

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 375-379

Chapter 375: My Wife Is Too Beautiful

Lin Fan looked at Su Muqing and asked, "Do you have a boyfriend?"

Su Muqing shook her head gently and blushed. "No."

Lin Fan said, "Whoever can be your boyfriend will earn a lot."

Su Muqing blinked and looked at Lin Fan. "After being with Boss for a long time, I don't like other guys anymore..."

Lin Fan glared at her. Was she hinting at him like that?

In other words, she only liked him?

Lin Fan asked, "Why?"

Su Muqing raised her head obediently and said, "I like the ladies around Boss. I like Xia Wanqiu, Xiaoyu, and Lin Kexin. All of them are so pretty ~"

Lin Fan leaned back in his chair. Damn, so she didn't like him. She even made him happy for nothing.

Fortunately, his wife was not around, so he could still flirt with girls.

Of course, Lin Fan wouldn't do anything to other girls.

Lin Fan said, "You, get out. You made me happy for nothing."

Su Muqing giggled and said, "Aiya, Boss is angry, but I can't say that I like Boss. Sister Wanqiu won't agree to this."

Lin Fan teased, "So you like me?"

Su Muqing blinked. "Yes, yes. Of course, I like Boss."

Lin Fan laughed. "Alright, then you can like it. I'm going to work."

Su Muqing stomped her feet angrily. "Hmph, bullying."

Lin Fan said, "Who asked you to trick me first? I'm going to see Lin Weiwei first. Sign the contract first."

Lin Fan and Su Muqing knew that the other party was joking. After all, Lin Fan already had a girlfriend. How could he like other girls?

He had not even slept with Xia Wanqiu yet. If he started flirting with other girls and ended up losing all of them, wouldn't it be a huge loss?

Su Muqing raised her beautiful eyes and looked at Lin Fan's back view. Her face was a little red.

Why did she feel like she had fallen for Lin Fan a little?

When Su Muqing felt her heart beat faster and she blushed, she realized that her actions were not right.

"No, no, I can't like Boss. He already has a girlfriend. Su Muqing, how can you like Boss? Although Boss... is really handsome." Su Muqing held her chest, wanting to suppress her fast heartbeat.

....

After walking out of the office, Lin Fan saw Lin Weiwei.

She also saw him.

When she saw Lin Fan just now, Lin Weiwei's lower body was a little...

Wet.

Her beautiful eyes widened as she looked at Lin Fan in disbelief.

How could there be... such a handsome boy?

She had seen Lin Fan's photo before, but the photo was just a lie.

There was a difference between photos and real people.

The better the photos of others were, the uglier they were in person.

Lin Fan was even more handsome in real life!

"Hello, Miss Lin," said Lin Fan with a smile.

"Hello, Boss Lin. I'm Lin Weiwei ~" Lin Weiwei lowered her head shyly. Any girl in her twenties would be shy when they saw Lin Fan.

The main thing was that Lin Fan was too handsome.

It could be said that if Lin Fan was a scumbag, he could get girls from the age of 14.

Now that he was 25 years old, in just nine years, it would not have been a problem for him to take down two or three girls a day. He might even be able to reach the level of sleeping with ten thousand people by now.

However, Lin Fan was still a virgin. He hadn't even experienced his wife before, let alone his achievement of sleeping with ten thousand people.

Even big celebrities like Lin Kexin and Chu Yaoyao probably couldn't withstand Lin Fan's attacks.

Lin Fan had many classmates, Zhao Lele, Xie Yutong, and Xu Shiyin. These girls couldn't resist Lin Fan.

If Lin Fan was really a scumbag, he would have many children now.

After being shy, Lin Weiwei still looked at Lin Fan seriously.

She had to look at such a handsome man more often. It was a pity that she couldn't take out her phone to take photos.

"I've already seen the contract. You can sign it," said Lin Fan.

"Alright." Lin nodded slightly.

