

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 345-349

Chapter 345: Is This The Thousand-Layered Trick Of Women?

Rumble.

Thunder rumbled and rain poured.

Su Xiaoyu was resting in her room while Lin Fan was studying Chinese chess.

At this moment, there was a knock on the door.

Lin Fan opened the door. It was the property agent Lin Yiyi.

Lin Yiyi's clothes were a little wet from the rain.

"It's raining heavily outside and I can't go home. Can I stay here to avoid the rain?" Lin Yiyi looked at Lin Fan with a pitiful expression.

Lin Fan looked at the heavy rain outside. Anyway, it was the property agent who served him. It didn't matter if she took shelter from the rain. He wouldn't lose anything. "Alright, then find a place to rest. You can leave after the rain stops."

After saying that, Lin Fan returned to his room to rest.

There were also surveillance cameras in the living room. He did not have to worry about Lin Yiyi stealing anything.

After more than an hour, just as Lin Fan was resting, Lin Yiyi knocked on his door.

She knew that if she wanted to capture a man's heart, this was the only way.

It was difficult for a man to reject a beautiful woman throwing herself at him.

Someone as handsome and rich as Lin Fan would have many girls throwing themselves at him.

Lin Yiyi had been tempted from the moment she saw Lin Fan.

She had finally met a super-rich hunk.

She would always have some hope. After all, many rich second-generation heirs had more than one girlfriend.

She didn't care if Lin Fan had a girlfriend or not.

If she could become Lin Fan's woman, even if it was just once, she would have profited greatly.

Lin Yiyi was only wearing lingerie.

Lin Fan opened the bedroom door and saw that Lin Yiyi was wearing only lingerie. He thought that she had encountered some trouble.

"What happened?" Lin Fan asked.

Lin Yiyi didn't answer immediately. Instead, her cheeks were a little red. She looked at Lin Fan and mustered her courage to say, "Lin Fan, I've checked your information. I know that you're a big star, a very awesome one. I've always admired you for being so awesome."

"The main thing is... I'm afraid that there are some things that I can't say anymore once I miss the opportunity to do so. I kind of... like you." Lin Yiyi blushed as she looked at Lin Fan and took a step forward.

Faced with a beauty's confession, and with some seduction, ordinary men might not be able to resist it.

Lin Fan didn't hesitate and said, "I have a girlfriend."

Lin Yiyi's hand was already on Lin Fan's shoulder. She exhaled elegantly and said, "But... it's okay."

"You're such an outstanding man. You shouldn't have only one woman. Also... I don't need you to be responsible for me." Lin Yiyi looked at Lin Fan seductively.

Lin Yiyi even whispered something into Lin Fan's ear. The gist of it was that Lin Fan and her could do it without using something. She could take medicine.

Lin Fan pushed Lin Yiyi away and said, "Miss Lin, please respect yourself."

"I don't lack women. Since elementary school, many girls have confessed to me. In middle school, high school, and even now, many girls are still confessing to me."

"Now, I have a girlfriend. I'm not that kind of person. If you still want to continue, don't blame me for calling the police," said Lin Fan without looking at Lin Yiyi.

"I... I'm sorry." Lin Yiyi looked at Lin Fan.

"It's just as well that the rain has stopped. Put on your clothes and go out. I can pretend that nothing happened," said Lin Fan.

Anyway, there were cameras at home. If Lin Yiyi insisted on extorting him, Lin Fan could prove his innocence.

Then... Lin Yiyi ran out crying.

As for what happened after that, it was not important.

Lin Fan wouldn't accept such a confession.

Lin Fan closed the door of the villa. Just as he was about to return to his room to rest, he saw Su Xiaoyu behind him.

Su Xiaoyu held a broom and looked aggressive, as if she wanted to eat someone.

She had never taken the initiative to confess, but this Lin Yiyi dared to do so first.

She was angry.

If Lin Yiyi didn't go out, she would come out and hit her.

"Why are you holding a broom?" Lin Fan smiled.

"Oh, it's nothing. I'm planning to sweep the floor." Su Xiaoyu giggled and pretended that nothing had happened.

"Master's willpower is really good. I thought you would fall for that woman's trap," Su Xiaoyu said.

"What a joke. Is your master that kind of person?" Lin Fan said as he patted his chest.

If he really agreed to Lin Yiyi, he would be courting death.

Putting aside the fact that Su Xiaoyu was at home, if Xia Wanqiu knew, she would definitely not forgive Lin Fan.

Lin Fan couldn't even dote on his cat well. How could he have time to look at other girls?

"Hehe, Master... I have a question for you too." Su Xiaoyu looked at Lin Fan, her cheeks slightly red.

