

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 250-254

Chapter 250: Wang Zhiwen Is Crying. Why Are All The Girls At Lin Fan's Place?

When they confirmed that they were going to a KTV, Xia Wanqiu smiled.

She quietly picked up her phone and sent a message to Su Xiaoyu and Lin Jingjing.

[Xia Wanqiu: "Xiaoyu, Jingjing, Lin Fan is going to sing at a KTV. Do you guys want to come over together?"]

Su Xiaoyu: "!!!"

Lin Jingjing: "!!!"

Xu Yang: "!!!"

Su Xiaoyu: "Of course I want to listen. I'm done with work anyway. I'm going to listen to Master sing live."

Lin Jingjing: "I want to go too. Tell me the address. Lin Fan's songs are very nice. If Lin Fan can make us a feast, that would be even better."

Xu Yang: "As Jingjing's boyfriend and Lin Fan's brother, how can I not go when Lin Fan sings live?"

Lin Kexin: "Wow... Is Lin Fan really going to sing? Can I go to the venue too?"

[Chu Yaoyao: "Me too, me too!!!"]

In a WeChat group, they heard that Lin Fan was going to sing.

All the celebrities became active.

They had all heard Lin Fan's songs and seen his livestream.

However, they weren't there to hear Lin Fan sing live.

When listening to someone sing, it would be completely different when listening to one sing live.

These girls were big celebrities in China.

They were also Lin Fan's fans.

To be able to hear Lin Fan sing live, these people were immediately tempted.

When they arrived at the KTV, they opened a huge private room.

The boss of the KTV personally came to receive them.

Especially when the KTV owner found out that Lin Fan was here, he immediately announced that the bill would be waived.

Lin Fan and Xia Wanqiu were big celebrities.

Especially Lin Fan. His singing was too good.

The boss of the KTV was even Lin Fan's fan.

When they sat down in the KTV, everyone exclaimed.

"Lin Fan's influence is too great now. When he came to the KTV, the boss of the KTV wanted to waive our bill."

"That's right. We had a feast at a five-star hotel and the manager wanted to waive our bill. How can Lin Fan be so awesome?"

"I've heard Lin Fan's two songs before. They're really nice. You can download QQ Music and listen to them."

“I’ll listen to it when I get back. Lin Fan is already here. I can hear him sing live.”

Many girls looked at Lin Fan in admiration.

Lin Fan was rich and handsome. Most importantly, his singing was very good.

Of course, there were many people who came to the KTV.

Lin Fan couldn’t keep singing with the microphone.

Halfway through the KTV, everyone sang a lot.

Then... everyone looked at Lin Fan.

Many girls were looking forward to it.

They could finally listen to Lin Fan sing.

Then, to everyone’s surprise...

A few luxury cars stopped at the entrance of the KTV.

A few familiar faces alighted from the luxury cars.

The superstar, Su Xiaoyu.

The superstar, Xu Yang.

Singer, Lin Jingjing.

There were also two girls who were also big celebrities, Lin Kexin and Chu Yaoyao.

“D*mn, d*mn!”

“The big celebrities are all here. Su Xiaoyu, Xu Yang, Lin Jingjing, Lin Kexin, Chu Yaoyao. These are five big celebrities.”

“Lin Fan and Xia Wanqiu are also here. There are actually so many celebrities coming to our KTV.”

When they reached the door, Su Xiaoyu walked in first.

Su Xiaoyu was also Xia Wanqiu’s university classmate. She had just finished her work and came to attend the class reunion.

When Su Xiaoyu entered, everyone’s eyes lit up.

The beauty, Su Xiaoyu, was here!

“Sister Wanqiu, I’m late. Hello, everyone.” Su Xiaoyu looked at everyone and greeted them warmly.

Seeing Su Xiaoyu’s expression, Wang Zhiwen swallowed his saliva.

How could Su Xiaoyu look so good now?

Wang Zhiwen was just about to speak to Su Xiaoyu when she ran to Lin Fan’s side, not giving him a chance at all.

“Master, I can finally come and listen to you sing ~” Su Xiaoyu said.

Looking at Su Xiaoyu and Lin Fan’s relationship, Wang Zhiwen was a little envious.

Damn, why was Su Xiaoyu so close to Lin Fan?

Why was every beauty so close to Lin Fan?

Could it be that Wang Zhiwen was not charming?

He was worth tens of billions after all and the future heir of the Wang Corporation.

If there were more beauties coming, he didn't believe that there would be beauties sitting beside him, right?

