

## **I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 180-184**

### **Chapter 180: He Will Celebrate This Birthday With You**

At the filming location of Keep Running.

Xia Wanqiu, who had been busy for the entire day, was sleeping in the car.

In the end, she gradually felt more disappointed.

In the past, she couldn't celebrate her birthday with Lin Fan.

This year was the same.

In her heart, she still hoped to celebrate her birthday with Lin Fan.

Although a birthday was not important, this was Xia Wanqiu's obsession for many years.

There were many guests and celebrities recording Keep Running together.

What was worth mentioning was that the person sitting in the car with Xia Wanqiu was the superstar, Lin Kexin.

"Sister Wanqiu, happy birthday ~" Lin Kexin smiled.

"Thank you." Xia Wanqiu smiled.

"Sister Wanqiu, when will Lin Fan come to celebrate your birthday with you today?" Lin Kexin asked.

Other people didn't know about Lin Fan and Xia Wanqiu's relationship, but Lin Kexin did.

Even if they were not a couple, Lin Fan and Xia Wanqiu had a very good relationship.

Moreover, almost everyone in Keep Running knew that Lin Fan would come.

This was all prepared by the program well in advance.

Only Xia Wanqiu and Lin Kexin didn't know.

After all, when recording Keep Running today, Xia Wanqiu and Lin Kexin were together most of the time.

"He probably... won't be coming."

"It's just a birthday. It's no big deal." Xia Wanqiu smiled lightly, not taking it to heart on the surface.

She just didn't want to say that Lin Fan had already forgotten her birthday.

As a girl, she would be at least a little disappointed if the boy she liked forgot her birthday.

Lin Kexin looked at Xia Wanqiu and smiled. "Sister Wanqiu, with my female sixth sense, I don't think he will forget."

"What kind of person is Brother Lin Fan? He's a screenwriting master. His scripts are super good and he's even a super awesome director. How can such a meticulous boy forget your birthday?" Lin Kexin said.

"Unless... he deliberately forgot about it in front of you." Lin Kexin's smile was enchanting. She had graduated from Beijing Film Academy. Although she had never been in a relationship, she was still very smart.

"I don't believe you. The greater the expectations, the greater the disappointment," Xia Wanqiu stuck out her tongue and said.

"Alright, let's not talk about it. There's a camera. If this scene gets broadcast, won't everyone think that there's something going on between me and Lin Fan?" Xia Wanqiu said.

Lin Kexin leaned on Xia Wanqiu's shoulder and said, "Sister Wanqiu, there is actually something going on between you and him. You guys look so compatible that I'm a little envious."

Xia Wanqiu blushed. "Move aside ~"

Lin Kexin became even more clingy. "I don't care, I don't care ~"

Xia Wanqiu's heart was filled with anticipation.

If only he could really come.

So what if they were seen by so many people in front of the live broadcast?

It would be best if she could celebrate her birthday with him.

Suddenly, Xia Wanqiu felt a little flustered.

She looked up and felt a sharp pain in her chest.

The sudden sign made Xia Wanqiu's face turn pale.

And in another place.

On a road in Shanghai.

6.23 pm.

There had been a car accident.

The Bugatti La Voiture Noire was half broken.

The airbag popped out.

Lin Fan had already fainted in the car.

Blood flowed from his head to the ground.

A minute ago, Lin Fan was driving towards the Crystal Restaurant in advance. However, an accident happened.

There was a pretty little girl on the crosswalk. She was about eight years old. She was crossing the crosswalk when a car lost control in front of her. The brakes and steering wheel failed. It rushed towards the little girl very quickly.

The little girl was frightened. She didn't even know where to run towards.

On the road, at a speed of 60 km/h, it was enough to kill a little girl.

At the critical moment, Lin Fan's Bugatti rushed out and collided with the van.

Lin Fan saved the driver of the van and the little girl.

The moment he made the decision, Lin Fan didn't regret it at all.

He was not a saint or a deity, and he could not make this van stop with his mind.

