

## **I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 160-164**

### **Chapter 160: The True Moment of Counterattack, Shocking The Entire World!**

When many entertainment companies saw this news.

Everyone was shocked.

“Oh my god, the viewership ratings of ‘The Legend of Sword and Fairy’ actually broke 4.1%!”

“The historical record of 30 years was broken by Lin Fan’s television drama.”

“D\*mn, Lin Fan is so awesome. Previously, I thought that ‘The Legend of Sword and Fairy’ couldn’t compare to ‘Star Garden’, but from the looks of it, ‘The Legend of Sword and Fairy’ seems to be more awesome.”

“If I remember correctly, the screenwriter for ‘The Legend of Sword and Fairy’ is Lin Fan. The director is also Lin Fan, right? Why didn’t our company buy Lin Fan’s script previously?”

“As expected, I’ve underestimated Lin Fan. Lin Fan’s directing ability is actually so amazing...”

....

While the various entertainment companies were exclaiming, they also felt a little regretful.

The endorsements who had given up on Xia Wanqiu felt a hint of regret.

Xia Wanqiu’s popularity was already approaching Lin Kexin’s!

If this continued, Xia Wanqiu’s popularity might completely surpass Lin Kexin’s!

At Huace Pictures, everyone was a little stunned.

They had not expected that “The Legend of Sword and Fairy” would surpass them so quickly.

However, what kind of entertainment company was Huace Pictures? As the top entertainment company, Huace Pictures could not be defeated so easily.

CEO Liu looked at everyone and said, “Previously, I underestimated Lin Fan and Lin Fan’s ‘The Legend of Sword and Fairy’. However, this doesn’t mean that our Huace Pictures’ ‘Star Garden’ doesn’t have any hope.”

“From now on, the company will use all sorts of methods to advertise and help ‘Star Garden’ return to first place in the viewership ratings. Our viewership ratings are 3.85%. It’s not impossible to surpass the 4.1% of ‘The Legend of Sword and Fairy’.”

CEO Liu said. He had already decided.

To be honest, CEO Liu felt angry.

Damn, “Star Garden” was originally supposed to occupy first place stably.

But Lin Kexin did something stupid.

She openly promoted “The Legend of Sword and Fairy”.

However, CEO Liu could not say anything to Lin Kexin.

Lin Kexin was not an artiste under Huace Pictures at all. She had only signed a contract with Huace Pictures for this television drama.

CEO Liu’s eyes turned cold.

If Huace Pictures could sign Lin Kexin, he would definitely make her pay.

No matter how popular Lin Kexin was, as long as she became an artiste of Huace Pictures, Huace Pictures would have a chance to ban her at any time.

1

At that time, he would make Lin Kexin pay the full price for what happened today.

It just so happened that Lin Kexin was the school belle of Beijing Film Academy. The entertainment industry was dirty. What school belle? She was going to be the woman under him eventually.

As long as they could sign her, if Lin Kexin did not agree to sleep with him, Huace Pictures could completely ban Lin Kexin.

1

No matter how popular a celebrity was, it was almost impossible for them to fight a top entertainment company alone.

This was the current situation in the entertainment industry. The waters of the entertainment industry were very deep.

Now, Huace Pictures still had to rely on Lin Kexin.

But in the future, Huace Pictures would never let Lin Kexin off.

Under normal circumstances, female celebrities could only choose to compromise for their future.

Unless this female celebrity had a stronger background, so strong that Huace Pictures did not dare to touch her.

Obviously, Lin Kexin did not have this ability.

“Lin Kexin, just wait and see...”

“The company won’t promote you for nothing. As long as you become an artiste of the company...” CEO Liu’s gaze was cold as he thought to himself.

To be able to become a boss in the entertainment industry, CEO Liu was definitely not a simple person.

If it wasn't for this matter, the company might have gone all out to nurture Lin Kexin.

However, because Lin Kexin had caused the Legend of Sword and Fairy to surpass Star Garden, the company naturally wouldn't let her off so easily.

