

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 29-34

Chapter 29: Torturing singles

Translator: Atlas Studios Editor: Atlas Studios

Su Xiaoyu blinked her eyes and looked curiously at Lin Fan's reaction. She held a cucumber in her hand and took a small bite. It tasted delicious.

"Xiaoyu!!!" Xia Wanqiu's face was slightly red as she glared at Su Xiaoyu and started to tickle Su Xiaoyu's waist.

"Yaya, it's so itchy, wuwuwu, I just said what Sister Wanqiu is thinking." Su Xiaoyu giggled, looking aggrieved.

"If you tickle me, I'll tickle you too ~" Su Xiaoyu bit the cucumber and placed her hand on Xia Wanqiu's waist.

"Xiaoyu, don't spout nonsense. I don't remember saying that." Xia Wanqiu tilted her head to the side, her face slightly red.

Even she did not know why she had such a big reaction.

She had just told Lin Fan yesterday that whoever liked Lin Fan was a pig. If she admitted that she liked him, she would be a pig and she would be laughed at by Lin Fan for a long time.

"Aiyah, since you didn't say it, so be it. Those are your heartfelt words." Su Xiaoyu took another bite of the cucumber and looked at Lin Fan's reaction cutely.

"Lin Fan, Sister Wanqiu is so pretty. Do you like her?" Su Xiaoyu looked at Lin Fan and asked.

"Who would like her? She has small breasts." Lin Fan looked at Xia Wanqiu and complained.

"!!!" Xia Wanqiu stood up in anger.

If her fans heard this, they would probably explode in anger.

Her body proportions were perfect, and... her breasts were huge, too. Smelly Lin Fan actually called her breasts small again.

Damn it, damn it, looking for trouble!

“Aiya, so you like women with big breasts. Then I have no chance. After all, they have small breasts.”

“But Sister Wanqiu is so big.” Su Xiaoyu helplessly touched her flat chest, her beautiful eyes looking at Xia Wanqiu as she giggled.

“Xiaoyu, watch your image. If you spout nonsense again, I won’t bring you out again.” Xia Wanqiu looked at Su Xiaoyu and pinched her face.

“Sister Wanqiu, you’re blushing.” Su Xiaoyu was not to be outdone and touched Xia Wanqiu’s face.

“No, I didn’t.” Xia Wanqiu pouted and put on a fierce look.

Xia Wanqiu felt wronged and angry, but what else could she do other than scratch Su Xiaoyu?

That hateful Su Xiaoyu, I must scratch her when I get back!

“What do you want to eat?” Lin Fan smiled. Looking at Xia Wanqiu and Su Xiaoyu, he had to get back to the main topic.

“I’ll eat you.” Xia Wanqiu glared at Lin Fan with a fierce expression.

“Oh, I want to eat Yangzhou fried rice, spicy and sour noodles, smashed cucumbers, smoked chicken, Sauteed sweet corn with pine nuts, Kung Pao chicken, fish-flavored shredded pork, sweet and sour pork ribs, sour and spicy shredded potatoes and tomato egg soup ~” Su Xiaoyu’s eyes lit up when she heard Lin Fan ask her what she wanted to eat.

Delicious food!

There was finally something delicious!

As a foodie, it was rare for her to sneak out. How could she not eat something delicious?

If the food here wasn't delicious, Su Xiaoyu would ignore Lin Fan. She didn't care if Lin Fan was handsome or not. She only wanted to eat so much delicious food.

Xia Wanqiu swallowed her saliva after hearing so many delicious names.

I really... want to eat them all.

"Can I add a braised fish?" Xia Wanqiu looked at Lin Fan.

Lin Fan sweated and said, "You two ordered eleven dishes at once?"

Xia Wanqiu nodded and looked at Su Xiaoyu. "Miaomiao, are you a pig? How can you finish so much food in one go? Lin Fan has to work for a long time just to cook. It's very tiring."

Su Xiaoyu raised her beautiful eyes and looked at Xia Wanqiu and Lin Fan. "Hmph, you still dare to say you don't like him? You're already so protective of him. You two are a couple singing a tune!"

Lin Fan and Xia Wanqiu said at the same time, "No."

Su Xiaoyu stuck out her tongue. "Really? Your chemistry is so good!"

Lin Fan and Xia Wanqiu continued at the same time, "We really didn't."

Lin Fan looked at Xia Wanqiu. You stole my lines!

Xia Wanqiu glared at Lin Fan fiercely and stomped her feet. It was you who stole my lines!

They turned to each other, ignoring each other.

“Alright, alright. Aiya, it’s already past 520. I’m going out for a meal. Why are you two still abusing singles? Singles can’t be hurt,” Su Xiaoyu said.

“I’ve added up all the dishes just now. It’s 328 yuan. Here’s 400 yuan. Keep the change.” Su Xiaoyu placed 400 yuan on the table.

Other than being a superstar, Su Xiaoyu was also a rich woman. She came from a good family and was very rich. How could a girl who could afford to wear lolita dresses be poor?

“You really ordered so many dishes?” Lin Fan quietly put away his money. Even if Xia Wanqiu had a good relationship with him, she still had to pay for her meals.

“Of course, Lin Fan. If it doesn’t taste good, I’ll get angry and bite you like a dog. Ahwooh!” Su Xiaoyu rubbed her stomach and couldn’t wait.

“Isn’t that a wolf’s howl?” Xia Wanqiu smiled and made cat claws with both hands. “Like me, meow ~ I’ll scratch you.”

“Shh, cats and dogs are all the same. Ahwooh. I don’t like wolves. They eat humans.” Su Xiaoyu made a cute gesture.

“I don’t have any spicy and sour noodles or secret smoked chicken. The other dishes will be served later.” Lin Fan put away the money and went to the kitchen.

Right now, the joy of his life was to open a small restaurant for leisure and entertainment.

Occasionally, he would receive something good and flirt with girls. This kind of life was exactly what Lin Fan wanted.

1

Ever since Lin Fan had obtained master-level culinary skills, these simple recipes seemed to have gone through a thousand rounds of tempering in his mind. Every single ingredient and condiment used was of the highest level. No matter what dish he made, it would be extremely easy.

