

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 315-319

Chapter 315: He Did Not misjudge Her!

“I’m jealous, I’m jealous. Is this how you stuff dog food?”

“Stuffing dog food in public. Who can help me kill Lin Fan and Xia Wanqiu?”

“But it’s really sweet. The second season of Joy of Life is already over. I have to say, this TV show is really good.”

“I wonder when Lin Fan will be filming the third season of the Legend of the Sword and Fairy. I’ve been waiting for that day for a long time!!”

“Lin Fan and Xia Wanqiu’s relationship is very sweet in television dramas. It’s even sweeter in reality.”

....

Lin Fan gently stroked Xia Wanqiu’s head. “After I finish filming this endorsement, we’ll go home together.”

Xia Wanqiu nodded. “Yes ~”

After that, Lin Fan went to film the endorsement. Xia Wanqiu found a place to sit down while Yang Qing held an umbrella for her.

Xia Wanqiu looked at Lin Fan with her hand on her cheek and a bottle of mineral water in her hand.

“Qiuqiu, how do you feel?” Yang Qing asked.

“Mm... a little handsome.” Xia Wanqiu looked at Lin Fan and smiled brightly.

It was almost two months before he had to see her father.

For some reason, Xia Wanqiu was looking forward to it.

He wondered when she could meet Lin Fan's parents too.

Many of the surrounding fans were envious when they saw this.

A male fan in black was a little unhappy. "Hehe, Lin Fan is just a little closer to Xia Wanqiu. Look at his relationship with other female celebrities, okay?"

The other bald man nodded and said, "Actually, Lin Fan doesn't have much affinity with the opposite sex. After he got together with Xia Wanqiu, the other girls stopped getting close to Lin Fan."

A female fan at the side said, "Who said that Lin Fan doesn't have a good relationship with girls? He's especially popular with the opposite sex."

The man in black said, "Nonsense. Since he's popular the opposite sex, why is Xia Wanqiu the only one looking for Lin Fan? Are there no other celebrities?"

The bald man nodded. "You women like to talk nonsense. If Lin Fan is popular with the opposite sex, I'll eat this pile of sh*t on the spot."

The man in black nodded. "I'll eat sh*t too. Don't you think Lin Fan is out of inspiration now? He only knows how to film relationship scenes with Xia Wanqiu. Why doesn't he film other scenes?"

The bald man laughed. "Maybe none of the other actresses wanted to work with Lin Fan."

At that moment, the man in black was dumbfounded. The bald man saw a familiar figure.

The big star of China, Su Xiaoyu.

Su Xiaoyu was here too.

When Su Xiaoyu appeared, she shone brightly.

She was wearing a white dress, and the breeze brushed her long hair. It was lovely and beautiful.

Su Xiaoyu also came to visit Lin Fan.

The female fan said, "Look, this is Lin Fan's popularity with the opposite sex even Su Xiaoyu is looking for Lin Fan."

The man in black: "..."

The bald man was speechless.

They were both a little dumbfounded.

Su Xiaoyu was a big star in China. She had so many fans.

Why had she come looking for Lin Fan?

Moreover, Lin Fan already had a girlfriend, but Su Xiaoyu still came to look for Lin Fan...

This meant that Lin Fan and Su Xiaoyu were also on good terms.

After Su Xiaoyu arrived, the two of them saw another big star.

Lin Kexin, the school belle of Beijing Film Academy, also came.

Lin Kexin was wearing simple clothes, but she was very beautiful.

And she had long black hair.

The man in black said, "Damn... Why is even Lin Kexin visiting Lin Fan? Why is Lin Fan so close to so many beautiful girls?"

The bald man looked even more puzzled. "That doesn't make sense."

Then two more pretty girls appeared.

Su Muqing and Lin Qianwei were both Lin Fan's managers.

When they saw so many girls, the man in black and the bald man already wanted to slip away.

The female fan smiled. "Don't go. You two eat that pile of sh*t first."

Then the man in black and the bald man ran faster.

They just wanted to show off and mock Lin Fan.

In the end, they were slapped in the face so quickly.

Lin Fan was the last to finish filming because he had handed the most intense endorsements to himself.

"Master, I haven't seen you for so long. You've become more handsome~" Su Xiaoyu looked at Lin Fan and smiled.

"Yes, yes, he's still so handsome." Lin Kexin nodded in agreement.

"You must have worked hard. Let's go home and have a feast!" Lin Fan smiled. He looked at the two girls and then at Xia Wanqiu.

