

## **I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 19-23**

### **Chapter 19: Romanée Conti La Romanée-Conti**

When everyone saw Lin Fan's message, they were all stunned.

In the time it took to have a meal, he received 840,000 yuan.

The 840,000 RMB and the contract just now were enough to prove that Lin Fan had a property in the Begonia Garden district.

It was worth at least 20 million!

"D\*mn, that's 20 million."

"Brother Fan, when did you become so awesome? The key is that you're still so low-profile. I have to work for ten years before I could afford the down payment for a house in the Begonia Garden district. Brother Fan, you already have a house that costs 20 million dollars." Gao Lixiong looked at Lin Fan in shock.

"A house in the Begonia Garden district is not something that ordinary people can afford. Lin Fan, how can you be so amazing?"

"You have such a good house but you're still so low-profile. You said that you're just living in a random place but you have such a good house. Lin Fan, when did you get rich?"

Many girls surrounded Lin Fan and looked at him in surprise.

They knew about Lin Fan's family background but Lin Fan's house was worth 20 million dollars.

Many people dreamed of owning a property in a high-end school district.

"I'm not that rich. It's just a few houses. It's nothing much. Everyone, eat your food." Lin Fan waved his hand and didn't really care.

“Look at him. He’s so low-key.”

“This is what you call a tycoon. It’s just a few houses. Or does Lin Fan already have a few houses like this?”

“D\*mn, one apartment costs 20 million. Five apartments mean 100 million! Lin Fan, how many houses do you have in Shanghai?”

“You’re all underestimating Lin Fan. Think about it. He rented out a house that costs 20 million dollars. What kind of house does he live in?” A few girls gathered together and said.

Initially, Xue Yaoting had ordered a bunch of delicious food and wanted to show off. But now, everyone’s attention was on Lin Fan.

Especially Zhao Lele and Xie Yutong, their eyes were wide open.

Lin Fan... Lin Fan was actually so rich.

They instantly understood. No wonder Lin Fan was riding a tricycle and opening a small restaurant. He didn’t care about the customers.

Gao Lixiong wanted to give Lin Fan a job with a monthly salary of over 8000 dollars but Lin Fan did not reply him.

A school district house worth 20 million yuan, just renting it out would cost 70,000 yuan a month in rent. This was already more than most people’s salary, not to mention that the rent would increase!

In a few years, it was very likely that the price of the houses in the school district would double.

Twenty million to forty million...

If Lin Fan had five school district houses... wouldn’t his assets go from 100 million to 200 million?

“Lin Fan, what kind of job are you doing? How can you be so amazing? I wanted to show off in front of everyone but now, I can’t. You’ve stolen the limelight.” Xue Yaoting was impressed.

He only wanted to show off occasionally. He had a good personality. When he saw how outstanding Lin Fan was, he immediately gave him a thumbs up.

They were all businessmen. If Lin Fan became awesome, they might have business dealings in the future. Lin Fan might even be able to help him.

“I don’t have much work and I don’t have much money either. Didn’t you see that my savings are only about 800,000? I have a small restaurant and I entertain myself every day and collect rent. That’s how I live my life.” said Lin Fan.

“Wow, so you’re experiencing life. We work so hard, but our annual salary is only a few hundred thousand. We can’t compare to others.” Xue Yaoting sighed.

Zhao Lele sat beside Lin Fan. She looked at Lin Fan and said in a hushed voice, “Lin Fan, I didn’t expect you to be so outstanding. Actually, when I was in high school, I thought that you were quite good. You will definitely do great things in the future.”

Zhao Lele immediately felt that Lin Fan was on a whole new level. He was much better than Gao Lixiong.

After all, Lin Fan was so low-key, handsome and rich. She believed that with her looks, it shouldn’t be too difficult for her to catch up to Lin Fan.

“I’m not that outstanding. I’m just riding a lousy tricycle. I can’t really say that.” Lin Fan shook his head.

“Actually... when you were riding the tricycle, you were also very charming.” Zhao Lele blinked her eyes and looked at Lin Fan. Her cheeks were a little pink.

Now, she felt that Lin Fan was really handsome.

Lin Fan:” ...”

Xie Yutong said, “I think Lele is right. Lin Fan, where do you live? If you have time, can you bring us over to take a look? I can ride on your tricycle.”

The two girls immediately expressed their enthusiasm towards Lin Fan.

Gao Lixiong and Xue Yaoting were envious.

After all, these two girls were very good-looking. If they were willing to go home with him, they would have probably tacitly agreed to it...

Perhaps, as long as Lin Fan was willing, he could woo them very easily.

“No need. I’m usually quite busy. I have to open a restaurant and work.” Lin Fan smiled and rejected the two girls.

