

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 155-159

Chapter 155 Star Garden's viewership ratings, Superstar Lin Kexin Appears ~

All the entertainment companies saw Lin Fan's ability through the television drama The Legend of Sword and Fairy.

Lin Fan's directing skills and acting skills were all highly valued by these entertainment companies.

Lin Fan was like a bright star in the entertainment industry. He was so bright.

There were already countless entertainment companies who wanted to rope Lin Fan in and work with him.

Lin Fan had such strong directing skills. If Lin Fan could help them film television dramas, they could film interesting television dramas one after another.

It was because of this that all the entertainment companies wanted to recruit Lin Fan.

When "The Legend of Sword and Fairy" became so popular, everyone could not help but feel a little shocked.

The companies that had previously terminated their endorsement deals with Xia Wanqiu were also a little regretful.

If they had known earlier, they would not have been in such a hurry to terminate their endorsement deals with Xia Wanqiu.

Not long after they terminated the deal, Xia Wanqiu filmed another popular television drama.

Although her popularity and number of fans could not compare to Lin Kexin's, Xia Wanqiu's popularity was quite high.

Many companies felt like they had made some mistakes.

Some endorsements were already tempted to contact Xia Wanqiu again.

Of course, more entertainment companies still wanted to contact Lin Kexin.

Just from the popularity on Weibo alone, their choice was indeed not wrong.

So what if Xia Wanqiu had filmed the Legend of Sword and Fairy? Could she really compare to Lin Kexin?

Xia Wanqiu's popularity was still much lower than Lin Kexin's.

It was quite difficult for her to catch up via a single television drama.

Don't forget how big the gap between Xia Wanqiu and Lin Kexin was.

Furthermore, it would be extremely difficult to close the gap.

At the very least, the television series "The Legend of Sword and Fairy" had not exceeded "Star Garden"!

At the same time, the viewership ratings for the premieres of the two dramas on Mango TV and Sujiang TV were out.

In Mango TV.

"It's too popular. Lin Kexin is really too popular. Do you know how much the viewership ratings for the premiere of Star Garden are? It's already 3.5%. On the first day, it already had a 3.5% viewership rating. It has exceeded countless television dramas and is enough to create the history of the entire television drama industry!"

"Lin Kexin is too strong. Star Garden created a precedent for Mango TV. The premiere record for the past twenty years was broken by Star Garden!"

"Is this the strength of Huace Pictures? Luckily, we chose Star Garden. I've long said that Star Garden is countless times better than The Legend of Sword and Fairy."

"Yes, if this continues, Star Garden will definitely be able to obtain the final victory!"

The staff of Mango TV were pleasantly surprised.

In their opinion, "Star Garden" had indeed surpassed "The Legend of Sword and Fairy".

Wasn't Lin Fan a directing and scriptwriting master?

Wasn't he very good at post-production? Didn't he even know how to compose music?

Wasn't Lin Fan a genius in the entertainment industry?

This time, even if Lin Fan was the god of the entertainment industry or the creator of the entertainment industry, it was useless!

"Star Garden" was leading on all fronts!

Not only that, "Star Garden" had also broken a premiere record that had been held for twenty years!

This was the power of "Star Garden".

The staff of Mango TV were too happy.

They signed a rather popular television drama.

Indeed, believing in Lin Kexin was the best decision.

Immediately after, Mango TV announced the viewership ratings for “Star Garden” for that day.

(Shocking. The viewership ratings for the first day of “Star Garden” are as high as 3.5%.]

When such a trending topic rushed to the top, all the fans of Star Garden were shocked.

Look, this was the strength of Star Garden.

This was Lin Kexin’s true strength.

She was the school belle of Beijing Film Academy who had graduated. Her first work after graduation had already lit up the entire Internet.

Mango TV took the initiative to announce the viewership ratings. On the other hand, Sujiang Television did not say anything or release any announcements.

Yuehua’s employees did not speak either.

Although it seemed like the popularity of “The Legend of Sword and Fairy” and “Star Garden” was similar on Weibo,

But in terms of viewership, “Star Garden” had already broken a record!

Even if it was 3.5% and 2.5%, there was still a huge difference!

There were many television dramas with 2.5% viewership.

However, 3.5% premiere viewership was very rare!

There were even very few television dramas that had more than 3% viewership.

