

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 320-324

Chapter 320: If You Want to Fight, Let's Fight!

After sending CEO Qian away, Lin Fan also received his first investment in The Legend of Sword and Fairy

Forty-three million had been wired into the company's bank account.

Apart from that, a few other investors came to work with Lin Fan.

"Boss Lin, CEO Li of L'Oréal wants to invest in our The Legend of Sword and Fairy 3. Moreover, CEO Li of L'Oréal hopes to find a spokesperson in our company," Su Muqing said.

"And now the CEO of L'Oréal is downstairs." Su Muqing looked at Lin Fan.

"Sure, come with me to welcome him." Lin Fan smiled.

To his surprise, The Legend of Sword and Fairy 3 had attracted quite a few investors in the beginning.

L'Oréal was also one of the top ten makeup brands in the world.

"Hello, Boss Lin. I'm Li Qian. I'm here to discuss something with you."

"We're all already aware of your ability to create television series. Almost every one of them is going to be a hit. That's why L'Oreal is here to invest fifty million in your TV series."

"In the meantime, I'm also looking for a big star from your company to be the sole spokesperson for L'Oréal. The offer is twenty-six million. Do you have a suitable female star?" asked CEO Li of L'Oréal.

"Would Lin Jingjing be okay?" Lin Fan said.

Now, Xu Yang and Lin Jingjing had also joined his company.

He had yet to give Xu Yang and Lin Jingjing any endorsements. The company had just started. If a proper company came to look for Lin Fan for spokespeople, Lin Fan would not reject them.

Any employee of Jiaxing Entertainment could participate in endorsements.

As long as they went to film the endorsement, the company could earn money, and Lin Fan could also earn a lot of money.

“Of course. Thank you, Boss Lin.” Li Qian smiled and shook his hand.

Another contract was signed.

L’Oréal was also a very good brand. Being able to participate in such an endorsement would benefit the star herself.

Xia Wanqiu and Su Xiaoyu already had a cosmetics endorsement, so Lin Fan gave this opportunity to Lin Jingjing.

As for Su Muqing, she was still Lin Fan’s assistant and had yet to become a big star.

If she became a big star, she would have all the endorsements and jobs she needed.

This time, the company received 76 million yuan!

The investment in the third season of the Legend of the Sword and Fairy had also reached 90 million yuan!

Getting so much investment in half a day was a good start.

However, to Lin Fan’s surprise, no investors came to look for him in the next half a day.

“Boss Lin, the investors who originally wanted to invest in The Legend of Sword and Fairy 3 have all left this afternoon. They’ve changed their minds,” Su Muqing said.

“Why?” Lin Fan’s eyes narrowed.

He had thought that filming a television series would not be so difficult.

With his current status in the entertainment industry, it should be very easy to rope in many investors.

The two investors had already pulled in 90 million yuan, but in less than half a day, all the investors had left.

Without investors, there would be no starting capital for the television series.

In that case, the TV show would die before it even started filming.

Su Muqing raised her beautiful eyes and looked at Lin Fan. She said, "Boss Lin, it's because of the success of Huace Pictures' last television drama, 'The Genius Lawyer'. Its results even surpassed the first season of the Legend of the Sword and Fairy."

"And today, Huace Pictures is starting to raise money. The television series they're going to shoot is called Chinese Paladin. It's also a Xianxia drama. It claims to have cutting-edge filming technology. It's going to be a real Xianxia masterpiece. The investors like Huace Pictures better."

"Because Huace Pictures is an established entertainment company. In terms of strength and foundation, they are stronger than our company. The investors of their previous film have also seen their results."

"Those investors are more willing to choose Huace Pictures than our Jiaxing Entertainment," Su Muqing said.

"Yes, I understand." Lin Fan nodded.

Sure enough, the attack from Huace Pictures had come.

Such an attack was enough to bring down any entertainment company.

If Jiaxing Entertainment was a company with insufficient capital, it would undoubtedly be extremely difficult to film the third season of the Legend of the Sword and Fairy.

Previously, when he was at Yuehua Entertainment, although Yuehua Entertainment could not compare to Huace Pictures, it was still a large entertainment company.

Now that Jiaxing Entertainment had just been established, Lin Fan didn't have much money in his account.

If they wanted to film the third season of the Legend of the Sword and Fairy, they would need the support of many investors before they could really start filming.

Since Lin Fan started his own company, he had to pay the actors and employees.

The actors had to be paid well.

The most important thing about filming a Xianxia drama was the special effects.

The special effects were burning money every second. Without money, it was impossible to film a Xianxia drama.

This move by Huace Pictures almost drove Jiaxing Entertainment into a corner.

If Jiaxing Entertainment couldn't take it, it would be impossible to film the Legend of the Sword and Fairy 3.

Before it even started, Lin Fan's company was already checkmated by Huace Pictures.