She ran out in her pajamas. Her long snow-white legs were clearly visible and she had a perfect figure.

"If the person who confessed just now was me, would Master reject me so heartlessly?" Su Xiaoyu pretended to joke, but her beautiful eyes were filled with anticipation.

Lin Fan looked at Su Xiaoyu and walked forward. He knocked Su Xiaoyu's head and said, "Children shouldn't ask such questions. Go back to sleep."

Su Xiaoyu touched her head. "It hurts."

"Hurry up and go back. Go play by the side." Lin Fan chased Su Xiaoyu back to her room and returned to his bedroom.

Su Xiaoyu, who had returned to her room, blushed and hid under the blanket.

Lin Fan didn't answer, but she already knew his answer.

Faced with such a question, if he didn't reject her directly, what other answer could there be?

Some questions could be answered even without a direct answer.

It was like playing a spy game. If someone asked you if you were a spy, who would believe you if you hesitated for a few seconds and said that you were not a spy?

"Hmph... Master is so bad." Su Xiaoyu stuck out her tongue and fell asleep happily.

....

In the bedroom, Lin Fan couldn't fall asleep.

He could still be immune to Lin Yiyi.

But it was too difficult to be immune to Su Xiaoyu and Xia Wanqiu.

Lin Fan asked himself honestly. If the person wearing only lingerie was Xia Wanqiu just now, Lin Fan would probably have said goodbye to his virginity of 25 years.

If it was Su Xiaoyu...

Could he resist it?

Lin Fan didn't think that he was a saint who wouldn't panic.

Lin Fan shook his head and went to take a shower.

It was fine if Xia Wanqiu was so seductive, but how did Su Xiaoyu learn it too?

Luckily, Lin Fan was still determined.

He could not do anything overboard. Xia Wanqiu was his girlfriend now.

Su Xiaoyu and Xia Wanqiu could only be blamed for being so beautiful. They were indeed born from the same mother.

The next day, Lin Fan saw Xia Wanqiu.

When he saw Xia Wanqiu, he immediately gave her a hug.

“Meow, meow?” Xia Wanqiu was a little stunned as she looked at Lin Fan.

“It’s nothing. My wife is so pretty. Can’t I hug her?” Lin Fan smiled.

He would not let his imagination run wild in front of Xia Wanqiu.

“Here ~” Xia Wanqiu stretched out her hand and looked at Lin Fan.

Lin Fan naturally held Xia Wanqiu’s hand. For some reason, he still felt guilty.

Xia Wanqiu was his girlfriend. He would never be attracted to another woman. Otherwise, he would really become a scumbag.

After telling Xia Wanqiu what happened last night, Xia Wanqiu giggled and looked at Lin Fan. “You don’t have to tell me these things. No matter what, I’ll believe you ~”

“If you really can’t hold it in, you can find a little lover ~ As long as you don’t get any diseases.” Xia Wanqiu looked at Lin Fan with her beautiful eyes.

Hearing Xia Wanqiu say that,

Lin Fan's expression changed and his desire to live exploded forth. "That's impossible. How can I find a little lover? You alone are enough."

If he dared to follow Xia Wanqiu's words, Lin Fan would probably kneel on the washing board tonight.

When Xia Wanqiu heard that, she nodded in satisfaction. She held Lin Fan's arm with both hands. "You've passed."

"In the future, you're not allowed to get too close to other girls. Other than Xiaoyu, because Xiaoyu is my sister ~ Xiaoyu's father even asked you to take good care of her," Xia Wanqiu said.

"Mmm." Lin Fan nodded and agreed.

Su Xiaoyu was alone in Shanghai, and her family was overseas. He should protect her well.

However... just as Lin Fan agreed,

Xia Wanqiu looked at Lin Fan fiercely.

Lin Fan felt that he had said something wrong.

It was over. He had been tricked!

Was this... a woman's thousand-layered trick?!

Chapter 346: Someone Wants to Bully Su Xiaoyu

The next morning, Lin Fan woke up. Su Xiaoyu had already gone out to have a gathering with her classmates.

After studying Chinese chess for half a day, Lin Fan realized that there was a lottery ticket in his inventory.

"Ding! Lottery successful."

“Congratulations, Master, for drawing three fate cards. When the people around you encounter a crisis, you can divine their luck in advance and change their fate.”

“The fate cards will automatically detect the safety of the people around Master. When the fate card is red, the people around you will be in danger. The darker the color, the deeper the danger.”

The system’s voice rang out and Lin Fan’s eyes lit up.

He had received another fate card.

In other words, he could protect the people around him.

If he was in danger, he could predict it in advance.

“Alright, then I’ll take out the fate card and take a look,” said Lin Fan as he took out the fate card from the system.