At that time, if Lin Kexin was willing to compromise, Huace Pictures would continue to nurture her.

If she didn't compromise...

Then the company would completely ban her!

Finally, in the next month, under the promotion of Huace Pictures, the popularity of "Star Garden" increased.

And the viewership ratings of "Star Garden" were also increasing rapidly.

At the same time, a group of haters who criticized Xia Wanqiu appeared on the Internet, as well as some haters who criticized "The Legend of Sword and Fairy".

Huace Pictures' were extremely good at advertising, and they were also very good at attracting attention. They tried all sorts of methods to help "Star Garden" attract attention.

Of course, Yuehua Entertainment would not sit back and do nothing. They were also helping "The Legend of Sword and Fairy" attract attention.

However, Yuehua Entertainment was still no match for Huace Pictures.

Because Yuehua Entertainment was not as rich as Huace Pictures.

Huace Pictures had a large number of investors and many endorsements. Coupled with Huace's own strength, it was much easier to attract attention.

Yuehua Entertainment had spent 200 million yuan on "The Legend of Sword and Fairy". They had already spent a lot of money. It was extremely difficult to attract more attention.

Under the dominance of Huace Pictures, the viewership ratings of “Star Garden” once again exceeded that of “The Legend of Sword and Fairy”.

Huace Pictures would not lose, much less admit defeat.

Lin Kexin personally helped promote “The Legend of Sword and Fairy”, but Huace Pictures did not.

Huace Pictures used even more forceful methods.

All sorts of marketing accounts started marketing Star Garden on the news.

[Star Garden’s viewership ratings have already reached 4.5%, while The Legend of Sword and Fairy’s viewership ratings are only 4.15%. Star Garden is already ahead of The Legend of Sword and Fairy in all aspects.]

[The viewership ratings of ‘The Legend of Sword and Fairy’ can’t compare to that of ‘Star Garden’. The main reason is because of the scandal between Xia Wanqiu and Lin Fan.]

[Looks like Yuehua is going to fail completely this time. Although the Legend of Sword and Fairy is very popular, it can’t compare to Star Garden.]

Finally, the last week arrived.

In the last week,

It would determine which television drama would win in the end.

The battle between the two television dramas had already reached its climax.

And today, the twenty-eighth episode of “The Legend of Sword and Fairy” would be broadcast.

It could be said that the first 27 episodes of “The Legend of Sword and Fairy” were all to pave the way for the plot and explain the story.

Starting from the 28th episode, this television drama began to reach its true climax.

Episode 28's plot:

When Li Xiaoyao got close to Zhao Ling'er and was locked up, the effect of the "Sorrow-Forgetting Poison" that Li Xiaoyao ate seemed to decrease. He remembered all the things that happened on Immortal Spirit Island with Zhao Ling'er. Li Xiaoyao hugged the locked Zhao Ling'er and was in so much pain that he wanted to die. Zhao Ling'er's soul was moved by Li Xiaoyao's true feelings and returned to her body to revive her. In order to help Li Xiaoyao and Zhao Ling'er, Lin Yueru sacrificed herself and died in the Demon Sealing Tower. When Li Xiaoyao woke up, he knew that Lin Yueru had died and was extremely sad. In order to save Zhao Ling'er, he went to the Nuwa Temple and obtained the Qilin horn. He was sent back to ten years ago by Mother Nuwa, on the day of the Witch Empress' public trial.

Such a plot was undoubtedly sad.

The Legend of Sword and Fairy had also begun to head towards a true tragedy.

The girl who had always loved Li Xiaoyao, Lin Yueru, would die to help Li Xiaoyao and Zhao Ling'er.

In reality, Lin Fan, Xia Wanqiu, and Su Xiaoyu were going to act in a very tragic story here.

Su Xiaoyu was going to act as Lin Yueru. She had to lose her life to help the person she loved the most.

Therefore, this was also the moment when her acting skills exploded in the entire television drama.