Holding Xia Wanqiu's hand, Lin Fan and the others prepared to go home.

After filming all the endorsements, Lin Fan also earned nearly 1.5 billion!

In these 1.5 billion, other than taxes and other costs, Lin Fan could earn a billion in profit.

He had made a billion yuan in a month.

If anyone else found out, many would be envious.

After finishing her job as a spokesperson, Lin Kexin's popularity also increased a lot.

Moreover, the second season of Joy of Life had already ended.

After the finale, countless spectators were even more excited.

Because this TV series... was too good.

It was satisfying. There were many twists and turns in the plot, and the audience was enjoying it.

Comments flooded the Internet.

"How did Lin Fan create such a good script? He's even the director of the second season of Joy of Life. I only want to use a few words to evaluate this television drama. It's too good!"

"Lin Fan's acting is also very good. The key is that no one can see any flaws in this television drama."

"Especially in the later stages of the plot. The entire TV series' fights, special effects, and machinations were spectacular."

"Lin Fan's TV series is really good. I've watched TV series all my life, but this is the first time I've seen such a good one."

"I beg Lin Fan to continue producing other television dramas!"

"Other than Lin Fan's acting skills, Xia Wanqiu and Su Xiaoyu's acting skills are also super good. There's also Lin Kexin. She's amazing."

"That's right, especially Lin Kexin. I finally know how disgusting Huace Pictures was previously. They banned Lin Kexin. Fortunately, Lin Fan saved our Xinxin."

“Previously, someone defamed Lin Fan and Lin Kexin by saying that they had that kind of relationship. Today, Lin Kexin even went to visit Lin Fan. This means that Lin Fan and Lin Kexin have a good relationship. Lin Fan is equivalent to Lin Kexin’s savior!”

“Lin Kexin’s performance in Lin Fan’s drama is really the best I’ve ever seen her perform. She put too much effort into this drama and didn’t disappoint Lin Fan.”

“Did you know that Lin Fan gave Lin Kexin 35 endorsements? Such resources are absolutely impossible to have in Huace Pictures. Other than her own hard work, Lin Kexin only became popular because she had such a good boss like Lin Fan.”

...

The comments online also changed from criticizing Lin Kexin to supporting her.

This was because the television series Lin Kexin filmed was recognized by everyone.

With Lin Fan’s support, she seemed to have been reborn.

With 35 endorsements, Lin Kexin’s popularity became even higher.

And most importantly, she had made a lot of money for Lin Fan.

She had only been busy for a month, but she had already earned 450 million yuan for Lin Fan!

If Lin Fan could only get 80%, it would be 360 million!

The contract termination fee that Lin Fan had helped Lin Kexin with previously had all been earned back.

And this was only the beginning but he had already made so much money.

Lin Fan and Lin Kexin had signed a five-year contract. With a big star like Lin Kexin around, Lin Fan could earn more money.

And it turned out he'd made the right choice.

Previously, the CEO of Huace Pictures, Liu Xian, was still making himself comfortable on social media after Lin Fan gave him 200 million yuan in contract termination fees.

In the end, in just two months, Lin Kexin had earned 360 million yuan for Lin Fan.

This was only a superficial income. If she developed in the long term, there was no telling how much money she could make.

After obtaining the recognition of countless people, Lin Kexin's eyes turned red.

She had worked so hard. It was worth it!

Lin Kexin even posted on Weibo alone.

[Thank you, Boss Lin Fan, for your help, and thank you, fans, for your support. Without Lin Fan, I, Lin Kexin, would not be where I am today. Therefore, I am very grateful to Lin Fan for giving me a chance to be reborn. I will work hard in the future and continue to film beautiful works for everyone.]

After Lin Kexin posted this on Weibo, Lin Fan smiled.

It was precisely because of Lin Kexin's character and appearance that he gave her such an opportunity.

Now it seemed he had been right about her.

The second season of Joy of Life was just the beginning. More popular dramas and movies could be made later.

He would also make the people at Huace Pictures realize that giving up on Lin Kexin back then was the worst decision!

Meanwhile, the CEO of Huace Pictures, Liu Xian, happened to see Lin Kexin's Weibo post.

And he knew another fact.

Lin Kexin took on 35 endorsements and earned Lin Fan 360 million...

If she could earn so much in a month, she might be able to earn tens of billions for Lin Fan in five years!

“Damn it...” Liu Xian’s expression was as ugly as it could be.