But the little girl on the crosswalk was a living being.

Lin Fan couldn't leave her in the lurch.

This was his principle as a person. Lin Fan wouldn't be cold just because an old lady fell on the road.

There would always be people like Lin Fan in the world.

For example, in a certain era, a huge disaster happened in a certain city. Countless heroes went to save people without hesitation.

Lin Fan had never felt that he was noble or a hero.

He had only done what he should have done.

At that time, he was the only one who could save that girl.

8.30 pm.

Lin Fan was in a hospital in Shanghai.

The person waiting outside was the little girl who had been saved.

The little girl's name was Tang Xinran. Her parents had both died of cancer. Her relatives and friends found her a burden. She had lost her parents at such a young age.

She cried miserably outside the door.

She felt like a jinx.

Her parents were dead.

She had also harmed this big brother who had saved her, Lin Fan.

The little girl was not tall, and there was some dust on her face. Her clothes were patched, torn, and a little dirty. However, Tang Xinran looked very pretty.

Sitting beside Tang Xinran was a girl who was burning with anxiety.

### **Chapter 181: He Will Celebrate This Birthday With You**

Su Xiaoyu was here.

What happened on the road was already trending.

The director team of Keep Running also recognized that the Bugatti La Voiture Noire was Lin Fan's sports car.

Because she could not have her phone with her when filming, Xia Wanqiu did not know about this.

After the director team found out, they immediately asked Su Xiaoyu to look for Lin Fan at the hospital.

“Sister, how’s Brother?” Tang Xinran asked as she cried. She was still sobbing softly. She was very thin and had not eaten for a few days.

“Brother will be fine. Don’t worry ~” Su Xiaoyu comforted the little girl. She was very calm, but she was still a little flustered.

After arriving at the hospital, Lin Fan was sent in for emergency treatment.

There was still an hour before Lin Fan was supposed to celebrate Xia Wanqiu’s birthday with her.

But such a change had happened.

Lin Fan got into an accident.

Xia Wanqiu had not been told about this yet.

Because Su Xiaoyu was waiting for a miracle.

She felt that Lin Fan would definitely be fine.

Lin Fan must be fine.

Lin Fan would be able to stand up later and confess to Xia Wanqiu.

How could something happen to her awesome master?

As she thought about it, Su Xiaoyu’s eyes turned red.

She picked up her phone and called her father.

“Dad, do you know the best doctor? I have a friend who got into a car accident. I don’t know his exact situation yet,” Su Xiaoyu asked. She was no longer as coquettish and cute as usual. Instead, she was abnormally calm.

“I do. Is he very important to you?” Su Xiaoyu’s father was silent for a moment before asking.

Su Xiaoyu nodded and said clearly, “He’s the most important person to me. Anyone can die, but not him.”

“I’ve already sent you the hospital’s address. Dad, I want to ask you for a favor today. No matter how much it costs, no matter what the price is, you have to ask the doctor to treat him.”

This was the first time Su Xiaoyu’s father had heard her speak so seriously.

Su Xiaoyu had never been so serious since she was young.

“Do you like him?” Su Xiaoyu’s father asked.

Su Xiaoyu was silent for a while before smiling silently. “Dad, don’t ask such questions about the impossible.”

Su Xiaoyu’s father asked, “Why not? My daughter is so outstanding.”

Su Xiaoyu raised her head and looked at the sky. Her tears fell silently. “Because... the time is wrong.”

Su Xiaoyu’s father continued to ask, “I understand. Even so, do you still want to save him?”

Su Xiaoyu did not hesitate and said, “Dad, these are two different things. I hope that he can live well and be happy. That’s enough. How can I not save him because of something impossible?”

“Dad, this is the first thing I’m begging you for. I don’t want anything to happen to him. Please contact the best doctor as soon as possible.”

After hanging up, Su Xiaoyu calmed down a little.

She restrained all her emotions and looked at Tang Xinran again.

“It’s fine. Don’t be afraid. With me around, Brother will definitely be fine,” Su Xiaoyu said.