Finally, episode 28 began.

The true climax of "The Legend of Sword and Fairy" was coming.

All the audience gathered in front of the television and focused on episode 28.

Immediately after, countless people in the audience cried.

Many of the audience were already sobbing.

This television drama... was so hurtful that it made them feel so much pain, so conflicted, and so desperate.

But it was the plot here that elevated the entire story.

Watching the plot develop step by step,

All the audience's eyes were red.

Whether it was a man or a woman, an adult or a child, their eyes turned slightly red.

Because...

Here, everyone's acting skills completely exploded.

The climax of "The Legend of Sword and Fairy" had arrived.

This also meant...

The final moment where "The Legend of Sword and Fairy" overtook Star Garden was about to arrive!

In the previous episodes, "The Legend of Sword and Fairy" had never been able to compare to the viewership ratings of "Star Garden".

In the first 27 episodes, the plot of "The Legend of Sword and Fairy" was very interesting and attracted the audience.

However, the plot of "Star Garden" was also outstanding. Lin Kexin's personal acting skills were too good. Coupled with the relaxed and humorous style of the entire television series, it attracted a lot of viewers.

There was also the strong advertising of Huace Pictures, which made "Star Garden" almost invincible.

Other than the first week, when “The Legend of Sword and Fairy” took the lead briefly, in the following month, “The Legend of Sword and Fairy” was suppressed the entire time.

At the end of the day, there was still a difference between Yuehua and Huace Pictures.

If Yuehua Entertainment had the influence and economic strength of Huace Pictures, they wouldn't be as passive as they were now.

The reason why “The Legend of Sword and Fairy” could achieve such results was because of its true ability. The company did not advertise it much because the company really did not have much money left.

Xia Wanqiu's endorsements were terminated, and it had a huge impact.

In the last week, it was also the moment when the ending was about to be broadcast.

There was not much time left. The victory of “Star Garden” seemed to have become a foregone conclusion.

However, when “The Legend of Sword and Fairy” reached episode 28, the most exciting part of the entire television series finally arrived.

Before episode 28, no one had expected this to be such a tragedy.

In this episode,

When the audience saw Lin Fan recalling Xia Wanqiu, and saw Li Xiaoyao know that the person he loved the most was Zhao Ling'er, they saw the changes in the protagonist's acting skills and the protagonist's pain.

Then, they saw Su Xiaoyu acting as Lin Yueru, giving up her life for the person she loved the most.

Millions and tens of millions of viewers,

Cried at this moment.

The historical scene froze at this moment!

### **Chapter 162: Brother Fan, You're Really Too Fierce!**

After the finale was released, "The Legend of Sword and Fairy" could be said to have killed everyone.

No one had expected that...

After the finale of "The Legend of Sword and Fairy" was broadcast, such a grand scene could be formed.

Weibo, Toutiao, Bilibili, and all the other major apps collapsed.

One could imagine how many users rushed in at the same time.

The popularity of this television drama was already immeasurable.

"This drama is truly f\*cking trending throughout the Internet."

"I've never seen such a popular television drama. Lin Fan... how did Lin Fan do it?" CEO Li was in disbelief.

They had always been slightly weaker than Star Garden in their battle with them previously. It was all within expectations.

In the last week, even Yuehua Entertainment felt that there was no hope.

But when reality happens, it often exceeds the expectations of ordinary people.

The entire Yuehua Entertainment did not expect this to happen.

When the finale was released, "The Legend of Sword and Fairy" completely killed "Star Garden"!

Not to mention Yuehua Entertainment, even the people from Huace Pictures did not expect this.

Even Su Xiaoyu, Xu Yang, Xia Wanqiu, Lin Jingjing, and the others were shocked.

Lin Fan said he would counterattack and kill them, and he did as he said.

And it was a crushing victory with a huge advantage!

This was like if he was playing basketball and his team was still 30 points behind their opponent at the last minute.

However, he suddenly displayed his divine courage and kept scoring three-pointers at the last minute and was unstoppable.