He felt as if his face had been slapped swollen!

Chapter 316: Building the Glory of the Entertainment Industry!

In Yuehua Entertainment.

Xia Wanqiu’s contract with Yuehua was also up.

“Wanqiu, are you leaving?” CEO Li smiled and looked at Xia Wanqiu.

“Yes.” Xia Wanqiu nodded gently.

“Is it because the contract I gave you previously wasn’t too good? Your contract fee can continue to be raised.” CEO Li looked at Xia Wanqiu and was a little silent.

“CEO Li, it’s not about money.”

“All these years, I’m very grateful to Yuehua Entertainment for nurturing me. However, all good things must come to an end. Thank you, CEO Li for your nurturing, and I thank the company for its help over the past three years.” Xia Wanqiu smiled.

“Well, okay then. Has Lin Fan also opened an entertainment company?” CEO Li smiled.

“It’s called Jiaxing Entertainment. Although it’s not mature yet, it’s finally starting,” Xia Wanqiu said.

The renovation of the entertainment company had also been completed.

And Lin Fan's investment in this entertainment company was nearly 500 million!

The current Lin Fan had truly become the boss of Jiaying Entertainment.

He had opened an entertainment company himself. With him around, he could protect Xia Wanqiu from being bullied by others in the entertainment company.

CEO Li could not help but sigh as he watched Xia Wanqiu leave.

Yuehua, which had once been at its peak, gradually went downhill.

That was because... Yuehua had not been able to rope in talents.

CEO Li could tell that if Yuehua wanted to continue developing, he had to rope in a talent like Lin Fan.

However, Yuehua's shareholders did not do so. The shareholders were unwilling to share their shares with Lin Fan for no reason.

Because these shareholders only wanted to get dividends.

Under these circumstances, the company's shareholders were unwilling to make concessions and rope Lin Fan in.

In the end, Lin Fan left.

Lin Fan could not force himself to become a shareholder of Yuehua. There was no need.

If he opened an entertainment company and became the boss, he would definitely earn the most money.

Although Lin Fan had a good impression of such a company that he had worked with before, he still had to look at reality.

His first company, Jiaying Entertainment, had finally opened for business!

Jiaying Entertainment Company, imposing and luxurious.

Today was the opening day.

There were already a lot of media and a lot of fans gathered there.

“Wow, Lin Fan opened an entertainment company!”

“Then I can look forward to Lin Fan filming a new television drama in the future...”

“Maybe Lin Fan can make a movie. There’s no need to talk about his directing skills.”

“Support Lin Fan, support Xia Wanqiu!”

“Where’s Lin Fan? Why hasn’t he appeared yet?”

After some fans have finished speaking,

In the distance, on the red carpet, a Bugatti sports car got on it and Lin Fan slowly got out.

Today, Lin Fan was wearing a suit.

On the red carpet, Lin Fan was like a real superstar, admired by everyone.

Lin Fan reached the other side of the Bugatti and opened the door. He held out one hand.

The girl sitting in the front passenger seat was naturally Xia Wanqiu.

Lin Fan and Xia Wanqiu walked side by side to the center of the stage.

It was also the entrance to Jiaying Entertainment.

Lin Fan stood there, the center of attention.

Behind Lin Fan were a few girls with outstanding looks.

Su Xiaoyu, Lin Kexin, and Su Muqing.

Although Su Muqing was only a newcomer and Lin Fan's assistant, he had already signed her.

"Hello, everyone. I'm Lin Fan." Lin Fan smiled and looked around.

Before Lin Fan could finish, the surrounding fans were already cheering loudly and shouting his name.

"Lin Fan!"

"Lin Fan!!"

"Lin Fan!!!"

Lin Fan raised his hand to signal for everyone to quiet down. Holding the microphone, he continued, "Today is the opening day of Jiaxing Entertainment. Welcome friends from all walks of life to Jiaxing Entertainment to witness this moment."

"As a director and as an actor, I will do my best to make good works for fans in the future."

"As the owner of Jiaxing Entertainment, I also welcome investors from all walks of life and advertisers to collaborate."

"I also welcome any artiste to work with Jiaxing Entertainment. To be honest, China's television and film markets have never been very good."

"Some people say that Hollywood can crush our Chinese movies. Others say that our Chinese movies are all bad movies. They say we don't have any good works among our Chinese television shows."

“There are also people who say that China doesn’t even have a few outstanding works now. We’re in a downturn in the entertainment industry.”