Although they were high school classmates, he could still tell what Zhao Lele and Xie Yutong were implying.

Take them home? Lin Fan?

Even if they took the initiative, Lin Fan wasn’t interested.

At the very least, Zhao Lele and Xie Yutong could not be bothered with him when he was riding the tricycle. Now that he had a school district house worth 20 million, they immediately came looking for him again.

Although Zhao Lele and Xie Yutong were good-looking, in Lin Fan’s eyes, character was more important.

Furthermore, Lin Fan didn’t lack women around him.

When it came to girls, Xu Shiyin’s character was much better than theirs. Xia Wanqiu was even more so. The catgirl had always been Lin Fan’s deskmate. Tonight, Lin Fan had to make her a vegetable salad.

“Um, can I add you on WeChat? I suddenly realized that I don’t have your WeChat.” Zhao Lele looked at Lin Fan and continued chasing after him. As long as he added her on WeChat, she would have a chance.

Lin Fan was just about to say something when a waiter opened the door.

Two beautiful waitresses stood at the door, holding several bottles of red wine.

Behind the beautiful waitress was a manager.

The manager personally served the red wine.

The manager walked in and bowed to Lin Fan. The two beautiful waitresses placed the red wine on the table and stood quietly at the side.

No one spoke the entire time.

However, the crowd present were all in a state of confusion.

This was especially true for Xue Yaoting, who immediately cried out.

“This is... Romanée Conti La Romanée-Conti!”

“Romanée-Conti is a premium wine produced by the Romanée-Conti winery. For the sake of taste, only a few thousand bottles are produced every year. This premium wine has been ranked first among the top ten most expensive wines in the world many times. Its price is above 100,000 RMB!”

“A bottle of wine is worth 100,000... There are six bottles here, that is 600,000!”

“Who ordered this? Are you kidding me? I didn’t order this kind of wine.” Xue Yaoting stood up and looked at the Romanée-Conti. Although he really wanted to drink it, his annual salary would be gone after these six bottles.

## **Chapter 20: Mr Lin’s True Identity**

“These six bottles of wine were indeed not ordered by you, but these are some of Ms Yan’s kind intentions. They are all free. Mr Lin, please enjoy.”

“If you still want Romanee Conti, you can let me know. We will prepare it for you at any time. If you have any other requests, you can contact these two waiters. Have a good meal.” The manager bowed slightly and left.

The manager didn't directly expose Lin Fan's identity as the second largest shareholder of the company. Yan Xue had specifically instructed him to do so. After all, Lin Fan had always kept a low profile.

On one hand, he wanted to let Lin Fan know the sincerity of the company. The second largest shareholder of the company deserved that kind of special treatment.

On the other hand, Yan Xue gave face to the company's second-largest shareholder.

One-fifth of the company's shares were under Lin Fan.

As a major shareholder of Shanghai's top five-star hotel, it was worth it even if it was 60 or 600 bottles, let alone 6 bottles of Romanée Conti.

To Yan Xue, Lin Fan's background was even better than the entire company!

Just in Shanghai, he had a villa and sports car worth hundreds of millions. His fixed assets alone were worth more than 200 million.

How many assets did Lin Fan have?

The entire company's market value was only a few billion. Lin Fan's personal assets even exceeded the company's market value.

Lin Fan had so many assets, which meant that he had many connections!

If they could rope in Lin Fan and get him to give some suggestions in the company or work in the company for a while, the company might look brand new.

When the manager and beautiful waitresses left, everyone gasped.

What occasion was this? It was a famous five-star hotel in Shanghai.

The manager of the New Era Lisheng Hotel held an important position here. Usually, he would appear only when important people or the hotel's VIP customers came.

It was such a manager who actually said the words 'Boss Lin'.

Moreover, he directly said that it was Ms Yan's intention to give six bottles of Romanée-Conti to Boss Lin.

Xue Yaoting, Gao Lixiong, Zhao Lele, and Xie Yutong all knew who the manager was referring to.

The company's biggest shareholder, Yan Xue!

Even such a manager had to be respectful to Boss Lin.

Who was this person that even the big boss Yan Xue wanted to rope in personally?

In this room... there was only one person with the surname Lin.

Lin Fan!!!

Everyone looked at Lin Fan.

It was hard to imagine the shock in Gao Lixiong and Xue Yaoting's eyes.

Zhao Lele and Xie Yutong were also surprised.

Lin Fan... was addressed as Boss Lin by the manager.

No one knew the status of Lin Fan.

This scene also caused many girls to exclaim.

“Boss Lin... I told you that Lin Fan is a big boss. He’s been called Boss Lin.”