On average, he could score a three-pointer every six seconds. He did not miss any shots he took and directly killed the opponent who had the advantage!

Huace Pictures had worked hard for more than a month, but in the end, they were surpassed and killed just like that. Who could they reason with?

“Brother Fan... is really a little too fierce,” Xu Yang said.

Even Xu Yang had to praise him.

The way he referred to Lin Fan had also become Brother Fan.

Even Yuehua’s top male artiste would have to be replaced.

Xu Yang could not help but sigh.

Was this life?

“We won, we really won,” Lin Jingjing said in surprise.

After the finale was broadcast, the final viewership rating of Huace Pictures' "Star Garden" was fixed at 4.53%.

However, the viewership ratings for Yuehua Entertainment's "The Legend of Sword and Fairy" were not out yet.

The staff of Sujiang TV were already repeatedly checking the data.

"Is that possible?"

"That's impossible. The ratings of 'The Legend of Sword and Fairy' are actually so high. Could it be that there's a bug?" the boss asked.

"Boss, there's no bug. It's just that the television drama 'The Legend of Sword and Fairy' is too popular..."

"The viewership ratings of 'The Legend of Sword and Fairy' have actually reached... 7.53%!"

"It's 3% higher than the viewership ratings of Star Garden!"

"Boss, if nothing goes wrong, 'The Legend of Sword and Fairy' will probably become a true masterpiece! With a viewership of 7.53%, I'm afraid it's impossible for anyone to surpass such results in the future," the staff said.

"D\*mn, 7.53% viewership. In the past 30 years, no television drama has ever achieved such results. This is simply... unbelievable."

"Lin Fan is too amazing. His first drama, Joy of Life, was already very popular. When it came to his second drama, The Legend of Sword and Fairy, it was even more popular. This television drama might really become a classic masterpiece!"

"No, Boss. This television drama is already a classic."

"Even Weibo collapsed... One can imagine how popular this television drama is."

“D\*mn, Weibo has really collapsed. Is Lin Fan even human?”

....

All the staff members of Sujiang TV felt that it was unbelievable.

It would be fine if “The Legend of Sword and Fairy” merely broke the record.

Now, they had not only broken a record, they had created history!

Then, Sujiang TV released the viewership ratings of “The Legend of Sword and Fairy”, which was 7.53%!

After Weibo was restored, it quickly became the top trending topic on Weibo.

“66666666, 7.53% viewership. This is too extraordinary.”

“I don’t know what to say anymore. I just want to say that Brother Fan is awesome!”

“^, watch your words. You shouldn’t call him Brother Fan. You should call him Director Lin!”

“Director Lin’s directing skills are too strong. He gave our country such a classic television drama, but we haven’t seen enough of it. Before I knew it, it was done. Sigh, I still want to watch television dramas again.”

“Such viewership is unprecedented. I’m afraid only Brother Fan can surpass such viewership.”

“I’m afraid it’ll be very difficult for Brother Fan to surpass such viewership in the future. 7.53%. What kind of person can do this? It’s really incomparable!”

“I’m already too impressed with Brother Fan. For Brother Fan to be able to create such a record, he’s many times better than Star Garden.”

When the viewership ratings were announced,

All the staff in Yuehua Entertainment were cheering.

“D\*mn, awesome!!”

“Our Yuehua won. With 7.53% viewership, who can fight us?!”

“Brother Fan is really too fierce. I also want to be Brother Fan’s last disciple.”

“A television drama that Brother Fan casually directed saved our entire company.”

“In the future, if anyone dares to bully Xia Wanqiu again, after this television drama, Xia Wanqiu’s popularity will probably soar!”

The staff in Yuehua exclaimed.

What they said was not wrong.

After the television drama “The Legend of Sword and Fairy”, Xia Wanqiu’s popularity had increased too much.

Xia Wanqiu’s Weibo fans had reached 100 million!

Lin Fan’s Weibo fans had increased to 20 million.