When he saw the fate card, Lin Fan realized that... it was blood red!

Buzz!

Lin Fan’s head buzzed.

Who was in danger?

“Ding... Successfully used fate card.”

“Note: Su Xiaoyu will be drugged by her high school classmate Zhao Long this evening, brought back to a hotel, and r*ped...”

When the system’s voice sounded, Lin Fan’s eyes were filled with killing intent.

If he hadn’t used the fate card, Su Xiaoyu would really be in danger.

Su Xiaoyu was already very beautiful and was a big star. Many people liked her.

Furthermore, Su Xiaoyu had a flaw which was also her strength. She was too nice.

Originally, she could have skipped the class reunion after becoming a superstar.

Not only did Su Xiaoyu attend the class reunion, but she also invited her best friends and classmates to play in the villa.

If they stayed in a hotel in Shanghai for a day, it would cost a lot of money.

It was 4 pm now.

“How long before this happens?” Lin Fan asked. He was already dressed and preparing to leave.

“Ding... It will happen in 50 minutes, but Master can change her fate. Note: When you do so, you can't let anyone suspect the existence of the system, so you must act logically,” the system said.

At this thought, Lin Fan immediately called Su Xiaoyu.

Lin Fan believed the system's words. The system had never lied to Lin Fan before, much less said something untrue.

Lin Fan's expression turned cold.

He knew that Su Xiaoyu had once invited him to her class reunion, but Lin Fan had rejected her.

It was because he rejected her that something was going to happen to Su Xiaoyu.

If he was around, this would definitely not happen.

Luckily, Lin Fan had the system and could see Su Xiaoyu's line of fate in advance.

“Master, what’s wrong ~” Su Xiaoyu’s sweet voice sounded.

“Where are you?” Lin Fan asked calmly.

“I’m at Golden Age KTV ~ I’m with my classmates. Master, you don’t have to worry,” Su Xiaoyu continued.

“Do you have a classmate called Zhao Long?” Lin Fan asked.

“Yes.” Su Xiaoyu nodded. She was a little puzzled. Lin Fan didn’t know her high school classmate.

“Xiaoyu, you’re not allowed to drink any drinks at the class reunion outside. You’re not allowed to drink alcohol either, understand?” Lin Fan said.

“Mmm, I know.” Su Xiaoyu nodded. “Master bullied me and didn’t even let me drink water.”

“And my classmates are all pretty good people. Don’t worry,” Su Xiaoyu said.

Lin Fan said seriously, “Mmm, Xiaoyu, come back first. The company has something important to discuss with you. You can go to your class reunion tomorrow.”

Lin Fan made a prompt decision and immediately made Su Xiaoyu leave Golden Age KTV.

Especially when Lin Fan thought about how there was someone coveting Su Xiaoyu now, he felt very unhappy.

If he had known earlier, he would not have let Su Xiaoyu go to the class reunion alone.

Lin Fan was still worried that something would happen even if he didn’t let Su Xiaoyu drink any drinks. Therefore, he found an excuse to let Su Xiaoyu come back immediately.

Hearing Lin Fan’s words, Su Xiaoyu fell silent. “Master, did something happen?”

Lin Fan smiled. "It's nothing. Come back to settle some company matters first. You can go to the class reunion later. It's fine. I'll treat your friends."

Out of trust in Lin Fan, Su Xiaoyu nodded obediently. "I know. I'll be obedient."

Although she didn't understand what was so important, she trusted Lin Fan 100%.

In that case, Su Xiaoyu should be safe.

Then... Lin Fan saw the color of the fate card turn even redder.

"Ding... As Su Xiaoyu left in a hurry, she will have a car accident on the way back in five minutes. Su Xiaoyu will die." The system's voice sounded again.

Lin Fan's heart skipped a beat.

Why was that?

Su Xiaoyu had always been his good friend, and he treated her as his younger sister.

If Su Xiaoyu participated in the class reunion, she would be in danger.

If Su Xiaoyu came back immediately, there would be a car accident.

And the second outcome would be even worse. Su Xiaoyu would die.

Hearing that Su Xiaoyu would die, Lin Fan felt his heart clench.

The system's words would definitely come true.

Furthermore, Lin Fan couldn't tell Su Xiaoyu that he had the system and could predict her fate.

Lin Fan immediately called Su Xiaoyu. "Xiaoyu, there's no need to rush back. The matter has been resolved. The class gathering is more important. Sit there for a while. I'll look for you now."

When Su Xiaoyu heard that, she giggled. "Alright, didn't you say you won't accompany me to the class reunion?"