Even the dishes of normal five-star hotels weren’t as delicious as Lin Fan’s dishes. Lin Fan’s cooking skills had reached national-treasure level.

Once he started cooking, Lin Fan would face it seriously.

Today's first order, 400 yuan!

Let the ingredients come, let the knives come, let's start!

1

Seeing Lin Fan busy himself in the kitchen, Xia Wanqiu couldn't help but feel a little dazed.

Her mother had said before that men who were serious about cooking were the most handsome. Furthermore, Lin Fan was already so handsome.

"Sister Wanqiu, your taste is really good. I haven't even eaten yet and I can already feel that the smell is very nice. The dishes you cook later will definitely be delicious, right?" Su Xiaoyu was also looking at Lin Fan with her big eyes as she said curiously.

Xia Wanqiu didn't hear her and continued to stare at Lin Fan.

"Aiya, Sister Wanqiu." Su Xiaoyu grabbed Xia Wanqiu's hand and whispered into her ear, "Don't tell me you really like Lin Fan?"

Xia Wanqiu looked at Su Xiaoyu. For some reason, she felt a little guilty. She immediately shook her head and said, "No, I'm just looking at how he cooks."

"Sister Wanqiu, but you look a little dazed."

"No, if I said I didn't, I didn't! Dog, if you keep spouting nonsense, I'll really ignore you!"

Chapter 30: Aren't You Going Overboard?

"You're the dog. No, you're the cat and I'm the dog. Awooo," Su Xiaoyu said with a smile.

"Ahwooh is the sound a wolf makes~" Xia Wanqiu said.

“Aiyah, I don’t care, I don’t care. Ahwooh sounds fiercer, but I can’t possibly woof, right?” Su Xiaoyu snorted.

“Woof woof is not bad. It suits you, dog.”

“Owooo! I don’t want to woof, you’re asking for a beating!”

“Watch me scratch you ~ ~ ~”

The two girls were having fun together.

Of course, this was also because there was only Lin Fan and no one else around.

The two celebrities were playing like children.

However, it was really eye-catching.

This scene did not last long.

Because the dishes were ready.

A total of nine dishes were placed on the table.

There were cucumbers, Yangzhou fried rice, sauteed corn with pine nuts, Kung Pao chicken, fish-flavored shredded pork, sweet and sour pork ribs, sour and spicy shredded potatoes, tomato egg soup, and braised fish that cats liked.

The fragrance assailed her nostrils. Coupled with a little chili, the effects were even better. Furthermore, the chili here was also prepared by Lin Fan himself.

Xia Wanqiu was still sitting there reservedly, her eyes fixed on the braised fish.

It was rare for her to come out to eat braised fish, mainly because Lin Fan’s braised fish was too delicious. She wouldn’t be able to eat such a good braised fish anywhere.

Xia Wanqiu looked at Su Xiaoyu. She brought Su Xiaoyu here to let this little foodie know how delicious the food here was.

At that time, Su Xiaoyu would beg her to come here to eat. Then, she would have a reason to look for Lin Fan.

Xia Wanqiu blushed. Why was she looking for Lin Fan?

It was not because she liked it, but because the food here was delicious, simply delicious. As for whether she liked him, she would never admit it.

Even a pig wouldn't like Lin Fan!

"Wow, wow, wow... It looks so delicious. Lin Fan, there are chefs from five-star hotels in my house. Everything they cook is delicious. If you don't cook well, I won't let Sister Wanqiu come to your place in the future." Su Xiaoyu snorted. Her family was indeed very rich, and they wouldn't lack chefs.

"Don't worry and eat. I still have to count on you guys to come here a few more times. I can earn 400 RMB every time you visit and 12,000 RMB per month. It feels pretty good," said Lin Fan with a smile.

Although he was rich now, no one would lack money. It was better to earn as much as possible. Otherwise, how could he marry a wife in the future?

Lin Fan only had two million dollars in savings. He was still short of money.

4

The two sports cars couldn't be sold and Lin Fan didn't want to rent them out. He could only barely maintain his life.

The small restaurant's business was just like that. Lin Fan didn't really care about the business. If too many people came to eat, it would be very tiring.

"Oh, it's half my daily pocket money!" Su Xiaoyu giggled.

“Little rich girl, time to eat.” Xia Wanqiu had already picked up her chopsticks and was ready to eat the braised fish.

“Time to eat, awooo.” Su Xiaoyu also started eating.

After eating the first mouthful of braised fish, Su Xiaoyu looked up at Lin Fan in shock.

It was smooth, delicious, and fragrant. It was soft and smooth. It was simply... too delicious.

Needless to say, Xia Wanqiu would eat braised fish even if she was fat.

Cats liked to eat dried fish and she liked braised fish. Lin Fan’s braised fish today was even better.

As for the Yuxiang Shredded Pork, Kung Pao Chicken, Sweet and Sour Pork Ribs, and Sour and Spicy Shredded Potatoes, each dish looked very appetizing, and when eaten, the taste was even better.

“Wow... delicious.”

“Lin Fan, every dish you cook is really delicious. I’ve never eaten such delicious dishes before.”

“Even my family’s chef can’t compare to you. Hmph, dad even lied to me that our chef’s cooking is the best. In the end, your cooking is even better than his.” Su Xiaoyu exclaimed and praised Lin Fan’s cooking.

“That’s right. Miaomiao, you’re not allowed to snatch my braised fish,” Xia Wanqiu said.

“You’ll get fat. Let me share some of the burden with the cat.” Su Xiaoyu snatched another piece of braised fish meat.

“You’ll only gain weight if you snatch my braised fish.” Xia Wanqiu looked at Su Xiaoyu. She looked fierce and cute and she was somewhat angry. She protected her braised fish like a kitten.

It wasn’t easy for her to eat the braised fish. After that, she had to go back and do a lot of exercise. It was all Lin Fan’s fault for making such delicious food.

“Good, good. It’s good if you gain weight. You’ll have big breasts.” Su Xiaoyu seemed even happier.

“You’ll only grow on your legs and waist. If the company finds out, we’ll be criticized again,” Xia Wanqiu said. After all, the weight and figure of a female celebrity were very important.

Xia Wanqiu and Su Xiaoyu had secretly ordered so much delicious food. If they were discovered, the cats and dogs would probably have to diet for a long time.

