

## **I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 330-334**

### **Chapter 330: One Billion Credited To His Account, Lin Fan Is Rich!**

Of course, in the face of many television stations coming to buy the rights to the rerun of The Legend of Sword and Fairy 3, Lin Fan would not refuse.

Not only could the reruns increase the popularity of the television series, but the television stations could also make a profit. Lin Fan could also make money.

It was killing three birds with one stone.

“Boss Lin, I’m the manager of MangoTV. I want to buy the rerun rights for your The Legend of Sword and Fairy 3. How much do you think is suitable?” The manager of MangoTV was apologetic and sincere.

“Fifty million a year,” Lin Fan said. He had no intention of negotiating.

If he were to negotiate with Zhejiang Television, the price could be reduced a little. After all, Zhejiang Television was buying the rerun rights for ten years.

When talking to these television stations, Lin Fan would not lower his standards.

There was no shortage of television stations that wanted to buy rerun rights now.

The popularity of The Legend of Sword and Fairy 3 would definitely attract many television stations to buy the rights to rerun it.

“Boss Lin... this price is a little expensive,” the manager of MangoTV said.

“Xiaoyu, see him out,” Lin Fan said, looking at Su Xiaoyu.

Su Muqing and Lin Qianwei were both busy, so Lin Fan could only pull Su Xiaoyu over at the last minute.

“Please~” Su Xiaoyu reached out her hand and looked at the manager of MangoTV.

“Boss Lin, no, this price is acceptable.”

“We’re buying the rerun rights for three years for a hundred and fifty million. Is that okay with you?” said the manager of MangoTV.

“Sure.” Lin Fan nodded and took out the contract.

The manager of MangoTV quickly signed the contract. He didn’t dare to not sign it.

This time, the company had issued a death order. As long as Lin Fan’s price wasn’t too ridiculous, they had to buy the rerun rights to The Legend of Sword and Fairy 3.

The competition between television stations was also very intense. By buying the rerun rights for The Legend of Sword and Fairy 3, they could attract the attention of the audience.

A hundred and fifty million was an expensive price, but still acceptable.

After the manager of MangoTV left, Su Xiaoyu blinked and looked at Lin Fan. She said in a low voice, “Master is really good at earning money ~ 150 million yuan in one go.”

Seeing Su Xiaoyu say this, Lin Fan smiled and said, “How can this be earning 150 million yuan in one go? This is also the result of our hard work for so long.”

“Even if we’re talking about earning money, Xiaoyu, you’re so smart and a business genius. I don’t know how much money you can earn in minutes.” Lin Fan sighed.

In terms of earning money, who could compare to Su Xiaoyu?

If you gave Su Xiaoyu a large sum of money, she could conjure up a gold mine for you.

Even though Su Xiaoyu was no longer in the business world, Lin Fan knew her capabilities.

The system only gave Lin Fan 40 points in business ability, which was less than 1% of Su Xiaoyu’s. Su Xiaoyu had more than 4,000 points in business ability, which was not something ordinary people could compare to.

“Master, you know everything.” Su Xiaoyu looked at Lin Fan.

“Yes, I know everything.” Lin Fan nodded.

“I’m sorry. I shouldn’t have kept it from you.” Su Xiaoyu felt wronged.

“Why are you apologizing? Xiaoyu is so powerful. If I go bankrupt in the future, I’ll have to rely on you.” Lin Fan laughed.

“Actually, you can rely on me now,” Su Xiaoyu said, blushing.

“If you say something like that, I might not be able to resist it and XXX you,” Lin Fan teased.

“Ahwooh, it’s not like you can’t~” Su Xiaoyu’s face turned even redder. After saying that, she realized that she had said something wrong.

If that was the case, she would be beaten to death by Sister Wanqiu.

“Child, don’t let your imagination run wild.” Lin Fan stood up and knocked on her head.

“Master, it hurts.” Su Xiaoyu felt even more aggrieved.

“You know it hurts huh. Go home, reflect on yourself, and stop wearing such short pants,” Lin Fan said.

For some reason, after interacting with Su Xiaoyu for a long time, even Lin Fan did not realize that Su Xiaoyu was wearing shorts. He was a little unhappy.