Lin Fan’s Weibo fans had really broken through the 20 million mark!

Su Xiaoyu’s fans had reached more than 78 million, and Xu Yang’s fans were also increasing.

And now, on Tiktok’s celebrity rankings, Xia Wanqiu was already sitting firmly in first place. Her popularity had already exceeded Lin Kexin’s!

Xia Wanqiu had become even more popular with this television drama!!

It was worth mentioning that she did not have any endorsement deals or investors investing in her. Instead, she looked very relaxed.

Huace Pictures.

When the people from Huace Pictures saw the viewership ratings of “The Legend of Sword and Fairy”, all the staff felt a little disbelief.

“Oh my god, this can’t be true. 7.53% viewership. Who can compare to that?”

“That’s right. Could such viewership be fake?”

“How can Director Lin Fan’s television drama be so amazing...”

When CEO Liu of Huace Pictures saw this news, he sat down weakly.

“No...”

“To think that there would be such high viewership. Our Huace Pictures has lost...”

“This is impossible... impossible!!!”

### **Chapter 163: The Legend of Sword and Fairy, A Godly Masterpiece!**

CEO Liu’s eyes were filled with disbelief.

No matter what, Huace Pictures had already lost.

In the end, it could not compare to the Legend of Sword and Fairy.

All of this could not be blamed on Huace Pictures’ ability.

It was because the television drama “The Legend of Sword and Fairy” was too awesome.

When the entire television series reached the finale, the plot was completely elevated.

This could only mean that Lin Fan's directing ability was too amazing.

If it wasn't for Lin Fan, Yuehua Entertainment wouldn't have been able to defeat Huace Pictures.

"The Legend of Sword and Fairy has really become popular."

"No matter what, I underestimated Lin Fan."

"Lin Fan is really not an ordinary person..." CEO Liu said and could only sigh helplessly.

It would be even more difficult to target Lin Fan in the future.

Lin Fan wasn't easy to deal with. With Yuehua's protection, Lin Fan would be like a fish in water in the entertainment industry.

The defeat of Huace Pictures also caused a huge stir in the entertainment industry.

All the celebrities congratulated Lin Fan on Weibo.

"Lin Fan's acting skills are really good. If it wasn't for this, the Legend of Sword and Fairy wouldn't have achieved such great success. I have to give Lin Fan a big thumbs up."

"I've also followed the drama 'The Legend of Sword and Fairy'. Congratulations to Director Lin for obtaining such results. Director Lin's ability is indeed different from the norm. It's not something that ordinary people can compare to."

"Lin Fan, you'll forever be my idol!"

"I wonder if there will be any new seasons of 'The Legend of Sword and Fairy'. If there will be new seasons, we have to film them. This is the starting point of our country's Xianxia dramas. With a big director like Lin Fan around, we will definitely be able to film even more classic television dramas in the future!"

Many A-list celebrities congratulated Lin Fan on Weibo.

At that moment, Lin Fan had become an extremely popular person in the entertainment industry.

All the celebrities liked Lin Fan very much. It wasn't just because Lin Fan was handsome or because of his acting skills. Most importantly, Lin Fan was a scriptwriting master and had top-notch directing skills.

Furthermore, after this drama was broadcast,

It actually got a 9.3 on Douban!

When Douban's score was announced, the audience exclaimed.

"It's been so many years, but there hasn't been a television drama or movie with such high ratings on Douban. The Legend of Sword and Fairy is really awesome!"

/ please keep reading on MYBOXNOVEL(dOt)COM.

"That's right. In the past, Douban would only give high marks for some outstanding foreign films. Now that our domestic television dramas have finally become popular, it's worth such a high score!"

"Lin Fan is awesome! \*screams until voice breaks\* "

"Lin Fan is a genius director in our entertainment industry. If you can get Lin Fan to be a director for your TV dramas, maybe you can film classic television dramas too."

At the same time, many film reviews of "The Legend of Sword and Fairy" appeared on various social media websites.