After they finished eating, Xia Wanqiu and Su Xiaoyu still looked like they wanted more.

And... to Lin Fan’s surprise, the two girls finished all the dishes.

Considering that he didn’t want to waste food, Lin Fan didn’t cook a big portion for the dishes other than braised fish.

1

But Xia Wanqiu and Su Xiaoyu were really two gluttons. They could actually finish it.

While the two girls were still fighting, a burly man walked in, sat in the restaurant, and started smoking.

The moment the man entered, Xia Wanqiu and Su Xiaoyu put on their hats and kept a low profile.

Someone was coming!

Someone might find out.

Given their status and popularity, many people could recognize them.

Before long, fans might surround the place.

Xia Wanqiu and Su Xiaoyu looked at each other and prepared to leave.

Normally, Lin Fan didn't have many people in his restaurant. However, that didn't mean that there weren't any.

Now that someone was here, to avoid being discovered, the two girls prepared to exit the restaurant, get into their cars and leave.

But when they walked out of the door, the burly man recognized them immediately.

"D*mn! Xia Wanqiu, Su Xiaoyu! Superstars!"

"I actually met a superstar here. Ahhh, Goddess, can you give me an autograph?" The burly man hurriedly chased after her with a look of admiration and fanaticism.

Xia Wanqiu and Su Xiaoyu's popularity as celebrities was too high, and there were too many fans who liked them.

After the burly man chased after them, he looked at Xia Wanqiu and Su Xiaoyu with a smile.

"You two are so pretty, even prettier than on TV. Hehe, goddess, can I have your autograph?" The man took out a pen and paper from somewhere and looked at Xia Wanqiu and Su Xiaoyu.

Especially Xia Wanqiu. Her looks were simply too good. She even put on some makeup today, and her aura became even more outstanding. When the two girls walked together, no matter where they went, they would attract attention.

When Lin Fan saw the burly man, he had a bad feeling in his heart. He walked out silently and approached Xia Wanqiu.

Facing the fans, Su Xiaoyu held Xia Wanqiu's arm and smiled gently. "Okay, thank you for liking us."

Xia Wanqiu nodded as well. Her beautiful eyes glanced at Lin Fan apologetically, indicating that they could only meet again next time.

Lin Fan nodded as well. The two of them exchanged glances and understood what each other meant.

“It’s done. Sister Wanqiu and I have something to do, so we’ll take our leave first,” Su Xiaoyu said to the man politely and gently. She didn’t have the temperament of a dog at all.

“Don’t. Goddess, you haven’t signed it.” The burly man looked at Xia Wanqiu with excitement in his eyes.

“Mm, okay,” Xia Wanqiu replied simply. She picked up the pen and paper and prepared to sign.

At this moment, some people in the surroundings also noticed it.

“Ahhhh, shit, celebrities. We’ve met celebrities.”

“Aren’t they Xia Wanqiu and Su Xiaoyu? I actually saw them in person today!”

“I also want an autograph!”

Many people picked up their phones and started snapping pictures of Xia Wanqiu and Su Xiaoyu. Some even went up to ask for autographs.

Since they were able to meet celebrities, of course they had to surround them and ask for their autographs. Furthermore, it was Xia Wanqiu and Su Xiaoyu.

After signing, Xia Wanqiu smiled politely.

It was this smile that melted the burly man’s heart.

The goddess was simply too beautiful. She even gave him an autograph.

Then, the man looked at Xia Wanqiu and asked nervously, “Goddess, I’ve liked you for so long. Can you give me a hug?”

The moment he finished speaking, Lin Fan’s gaze turned cold as he locked his gaze on the burly man.

Of course, Xia Wanqiu shook her head. She had never acted in a relationship with anyone on screen, so how could she hug a stranger?

Furthermore, there were so many people taking photos around them. If she were to hug someone in public, who knew how many people would criticize her.

Most importantly, Lin Fan was beside her.

Even without Lin Fan, she wouldn't hug any guy.

"I'm sorry. Sister Wanqiu's health isn't too good. She needs to go back first." Su Xiaoyu stood up and protected Xia Wanqiu. She looked at this big man and still replied politely.

Just as Xia Wanqiu and Su Xiaoyu were about to turn around,

The burly man could not hold it in anymore.

His goddess was right in front of him, how could he not hug her?

Even if he was imprisoned for more than ten days, as long as he could hug her once, it would be worth it.

At such a close distance, he would regret it for more than ten days if he hugged her but regret it for eternity if he did not hug her.

Furthermore, he could attack her chest and capture Xia Wanqiu and Su Xiaoyu at the same time. These two girls did not even have a bodyguard with them when they went out. Wasn't this the best opportunity?

"Goddess, I'm sorry. Since you won't let me hug you, I can only force myself on you." After saying this, the man licked his lips. It was mainly because Xia Wanqiu and Su Xiaoyu were too beautiful. He couldn't help it.

1

The next moment...

The burly man charged towards the most beautiful Xia Wanqiu.

Xia Wanqiu and Su Xiaoyu were both girls, how could they stop this big guy?

The surrounding fans were also stunned. They were shocked but they could not stop him in time.

Xia Wanqiu and Su Xiaoyu took two steps back.

At this moment, the driver saw that something was wrong and opened the door.

However, it was already impossible to stop this burly man.

At this critical moment.

Lin Fan walked out.

Lin Fan grabbed the man and pulled him back. Then, he pushed him aside.

Lin Fan walked in front of Xia Wanqiu and shielded her behind him. He looked at the big man coldly.

“Both girls have given you their autographs. After being rejected, you still want to molest them in broad daylight?”

“Aren’t you going too far?”

Chapter 31: Top of Weibo’s Hot Search List

“None of your business!” The man glared at Lin Fan and threw a punch at him.

“They are my customers. Of course, they are related to me.”

“Also... I can’t stand your behavior!”

Lin Fan dodged the man's punch and punched him in the eye.

Then, he kicked the burly man to the ground.

He and Xia Wanqiu had been tablemates for so many years, but he had never hugged Xia Wanqiu. If even he never hugged her before, why could the burly man do so?

In no time at all, Lin Fan had knocked the burly man to the ground.