“I partially agree with these views. Our Chinese entertainment industry is indeed in a relative downturn.”

“However... let’s work hard together to create glory that belongs to the Chinese entertainment industry!”

After Lin Fan finished speaking, there was a strong sense of confidence in his eyes.

He would definitely work hard and devote himself wholeheartedly to his current career.

He would create a glorious era.

Let the outside world no longer underestimate China’s television and movie markets.

No matter how difficult this path was, Lin Fan was already on it!

Hearing Lin Fan’s words, many media people and fans present felt their blood burn with righteous indignation.

They had all witnessed Lin Fan’s abilities.

The immense popularity of the two seasons of Joy of Life proved Lin Fan’s powerful ability!

After a busy day,

There were not many people in Lin Fan’s huge entertainment company.

The next step was to help the company recruit talents.

It was impossible to make a good TV series on his own.

After Lin Fan established the entertainment company, two people immediately joined.

One was Xu Yang and the other was Lin Jingjing.

After that, the company quickly recruited many professional staff members.

The director team, post-production team, dubbing team, plus a lot of script masters.

It was worth mentioning that after Lin Fan left Yuehua,

More than half of Yuehua's employees took the initiative to look for Lin Fan.

Moreover, the actors who were filming Joy of Life also came to Lin Fan's company one after another. They wanted to sign a contract with Lin Fan and become artists of Jiaxing Entertainment.

In just a few days, more than 30 celebrities had joined Lin Fan's Jiaxing Entertainment.

Even the previous top screenwriter, Tian Zheng, had joined Jiaxing Entertainment.

The beautiful Xue Kexin from the post-production team also came to Lin Fan's company.

Liu Mou and Lu Benkai from the director team chose to join as well.

Even Lin Kexin's good friend, Chu Yaoyao, joined Jiaxing Entertainment.

In a flash, Jiaxing Entertainment achieved a true golden age!

Lin Fan's entertainment company was also completely established!

Facing such a scene, Lin Fan only smiled calmly.

He was very popular in the entertainment industry, and so many people joined him.

Now the entertainment company was up and running too.

What he had to do next was earn big money!

Chapter 317: Boss Lin's Script... It's Too Brilliant!

Huace Pictures.

The CEO, Liu Xian, saw that Lin Fan had opened an entertainment company and commented, "Didn't Lin Fan just film a few popular television dramas? Why is he pretending? How can the entertainment industry be as simple as he thinks?"

"Since Lin Fan has opened an entertainment company, let's... go all out to destroy it!"

"A small entertainment company with an unstable foundation can produce such good works. Can Lin Fan film another popular television drama?" Liu Xian sneered.

"The viewership ratings of our recent TV series have already reached 7.63%. It's even more popular than Lin Fan's Legend of the Sword and Fairy. I want to see how Lin Fan can surpass our results this time."

Liu Xian had strong confidence. Huace Pictures was the real professional in the entertainment industry.

As for Lin Fan, he had just established an entertainment company. How could he compete with Huace Pictures!

....

Jiaying Entertainment.

Xu Yang swallowed as he looked at the decorations in Jiaying Entertainment.

This was just an entertainment company that had just started. However, the decoration of this entertainment company could only be described with one word.

High end!

The area was more than 6,000 square meters. Jiaxing Entertainment was divided into three floors. There were different office areas, resting areas, entertainment rooms, and activity rooms.

In the resting area, there were all kinds of food and drinks with unlimited supplies.

All the delicious snacks were unlimited.

Coke, Sprite, coffee, and other beverages were available.

There was even a gaming hall and a karaoke place. If one was tired from work, they could have afternoon tea here.

Although it was an entertainment company, there were computers in front of every desk. They were all high-end computers.

And then there was the gym. Of course, you had to be in good shape as a star. The gym was huge, and the decor was cozy. It was also equipped with coaches who could train every employee in a targeted manner.

The company also had five-star restaurants.

The decor of the restaurants here were not much different from five-star hotels.

Moreover, there were large tables and small private tables. The chefs who worked at Jiaxing Entertainment were all big chefs who made a variety of nutritious meals.

All in all, the benefits here were quite good.

When one came to Jiaxing Entertainment, their salary was also very high.

Xu Yang walked into the office worriedly.

“Lin Fan, Huace Pictures recently launched a television drama called ‘The Genius Lawyer’. As soon as this television drama was released, it achieved very good results. The viewership ratings reached 7.63%. It even exceeded the results of our ‘The Legend of the Sword and Fairy’.”

