. Although it’s indeed a tragedy, there’s no doubt that if this television series is broadcasted, it will be a true classic masterpiece.”

“Therefore, I think Lin Fan’s script is quite good.”

“If this script can be filmed well, then ‘The Legend of Sword and Fairy’ will become the peak of Xianxia dramas and will be completely popular throughout the country,” Master Tian Zheng said. He still had high praises for Lin Fan’s script.

Many entertainment companies didn’t think highly of Lin Fan’s script, but Master Tian Zheng was very approving of it.

In Master Tian Zheng’s eyes, Lin Fan was a true scriptwriting master and a true gold medal screenwriter. Lin Fan’s taste had long surpassed that of a so-called top gold medal screenwriter.

“The Legend of Sword and Fairy” created by Lin Fan might even surpass “Star Garden” starring Lin Kexin. This television drama might become a true classic. It would break the historical record of television dramas and create a true peak masterpiece!

#### **Chapter 142 Lin Fan Personally Directs His Film, War Declared On Huace Pictures!**

After some deliberation, CEO Li looked at Lin Fan and smiled. “Lin Fan, I didn’t expect such a situation would still happen now.”

“There are many entertainment companies unwilling to buy the rights to your television series, but it doesn’t matter. Yuehua will always be behind you.”

“I’ve seen this script. It’s just as Teacher Tian Zheng said. It’s written very well. I’m also looking forward to you guys filming this television drama well.”

“But what I want to say is that even if this television drama can start filming, it might not have any investors.”

“Therefore, it’s quite difficult for us to film this television drama well,” CEO Li said as he looked at Lin Fan.

Lin Fan nodded. "CEO Li, it's precisely because the outside world doesn't think well of us that it would be more meaningful if we manage to succeed."

"If there are no investors, I'll invest in the drama," said Lin Fan.

"No matter what, we have to film this television drama well. I also believe that this television drama will definitely not lose to Huace Pictures' Star Garden." Lin Fan said confidently.

CEO Li patted Lin Fan on the shoulder and said, "When the time comes, the company will also pay a portion of the money. Even if there aren't any investors, we have to film this television drama well."

After Lin Fan and CEO Li signed the contract, Yuehua bought the rights to adapt the script for 600,000 per episode.

There were a total of 36 episodes of "The Legend of Sword and Fairy". In other words, Lin Fan's script for "The Legend of Sword and Fairy" was sold for a total of 21.6 million!

When the 21.6 million yuan was transferred to his account, Lin Fan smiled.

He had earned another 20 million plus yuan. Although it wasn't a lot, it should be enough money to start filming this television drama.

The current him had 300 million in cash.

If his drama did not have investors, he could get enough funding by relying on himself!

Although this television drama was a tragedy, and other companies did not think highly of it,

the actors from Yuehua Entertainment and the actors who had worked with Lin Fan in Joy of Life previously liked Lin Fan's new script very much.

"Brother Fan, I'm going to act in your script. Can you give me a role?"

"Brother Fan, how can your script be so interesting? It's just a little torturous. I'm crying from reading it."

"I'm really crying after reading it. How can the ending be like this? You said that it was very sweet at first, but in the end, it's a separation between the two leads. If you act it out, it must be very heartbreaking."

"Brother Fan's productions are definitely top-notch! Those entertainment companies actually don't think highly of Brother Fan's script. After this television drama is filmed, it will definitely be a classic masterpiece!"

"No matter what, I believe in Brother Fan. I like this script very much!"

Many actors came to look for Lin Fan and asked him for a role.

After Lin Fan went through the screening, he chose many roles.

The male lead was still himself.

The female lead was Xia Wanqiu.

The supporting female roles were given to Su Xiaoyu and Lin Jingjing.

Xu Yang was casted as a supporting actor.

Yuehua could not afford to hire too many big-name celebrities. Almost all of the actors casted were from Joy of Life, and the remuneration was not high.

After deciding on the actors, they would decide on the producer and director.

“Brother Fan, you can be the director. All of us will be your team. The director of this television drama must be you,” Lu Benkai said. He admired Lin Fan very much. He also felt that only Lin Fan could be the director of this television drama.

When Lin Fan heard that, he nodded.

He could be a director.

During the filming of Joy of Life, Lin Fan had helped Lu Benkai a lot.