The outstanding parts of this television drama received countless applause from the audience.

Many famous bloggers expressed their opinions on the television drama "The Legend of Sword and Fairy".

“The Legend of Sword and Fairy is indeed extraordinary. There are too many reasons why this television drama can become so popular. First of all, Lin Fan’s creation of this script is too perfect. He’s the scriptwriter, the director, and the actor. His control of every character can be said to be at the peak of perfection.”

“In this television drama, the characters created are artistic and realistic. For example, Li Xiaoyao’s chivalry, Lin Yueru’s infatuation, and Ling’er’s responsibility. Everyone can find their own shadows in the characters. I have to say that Lin Fan, Xia Wanqiu, and Su Xiaoyu’s acting skills are too good.”

“It’s precisely because of their acting skills that this television drama is so successful.”

“The theme of this television drama is fate. The so-called tragedy is the feeling of helplessness when you face something beautiful and know that it will inevitably be destroyed. This is also the classic part of ‘The Legend of Sword and Fairy’. As the director, Lin Fan has deeply focused on the psychology of the audience. ‘The Legend of Sword and Fairy’ has undoubtedly pioneered Xianxia dramas and paved the way for future Xianxia dramas.”

“Whether it was Lin Fan, Xia Wanqiu, Su Xiaoyu, Lin Jingjing, or Xu Yang, everyone acted as the most suitable role at the best age. Whether it was the main characters or the supporting roles, every character was three-dimensional.”

...

All sorts of film reviews appeared in various places.

Almost every place was praising this television drama.

Especially Lin Fan, he was already deeply rooted in everyone’s hearts.

If the popularity of “Joy of Life” previously allowed Lin Fan to enter the public eye,

Then “The Legend of Sword and Fairy” was a masterpiece that turned him into a god!

In Bilibili, a new uploader, Teacher Shi, silently recorded videos of the Legend of Sword and Fairy and started to explain it.

“Good evening, everyone. Today, Teacher Shi is here to explain a television drama to everyone. Yes, it’s ‘The Legend of Sword and Fairy’ that’s been very popular recently.”

“Today, I’ll help everyone analyze why ‘The Legend of Sword and Fairy’ could become so popular.”

“The male lead of this television drama is Lin Fan. I don’t have to say much. Let’s show some photos of Lin Fan. Everyone, look at how handsome Lin Fan is.”

“I’ll show everyone more photos of fairies. Xia Wanqiu, Su Xiaoyu, and Lin Jingjing are all very pretty.”

“With such a beautiful lineup of main leads and such a handsome main lead like Lin Fan, it would be difficult for this television drama not to become popular.”

“Let’s look at the plot again. First of all, the plot of this television drama is undoubtedly the most perfect. From the beginning to the end, there are almost no flaws.”

“The reason why this television drama is so popular is not only because the protagonists’ acting skills and looks are quite good, but also because of other factors.”

“What I want to say here is... please look at the scenes of ‘The Legend of Sword and Fairy’, special effects, dubbing, and post-production.”

“In the Legend of Sword and Fairy, no stand-ins were used. This is also why this television drama was so popular.”

“At the end of the day, the reason why this television drama is so popular is all because of Lin Fan.”

“Lin Fan is a genius screenwriter in the entertainment industry, and he’s such a handsome actor. He’s much more handsome than me, Teacher Shi...”

After Teacher Shi finished editing the video, he uploaded it to Bilibili.

Then...

His video became popular!

Even Teacher Shi himself became popular!

“6666666!”

“Come and see Lin Fan’s handsome face. He’s so handsome ~”

“Ah ah ah, Brother Fan is so handsome. Xia Wanqiu is also so beautiful. They’ve already acted in two relationship shows together. When can they get together?”

“You said it so well. Even you think Brother Fan is so handsome.”

Looking at so many comments.

Teacher Shi could not help but be shocked.

In the past, no matter what kind of video he made, it would not be popular.