Lin Fan said, "On such an important day, of course I have to accompany you. Furthermore, I have to bring your best friends to the villa. The villa is my house, so of course I have to bring everyone here to visit."

Su Xiaoyu nodded. "Master is so good ~ It's just that Master seems a little off today."

Lin Fan thought about it. Of course his actions were weird.

At first, he called Su Xiaoyu and refused to let her drink water. Then, he asked her to return to the company immediately. Now, he refused to let her return to the company.

With Su Xiaoyu's intelligence, she could naturally tell that something was wrong.

"Xiaoyu, you're so beautiful. If someone wants to bully you, I won't agree," said Lin Fan. He had already gotten into the car and was speeding towards Golden Age KTV.

"Hmph, Master is a bad person." After Su Xiaoyu said that, she hung up.

After Lin Fan finished the call, he looked at the notification from the system.

If Su Xiaoyu did not leave the KTV, there would not be a car accident.

Furthermore, Lin Fan had reminded Su Xiaoyu not to drink water. Su Xiaoyu should be fine now.

Lin Fan looked at fate card again.

"Ding... Su Xiaoyu will be forcefully brought into a car by Zhao Long in 20 minutes. An hour later, Su Xiaoyu will be r*ped in a hotel."

20 minutes...

There were only 20 minutes left!

Lin Fan's eyes narrowed. By helping Su Xiaoyu, he had sped up the process.

D*mn it...

Zhao Long was simply courting death!

Chapter 347: Everything Was So Perfect

Golden Age KTV.

Su Xiaoyu was playing with her phone. She felt that something was wrong.

Su Xiaoyu had a feeling that something bad would happen.

But it was just a class reunion. There were so many people here. How could something happen?

Su Xiaoyu sat beside her best friend and did not move around.

She had to wait for Lin Fan to come. With Lin Fan around, she would be at ease.

Then, a few male high school classmates walked in front of her.

Zhao Long laughed and looked at Su Xiaoyu. "Xiaoyu, come and have a glass of wine. You're a big star now. It's not easy for us to meet."

Su Xiaoyu shook her head. "No thanks. I can't drink alcohol."

When Zhao Long heard that, he said, "That's true. It's not good for girls to drink alcohol. Then let's replace alcohol with soft drinks instead."

Su Xiaoyu raised her beautiful eyes and looked at Zhao Long. "I don't drink soft drinks, I'll get fat."

After Zhao Long heard that, his smile deepened. "That's true, that's true. I'll punish myself with three glasses of wine. You're a big star, how can you drink these things? Then drink a glass of water. It shouldn't be a problem to drink a glass of water, right?"

"Xiaoyu, we're all high school classmates. If you reject me again, you're not giving me face," Zhao Long said. He looked at Su Xiaoyu's figure and was even more satisfied.

Su Xiaoyu was much prettier than when she was in high school.

Today, Su Xiaoyu was wearing trousers, but some parts of her legs were exposed at the bottom of her trouser legs.

But Zhao Long could not resist it anymore.

If he could get such a beautiful woman, it would be worth it no matter how many years of jail time he got.

Which man wouldn't like to conquer such a cute girl?

Furthermore, Su Xiaoyu was still single. If he got Su Xiaoyu and Su Xiaoyu did not pursue the matter, his life would be different in the future.

Hearing Zhao Long say that, many classmates looked at Su Xiaoyu.

Among them, Su Xiaoyu's best friend, Zhao Ying, also said, "Yeah, so many of our classmates came all the way to Shanghai to see you. It's just a bottle of water."

Hearing what her classmates said, Su Xiaoyu could not think of a reason to reject Zhao Long.

She had already rejected him twice. If she refused to drink water again, she would not be giving these classmates face.

Drinking water was a normal action.

Su Xiaoyu smiled sweetly. "Thank you, but I'm not thirsty yet. Leave it here for now. I'll drink it later."

Hearing Su Xiaoyu's words, Zhao Long could only nod regretfully.

After two minutes, Zhao Long finished singing and looked at everyone with a glass of wine.

"Classmates, we have to toast Su Xiaoyu today."

"Su Xiaoyu is a big star now, and she's also doing the best among our classmates. I hope that Su Xiaoyu's career will become better and better in the future. Everyone, cheers to Su Xiaoyu. I'll drink first," Zhao Long said.

"Yes, Xiaoyu, you're doing so well now. You must drink a glass of wine. It's so hard to see you even once," a boy said.

"Xiaoyu, drink water. If you don't drink water, you're not giving face to your best friend." Zhao Ying smiled and looked at Su Xiaoyu.

"It's fine. It's not like you're drinking alcohol. It's just a bottle of water. Xiaoyu, don't tell me you can't even drink water," another classmate said.