Initially, Lin Fan wanted Lu Benkai to be the director again but Lu Benkai admired Lin Fan too much.

They were all people who were involved in directing, but Lu Benkai had a deep understanding of how strong Lin Fan’s directing skills were.

When Lin Fan was the director, Lu Benkai had been learning from the side.

He felt the difference between Lin Fan and himself.

Although there weren’t any investors in this television drama, Lu Benkai was willing to be Lin Fan’s assistant.

Lin Fan’s directing skills were too strong. Lu Benkai felt that he could learn a lot from directing with Lin Fan.

He had already treated Lin Fan as his guiding light.

As for the producer of this television drama, it was Yuehua Entertainment.

Yuehua Entertainment had invested 250 million yuan into this television drama.

Then, Lin Fan also took out 250 million yuan and invested in “The Legend of Sword and Fairy”.

It was very simple. No one was even willing to buy the script, so why would anyone invest in such a television drama?

They were not even sure if this television drama would become popular.

In the eyes of many, they thought that this television drama would definitely fail.

A television drama that ended in tragedy probably did not match the mainstream of the current market, nor did it match the taste of the audience.

“Star Garden” was a very relaxed, interesting, and lively television drama. With Lin Kexin joining, the cast and investment lineup was abnormally strong, and it attracted a lot of investment.

After the script was confirmed, all sorts of staff were also confirmed.

The producer of this television drama was Yuehua Entertainment, the director was Lin Fan, and the male lead was Lin Fan...

This television drama would be Lin Fan and Xia Wanqiu’s second collaboration.

And this television drama was a Xianxia drama. Its style was completely different from the mainstream market today.

Faced with Xia Wanqiu’s contract terminations, the entertainment companies’ rejection, and the difficulties of not having investors, they still decided to start filming the television drama “The Legend of Sword and Fairy”!

On August 3, Yuehua officially announced the filming of “The Legend of Sword and Fairy” on Weibo!

When the news spread, it caused an uproar in the entertainment industry.

Everyone thought that Yuehua would use the second season of Joy of Life to fight with Huace Pictures’ “Star Garden”.

However, they didn’t expect that Yuehua didn’t film the second season of Joy of Life but instead filmed “The Legend of Sword and Fairy”.

When the news of filming was announced,

All of Lin Fan and Xia Wanqiu’s fans discovered another fact.

“Oh my god, the male lead of ‘The Legend of Sword and Fairy’ is Lin Fan, and the female lead is Xia Wanqiu again!”

“Furthermore, the original author of this television drama’s script is also Lin Fan. This is a script written by Lin Fan!”

“Look, the director of this television drama is also Lin Fan!”

“Oh my god, Brother Fan is not only a screenwriter, but he’s also going to be a director. Other than that, Brother Fan is also the male lead.”

“I’m going to follow this drama. This television drama must be very good. Although the second season of Joy of Life hasn’t been filmed yet, I’m still going to follow this drama!”

“Previously, there were people defaming Brother Fan and Xia Wanqiu. There were too many keyboard warriors. No matter what happens, I will always support my Prince Charming and Goddess!”

“The Legend of Sword and Fairy, charge, charge!”

All the fans were pleasantly surprised.

When Xia Wanqiu was being defamed by so many people online,

Lin Fan and Xia Wanqiu didn’t stand up to refute the rumors.

There were also many rational fans on the Internet. They could tell that these people were deliberately defaming Lin Fan and Xia Wanqiu.

Lin Fan’s method was to film a new television drama in response.

The name of this television drama was “The Legend of Sword and Fairy”!

For some reason, when the fans saw this name, they liked it very much and were filled with anticipation.

Because the main lead of this television drama was Lin Fan.

Even the director of this television drama and the original author of the script was Lin Fan!

These fans had an inexplicable feeling in their hearts.

If “The Legend of Sword and Fairy” could be filmed, it would definitely be another classic masterpiece!

### **Chapter 143 Xia Wanqiu Took The Initiative To Kiss Him For The First Time, His Wife Is So Nice Huace Pictures.**

CEO Liu Xian sat at his desk and smiled calmly. He shook his head and said, “I originally thought that Yuehua would retaliate more vigorously. I didn’t expect that instead of filming the second season of Joy of Life, they would film ‘The Legend of Sword and Fairy’.”