“Lin Fan is a big boss. I knew it. How could he have a house worth 20 million for no reason?”

“This must be what a big boss is. I’m shocked.”

“Lin Fan, you’re the one who’s doing the best in our class. You have to share your experience with us. Hehe, can I work at your place?”

Many girls looked at Lin Fan as if they were looking at a celebrity.

Lin Fan’s popularity had completely crushed that of Xue Yaoting and Gao Lixiong.

The two of them had witnessed what a true tycoon was...

The wine he drank in a meal was worth all their annual salaries!

Most importantly, this kind of wine was personally delivered by the big boss, Yan Xue. No matter how many bottles he wanted, they would try their best to satisfy him.

This was... the special treatment a big boss received.

Lin Fan smiled helplessly. “You guys are praising me to the skies. How can it be so unbelievable? This is a class reunion, not a bootlicking event. If you guys continue like this, I’m going to leave. Everyone, drink, eat something and enjoy yourselves.”

A bunch of people were praising Lin Fan but he didn’t really like it.

If he ever made it onto the hot searches list, he would become extremely popular immediately .

He was born to be so handsome that he charmed many young girls.

If he became popular, he would be chased by a group of girls and aunties. How could he meet Xia Wanqiu alone in the restaurant?

If he really wanted to become popular, Lin Fan just needed to post a photo of him and Xia Wanqiu on Weibo and it would probably... cause the internet to explode.

At that time, who knew how many agencies would look for Lin Fan to work with and how many girls would become his fans.

It was too troublesome. Lin Fan didn't like to have so many things on his hands.

"Alright, Brother Fan, you're awesome! I feel like I've really managed to suck up to you today. I can even drink such good wine. Brother Fan, let me fill your glass. It's a waste to not drink such good wine." Xue Yaoting picked up the wine and poured it into Lin Fan's cup.

After taking a sip, Lin Fan nodded. "It's alright."

Xue Yaoting and Gao Lixiong looked at each other. This wine was more than alright. This was a bottle of wine that cost a hundred thousand yuan. One sip would cost a few thousand yuan.

With Lin Fan's words, everyone stopped praising him. However, many people became more interested in him.

Zhao Lele and Xie Yutong felt a little regretful. If they could keep in contact with Lin Fan after graduation, they might have a chance of marrying into a rich family.

Right now, Lin Fan was a true tycoon.

The two girls were looking at Lin Fan with smiles on their faces. Their attitudes were completely different from before.

There was a hint of admiration and fondness.

This was not gold-digging, but reality.

If you're as handsome as the author, you'll know how proactive girls can be.

After drinking a lot of wine, Lin Fan felt a little dizzy and gradually fell asleep.

As the sky gradually darkened, many students were still not satisfied.

"Come, I didn't drink. Let me send Brother Fan back." Gao Lixiong said.

"Alright, we'll go with you. I'm afraid you won't be able to carry him alone," said Xue Yaoting and Zhao Lele and Xie Yutong, who were beside him.

The two girls wanted to see where Lin Fan lived but they didn't know. They could only send Lin Fan to the restaurant and wait for him to sober up.

Gao Lixiong and Xue Yaoting carried Lin Fan to the car.

Many students were at the door, preparing to leave, but the waiters were still polite.

Zhao Lele walked to a waitress and asked curiously, "Do you know who Lin Fan is? I saw that your manager was very polite to him and even called him Boss Lin."

Xie Yutong was also curious. Some girls were also looking at the waitress.

The waitress looked at Lin Fan as he fell asleep. Her eyes were filled with envy as she said, "Don't you guys know who Boss Lin is? The manager didn't want to tell you but this news can't be hidden. Boss Lin is actually the second-largest shareholder in our company, second only to Ms Yan. I heard that he owns 20% of the shares. You guys can go online and check."

Zhao Lele, Xie Yutong, and many other students were stunned.

So... this was Lin Fan's true identity!

The second-largest shareholder of Shanghai's top five-star hotel, he had 20% shares!

In other words, Lin Fan's net worth was already over a hundred million!

## **Chapter 21: This Blockhead**

The eyes of the crowd widened.

Zhao Lele, Xie Yutong, Gao Lixiong and Xue Yaoting looked at Lin Fan who had already fallen asleep.

My goodness...

No wonder Yan Xue, the biggest shareholder of the New Era Lisheng Hotel, wanted to rope Lin Fan in. She even gave him Romanée-Conti wine worth 100,000RMB a bottle.

"20% shares, the company's second-largest shareholder. F\*ck, Brother Fan really hid it well." Xue Yaoting exclaimed.