Su Xiaoyu looked at Lin Fan and gave him a thumbs up.

"Sister Wanqiu, your boyfriend is doing pretty well. He's handsome and has great stamina!" Su Xiaoyu whispered into Xia Wanqiu's ear.

"Hmph, he's not my boyfriend. Don't spout nonsense." Xia Wanqiu's face was slightly red as she looked at Lin Fan gratefully.

"Ahwooh, if you say so, then so be it. Lin Fan, let's go." Su Xiaoyu waved her hand and pulled Xia Wanqiu into the car.

Lin Fan smiled and looked in the direction that Xia Wanqiu and Su Xiaoyu had left in before heaving a sigh of relief.

If anyone dared to hug his cat, he would get angry.

Not long after, a policeman came over and took the man away. He even thanked Lin Fan.

The fans even chased after Xia Wanqiu and Su Xiaoyu's car fervently, shouting their names.

Fortunately, it happened rather suddenly and there weren't many people gathered here.

After this incident, many fans noticed Lin Fan.

“Ah... did you guys notice that the owner of this restaurant is so handsome?”

“Yeah, he looks like he’s only in his twenties. He’s really handsome.”

“Give hunk a thumbs up for his actions just now. Not only is hunk handsome, he’s also handsome when he fights. That big guy just now was too despicable. He actually wanted to hug my Qiuqiu on the streets.”

“It really scared me to death. Hunk is handsome and nice. In the past, when I looked at photos, there were celebrities who were taken advantage of by fans. Damn it.”

Many fans started discussing. They had discovered Lin Fan’s character and that there was a super handsome guy here.

Just looking at him was so pleasing.

In the past, due to the geographical location being quite remote, not many people noticed this place. But most of the time, Lin Fan rode a tricycle and kept a low profile.

And now, many people had noticed this place.

Lin Fan was really handsome.

After sending Xia Wanqiu and Su Xiaoyu off, Lin Fan closed the door.

He opened a restaurant partly because he wanted to earn some money. After all, it was something that his parents had left for him through connections.

On the other hand, it was also to wait for Xia Wanqiu.

What happened today had far exceeded Lin Fan’s expectations.

Lin Fan closed the door and rode his tricycle home.

A group of girls was chasing after Lin Fan. Some of them even took out their phones to take photos of Lin Fan riding his tricycle.

“Hunk, don’t go. We still want to eat at your restaurant.”

“That’s right, that’s right. Hunk, you’re so handsome. Can we take a picture together?”

“Handsome, don’t go. It’s still daytime. Why are you off work? We’ll be waiting for you at your restaurant tomorrow!”

“Hunk, can I add you on WeChat?”

....

Lin Fan sweated.

In the past, when he drove his Bugatti, he was surrounded by a crowd.

Today, he was riding a tricycle and was actually being chased by a group of girls.

It was all the fault of the hateful cats and dogs.

The next time he saw the cats and dogs, Lin Fan would definitely not let them off.

This was especially so for the detestable Xia Wanqiu. Not only did she secretly come alone, but she also brought along a howling dog, Su Xiaoyu.

With his good looks, Lin Fan could already imagine his future.

Lin Fan cycled home and opened Weibo.

The first trending topic on Weibo was about Xia Wanqiu and Su Xiaoyu.

[Xia Wanqiu and Su Xiaoyu were almost hugged by fans.]

He clicked on the hot search, and there were videos taken by fans. It was the video of this burly man asking Xia Wanqiu and Su Xiaoyu for autographs, as well as many photos.

There were nearly 30,000 comments below the post.

Lin Fan looked at the comments silently. The comments were basically all about that burly man.

As he continued to browse through the comments, Lin Fan realized that something had changed.

“Ah ah ah, that restaurant’s hunk did well to punch that guy. Our Qiuqiu and Xiaoyu were almost tainted by that kind of person.”

“Did you guys notice? The hunk in the restaurant is so handsome.”

“That’s right. That hunk from the restaurant is really handsome. I love his action of sending the big guy flying ~”

“Why haven’t I seen such a handsome hunk before? This is my first time seeing him!”

Then, Lin Fan saw two trending posts on Weibo.

[Hunk saved Xia Wanqiu.]

[How can a restaurant guy be so handsome?]

Lin Fan was startled. He was trending!

These two hot searches started off with 100,000 views.

When it refreshed again, it had become 200,000 views!

And these two Weibo trending topics were still rising!

300,000!

400,000!

600,000!!

In less than two minutes, the popularity of these two Weibo posts soared to one million and rose to fourth on trending!

And the comments under the two posts went from ten thousand to twenty thousand, then to thirty thousand...

In less than half an hour, it had already reached 180,000 comments!

This was only the first Weibo post on the home page. If one were to look further down, the comments had already exceeded 200,000!

And the popularity was still rising.

1.5 million!

1.8 million.

The popularity soared to 2 million!

Fortunately, Weibo had been optimized many times. Otherwise, this trending topic would have crashed Weibo.

There were more than 100,000 comments on any of the trending topics.

“Oh my god, how can hunk be so handsome?!”

“He is acting bravely for a just cause. This is really great, helping the people get rid of evil.”

“Does anyone know this hunk’s name and contact details? I want to meet him!”

“Hunk’s figure is so good, so handsome, and so righteous. I love him ~”

“I got it, I got it. This little brother’s name is Lin Fan. He runs a restaurant in Shanghai called Hundred Flavour Garden. But he looks very poor. He’s riding a tricycle and the restaurant isn’t big.”

“So what if he’s poor? It’s fine as long as he’s handsome. This restaurant must be delicious. Let’s go!”

At that moment, countless fans started to become fans of Lin Fan.

There were even people who quickly scrolled through Lin Fan’s Weibo. The netizens were really too fast.

The comments sent the video of Lin Fan protecting Xia Wanqiu and beating up the burly man up the hot search.

Soon after, the fourth trending topic appeared, and this trending topic only had two simple words.

Lin Fan

Lin Fan looked at his phone and slumped onto the sofa.

That was it.

He was popular.

He was completely popular!!!

Chapter 32: Lin Fan and Xia Wanqiu’s Relationship

At the same time, Lin Fan’s high school classmate group exploded.