The door of the KTV opened.

An outstanding girl appeared in front of everyone.

China's big singer, Lin Jingjing.

Everyone gasped. Even the singer Lin Jingjing was here.

Beside Lin Jingjing was also the current superstar of China, Xu Yang!

Behind Xu Yang were two even prettier girls.

There was almost no one on the Internet who did not know about these two girls.

Lin Kexin, the school belle of Beijing Film Academy and a popular beauty on the Internet, was still ranked at the top of the celebrity rankings.

Many fans liked her work.

A few months ago, Lin Kexin had even more fans than Xia Wanqiu.

Chu Yaoyao was Lin Kexin's classmate. Although she couldn't be considered the school belle, she was still pretty.

Another two beauties were here!

The moment these beauties arrived, their looks immediately suppressed that of many girls.

Only girls like Xia Wanqiu and Su Xiaoyu could match Lin Kexin's looks.

Most importantly, these people were all big celebrities.

Why were all these celebrities at this KTV?

Wang Zhiwen was dumbfounded.

Li Long was dumbfounded.

All of Xia Wanqiu's classmates were dumbfounded.

Not to mention these students, even the KTV's boss and staff were shocked. They immediately sent out many security guards to protect these celebrities.

Lin Fan arrived.

Then, all the big celebrities in China came to look for Lin Fan.

"D*mn, so many celebrities are here. Are they all here to listen to Lin Fan sing?"

"And these celebrities have a good relationship with Lin Fan!!"

"Today is the first time I've seen these big celebrities in person. Lin Fan's popularity in the entertainment industry is too good."

"I'm crying from envy..."

"I want to hear Lin Fan sing even more. How good is Lin Fan's singing? There are so many celebrities who are willing to come here to listen to Lin Fan sing."

Many students exclaimed.

Many people sat beside Lin Fan.

Wang Zhiwen's side was empty.

Wang Zhiwen wanted to vomit blood.

Compared to Lin Fan, he really didn't have any charm.

The moment these celebrities arrived, almost everyone's attention was on Lin Fan.

Lin Fan already had a girlfriend and there were still so many girls who were willing to look at him.

Then, he looked at himself...

Wang Zhiwen sighed.

He suddenly understood how Xu Yang felt.

Wang Zhiwen looked at Xu Yang again.

Xu Yang was holding Lin Jingjing's hand. They were very close.

Damn it, how could he compare to Xu Yang?

Xu Yang already had a girlfriend.

Was this... the difference in life?

It was fine if he couldn't compare to Lin Fan.

Now, he could not compare to Xu Yang either.

Chapter 251: Damn It, I've Been Stuffed With Dog Food By Lin Fan Again!

This was the first time Lin Kexin and Chu Yaoyao had come into close contact with Lin Fan in real life.

When they saw Lin Fan's true appearance, the two girls were stunned.

Lin Fan... was really handsome.

"Lin Fan, hello. I'm Lin Kexin, and I'm also your fan." Lin Kexin smiled and took the initiative to extend her hand to Lin Fan.

"Hello." Lin Fan smiled politely and shook Lin Kexin's hand.

"Lin Fan, I'm really your fan. Your singing is super good and your acting skills are also very good. You're also a big screenwriter and a big director," Lin Kexin said seriously.

Previously, when "Star Garden" and "The Legend of Sword and Fairy" fought for the viewership ratings, it was also a war between Huace Pictures and Yuehua Entertainment. It had nothing to do with Lin Kexin. She even took the initiative to help promote "The Legend of Sword and Fairy".

This made Lin Fan have a better impression of Lin Kexin. At least this girl's character was not bad.

"I'm Chu Yaoyao, and I'm also your fan." Chu Yaoyao looked at Lin Fan and took the initiative to extend her hand.

Chu Yaoyao and Lin Kexin were very polite to Lin Fan.

They liked Lin Fan's songs and his dramas very much.

Although they were big celebrities, big celebrities also had idols.

Lin Fan was their idol.

Seeing the two celebrities being so polite and friendly to Lin Fan,

Wang Zhiwen watched this scene silently.

The two beautiful celebrities had such a good relationship with Lin Fan.

“Lin Fan, they’re all my good friends. Everyone wants to hear you sing ~” Xia Wanqiu looked at Lin Fan with her beautiful eyes and smiled sweetly.

“Mmm, then I’ll sing a song,” said Lin Fan with a smile as he picked up the microphone.