The most popular television drama in history had a viewership rating of 3.1%.

As for “Joy of Life”, it was an online drama. There were no viewership ratings for the premiere, only some clicks and popularity. Because online dramas and television dramas were broadcast on different platforms, there was no point in comparing them.

In Huace Pictures, everyone was gathered together.

Especially CEO Liu. He smiled knowingly

CEO Liu looked at everyone and said, “I knew it. It’s impossible for ‘The Legend of Sword and Fairy’ to go against our ‘Star Garden’. The popularity on Weibo can be bought, but the ratings of television dramas

can't lie. Although 'The Legend of Sword and Fairy' was indeed filmed well, they chose the wrong market and misjudged what the audience liked more"

"This is only the beginning. The further we go, the more our Star Garden will be ahead of the Legend of Sword and Fairy!" CEO Liu smiled.

Many staff members also said, "What a pity. The Legend of Sword and Fairy was originally a pretty good television drama, but it's still not good enough to fight with us."

"However, the television drama 'The Legend of Sword and Fairy' is still not outstanding enough. The further we go, the less it can compare to our Star Garden."

"I feel that it'll already be very amazing if the viewership ratings of 'The Legend of Sword and Fairy' can break through 2.9%. Compared to our 3.5%, it'll still be far off."

"Prepare for the celebration party to celebrate the victory of Star Garden. Congratulations, Lin Kexin!"

"Congratulations, Lin Kexin ~".

Everyone looked at a girl in the corner.

Lin Kexin had long black hair. Sitting there, she gave off the feeling of a girl next door. Her temperament was unique, but she was also very pure and beautiful. Just sitting there, she could attract the attention of countless people.

Her hairstyle was very beautiful, making countless boys tempted. In "Star Garden", countless male fans liked her.

Just as everyone was looking at Lin Kexin,

Lin Kexin raised her beautiful eyes and looked at everyone.

She was watching The Legend of Sword and Fairy in the corner.

Although there were no videos to watch online, she could choose to record the television drama and watch it secretly.

Lin Kexin carefully turned off her phone.

"Actually, I think... the actors in The Legend of Sword and Fairy acted really well."

"If possible, I also want to film two dramas with Lin Fan."

"Lin Fan is really... handsome."

Lin Kexin said as her long black hair fluttered down. Her ethereal eyes were filled with anticipation.

If only she could work with Lin Fan.

Compared to “Star Garden”, Lin Kexin preferred Lin Fan’s “The Legend of Sword and Fairy”.

In Lin Kexin’s eyes, how could there be such an awesome person in the world?

The acting skills of the actors were so good and the plot was so interesting. If only she could film “The Legend of Sword and Fairy”.

Hearing Lin Kexin’s words, everyone in the company: “...”

Lin Kexin was working with Huace Pictures...

Yuehua had not come to poach her yet.

But she was already conquered by Lin Fan’s acting skills and script!

Chapter 156 Lin Fan – the main cause of the success behind the viewership rating of “The Legend of Sword and Fairy”!

Lin Kexin smiled.

She didn’t care if “Star Garden” or “The Legend of Sword and Fairy” was better.

Wouldn’t it be fine if there were dramas to watch?

Although she was a big star in the entertainment industry and was very popular.

Lin Kexin was not experienced in the world. She was very simple. Even her hairstyle was the same as when she was in university. Her long black hair exuded the aura of a pure girl.

She had just turned 20 this year and had already become a big star.

So far, Lin Kexin had not signed a contract with any entertainment company and had become an artiste under them.

All the major entertainment companies wanted to win over a big star like Lin Kexin.

Huace Pictures initiated this collaboration with Lin Kexin. They were only going to film one television drama.

Lin Kexin was also working hard to film a television drama. She had no ill intentions towards Lin Fan and Xia Wanqiu.

She did not want to fight for the rankings. She just wanted to film a television drama well.

Therefore, when everyone in the company spoke, Lin Kexin said those words.

She wanted to act with Lin Fan./ please keep reading on MYBOXNOVEL(dot)COM.

It wouldn't be bad if he could act with Lin Fan.

There was no other reason except that Lin Fan was handsome.

Lin Fan was so handsome and good-looking that he completely crushed her co-star Wang Haoran.

Such was the difference between them.