"I was wondering why Brother Fan had a house worth 20 million yuan in Begonia Garden. He's the second-largest shareholder of the company. Let alone a house, he can afford even two or three houses comfortably," said Gao Lixiong.

"Lin Fan is really amazing..."

"So, Lin Fan is the one who hides the deepest."

"Is it too late to suck up to Lin Fan now? I thought that Lin Fan was just riding a tricycle and was planning to help him find a job. Now, I have to suck up to him."

"I'm shocked. Lin Fan is so handsome and awesome. I feel like I've fallen for him. What should I do?"

"Your breasts are too small. Men don't like small breasts. If Lin Fan wanted to choose, he would choose me."

"Bullsh\*t. Lin Fan isn't that kind of person. There were so many girls wooing him in high school but he has never been in a relationship. There's nothing to say about Lin Fan's character."

After a series of exclamations, many of the girls smiled. They were genuinely happy for Lin Fan.

Lin Fan had become so awesome. If they were to meet with any trouble one day, they would be able to seek Lin Fan out to settle it.

The main point was that Lin Fan was so handsome. As for those who wanted to be his girlfriend, they were just joking. Even though Lin Fan was very awesome, they knew his character.

Xie Yutong looked at Lin Fan and felt a little guilty.

Lin Fan was so outstanding and he even took the initiative to greet her at the food market. However, because Lin Fan was riding his tricycle, she ignored him. She felt a little regretful. When she had the chance, she would definitely apologize to Lin Fan.

Zhao Lele was the same. She had just realized how ignorant she was. Right now, she only had deep admiration and respect for Lin Fan.

Lin Fan was the second-largest shareholder of a five-star hotel. He also owned a house in Begonia Garden. Most importantly, he was so handsome. It would be a lie if Zhao Lele wasn't tempted.

Zhao Lele looked at Lin Fan. Her cheeks were slightly red and her heart was fluttering. Lin Fan was so handsome... If he had no contact with Xia Wanqiu, she might still have a chance. With her looks, she might be able to woo Lin Fan...

When Lin Fan woke up, he looked at Zhao Lele and Xie Yutong and smiled politely.

"Lin Fan, I'm sorry. I..." Xie Yutong looked at Lin Fan and felt wronged. She took the initiative to apologize to Lin Fan.

"What are you apologizing for? We're all classmates." Lin Fan smiled and didn't take it to heart.

"You're not angry anymore? Then, Lin Fan, can I add you on WeChat?" Xie Yutong mustered her courage. Her cheeks were slightly red as she looked at Lin Fan expectantly.

"Sure." Lin Fan nodded. They were high school classmates, so adding her on WeChat wasn't a big deal.

“Can I add you too?” Zhao Lele blinked and looked at Lin Fan. Then, she took out her phone.

“We’re all classmates. What’s the big deal about adding each other on WeChat?” Lin Fan added Xie Yutong and Zhao Lele respectively.

“Lin Fan, thank you. Where do you live? If I have time in the future, can I visit your house?” Xie Yutong put away her phone happily.

“I also want to go...” Zhao Lele nodded.

Gao Lixiong and Xue Yaoting felt their hearts ache.

This... this was so obvious.

If one was handsome, and if he was rich, he wondered how active girls could be.

Zhao Lele and Xie Yutong were both beauties with 90 points in looks. There were also many people wooing them. However, girls like them wanted to go to Lin Fan’s house actively.

What else could they do when they were in Lin Fan’s house? They would definitely be... having sex.

The girls were already so proactive. If it was Gao Lixiong or Xue Yaoting, they definitely wouldn’t be able to resist. There was no reason for them not to.

“Alright. If you want to come in the future, book a date and call a dozen classmates. Come to my house for a class reunion,” said Lin Fan.

As for the girl’s initiative, Lin Fan couldn’t tell. He simply thought that Zhao Lele and Xie Yutong wanted to visit his house.

“Oh... okay.” Xie Yutong nodded.

“Brother Fan, where do you live?” Xue Yaoting asked curiously.

“Blue Wave Bay District,” said Lin Fan.

After Lin Fan finished speaking, Zhao Lele, Xie Yutong, Gao Lixiong, and Xue Yaoting looked at each other.

Zhao Lele even took out her phone and searched Blue Wave Bay District to confirm.

“F\*ck... Blue Wave Bay District. Brother Fan, you’re really something. Blue Wave Bay District is a high-end district in the entire Shanghai. Its high-end level cannot be compared to that of the Begonia Garden district,” Xue Yaoting exclaimed.

“Yeah, Blue Wave Bay neighborhood. The cheapest, upscale neighborhood in there costs thirty to forty million dollars... and to enter the Blue Wave Bay neighborhood, one has to have a certain social status besides having to be rich,” said Gao Lixiong.