In order to hear Lin Fan sing,

Su Xiaoyu, Lin Jingjing, Xu Yang, Chu Yaoyao, Lin Kexin, and a few other celebrities were all here.

This wasn’t an exaggeration, but because Lin Fan’s voice was quite penetrative.

Listening to Lin Fan sing could make one intoxicated in that wonderful world.

If Lin Fan wanted to hold a concert now, who knew how many celebrities would rush over.

A familiar accompaniment sounded.

It was Lin Fan’s first song, “Love Confession”.

[Coffee on the left bank of the Seine]

[I’ll taste your beauty with one cup in my hand.]

When Lin Fan’s slightly magnetic voice rang out,

Everyone present was stunned.

Especially Xia Wanqiu's classmates. Their eyes widened in disbelief.

"Oh my god, is this Lin Fan's singing..."

"Lin Fan's singing is really nice. He's amazing!"

"D*mn, how can it be so good? Listening to Lin Fan sing live is much better than listening to him on QQ Music."

Wang Zhiwen, Zhao Ming, and Li Long looked at each other.

They had never heard such a nice song in their lives.

After Lin Fan sang this song, the surrounding people gradually became engrossed.

What was a golden song?

This was a golden song.

After he finished singing Love Confession,

Everyone was deeply immersed in it.

A beautiful scene seemed to appear in front of them.

Xia Wanqiu looked at Lin Fan with her beautiful eyes and smiled sweetly.

Then, it was Lin Fan's second song, "My Old Deskmate".

The song "My Old Deskmate" was about their beautiful relationship, but it carried some regret that they could not be together.

It was this song that could resonate with everyone.

This song was also a song that Lin Fan had wanted to write for Xia Wanqiu.

[Will you remember it tomorrow?]

[The diary you wrote yesterday]

[Will you still miss me tomorrow?]

[You used to cry the most.]

....

When Lin Fan started singing this song, he smiled.

He had originally wanted to sing this song for Xia Wanqiu.

He wanted to give her a surprise on her birthday.

But that day, something unexpected happened.

It was only today that Lin Fan could sing this song in front of Xia Wanqiu.

This song was not long, but it could cause everyone's imagination to run wild.

Lin Fan's singing was deeply imprinted in everyone's hearts.

Many girls present were already intoxicated by this song.

Xia Wanqiu's eyes were slightly red.

As Lin Fan sang this song, he walked forward and gently held Xia Wanqiu's hand.

Swoosh!

All the lights in the KTV shone on Lin Fan and Xia Wanqiu.

When Lin Fan sang this song, even the security guards at the entrance and the KTV boss were silently listening to him.

They wouldn't go in and disturb Lin Fan.

But they couldn't help but not listen to Lin Fan's singing.

After all, the person who sang in the KTV was Lin Fan, who was liked by countless people.

Lin Fan could attract countless fans with his singing.

The CEO of the KTV listened to Lin Fan sing silently, intoxicated.

"It's really... nice." The KTV CEO sighed and gave Lin Fan a thumbs up.

"To be able to hear Lin Fan sing live is really too blissful. After opening a KTV for so many years, it's worth it."

"If Lin Fan can hold a concert, I will definitely be the first to support him," the KTV CEO said, his eyes filled with desire.

The two songs were over, and the time was short.

Everyone hoped that it would take longer.

It would be great if they could hear Lin Fan sing it again.

In the KTV, many of Xia Wanqiu's university classmates were filled with admiration.

Especially those girls, they were all impressed by Lin Fan.

Lin Fan had sports cars worth hundreds of millions and a villa worth hundreds of millions. He was also a major shareholder of a five-star hotel. At the same time, Lin Fan was a superstar with many identities.

However, what many girls admired the most was Lin Fan's character.

Lin Fan didn't flirt with any girl. He didn't look at any girl's long legs. He didn't even add any girl on WeChat.

Lin Fan's singing was so good and his character was very good.

It was precisely because of such feelings that everyone was envious.

From the gathering to the KTV, Lin Fan's eyes were often only on Xia Wanqiu.

There were many beautiful girls present.

But there was only one girl in his eyes, Xia Wanqiu.

There was no way to hide the light in a person's eyes.

Even with goddesses like Lin Kexin and Chu Yaoyao, beautiful girls like Lin Jingjing and cute girls like Su Xiaoyu, Lin Fan had never been moved.

How could the relationship between him and Xia Wanqiu be comparable to that of others?

Beauty was in the eye of the beholder.