Seeing everyone say this, Su Xiaoyu still hesitated.

Although drinking a glass of water was indeed fine, there were so many people here. If there was anything unusual, she could contact the manager immediately.

However, Su Xiaoyu still remembered what Lin Fan had said to her.

Seeing Su Xiaoyu hesitate, Zhao Ying picked up the water in front of her and drank it in one gulp. "Seriously, Xiaoyu, are you afraid that everyone will eat you up? I'll drink it for you first."

After Zhao Ying finished drinking, there was no physical reaction. Instead, she went to sing a song.

Zhao Long also sighed. "Xiaoyu, I'll get you another glass of water. Don't think of me as that kind of bad person. We're already old classmates. I'm not even asking you to drink alcohol. If you're unwilling to do even this, you're not giving me face."

Zhao Long poured water for Su Xiaoyu with mineral water.

Zhao Ying drank the first glass, and the rest of the mineral water was poured into Su Xiaoyu's glass.

Seeing that Zhao Ying was fine, Su Xiaoyu let down her guard.

After all, who would always be wary of their classmates when attending a class reunion? If that was the case, there was no need to attend the class reunion.

There were a lot of people here who were good friends of hers. She had to give them face.

"Then I'll drink a little~" Su Xiaoyu smiled and looked at the girls around her.

Su Xiaoyu really didn't know how to reject Zhao Long. She didn't want to embarrass him either. A sip of water should be fine.

Most importantly, Su Xiaoyu knew how to time things.

Even if something happened, she could immediately contact the manager.

Most importantly, Su Xiaoyu was relieved to see that Zhao Ying was fine.

Perhaps Lin Fan was too worried about her. That was why he did not want her to drink water casually.

Su Xiaoyu took a small sip and put it down again. "I wish everyone success in their work in the future and that everyone will make more money~"

"Haha, it would be great if we could benefit from our Xiaoyu in the future," Zhao Ying said.

“Xiaoyu is getting prettier and prettier. I’m so happy to be able to attend the class reunion with you.”

“Su Xiaoyu, come and sing a song!”

....

Su Xiaoyu didn’t feel anything after drinking the water. It was just like ordinary mineral water.

She also went up and sang two songs. She did not sense anything wrong with her body either.

Relieved, Su Xiaoyu took another sip of water.

It was impossible not to be thirsty after having a feast and singing and chatting.

Gradually, Su Xiaoyu felt a little sleepy.

Su Xiaoyu leaned against the sofa and almost fell asleep while her classmates were all partying.

From the beginning to the end, Su Xiaoyu did not feel anything wrong with her body. She was just a little sleepy and wanted to sleep.

Then, Su Xiaoyu fell asleep.

Seeing that Su Xiaoyu was asleep, Zhao Long and Zhao Ying high-fived.

Zhao Ying looked at the sleeping Su Xiaoyu. “Why is Xiaoyu asleep? Since Xiaoyu is asleep, I’ll take her to rest. Everyone, rest early today. We’ll go to Xiaoyu’s house to see the villa tomorrow.”

Su Xiaoyu’s other best friend, Bing Tang, grabbed Su Xiaoyu’s arm and said, “Let me send Xiaoyu to rest~”

Bing Tang was very innocent and usually had a good relationship with Su Xiaoyu. Seeing that Su Xiaoyu was asleep, she naturally had to protect her.

“Bing Tang, it’s okay. Just let me take Xiaoyu to rest. Nothing will happen. Are you guys still wary of me?” Zhao Ying said, patting her chest.

Seeing that he was about to succeed, the smile on Zhao Long’s lips deepened.

Finally... it was done!

If he wanted to do something like this, it would be very, very difficult.

But if Su Xiaoyu’s best friend did it, everything would make sense.

Who would suspect that Zhao Ying was taking Su Xiaoyu to a hotel?

Isn’t it normal for girls to stay in hotels together?

As for the water that Su Xiaoyu had drunk just now, there was naturally no problem. It was just that they had added something to help her sleep. It would not hurt her body.

Su Xiaoyu would slowly fall asleep without any warning.

Everything had been planned perfectly.

As for why Zhao Ying was fine, it was because... that thing was put in by Zhao Ying.

While Su Xiaoyu was singing, she could make her move.

As long as Zhao Ying brought Su Xiaoyu back to the hotel, Zhao Long could do whatever he wanted.

Even if they suspected someone, they could not suspect him.

Besides, Su Xiaoyu would not feel anything.

Su Xiaoyu was wary of boys, but she did not expect her former best friend to scheme against her.

At this point ...

The door to the KTV opened!

A figure stood in the doorway.

Lin Fan was here!