9 pm.

The door to the operating theater opened.

Su Xiaoyu hurriedly stood up and looked at the doctor. “Doctor, how is he?”

The doctor smiled and said, “Fortunately, the safety features of the Bugatti are very good. He only suffered some minor injuries and fainted because he lost too much blood. He’ll be fine after more rest.”

Su Xiaoyu immediately said, “That’s great. Doctor, can I go in and see him?”

The doctor nodded. “Of course.”

Su Xiaoyu looked at Tang Xinran and smiled. “Ranran, Brother is fine. Don’t blame yourself.”

Tang Xinran raised her beautiful eyes and said, “I want to go in and see Brother too ~”

After entering the room, she saw that Lin Fan had a bandage on his head. Su Xiaoyu returned to her cute self. “Master, you’re fine. I was so worried.”

Lin Fan smiled. “I’m fine. What’s this little girl’s name?”

The little girl looked at Lin Fan and immediately knelt on the ground, her eyes filled with tears.

Seeing this, Lin Fan immediately wanted to help the little girl up. How could he let a little girl do such a thing?

“Get up quickly. What kind of person do you take me for?” Lin Fan was a little angry as he looked at the little girl.

“Brother, my name is Tang Xinran. You can call me Ranran. I don’t have a father or a mother. They all died of cancer.”

“Brother, you saved my life. It’s great that you’re fine. I knelt down because I want to repay you for saving my life.”

“From now on, I’m willing to work beside you for the rest of my life. I know how to wash dishes, wash clothes, and mop the floor...” Tang Xinran said seriously.

“I don’t need you to work. I’ll help you find your relatives, okay?” Lin Fan smiled brightly.

“Brother, I don’t have any relatives anymore. My relatives don’t want me anymore. Brother, you’re Li Xiaoyao, a deity in the sky. You’re so awesome. I’m willing to wash your clothes and cook for you to repay you for saving my life,” Tang Xinran said stubbornly.

A child knew what it meant to repay kindness. She was very innocent but very sincere.

Looking at such a girl, Lin Fan smiled and patted Tang Xinran’s head. “So I’m a deity in your heart. Since you don’t have relatives, friends, or parents. Stay by my side in the future.”

Lin Fan was willing to help such a little girl.

In this society, if no one was willing to help her, Lin Fan was willing.

Because in the eyes of the little girl, he was a deity.

Unknowingly, he had already become a big hero in the little girl’s heart.

Of course, he would not ask Tang Xinran to do chores for him. Such a girl should study in school.

“Thank you, Brother. Are you going to confess to Sister tonight? I’ve already picked up the ring box.” Tang Xinran held the ring box and handed it to Lin Fan.

“Ranran is so smart.” Lin Fan smiled and thought of Xia Wanqiu. He looked at his watch. It was already 9.05pm.

There were still 25 minutes before the live broadcast of Keep Running.

Lin Fan had wanted to celebrate Xia Wanqiu’s birthday at 9.30pm and give her a surprise.

“Xiaoyu, thank you for coming. Accompany me to the Crystal Restaurant. I want to celebrate Wanqiu’s birthday with her,” said Lin Fan with a smile as he looked at Su Xiaoyu.

“Master, will you be fine like this? How do you feel? If there’s a problem, I won’t agree to you going,” Su Xiaoyu said.

Lin Fan shook his head. “I’m fine. Don’t worry, it’s just a scratch on my scalp.”

Lin Fan looked out of the window and said, “Xiaoyu, I have to go today. Today is her birthday, but I haven’t celebrated her birthday with her in many years. I’ve been planning for more than two months, and today is finally here.”

This was Lin Fan’s determination.

He knew that Xia Wanqiu had been waiting for this day for a long time.

He had also waited a long time for this day.

All the preparations before were for today.

Yes, he had a car accident, but this accident did not affect him.

Fortunately, he was driving a Bugatti. The safety features of the sports car were still very good.

There were still 25 minutes before the live broadcast.