Men knew men best, especially a beautiful woman like Su Xiaoyu. Who could resist her?

“Master, are you jealous?” Su Xiaoyu stood in front of Lin Fan and smiled sweetly. “Then I’ll only wear it at home in the future ~”

“Go away and go home early,” Lin Fan said.

“No ~ I’ll get off work with Sister Wanqiu later.” Su Xiaoyu giggled and sat down again. She found a blanket and covered her long legs.

Hearing Lin Fan say this, Su Xiaoyu felt a little happy.

So her master had feelings for her after all.

So Master was also a normal man.

Although she knew she could never be with him, it was enough to work and live with him.

...

That night, Lin Fan worked until midnight, signing contracts with eighteen television stations.

Most stations had only bought one year of rerun rights.

Even so, Lin Fan had earned a total of 1.3 billion yuan!

In one night, he had earned 1.3 billion yuan!

He could earn so much money with a popular television drama.

Including the 300 million from the premiere rights, he earned a total of 1.6 billion!

Putting aside the cost of filming the television drama, the net profit was still a billion yuan!

On the other hand, filming the television series only took a month. Although it was extremely tough and the days and nights were reversed, the good thing was that they made a lot of money in the end.

There was less than two months before he had to meet Xia Wanqiu’s father. Lin Fan had also shown his results and proved his ability!

When it was time to get off work, Su Xiaoyu was already asleep beside Lin Fan.

Only Lin Fan, Su Xiaoyu, and Xia Wanqiu were left in the company.

“Time to go home, Xiaoyu,” Lin Fan said, patting her shoulder.

“Oh, I know. Master, how much money did you earn?” Su Xiaoyu asked curiously.

Xia Wanqiu walked in too. She meowed and looked at him as she strode over with her long legs.

Lin Fan looked around. Good lord, Xia Wanqiu had already changed into shorts before she even got home.

She was going to torture him.

It was painful to look but not eat.

Xia Wanqiu and Su Xiaoyu had long, fair, and slender legs, and they were also very good-looking. It was too difficult to resist them in the middle of the night.

“The rerun rights were sold for a total of 1.3 billion yuan. Including the 300 million yuan for the premiere rights, after deducting the cost, I still earned a billion yuan in profit.” Lin Fan smiled.

“A billion!!” Xia Wanqiu looked at Lin Fan in disbelief.

A billion... that was a fortune many dreamed of.

It was a wealth that many people would never earn in their entire lives.

Lin Fan had earned a billion dollars so quickly.

That’s... ridiculous.

One had to know that the subsequent copyright income, advertising income, and dividends from The Legend of Sword and Fairy 3 had yet to be calculated.

Just the broadcast rights alone had already sold for so much money.

Xia Wanqiu said, feeling happy for Lin Fan.

Lin Fan had already opened a company. Now, her savings could not compare to Lin Fan's.

"Wanqiu." Lin Fan smiled and walked forward to hold Xia Wanqiu's hand.

"Ah... shameless!"

"Stupid Lin Fan!" Xia Wanqiu blushed and instantly understood what Lin Fan meant.

"That's right, that's right. Master only knows how to bully people. Hmph, I'm ignoring you." Su Xiaoyu pulled Xia Wanqiu and the two girls jogged.

Who asked Lin Fan to be so seductive late at night?

Not only was he flirting, but he was also bullying them.

Seeing how close Xia Wanqiu and Su Xiaoyu were, Lin Fan could only shake his head.

Isn't it only right to bully your girlfriend?

Lin Fan looked at the savings in his bank account and smiled.

1.3 billion... had been credited to his account!

He was really rich now!

A television drama could earn him a billion yuan. Who else could do that?!

### **Chapter 331: Best Actor of the Year, Lin Fan!**

November 18th.

Zhejiang Television's annual gala.

As the annual gala, Zhejiang Television would invite famous celebrities every year.

And this gala would be a real visual feast.

It had been a month since the premiere of *The Legend of Sword and Fairy 3*.

Lin Fan was only a month away from seeing Xia Wanqiu's father.

The third season of the *Legend of Sword and Fairy* was also over.

The viewership ratings of this television drama broke through to 8%!

In the history of China, it was the first TV series to break the 8% record of viewership ratings!