[Gao Lixiong: “D*mn, Brother Fan is too awesome. He’s the top trending topic and even received Xia Wanqiu and Su Xiaoyu at his restaurant.”]

Xue Yaoting: “Oh my god, Brother Fan, I thought you didn’t contact Xia Wanqiu. Now, not only did you get Xia Wanqiu, but you also got Su Xiaoyu?”

[Gao Lixiong: 666666. This is the realm of big shots. Xia Wanqiu and Su Xiaoyu are big stars. They have so many fans. Brother Fan can even cook for them and chat with them. I’m so envious.]

[A certain girl: Wow wow wow, can Lin Fan help me get an autograph from Xia Wanqiu and Su Xiaoyu? I really like them.]

[Zhao Lele: Lin Fan, so you’re so awesome. I was wondering why you were so distant from us. So you have Xia Wanqiu by your side. Is Xia Wanqiu your girlfriend?]

Lin Fan:” ...”

Lin Fan looked at the trending topic on Weibo and sighed.

He had wanted to keep a low profile.

The reason why he was so popular on Weibo was not only because of his bravery, but also because of his looks.

At a glance, many girls had fallen for him.

Meanwhile, on Lin Fan’s WeChat, he received a new friend request.

Her nickname was very simple: Su Xiaoyu.

If Su Xiaoyu’s fans knew that Su Xiaoyu would take the initiative to add a boy as a friend, they would probably die of envy.

Su Xiaoyu: "Ahwooh, Lin Fan, your feast was so delicious. Thanks."

Lin Fan: "You're welcome."

Su Xiaoyu: "Sister Wanqiu is very nice. Treat her well."

[Lin Fan: "???"]

Su Xiaoyu: "Demon Face.jpg"

...

Putting down his phone, Lin Fan sent another message to Xia Wanqiu.

Lin Fan: "It's all your fault."

Xia Wanqiu: "~~~~"

Lin Fan: "I'm angry."

[Xia Wanqiu: "What are you angry about?"]

'Lin Fan: "I'm famous now. How are you going to come to the restaurant in the future? There will be a bunch of fans chasing after you. How are you going to eat braised fish?'

[Xia Wanqiu: "Nothing else?"]

'Lin Fan: "There's more. If someone were to bump into me and rumors spread, I would be killed by your 80 million fans."

[Xia Wanqiu: Meow ~ But I don't mind.]

[Xia Wanqiu: Thank you for today.]

Lin Fan: "Protecting Little Pig is my responsibility."

[Xia Wanqiu: "Fierce!!!"]

Lin Fan had never wanted to be too high-profile. After becoming famous, other than disrupting his current pace of life, he might also affect Xia Wanqiu.

If there were rumors, Xia Wanqiu's career would be affected.

Xia Wanqiu did not care, but he did.

The key was that it would not be easy to meet Xia Wanqiu in the future.

The next day, he got up and signed in as usual. He received a cash lottery draw card and received another 100,000 RMB.

Lin Fan rode his tricycle to the restaurant and opened the shop as usual.

However, to Lin Fan's surprise...

His restaurant was already extremely popular!

Not long after Lin Fan opened for business, the restaurant was already filled with people.

And there was quite a long queue outside the restaurant.

Most of these people were girls. Many of them were sixteen or seventeen years old, young and beautiful.

The main reason why they were here was because Lin Fan was way too handsome.

"Ah... I've finally seen you in person. How can you be so handsome, hunk?"

“Hunk, can you give me an autograph if I eat here?”

“I saw him in person today. He looks even better than the photos on the Internet. I wonder how the food of this restaurant tastes.”

Looking at these girls, Lin Fan was very polite.

At least he wouldn't look at these girls' long legs. Although he was still single, he wasn't obscene.

Even if they had long legs, these girls were not as pretty as Xia Wanqiu.

After Lin Fan finished cooking, a series of exclamations rang out in the small restaurant.

Many girls looked at Lin Fan in surprise.

“Wow, it's said that good wine needs no bush. I found a treasure land today. Hunk, how can the food you make here be so delicious ~ ~”

“I finally know why Qiuqiu and Xiaoyu came here to eat. It's because there's a handsome boss who makes delicious food here.”

“Hunk, the food you cook is amazing. It's much better than what I eat in other restaurants. Moreover, the prices here are so affordable. I love it.”

“Hunk, is your restaurant still hiring waiters? I can work for you.”

Many of the girls were still craving for more after eating.

Lin Fan's master-level culinary skills were perfectly displayed here.

In just two hours in the morning, he had already made 1,000 yuan.

If he opened the restaurant for eight hours a day, he could earn at least four thousand yuan a day. He could earn nearly 120,000 yuan a month just by opening the restaurant!

However, Lin Fan was a slacker. He opened the restaurant mainly to carry on the things his parents had left him.

Besides, he was not short of money now. He did not need to work so hard to open a restaurant.

"There's no need to hire any waitresses. I can do it alone," Lin Fan said with a smile.

"Um, hunk, can I add you on WeChat? I kind of... like you," a girl said with a blush.

After all, she was a girl around 16 or 17 years old. When she saw how handsome Lin Fan was and how he could cook, she was a little tempted. However, most of the girls had a crush on him and some of them were bold enough to say it.

2

As soon as she finished speaking, the restaurant was filled with gasps and screams.

Someone had confessed to Lin Fan!

"There's no need to add me on WeChat. It's fine as long as you like to eat the food here. I opened a restaurant precisely for this reason. There are a lot of people who like me. I also like everyone who comes to eat here," Lin Fan replied.

By doing so, he could be considered to have rejected the other party.

Lin Fan wouldn't just accept any girl who confesses to him.

1

What he wanted was a comfortable and happy life. As for being confessed to by a girl, he had already been confessed to too many times.

1

The girl nodded her head happily. Although she was rejected, she was still very happy to be able to talk to Lin Fan.

“Hunk, can you give me an autograph?” the girl continued.

Lin Fan didn't reject her anymore. After giving her an autograph, he continued working.

As for the girl who received the autograph, it was as if she had obtained some treasure. She held Lin Fan's signed card with both hands and placed it on her chest, feeling a little happy.

She had Prince Charming's signature.

After another two hours, Lin Fan's sales today had reached 2000 dollars!