“In my opinion, ‘The Legend of Sword and Fairy’ is a work that will definitely fail. Such a television drama is a tragedy and is destined to not conform to trends. Anything that doesn’t conform to trends will be eliminated by the market.”

Liu Xian said as he looked around.

As the CEO of Huace Pictures, he was originally a little worried.

After all, the second season of Joy of Life was very popular.

If it was really the second season of Joy of Life, “Star Garden” might be in some danger  
on

But to Liu Xian’s surprise, Yuehua actually made such a stupid decision.

It had already been confirmed that the first season of Joy of Life was popular, but they did not film the second season.

Instead, they went to film “The Legend of Sword and Fairy”.

It was a Xianxia drama that had a script that did not conform to the mainstream of the market and was rejected by most entertainment companies. No matter how good the acting skills or special effects were such a television drama could not succeed.

CI

The reason why a television drama could be successful was ultimately whether the plot of this television drama could move people.

Only works approved by the audience could be truly good works.

Liu Xian shook his head. What made him feel even more ridiculous was that the scriptwriter, director, and even the main lead of the television series “The Legend of Sword and Fairy” was Lin Fan.

Lin Fan was just a newcomer in the entertainment industry. So what if he had achieved some results?

He could rely on luck to become popular once, but how could he rely on luck to become popular twice?

Could it be that Lin Fan really thought that he was a screenwriting master?

Did he really think that “The Legend of Sword and Fairy” would become popular?

Liu Xian shook his head. It seemed like he had overestimated Lin Fan.

From the looks of it, Lin Fan was nothing much.

Any company would prioritize filming the second season of Joy of Life.

Because they would not lose money.

Lin Fan didn't film the second season of Joy of Life. Instead, he used a bold and innovative method and chose a brand new theme. Furthermore, it was a Xianxia drama.

In the market for domestic television dramas, there was a huge gap in Xianxia dramas. Almost no one had filmed Xianxia dramas before.

It was not because these people did not want to film, but because there was no market for Xianxia dramas.

The number of a certain type of television drama would increase according to what the audience liked.

Xianxia dramas were called the classification of death.

Lin Fan had actually chosen to film a television drama in such a dead category.

And it was a tragedy, so the failure of "The Legend of Sword and Fairy" was already a foregone conclusion.

"CEO Liu is right. Do we still need to continue targeting Xia Wanqiu?"

"Or we can do something about Yuehua's The Legend of Sword and Fairy. We can't let Yuehua proceed too smoothly."

"Yeah, I think that makes sense. CEO Liu, why don't we continue to mess with them?"

A few staff members said, not planning to give Yuehua's people a chance to breathe.

Liu Xian shook his head and said, "There's no need for that. I do have some confidence in our company's Star Garden."

"Star Garden is a television drama filmed by Lin Kexin. This television drama must be filmed well. In this battle, we are no longer fighting with the Legend of Sword and Fairy. The current Legend of Sword and Fairy no longer has the right to compete with us."

"What we need to do is to surpass Joy of Life in all aspects. As for Yuehua, don't worry about it. No matter how well they film, this television drama will never succeed." Liu Xian smiled lightly, his eyes filled with confidence.

In the eyes of CEO Liu of Huace Pictures,

Even if he didn't have to do anything,

The Legend of Sword and Fairy would definitely not succeed!

The Legend of Sword and Fairy would ultimately be a failure!

He'll let Lin Fan take a good look. How could the first work Lin Fan directed, "The Legend of Sword and Fairy", compare to Lin Kexin's "Star Garden"?

Lin Kexin's looks and popularity were among the best in the entertainment industry.

As the school belle of Beijing Film Academy and the genius of the new generation, Lin Kexin's first work after graduation was extremely important.

Lin Kexin and Huace Pictures had only signed a contract for a television drama.

If Huace Pictures could help Lin Kexin advance another level via this television drama,

then Lin Kexin might sign a real contract with Huace Pictures.

In that case, Lin Kexin would become a big star of Huace Pictures.

This was also the reason why Huace Pictures was so fast this time.

In Liu Xian's opinion, he originally thought that the second season of Joy of Life could fight Star Garden.

Unexpectedly,

Yuehua Entertainment's decision was the stupidest!