CEO Liu smiled and said, "What Kexin said makes sense. The television drama 'The Legend of Sword and Fairy' was indeed filmed very well, but it's a pity that the viewership of this television drama doesn't seem to be very good. Until now, Sujiang Television hasn't said anything."

On the other side.

Sujiang TV.

All the staff gathered together and looked at the statistics.

Everyone's eyes widened as they watched everything in disbelief.

"Are these statistics real?" someone asked.

"Manager, I've already confirmed it. These statistics are absolutely accurate. There's no falsification," the staff said.

"D*mn... then these statistics are too crazy."

"The viewership for the first day of the Legend of Sword and Fairy is as high as 3.48%!!"

"D*mn, then 'The Legend of Sword and Fairy' has also broken the viewership ratings for the past twenty years. It's simply stunning."

"I thought that the television drama 'The Legend of Sword and Fairy' wouldn't do well. I didn't expect it to achieve such good results. I can't believe it."

"The Legend of Sword and Fairy is also popular. It's really popular and on-demand. Lin Fan is too awesome. Director Lin has filmed another popular television drama!"

"Also, did you guys notice that the viewership ratings for the premiere of Star Garden were about 3.5%, but the viewership ratings for the Legend of Sword and Fairy were 3.48%? There's only a 0.02% difference between them!"

"This means that 'The Legend of Sword and Fairy' is not inferior to 'Star Garden' at all. To be honest, if it wasn't for Xia Wanqiu's scandal some time ago and Lin Kexin's high popularity, in my opinion, 'Star Garden' wouldn't be able to compare to 'The Legend of Sword and Fairy'!"

“But this is only the first day’s viewership ratings. I feel that as the broadcast continues, the viewership ratings of ‘The Legend of Sword and Fairy’ will definitely surpass that of ‘Star Garden’!”

“I had already stayed up late yesterday to finish watching all 36 episodes of ‘The Legend of Sword and Fairy’. Who asked us to have a complete version of this television drama? After I finished watching it, I was already crying in the middle of the night...”

“Only those who have seen it can know how interesting the subsequent plot of ‘The Legend of Sword and Fairy’ is, how unique and grand the worldview is, and how torturous the plot between Lin Fan and Xia Wangiu is.”

“I can feel that ‘The Legend of Sword and Fairy’ will definitely become a classic masterpiece. You don’t know how exciting the interaction between Lin Fan and Su Xiaoyu is later on. There’s also the interaction between Lin Fan and Xu Yang.”

“Especially when Su Xiaoyu fell in love with Lin Fan and Lin Fan also fell in love with Su Xiaoyu. But when Lin Fan regained his memories and realized that the person he loved was Xia Wanqiu, the plot was so torturous. Su Xiaoyu sacrificed herself for their relationship. I was already crying miserably in the middle of the night.”

“I thought that this plot was already torturous enough, but at the final ending, I didn’t expect it to be like this.”

“Tang Yu and Ah Nu are both dead. Even Zhao Ling’er died in Li Xiaoyao’s arms. Although such a television drama is filled with regret, it’s really touching. In my heart, it’s a classic masterpiece!”

“A television drama with regrets is the most perfect. The Legend of Sword and Fairy will bring a lot of meaning to people. Maybe in another day, it will completely surpass Star Garden.”

“Should we announce the viewership ratings of this television drama?”

“Why don’t we let Lin Fan make the decision?”

After Sujiang TV made a unanimous decision, they told Yuehua Entertainment the most authentic data of “The Legend of Sword and Fairy”.

In Yuehua Entertainment.

Lin Fan, Xia Wanqiu, Su Xiaoyu, Xu Yang, Lin Jingjing, CEO Li, Lu Benkai and others were all sitting in the office.

The crew of “The Legend of Sword and Fairy” were also here.

When everyone heard that the viewership ratings for the premiere of “The Legend of Sword and Fairy” had reached 3.48%, other than Lin Fan, everyone was pleasantly surprised and shocked.

Before filming the television drama, no one was optimistic about “The Legend of Sword and Fairy”.

But after only three episodes, they had already discovered a fact.

The Legend of Sword and Fairy was not inferior to Star Garden at all!

The difference between the premiere viewership ratings of 3.48% and 3.5% was insignificant.

In other words, the standards of these two television dramas were still about the same.