Four hours to two thousand dollars.

There were still many people queuing outside but Lin Fan had already closed the door.

“Hey, boss, why are you closing shop? I heard that the food here is really delicious,” a girl asked.

“I only open the shop for four hours a day. From ten in the morning to two in the afternoon, I won't open the shop for the rest of the time.” Lin Fan smiled and turned around to leave on his tricycle.

After working for a while every day, the rest of the time was naturally to enjoy life.

Many customers could only leave regretfully, saying that they would come back to queue up tomorrow.

At night, Lin Fan's restaurant became a hot topic again.

This was because Lin Fan's restaurant's food was simply too delicious!

At the same time, there was another piece of news that went viral.

And this news was about Lin Fan and Xia Wanqiu.

The name of the hot search was...

[Lin Fan and Xia Wanqiu were high school deskmates!]

He clicked on the trending topic. The first photo was of Lin Fan and Xia Wanqiu in high school.

The sun was setting and the smell of books filled the air. In the classroom, Xia Wanqiu was resting on Lin Fan's shoulder, forming a beautiful painting.

One had to know that Xia Wanqiu had never had any intimate contact with any male celebrities on screen. She did not even hug or hold hands with them.

And this photo completely exploded on Weibo!

This was the first time countless fans saw Xia Wanqiu leaning on a boy's shoulder.

The girl was already so beautiful in high school, and the boy was so handsome in high school.

It was as if they were a perfect match made in heaven!

Chapter 33: The Sweet Love Xia Wanqiu Didn't Announce

The second hot search was...

Lin Fan, Xia Wanqiu

The third trending topic was [Xia Wanqiu's undisclosed sweet lover]

There were a total of three trending topics, and they directly reached the top of the list.

The power of the netizens was so strong that they even dug out photos of Lin Fan and Xia Wanqiu in high school.

There were school opening ceremonies, speech competitions, singing competitions, secondary school students' ancient poetry competitions, hundred-day oaths, and graduation ceremonies. A phenomenon could be observed through all these events.

As long as it was in high school activities, Lin Fan and Xia Wanqiu would always be seen taking a photo together.

From high school onwards, the two of them were like true lovers.

It was mainly because when they were in high school, Lin Fan and Xia Wanqiu's grades were pretty good. The teachers didn't say much.

In the past, when they were in high school, it was normal for the two of them to be together. But now that they had graduated from university for three years, Xia Wanqiu appeared in Lin Fan's restaurant and they were connected. This was abnormal.

1

Wherever Lin Fan was, there was Xia Wanqiu.

Wherever Xia Wanqiu was, Lin Fan could be seen.

It could only mean one thing. Lin Fan and Xia Wanqiu's relationship was not simple.

And on Weibo, this kind of public opinion would be magnified.

Hence, the hot search [Xia Wanqiu's undisclosed sweet lover] appeared.

[The real reason why Xia Wanqiu never filmed kissing scenes for the past three years.]

Every hot topic was directed at Lin Fan and Xia Wanqiu.

The popularity was getting higher and higher, reaching two million, three million, four million!

This was the first time he had seen such popularity.

Xia Wanqiu's popularity was simply too high. Countless people liked Xia Wanqiu, and now that such news was released, it attracted countless people's attention.

1

Every post had more than 100,000 comments.

"Oh my God... our Qiuqiu has a boyfriend? And he's so handsome."

"That can't be. How can our Qiuqiu have a boyfriend? Even if that hunk is very handsome, it won't do."

"Haha, I knew it. Xia Wanqiu is as clean as ice and as pure as jade. She doesn't shoot kissing scenes? Cleanliness and self-restraint are all personalities created by the entertainment industry for you. Look, she was already in a relationship with someone in high school."

"I can't believe it. Is Qiu Qiu really together with Lin Fan?"

"Bastard Lin Fan! How dare you snatch my Qiuqiu! You're courting death!"

1

There were all kinds of comments under Weibo.

Whether it was those who liked Xia Wanqiu or those who hated her, the discussion on Weibo had already reached a boiling point.

But there are also some very fair comments.

"Can you not pay attention to Qiuqiu's private life? Give Qiuqiu some privacy."

"Please, pay more attention to Xia Wanqiu's work."

"Who hasn't had a few good friends of the opposite sex in high school? How many photos have they taken together? Do you have proof?"

"Unless Qiuqiu announced it, don't spread rumors about such things."

....

Seeing so much news, Lin Fan frowned slightly.

There was a group of vicious fans who dared to talk about his cat like that.

Lin Fan was furious but there was nothing he could do.

1

Xia Wanqiu rested on his shoulder. There was no way to explain such a photo.

It was fine if the people on Weibo were scolding him, but if some people were defaming Xia Wanqiu, Lin Fan's heart would ache.

In the past, when he opened the small restaurant, he was unknown because he was very far away from Xia Wanqiu.

But now, he had the luxury car villa and the shares of a five-star hotel company. He had a common topic with Xia Wanqiu and could slowly approach her life.

Xia Wanqiu was very beautiful, but she never shot kissing scenes in the entertainment industry, nor would she do any physical contact with any male celebrities.

Lin Fan was very handsome. There were many girls who liked him but Lin Fan had never been moved by them.

1

This time, there was a trending topic on Weibo and there was a lot of public opinion.

Meanwhile, Lin Fan was waiting for news from Xia Wanqiu.

He was still unsure of Xia Wanqiu's feelings for him. If he confessed to her rashly, he might lose such a good friend.

3

Xia Wanqiu did not speak either.

Xia Wanqiu was in the office looking at her phone. She was also waiting for news from Lin Fan.

Why didn't this smelly Lin Fan send her any messages?

Lin Fan... didn't have any feelings for her?

She was a girl, so she should be reserved but not too proactive.

She knew that she was the number one female artist in the company and was also a female artist that the company focused on nurturing. This matter was blown up and the company would definitely give her pressure.

However, she wasn't sure how Lin Fan felt about her.

What if... Lin Fan didn't like her? Xia Wanqiu's eyes dimmed.

"Meow ~ ~ Bite you. You're infuriating."

"Hmph, I won't send you a message either. Whoever sends the message first will be a pig." Xia Wanqiu stretched lazily. She had perfect curves and a moving temperament.