*The Legend of Sword and Fairy 3* had really gone viral throughout the entire Internet!

Today, the live broadcast of Zhejiang Television's gala attracted the anticipation of countless fans.

The venue was brightly lit, and they even invited a famous host in the industry, He Ling.

"I heard that all the stars of the *Legend of Sword and Fairy 3* were invited to tonight's gala!"

"Doesn't that mean that celebrities like Xia Wanqiu, Su Xiaoyu, Xu Yang, Lin Kexin, and Lin Fan will all come here?"

"That's right, then I can see Lin Fan!!"

“Ahhh, the main thing about The Legend of Sword and Fairy 3 is that it’s so good. It’s finally not as tragic as the first one, but it’s still a super good show.”

“In the end, Lin Fan and Xia Wanqiu hugged each other as the finale. They really look so blissful. They’re also a couple in real life. Such feelings are really super sweet.”

“I might be able to see my idol Lin Fan today. Without Lin Fan, they wouldn’t be able to film such a good television drama like The Legend of Sword and Fairy 3!”

“Maybe Lin Fan will perform when he appears. I remember that Lin Fan’s singing is super good!!”

....

At the venue of the gala, there were huge LED screens and flashing lights and a marble floor.

And there was a solemn and grand venue where all the celebrities were invited.

Outside, countless fans were cheering for their beloved idols.

The host, He Ling, stood on stage and announced various winners of various awards.

He Ling looked at the audience and smiled. “Everyone, Zhejiang Television has all kinds of outstanding television dramas this year.”

“And now we’re going to reveal to you the name of the TV series of the year.”

“It attracted tens of millions of viewers, set a record in the industry, and set a viewership rating of eight percent. It became the only TV series in Chinese history with a viewership rating of more than eight percent.”

“It became a classic and attracted the hearts of countless viewers. The acting of the main characters in this television series, the acting of the supporting characters, the production of special effects, the production of graphics, and the production of details, each of them represents the highest level in China!”

“Such a TV series became a classic Chinese Xianxia drama.”

“Next, we will reveal the name of this television series!”

“Its name is...”

“The Legend of Sword and Fairy 3!”

The moment the host, He Ling, finished speaking.

Swoosh!

The entire stage instantly turned black.

Huge LED lights flickered out.

It was an image of The Legend of Sword and Fairy 3. The scene was perfect!

The lights flashed and the image froze on six large words.

The Legend of Sword and Fairy 3!

Boom!

This was followed by screams, cheers, and shouts from countless spectators.

Outside the venue, many of the audience members’ eyes turned red.

Many of the audience were filled with joy and screaming wildly.

The decibels on the live broadcast continued to rise.

The fans were shouting.

The staff of Jiaying Entertainment were also shouting!

TV Series of the Year, the Legend of Sword and Fairy 3!

They... did it!

“Next, I’ll announce the names of the Best Actresses of the Year...”

“Xia Wanqiu!!”

“Su Xiaoyu!!”

“The names of the Best Supporting Actresses of the Year: Lin Kexin, Lin Jingjing!”

“Newcomer of the Year: Pang Duoduo!”

“Let us welcome these people onto the stage!!!” He Ling’s excited voice sounded.

Offstage, cheers and screams erupted.

Xia Wanqiu and Su Xiaoyu had won the Best Actress Award.

China produced many television dramas every year. Xia Wanqiu and Su Xiaoyu obtained the recognition of the audience and all the fans!

The fans below the stage were even more tearful.

The big stars they liked had finally achieved such a supreme honor!

“Tell me your thoughts in turn.” He Ling handed the microphone to Su Xiaoyu.

All eyes were on Su Xiaoyu.

Su Xiaoyu was even more beautiful than usual in her evening gown.

In the past, Su Xiaoyu was cute, innocent, and beautiful.

Today, Su Xiaoyu was like a true goddess. Her temperament was unique, and her long black hair was still pure and flawless.

Now she stood on the stage, shining.

With a little makeup on, she was even more devastatingly beautiful.

Lin Fan felt happy that such a girl was standing on the stage.

In the past, although Su Xiaoyu was a big celebrity, she did not have many fans.

And today, Su Xiaoyu’s fans had already reached 80 million.