Xia Wanqiu wasn't Lin Fan's lover. She was Lin Fan's former deskmate, his current girlfriend, and his future wife.

Su Xiaoyu, Lin Kexin, and Chu Yaoyao all smiled.

This scene was really beautiful.

Lin Fan's song moved everyone.

After singing, Lin Fan put down the microphone.

Lin Fan only had eyes for her.

He did not say another word.

This song was for her.

She was his angel, unique.

Looking at the blushing girl in front of him, Lin Fan's heart skipped a beat.

In high school, when he was her deskmate, Lin Fan didn't have the courage to confess to her.

After graduating from university, Lin Fan became the owner of a small restaurant.

She was a top superstar and was dazzling.

They could not have gotten together.

But there was something called fate.

At the right time, he met the right her.

Even if he stumbled in the middle, the girl beside him was still her.

“Fortunately, it’s you.” Lin Fan smiled and held Xia Wanqiu’s hand. At this moment, he was extremely happy.

“Mmm ~” Xia Wanqiu nodded gently.

Looking at such a girl, Lin Fan didn’t give her a chance to escape.

He just wanted to hug her tightly and protect her.

And... kiss her.

Under everyone’s gaze,

Lin Fan took the initiative to kiss Xia Wanqiu.

This scene froze time.

This was the first time Lin Fan took the initiative to kiss her red lips other than filming.

For the first time, she stood there obediently and closed her eyes gently. She didn’t resist Lin Fan.

The girl’s faint fragrance wafted over. Lin Fan slowly let go of Xia Wanqiu. Her face was already red.

He was just short of getting her parents’ approval to marry her.

There was still half a year. After half a year, he had to get her parents’ approval.

At this thought, Lin Fan’s heart was extremely firm.

Everyone around was hit hard.

Especially Wang Zhiwen.

Damn it, Lin Fan was stuffing him with dog food again!

Chapter 252: Signed In, Alibaba's Second-largest shareholder!

Unknowingly, ten days passed.

For the past ten days, Lin Fan had been writing scripts seriously, preparing to earn big money.

Now, Lin Fan had signed a superstar, Su Xiaoyu.

For Su Xiaoyu's future development, Lin Fan definitely couldn't treat her badly.

After all, Lin Fan was a human and wasn't a very big entertainment company.

Lin Fan couldn't compare to entertainment companies like Yuehua and Huace Pictures.

The economic strength, connections, resources, and experience of these entertainment companies far exceeded Lin Fan's.

A celebrity like Su Xiaoyu had become Lin Fan's artiste.

She was no longer earning money for Yuehua Entertainment.

From now on, she was just Lin Fan's artiste.

If Lin Fan was willing, he could even ban her.

But that was impossible. Lin Fan and Su Xiaoyu had a good relationship now.

Signing Su Xiaoyu gave Lin Fan some pressure.

This was also the first step in Lin Fan's future plan.

If he wanted to really gain a foothold in the entertainment industry, it was impossible to rely on Yuehua alone.

In order to better protect the girl beside him and Xia Wanqiu, it would be best if he could found his own entertainment company.

Su Xiaoyu had already become his artiste. When Xia Wanqiu and Yuehua's contract expired, she could naturally become an artiste under Lin Fan.

Lin Fan was now completely capable of founding an entertainment company.

The money an artiste earned could not compare to that of an entertainment company.

It had been half a month since he last signed in.

Lin Fan was looking forward to what he could get this time.

To found an entertainment company, the most important thing was money, strength, and connections. These were all indispensable.

"It depends on whether I can get some good things this time."

"Most of the shares I received previously are overseas. I didn't sign in to any awesome local companies," said Lin Fan. He sat in his room and prepared to sign in.

"Ding... Signed in successfully."

"Congratulations Master for obtaining 5% of Alibaba's shares."

"Congratulations Master for officially becoming the second-largest shareholder of Alibaba."

"The relevant property rights documents and certificates have been officially issued to the system inventory. Master, please take note."

When he heard the system's voice, Lin Fan was in disbelief.

If signing in for LV and Chanel shares previously surprised Lin Fan,

Then this time, it was shocking.

Alibaba had already spread all over the world.

Among them, Alibaba's CEO Ma was even more famous worldwide.

Alibaba's products were already everywhere.

Although he only received 5% of Alibaba's shares, the importance of this 5% was self-evident.

Even CEO Ma only had about 9% of the shares.

There were very few people in Alibaba who owned 5% of the shares.