Yuehua Entertainment was holding a script seminar.

After the script seminar ended, everyone left.

Lin Fan was still thinking hard about the script.

He was thinking about what else could be improved on the script.

He wanted to achieve a breakthrough and create a true peak Xianxia drama.

Furthermore, Lin Fan had seen the celebrity rankings of Douyin before and knew how popular Lin Kexin was.

Therefore, Lin Fan put in 120% of his energy to film this television drama well.

There were a total of 36 episodes. The pace was very fast and there would be no delays.

It could be said that Lin Fan had spent all his effort and energy on this television drama.

His cat was bullied in the entertainment industry, and even all her endorsements were removed.

And she might even face a huge penalty for breach of contract.

The opponent could only be Huace Pictures.

Lin Fan wouldn't admit defeat, nor would he give up.

He knew that Lin Kexin was very powerful in the entertainment industry.

If he wanted to surpass Lin Kexin and “Star Garden”, he had to go all out.

Lin Fan felt his mind clearing up.

The script, thoughts, and directing ability were all strung together in his mind.

Lin Fan’s script had already been drawn with various colors.

Lin Fan, who had always been a slacker, was working very hard this time.

Xia Wanqiu had been bullied to such an extent. Lin Fan had to stand up and show everyone.

He wanted to make sure that no one in the entertainment industry would dare to bully Xia Wanqiu in the future.

This was not only to protect Xia Wanqiu, but also to prove himself!

Then, he would go to war with Huace Pictures’ television drama “Star Garden”.

“Meow, meow?” Xia Wanqiu wore her cat ears hat and was already standing behind Lin Fan.

Lin Fan turned around and looked at such a beautiful girl in front of him. He couldn’t help but smile.

Lin Fan could only be so relaxed in front of Xia Wanqiu.

Before he could say anything,

Xia Wanqiu’s face was slightly red. She stood on her tiptoes and gently kissed Lin Fan’s cheek.

Such a feeling was cool and warm, blissful and filled with joy.

Lin Fan was stunned.

This should be Xia Wanqiu’s first time taking the initiative to kiss him, right?

#### **Chapter 144 The Real Directing Master, Lin Fan!**

“Alright, you don’t have to work so hard. This is your reward~”

Xia Wanqiu stood in front of Lin Fan, her cheeks slightly red. Her heart ached as she looked at Lin Fan.

This was the first time she had seen Lin Fan work so hard. Even during the filming of Joy of Life, Lin Fan hadn’t been as serious as he

was now.

Looking at such a girl, Lin Fan truly felt what happiness was.

He wanted to hold her in his arms and protect her well, not letting anyone bully her.

It was because of this that Lin Fan had to work harder.

“Be good and go back to rest. Leave the rest to me.”

“I’ve said it before. No one can bully you except me. No one.”

“So, I have to work hard to protect you.” Lin Fan smiled and gently held Xia Wanqiu’s hand, kissing the back of it.

Xia Wanqiu raised her beautiful eyes and smiled sweetly. “Yes!”

“I don’t care about that. I’m already very satisfied to be able to act with you,” Xia Wanqiu said softly. She smiled sweetly and her gentle voice entered Lin Fan’s ears.

Lin Fan felt like his head was about to explode but he held it in.

He had to work hard to stand firmly in the entertainment industry to protect her, right?

“Go home. No matter what happens, I’m here,” said Lin Fan.

“~~~” Xia Wanqiu nodded.

Two days later.

The film crew of “The Legend of Sword and Fairy” had already gathered together. Everyone was already familiar with the script.

What they had to do now was to officially start filming!

There were almost no investors in “The Legend of Sword and Fairy”.

If this drama failed, all the money Lin Fan had invested would be wasted. Yuehua Entertainment would be in the same situation.

Lin Fan had only earned less than 300 million and he had already invested 250 million into this television drama.

When filming “The Legend of Sword and Fairy”, Lin Fan looked at everyone.

“Everyone, I’m the director of this drama, so I might be a little strict with everyone.”

“Filming this drama is different from the previous drama, Joy of Life. When filming Joy of Life, it was more relaxed. But for this drama, we have to film it well,” said Lin Fan with a smile.

“Mmm -“Xia Wanqiu nodded and looked at Lin Fan. She was still so beautiful.