After both parties signed the contract, Lin Weiwei took the initiative to extend her hand. "Boss Lin, nice working with you ~"

Lin Fan shook Lin Weiwei's hand. "Pleasure doing business with you."

Lin Weiwei felt that she could not take it anymore.

Lin Fan was really... too handsome.

When she was with such a boy, she would inevitably blush.

If only Lin Fan could be her boyfriend, but how could it be so easy?

Lin Weiwei looked at Lin Fan with her beautiful eyes and said, "Boss Lin, can we take a photo together? The main thing is that you're really handsome. I'm also your fan."

Lin Fan smiled. "Of course."

After taking the photo, Lin Weiwei left in satisfaction.

After Lin Weiwei left, Su Xiaoyu saw this scene.

Su Xiaoyu held the candy and looked at Lin Fan. "Master, Master, I want to take a photo with you too ~"

Lin Fan knocked Su Xiaoyu's head. "Go play aside. Why are you taking a photo?"

Su Xiaoyu blinked and smiled. "Master, I heard that the staff of Dragon TV and Mango TV are coming to buy the premiere rights of 'Twenty Your Life On' this afternoon. Let's take a photo together. I'll help you negotiate then ~"

Lin Fan said, "Sure. Go ahead. I'll write a script in the afternoon."

Su Xiaoyu took out her phone and took a beautiful photo with Lin Fan.

Su Xiaoyu was wearing a dress today. She spun around in front of Lin Fan. "Master, am I pretty?"

Lin Fan nodded. "Mmm, it's very pretty. Your waist is thin, your legs are long, and your skin is fair. Other than your small breasts, it's alright."

Chapter 376: My Wife Is Too Beautiful

Su Xiaoyu was angry. "Hmph, smelly master, how do you know it's small if you haven't touched it before? I'm not talking to you anymore."

Lin Fan: "..."

He wanted to touch it, but would his wife agree?

Even in the case of his future wife, Lin Fan didn't know what size it was.

In the afternoon, two boys from Dragon TV and Mango TV came to negotiate.

Su Xiaoyu welcomed them.

When the two boys saw Su Xiaoyu, their eyes widened.

Su Xiaoyu... how could she be so pretty?

After they finished watching the video, the two boys were already drooling.

The television drama “Twenty Your Life On” was too good.

In the negotiation room, Su Xiaoyu waved her hand. “700 million. I’m not selling anything less than 700 million ~”

She knew that Su Muqing had sold “Drawing Sword” for 650 million. Su Xiaoyu refused to admit defeat and directly raised the price to 700 million.

A boy said, “700 million... Su Xiaoyu, although the television drama ‘Twenty Your Life On’ is indeed very good, there shouldn’t be many things that can attract the audience, right? Your supporting actress, Su Muqing, seems to be a newcomer who hasn’t debuted. Maybe this television drama isn’t worth this price.”

Of course, these television stations would think of ways to lower the price, and Su Muqing was a factor that could be lowered.

After Su Xiaoyu heard that, she paused. “Wait a minute. If anyone dares to say that Su Muqing isn’t worth this price, I’ll bring her over ~”

Su Xiaoyu pulled Su Muqing into the negotiation room.

When the boys saw Su Muqing, their eyes widened.

Su Xiaoyu usually looked crazy outside and would only be very quiet occasionally.

Su Muqing was born to be very quiet. She was the school belle next door, gentle, cute, sweet, and pure. Such a girl was even more attractive.

He saw that Su Muqing was so beautiful, even more beautiful than in television dramas.

The two boys could not take it anymore.

Su Muqing would definitely become a big star in the future.

The television drama “Twenty Your Life On” might really become popular!

Just based on Su Muqing’s looks and acting skills, they were already convinced.

In the end, the television drama “Twenty Your Life On” was sold for 700 million.

When Lin Fan found out, he almost fainted.

If Drawing Sword cost 40 million yuan in production, Twenty Your Life On was the true low-cost drama.

The entire television drama cost less than six million yuan.