Lin Fan had become Ali's second-largest shareholder!

It was equivalent to Lin Fan becoming a higher-up in the company.

And Alibaba's market value was something that LV and Chanel could not compare to.

Alibaba's market value was as high as 650.56 billion USD!

converted to RMB, it was equivalent to 4.55274899 trillion RMB.

More than 4 trillion RMB!

Alibaba's market value, if written on paper, was 13 digits, which was equivalent to 4552748992000 yuan.

More than 4 trillion. What kind of concept was that?

It was an immeasurable concept.

Lin Fan received 5% of the shares. Every year, just the dividends alone were worth at least a few billion.

Furthermore, the most important thing was status.

After becoming a higher-up in Alibaba's board of directors, Lin Fan would really become a big boss in the business world.

"5% of Alibaba's shares. With this identity, it's enough for Xia Wanqiu's parents to pay attention to me," said Lin Fan.

"However, I still have to compete with my wife in terms of assets in half a year. Although I've signed in and received Alibaba's shares, if I want to get dividends, I can only do so once a year." Lin Fan sighed and shook his head.

1

As everyone knew, Alibaba's CEO Ma and JD's CEO Wang, only had a salary of one yuan.

The annual dividends were the bulk of their income, plus some other streams of income.

If Lin Fan wanted to get the money, he would have to wait at least a year.

It was impossible for Alibaba to give Lin Fan billions tomorrow after he had just become a shareholder today.

However, when the year-end bonus was given out, Lin Fan would probably receive a lot of money.

However, one had to know that even if Lin Fan was given an annual salary of tens of millions, he wouldn't be able to earn much money.

“Looks like I still have to found an entertainment company. I can use the money earned by my own company most peacefully.” Lin Fan thought to himself.

Most importantly, if he founded an entertainment company, the money he received would not be suspected.

Otherwise, who would believe that Lin Fan was a major shareholder of LV, Chanel, and Alibaba?

The news that Lin Fan had become the second-largest shareholder of Alibaba exploded in the entire company.

Alibaba’s board of directors had a change in personnel!

“Have you heard? There’s been a change in the higher-ups of our company’s board of directors. A former veteran of Alibaba transferred all his shares to one person.”

“That’s right. Some of the veterans are going to retreat behind the scenes. A new young man is also going to come up. How many shares can this young man get from our company?”

“What did you say? 5% shares? Oh my god... that’s 5% shares. Even CEO Ma only has 9% shares.”

“What’s this person’s name? Does anyone know his background?”

Alibaba’s office was filled with shock.

The change in the company’s higher-ups meant that there might be new changes in the company. This was closely related to everyone.

For a moment, even the higher-ups of Alibaba’s board of directors did not know the name of the company’s second-largest shareholder.

In the company, there was only one person sitting in the office, looking at a form.

This form had a lot of information about Lin Fan and his resume.

Alibaba's CEO Ma was personally looking at Lin Fan's information.

"Lin Fan, a big star in China and Yuehua Entertainment's top screenwriter."

"Other than that, Lin Fan drives sports cars worth hundreds of millions and lives in a villa worth hundreds of millions."

"At the same time, Lin Fan is also the second-largest shareholder of New Era Lisheng Hotel."

"Just based on this information, Lin Fan can't become the second-largest shareholder of the company." CEO Ma shook his head slightly.

"CEO Ma, there's a top-secret document about Lin Fan here. It took a lot of effort to find out Boss Lin's true identity, and I can only find half of it." The assistant stood respectfully in front of Boss Ma.

CEO Ma opened this top-secret document and saw Lin Fan's true identity.

"The second-largest shareholder of LV..."

"The second-largest shareholder of Chanel..."

"Lin Fan is also the third-largest shareholder of the Bugatti Corporation."

"Now, Lin Fan has become the second-largest shareholder of Alibaba."

When CEO Ma saw this information, even though he was already standing at the top of the domestic business world, he could not help but feel a little shocked.

The so-called superstar was just Lin Fan's character on the surface.

In reality, Lin Fan's true identity was actually a major shareholder of so many top companies.

Shanghai was truly filled with crouching tigers and hidden dragons!

Chapter 253: Legend of China's Business World, CEO Ma's Invitation

CEO Ma was also shocked.

When did such a person appear in Shanghai?

Lin Fan was also a major shareholder of many companies. Just his status alone was enough to make CEO Ma value him.

Most importantly, Lin Fan had become Alibaba's major shareholder.