However, this was only the beginning!

The subsequent viewership ratings were exceptionally important.

Which television drama would win would depend on how they performed next.

“Oh my god, oh my god... Our Legend of Sword and Fairy actually achieved such results. Who said that Yuehua can't compare to Huace Pictures?”

“We did it. After all this time, we did it!”

“The Legend of Sword and Fairy is not inferior to Star Garden at all!”

“Brother Fan, you're too awesome. You wrote the script and you were the director. Without you, this television drama would not be able to achieve such results!”

“Brother Fan is awesome. From now on, I'll be Brother Fan's hardcore fan. Who would have thought that Brother Fan's television dramas would be so amazing!”

“Brother Fan, why don't we post the viewership ratings of Star Garden and let those who doubt us take a good look?”

Everyone looked at Lin Fan.

Just as everyone thought that “Star Garden” had crushed “The Legend of Sword and Fairy”,

If they took out the viewership ratings of “The Legend of Sword and Fairy”, it would definitely shock everyone!

Chapter 157 Holding Hands ~

Looking at everyone's expectant gazes, Lin Fan just smiled.

“Everyone, I don't think it's necessary now.”

“The premiere ratings of ‘The Legend of Sword and Fairy’ are indeed not comparable to ‘Star Garden’.”

“But don't forget that this is only the beginning.”

“I believe everyone knows how interesting the plot of the Legend of Sword and Fairy is. Everyone has seen the rest of the plot live.”

“We don’t want to fight Star Garden head-on. It’s not because we’re afraid of them.”

“It’s because since the viewership ratings are going to be released, we have to do something...”

“We have to take the world by storm!”

After Lin Fan finished speaking, he looked at everyone.

Hearing Lin Fan’s powerful words, everyone felt his aura.

Look, this was the confidence of Yuehua’s genius director.

This was Lin Fan’s confidence.

Lin Fan’s words were too imposing.

All the staff present felt quite excited.

They had already succeeded. Since the viewership ratings for the premiere could not compare to that of Star Garden, what was the point?

Lin Fan was right. That was only the first day’s statistics.

The statistics on the first day could not determine the future of a television drama.

If a television drama wanted to become popular and become a classic in the hearts of the audience, it could not be decided by the first three episodes of the television drama.

It had to be decided by the entire television drama.

Only when the entire television drama was especially attractive could it be considered a classic and spread in everyone’s hearts.

This was Lin Fan’s strength and bearing!

Faced with the provocation of Huace Pictures and the arrival of “Star Garden”, Lin Fan wasn’t afraid at all and did not have any thought of retreating.

Because Lin Fan knew that the television drama “The Legend of Sword and Fairy” would never lose to any television drama!

Lin Fan was very confident in the Legend of Sword and Fairy.

Su Xiaoyu looked at Lin Fan with her beautiful eyes and applauded, “Master said it too well. As expected of Master. Awesome!”

Lin Jingjing also applauded.

Xu Yang looked at Lin Fan trustingly. Don't forget that Xu Yang was also Yuehua's top male artiste.

As Lin Fan's acting skills were better, Xu Yang became the male supporting actor in "The Legend of Sword and Fairy".

However, it was far-fetched to say that Xu Yang was not capable.

Xu Yang was one of the best actors in the entertainment industry.

At least, after Xu Yang was trained by Lin Fan and Xia Wanqiu's public displays of affection, he realized that his mentality had changed greatly. Xu Yang's mentality became even more stable.

Compared to before, Xu Yang realized that he had improved by leaps and bounds.

When he was with Lin Fan, Xu Yang could learn a lot.

For example... it turned out that showing off love should be done in that manner.

Later on, Xu Yang realized that when he was with Lin Jingjing, he could publicly display his affection to her to others too.

Damn it, could he still be stuffed with dog food all the time?

One day, he could also stuff others with dog food.

Ever since Xu Yang got out of Lin Fan and Xia Wanqiu's shadow, he had undergone a brand new transformation.

In this television drama, Xu Yang's acting skills were quite outstanding. When he acted with Lin Fan, he stunned all the staff present.

The subsequent plot was indeed the most interesting.

Su Xiaoyu and Xu Yang did not appear in the first three episodes.

Su Xiaoyu's acting skills were also amazing.