Someone asked if six million could be used to film a television drama? It really could.

Su Xiaoyu, Su Muqing, Lin Kexin, and Chu Yaoyao were the main leads. They basically did not cost much money and remuneration did not exist. They were all given dividends and endorsements.

The main thing was that they were all from Lin Fan’s company. They had all chosen to take dividends. As long as the television drama could become popular, they could earn a lot of money.

It was completely a low-cost production city drama.

Such a television drama was sold for 700 million by Su Xiaoyu.

This time, Lin Fan didn’t participate in being a director. He let his employees do it.

The employees used the smallest amount of money to film the best television drama.

Then, the two girls beside him, Su Muqing and Su Xiaoyu, sold the dramas for such high prices.

Lin Fan felt that as a boss, he was useless.

Why were his employees so amazing?

The girls around him were all so beautiful.

Even his girlfriend was such a beautiful girl like Xia Wanqiu.

Lin Fan was a major shareholder in many companies.

Why did it feel like...

His life was so relaxed and happy?

Lin Fan had only written two scripts. Before the television drama started broadcasting, he had already earned 1.3 billion.

In an instant, he had earned 1.3 billion.

Money came so quickly. Life was like a dream.

It was not bad to be a boss and earn money like this.

Lin Fan sat down and laughed. He looked at the 1.3 billion yuan in his account and smiled happily.

It was indeed satisfying to open a company and earn money. He had earned 1.3 billion in a few months.

Now, it could be said that he was really rich.

Su Xiaoyu stood in front of him, her face filled with anticipation as she waited for her reward.

Lin Fan grabbed Su Xiaoyu and Su Muqing's arms and smiled brightly. "Let's not talk about it anymore. The two of you did a great job today. We've earned a fortune of 1.3 billion in one go."

Then, Lin Fan officially announced in the company.

“I declare a three-day holiday for the entire company!”

“You’re not allowed to film for the next three days.”

“Su Xiaoyu, Su Muqing, Lin Kexin, Chu Yaoyao, Tang Xinran, Xu Yang, Lin Jingjing, Pang Duoduo, come to my house and party together!”

“I’ll cook a feast for you for free, eat barbecue, and look at the scenery for free. People have to learn to enjoy life!”

Su Xiaoyu looked happy.

Su Muqing’s cheeks turned red.

Although the boss was happy, why did he hold on to her arm and not let go?

How could he bully girls like this and take advantage of them like this?

She was the second daughter of the Su family and had never been bullied by a boy like this.

But the other party was the boss, and Su Muqing did not dare to say anything.

No matter what, the boss was the boss!

After Lin Fan announced this decision, the company was in an uproar.

“Ah ah ah, Boss Lin is too good. He took three days off and even gave out bonuses.”

“This is the boss of our company. I’m crying. I have to work well in the company in the future. I’m so happy to be able to work at Jiaying!”

“But I want to work. What should I do? If I don’t work, I won’t be able to see Boss Lin.”

“There’s another bonus. Boss Lin is so handsome ~”

In reality, Lin Fan wasn’t taking advantage of her. He was just too happy.

Who would be unhappy if they earned 1.3 billion yuan? After working so hard for so long, it would be great to enjoy it.

At this moment, a girl walked into the company.

It was Xia Wanqiu, who had just finished filming her endorsement.

“Meow, meow?” Xia Wanqiu looked at Lin Fan with her beautiful eyes.

“Wife, go home during the holidays. You’re not allowed to film endorsements for the next few days,” said Lin Fan as he kissed Xia Wanqiu on the cheek.

“I’m not filming anymore. I’m done too.” Xia Wanqiu looked at Lin Fan and smiled sweetly, but her face was a little red.

“Fierce! You kissed me the moment you saw me,” Xia Wanqiu said softly.

“Who asked my wife to be too beautiful?” Lin Fan sighed. Xia Wanqiu was too beautiful. He had no choice. Lin Fan couldn’t stand being with the two beauties, Su Xiaoyu and Su Muqing.