“I’m worried that the people at Huace Pictures will still target the company and you,” Xu Yang said. He also knew that the competition in the entertainment industry was quite cruel.

If he could not improve, he would regress.

For example, there were many companies in the entertainment industry that were making girl groups, but very few of them could really form a group.

Lin Fan looked at Xu Yang and patted his shoulder. “Don’t worry about these things. The popularity of other companies’ television dramas has nothing to do with us.”

“The show I’m going to do is just the show I want to do. It doesn’t have to be about how much money this show will make and how much ratings it will get.”

“Even the talented painter Van Gogh’s work only became completely famous after he died. It doesn’t matter what other people think today. As long as I can make a satisfying television series, that’s enough,” Lin Fan said.

“That’s good. I was just worried,” Xu Yang said.

“There’s nothing to worry about. If Huace Pictures still dares to attack us, our company will declare war on them,” Lin Fan said.

“That’s right. You’re the CEO of Estée Lauder now. I heard that you’re also the second-largest shareholder of LV. With your status, no one would dare to cause trouble for you.” Xu Yang laughed.

He just remembered that Lin Fan had such an identity.

That night, Lin Fan had already sent the script he had written to the company’s many top scriptwriters to check.

And the name of this script was the third season of the Legend of the Sword and Fairy.

Faced with another challenge from Huace Pictures, although Lin Fan said that he didn't care, he wouldn't underestimate such an opponent.

Huace Pictures had bullied Xia Wanqiu many times and even bullied Lin Kexin.

Moreover, Liu Xian from Huace Pictures had also criticized Lin Fan online many times.

Lin Fan's response was nothing else.

He responded with only one television drama, the third season of the Legend of the Sword and Fairy!

The company's many screenwriters sat together and read the documents Lin Fan had sent them.

Master Tian Zheng, the top screenwriter, was also paying attention to Lin Fan's script.

"Boss Lin has written a new script. This time, the name of the script is The Legend of the Sword and Fairy 3!!"

"Really... Boss Lin really wrote a new script."

"Then I must take a look at Boss Lin's new script. The first season of the Legend of the Sword and Fairy was already very good. The ending was too torturous. I wonder how the third season of Boss Lin's new script is."

"It's fine. I'll just read it for half an hour. Then I'll get off work after reading the script and go back to rest." One of the screenwriters laughed.

"Sure, I'll read it for half an hour too," another screenwriter said.

Tian Zheng smiled back and clicked on the script. "That's settled, then. Read the script for half an hour, then head for supper."

When these screenwriters opened Lin Fan's script, their hearts were beating violently.

Half an hour later, a screenwriter finally finished the first three episodes.

His expression and his gaze had changed.

“The script written by Boss Lin... Why is it still so good? Although The Legend of Sword and Fairy 3 and The Legend of Sword and Fairy 1 are completely different stories, the plot and characters in this are still so outstanding.”

“I don’t know why, but when I read the script, I felt that the female lead was very beautiful. Boss Lin’s characterization is too strong,” a screenwriter said.

“Damn... Is this the script written by Boss Lin? I’ve only heard that the scripts written by Boss Lin are good, but I didn’t expect it to be so good.” Another screenwriter’s eyes were completely infatuated.

“Whether it’s the world view, characterization, plot, or details, they can only be described as perfect. Boss Lin’s script is simply perfect!” Another screenwriter said.

After these scriptwriters saw such a script, they did not go for supper.

They... actually chose to stay up all night to read Lin Fan’s script!

Many of them were screenwriters who just joined Jiaying Entertainment.

These screenwriters were definitely top-notch and thought highly of themselves. They felt that the scripts they wrote would definitely not be inferior to others.

They knew that Lin Fan’s acting skills were very good, and they also knew that the first season of the Legend of the Sword and Fairy was very successful.

But when these writers saw the script, they understood why the first season of the Legend of the Sword and Fairy could be so successful!

The first reason why a television series can succeed is because of the script!

When they saw Lin Fan's script, they were all shocked.

Turns out ...

The reason why the television drama could become popular was because of Lin Fan!!!

Chapter 318: What Kind of Godly Company Is This?

By the following day, Jiaying Entertainment had set the script.

None of the screenwriters objected.

Most of these screenwriters were top-notch screenwriters in the industry.

They were working together now. Even if it was a script written by Lin Fan, they would give their opinions if it was flawed.

But after working all night, these screenwriters were all dumbfounded.

How could they find any flaws in such a script?