Xia Wanqiu thought of Lin Fan. She didn't care about his family background.

But she suddenly understood. Lin Fan's family was poor and his life was simple. How could he stand up for her and face the company's pressure?

"No matter who it is, you can't bully my little piglet!" Xia Wanqiu raised her beautiful eyes. It was enough for her to face the company's pressure alone.

1

...

Yuehue Entertainment had female artistes like Xia Wanqiu and Su Xiaoyu, as well as top male celebrities like Xu Yang.

If Xia Wanqiu was Yuehua's First Sister, then Xu Yang was Yuehua's First Brother.

In the office, Xu Yang's female assistant knocked on the door.

"Come in." Xu Yang sat on a chair, giving off a special aura. He was very calm, wise, and gave off an unfathomable feeling.

Everyone in the company knew that Xu Yang liked Xia Wanqiu.

Xia Wanqiu's looks were unmatched in Yuehua Company.

Furthermore, Xia Wanqiu was a clean girl.

"Master Xu."

"Look at what happened on Weibo..." the assistant said.

"First, contact the relevant departments and remove the trending topics that are detrimental to Wanqiu."

"Second, investigate the malicious remarks against Wanqiu, as well as the companies and teams behind them.

"Third, send out an official announcement to refute the rumors about Wanqiu's relationship. We need to contact Wanqiu to reduce the impact of public opinion on her," Xu Yang said.

"Understood." The assistant nodded, but she still had no intention of leaving.

"Anything else?" Xu Yang looked at his assistant.

“Master Xu, although the relationship is fake, Sister Wanqiu’s photos are real.”

“You’ve helped her a lot over the years in the office, but she’s...” the assistant said.

1

“Enough.” Xu Yang waved his hand.

“Wanqiu has her own thoughts. Besides, she’s from the company. I don’t wish to hear you speak ill of her behind her back again.”

“And... wouldn’t it be more interesting to play fair?”

“Master Xu, I know my mistake.” The assistant quickly lowered her head and apologized.

“Alright, let’s get to work.”

“There’s one more thing I want to tell you. Even if Wanqiu really has a relationship, the company will always be on her side. Do you understand what I mean?” Xu Yang looked at his assistant.

The assistant nodded and left.

“Lin Fan...” Xu Yang’s deep eyes looked at the photo of Lin Fan and Xia Wanqiu on his phone. His other hand was clenched into a fist.

He was the top male artist in the company. He had as many fans as Xia Wanqiu. In terms of family, background, looks, and character, Xu Yang felt that he would not lose to anyone.

But today, he had lost to someone called Lin Fan!

Chapter 34: Run!

“My dear Miss Wanqiu, why did you go to Lin Fan’s restaurant for a meal with Xiaoyu?”

“Now, even things that happened in high school have been exposed. If people find out that you and Lin Fan were alone in a room...” Yang Qing held Xia Wanqiu’s hand and said earnestly.

As Xia Wanqiu’s manager, if something like this happened, Yang Qing would definitely be criticized by the company’s boss.

Luckily, the matter was still manageable. If the fans knew that Lin Fan and Xia Wanqiu were in the same room late at night, Yang Qing’s career would come to an end.

“Meow, meow, I’m fine.” Xia Wanqiu smiled sweetly and made a cute gesture and expression.

“Wanqiu, this is a big matter,” Yang Qing said.

Xia Wanqiu sat there, revealing her graceful curves. She looked at Yang Qing and asked, “Did CEO Li ask you to say something?”

CEO Li was the real boss of Yuehua Entertainment.

After this incident, the boss of the company would not talk to Xia Wanqiu. He would look for her manager first.

Although Xia Wanqiu was usually pretty and would occasionally make cute expressions, she was very smart.

She had to face what she had to face.

With such a thing happening, the company would naturally have objections, but the boss could not personally criticize Xia Wanqiu.

There were some things that couldn’t be said openly. Yang Qing came to talk to her this time, and she naturally represented CEO Li.

“CEO Li said that your career is still on the rise and the company will support you with all their might. I hope that you can post on Weibo today to eliminate the impact,” Yang Qing said.

After all, there were already rumors on the Internet that Lin Fan and Xia Wanqiu were very close. Some even started to spread rumors that they were living together.

The more fans there were, the more haters there would be. Xia Wanqiu was very beautiful, but there were also many teams behind the anti-fans who wanted to mess with her.

“Nothing else?” Xia Wanqiu asked again. She looked at Yang Qing, who looked like she wanted to say something but hesitated.

Yang Qing sighed and said, “Wanqiu, it’s been close to a year since you last acted. You haven’t been able to find a script that you’re satisfied with. After all, this is the era where popularity is king. If you don’t act, maybe...”

Xia Wanqiu raised her beautiful eyes and looked at Yang Qing seriously. She said, “Does CEO Li want me to film a few more shows and variety shows so that the company can earn more money?”

“No, no.” Yang Qing shook her head.

“Wanqiu, CEO Li is also thinking for you. You can consider taking on a relationship scene. After all, the romance films of the male and female leads are more popular in the market, like ‘The Journey of Flower’.”

“CEO Li believes that if you are willing to try and make new changes, your development will be many times better than now,” Yang Qing said.

Xia Wanqiu revealed a beautiful smile.

Was this CEO Li’s true intention?

He was using the controversy this time to give her a warning.

The photos of her and Lin Fan in high school were posted online. That was her business.

For Lin Fan, it was her principle that she didn’t want to shoot kissing scenes.

If the boss of the company was not willing to talk to her openly, why did he have to talk to Yang Qing?

“Sister Yang, I understand what CEO Li said, but you are my manager, not CEO Li’s manager,” Xia Wanqiu held Yang Qing’s hand and said seriously.

“Wanqiu, I’m sorry. I understand.” Yang Qing nodded immediately.

She was Xia Wanqiu’s subordinate, not CEO Li’s.

If Xia Wanqiu was unwilling to film a kissing scene, perhaps the company would not say anything to her.

However, a manager was directly responsible for an artist. If Xia Wanqiu was not satisfied, she could change her manager anytime.

Even if Xia Wanqiu left the company, she could have a better development. Yang Qing could listen to her boss, but she was ultimately still Xia Wanqiu’s subordinate.