90 million was impossible to make into the Legend of the Sword and Fairy 3.

Filming a TV series, all the staff, actors, and building scenes, hiring various martial arts masters to teach the actor, post-production, dubbing and so on... all required a lot of money.

Ninety million wasn't even enough to pay the actors.

The TV series produced by Huace Pictures happened to be called Chinese Paladin.

He was going to completely suppress Jiaxing Entertainment.

Lin Fan saw how arrogant and domineering Huace Pictures was.

“Boss Lin, the CEO of Huace Pictures, Liu Xian, called. He wants to talk to you,” Su Muqing said.

Lin Fan took the phone and heard the CEO of Huace Pictures, Liu Xian, say, “Boss Lin, long time no see. How have you been?”

Lin Fan said, “ran into trouble?”

Liu Xian smiled and said, “I’m not deliberately targeting your company. It’s the investors’ choice to choose us. It has nothing to do with our company. Boss Lin, I’m not declaring war on you this time. I’m discussing cooperation with you.”

“Give us the script you’ve written. Our two companies will build a TV series together. We’ll split the profits 30-70. We’ll take care of all the investors and manpower costs. That’ll achieve a win-win. What do you think?”

Lin Fan’s eyes narrowed. “That’s all? I get thirty percent of the profits just by producing actors and script? When did Boss Liu become so generous?”

Liu Xian laughed. “Of course, there’s a condition. Lin Kexin is your artiste now. I heard that she signed a five-year contract with you. You can control her life and death.”

“You just have to let her stay with me for one night. I’m sure she’ll be willing to do the same for her future. If you agree, Huace Pictures will always be friends with Jiaxing Entertainment and will never target Jiaxing Entertainment.”

“But if you refuse, it’s a question of whether your The Legend of Sword and Fairy 3 will be successful or attract investors,” Liu Xian said.

Lin Fan felt disgusted by Liu Xian’s request.

Was there such a person in this day and age?

Lin Fan didn't consider himself a saint. He wouldn't have no feelings for pretty girls.

However, Lin Fan would always stick to one principle.

No matter how beautiful the girls were, he couldn't just bully them.

If he wasn't such a person, he would have bullied Lin Kexin hundreds of times.

If he signed Lin Kexin, the company would take good care of her. Lin Kexin would also make money for the company.

Meanwhile, Liu Xian from Huace Pictures was still thinking about Lin Kexin and her body.

Since he was the one who signed the girl, Lin Kexin was equivalent to Lin Fan's woman.

Would Lin Fan agree to let her go and let Lin Kexin accompany Liu Xian?

Not to mention giving Lin Fan so many benefits, even if he was given a lot of cash, Lin Fan would not agree to such a thing.

"Boss Liu, I forgot to tell you."

"Jiaxing Entertainment is not short of investors or money. If you want a war, you're welcome to start it."

"As for the people from my company, I hope Boss Liu won't have any more ideas. The people from the company are my people. You targeting Lin Kexin is equivalent to targeting me," Lin Fan said calmly.

Liu Xian was silent for a moment. He did not expect Lin Fan to refuse. "Since you don't know what's good for you, let's fight."

He hung up before Lin Fan could finish.

During this time, Lin Kexin happened to be behind Lin Fan. It was very quiet. She heard all the phone records of Lin Fan and Liu Xian.

Su Muqing had already left the office.

Lin Kexin's eyes turned red as she looked at Lin Fan with tears in her eyes.

"Brother Lin Fan, thank you..."

"Thank you for your trust. And for your protection."

"I will definitely work hard. I will definitely not disappoint you," Lin Kexin said. Her beautiful eyes looked at Lin Fan, filled with gratitude.

With Lin Fan around, for some reason, Lin Kexin could feel a sense of security.

She knew that Lin Fan would never harm her, much less bully her.

"Well, work hard. You work for Jiaxing. If anyone bullies you, come to me."

"Others don't dare to offend others, but I do." Lin Fan smiled calmly and looked at Lin Kexin with a gentle smile.

After all, Lin Kexin was a celebrity that he had personally signed a contract with. She was also the school belle of the Beijing Film Academy. Needless to say, she was the kind of person who would attract countless people on the streets.

She was such a pure and innocent girl. No wonder Liu Xian kept thinking about her.

"Yes, yes ~" Lin Kexin nodded obediently.

"But Huace Pictures will continue to target our company for the company's investment," Lin Kexin said.

“I’m not afraid. Your boss is the boss of Estée Lauder. How can there be no investors?” Lin Fan smiled, looking calm.

“Oh, I remember now.”

“The market value of Estée Lauder is already 500 billion!” Lin Kexin said.

Lin Fan smiled brightly and looked at Lin Kexin, feeling a little warm.