"Help me contact Boss Lin. I want to see him," CEO Ma put down the document and said.

"Alright." The assistant nodded.

For Lin Fan to have such an outstanding resume and background, in CEO Ma's eyes, Lin Fan was a talent.

Not only was CEO Ma a successful entrepreneur, but he was also an entrepreneur who had contributed to society.

The entire Alibaba was personally developed by CEO Ma.

Seeing such an outstanding talent like Lin Fan become Alibaba's major shareholder, CEO Ma felt sincerely happy.

He wanted to see Lin Fan personally. If Lin Fan really had the ability, he could be Alibaba's future heir.

In the villa.

Not long after signing in for Alibaba's shares, Lin Fan received a call.

"Hello, Boss Lin. I'm CEO Ma's assistant. CEO Ma wants to find a time to meet you. Is that okay?" CEO Ma's assistant said.

“Meet me?”

“I don’t think there’s a need for that for now. Please help me tell CEO Ma that Alibaba is developing very well under his leadership. I won’t interfere with any of Alibaba’s work. It’s fine as long as I can get enough profits every year,” said Lin Fan.

He wasn’t sure why CEO Ma was calling him, but Lin Fan didn’t doubt CEO Ma’s ability.

He was a legend in China’s business world who had walked all the way from the 1990s to today.

He was a person that countless people respected. CEO Ma had achieved every bold claim he said one by one, and Alibaba, which was led by him, had long been thriving.

Lin Fan just wanted to tell CEO Ma that he wouldn’t fight for power in Alibaba.

Regarding business, especially Alibaba’s development, Lin Fan was very at ease with Boss Ma around.

In terms of becoming a true business genius, the current Lin Fan wasn’t good enough.

And if he really wanted to reach CEO Ma’s position, he would be too busy.

Lin Fan didn’t want his life to become so busy.

“Alright.” The assistant nodded and hung up without hesitation.

The assistant was also a little surprised.

What kind of person was CEO Ma?

A legend in the business world.

A giant that countless people respected.

In China's business world, no big boss dared to not give CEO Ma face.

Whether it was the CEO of JD or QQ, no one in the business world dared to reject CEO Ma's invitation.

Lin Fan rejected him.

Furthermore, Lin Fan had directly said that he wouldn't interfere with any of the company's matters.

This was the boldness of their new major shareholder, Boss Lin.

He rejected CEO Ma's request to meet and expressed his attitude towards the company.

The reason why Lin Fan didn't want to meet CEO Ma was simple. He was still writing the finale of the scripts and was about to finish it.

If he went to see CEO Ma, it would just be troublesome.

"CEO Ma, Boss Lin rejected you. Furthermore, Boss Lin said..." The assistant repeated what Lin Fan said.

"This is the first time someone has rejected my invitation." CEO Ma smiled and was even more curious about Lin Fan.

Even if Lin Fan didn't want to interfere in Alibaba's matters, the current Lin Fan was already a major shareholder of Alibaba.

At the same time, all the higher-ups gathered at Alibaba's board meeting.

After the meeting, all the higher-ups were shocked.

"The second-largest shareholder of our company has been confirmed. His name is... Lin Fan."

"From now on, Boss Lin will be the second-largest shareholder of our company."

“Oh my god... Boss Lin is actually a major shareholder of the top three luxury brands.”

“Boss Lin looks like a big star on the surface, but he’s actually a business genius.”

“It’s just that for some reason, Boss Lin isn’t too interested in the development of our company. But this is good too. After all, Boss Lin hasn’t stayed in Alibaba before. He has to familiarize himself with us for a while.”

...

The fact that Lin Fan had become a major shareholder of Alibaba shocked all the higher-ups of Alibaba.

Every one of Alibaba’s higher-ups was a business giant.

Lin Fan’s appearance had already attracted the attention of these people.

A few days later, Lin Fan was almost done writing the scripts for the third season of “The Legend of Sword and Fairy” and the second season of “Joy of Life”.

After the scripts were completely written, they could officially prepare for the filming of these two television dramas.

At this moment, Yunhang Technologies’ CEO, Yun Qian, called.

“Brother Lin, we haven’t contacted each other in a long time.” Yun Qian smiled on the phone.

“Brother Yun, we haven’t contacted each other for a long time.” Lin Fan smiled. After all, he was very familiar with Yun Qian.

“Brother Lin, I’m calling you this time mainly because there’s a grand business event in Shanghai’s business center tomorrow night. Business elites from all walks of life will be coming here.”