She was acting as Lin Yueru, who had a lot of ties with Li Xiaoyao in the drama.

Lin Yueru liked Li Xiaoyao, and Li Xiaoyao liked Lin Yueru too. Later on, when Li Xiaoyao regained his memories, he realized who he really loved. Then, with mixed feelings, Li Xiaoyao made his decision.

Lin Yueru had also sacrificed herself.

When they were filming, Lin Fan and Su Xiaoyu's scenes made Xia Wanqiu jealous for a few days.

Su Xiaoyu was usually super cute like a dog or a silly sweet girl who liked to hold cucumbers and bananas.

It was not because Su Xiaoyu would do anything strange with these things at night.

It was because she was a foodie, but she had to maintain her figure. Su Xiaoyu had to eat something and cucumbers and bananas were easy to preserve, especially cucumbers. After taking a bite, she could still eat them later.

If it was an apple, it would not taste good after a bite.

When Su Xiaoyu really acted, her acting skills and research on characters could be said to be quite outstanding and not inferior to Xu Yang.

She was quite smart, but she was usually lazy like a dog.

Don't forget that Lin Fan still had to celebrate Xia Wanqiu's birthday and give her a surprise in the last episode of Keep Running.

On Xia Wanqiu's birthday, she couldn't celebrate her birthday with Lin Fan.

It had been ten years since Lin Fan celebrated Xia Wanqiu's birthday with her.

Unfortunately, after Lin Fan became a superstar, he still couldn't celebrate Xia Wanqiu's birthday with her.

Due to work, Xia Wanqiu's birthday could only be spent on the show.

Therefore, Su Xiaoyu had guessed all of this in advance. She asked Lin Fan to give Xia Wanqiu a surprise that day.

Su Xiaoyu knew too much.

When she was acting with Lin Fan, her love and admiration for him were acted out too well.

In reality, that was Su Xiaoyu's true colors.

She was already beautiful and moving. Coupled with how handsome Lin Fan was, who wouldn't like him?

Su Xiaoyu liked him too, but it was already good enough that she could be Lin Fan's disciple.

As for relationships and love, Su Xiaoyu did not care.

When filming, seeing Lin Fan and Su Xiaoyu's acting skills, interactions, and mutual concern.

Xia Wanqiu was already furious.

She was very angry.

But she couldn't say anything.

After all, they were filming.

Luckily, there were no kissing scenes between Lin Fan and Su Xiaoyu.

CEO Li smiled and looked at Lin Fan. "What an amazing feat! You have indeed taken the world by storm!"

"Lin Fan said it too well. Previously, Huace Pictures gave Yuehua a huge blow."

"All the endorsements have been terminated."

"I believe these endorsements will regret it."

"This Legend of Sword and Fairy will definitely become really popular in the future. It will surpass Star Garden in all aspects. It's only a matter of time. I believe in all of you."

"I'm also here to announce something. From now on, Yuehua Entertainment will no longer be in charge of Xia Wanqiu's endorsements. Lin Fan will be in charge of all her endorsements."

"D*mn, if anyone dares to bully our company's artistes in the future, I'll be the first to deny it. With Lin Fan protecting Xia Wanqiu, I'll be at ease," CEO Li said with a smile.

All the endorsements terminated their deals with Xia Wanqiu.

CEO Li knew that Lin Fan was very unhappy.

Now, Lin Fan was in charge of Xia Wanqiu's endorsements.

When Xia Wanqiu became really popular, those endorsements would be daydreaming if they wanted to come back!

A big star like Xia Wanqiu would never lack endorsements again!

"Meow, meow ~" Xia Wanqiu looked at Lin Fan, her face slightly red as she nodded.

Lin Fan smiled brightly and walked to Xia Wanqiu's side. Without anyone noticing, he gently held her hand and wrapped his fingers around her.

How many times had she been bullied before?

Now, it was time for payback.

It was time for “The Legend of Sword and Fairy” to exert its influence step by step and surpass “Star Garden” in all aspects. Because the subsequent plot would be even more interesting

From today onwards,

With him around...

No one could bully Xia Wanqiu again!

Chapter 158: Visual Feast, The Legend of Sword and Fairy Is Extremely Popular!

Unknowingly, it was already Sunday night.

“The Legend of Sword and Fairy” and “Star Garden” had already become popular.