Chapter 348: She Really Fell In Love With Lin Fan

Besides Lin Fan.

There was also the police.

Lin Fan had called the police.

Su Xiaoyu was a big star in China. Lin Fan told the police that Su Xiaoyu had gone to a class reunion and that someone had been persuading Su Xiaoyu to drink alcohol.

The police followed Lin Fan just in case.

In the surveillance room, Lin Fan and the police had been watching the process.

Especially when Su Xiaoyu fell asleep, Lin Fan's expression became colder and colder.

He had deliberately brought the police to the surveillance room first.

He knew that Zhao Long wanted to drug Su Xiaoyu, but the police did not know.

If Zhao Long did not do this first, there would be no way to convict him.

Now, the witnesses and the evidence of the crime were all here.

Lin Fan didn't even need to say anything. He just needed to send the video to Su Xiaoyu's father and Zhao Long's family, and Zhao Long himself would be completely finished.

For so long, Lin Fan had never been willing to bully Su Xiaoyu. How could others bully her?

When Su Xiaoyu was in danger, Lin Fan knew that he couldn't let anything happen to her.

He had promised Su Xiaoyu's father to take good care of her.

Although there was no substantial relationship between him and Su Xiaoyu,

But if anything happened to Su Xiaoyu, he would never forgive himself.

"Arrest them," Lin Fan said.

The police immediately rushed forward and arrested Zhao Long and Zhao Ying.

The others did not know Su Xiaoyu's identity, but the police did.

If anything really happened to Su Xiaoyu, they could not afford to bear the responsibility.

"Why are you arresting me? I didn't do anything." Zhao Ying turned to the police, looking flustered.

"It's clear from the security cameras whether you did anything or not."

"We'll take them with us." The police glanced over and gave Lin Fan a grateful look.

If anything happened to Su Xiaoyu, such as being kidnapped or killed, it would cause a huge commotion.

She was the daughter of the richest man in the world and a genius girl.

She wasn't just good in business. She was just as good elsewhere.

Such a talent had long been valued by the country.

It was just that the country respected her personal wishes.

If anything happened to such a girl, it would be a huge blow to China.

Without Su Xiaoyu, the richest man in the world would probably not be in China.

In addition, Su Xiaoyu's mother... was also a very powerful character.

If her daughter was bullied, it would cause a huge stir in Shanghai.

...

After arresting Zhao Long and Zhao Ying, the police took care of the rest.

The fate card returned to its normal color.

Lin Fan looked at the classmates and smiled. "Hello, everyone. I'm Lin Fan, Su Xiaoyu's good friend."

"Come to the class reunion tomorrow when Xiaoyu wakes up. I can personally invite everyone to my place. Here's the address."

Lin Fan picked up Su Xiaoyu and turned to leave.

"By the way, you must be Su Xiaoyu's best friend. Thank you for taking care of Xiaoyu. I'll treat you to a big meal at my place tomorrow." Lin Fan smiled.

At this class reunion, many of Su Xiaoyu's classmates had good character, especially Bing Tang. There were also a few close friends who wanted to take care of Su Xiaoyu first. Lin Fan also took note of them.

Other than Zhao Long and Zhao Ying, Lin Fan would not let them off either.

Lin Fan carried Su Xiaoyu to the Bugatti La Voiture Noire. After confirming that she was only asleep, he sighed softly and shook his head.

Thank God he was here.

Su Xiaoyu was safe. That was enough.

The Zhao family behind Zhao Long and Zhao Ying was quite powerful. It was also a corporation worth billions.

Lin Fan chose to call CEO Ma. Since someone wanted to bully the dog, don't blame him for being heartless.

In the KTV, many classmates were amazed.

"Ah... That person just now was Lin Fan. He's the one who makes popular TV series!"

"Lin Fan is really handsome. Did you guys see Lin Fan's appearance... How can he be so handsome?"

"Yeah, Lin Fan is so cool. I didn't expect Zhao Long and Zhao Ying to want to do such a thing. It's really too disgusting. Fortunately, Lin Fan came in time."

Holding the address, Bing Tang said excitedly, "Lin Fan invited us to his house for a class reunion. His house is in the Tomson Riviera district. Aren't the top villas in Shanghai all there?"

"That's right. The villas there must be worth at least hundreds of millions. F*ck, that Lin Fan is too rich. He lives in villas worth hundreds of millions, and it's even the best area in Shanghai, Tomson Riviera."

"Not only is Lin Fan handsome, but he's also so rich. Oh my god, look at Lin Fan's sports car. Bugatti La Voiture Noire! Isn't that a limited edition sports car worldwide?"