“Meow, meow ~ I knew Sister Yang would be the best. Sister Yang, if you have time, help me choose a variety show. I haven’t worked for so long, it’s good to work occasionally,” Xia Wanqiu said as she held Yang Qing’s arm.

“What do you think of Keep Running?” Yang Qing’s eyes lit up.

“Alright, you can settle the rest.” Xia Wanqiu smiled sweetly.

Xia Wanqiu was usually very cute.

However, this did not mean that she would give in to everything easily.

After Yang Qing left, she broke out in cold sweat.

Xia Wanqiu was able to reach her current position because of her own abilities.

In just a few sentences, Xia Wanqiu had already expressed her attitude firmly.

She would never take on a relationship scene, much less a kissing scene. Even if this was the attitude of the company's boss, it was still the same.

If Yang Qing dared to continue asking, Xia Wanqiu would replace her manager.

Yang Qing understood the meaning behind Xia Wanqiu's words and immediately expressed her loyalty. Xia Wanqiu also gave Yang Qing a candy. She was willing to participate in some variety shows, and "Keep Running" had a better reputation.

Yang Qing sighed helplessly.

She just wanted to know.

Just what sort of a character was Lin Fan?

He was actually able to make Xia Wanqiu not only offend the company's boss but also stick to her principle of not filming a kissing scene.

Yang Qing was getting more and more curious about Lin Fan.

The only person who could make Xia Wanqiu fall for him was probably Lin Fan.

"What do you mean you don't like Lin Fan? How can you not like Lin Fan when you're already like this?"

"If I have the chance, I would like to meet this Lin Fan and see how Lin Fan took advantage of my little cabbage." Yang Qing thought to herself and started to prepare work for Xia Wanqiu.

...

At 10 pm, Lin Fan quietly went to his restaurant.

He had no choice. He was too popular now.

And he was the love rival in the hearts of countless fans.

After all, Xia Wanqiu's photo with him was too lethal.

The main reason for coming to the restaurant was that Qiuqiu was still in the restaurant and he wanted to bring it home.

Lin Fan wanted to feed this cat. Otherwise, it would starve to death.

"Meow ~" When the kitten saw Lin Fan, it looked aggrieved. It hadn't eaten for a day.

"Alright, it's fine now." Lin Fan hugged the kitten and patted its head, preparing to leave.

Just as he was about to leave, Lin Fan saw a familiar cat ear hat appear beside him.

It was Xia Wanqiu!

"Why are you here?" Lin Fan looked at Xia Wanqiu and pulled her over.

"I'm here to see Qiuqiu. What about you?" Xia Wanqiu looked at the kitten in Lin Fan's arms and smiled sweetly.

"I'm waiting for you," said Lin Fan.

"Really?" Xia Wanqiu looked at Lin Fan curiously, her pretty face blushing.

Initially, Lin Fan was a little angry that he couldn't even open his restaurant after getting on the hot search list. But after seeing Xia Wanqiu, Lin Fan couldn't be angry anymore.

Xia Wanqiu came to look for him secretly at night. It was so dangerous. Lin Fan thought about it and felt that he should be angry.

His and Xia Wanqiu's popularity had already reached five million. If her fans were to see them together at this juncture... the consequences would be unimaginable. He would have to be responsible for Xia Wanqiu for the rest of his life.

The surroundings were dark and Xia Wanqiu was closer to Lin Fan. Lin Fan could even feel her breathing and body temperature.

That detestable Xia Wanqiu. She wore so little and was so beautiful. She was so close to him. He could not take it.

"In the future, you're not allowed to come alone at night, understand?" Lin Fan pretended to be angry as he looked at Xia Wanqiu. If something happened to Xia Wanqiu, Lin Fan would not be at ease.

"I know, I know. I'll listen to you." Xia Wanqiu placed her hands in front of her and looked very aggrieved. Didn't she sneak here to see him?

"We have to go first. It's not safe here. If someone finds out..." Lin Fan said.

"So what if we're discovered?" Xia Wanqiu said as she looked at Lin Fan's reaction.

"No, you don't care but I care," Lin Fan said seriously. He didn't want to affect Xia Wanqiu's career right now. Taking the initiative to announce a relationship herself was different from being secretly photographed by others.

"Yes." Xia Wanqiu nodded her head lightly. Her voice was like a mosquito's whisper. Her lips curled up slightly and her heart thumped. So, he cared.

"It's getting late. I'll send you home," said Lin Fan. He couldn't just leave Xia Wanqiu here and let her go home alone.

"No. Let's go to your house. There might be fans waiting there."

"Although your house is smaller, I don't mind. Besides, I've never been to your house before," Xia Wanqiu said softly.

"I live in a big villa. The rooms are very big," said Lin Fan with a smile.

“Only a pig would believe you.” Xia Wanqiu stuck out her tongue.

“Willing to bet on it?” Lin Fan asked again.

“Bet on what?” Xia Wanqiu looked at Lin Fan.

“If you lose, give me a kiss. If I lose, I’ll cook you a feast every day,” Lin Fan said with a smile.

“Stupid Lin Fan, who wants to kiss you? But I’m not going to lose,” Xia Wanqiu said confidently with a red face.

“Do you want to eat braised fish?” Lin Fan looked at the girl in front of him and smiled. No matter how much he bet, he wouldn’t lose. Shouldn’t he cook a feast for his wife every day?

“...” Xia Wanqiu.

At that moment, the voices of passersby could be heard. They seemed to be Xia Wanqiu’s fans and some reporters. They seemed to want to interview Lin Fan when he opened his shop tomorrow.

“Shh... there’s someone,” Lin whispered.

“Mmm...” Xia Wanqiu nodded her head obediently. She looked at Lin Fan with her beautiful eyes and asked him what to do.

“Meow ~” The kitten meowed in Lin Fan’s arms.

Initially, he and Xia Wanqiu were still hiding in a more secluded area. However, once the kitten cried out, it would immediately attract attention.

Lin Fan and Xia Wanqiu exchanged glances.

That was it.

They were going to be discovered.

They were going to be caught red-handed by the media.

Making a prompt decision, Lin Fan grabbed Xia Wanqiu's hand and sprinted towards the small road.

"Run!"