These 25 minutes were enough for Lin Fan to rush to the scene.

However, although it would not look very nice if he wore the bandage there, it was fine.

Her birthday was more important.

Su Xiaoyu nodded. "Master, then you have to take care of your body ~ I'll bring you there now."

When they reached downstairs, Su Xiaoyu called for a car and brought Lin Fan and Tang Xinran to their destination.

Today was a special day.

No matter how difficult it was, Lin Fan had to find Xia Wanqiu.

Finally, it was 9.29pm.

The live broadcast was finally coming.

Everyone arrived at the Crystal Restaurant.

And today, it would be a grand ceremony!

When the live broadcast was about to begin, Director Lin Hong looked at Xia Wanqiu and told her the truth.

Lin Fan had long planned this.

His goal was to wait for this moment.

"Wanqiu, at around 6 pm, Lin Fan got into a car accident and became a trending topic on Weibo."

“So, I asked Xiaoyu to visit Lin Fan first. Luckily, nothing happened to Lin Fan. He only suffered some minor injuries. This Crystal Restaurant was also reserved by Lin Fan.”

“Go in, Lin Fan is waiting for you.”

“He said... today is your birthday.”

“No matter what...”

“He’ll celebrate this birthday with you.”

### **Chapter 182: Xia Wanqiu, Happy Birthday**

All the gazes in the world seemed to be gathered here.

Xia Wanqiu stood at the door and her eyes were already stunned.

The one who reserved the Crystal Restaurant a few months ago was Lin Fan.

Lin Fan even said he did not know her birthday.

So Lin Kexin was right.

When judging a man, don’t look at what he said, but at what he did.

A person’s gaze and the things they did would never lie.

For so many years, she never had the chance to celebrate her birthday with Lin Fan.

Today, he was here.

It was supposed to be a blissful and touching matter.

But Xia Wanqiu's beautiful eyes were red.

No wonder she felt a sharp pain in her chest previously.

That was because Lin Fan got into a car accident two hours ago.

Lin Fan, who had gotten into a car accident, still came here to celebrate her birthday with her.

How could Lin Fan be so silly?

Xia Wanqiu's eyes turned slightly red.

Everyone in the director team sighed.

They had originally wanted to help Lin Fan hide until the last moment, and they wanted Lin Fan to give Xia Wanqiu a surprise.

But now, they had to tell Xia Wanqiu.

They had to tell Xia Wanqiu what Lin Fan did.

On the Internet, it was a grand live broadcast on Zhejiang Television.

The scene froze on Xia Wanqiu.

Many of the livestream viewers saw the trending topic on Weibo at night.

In order to save a little girl's life, Lin Fan actively hit a van that had lost control.

The Bugatti worth hundreds of millions had been scrapped.

Lin Fan was also injured.

It was worth mentioning that the driver was also slightly injured, and the little girl was not injured.

Lin Fan's actions saved their lives.

This was a big star in the entertainment industry and the idol of many fans, Lin Fan!

"Wow, I'm crying..."

"So the person who reserved the Crystal Restaurant for Xia Wanqiu's birthday was Lin Fan."

"How is Lin Fan? I think that Bugatti is already scrapped. Lin Fan saved two lives. I didn't become a fan of the wrong person. From now on, Lin Fan is my idol, my Prince Charming!"

"Boohoo, Lin Fan is already injured and hospitalized but he still came to look for Xia Wanqiu because... today is Xia Wanqiu's birthday."

"What a sweet love. As a big star, Xia Wanqiu never filmed kissing scenes because of Lin Fan. She didn't take on any scripts for more than a year. It was only when Lin Fan entered the entertainment industry that Xia Wanqiu started to film kissing scenes and relationship scenes with him. The relationship scenes they filmed were so sweet. I love them."

"I originally thought that their relationship scenes were sweet enough. Now that it's in real life, I realize how sweet these two people are. Even if Lin Fan was in a car accident, he still wanted to celebrate Xia Wanqiu's birthday with her."