This was simply... a flawless work!

As the head of the screenwriter team, Tian Zheng was still immersed in the world of the script.

Tian Zheng gave a start and stood up. "Perfect!"

"The ending of Boss Lin's script is simply perfect!"

"Although the story of The Legend of Sword and Fairy 3 is still a little tragic, especially when I saw Mao Mao die, my heart was very heavy. Fortunately, Li Xiaoyao and Xue Jian finally lived happily together. It can be considered a perfect ending," Tian Zheng said.

"This script has been decided. I don't think there's anything to modify. The script written by Boss Lin is not something that ordinary scriptwriters like us can really understand," Tian Zheng said.

Another screenwriter nodded. "Yeah, I just found out today that the best screenwriter of our Jiaxing Entertainment is Boss Lin. How did he manage to characterize all these characters so well?"

Tian Zheng said, "Probably... this is what strength and talent look like."

"If we can find the right actors to film The third season of The Legend of Sword and Fairy, the show will be a hit. It'll be as successful as the first season of The Legend of Sword and Fairy!"

At the company meeting, Lin Fan took his seat at the head of the table.

Xia Wanqiu, Su Xiaoyu, and Lin Kexin were all sitting here.

There were also many screenwriters from Yuehua, including Tian Zheng and the others.

"Boss Lin, this script will do. There's no need to change it anymore. I believe that this script is enough to move the audience!" Tian Zheng said.

"Yes, Boss Lin, your script is really good. I read it for a long time last night." Xue Kexin smiled and gave Lin Fan a thumbs up.

"Last night, we stayed up all night to read the 37-episode script. There was basically nothing to edit. We were just amazed by Boss Lin's creative ability," a screenwriter said.

These screenwriters gave Lin Fan a thumbs up and admired him from the bottom of their hearts.

Only a screenwriter would know the difficulty of creating a script.

Lin Fan had already written three popular TV series. This was the fourth. The script for this one was still of such high quality.

Seeing that no one objected, Lin Fan nodded. "Okay, then we'll settle on this script."

“The next step is to recruit actors. The casting of The Legend of Sword and Fairy 3 can begin. Su Muqing, Lin Qianwei, I’ll leave this task to you. Help contact the major entertainment companies and start casting in the near future,” Lin Fan said.

Su Muqing asked, “Boss Lin, do you need to use auditions to select actors who meet your standards step by step?”

Lin Fan shook his head. “There’s no need for auditions. We don’t have much time left. I’m creating an exquisite TV series, so I need capable actors. Auditions are a waste of time.”

“Of course, the company can also launch an audition plan to nurture some girls between the ages of 18 and 22 to participate in future female group shows. At the same time, it can also continuously supply talents to our company.”

Su Muqing nodded. “Okay.”

Lin Fan continued, “Right now, the characters of The Legend of Sword and Fairy 3 are: the male lead, Jing Tian, the female lead, Xue Jian, and the female characters: Zi Xuan, Long Kui, Hua Ying, the Fire Ghost King, Shui Bi. The male characters are Xu Changqing, Xu Maoshan, Chong Lou, Yun Ting, the Evil Sword Immortal, Tang Kun, and so on.”

“I’ll also announce that I’ll play the male lead and the female lead will be played by Xia Wanqiu.” Lin Fan smiled and looked at the girl not far away, Xia Wanqiu.

After Lin Fan announced it, although it was expected, everyone still looked at Xia Wanqiu.

Xia Wanqiu’s cheeks were slightly red. She looked up and met Lin Fan’s eyes.

The corners of Lin Fan’s mouth curled up slightly. “I’ll let Lin Jingjing play Zi Xuan. Xu Yang will play Xu Changqing, Su Xiaoyu will play Long Kui, and Lin Kexin will play Hua Ying. As for the other roles, we’ll decide on them tomorrow during the casting.”

“Also, the assistant directors of The Legend of Sword and Fairy 3: Lu Benkai, Liu Mou, the head of the post-production team: Xue Kexin, voice actor: Lin Jingjing.”

Lin Fan quickly arranged all the work. This meant that The Legend of Sword and Fairy 3 could officially start filming soon.

When news of the third season of the Legend of the Sword and Fairy was confirmed, the entire entertainment industry was in an uproar.

“Really? Is Lin Fan going to start filming the third season of the Legend of the Sword and Fairy?”

“And part of the main cast has already been set?! Are we officially going to do the casting tomorrow?”