“For me to be able to have such results today, it’s all thanks to Lin Fan. Without him, Xiaoyu wouldn’t be here today~~”

“Lin Fan, thank you ~” Su Xiaoyu looked at Lin Fan and smiled sweetly.

A simple smile melted the hearts of countless fans.

Lin Fan looked at Su Xiaoyu and smiled brightly as well.

Xia Wanqiu also smiled faintly and took the microphone. “Everyone knows that Lin Fan is my boyfriend ~”

As soon as she finished speaking, the audience cheered enthusiastically again.

Xia Wanqiu took the initiative to say that Lin Fan was her boyfriend.

“With Lin Fan around, I can complete my dream and film so many good dramas. He’s my support and my pillar~~”

This simple sentence made Lin Fan smile.

...

“Do I have to speak too?” Pang Duoduo held the microphone for the first time and was a little nervous.

“Since you gave me such a chance to speak, I have to thank Brother Fan especially. In the past, I was just an ordinary little actor. Brother Fan gave me a chance, which was equivalent to giving me a brand new life!”

“Brother Fan... is my idol!”

Pang Duoduo bowed to Lin Fan gratefully.

After Pang Duoduo finished speaking, they returned to their seats.

At this moment, He Ling’s voice sounded.

“Everyone, let’s announce the candidates for the best male lead of 2020...”

“Lin Fan!”

“The name of the screenwriter of the year is...”

“Lin Fan!!”

“The name of the director of the year is also... Lin Fan!!!”

“Lin Fan represents the highest level of television in China!!!”

As soon as He Ling finished speaking,

All the lights shone on Lin Fan.

Lin Fan became the center of attention.

The fans present cheered and screamed. The livestream exploded. Countless comments filled the screen and Lin Fan’s name sounded throughout the venue.

A handsome figure appeared on the huge LED screen.

Lin Fan!!!

### **Chapter 332: The Centre of Attention, Lin Fan!**

“Lin Fan!”

“Lin Fan!!!”

“Lin Fan!!!”

“Oh my god, Lin Fan is wearing a suit and did his hair today. How can my Prince Charming be so handsome!”

“Not only is he handsome, but his figure is also amazing. Look at Lin Fan’s skin. I love it!!!”

“I want to have children with Lin Fan. How can there be such a handsome person? He can clearly rely on his looks to make a living but he wants to rely on his strength. The key is that Lin Fan is so powerful.”

“I’m impressed by Lin Fan’s talent. He’s my Prince Charming. He’ll always be my Prince Charming!”

“Lin Fan, Best Actor, Best Director, Best Screenwriter!”

“This is the first time I’ve seen someone receive three awards at once. In the history of China, this is probably the first time.”

“There aren’t many talents in the entertainment industry who can direct, act, and write scripts themselves. Lin Fan is really too awesome.”

Countless lights shone on Lin Fan.

Lin Fan walked towards the podium.

The current Lin Fan was the center of attention!

Whether it was the audience in front of the television or the audience present, they were all looking at Lin Fan expectantly.

Lin Fan took the microphone and smiled.

At this moment, Lin Fan was the center of attention.

“The fact that the Legend of Sword and Fairy 3 can become popular is also thanks to everyone in the company and all the actors in the film crew. Today’s results would not have been possible without everyone’s efforts.”

“Xiaoyu, thank you. Without you, I wouldn’t have been able to reach where I am today.”

“Wanqiu, you’re my girlfriend. It’s all thanks to you that I can stand in this position in the entertainment industry.”

“The future is still long. Thank you, fans, for your support.” Lin Fan smiled and looked at Xia Wanqiu and Su Xiaoyu.

Without either of these two girls, Lin Fan might not have reached where he was today.

Lin Fan was lucky to have them.

“I was able to get to where I am today because of all the fans who support me.”

“I want to take this opportunity to sing a song to my fans today.”

“The name of the song is ‘Dancing with Your Ghost’. I hope everyone will like it.” Lin Fan smiled.

Whether it was the first and second seasons of Joy of Life or the first and third seasons of Immortal Sword, they could achieve such great success not only because of Lin Fan’s effort but also because of the fans’ support.

Today was the live broadcast of Zhejiang Television’s gala.

Then... he would sing a song here for all the fans.