"Xia Wanqiu, Lin Fan, please get together now!"

"You two are the best couple in the entertainment industry. There were even rumors previously. How is this a rumor? This is such a blissful love."

"Lin Fan, Lin Fan, Lin Fan!"

The popularity of the livestream was rising rapidly.

One million, two million, three million...

Soon, the popularity of the livestream reached tens of millions!

Today, the entire world was paying attention!

Today was also Xia Wanqiu's birthday.

Too many things had happened today.

Among the audience in the livestream, many fans were already moved to tears.

At the scene, Su Xiaoyu, Xu Yang, Lin Jingjing, and Tang Xinran were all silently looking at Xia Wanqiu's back view with a smile.

Su Xiaoyu's eyes were filled with tears.

This was the love between Lin Fan and Xia Wanqiu.

She did indeed appear at the wrong time.

But so what? In the eyes of others, it was enough that she was that cute dog, Su Xiaoyu.

Xu Yang smiled. Once, the person he liked was Xia Wanqiu.

Later, when Xia Wanqiu was in danger and an investor wanted to sleep with her and force her to drink. He did not stand up to offend the investor.

But Lin Fan stood up for her.

Every time Xia Wanqiu encountered a crisis, the person standing beside her was Lin Fan.

Xu Yang finally understood what true love was.

He also understood why Xia Wanqiu was so cute in front of Lin Fan.

This was the best look a couple could have.

Perhaps from a long time ago, the person in Xia Wanqiu's heart was Lin Fan.

No one could replace him.

So she had such a cute side. She also had a side that cried for him.

When she pushed open the door, she was greeted with luxurious decorations and warm light.

The surrounding decorations were very warm.

There was a wooden floor, a gorgeous crystal chandelier, and gentle light.

On the floor was a long red carpet.

Xia Wanqiu's photos were everywhere in the room.

There were all sorts of decorations around.

There was a large rectangular sign.

There were a few words written on it.

[Xia Wanqiu, happy birthday.]

Looking at this scene, Xia Wanqiu's heart trembled slightly.

He was here.

He was really here.

This was the first time everyone had seen such a heartwarming arrangement.

Su Xiaoyu, Lin Kexin, Lin Jingjing, and many other girls were touched.

All these arrangements were probably personally designed by Lin Fan.

Today was Xia Wanqiu's birthday.

To Lin Fan, it was the most important day.

The fans in the livestream exploded again.

"Xia Wanqiu, happy birthday!"

"I love it, I love it. Lin Fan is so thoughtful ~"

"How can you two not get married right now?"

"Xia Wanqiu, Happy Birthday to you!"

"If only I could have such a good boyfriend. I'm so envious ~"

"Today, Xia Wanqiu is the female lead. Happy birthday Qiuqiu!!!"

The comments in the livestream were so dense that they could not be seen clearly.

Xia Wanqiu walked in and saw a piano in front of her.

In front of the piano sat a man in a suit.

Lin Fan never wore suits normally.

This was because he was very carefree in his normal life. He just needed to wear comfortable clothes.

But today, in his eyes, this was a formal occasion.

Lin Fan sat there. All the scenes were focused on him.

Lin Fan, who was wearing a suit and a tie, had a perfect figure and sharp edges. He also had a handsome face and an extraordinary aura.

Sitting here, it was as if everything in the world had lost its color.

The current Lin Fan was really handsome.

His temperament and his sitting posture were all carefully carved by the heavens.

However, the current Lin Fan wasn't perfect.

There was a layer of white gauze on his head.

It was a mark left behind after treatment.

But in everyone's hearts,

In the eyes of all the director team staff present,

And in Xia Wanqiu's heart...

The current Lin Fan was the most perfect person!

**Chapter 183: Will You Marry Me?**

Xia Wanqiu had just walked over.

Today, she had a faint layer of makeup on and was exceptionally beautiful.

She was the female lead today.

And he was the male lead today.

The piano music fluttered, and a familiar melody entered everyone's ears.