Until now, it was still “Star Garden” that slightly suppressed “The Legend of Sword and Fairy”.

However, this did not affect him because just looking at the data for the first few days did not mean anything.

The data in the later stages of a television drama was especially important.

After three episodes were broadcast on Sunday night, many of the audience were shocked.

In the seventh, eighth, and ninth episodes of “The Legend of Sword and Fairy”.

Lin Fan and Su Xiaoyu’s acting skills, his scenes with Xia Wanqiu, and Lin Fan and Xu Yang’s acting skills gave the audience a visual feast!

The previous six episodes had just revealed a world view.

When it came to the seventh, eighth, and ninth episodes, the world view had already become clear.

Especially when they saw Su Xiaoyu fall for Lin Fan. Such acting skills and the plot made many of the audience exclaim.

“This is really a visual feast...”

“Lin Fan and Xu Yang’s acting skills are really good.”

“The key is that Lin Fan is also so handsome. The television series ‘The Legend of Sword and Fairy’ is really too good!”

“You’re missing out if you don’t watch this television drama. How can such a good television drama not compare to Star Garden?”

“Lin Fan and Xia Wanqiu’s acting skills are too cool. I’m looking forward to next week!”

“It’s over. I won’t be able to sleep well tonight. I hate watching dramas the most. It’s such a good television drama. After Lin Fan became a director, I haven’t had a good night’s sleep.”

“Every television drama he creates is so exciting. From the previous ‘Joy of Life’ to the current ‘The Legend of Sword and Fairy’, I don’t know how to evaluate them anymore. I will lose out if I don’t watch it!”

“I sincerely recommend watching ‘The Legend of Sword and Fairy’. You won’t regret it!”

After broadcasting episodes seven to nine, the plot and popularity of “The Legend of Sword and Fairy” had already reached the top of Weibo’s trending topics list.

After the world view was completely revealed, the popularity of “The Legend of Sword and Fairy” actually exceeded that of “Star Garden”!

Not only that, it gradually became a trending topic online.

Lin Fan and Xia Wanqiu were completely popular.

Even an online author called Liu Dada who was previously known for being a hater posted a Weibo post when he saw episodes seven to nine of “The Legend of Sword and Fairy”.

/ please keep reading on MYBOXNOVEL(dOt)COM.

“Everyone, as you know, I’ve always been fair and just.”

“In the past, I mocked Lin Fan’s acting skills. Now, I want to express my sincere apology to Lin Fan.”

“Lin Fan’s acting skills are too godly. The television drama ‘The Legend of Sword and Fairy’ is too interesting. If you have time, you must watch this television drama properly.”

“Also, as a newcomer director, for Lin Fan to have such results already makes me a little suspicious if Lin Fan is really a newcomer director. Some of the techniques used in the television drama ‘The Legend of Sword and Fairy’ are the best in the country. The presentation and production of the scenes are all at the peak of perfection!”

After the Weibo blogger Liu Dada wrote his review, many big celebrities appeared online.

The most eye-catching thing was...

Even Lin Kexin posted on Weibo.

[I think ‘The Legend of Sword and Fairy’ is really good. Lin Fan’s acting skills are also super good ~~ Sister Wanqiu and Sister Xiaoyu acted very well. You can watch me act in ‘Star Garden’, and you can watch ‘The Legend of Sword and Fairy’ too. You can’t miss either television drama.]

When Lin Kexin posted this Weibo post, many of her fans were already exclaiming.

All along, there had been a direct confrontation between “The Legend of Sword and Fairy” and “Star Garden”.

Both television dramas were masterpieces.

But at this juncture, Lin Kexin took the initiative to post on Weibo to support “The Legend of Sword and Fairy”. At the same time, she advertised for “Star Garden”.

The competition between the two television dramas was the result of the competition between the entertainment companies behind them.

And Lin Kexin took the initiative to post on Weibo. This meant that...

The television drama “The Legend of Sword and Fairy” was really interesting!

Lin Kexin had never praised a television drama or movie.

Today, she publicly posted on Weibo to support Lin Fan’s “The Legend of Sword and Fairy”.

It was obvious that the plot of “The Legend of Sword and Fairy” had deeply attracted the big star Lin Kexin.

Lin Kexin was still a solo artiste and had not signed a contract with any entertainment company.