What should he do if he could not take it? He could not bully other girls, so he could only bully his wife.

“Trash, why do I feel like you’re so happy?” Xia Wanqiu tilted her head and looked at Lin Fan curiously.

“Needless to say, Su Muqing and Su Xiaoyu’s negotiation skills are very good. They earned 1.3 billion today,” said Lin Fan with a smile.

“Really?” Xia Wanqiu was also stunned.

“Of course.” Lin Fan nodded.

“Is there a reward?” Lin Fan asked and closed his eyes.

Xia Wanqiu looked at Lin Fan and made a cute and intimate gesture. She stood on her tiptoes and quickly tapped Lin Fan’s cheek. In a flash, she ran to Su Xiaoyu’s side.

“That’s all...” Lin Fan was a little disappointed.

Although he was disappointed, he could not bear to wipe his face.

It didn’t matter how much money he earned. The feeling of being kissed by his wife was indescribable.

He held Xia Wanqiu’s hand and prepared to go home.

A rich life was just that simple. It was boring and blissful.

Chapter 377: What If I Accidentally Fall In Love With Lin Fan?

Tomson Riviera, villa.

There was a huge and luxurious crystal chandelier, gentle light, and a wooden floor. Under the chandelier was a circular table that could accommodate more than ten people.

Xu Yang and Pang Duoduo were sitting together, as well as Director Lu Benkai and Liu Mou.

The girls sat together.

As far as the eye could see, they were all pretty girls.

In Lin Fan’s villa, there were no girls who weren’t pretty.

As the last dish of braised fish was brought to the round table, Lin Fan sat down.

Tonight, Lin Fan made a feast.

Of course, there were still some home-cooked dishes. There were more vegetable dishes and fewer meat dishes.

Braised fish, lamb chops, roasted fish, roasted duck, roasted chicken, delicious fish soup, and lobsters were all available.

There were more vegetarian dishes. Roasted tomatoes, mashed potatoes, braised eggplants, smashed cucumbers, and so on.

Lin Fan even prepared a vegetable salad for the girls.

The girls ate less to begin with. Su Xiaoyu was an exception. They had to strictly control their figures.

No matter how many feasts they made, with Pang Duoduo around, they would not waste them.

“Ah ah ah, the dishes are served. They’re finally served. Just the smell alone makes me feel that today’s feast must be very delicious!” Pang Duoduo said, her eyes shining.

“It’s amazing. Roast duck, roasted chicken, lamb chops, chicken wings, how can there be everything? There’s also stinky tofu, lamb skewers, cumin powder, and chili powder. I feel like I’m eating barbecue, hahaha.” Pang Duoduo picked up half a roasted chicken and started eating.

No one could eat as much as Pang Duoduo. Even Su Xiaoyu was a foodie, but she ate more vegetables.

“Hmph, you can really eat. You can eat more than me,” Su Xiaoyu complained and picked up a drumstick.

“Xiaoyu, you’re not allowed to eat drumsticks. You’ll get fat,” Xia Wanqiu said.

Big celebrities like them had to exercise for an entire afternoon to lose weight. If she ate a chicken drumstick, how long would it take to lose the calories?

Su Xiaoyu took a bite of the drumstick and said, "Hmph, so what if I get fat? Even if I get fat, I still have to eat the drumstick. Master's drumstick is big and thick. It feels good to eat."

Xia Wanqiu nodded. "I have to exercise after dinner ~"

Su Xiaoyu nodded. "Alright ~ Then the dog will start eating first."

After a while, Su Xiaoyu looked at Xia Wanqiu eagerly. "Sister Wanqiu, didn't you say you wouldn't eat meat? You finished all the braised fish! I didn't even eat it."

Xia Wanqiu wiped her mouth with a tissue and said, "Mmm... It's fine if I get fat. Who asked Lin Fan's braised fish to be so delicious ~"

Tang Xinran's eyes widened. "Ah ~ Brother's feast is really delicious. Brother Lin Fan, can I eat a feast every day in the future?"