If he didn’t see Xia Wanqiu and Su Xiaoyu every day, who could resist a pure and beautiful girl like Lin Kexin?

Lin Fan called Estee Lauder.

Since Huace Pictures was going to war with him, so be it!

Chapter 321: Lin Fan Is Actually The CEO of Estee Lauder!

As Lin Fan’s company, Estee Lauder had invested 600 million yuan into the Legend of Sword and Fairy!

Coupled with the investment Lin Fan had received previously, it was equivalent to 700 million!

While many investors chose Huace Pictures, only a few companies chose Lin Fan’s company.

This was the first time Huace Pictures had targeted Jiaxing Entertainment, almost forcing them into a corner.

However, Liu Xian of Huace Pictures didn’t expect that other than being the boss of Jiaxing Entertainment, Lin Fan was also the boss of Estee Lauder.

The spokesperson Estee Lauder had hired was an artiste under Jiaxing Entertainment.

The television drama they were investing in now was a television drama personally filmed by Lin Fan.

After receiving a huge investment, it caused a huge uproar in Jiaxing Entertainment.

In reality, when many investment companies did not choose to invest in the third season of the Legend of Sword and Fairy, many actors were a little worried.

They were worried that such a good script could not be acted out because of the investment issues.

However... in less than half a day, a huge sum of money was transferred into Jiaxing Entertainment's account.

"Have you heard? Huace Pictures is targeting us. Many investors didn't invest in the third season of 'The Legend of Sword and Fairy' anymore and instead invested in 'Chinese Paladin'."

"That's right. Without investors, how can our company film the third season of the Legend of Sword and Fairy? Huace Pictures is really disgusting. They're bullying a company that has just been established."

"No, a company has invested in our company!"

"This company invested 600 million directly!"

"D*mn, d*mn, a company is directly investing 600 million in us? This doesn't make sense."

"That's impossible. Which company would be so generous as to give us an investment of 600 million?"

When they heard this news, many of the company's actors were stunned.

An investment of 600 million was not as simple as playing house.

A company was willing to take out 600 million in cash. This meant that this company approved of Jiaxing Entertainment.

The filming of the Legend of Sword and Fairy 3 did not have to be delayed because of a lack of funds.

Pang Duoduo was surprised. "What did you say? An investment of 600 million... That's too exaggerated."

The others were also shocked.

“How can that be exaggerated? It’s simply amazing. Do you know which company invested in us?”

“What... it’s actually Estee Lauder!”

“Isn’t Estee Lauder a company with a market value of hundreds of billions? Why would they invest in Jiaxing Entertainment?”

“Because Boss Lin is the largest shareholder of Jiaxing Entertainment and the CEO of Estee Lauder, understand?”

“The CEO of Estee Lauder!!!”

“Boss Lin is my idol. No wonder he was able to negotiate an investment of 600 million. Boss Lin... will forever be God!”

After the investment was settled so quickly, everyone in the company was a little surprised.

Lin Fan’s status in Estee Lauder was indeed extraordinary.

Then, after receiving a huge investment, Lin Fan immediately held a meeting in the company.

“Boss Lin, the funding problem has been resolved. The equipment in the company has been prepared. The relevant staff are also in place. Next, we can prepare to start filming.” Lu Benkai looked at Lin Fan.

“Sure. I want the latest and best clothes.”

“Especially the female characters who act in the Legend of Sword and Fairy 3. Every piece of clothing has to be very beautiful. After wearing it, they’ll feel like an immortal,” said Lin Fan with a smile.

The reason why a television drama could become popular was not only because the plot could move people, but also because of the details.

Whether it was the opening theme, ending theme, dubbing, or scene production, they were all very important.

The most important detail was the actors.

All the plot was reflected by the actors.

When the audience watched television dramas, they were moved by the actors' acting skills and the plot.

Many viewers nowadays liked the looks of the characters in television dramas more.

The female and male characters were equally important.

There were many men in the audience of Xianxia dramas.

Therefore, it was only right to let the female characters wear some beautiful clothes.

"Also, pull in all the makeup artists in our group. We have to hire the best martial arts directors and action directors. We have to hang wires on our actors properly and get the latest camera equipment."

"We also have to hire the best special effects specialists in the industry. The director team is also of utmost importance. Everyone, arrange your schedules immediately. We can start filming immediately," Lin Fan instructed everyone in the company.

He wanted to fight Huace Pictures.

Of course, Lin Fan wasn't afraid of any small actions from Huace Pictures.

Although he had a deep background, if he wanted to destroy Huace Pictures, he had to use formal methods.

Even if there was someone like CEO Ma behind him, it was impossible to directly eliminate Liu Xian of Huace Pictures from this world.

Other than conventional business methods, Lin Fan couldn't just kill people like in cultivation novels. That was impossible.

No matter how strong his background was, he could only suppress Huace Pictures' survival space step by step.