She was also not under the control of Huace Pictures and could say whatever she wanted.

Lin Kexin was very smart and wouldn’t offend Lin Fan.

She had known since she saw “Joy of Life” and “The Legend of Sword and Fairy”,

that Lin Fan was an outstanding actor. At the same time, he was also a screenwriting and directing master.

Every ability could allow Lin Fan to gain a foothold in the entertainment industry.

Whether it was the screenwriter or the director, they were all very important to an actor.

Lin Kexin knew that one day, she might take the initiative to look for Lin Fan to work with him.

In Lin Kexin’s eyes, Lin Fan was also a big star.

After Lin Kexin posted on Weibo, Lin Kexin’s Weibo was filled with good comments.

“Listen to Xinxin. We can also watch The Legend of Sword and Fairy!”

“Star Garden and The Legend of Sword and Fairy are both very good. There’s no need to compete.”

“Xinxin’s character is super good. I love you ~”

Furthermore, Lin Kexin took the initiative to follow Lin Fan, Xia Wanqiu, Su Xiaoyu, Xu Yang, and Lin Jingjing’s Weibo accounts.

Faced with Lin Kexin’s kindness, everyone followed Lin Kexin back as well.

Xia Wanqiu also took the initiative to post on Weibo.

[I think Star Garden is super good too. Everyone can choose to watch our Legend of Sword and Fairy and Star Garden at the same time.]

Xia Wanqiu and Lin Kexin were both big celebrities.

After the two girls posted on Weibo, the fights on Weibo decreased.

The competition in the entertainment industry had nothing to do with fans.

What the fans wanted to see were dramas.

Entertainment companies competed for popularity and internet traffic.

Lin Kexin’s actions undoubtedly created a win-win situation.

The competition between the entertainment companies did not involve celebrities.

After the two girls posted on Weibo...

The popularity of “The Legend of Sword and Fairy” and “Star Garden” increased a lot at the same time.

And at the same time,

It just so happened that Sunday's episodes of "The Legend of Sword and Fairy" were already over.

The Legend of Sword and Fairy had really become popular.

People on the streets and alleys, Weibo, Zhihu, Douban, Toutiao, and Tiktok were all discussing "The Legend of Sword and Fairy".

What no one expected was...

From this moment on, the popularity of "The Legend of Sword and Fairy" completely exceeded that of "Star Garden"!

Chapter 159: Breaking The 30-Year Record, Shocking The Entertainment Industry!

The entire Internet was completely shaken.

All the major social platforms were discussing "The Legend of Sword and Fairy".

The popularity and viewership of this television drama began to increase greatly.

The television drama was originally very perfect. After the world view was fully unfolded, the popularity of the entire television drama increased.

The television drama "The Legend of Sword and Fairy" had the potential to become extremely popular.

The scale of the discussion was even higher than that of "Joy of Life"!

"The Legend of Sword and Fairy is really nice to watch. Who is the young man who is the male lead in it? He's quite handsome. It would be great if my daughter could get to know him."

"I've finished watching all the updated episodes of this television drama. There are a total of nine episodes. I've never seen such a good television drama."

“The Legend of Sword and Fairy was directed by Lin Fan. We should call him Director Lin. Director Lin is awesome!”

“Where can I find videos of it. F*ck, I haven’t seen this television drama yet. There are only video clips online. There are no complete episodes. Anyone knows where I can watch the full episodes?”

“I’m looking for a place to watch episodes 1-9 of The Legend of Sword and Fairy!”

“I’m in trouble too. This television drama is really too fascinating. The key is that the male lead in it, Lin Fan, is really super handsome!”

The Legend of Sword and Fairy was trending rapidly on the internet.

At the same time, the staff of Sujiang TV gathered together and looked at the screen in disbelief.

If the viewership ratings of the premiere surprised them...

The viewership ratings after the first week of broadcasting shocked them.

Such viewership was too unbelievable.

Because... in all these years in the country, there had never been a television drama with such viewership!

The viewership ratings of “The Legend of Sword and Fairy” had increased again!

“D*mn, am I seeing things...”

“The viewership ratings for the television series ‘The Legend of Sword and Fairy’ have actually reached 4.1%!”

“The viewership ratings for the first week have already broken 4%. I’ve never seen a television drama with such viewership ratings in 20 or even 30 years.”