“Oh my God, that’s fast. Lin Fan’s going to shoot another TV series!”

“I’ve been looking forward to the third season of The Legend of the Sword and Fairy. The first season of The Legend of the Sword and Fairy killed me. I wonder how the third season would go.”

“Our entertainment company also has many big stars. I wonder if we can participate in the third season of Lin Fan’s Legend of the Sword and Fairy.”

“In any case, I have to try. What if I can come and act in this TV series?”

....

The next day.

Many celebrities came to Lin Fan’s Jiaxing Entertainment.

Today was an important day for casting.

Everyone who came, without exception, was a star.

There were a lot of pretty girls and a lot of good-looking and capable actors.

As the people walked in, they saw the working environment of Jiaxing Entertainment.

A separate office setting, luxurious decor, and plenty of room at each star’s workstation.

The unique cafeteria had chefs from five-star hotels. There were also lounges, entertainment rooms, and various snack areas.

A place like this was like paradise on earth.

Every employee who worked at Jiaxing Entertainment was motivated.

A fat man, who was more honest and called Pang Duoduo, stood at the entrance of the company.

His company had forced him to come to Jiahang Entertainment to give it a try, but he knew that with his looks, how could he possibly be chosen?

When Pang Duoduo walked in and saw the working environment of Jiaxing Entertainment, he couldn't help but exclaim.

"The working environment here is much better than ours. I envy..." said Pang Duoduo.

"Most of all, there are snack areas!!" Pang Duoduo's mouth was already watering at the sight of so many snacks, potato chips, Cokes, and assorted cakes, hams, barbecues, and lots of nutritious meals.

When Pang Duoduo saw Lin Fan's assistant, Su Muqing, he couldn't take his eyes off her.

Su Muqing was such a gentle, beautiful, and pure girl. With a ponytail and some light makeup, her looks were much better than those of women with heavy makeup.

Jiaxing Entertainment had such a beautiful lady.

What kind of godly company was this!

Chapter 319: 43 Million Investment

"Hello, miss. May I take part in the casting?" Pang Duoduo walked up to Su Muqing and asked.

"Of course." Su Muqing smiled lightly, as if it could dissolve all of someone's worries and depression.

“Follow me,” Su Muqing said.

“Um, Miss... do you have a boyfriend?” Pang Duoduo asked again.

“No.” Su Muqing shook her head.

“Then what do you think... about me?” Pang Duoduo wasn’t very good at confessing, and he had no experience in love.

Confessing should have been a very bold thing to do. Instead, Pang Duoduo was a little nervous and shy.

“I have someone I like. Also, you can participate in the casting in front. Boss Lin is there.” Su Muqing smiled and politely rejected Pang Duoduo.

“Oh, oh, okay.”

“Miss, are you Boss Lin’s assistant?” Pang Duoduo asked.

“Yes~~” Su Muqing nodded.

“I really envy Boss Lin for having such a beautiful assistant.” After Pang Duoduo finished speaking, he walked into the room and prepared to participate in the casting.

He wondered who the boy this pretty young lady liked was.

Could it be Boss Lin?

When Pang Duoduo entered the room and saw Lin Fan, he could not help but be stunned.

Lin Fan... was too handsome.

Thinking of how Su Muqing had mentioned Lin Fan, Pang Duoduo felt even more envious.

Why didn't he have such a beautiful assistant?

In the room, Lin Fan was a little surprised.

The casting of every TV series was undoubtedly very important.

However... there were too many people here today.

"Hello, Boss Lin. I'm Lin Yuyan. I specially want to participate in the casting of the third season of the Legend of the Sword and Fairy."

"Hello, Boss Lin. I'm Wang Shi. Do you think I can take on this role?"

"Hello, Boss Lin..."

....

After a busy day, it was finally Pang Duoduo's turn to participate in the casting.

Lin Fan also had a headache.

In The Legend of Sword and Fairy 3, there was a character called Mao Mao that needed a fatter person to play it.

And most importantly, it was extremely difficult to play the role well.

He needed a very suitable actor, one whose acting skills had to be excellent.

If their acting skills were bad, their acting would only make the audience feel awkward.

Lin Fan had always been stricter with his dramas, so he was the one who completed the casting.

“Name: Pang Duoduo. Age: 24. Alma Mater: Beijing Film Academy.” Pang Duoduo said his name and prepared for the audition.

During auditions, actors’ acting skills and looks were usually tested.

To be an actor, acting skills and looks were very important. They were indispensable.