Of course, Lin Fan would target Huace Pictures, but not now.

He wanted to film the third season of the Legend of Sword and Fairy with all his might.

Every television drama was Lin Fan's hard work.

He would completely show the hard work of this television drama to the audience.

Huace Pictures deliberately created "Chinese Paladin" to fight Lin Fan's Legend of Sword and Fairy head-on.

Lin Fan wouldn't back down, nor would he be afraid!

A week later.

Everything was in place.

In the third season of "The Legend of Sword and Fairy", the actors, staff, and directors were all ready. They all arrived at Hengdian and chose their addresses, preparing to start filming.

As the main director, Lin Fan only gave general suggestions. The details were all completed by Assistant Directors Lu Benkai and Liu Mou.

The filming of the third season of "The Legend of Sword and Fairy" would definitely require a large number of extras.

From the start, the film crew had been recruiting people in Hengdian.

“D*mn, the filming of the Legend of Sword and Fairy 3 is really starting!”

“I want to be an extra. I must be an extra!”

“It’s my honor to be an extra for this television drama.”

“I might even be able to see Lin Fan. Lin Fan is really handsome. I wonder how Lin Fan is in person. I have a chance to see a big star!”

“There are also my goddesses, Xia Wanqiu, Su Xiaoyu, Lin Jingjing, and Lin Kexin. All of them have long legs. If only I could marry them.”

“That’s right. Only children do multiple-choice questions. I want all of them!”

When recruiting in Hengdian, Lin Fan appeared in front of many extras in white robes.

Lin Fan was already dressed as the main lead. Standing there, coupled with his looks, he gave off an immortal aura.

Chapter 322: Lin Fan’s Determination!

When Lin Fan appeared, many Hengdian extras cheered.

Many of the extras were Lin Fan’s fans.

In this industry, many people liked Lin Fan.

Especially Lin Fan’s previous television dramas, they were all deeply imprinted in the hearts of the fans.

The first and second seasons of Joy of Life were shocking.

The first season of the Legend of Sword and Fairy was touching.

Today, they were filming the third season of the Legend of Sword and Fairy.

Many actors were Lin Fan's fans.

They had never expected Lin Fan to appear in front of them.

Although Lin Fan was a superstar, he didn't feel high and mighty.

"Wow, am I seeing things? It's really Lin Fan!"

"Is Lin Fan wearing the clothes of the protagonist? The question is, how can Lin Fan be so handsome?"

"He's ethereal and handsome. He completely fits the image of Prince Charming in my mind."

"And Lin Fan doesn't look cold at all. Ahhh, I've finally seen my idol in person today!"

...

While everyone was cheering, Lin Fan spoke.

"Hello, everyone. The third season of the Legend of Sword and Fairy is about to start filming. We need a lot of extras."

"Our The Legend of Sword and Fairy 3 is different from other film crews. The standard for every meal in the film crew is 30 yuan a box. There are two meat dishes and two vegetable dishes in it. There's also a chicken drumstick, and it's unlimited."

"Mineral water, Coke, Sprite, and other drinks are free-flow. As long as you're an extra from the film crew, you can take as many as you like."

"However, the film crew might not have enough manpower. As extras of the Legend of Sword and Fairy 3, everyone might have to help move more mineral water and drinks," said Lin Fan.

The moment he finished speaking, many extras widened their eyes.

Lin Fan, you're not joking, right?

One had to know... that they had personally experienced the standards of the film crew's lunchboxes.

The lunchboxes in Hengdian were mostly very cheap.

Ten yuan per box was very common.

It depends on whether this film crew will provide meals. If they don't, many extras will have to pay for their own meals.]

But... this was the first time they had heard of a lunchbox that cost 30 yuan per box.

An actor had to eat three meals a day. An actor's daily food expenses were 90 yuan!

If they had to film for a month, it would be 2,700 yuan.

And this was only for one actor.

If there were a hundred extras, it would be 270,000!

This was only for actors. There were still many staff members in the film crew. All of them added up to 300 to 400 people, or maybe even 1,000 people.

When one was filming in a film crew, they had to buy a lot of mineral water themselves.

In the end, the film crew of the Legend of Sword and Fairy 3 provided free-flow mineral water.

Other than mineral water, there was also Coke, Sprite, and so on. These drinks were a blessing to many people.

If they were free-flow, their lives would be as easy as possible.

Who wouldn't like to see big stars every day, be able to film, and eat well?

Such treatment was much better than that of other film crews.

At least these extras had never enjoyed such treatment.

It was a hot day and they had to wear many clothes for filming. There was no equipment like an air conditioner or fan, so it was very hot.

The film crew of *The Legend of Sword and Fairy 3* made these extras feel a little warm.

When Lin Fan was recruiting people in Hengdian, Su Muqing was standing beside him.