“Especially the villas in the Blue Wave Bay District. Ordinary people can’t afford them. I heard that any villa there is worth more than a hundred million dollars! And the property and security in the Blue Wave Bay District are all top-notch. They have received professional training. Thieves definitely wouldn’t dare to enter the Blue Wave Bay District to steal things. The security there is too perfect.” Gao Lixiong looked at Lin Fan. He couldn’t imagine that Lin Fan actually lived in the Blue Wave Bay District...

“Brother Fan, with a house in a high-end district like the Blue Wave Bay district, you can go out and brag.” Xue Yaoting felt more and more impressed with Lin Fan. After working hard in Shanghai for a few years, Lin Fan had even moved into this house.

“Brother Fan, which building do you live in? When the time comes, we’ll go to your house together, hehe.” Gao Lixiong took out a Baidu map.

“Here.” Lin Fan pointed.

“Holy shit... isn’t this the Lake Heart Villa? A two-hundred-million-dollar Lake Heart Villa was just bought by a mysterious billionaire a few days ago.”

“Brother Fan, you actually live in the Lake Heart Villa? That is the most luxurious villa in the entire Blue Wave Bay district...” Gao Lixiong was completely stunned.

He asked casually and realized that... Lin Fan lived in a villa that was worth hundreds of millions!

“Lake Heart Villa?! F\*ck, Brother Fan, you’re really a billionaire now. There’s no way we can compare to you. How are we going to show off in front of you in the future?” Xue Yaoting said bitterly.

Zhao Lele laughed and said, “Xue Yaoting, forget it. You won’t be able to catch up to Lin Fan in this lifetime. It turns out that Lin Fan lives in such a nice villa. I’ll have to go there even more in the future.”

Xue Yaoting laughed when he heard that. “Of course, of course. How can I catch up to Brother Fan? Next time, I’ll call 20 to 30 classmates to go to Brother Fan’s house, arrange for a feast and make Brother Fan pay for all of it.”

Lin Fan looked at everyone and chuckled out.

The way he interacted with Xue Yaoting and Gao Lixiong was very pleasant. He could invite dozens of students to the villa and restaurant and have a big meal at the same time. He could enjoy life and be very comfortable.

“Alright, then I’ll go back and make some arrangements. I’ll charter a car to pick you guys up,” said Lin Fan with a smile.

“F\*ck, Brother Fan, are you serious? I was just joking. Can I really go to your house?” Xue Yaoting’s eyes lit up. After all, that was the best Lake Heart Villa in the Blue Wave Bay District. Ordinary people wouldn’t be able to enter the gate of the Blue Wave Bay District.

“Do I look like someone who would joke around? Just leave me here. I’ll open the shop at night,” Lin Fan said. Unknowingly, the car had already arrived at the restaurant.

“Sigh, this is the difference between me and a billionaire. Brother Fan, you’re already so rich, yet you still have to work so hard to open your shop at night.” Gao Li Xiong sighed and stopped the car.

“You don’t understand. This is called enjoying life.” Lin Fan got off the car. After the class reunion, he was in a good mood.

Actually, Lin Fan wouldn’t open his shop at night.

He wouldn't be able to open a restaurant for long. Usually, he would have closed the restaurant at this hour.

'I'm working late tonight, mostly because of... Xia Wanqiu.'

This despicable woman wanted him to make her a vegetable salad for the rest of her life with a mere 20,000 yuan.

Lin Fan was furious.

Looking at Lin Fan's expression, Xia Wanqiu, who had just walked over, pouted and felt a little wronged. This blockhead was just a dumb pig trotter!

## **Chapter 22: Do You Like Me?**

"Meow ~" Xia Wanqiu's voice rang out. She looked at Lin Fan and blinked her eyes.

"You're here?" Lin Fan chuckled without turning back.

"Yeah."

"Aren't you happy that I'm here?" Xia Wanqiu asked softly. Her beautiful eyes looked at Lin Fan sadly as though she had been wronged.

Lin Fan turned around and looked at the girl in front of him.

She was still wearing the hat with cat ears like a catgirl. She was wearing shorts and had long, snow-white legs. She was very pretty without makeup.

Her aggrieved look was still so cute. Lin Fan initially wanted to bully Xia Wanqiu, but seeing her like this, how could he bear to do it?

"I am," said Lin Fan.

“Hmph, smelly Lin Fan, you still dare to be unhappy?” Xia Wanqiu took off her hat. Her figure was still perfect.

Lin Fan looked at Xia Wanqiu and was momentarily stunned.

Xia Wanqiu was indeed much better looking than Zhao Lele and Xie Yutong.