Lin Fan knew that his fans liked to listen to his songs the most.

When they heard that Lin Fan was going to sing,

Other than the organizers and host, He Ling, who were calmer, all the fans were cheering loudly.

Even the celebrities looked at Lin Fan on stage in disbelief and applauded vigorously.

Su Xiaoyu stood up excitedly and looked at Lin Fan.

The celebrities of Jiaxing Entertainment were the same.

In reality, even Xia Wanqiu and Su Xiaoyu rarely listened to Lin Fan sing.

Lin Fan’s singing was too good.

Even Xia Wanqiu and Su Xiaoyu liked to listen to Lin Fan's singing, but they never had the chance to.

Today was just an award ceremony.

Who would have thought that there would be such an event?

Lin Fan was going to sing!

Listening to Lin Fan sing was like hearing a heavenly voice.

Furthermore, they were listening to Lin Fan's latest song.

It was a song that even Xia Wanqiu and Su Xiaoyu had never heard.

"Ah ah ah, my brother is going to sing!!" Lin Yushi, who was in Beijing, looked at the television excitedly.

"Really? Really? Lin Fan is really going to sing? Why is it so sudden? Luckily, I'm watching the livestream. I can't miss Lin Fan singing," Lin Yushi's roommates said.

"Of course. My brother sings very well. When I have time, I must go to my brother's concert!" Lin Yushi giggled.

The crowd was cheering Lin Fan's name.

Many celebrities couldn't help but look at Lin Fan.

They knew the charm of Lin Fan's voice.

They also knew how good Lin Fan's singing was.

"Lin Fan actually wants to sing here. Why didn't I receive such a notice?"

“It doesn’t matter. It’s enough to hear Lin Fan sing. Did you guys hear that? Lin Fan released another original song!”

“It’s even an English song. Oh my god. Does Lin Fan also know how to sing English songs?”

“Other than being an actor, singing is Lin Fan’s forte!”

There was no need to mention the comments. When the fans knew that Lin Fan was going to sing, the comments in the livestream had already exploded!

[66666666666666666666]

[He’s really going to sing. I can hear Lin Fan’s songs again!]

[Dancing with Your Ghost, this is the first time I can hear Lin Fan’s English song!]

[Lin Fan is the most handsome! The singing Lin Fan is even more handsome!!]

The lights in the venue turned dark.

The livestream turned pitch black.

A moment later.

Swoosh!

Countless lights lit up at the same time!

All the lights shone on the center of the stage.

All the glory was on Lin Fan alone.

At the same time, four huge LED screens appeared in the venue of Zhejiang TV’s gala!

They were all the latest LED screens and were filled with colors.

The four huge screens were all showing Lin Fan.

Today's stage was built for Lin Fan!

If the previous award ceremony was just an opening ceremony,

Now, Lin Fan's singing had truly pushed the event to its climax.

There was a sea of people shouting Lin Fan's name.

A unique melody sounded. Lin Fan held the microphone and looked at everyone present.

Countless fans held glow sticks in their hands and shouted for Lin Fan.

This was the live broadcast of Zhejiang TV. It became Lin Fan's solo stage. It was like a grand concert!

Accompanied by a pleasant melody, when Lin Fan's voice rang out,

The fans present could not help but fall silent.

No one had heard this song before.

It was also Lin Fan's third original song!

Every original song of Lin Fan's had already become popular.

Whether it was "Love Confession" or "My Old Deskmate", they had already become popular online.

Today was the third song!

Lin Fan picked up the microphone and immersed himself in the song.

[Yelling at the sky

Screaming at the world

Baby, why'd you go away?

I'm still your girl.]

Just as Lin Fan's voice rang out,

All the fans and celebrities present stood up.

They stood up on the spot!

The fans holding light sticks forgot to wave them.

The celebrities who were originally chatting and laughing looked at Lin Fan, who was on stage, in a daze.

The staff's gazes stopped on Lin Fan.

The students far away at Jinhua University in Beijing forgot what they were doing and looked at Lin Fan.

Everyone couldn't help but look at Lin Fan.

They... heard a truly heavenly voice!

Why could someone who sings so well in Chinese sing so well in English too!!!