This was Lin Fan’s *The Legend of Sword and Fairy*. If he wanted to film this work well, actors were especially important.

“Start your performance. The title of your performance is: Eating Steamed Buns.”

Lu Benkai, the assistant director, was also here to watch the actors’ auditions.

The performance of eating steamed buns was very simple, but the simpler the question, the harder it was.

Anyone knew how to eat steamed buns.

It was quite difficult to act out eating steamed buns well.

“Excuse me... where are the steamed buns?” Pang Duoduo’s eyes lit up when he saw that his topic was to eat steamed buns.

He had come to the interview without eating breakfast or lunch. Now he was as hungry as he could be.

The simple act of eating steamed buns depended on the state and acting skills of an actor.

“There aren’t any, just start your performance. Pretend you’ve got a steamed bun in your hand,” Lu Benkai said.

“Okay.” Pang Duoduo nodded.

Immediately after that was Pang Duoduo’s performance of eating steamed buns.

After watching Pang Duoduo eat steamed buns, Lin Fan's eyes lit up.

He had finally found the most suitable candidate for the role of The Legend of Sword and Fairy 3's Mao Mao.

It was this person called Pang Duoduo.

To be able to act out eating steamed buns this well, Pang Duoduo's acting skills were really not bad.

Coupled with his size and temperament, he was very suitable for the role that Lin Fan was looking for.

"Alright, you'll play the role of The Legend of Sword and Fairy 3's Mao Mao," Lin Fan said. He looked at Pang Duoduo and smiled.

"Thank you, Boss Lin!" Pang Duoduo was pleasantly surprised.

He did not expect that with his size, he would actually succeed in the interview.

He also liked Lin Fan's TV shows a lot. In his opinion, all of them were masterpieces.

Lin Fan had long been Pang Duoduo's idol.

"Boss Lin, I'm a fan of yours. May I be an artiste of Jiaying Entertainment?" Pang Duoduo asked.

"Yes, sure. You can look for my assistant to complete the contract signing." Lin Fan smiled and looked at Su Muqing.

When he saw Su Muqing, Pang Duoduo swallowed his saliva again.

It was mainly because... Su Muqing was too good-looking.

His confession just now was just a joke, mainly because he didn't know what to say in front of Su Muqing.

"Meow, meow?" Xia Wanqiu was already waiting for Lin Fan at the door. She had even brought the company's lunch.

"Master, it's time for lunch~" Su Xiaoyu also walked in with a lunch box.

The two girls were as beautiful as they could be and attracted a lot of attention.

It was 2 p.m., and Lin Fan hadn't eaten lunch yet.

"We're almost done for the day. We'll complete the contract signing this afternoon, and then we can prepare for the start of the television series' filming," Lin Fan said, making the arrangements.

"Boss Lin, wait a minute..." When Pang Duoduo saw Xia Wanqiu and Su Xiaoyu, he liked them even more.

How could there be such beautiful girls?

The Su Muqing he had just seen was already beautiful enough, but Xia Wanqiu and Su Xiaoyu were even more beautiful.

"Xia Wanqiu and Su Xiaoyu are both so good-looking. Boss Lin... Can you give me their contact details?" Pang Duoduo asked expectantly.

"That won't do. You have to fight for a girl's contact information yourself. Besides, Xia Wanqiu is my girlfriend," Lin Fan said. He patted Pang Duoduo's shoulder and walked up to Xia Wanqiu and Su Xiaoyu.

"Girlfriend..." Pang Duoduo managed to say.

He rarely paid attention to entertainment news. Only now did he know that Xia Wanqiu already had a boyfriend.

Her boyfriend was Lin Fan.

Finally, after all the actors had been decided.

The third season of the Legend of the Sword and Fairy could officially start attracting investors.

That day, many investors came to look for Lin Fan.

“Boss Lin, I’m Qian Yaoye from the Wuliangye Group. I want to invest in the third season of your The Legend of Sword and Fairy. What do you think?”

“Our company is willing to pay 43 million!” Qian Yaoye said, looking at Lin Fan.

Wuliangye was also a famous brand, and the Qian Yaoye had given Lin Fan such a high investment amount from the start.

“Boss Qian, it’s a pleasure to work with you,” Lin Fan said with a smile. He shook hands with the Qian Yaoye and talked in detail about the cooperation process before signing the contract.

They had just finished casting when an investor came knocking on their door.

And the first investment of The Legend of Sword and Fairy 3 was as high as 43 million!