“4.1% viewership is unheard of for television dramas in our country.”

“Two days ago, I saw that the premiere ratings of Star Garden had already exceeded 3.5%. At that time, I thought that the premiere ratings of Star Garden were already shocking enough. Now, it looks like the viewership ratings of our Legend of Sword and Fairy have really broken historical records!”

“Director Lin is too awesome. This is a television drama he directed and a script he wrote. Many entertainment companies rejected Lin Fan’s script and no investors were willing to invest in this television drama. However, the results of this television drama are enough to beat every other television drama.”

“Is this Director Lin’s ability? Director Lin’s directing skills are also superb. He’s really a genius. If it wasn’t for him, the viewership ratings of our domestic television dramas wouldn’t be so high.”

“The reputation of this television drama has completely exploded. It has even exceeded the 3.85% viewership ratings of Star Garden.”

“Although it looks like it’s only over 0.25%, this 0.25% difference is like the difference between heaven and earth!”

“Quick, advertise this television drama well. We can’t let Star Garden surpass it.”

Many staff members of Sujiang TV exclaimed.

After exclaiming, they quickly got to work.

When “The Legend of Sword and Fairy” took the lead, news of it was also posted on Weibo at the same time.

[Shocking. The viewership ratings for the first week of “The Legend of Sword and Fairy” are 4.1%, breaking the record for the past 30 years of television dramas in the country. Its viewership ratings even exceeded that of the former television dramas adapted from the four great novels!]

[Star Garden’s viewership for the first week was also quite high at 3.85%. However, Star Garden is clearly no match for “The Legend of Sword and Fairy”.]

When the two Weibo posts reached the trending searches page,

The entire Weibo was in an uproar.

“D*mn, the Legend of Sword and Fairy actually broke the domestic viewership record of 30 years. This is too terrifying. Is this television drama really that good?”

“^ It’s better than good. You can search for videos. I have the link and have sent it to you.”

“Come, come, come. If you want links, send me a private message. The Legend of Sword and Fairy is such a good television drama. You have to watch it.”

“You won’t lose out by watching this television drama. The Legend of Sword and Fairy is really too good!”

When these two Weibo posts became trending on Weibo, all the audience, and even the entire entertainment industry, were shocked.

What did 4.1% viewership mean?

This meant that this was the only domestic television drama with a viewership rating that had broken past 4%.

Even Lin Kexin’s Star Garden, which had achieved impressive results, had only reached a viewership rating of about 3.85%.

This was not because “Star Garden” was not filmed well.

But because...

The Legend of Sword and Fairy was filmed too well!

This television drama had been at its peak since it debuted!

Don't forget that this was only the first week's viewership ratings. If it continued, how terrifying would the viewership ratings be? No one would know yet.

Seeing such a terrifying viewership rating, Lin Fan just smiled.

He knew that this was only the beginning.

The subsequent plot and stories would be even more interesting.

It was time for the full-scale battle with Huace Pictures to begin.

As for Yuehua's staff, Assistant Director Lu Benkai, CEO Li, Xue Kexin from the post-production team, and the various actors and celebrities, they were all impressed by Lin Fan.

If it wasn't for Lin Fan, how could there be such a popular television drama?

Lin Fan's outstanding directing ability had created such a classic television drama!

"Brother Fan is too awesome. Without Brother Fan, we might really be suppressed by Huace Pictures this time."

"Fortunately, Brother Fan is here. Now, I want to see how Huace Pictures can surpass our 'The Legend of Sword and Fairy'."

"However, don't underestimate Huace Pictures. As one of the largest entertainment companies in the country, Huace Pictures is very strong. They might really have a chance to surpass 'The Legend of Sword and Fairy' again. Furthermore, 'Star Garden' is also a popular television drama."

"I'm really angry for Wanqiu. So many endorsements have terminated their contracts with her. I'm afraid these endorsements will regret it."

"Wow, Master is awesome ~ I love Master to death. Those who bully our Sister Wanqiu should be killed ~" Su Xiaoyu looked at the viewership ratings and was a little excited.

The Legend of Sword and Fairy's script was written by Lin Fan and was also directed by Lin Fan.

And now, the popularity of the television drama “The Legend of Sword and Fairy” would probably be unstoppable!