She was still a big star and her figure had always been proportionate. Her skin was also well maintained. This was something that many others could not compare to.

“What are you looking at? Shameless.” Xia Wanqiu took a few steps back and looked at Lin Fan warily. They were alone together, what if this blockhead were to get any wrong ideas?

“They’re not big, and I can’t even look at them,” Lin Fan complained.

“???” Xia Wanqiu stomped her feet and glared at Lin Fan. She straightened her back and stood in front of Lin Fan.

“Stupid Lin Fan, are you looking to get scratched?” Xia Wanqiu looked at Lin Fan. Usually, people would praise her for her beauty or her big breasts...

Only Lin Fan would dare to say such words. He was asking for it!

“Actually, on closer look, they’re quite big,” said Lin Fan with a smile.

“~ ~ ~” Xia Wanqiu.

It just felt wrong. Like no matter what, she was losing out.

The shameless Lin Fan!

Xia Wanqiu was still very angry. This detestable deskmate of hers had always made her very angry.

“How was the class reunion today?” Xia Wanqiu changed the topic.

Lin Fan nodded. "I had a good time. A lot of girls came."

Xia Wanqiu looked at Lin Fan, "??!!!"

Lin Fan said, "There are still a lot of girls who want to chat with me. It's as if I'm back in high school. Zhao Lele and Xie Yutong even asked me for my WeChat. It's been a few years since we last met and they've become prettier."

Xia Wanqiu: "Fierce!"

Looking at Xia Wanqiu's cute expression, Lin Fan smiled.

Who asked Xia Wanqiu to act so well in front of him the last time?

"What do you want to eat? Vegetable salad?" Lin Fan looked at Xia Wanqiu and gently touched her cat ears hat.

"I'm not eating anymore." Xia Wanqiu turned her head away.

"Jealous?" Lin Fan smiled and looked at Xia Wanqiu.

"You're the jealous one. Your whole family is jealous." Xia Wanqiu snorted.

"To be honest, they're not as pretty as you," Lin Fan said as he looked at Xia Wanqiu.

"~ ~ ~" Xia Wanqiu.

"I'll eat some vegetable salad. I want to eat meat too, but I'll get fat." Xia Wanqiu touched her lower abdomen. Most importantly, there was no fat on her lower abdomen.

"It's okay. After dinner, we just need to do some multiple-people exercise," Lin Fan said after some thought.

“Multiple-people exercise?” Xia Wanqiu looked at Lin Fan. “I don’t exercise much. I like two people exercising together. That way, I can lose weight faster.”

Just as Lin Fan was about to cook, the power went out.

The restaurant was small to begin with, and the entire street was completely black.

Everything was pitch black.

“Ah...” Xia Wanqiu whispered, as if afraid of the dark.

“I can’t make vegetable salad anymore.” Lin Fan walked to Xia Wanqiu’s side and smiled helplessly.

Xia Wanqiu had always been afraid of the dark since she was young. It was dark all around her. She hid in Lin Fan’s embrace, just like when she was in high school. When the power went out, the other students were cheering. Only she leaned against Lin Fan.

“Are you afraid of the dark?” Lin Fan smiled. He felt that he was too close to Xia Wanqiu and his body was heating up.

“Um, it’s alright.” Xia Wanqiu nodded.

“I have a flashlight on my phone,” said Lin Fan.

“But I’m... still afraid.” Xia Wanqiu’s voice was small and trembling.

“With me around, there’s nothing to be afraid of.” Lin Fan smiled gently.

“But I’m hungry,” Xia Wanqiu said pitifully. She came to look for Lin Fan and hadn’t even had dinner.

“Why don’t... you go to my house?” Xia Wanqiu’s voice rang out. “There’s no one at my house.”

“Go to your house?” Lin Fan felt that he couldn’t take it anymore. The key was that Xia Wanqiu was already so beautiful.

“I want to eat vegetable salad,” Xia Wanqiu said.

“Alright, let’s go since there’s a blackout outside.”

“Can I borrow your arm?” Lin Fan asked.

“Huh?” Xia Wanqiu was a little confused.

“Then, I’ll take it that you’ve agreed.” Lin Fan held Xia Wanqiu’s arm. Using the light from his phone, he walked out of the restaurant and closed the door.

If this scene was filmed, it would definitely be the top trending topic on Weibo.

However, Xia Wanqiu didn’t stop him. Although she was a celebrity, when she was with Lin Fan, she didn’t have so many worries.

Moreover, there was a blackout right now, so there was no one around.

“I have a car.” Xia Wanqiu’s cheeks were slightly red. Lin Fan was holding her arm and her heart was thumping.