When these extras saw how beautiful Su Muqing was, they could not bear to leave.

The female characters of *The Legend of Sword and Fairy 3* were all beautiful girls.

They were the kind of beautiful girls that one would rarely get to see.

"Such good conditions? Then I must go!"

"Lin Fan, can I ask how the treatment of the extras of *The Legend of Sword and Fairy 3* is?"

"With such good treatment, are you also very demanding? Is the kind of work you require us to do very tiring?"

Some of the extras from Hengdian asked. After all, they worked here, and most of them were very rational.

No matter how good the food was, it was just to improve the work experience.

What they cared about more was the salary they could get.

Lin Fan said, "Everyone, don't worry about money. The salary of the extras working in the Legend of Sword and Fairy 3 is more than five times that of other film crews. For example, if your daily salary as an extra is 120 yuan. In the Legend of Sword and Fairy 3's film crew, you would get 600 yuan."

"Of course, you will definitely be tired. With such good benefits, I have some expectations for everyone."

"The first requirement is to strictly follow the rules when filming. You can't have your phone on you, and you're not allowed to take out your phone when filming. Otherwise, it will delay the filming."

"Also, the extras have to have good acting skills as well. You are not here to freeload as an extra. Everyone knows that I also take on the role of director. If some extras have outstanding acting skills, I will personally invite you to join Jiaxing Entertainment and specially sign a contract to nurture you. The contract fee is at least 1 million a year."

"When you're working, you might be tired. You might film at night or get drenched in the rain. You can choose freely. If you give something, you get something."

"In addition, I have to tell everyone that everyone has at least three sets of clothes as an extra. We won't repeat your clothes every time we film, even if you're just a passerby."

After Lin Fan finished speaking, he could see that the extras' breathing had quickened.

What they valued more was that they could get four times more salary!

The salary for filming the Legend of Sword and Fairy 3 was five times that of other places!

As for being a little tired, no one cared.

Now that they were working in Hengdian, or even in society, how could they not be tired?

Wasn't it tiring to move bricks at a construction site?

The worst daily salary for being an extra was about 100 yuan. The better film crews paid 400 to 500 yuan a day.

In other words, these extras could earn at least 500 yuan a day and 1,000 to 2,000 yuan a day at most.

No film crew could compare to such treatment!

There were three sets of clothes for extras.

One could imagine how luxurious The Legend of Sword and Fairy 3's production team was.

No matter how tired they would be, it was worth it to get so much salary!

They came to Hengdian to be extras, so they were not afraid of being tired.

Since they would receive so much salary, they should make it worth it.

Other than working hard, they would also try their best to show off their acting skills.

What if Lin Fan chose them?

At that moment, all the extras present chose to sign up.

Such conditions were too tempting!

"The recruitment of extras will be completed today. The filming progress of The Legend of Sword and Fairy 3 is estimated to take more than a month. All the extras who join The Legend of Sword and Fairy 3 will receive a basic salary of 4,000 a month. Other salaries will be calculated separately."

"I also hope that everyone can act seriously together and perform every role well."

"I'm going to use all my effort to film the Legend of Sword and Fairy 3 well and make it the best Xianxia work in Chinese history!"

This was Lin Fan's confidence in filming this television drama.

He did not lack money.

Therefore, he had to use so much money to polish every detail of The Legend of Sword and Fairy 3!

Hearing Lin Fan's voice, all the extras were excited.

They became extras to make themselves shine.

They also hoped that they could stand in the middle of the stage and be seen by others.

Today, Lin Fan gave them a chance.

He also gave them very good benefits.

In the future, they would naturally make it up to Lin Fan and work even more seriously.

All the crew members had the same goal, which was to film this television drama well.

It was their honor to be an extra for Immortal Sword 3!

Chapter 323: Obtaining Tomson Riviera Villa!

A month later, the filming of the Legend of Sword and Fairy 3 officially ended.

Today was also the last day of Lin Fan's daily mission.

Lin Fan had already failed the daily mission last time. He definitely couldn't fail this time.

However, his wife would definitely not agree, so Lin Fan used a trick.

That was to... place his daily mission of touching her chest in the plot of the television series.

Of course, Lin Fan only touched her slightly. His palm would still be on Xia Wanqiu's waist.

This was what Lin Fan thought. When the drama started filming, it shouldn't be a problem to put his hands on her chest for a while.

Xia Wanqiu couldn't possibly scold him in front of so many people.

The main thing was that if he did not complete the mission, Lin Fan's happiness for the rest of his life would be completely gone.

Who could withstand such a punishment of permanent impotence?

Today was also the last day of filming. No matter what, he had to complete this mission.

While he was deep in thought, he heard meowing behind him.

He turned around and saw Xia Wanqiu.

Xia Wanqiu was dressed in ancient clothes and played a lively girl. She was still so beautiful.