They had heard such a melody too many times.

But when Lin Fan played this familiar melody, everyone felt intoxicated.

The music was melodious, and musical notes entered everyone's ears.

Immediately after, everyone was immersed in such a beautiful painting.

Images appeared in front of everyone.

Everyone seemed to be physically present there.

Everyone was completely intoxicated.

The difficulty of this song was not high. When all the fans heard it, they felt a little excited.

It was really... the sound of the heavens.

This was the first time someone could play the most ordinary tune into the sound of the heavens.

This song was "Happy Birthday".

Lin Fan sat there and started playing.

“Happy birthday to you.”

“Happy birthday to you ~”

“Happy birthday to you ~”

“Happy birthday to you ~ ~ ~”

“Happy birthday to you.”

“Happy birthday to you ~”

“Happy birthday to you ~”

“Happy birthday to you ~”

The simple eight sentences each had a different melody.

Almost everyone who learnt how to play the piano would know how to play such a tune.

But after Lin Fan played it, everyone was still mesmerized.

Because... Lin Fan’s piano playing was too good.

Such a melody entered everyone’s hearts.

In the sky, colorful balloons fell from the sky and floated down.

The world seemed to freeze at this moment.

At this moment, everyone was watching.

A gorgeous light landed on the female lead today, Xia Wanqiu.

After Lin Fan finished playing, he stood up and held a small cake.

This cake was carefully made by him.

Although Lin Fan was a chef, he didn't know how to make cakes. On the night before Xia Wanqiu's birthday, Lin Fan stayed up late to learn how to make cakes and finally managed to make one.

The cake was not big.

But there were a few words written on the cake.

Xia Wanqiu, happy birthday to you.

Lin Fan walked towards Xia Wanqiu with the cake.

Everyone was deeply touched by this scene.

Su Xiaoyu and Lin Jingjing's eyes were filled with tears.

They were moved to tears.

All the staff present, as well as the director team, were moved by Lin Fan's sincerity.

Such a scene was not too magnificent.

But it was warm and sincere.

The fans in the livestream were also sobbing as well.

They saw Lin Fan.

Lin Fan was still as handsome as ever.

But they also saw the gauze on Lin Fan's head.

Lin Fan was injured. Even if he was injured, he still came here to celebrate the birthday of the girl he loved the most.

Lin Fan carefully carried the cake. There were 23 candles on the cake.

Today was Xia Wanqiu's 23rd birthday.

Walking in front of Xia Wanqiu, Lin Fan smiled brightly. "Wanqiu, happy birthday."

When Lin Fan's voice rang out, Xia Wanqiu couldn't hold it in anymore.

She looked at the gauze on Lin Fan's head and her heart ached.

She really wanted to hug Lin Fan, but she couldn't do that.

Lin Fan was celebrating her birthday with her.

Lin Fan smiled gently and said, "I've never forgotten your birthday. You're not allowed to say or ask anything. Close your eyes and make a wish ~"

Looking at the girl in front of him, Lin Fan felt that everything he had done for her was worth it.

He was here for her birthday.

It was enough to celebrate such a birthday with her.

Xia Wanqiu's beautiful eyes were red, but she still listened obediently. She nodded and closed her eyes in front of the 23 candles. She pressed her palms together and made a wish.

The surrounding cameras were filming crazily.

The fans in the livestream were also taking screenshots crazily.

This scene was too sweet.

In high school, Lin Fan had a good relationship with Xia Wanqiu. The photo of her resting on his shoulder made countless fans moved.

Countless comments flashed through the livestream.

"Happy birthday, Qiuqiu ~"

"Happy birthday, happy birthday!"

"I'm already moved to tears. How can Lin Fan be so good? If I could have a boyfriend like Lin Fan, I would die without regrets."

"Lin Fan's piano playing is also very nice. I feel like my ears are pregnant."

"When can Lin Fan and Xia Wanqiu be together? Looking at the two of them, I finally know what love feels like."