As for why Lin Fan didn’t hold hands, he and Xia Wanqiu weren’t boyfriend and girlfriend yet, so he wouldn’t take advantage of girls.

When they reached Xia Wanqiu’s house,

Lin Fan then realized that Xia Wanqiu didn’t live in a high-end residential area.

The room was not big, about 100 square meters.

Xia Wanqiu sat there and watched as Lin Fan busied himself in the kitchen.

She was mesmerized.

She had always had a good relationship with Lin Fan, even if she was a celebrity.

Lin Fan was really handsome.

Even many of the male celebrities in their company couldn't compare to Lin Fan.

After making the vegetable salad, Lin Fan even made some black rice porridge. The fragrance was strong.

"Is it delicious?" Lin Fan looked at Xia Wanqiu and smiled.

"Yes, it's really delicious."

"This is the first time I've seen someone make a vegetable salad so delicious," Xia Wanqiu exclaimed. When did Lin Fan's culinary skills become so good?

"Lin Fan, when did your culinary skills become so good?" Xia Wanqiu asked.

"It's always been this good." Lin Fan patted his chest. He now had master-level culinary skills. Even some top chefs might not be able to cook as well as him.

"What if someone finds out that you brought me to your house?" Lin Fan said as he ate an apple.

"You make it sound like I have an affair with you." Xia Wanqiu blushed.

"It'll be terrible if others find out. However, if I can eat your cooking, it's no big deal if others find out." Xia Wanqiu giggled.

Lin Fan went forward and looked at Xia Wanqiu, who was eating her vegetable salad. He smiled. "You like my food so much. Do you like me?"

Xia Wanqiu gritted her teeth and glared at Lin Fan with a fierce look.

“Narcissist!”

“Only pigs would like you!”

### **Chapter 23: It's This Lin Fan Who Cheated My Cabbage?**

Lin Fan's words infuriated Xia Wanqiu.

She was so beautiful, and she was even a superstar. She had so many fans, and many people liked her and wanted to woo her.

But Lin Fan asked if she liked him.

Humph.

Narcissist.

Even if she starved to death and jumped out of the window, she would never like Lin Fan.

If she liked Lin Fan, she would be a pig!

“Alright, alright. I was just joking. What if you really become a pig?” Lin Fan looked at Xia Wanqiu and teased.

“You're the pig. Your whole family are pigs. Smelly Lin Fan, I'm not talking to you anymore.” Xia Wanqiu turned her head and no longer looked at Lin Fan.

“I'm angry. I want to eat something.” Xia Wanqiu spread out her hands as she looked at Lin Fan with her beautiful eyes.

It was mainly because she wanted to eat.

Although she was a celebrity, she was still a foodie.

How could there be a girl who didn't like to eat? Especially when Xia Wanqiu was a cat type girl. Her favorite food was meat and dried fish.

"Pay up." Lin Fan said righteously. "I'm not your personal chef who cooks for you every day."

Xia Wanqiu: "Hmph, I don't have any money. I won't even give you my life."

Lin Fan walked forward and touched Xia Wanqiu's cat ears hat. He felt a furry sensation and was satisfied. "Alright, this is considered a benefit. I can't make braised fish for you for nothing."

"There's braised fish?" Xia Wanqiu stood up and looked at Lin Fan in surprise.

She brought Lin Fan home. Other than wanting to eat vegetable salad, she also wanted to eat braised fish.

Her favorite dish was braised fish. She had only mentioned it once in high school. So Lin Fan still remembered it.

"No, I'm starting now," Lin Fan said and started to cook.

He did not make fish for Xia Wanqiu for free. At least he touched her cat ears hat.

It could be considered as taking advantage of her. Furthermore, Xia Wanqiu had given Lin Fan 20,000 dollars. It was not a big deal to make a few meals of braised fish.

Xia Wanqiu's jade-like hands were resting on her cheeks while her beautiful legs were resting casually. Looking at Lin Fan carefully, she let out a smile.

Lin Fan, who was seriously cooking, was really handsome.

Especially the Lin Fan who made her braised fish, he was even more handsome.

After a series of preparations, Lin Fan poured some cooking oil into the pot and heated it to the sixth level. The pot started to smoke.

First, he dipped the fish head into the oil pot and fried it for a while. Then, he placed the entire body of the fish into the oil pot. After a while, there was a faint fragrance. He poured in the bean paste and quickly stir-fried the bean paste to produce red oil.

Then, Lin Fan added scallions, ginger, garlic, dried chili, and other seasonings. The fragrance assailed Lin Fan's nostrils. Lin Fan skillfully controlled the fire. By then, the fried fish could already smell its fragrance.