"Meow, meow, meow?" Xia Wanqiu looked at Lin Fan with her beautiful eyes and blinked.

"Wanqiu, can I do this when we're filming later?" Lin Fan asked as he gently placed his palm on a certain spot on Xia Wanqiu's clothes.

Xia Wanqiu blushed and took a step back. She looked at Lin Fan with her beautiful eyes. "No, bad person. Even if we're filming, you can't bully me."

The place Lin Fan had touched... was clearly her chest.

She and Lin Fan were not married yet.

Lin Fan smiled and walked forward to pat Xia Wanqiu's head gently. "I won't bully you. When can I marry you?"

Xia Wanqiu looked up and smiled sweetly. "Oh, there are only two months left."

"Let's go film." Lin Fan placed his hand on Xia Wanqiu's waist and hugged her as they headed to the filming location.

"Mm ~" Xia Wanqiu nodded and let Lin Fan hug her waist.

In the past, their public displays of affection were limited to just holding hands.

It was different now. It had progressed to Xia Wanqiu allowing Lin Fan to hug her waist.

Most importantly, Xia Wanqiu had a slender waist and a perfect figure. Anyone would want to hug such a beautiful cat.

Not only was Lin Fan showing off his love, but he was also showing off his love so openly.

Many actors liked Xia Wanqiu, especially male actors. All of them liked Xia Wanqiu.

Men were naturally attracted to beautiful women unless there was something physically and psychologically wrong with them.

Especially a girl like Xia Wanqiu. She was cute, beautiful, gentle, and pure.

Moreover, Xia Wanqiu did not reject Lin Fan.

She usually only meowed in front of Lin Fan.

This was a unique way for a girl to wheedle. When she treated Lin Fan like this, no one knew how envious everyone else was.

When Lin Fan and Xia Wanqiu walked out together, many actors could not help but be stunned.

"I don't know why, but I'm envious."

“Ahhh, who shows off their love and affection like that?”

“My goddess is being hugged by Lin Fan. He’s just hugging her like that...”

“They’re already so close. They don’t even hold hands anymore. Lin Fan just wraps his arms around Xia Wanqiu’s waist...”

Then it was time to film.

While filming, there were many people watching.

Lin Fan placed his hand gently on Xia Wanqiu’s waist. His hands slowly moved up and touched her chest.

As long as he touched this place for 30 seconds, he would be able to get the red packet.

When he touched the red packet, Xia Wanqiu looked at Lin Fan with her beautiful eyes. She did not speak, but the redness on her cheeks was obvious.

One second, two...

Time was ticking away.

The surrounding actors were completely stunned when they saw Lin Fan and Xia Wanqiu filming together.

They saw Lin Fan’s hand. Then everyone went a little crazy.

“Ahhh, look at Lin Fan’s hand. Although he didn’t do it on purpose, he seems to have touched Xia Wanqiu’s...”

“I’m envious... Why didn’t Xia Wanqiu resist at all?”

“Xia Wanqiu is Lin Fan’s girlfriend. Their relationship is really good.”

“I can’t take it anymore. I’m going to the bathroom.”

“Dude, wait for me. I need to go to the bathroom too.”

“Why did Lin Fan do it directly in front of so many of us? What should I do in the future?”

....

After filming all the plots, the filming of The Legend of Sword and Fairy 3 officially ended.

The system’s voice sounded. Lin Fan had completed his daily mission and obtained a Tomson Riviera villa worth 300 million yuan!

After receiving the 300-million -yuan villa, Lin Fan finally smiled.

At least he had saved the happiness of the rest of his life. Although he hadn’t touched all of it yet, Lin Fan felt that... it felt really good.

However, at least he had completed his daily mission and could obtain a brand new villa.

Moreover, the villa was the most famous in Shanghai.

Tomson Riviera!

These words alone were enough to stun countless people!

A Tomson Riviera villa was a symbol of status and identity!

This was because it was not so easy to obtain a Tomson Riviera villa.

Even rich people might not be able to buy a Tomson Riviera villa.

Because the villas there were not for sale.

In addition to being rich, one also had to have status if they wanted to buy a Tomson Riviera villa.

Therefore, those rich people could only come to Tomson Riviera to rent a house at a high rent.

And the real landlord would never lose money.

After completing the filming of *The Legend of Sword and Fairy 3*, the production team officially called it a wrap.

At the wrap party, Lin Fan cooked a feast.

Xia Wanqiu, Su Xiaoyu, Lin Jingjing, Lin Kexin, Xu Yang, and the others all attended this banquet.

Even the main actor, Pang Duoduo, was lucky enough to sit with Xu Yang.

He was originally an ordinary little actor, but because of his figure and acting skills, he was placed in an important position by Lin Fan and could sit and eat with him.

Moreover, he could see great beauties like Su Xiaoyu, Lin Kexin, and Xia Wanqiu.