"This sports car is worth 200 million yuan... I know. Lin Fan is Su Xiaoyu's boss. Of course, he's worried about Su Xiaoyu attending the class reunion alone. Someone really dares to bully Su Xiaoyu."

“When we see Su Xiaoyu tomorrow, we must apologize to her properly. I knew that there was something wrong with Zhao Long. He kept wanting Su Xiaoyu to drink water. So that’s what he wanted to do.”

...

When they reached home, Lin Fan carried Su Xiaoyu to the bed.

After a long time, Su Xiaoyu finally woke up.

Lin Fan sat by the bed and smiled gently at Su Xiaoyu.

At this moment, Su Xiaoyu was a little stunned.

“Master, you...” Su Xiaoyu looked at Lin Fan with her beautiful eyes. Her cheeks were flushed, making her even more beautiful.

“I what? If it wasn’t for me, you would’ve been taken away by others.”

“I thought I said you weren’t allowed to drink anyone else’s water. Do you not listen to even me anymore?” Lin said, sounding a little angry.

“Master, I’m sorry. I was wrong. Don’t be angry.” Su Xiaoyu pouted, feeling wronged.

Su Xiaoyu, who was lying on the pillow, pierced Lin Fan’s heart.

Lin Fan couldn’t stand such a cute girl wheedling.

Lin Fan patted Su Xiaoyu’s head gently. “Don’t be angry. Be obedient in the future. Call me if you need to do anything.”

Su Xiaoyu nodded gently. “Okay, I’ll be good~”

“Where did those two go?” Su Xiaoyu asked.

“The police station.” Lin Fan smiled and covered her with a blanket. “Have a good rest. Go to the class reunion at home tomorrow and let your other classmates broaden their horizons. No one will dare to bully you in the future.”

Lin Fan stood up and headed out the door.

Su Xiaoyu looked at Lin Fan’s back and pursed her red lips.

She felt a little guilty.

“I’m such an idiot.”

“Lin Fan, don’t be good to me anymore. You already have Sister Wanqiu. I can’t...” Su Xiaoyu sat up and leaned against the bed.

The closer she got to Lin Fan, the more uncomfortable she felt.

She had a good relationship with Xia Wanqiu. She couldn’t let Xia Wanqiu be sad.

But she’d just realized...

She had really fallen in love with Lin Fan.

Chapter 349: Lin Fan Drives a 300- Million-Yuan Sports Car, Shocking Everyone!

The next day.

It was time for the class reunion.

And today, one of Su Xiaoyu’s classmates returned from abroad. His name was Li Guoqing.

Li Guoqing drove his Porsche and met up with Su Xiaoyu’s classmates.

Li Guoqing had an annual salary of a million yuan overseas and was very rich. He was also Su Xiaoyu's number one pursuer.

He had liked Su Xiaoyu for ten years.

Three years in high school, four years in college, and three years after graduation. All in all, he had liked Su Xiaoyu for ten and a half years.

In the past, Li Guoqing did not dare to pursue Su Xiaoyu.

Because Su Xiaoyu was too beautiful.

It was said that Su Xiaoyu had become a big star, and Su Xiaoyu was a girl who had really never received a kiss on screen.

She had never even filmed a hand-holding scene before. At most, she had expressed her feelings for Lin Fan in the Legend of the Sword and Fairy 1, but it was all in television dramas.

And today, Li Guoqing was a little happy.

He had successfully studied abroad!

He was finally worthy of Su Xiaoyu!

Li Guoqing knew that Su Xiaoyu was single and that none of his high school classmates were better than him.

His annual salary was eight million yuan!

If he worked for another year or two, it would not be a problem at all for his annual salary to reach 10 million yuan.

As a successful person, Li Guoqing drove a Porsche worth more than two million yuan.

One word: rich!

Li Guoqing smiled. He liked Su Xiaoyu so much and was now worth tens of millions. It should not be difficult for him to woo Su Xiaoyu.

Most of all, he was in his twenties and already worth tens of millions.

When he reached his thirties or forties, he'd be worth a fortune.

In addition, Li Guoqing's family also had some assets. In total, Li Guoqing's family had one billion in assets.

"Wow, Li Guoqing, you're back today?" Bing Tang looked at Li Guoqing. The many students also looked at Li Guoqing and smiled.

"Yes, I came back to see Su Xiaoyu. I haven't seen her in seven years." Li Guoqing smiled and got out of his brand new Porsche, straightening his designer clothes.

The shoes he wore were worth twenty thousand yuan. His clothes all cost ten thousand yuan and above. The watch he wore was a Rolex.

These were the symbols of the successful.

"Li Guoqing, you're doing well now. You're already driving a Porsche. How much is this Porsche?" Zhao Ximing asked. He was also Su Xiaoyu's high school classmate.