"I like the two of them so much. I hope that the two of them will never be separated. When I watched 'The Legend of Sword and Fairy', I saw Xia Wanqiu fall into Lin Fan's arms and I felt my heart break. Luckily, that was a television drama. Reality is always beautiful, right?"

....

After making her wish, Xia Wanqiu opened her eyes and took the cake.

She placed the cake on the table at the side and looked at Lin Fan with tears streaming down her face.

Even when she was crying, she still looked so endearing and beautiful.

In Lin Fan's eyes, she was a fairy and one of a kind.

Xia Wanqiu raised her beautiful eyes and looked at Lin Fan. She said softly, "Why are you so stupid? You got into a car accident and you still want to come here. If you do this again, I'll be angry."

Lin Fan shook his head and looked at the girl in front of him. He smiled brightly. "Don't be angry. Today is your birthday. No matter what, I have to come here and celebrate this birthday with you."

"You like romance, so I wanted to give you a romantic stage. In the past, I never had the chance to celebrate your birthday with you."

"Today, to be able to be by your side and celebrate such a birthday with you, I feel really good."

Lin Fan looked at Xia Wanqiu with a smile.

Many years ago, he had wanted to have such a stage.

No matter what, he wanted to give her the best.

Xia Wanqiu looked at Lin Fan angrily and gently placed her palm on the white gauze on Lin Fan's head. "Silly, is my birthday that important? Does your head still hurt?"

Lin Fan looked at Xia Wanqiu. "Of course your birthday is important. As for my injuries, I don't care."

Xia Wanqiu said seriously, "But I care."

Looking at such a girl, Lin Fan's heart skipped a beat.

Wasn't he here to celebrate such a birthday with her?

Other than that...

He still wanted to be closer to her.

How many times had he waited for this moment?

Lin Fan looked at Xia Wanqiu and smiled.

He could finally say the words that had been in his heart for so many years.

He had liked her since high school.

However, he did not say it out loud.

After graduating from university, the difference between them was getting bigger and bigger.

She did not film kissing scenes or relationship scenes because of him.

He rejected countless girls for her and did not flirt with anyone.

Today, he was just waiting for her.

At this thought, Lin Fan took out an exquisite small box from his pocket.

Then, Lin Fan slowly opened the small box.

In the small box was a Bonheur diamond ring, symbolizing a love as strong and eternal as diamonds.

There was also a Bulgari necklace that symbolized beauty and happiness.

There was no hesitation.

Lin Fan didn't just want to make her his girlfriend.

He even wanted to be with her forever and wanted to turn her into his future wife.

Then, Lin Fan knelt on one knee and looked at the girl in front of him while holding the ring and necklace.

Lin Fan smiled and said, "To others, your birthday might not be that important."

"But to me, today is the most important day."

"I came here to celebrate the birthday of the girl I love the most for the first time."

"To be able to stand in front of you, no matter obstacles I face, what's there to be afraid of?"

"You are the girl I love the most."

"From high school, to university, to right now."

"The girl in my heart has always been you. She will always be you."

"I'm willing to spend the rest of my life protecting you, loving you, and accompanying you forever."

"So, will you... be my girlfriend?"

"Will you... marry me?"

#### **Chapter 184: He's My Prince Charming, and Also My Idol!**

When Lin Fan said these words, the entire livestream exploded.

The audience's comments were really airtight this time.

All the fans in the livestream had gone crazy.

It wasn't just the livestream. Even the director team and all the staff were stunned.

What happened today was enough to cause a huge sensation.

Lin Fan had confessed to Xia Wanqiu!

Furthermore, Lin Fan had even proposed to Xia Wanqiu.

He knelt on one knee, took out his diamond ring, and proposed.

Everyone present widened their eyes at this scene.

Some girls had already cried.

It was too touching.

If Lin Fan and Xia Wanqiu could be together, how blissful would that be?

"Wow, wow, wow, wow. This is a confession scene and also a proposal scene!"

"Say yes, say yes, say yes!"

"Lin Fan is so handsome. I love him!!"