Lu Benkai, Liu Mou, and the others from the director team were also waiting for Lin Fan's feast.

"Why do you all look so excited? Although I want to eat a big feast too. Hehe, I'm used to big feasts these days," said Pang Duoduo.

After eating feasts for a month, no matter how delicious it was, Pang Duoduo was used to the taste and naturally did not have that much anticipation.

"No, because today's feast is special." Xu Yang smiled.

“How is it special, Brother Yang?” Pang Duoduo asked, puzzled.

“Because... Lin Fan made today’s feast.” Xu Yang smiled.

As soon as Xu Yang finished speaking, many celebrities present could not take it anymore.

At the mention of Lin Fan’s feast, many people were a little excited.

Being able to eat one of Lin Fan’s feasts was harder than ascending to heaven.

Because... the person who made the feast was Lin Fan!

Lin Fan’s cooking level was even higher than a five-star hotel’s chef!

Chapter 324: Why Is Brother Fan’s Feast So Delicious!

“What’s so special about Brother Fan’s cooking? Does Brother Fan know how to cook as well?” Pang Duoduo asked. After filming for a month, he and Lin Fan had a good relationship.

“It’s precisely because Master’s cooking is too special.”

“You’ll know in a while.” Su Xiaoyu smiled sweetly.

“Older Sister Xiaoyu...” Pang Duoduo looked straight at Su Xiaoyu.

“I’m younger than you ~” Su Xiaoyu said. “Hmph, I’m only 18 years old. You’re already in your twenties.”

“Huh? Eighteen?” Pang Duoduo looked at Su Xiaoyu. “Seems like it. Older Sister Xiaoyu is so young and beautiful.”

“Older Sister Xiaoyu, can we add each other on WeChat?” Pang Duoduo asked again.

It was mainly because Pang Duoduo liked Su Xiaoyu too much.

Su Xiaoyu was so cute and beautiful, especially when she wore a white dress. She looked like a girl from school. Sweet, cute, and pure.

Her long, straight black hair added to her aura.

Su Xiaoyu was usually very cute, and Pang Duoduo had already fallen for her.

That was why he wanted Su Xiaoyu's WeChat.

This liking wasn't romantic. It was pure admiration.

"No, no~" Su Xiaoyu said. "Don't ask me for my WeChat again. Well... unless Master agrees, then I'll give it to you."

She could only give him her WeChat when Lin Fan agreed.

Pang Duoduo seemed to understand something.

For some reason, he felt that the melon seeds he ate were a little bitter.

Lin Fan and Su Xiaoyu... What was their relationship?

Pang Duoduo only saw that Su Xiaoyu and Lin Fan had a very good relationship, but not to this extent.

"But Brother Fan said to ask for your opinion," said Pang Duoduo.

"My opinion is not to give it to you~ Anyway, if there's anything in the future, you can contact Master and we can meet in the company." Su Xiaoyu giggled.

Other than chatting with Lin Fan, she usually didn't like going on WeChat.

"What about Sister Xin?" Pang Duoduo looked at Lin Kexin.

“Sure, it’s just adding each other on WeChat. Here.” Lin Kexin took out her phone and looked at Pang Duoduo, finding him a little cute.

“Sister Xin is the best.” Pang Duoduo chuckled. “Is Brother Fan’s feast really that good?”

“You’ll know after eating it. It’s not very delicious, it’s extremely delicious!” Lin Kexin said.

“Sister Wanqiu, can I add you on WeChat too?” Pang Duoduo looked at Xia Wanqiu.

Xu Yang also looked at Xia Wanqiu.

It had been so long, but he had not added Xia Wanqiu on WeChat.

He had never found a chance to.

Xia Wanqiu used the excuse of not using WeChat to reject him.

Xia Wanqiu smiled gently. “Yes, sure.”

She was just adding him on WeChat. It was fine to talk about normal work. If it had nothing to do with work, she would not reply to these messages.

Every girl and boy present was Pang Duoduo’s idol.

Pang Duoduo wished he could add all these people on WeChat.

“Hahahahaha, oh yeah! I finally have my goddess’s WeChat!” Pang Duoduo said happily.

Then, Pang Duoduo opened Xia Wanqiu’s Moments.

Pang Duoduo was dumbfounded.

Why... were there all photos of Xia Wanqiu and Lin Fan together?

And pictures of kittens.

As for other stuff, there was nothing at all.

With Xia Wanqiu's WeChat, Pang Duoduo felt like he was stuffed with dog food.

Lin Fan and Xia Wanqiu were simply a model couple.

Who wouldn't envy such a relationship?

Xu Yang was also dumbfounded.

Xu Yang was speechless.

He felt as if he had been greatly hurt.

Xu Yang had yet to add Xia Wanqiu on WeChat.