**Chapter 333: Tonight Is Destined To Be An Auditory Feast!**

“Boohoo, how can Master sing so well? My ears are pregnant,” Su Xiaoyu said excitedly as she waved her light stick vigorously.

She was a fanatical fan of Lin Fan. Seeing the person she liked sing such a nice song, she was extremely happy.

“Lin Fan’s voice is really... extraordinary.” Xia Wanqiu closed her eyes and quietly enjoyed this beautiful moment.

“I’m impressed. Lin Fan can sing even English songs so well. Although I don’t understand English, Lin Fan... is awesome!” Xu Yang gave a thumbs up.

“Hmph, Lin Fan is so good at singing. I must drag Lin Fan to my concert ~” Lin Jingjing looked at Lin Fan like she was a fan of him.

Seeing that his girlfriend liked Lin Fan so much, Xu Yang sighed.

He could not do anything.

Who asked Lin Fan to be so outstanding?

He was a man and could not take it anymore.

Furthermore, Lin Jingjing was a girl. Who could withstand Lin Fan’s singing?

“My Prince Charming... Is his singing really that of an ordinary person?”

“It’s still so nice. His English songs are also so nice.”

“I’ve already completely fallen in love with Lin Fan. My Prince Charming’s singing will always be so unique. It’s even better than those big singers’ singing!”

“66666666, I can listen to this song on repeat again. Although I don’t understand what Lin Fan is singing, I love Lin Fan’s songs too much!”

All the fans were shouting.

Some people were born to sing and could attract everyone.

Lin Fan’s emotions were all invested in this song.

Even his eyes were filled with tears.

He was a singer and a celebrity.

When Lin Fan was filming the Legend of Sword and Fairy 3, he found out that his favorite NBA superstar had died. He fell silent and specially wrote this song.

He wanted to tell his fans to cherish the people in front of them and the people around them.

Lin Fan started to shout.

All his emotions were injected into the song.

[I STAY UP ALL NIGHT

TELL MYSELF I’M ALRIGHT

BABY, YOU’RE JUST HARDER TO SEE THAN MOST

I PUT THE RECORD ON

WAIT ‘TIL I HEAR OUR SONG

EVERY NIGHT I’M DANCING WITH YOUR GHOST

EVERY NIGHT I'M DANCING WITH YOUR GHOST

NEVER GOT THE CHANCE

TO SAY A LAST GOODBYE]

Lin Fan sang to the climax.

All his singing and emotions exploded completely.

All the fans present were immersed in Lin Fan's voice.

Some fans' eyes were moist as tears fell.

Some fans looked at Lin Fan silently with red eyes.

Many celebrities looked at Lin Fan, feeling a little down.

After Lin Fan finished singing,

He started singing a second time.

They listened to the song for the second time.

The celebrities present couldn't help but hum along with Lin Fan.

His perfect voice, the English lyrics, and Lin Fan's devotion to singing made everyone, be it the live audience or the people in front of the television, cry.

Lin Fan's song moved everyone present.

Lin Fan's singing touched everyone.

This was Lin Fan, and it was also a song that Lin Fan brought to all his fans.

Lin Fan closed his eyes and his voice gradually calmed down. "How do I love, how do I love again?"

How do I trust, how do I trust again?"

Even though Lin Fan had sung the same lyrics twice in a row, the second time and the first time were completely different.

His voice became even deeper until it gradually dissipated, and his explosive emotions were restrained at the last moment.

In the end, Lin Fan's singing gradually subsided.

It was just a simple song, but Lin Fan's singing touched countless people and made countless people cry.

The crowd calmed down and Lin Fan's figure gradually disappeared from the stage.

The fans and celebrities present were still immersed in that world.

There were already tens of thousands of fans present.

Everyone was silent. No one spoke.

Some fans were already crying.

Some girls leaned on their boyfriends' shoulders and sobbed softly.

After a long time, some people finally recovered.

"It's really... nice."

“How can Lin Fan’s singing be so good?”

“I feel like I’ve entered a wonderful world. There are endless thoughts, memories, and love there...”

“God of Singers, Lin Fan is really a God of Singers!”

“I feel like I’m hearing a heavenly voice. Is this even something a human can sing?”

“I’m already crying. I’m really crying...”

At this moment,

All the fans were looking for Lin Fan on stage.