But ever since the Legend of Sword and Fairy appeared, the first video he uploaded had already made him popular!

And the reason for it was very simple. He just casually posted a few photos of Lin Fan and it made him popular.

COMMENT

Who asked Lin Fan to be a big star in the entertainment industry?

Teacher Shi felt a little envious.

A small fry like him would probably never get to meet Lin Fan.

If he could see Lin Fan once in his life, he would be satisfied.

After all... it was because of Lin Fan that he, the little uploader who had lost his job, had a chance to survive.

Lin Fan, who was still in the Lake Heart Villa, didn't know.

Unknowingly, he had already gained a small hardcore fan.

The current him was already a popular celebrity on the Internet!

### **Chapter 164: Confessing to Xia Wanqiu!**

Yuehua Entertainment.

Lin Fan was working in his office.

After a while, there was a knock on the door.

A beautiful girl walked in. It was Lin Fan's manager, Lin Qianwei.

"Brother Fan," Lin Qianwei stood in front of Lin Fan and said.

"Mmm, what is it?" Lin Fan asked.

"Brother Fan, there are about 18 endorsement companies that want you to be their spokesperson. The prices they offer are not low," Lin Qianwei said seriously, holding some folders in her arms.

"How much are they offering?" Lin Fan looked up and asked.

"Mengniu Yoghurt offered an endorsement price of 2.36 million."

"Alice Masks offered an endorsement price of 3.48 million."

"A skincare company also wants you to be their spokesperson. They only need you to take some photos and have offered six million yuan for you to do so." Lin Qianwei said.

Lin Fan waved his hand. "There's no need to continue. Reject them all."

"Reject them all?" Lin Qianwei looked at Lin Fan in surprise.

"Yes." Lin Fan nodded.

"Alright," Lin Qianwei said. She turned around and went to settle the administrative work.

The total potential earnings from the 18 endorsements were tens of millions. However, Lin Fan didn't accept any of them. He didn't even let Lin Qianwei continue.

He rejected all of them and did not accept any endorsement deals.

Lin Qianwei knew that she was Lin Fan's manager.

She would do whatever Lin Fan asked her to do.

Furthermore, Lin Fan was now a superstar.

Not only that,

Lin Qianwei also knew that Lin Fan lived in the Lake Heart Villa which was worth hundreds of millions. He drove a Bugatti that was worth hundreds of millions.

Lin Fan was probably richer than those endorsement companies. Why would he endorse these things?

Even if he could endorse them, Lin Fan wouldn't do it.

She felt proud to be Lin Fan's manager.

After he was done, Lin Fan stood up and walked to Xia Wanqiu's office. He saw Xia Wanqiu resting on the table.

She was really too tired these days.

Not only did she suffer a lot, but she also had to film.

After filming, she did not choose to rest. Instead, he sat in his seat and fell asleep.

She was wearing a cat-eared hat and looked as pretty as ever when she was asleep.

She was alone in her office.

Lin Fan walked in and gently closed the door.

Looking at the tired Xia Wanqiu, Lin Fan smiled.

He did not enter the entertainment industry to earn money.

He had reached this point and filmed two popular television dramas for Xia Wanqiu.

Lin Fan wasn't short of money and wouldn't keep filming television dramas for money.

Those endorsements were very troublesome. One endorsement was only a worth few million yuan, and endorsing large companies might earn you tens of millions in endorsement fees.

However, Lin Fan didn't care.

He cared more about Xia Wanqiu.

Seeing that the girl in front of him was closing her eyes, Lin Fan slowly walked up to her.

He did not have any bad intentions. It was just that the cat was too beautiful. Lin Fan couldn't help but want to go up and kiss Xia Wanqiu.

She was already asleep. Even if he kissed her, he wouldn't be discovered, right?

Lin Fan leaned forward and looked at the girl in front of him. He couldn't take it anymore.

He decided to go up and kiss her.

Even if he had to risk being beaten up later, he had to finish kissing her first.