Then, he poured some gravy on the fish with a spoon and finally poured some sesame oil into it. Then, he poured the gravy evenly on the fish.

He sprinkled the scallions on the fish, and the braised fish was ready.

Just by smelling it, Xia Wanqiu had already fallen for it.

The braised fish looked delicious.

"It's... really delicious." Xia Wanqiu took a bite and it melted in her mouth. It was tender, delicious, and delicious.

She hadn't expected that Lin Fan's Braised Fish would be so delicious.

Xia Wanqiu looked at Lin Fan, her face flushed red.

How could Lin Fan's food be so delicious?

She couldn't bear to be angry at Lin Fan anymore.

"The taste is not bad." Lin Fan took a bite as well.

Thus, after the class gathering, Lin Fan and Xia Wanqiu started their real dinner.

Braised fish, a few bowls of porridge, and a vegetable salad.

Lin Fan was used to eating the food that he had prepared. He wasn't used to having a five-star hotel meal.

Most importantly, the food prepared by the five-star hotel was not as good as his.

After eating and drinking her fill, Xia Wanqiu lay flat on the bed.

Such a life was too good.

It was just that... she'll grow fat.

"Meow, meow ~ I'll get fat. Let's go and exercise together." Xia Wanqiu pulled Lin Fan who was also lying on the bed.

"Two-person exercise?" Lin Fan smiled.

"Hmph, then how many people do you want?" Xia Wanqiu's cheeks were slightly red. "I happen to have a treadmill at home, let's go on a diet together."

"Then you're going to lose to me. I train my body every day," said Lin Fan with a smile.

"I'm not going to lose." Xia Wanqiu was not to be outdone and walked onto the treadmill.

An hour later...

Xia Wanqiu's face was flushed red and her body was covered in sweat. She was panting slightly and could no longer speak.

Lin Fan was the same. However, he seemed to be doing well. Lin Fan's body wasn't too bad from his frequent training.

After training, Xia Wanqiu fell asleep on the bed.

Lin Fan originally wanted to go home but he was really too tired today. After eating the braised fish and exercising for an hour, he fell asleep.

The two of them slept on the bed without even taking off their clothes.

2

Unknowingly, it was already the second day.

The first to wake up was Xia Wanqiu.

When Xia Wanqiu saw Lin Fan sleeping beside her, she couldn't help but be shocked.

Could it be that last night...

After checking, Xia Wanqiu heaved a sigh of relief.

If others were to find out about this, even Weibo would be paralyzed.

Shocked. Xia Wanqiu had actually slept with an unknown man for an entire night.

When Lin Fan woke up, his eyes met with Xia Wanqiu's.

Thankfully, nothing happened. Xia Wanqiu's cheeks were a little pink.

"Lin Fan, hurry up and leave. If you don't leave now, my manager, Sister Yang, is coming back." Xia Wanqiu's face was red as she looked at Lin Fan. Although nothing had happened, it was as if she had done something bad.

"If we're discovered... we'll be in trouble." Xia Wanqiu pushed Lin Fan out of the door.

After all, her current identity was special. Although her manager was one of her people, if Yang Qing found out about this, she would definitely nag at her again.

“Meow meow, let’s go.” Xia Wanqiu looked at Lin Fan and pouted her lips. She looked extremely cute.

“Alright.” Lin Fan nodded. He put on his jacket and walked out. Seeing how nervous Xia Wanqiu was, Lin Fan smiled. She hadn’t changed much since high school.

Nothing happened between the two of them in the first place, but if someone bumped into them, it would be hard to explain.

A man and a woman alone in the same room. The key was that the girl was so beautiful and the boy was so handsome.

Lin Fan had just left the staircase when he met a woman in her thirties.

The woman looked at Lin Fan in surprise but didn’t think much about it.

Lin Fan looked over. This woman should be Xia Wanqiu’s manager, Yang Qing.

They actually bumped into each other.

However, Lin Fan was very calm.

Pretending nothing had happened. Pretending to be the owner of the estate.

Wasn’t it just sleeping on the same bed as Xia Wanqiu? Even though their hands had never touched.

In the beginning, Yang Qing did not suspect anything. After all, this was a building. It was normal for the owner to come down.

But when she went upstairs,

Yang Qing finally understood.

Xia Wanqiu was the only resident in the entire building.

Who was that Lin Fan who had just passed by?!

No wonder Xia Wanqiu often went to a certain place alone recently and didn't let anyone know about it. Yang Qing had always been suspicious.

Now that she saw Lin Fan, she was enlightened.

Could it be... that Lin Fan was the one who cheated my cabbage?!

And... he even slept with her?!!!