Unknowingly, Lin Fan was no longer on stage.

The fans and celebrities did not realize this.

“If I use three words to evaluate Lin Fan, he’s a god of singers! He’s a true superstar!”

“The songs he sings... are always so special. They can always move people’s hearts!” Lin Jingjing smiled brightly.

It was very, very difficult to move people with one’s singing.

In fact, it was impossible.

However, Lin Fan’s voice had a huge penetrative power. It could penetrate everyone’s hearts and enter their most fragile inner worlds.

“I still want to listen to it. Where did Master go?” Su Xiaoyu looked around, still a little dissatisfied.

“Yeah, where’s Lin Fan? He should sing another song!”

“I beg Lin Fan, can you sing another song?”

“Lin Fan!”

“Lin Fan!!”

“Lin Fan!!!”

Everyone shouted Lin Fan’s name again.

This time, even the celebrities joined in the shouting.

There were also the staff present.

Even the leaders were touched.

They thought that Lin Fan was just performing at the annual gala.

Who would have thought that Lin Fan’s singing would conquer everyone present!

The comments section of the livestream was filled with Lin Fan’s name.

A girl from overseas was an expert in special effects and was proficient in Hollywood special effects. When she saw the special effects of *The Legend of Sword and Fairy 3*, she was extremely excited and wanted to ask Lin Fan for guidance. At the same time, she was a girl who liked to listen to music. Her name was Linda.

Linda wanted to see Lin Fan.

She heard Lin Fan’s voice...

then, she fell for him.

“This is the first time I’ve heard... someone sing English songs like this. Even our country’s singers can’t sing to this extent.”

“Lin Fan... is my idol!”

Linda felt the same as the fans.

If only Lin Fan could sing another song.

Just as everyone was looking forward to it,

The lights changed again!

At this moment, Lin Fan had already changed into another set of clothes and appeared on the stage.

The accompaniment of another song sounded.

Lin Fan... had appeared again!!!

The fans present were deeply surprised.

They all knew that every time Lin Fan sang, he would only sing one song.

Today, Lin Fan was going to sing a second song for the first time!

And judging from the accompaniment, no one had heard this second song before.

The lights shone on Lin Fan.

Lin Fan took a step forward and smiled.

Tonight, he was the star here.

Tonight, he would sing a few more songs for his fans.

Tonight was destined to be an auditory feast!

Lin Fan's name resounded throughout Zhejiang Television!

### **Chapter 334: Lin Fan, The Forever Prince Charming!**

Lin Fan stood on the stage.

At this moment, the bright lights shone on Lin Fan.

Lin Fan's face was also on the four big LED screens.

The fans were cheering, excited, and screaming enthusiastically.

They had thought that Lin Fan would only sing one song.

Who would have thought that Lin Fan would walk out again!

They could still continue listening to Lin Fan sing!

The audience in the livestream were also completely crazy.

"Oh my god, I can listen to Lin Fan sing again!"

"What song is Lin Fan going to sing this time? Is it still an English song? Why does Lin Fan's singing sound so good..."

"Lin Fan's voice is amazing. It's the best voice I've ever heard!"

“How can someone sing English songs so well? Although I really don’t understand English, I like all of Lin Fan’s songs!”

“...”

Under the screams of the fans,

Lin Fan took a step forward and held the microphone. “Everyone, actually, I’ve prepared two songs today.”

“The name of the second song is ‘See you again’.”

1

“Tonight, I’ll bring the fans a true auditory feast!”

When Lin Fan finished speaking, the crowd erupted again.

The second song was really here!

The accompaniment sounded, and the intense cheers echoed throughout the venue and the entire sky!

“Lin Fan!”

“Lin Fan!!”

“Lin Fan!!!”

Under such cheers, Su Xiaoyu, Lin Kexin, Lin Jingjing, Lin Qianwei, and Pang Duoduo also joined in.

Lu Benkai and Liu Mou had already started dancing, their faces filled with smiles.

The employees and celebrities of Jiaying Entertainment were sincerely proud of Lin Fan!

Lin Fan was their boss!

He was also their idol!

Xia Wanqiu did not join in the cheers.

She was waving a light stick for Lin Fan.

It was a grand night.