"About two million. It's not very expensive. It's just a car, it's fine as long as it can be driven," Li Guoqing said humbly.

"Two million... I can only earn that after working for half my life." Zhao Ximing sighed, feeling a little envious and jealous.

"By the way, when will Su Xiaoyu arrive at the class reunion today?" Li Guoqing asked, preparing to show off.

He knew deep down that it was very important to show his strength properly when wooing a girl.

It was like a billionaire and a beggar in rags. Which one would a girl be interested in first?

Li Guoqing's target was Su Xiaoyu.

After wooing Su Xiaoyu, his life would be complete.

"Su Xiaoyu will be here soon. We're all waiting for her," said Bing Tang.

"Sure. It's a class reunion today. Although I'm not doing too well, I can get by. All the expenses today are on me!"

"Also, staying in a hotel in Shanghai is too expensive. My family happens to have a villa in Tomson Riviera. Although it's not big, it's still more than 500 square meters. It costs more than 40 million yuan. You can stay a night at my house," Li Guoqing said.

"Wow, Li Guoqing, you have a 500-square-meter villa in Tomson Riviera? I'm so envious," said Bing Tang.

"666666, awesome. Li Guoqing is indeed doing well now." Zhao Ximing also exclaimed.

The other classmates looked envious as well.

Being able to have a villa in Tomson Riviera was already a symbol of status.

Li Guoqing asked his classmates to go to his villa partly out of consideration for them and partly to show off in front of Su Xiaoyu.

This was a great opportunity to woo Su Xiaoyu.

Zhao Ximing looked at Li Guoqing and said, "Li Guoqing, do you like Su Xiaoyu? But I have to remind you that there's a boy called Lin Fan beside Su Xiaoyu. He's very close to Su Xiaoyu. Moreover, Lin Fan said that he also has a villa in Tomson Riviera."

When Li Guoqing heard this, he laughed. "Lin Fan? I know him. Didn't he just film a few television dramas? How much money can he earn? He's just a celebrity."

"Lin Fan relied on other people's financial support to open a company. As for what villas he has in Tomson Riviera, even if he wants to show off, he can't do it like this. Don't tell me you don't know that Tomson Riviera villas aren't for sale? You can't just buy them with money."

"But Tomson Riviera villas can be rented out. No one really thinks that Lin Fan can buy a Tomson Riviera villa, right?" Li Guoqing's eyes were a little hostile.

He had liked Su Xiaoyu for ten years. How could he be intercepted by others?

Hearing Li Guoqing say this, everyone nodded.

Even if Lin Fan was a big star, he had not been a big star for more than half a year.

How much could he make in six months?

Could he compare to Li Guoqing in half a year?

Bing Tang said quietly, "But Lin Fan drives a Bugatti. I heard it's expensive."

Li Guoqing was dismissive. "You can rent a sports car like a Bugatti. How can a celebrity make hundreds of millions in half a year?"

Just as Li Guoqing was about to show off, Lin Fan arrived.

Lin Fan drove a sports car. It was worth mentioning that he was driving the Bugatti Veyron Ettore Bugatti.

The Bugatti Veyron Ettore Bugatti had been repaired by the Bugatti Corporation.

When everyone saw Lin Fan's sports car, their eyes lit up.

Especially Bing Tang. She knew Lin Fan drove a Bugatti, and she wasn't happy to hear her classmates say that about him.

She specifically checked on Bugatti's official website.

"Wow, this sports car is called the Bugatti Veyron Ettore Bugatti. It's a sports car released this year. There's only one of it in the entire world!"

"And the price of this sports car is three hundred million... The name of the owner of this sports car is Lin Fan."

"Oh my god, Lin Fan drives a sports car worth 300 million!!" Bing Tang exclaimed.

The name of the owner of the sports car was written on the Bugatti company's official website. It was Lin Fan.

And it was right there on the front page of the Bugatti Company, Splash Girl, with a picture of Lin Fan underneath.

"Damn, it's true. Lin Fan actually drives a sports car worth 300 million yuan. Then Lin Fan must own a villa in Tomson Riviera. He definitely didn't rent a villa, right?"

"A sports car worth 300 million. Oh my god, I can't even afford to drive a car worth 300 thousand. Lin Fan drove a car worth 300 million..."

"Lin Fan used to have a Bugatti La Voiture Noire. It's also a sports car worth two hundred million, right? Lin Fan... is too rich."

Hearing everyone's words, Li Guoqing held his phone with an ugly expression.

Earlier, he had been trying to show off. Now, he had been slapped in the face.

Lin Fan's sports car was not rented at all.

He himself really had that capability!