Lin Fan was getting closer and closer to Xia Wanqiu's forehead. He could even feel her breathing.

Soon, Lin Fan could kiss the girl in front of him.

Three centimeters...

Two centimeters...

One centimeter...

Xia Wanqiu opened her eyes and looked at Lin Fan in shock.

And then...

As Xia Wanqiu widened her eyes, Lin Fan slowly kissed her forehead.

They were already a centimeter apart, how could he not kiss her?

Xia Wanqiu's face was slightly red as she looked at Lin Fan. She was mildly angry as she made a kitten gesture and bit at Lin Fan.

"Don't bite, don't bite. I was wrong," said Lin Fan with a smile as he hurriedly dodged.

"Lin Fan!!!" Xia Wanqiu was very angry. Her cheeks were already red. She had just woken up and saw Lin Fan bullying her.

If she went home with Lin Fan and slept on the same bed as him, Lin Fan might do something bad.

Xia Wanqiu was very angry.

She wasn't Lin Fan's girlfriend yet and Lin Fan was already bullying her like this.

If she became Lin Fan's girlfriend in the future, who knew what Lin Fan would do?

Looking at Xia Wanqiu, Lin Fan thought that she was really angry and stopped running.

At this thought, Lin Fan felt a little guilty.

He did seem to have done something wrong.

After all, he and Xia Wanqiu were not boyfriend and girlfriend yet.

Lin Fan also knew that it was because of him that Xia Wanqiu was at the center of attention.

She could have been a big star quietly, but because of Lin Fan, she was always trending.

This time, Lin Fan didn't run away.

He stood on the spot and looked at Xia Wanqiu.

"I'm sorry." Lin Fan apologized seriously. He and Xia Wanqiu weren't a couple. He shouldn't keep taking advantage of her. Wasn't this cheapening her?

"Huh?" Xia Wanqiu stood up. Before her fist could land on Lin Fan, it stopped.

"I've thought about it. For so many days, if it wasn't for me, you wouldn't be where you are now."

"It's all my fault, Wanqiu."

“But it’s alright now. We’ve finally filmed a television drama that the audience likes. I saw that your Weibo fans have already exceeded 100 million. Also, you’ve reached first place in the Tiktok Celebrity Rankings. You’ve finally surpassed everyone,” said Lin Fan with a smile.

“What else?” Xia Wanqiu asked.

“I shouldn’t take advantage of you every time and bully you every time. I can’t hold your hand without your permission, let alone kiss you secretly,” said Lin Fan.

In the past, Lin Fan wouldn’t get close to any girl.

Even if a girl took the initiative, Lin Fan would keep his distance.

He wouldn’t take advantage of girls, but after meeting Xia Wanqiu, Lin Fan realized that his mentality seemed to have changed a little.

Today, Lin Fan woke up from his dream.

He was not Xia Wanqiu’s boyfriend, so he could not bully her like this.

This was Lin Fan’s principle.

Lin Fan wasn’t a simp. He never simped for any girl. He just felt that he had done something wrong.

1

“So, don’t be angry. I won’t be like this in the future.” Lin Fan looked at Xia Wanqiu and smiled.

Looking at Lin Fan behaving like this, Xia Wanqiu smiled sweetly and blinked. Her face was a little red.

“Meow, meow?”

“Idiot, you just secretly kissed me. Of course I’m angry. It’s not fair.”

“If you kiss me, I’ll kiss you back. That’s fair.”

Xia Wanqiu stood on her tiptoes and planted a kiss on Lin Fan’s forehead.

Looking at the girl in front of him, Lin Fan was a little stunned.

He thought that he had done something wrong, but Xia Wanqiu told him he did not with her actions.

How could there be such a nice girl in this world?

Looking at the blushing girl in front of him, Lin Fan felt his heart melt.

Lin Fan decided.

He would not give Xia Wanqiu a surprise on her birthday, nor would he confess at that time.

Now, immediately,

He had to confess to her!

He wanted to officially make her his girlfriend!