In the end, Pang Duoduo added her first.

He was also quite handsome. Why was he so miserable?

In the past, he had been fed dog food by Lin Fan and Xia Wanqiu. Now, he was still hurt.

At that moment, Lin Fan came out.

Xia Wanqiu looked at Lin Fan with her beautiful eyes. "I added Pang Duoduo on WeChat just now~"

"Mm, you don't have to tell me. You can add whoever you want. It's all your decision." Lin Fan smiled and held Xia Wanqiu's hand.

“Here, I’ll let you check my phone~” Xia Wanqiu said and placed her phone in front of Lin Fan.

“There’s no need to check. I trust my wife.” Lin Fan smiled.

Not to mention that Pang Duoduo was a little cute and honest, even if he was a handsome man, Lin Fan didn’t care.

Xia Wanqiu was his girlfriend. Lin Fan trusted Xia Wanqiu implicitly.

“Pang Duoduo, I’ve created a group. They’re all big celebrities. You can join if you want to. You can add whoever you want on WeChat.” Lin Fan smiled and patted Pang Duoduo’s shoulder.

The main reason was that Pang Duoduo also had potential. He was already an artiste under Jiaxing Entertainment. If nothing went wrong, Pang Duoduo would be very popular when the third season of the Legend of the Sword and Fairy was released.

“Brother Fan, you’re so nice. When can we have a feast?” Pang Duoduo asked, almost drooling.

Everyone said that Lin Fan’s feast was delicious, but Pang Duoduo still didn’t know how good Lin Fan’s feast was.

“You can now. Serve the food,” Lin Fan said.

At this moment, the waiters all came out.

It was filled with the feast that Lin Fan had prepared.

Of course, they were all home-cooked dishes.

Potatoes stewed with mushrooms, braised carp, fish soup, mashed potatoes with tomatoes, dumplings, chicken wings, grilled fish, dried potato slices, stir-fried shredded potatoes, fish-flavored shredded pork, and vegetables.

The main course was lobsters, and even the rice was prepared by Lin Fan.

Making those big meals took too much time, so Lin Fan made simple home-cooked dishes.

It was these home-cooked dishes that made everyone's eyes change when they smelled them.

Just the smell of the feast was enough to make them want more.

"No way... What kind of divine smell is this? I can already smell roasted chicken, fish, braised pork, and lobsters!!!" Pang Duoduo exclaimed, his gaze changing.

"Why is it that just the smell... is already so good?" Pang Duoduo was already losing his patience.

As he put the dishes on his plate, Pang Duoduo took a bite. A refreshing sensation went down his throat.

"Delicious, it's too delicious... How did Brother Fan make such a delicious feast? After peeling off the shell, the meat inside this lobster is tender and delicious, and the gravy is just right," Pang Duoduo said excitedly as he ate.

When it came to rice, Pang Duoduo stood up.

"Brother Fan, I'm crying. Why, why can someone make rice to this extent? It's very soft and delicious. It's completely different from the rice I usually eat!" said Pang Duoduo.

"Because Master is a big chef. He's amazing." Su Xiaoyu held a lobster in her left hand and a drumstick in her right. She was just a little foodie.

"Brother Fan, please accept me as your disciple. I've never eaten such a delicious meal in my life," Pang Duoduo said as he ate. After joining Jiaying Entertainment, he felt that his entire life had brightened up.

This feast made Pang Duoduo experience what it meant to be a Master Chef.

Lin Fan could make even home-cooked dishes this delicious.

Even the simplest thing like rice was perfect and had a unique texture.

“That’s right, that’s right. Master, your feast is still so delicious,” Su Xiaoyu said.

“Yes, yes, yes. He could have relied on his face to make a living, but he became an actor and director and even opened his own company. That’s fine, but this is the first time I’ve seen someone who can cook so well.” Xu Yang praised.

“Of course. Boss Lin’s feast can’t be bought with money!” Lu Benkai said.

“Yes, yes, yes, yes. Lin Fan’s food is the best~~” Lin Jingjing nodded.

“I want braised carp!!” After Pang Duoduo finished his lobster, he looked at the braised carp.

Some people were amazed by how delicious Lin Fan’s food was.

Some were taking pictures to post on their Moments.

Some were helping their girlfriends peel lobsters.

And the smart one, Xia Wanqiu, had already eaten half of the braised carp.

The other half was now in her bowl.

Who asked her boyfriend, Lin Fan, to make such delicious braised carp?

Her favorite food was braised carp.

Pang Duoduo, Xu Yang, and the others watched Xia Wanqiu eat the braised carp alone in silence.

Everyone was angry but did not dare to say anything.

They had yet to eat the braised carp and it was all Xia Wanqiu’s.

No one dared to be angry.

Other than being a superstar, Xia Wanqiu was also Lin Fan's girlfriend.