"This will definitely get on Weibo's trending topics list!"

"So the girl Lin Fan likes has always been Xia Wanqiu. What a moving relationship."

"Get together, get together, you have to get together. I want the two of you to get married on the spot!"

“That’s right. You two are acting as Li Xiaoyao and Zhao Ling’er. You’ve also acted as Fan Xian and Lin Wan’er. You two are the best couple!”

“Get together, Lin Fan, Xia Wanqiu ~”

“I’m going to explode, I’m going to tell my friends that Lin Fan confessed to Xia Wanqiu!!!”

“I’m so touched. Really. I’ve never cried before, but I really cried today.”

“This is such a beautiful love. Xia Wanqiu, hurry up and agree to him! In the future, just publicly display your affection for each other in front of us!”

At the same time, Lin Fan’s confession to Xia Wanqiu was trending on Weibo!

Today was destined to be a sleepless night for countless fans.

Even if dating would affect an artiste’s future development, so what?

Lin Fan didn’t care anymore, and neither did Xia Wanqiu.

Instead of caring about others’ comments, it was best to live happily.

“It’s so sweet,” Lin Jingjing said as she looked at Xu Yang.

“It really is so sweet.” Xu Yang smiled.

His heart finally calmed down a little.

The only person who was worthy of Xia Wanqiu was Lin Fan.

Xu Yang knew that he was not outstanding enough, but the time he appeared was also wrong.

If he met her at a time he shouldn't have, no matter how hard he tried to woo her, there would still be a long way to go.

Su Xiaoyu was not as cute as usual.

She pursed her red lips and smiled when she saw this.

The person she liked got together with her best friend. How blissful would that be?

1

This way, the two of them would be very happy together.

She was already satisfied to see the person she liked happy.

After calming down, Su Xiaoyu shouted, "Sister Wanqiu, say yes!!"

Finally, the crowd came to their senses.

Everyone looked at Xia Wanqiu.

They were waiting for Xia Wanqiu's reply.

Lin Fan was also waiting for Xia Wanqiu's reply.

Although so many words were used to describe the scene just now, time passed very slowly. From Lin Fan kneeling down to saying those words to now, the comments had already exploded. However, in reality, only a few seconds had passed.

Xia Wanqiu cried again.

She looked at Lin Fan and smiled beautifully.

Did this idiot know how long she had waited for this day?

She had been waiting since high school.

Until university...

After graduating from university, she often took the initiative to go to Lin Fan's restaurant.

At that time, Lin Fan would feel a distance from her because she was a big star and he was just a small boss of a restaurant.

She had been waiting for him.

Until today, the moment she had been waiting for had arrived.

Today, she felt that she was the happiest woman in the world.

Xia Wanqiu's pretty face turned red.

This idiot Lin Fan was too anxious.

They weren't really in a relationship and Lin Fan wanted to propose to her.

Was she willing to marry Lin Fan?

There was no doubt about this answer.

Xia Wanqiu smiled sweetly. She wanted to take Lin Fan's diamond ring and necklace and say yes.

But...

The next moment...

The box in Lin Fan's hand slid to the ground.

The gauze on Lin Fan's forehead was stained with blood.

He did not wait for Xia Wanqiu's answer and fainted just like that.

"Lin Fan..." Xia Wanqiu hurriedly hugged Lin Fan. Her eyes were filled with panic and self-reproach.

She knew that Lin Fan was injured, so why did she make him wait so long?

When Lin Fan said that, she should have said yes.

In those few seconds, she seemed to have missed a lifetime.

Xia Wanqiu cried. She picked up the box Lin Fan had given her and hugged him.

What should have been a beautiful scene was broken.

The staff quickly called for an ambulance. Su Xiaoyu, Lin Jingjing, Xu Yang, and Tang Xinran rushed forward.

The entire livestream was filled with comments.

When countless fans saw this scene, their hearts shattered.

Lin Fan still couldn't hold on and didn't get Xia Wanqiu's answer.