Seeing Xia Wanqiu, Lin Fan smiled. He was strict with others but he couldn't do anything to Xia Wanqiu.

Xia Wanqiu was so beautiful that no one could bear to be too strict with her.

Furthermore, Xia Wanqiu's acting skills were quite good.

On the other hand, Xu Yang saw the look between Lin Fan and Xia Wanqiu and understood.

Lin Fan was willing to do so much for Xia Wanqiu. This was probably why Xia Wanqiu had a good impression of him.

Xu Yang knew very well that this was something he could not do.

“Master, am I pretty?” Su Xiaoyu had also changed into ancient clothes and spun around in front of Lin Fan. She was moving and extremely beautiful.

“Beautiful, but you're still like a dog.” Lin Fan smiled.

“Ahwooh, Master, I'll bite you!” Su Xiaoyu acted like a dog.

Su Xiaoyu's figure was also very good. She looked even better in ancient clothes. It was just that she was too cute usually and was not very serious about anything.

Su Xiaoyu preferred freedom. In reality, her acting skills were very good.

At first, Su Xiaoyu was very casual.

But after they started filming, Su Xiaoyu immediately changed her style.

She filmed very seriously. Every change in expression and every line was done smoothly.

As he shot the drama, even Lin Fan gave Su Xiaoyu a thumbs up.

Some people did not remember the script's lines clearly, but Su Xiaoyu knew them by heart.

She was already familiar with the characters in the plot of “The Legend of Sword and Fairy”.

Then, it was time to film Lin Fan's scenes and Xia Wanqiu's scenes.

There were also many scenes between Lin Fan and Xia Wanqiu.

With Lin Fan's help, Lu Benkai sat there, feeling deeply shocked.

Last time, Lin Fan hadn't really let go and become a director. This time, Lin Fan was completely in charge of directing while Lu Benkai only assisted him.

Lu Benkai sighed. "Lin Fan is a true director. Even if he doesn't act, isn't an actor, and isn't a screenwriter, he can still produce classic works one after another with his directing abilities."

"How can there be such a strong director in this world? Look at the clothes Lin Fan got someone to provide, the setting of the locations, and the changes in the scenes. They've all exceeded my understanding."

"When we filmed Joy of Life previously, I could more or less understand Lin Fan's intentions. Now, I don't really understand. It wasn't until I saw the film that I realized... Brother Fan is awesome!" Lu Benkai exclaimed.

Even the other staff members of the film crew were shocked.

After Lin Fan finished filming a scene, he would immediately come over to make adjustments. If there was anything wrong with the filming, he would definitely redo it.

After many adjustments and explanations, the staff members present were all extremely impressed by Lin Fan.

"D\*mn, you can do that? What kind of brain does Brother Fan have? I feel that even Hollywood directors aren't as awesome as Brother Fan."

"It's true. Maybe Brother Fan can really enter the movie industry. The domestic movie industry can be said to be a pool of stagnant water. It's already not bad if we can occasionally produce a good movie. Some good movies are monopolized by foreign countries. For example, Hollywood's various blockbusters and various technologies are incomparable to that in our country."

"Brother Fan's directing ability is so strong, and his acting is so good. If Brother Fan enters the movie industry, there's no doubt that he can change the stagnant waters of domestic movies."

All the members of the film crew exclaimed.

When Lin Fan was beside them, everyone was all ears.

Even Assistant Director Lu Benkai felt that he had benefited greatly.

After a day of filming, everyone was a little tired.

Lu Benkai felt that he had gained a lot.

"Brother Fan is really too awesome..."

"A true talent in directing. Those people from the entertainment companies outside haven't discovered it yet, haha." Lu Benkai laughed. He was a little tired. The filming intensity for the day was very high.

Lin Fan took a bottle of mineral water and sat beside Lu Benkai.

The other actors also went to rest.

As they were filming in the wild, they did not even have a hotel to stay in. They could only camp and stay there.

The filming environment was very tough, but no one said anything.

“A directing talent? I had no choice.” Lin Fan took a sip of mineral water and smiled.

Lu Benkai looked at Lin Fan in admiration and said, “Brother Fan, I have something to ask of you.”

“If you have time in the future, you must do it. I know so many directors in the country. Only you can do this!”