“This is also a good place to expand your connections. Didn’t you tell me a few days ago that you want to found an entertainment company? To do so, you have to have connections to stand on firm ground. I

think participating in this business event would be a good opportunity to gain some connections,” Yun Qian said.

“The main thing is that I want to invite Brother Lin to a meal and chat. It’s not bad to tell you how to found an entertainment company,” Yun said with a smile.

Yunhang Technologies was also a large company with a market value of tens of billions. Its boss, Yun Qian, was also famous in the business world.

Yun Qian didn’t know much about Lin Fan’s background, but he was still willing to look for him.

After all, it was not bad to have a few friends occasionally.

Lin Fan said, “Brother Yun, see you tomorrow night. Can I bring my family along?”

Yun Qian smiled and said, “Family? I almost forgot. Brother Lin, you already have a girlfriend, and she’s even China’s superstar, Xia Wanqiu.”

“Your sister-in-law will come too. At the same time, you can get to know her. If you want to set up an entertainment company, feel free to tell me if you need any help,” Yun Qian said.

“Alright, see you tomorrow night,” said Lin Fan as he hung up.

At this business event, business elites from all walks of life would come.

Although Lin Fan was a major shareholder of various large companies, if he wanted to open an entertainment company himself, he would face even more trouble. He needed to improve his ability and be a qualified CEO.

Only by tempering himself in the business world would Lin Fan be able to stand firm in the future.

Although Lin Fan could rely on his many identities to convince Xia Wanqiu’s father,

these identities were all given by the system.

Lin Fan also wanted to achieve something and let Xia Wanqiu's parents acknowledge him.

Establishing an entertainment company was an urgent matter.

Not only did he have to help Su Xiaoyu find new endorsements and resources, but he also had to open an entertainment company himself to earn more money.

If he opened an entertainment company and stayed in his company with his wife, no one would be able to bully her.

Chapter 254: Madam Xia, Stay Here Tonight

The business event that involved the whole of China was held in the skyscraper in Shanghai's central business district.

Elites from all walks of life would come here.

This was a true banquet.

After Lin Fan hung up, there was a knock on the door.

When he opened the door, he saw Xia Wanqiu standing at the door.

She was wearing pajamas and had long, snow-white legs. Her collarbones were exquisite and her waist was slender. The thin pajamas outlined her perfect figure. She was curvy and slender in all the right places. She had just taken a shower and one could still smell the subtle fragrance on her.

Xia Wanqiu was wearing pajamas that also had cartoon cats on them. She was wearing a cat ears hat.

"Meow, meow?" Xia Wanqiu made a cute gesture with her hands in front of Lin Fan and even pouted.

Seeing such a girl, Lin Fan really couldn't take it.

Xia Wanqiu was sleeping in Lin Fan's house. To put it simply, she was already living in the Lake Heart Villa with Lin Fan.

At 11pm, Xia Wanqiu was standing at Lin Fan's door in her pajamas. Who could withstand such a scene?

Xia Wanqiu was already very beautiful. At 167 centimeters, she was not too tall or too short. The key was that she was occasionally so cute that it made one's heart flutter.

"Where's Xiaoyu?" Lin Fan asked as he looked out the door.

"Xiaoyu is watching dramas in her room." Xia Wanqiu's gentle voice rang out.

Lin Fan's eyes lit up and he immediately carried Xia Wanqiu in his arms.

Lin Fan's physique was not bad. He carried Xia Wanqiu to the bed.

"Scumbag, scumbag."

"Bad guy, put me down." Xia Wanqiu's face was red as she slapped Lin Fan's back angrily.

"I have something very important to discuss with you." Lin Fan smiled and carried Xia Wanqiu to the sofa. He sat at the side and didn't do anything else.

"But you can't bully me." Xia Wanqiu looked at Lin Fan fiercely.

"Madam Xia, I really have something important to discuss with you," said Lin Fan with a smile as he held Xia Wanqiu's hand.

"Bad guy, who's your wife?" Xia Wanqiu sat up with a red face. She looked at Lin Fan and her heart felt warm.

Damn Lin Fan, he even started calling her Madam Xia.

"Say it~" Xia Wanqiu looked at Lin Fan with her beautiful eyes.

“There’s a business event tomorrow. Many elites and bosses in the business world will be there. Come with me,” said Lin Fan. This business event was even more important than the Bugatti launch event.

The Bugatti launch event was attended by tycoons from all walks of life. However, these tycoons were all foreign.