She was just like Lin Fan's fans and she joined all of them.

Xu Yang did not shout and took a sip of wine. Damn it, this was the difference between people.

The main thing was... Lin Fan's singing was really good.

Even a man like him could not take it.

Lin Fan's assistant, the second daughter of the Su family, Su Muqing, looked at Lin Fan with her beautiful eyes and smiled sweetly.

Tonight, the fans were celebrating for Lin Fan.

Tonight, the fans felt proud of Lin Fan!

Lin Fan picked up the microphone. His voice was low, but his voice was very attractive. "It's been a long day without you my friend.

And I'll tell you all about it when I see you again."

Just as he started singing, the cheers became even more intense.

The fans shouted with all their passion and enthusiasm.

The boss of Zhejiang Television sat there and looked at Lin Fan in disbelief. "Isn't Lin Fan an actor? How can he... sing so well?"

Li Qingqing looked at Lin Fan in admiration and smiled. "Boss, Lin Fan is really extraordinary ~"

The boss of Zhejiang TV took a sip of wine and looked at Li Qingqing. "Have you fallen for him?"

Li Qingqing blushed and hurriedly shook her head. "No way. Lin Fan already has a girlfriend, and his girlfriend is so pretty."

The boss of Zhejiang Television smiled and did not speak.

Not only was such an outstanding man handsome, but he was also so talented. Any girl would not be able to resist him.

The managers of QQ Music and NetEase Music were completely stunned and overjoyed.

"Record both of Lin Fan's songs!! This will be the MV for the two songs in the future. Lin Fan won't have to film MVs anymore."

"At the same time, we have to invite Lin Fan to record these two songs. These two English songs will definitely become popular!"

"These are two songs that can become popular domestically and abroad. Many listeners in China don't understand English, but foreign audiences can understand them. With a little promotion, these will be two big hits. And they can also... become global hits!" said the manager of QQ Music.

The staff around them were also shocked.

Lin Fan had only been around for a short period of time, but he was already able to create songs that could become global hits!

If this continued, Lin Fan would probably become famous overseas!

Meanwhile, the song had reached its climax.

“We’ve come a long way from where we began”

“Oh I’ll tell you all about it when I see you again”

The song drifted into everyone’s ears.

The fans present could not help but smile in happiness.

Compared to the rather sad atmosphere of the first song, the second was more cheerful.

And it was tinged with romance.

The fans were cheering and screaming as they watched Lin sing such a song.

All the fans were completely immersed in the song.

They couldn’t help but wave the light sticks in their hands as they looked at Lin Fan on the stage.

“I love it, I love it ~ Lin Fan’s song is so sweet it has captured my heart,” Lin Kexin said. She looked at Lin Fan and smiled brightly.

“If only I knew Lin Fan first. This way, I can... woo Lin Fan.” Lin Kexin was a little envious.

“I just don’t know why, but I realized that... I actually like him a little. It’s just that he already has a girlfriend,” Lin Kexin said softly.

“I like Lin Fan too ~ I purely like his songs,” Lin Jingjing said as she blinked.

Xu Yang was speechless.

For some reason, Xu Yang felt as if he had been stabbed in the heart.

There was really nothing he could do.

Whose girlfriend didn't follow celebrities?

"When I see you again~~" Lin Fan sang to the end of the song. The atmosphere in the room was completely controlled by him.

His voice stopped abruptly.

It left an endless aftertaste and melody.

Swoosh!

All the lights shone on Lin Fan.

The camera froze.

The image also froze in that moment.

Compared to their initial enthusiasm, the fans didn't scream.

All the fans were looking at Lin Fan.

Some fans were looking up at Lin Fan intently.

Some fans didn't even know they'd dropped their glowsticks.

There were also fans who couldn't help but hold the hands of other girls, but even that girl didn't realize that her hand was being held by a male stranger.

A moment later, the cheers finally filled the air.

“What a nice song...”

“I’m crying, I’m crying. Did an angel send a voice like Lin Fan’s? What if I completely fall in love with him?”

“To be able to see Lin Fan sing live, I can die with no regrets. I just hope that Lin Fan can hold a concert sometime. I haven’t heard enough!!”

“Lin Fan will always be my Prince Charming, my eternal Prince Charming!”