But all the major business tycoons in China would be attending this business event. The influence it brought was completely different.

“I already have such a beautiful girlfriend. Of course I have to bring her along. You’ll make me look good,” said Lin Fan with a smile. He didn’t bring Xia Wanqiu along for the Bugatti launch previously. Of course, he couldn’t miss it this time.

“Mmm ~ I’ll go with you. I don’t understand business, but it’s good that you do. I’ll just act as Madam Xia.” Xia Wanqiu smiled sweetly and gently leaned on Lin Fan’s shoulder.

Lin Fan gently hugged her waist.

Damn, how could there be a girlfriend who was so good at flirting?

He was just joking about Mdm Xia.

In the end, Xia Wanqiu said it too. She said it even more sweetly.

“Madam Xia, why don’t you not return to Xiaoyu’s room tonight...” Lin Fan walked forward.

“Scumbag, get lost,” Xia Wanqiu said aggrievedly.

“I came to look for you tonight because I have something to tell you. Look at the group ~” Xia Wanqiu looked at Lin Fan.

“Huh? The WeChat group? I don’t check the group much,” said Lin Fan. He rarely used social media and would only occasionally video call Xia Wanqiu.

“Many of the actors in the cast of Joy of Life haven’t taken on any other dramas recently. They’re just waiting to film the second season of Joy of Life and the third season of the Legend of Sword and Fairy. Everyone can’t wait,” Xia Wanqiu said as she looked at Lin Fan.

Lin Fan opened the WeChat group and saw 99+ messages.

Furthermore, in this WeChat group, many actors were tagging Lin Fan.

“Brother Fan, when can you write a new script? I want to film the second season of Joy of Life and the third season of the Legend of Sword and Fairy. Anyway, the actors in the two television dramas are similar. I’ll wait for you!!”

“Ah ah ah, Brother Fan’s script hasn’t been written yet? I want to act. Brother Fan’s scripts are always so interesting. When I act, I feel that it’s very sweet. I can see Lin Fan and Xia Wanqiu act together again.”

“When is Brother Fan going to film ‘The Legend of Sword and Fairy’? The audience can’t wait.”

“It’s really a pleasure to watch Brother Fan act. It’s even better to work with Brother Fan.”

“Lin Fan, please write a script!!!”

....

All the actors were waiting for Lin Fan in the group.

Every actor usually had a lot of events to go to.

If a television drama became popular, it would be very difficult to film a second season with the same cast.

Different celebrities had to adjust their filming schedules.

If they could not gather the original cast to film, the audience would not watch it and the effect would not be very good.

Lin Fan hadn't acted in a long time. Logically speaking, these actors should be filming other dramas. Their schedules would be very full.

Ever since these actors found out that Lin Fan's script was about to be completed, all the actors in Joy of Life and the Legend of Sword and Fairy stopped working.

Everyone was waiting for Lin Fan to write a new script and film.

In the past, when filming, the director team and producers had to contact these celebrities and adjust their schedules.

But this time, there was no need. All the celebrities took the initiative to adjust their schedules to act in Lin Fan's two new television dramas.

Each of these two television dramas achieved very good results.

The second and third seasons of the two television dramas affected the hearts of these actors.

Even Yuehua Entertainment's CEO Li and the screenwriting master Tian Zheng were waiting for Lin Fan's new script.

The whole of Yuehua and many actors wanted to work with Lin Fan.

Such a grand occasion had been going on for nearly ten days.

Because Lin Fan's scripts were too interesting.

Lin Fan's scripts and television dramas earned him a large number of fans.

These actors were also fans of these two television dramas.

They wanted to see the sequel to these two television dramas more than any fan.

The entire group was in an uproar.

There were even many entertainment companies who were prepared to buy the script adaptation rights for Lin Fan's two television dramas.

Su Xiaoyu and Xia Wanqiu had stopped working recently and were waiting to film a television drama with Lin Fan.

It was the same for Xu Yang and Lin Jingjing.

Furthermore, even the A-list celebrities Lin Kexin and Chu Yaoyao wanted to work with Lin Fan to film the third season of the Legend of Sword and Fairy.

Needless to say, the various entertainment companies had already prepared a lot of funds.

Even the television stations, Tencent Arts, iQiyi, and other online video companies were prepared to buy the premiere rights of Lin Fan's two television dramas.

Faced with such a grand occasion, Lin Fan was a little surprised.

Unknowingly, he had already gained such an important position in the entertainment industry!