Lin Fan knocked Tang Xinran's head and said, "No, although you're still young, you have to pay attention to your figure. You can't eat a feast every day. If you do, you'll become fat."

Chu Yaoyao and Lin Kexin were sitting together. The two girls were silently eating a feast.

Chu Yaoyao looked at Lin Kexin and said, "Lin Fan's feast... is it really so delicious every time? This is the first time I've eaten such a delicious feast. The gravy is delicious. Even the vegetable salad stunned me."

Lin Kexin said, "That's right. If I could eat Lin Fan's feast, I would be willing to lose a month's salary. I've also eaten a feast made by a chef from a five-star hotel. In the end, it's completely different from Lin Fan's feast. The difference is too great."

Su Muqing ate her vegetable salad quietly.

She only took a small bite of the meat. Just one bite and Su Muqing felt her entire body tremble.

How could someone really make mutton taste like this...

Just one bite was enough to make people forget to return and could not stop.

She only took a bite and did not eat any more. The rest of the time, she ate the vegetable salad.

“This vegetable salad is really delicious ~” Su Muqing said softly. Her beautiful eyes looked at Lin Fan happily.

It was indeed right for her to be Lin Fan’s assistant.

Not only could she learn a lot from Lin Fan, but she could also eat such a delicious meal.

She liked noodles the most, but she didn’t know when Lin Fan would be able to give her noodles to eat.

Lin Fan’s noodles must be delicious too.

Noodles were chewy and different from rice.

She could suck the noodles with her tongue and taste the clear soup. She could swallow it in one gulp. It was simply delicious.

Knife-cut noodles, mixed sauce noodles, these noodles were all super delicious.

Su Muqing raised her beautiful eyes and looked at Lin Fan. She lowered her head and blushed.

It was said that assistants could not fall for their bosses.

But after eating Lin Fan’s dinner, she felt that she liked Lin Fan a little more.

How could there really be such an outstanding man?

Ever since she was young, she had come into contact with all sorts of family members. Whether it was the rich second-generation heirs, the big bosses, the elites who had returned from studying abroad, the

geniuses from the top two universities, or the elites of various businesses, she had come into contact with them all.

But she had never seen someone like Lin Fan.

For example, Alibaba's Boss Ma was awesome, but was Boss Ma's feast as delicious as Lin Fan's?

Some men used flowery words to conquer women's hearts.

Some men relied on their looks to conquer women's hearts.

There was no need to mention Lin Fan's looks.

Lin Fan purely relied on cooking a feast to conquer girls' hearts.

No girl who had eaten Lin Fan's feast could withstand it.

The greatest joy in life was enjoyment.

The best way to enjoy it was to eat.

Eating was something that humans had to do every day.

It would be great to have a boyfriend who could cook so well.

For some reason, Su Muqing was tempted.

She was also a little shy.

There were many people around, but no one realized that Su Muqing was blushing.

A quiet and obedient girl like her had never felt like she was in a relationship.

She was as pure as a piece of white paper. Today, she seemed to have had her first awakening of love.

Su Muqing had seen other handsome men before.

But these handsome guys couldn't compare to Lin Fan at all.

Lin Fan was really... so handsome.

...

After dinner, everyone went to the villa opposite Lin Fan to rest.

Su Xiaoyu went to train secretly while Lin Fan and Xia Wanqiu sat together watching television.

Xia Wanqiu gently leaned on Lin Fan's shoulder. The relationship was just so calm and blissful.

Leaning beside Lin Fan, Xia Wanqiu's cheeks were slightly red.

Lin Fan's hand went along the corner of the sofa and gently hugged Xia Wanqiu's slender waist.

Xia Wanqiu looked a little shy and lowered her head, but she did not refuse.

The lights were dim, and there was only the light of the television and the sound of advertisements on it.

Lin Fan looked at Xia Wanqiu.

Xia Wanqiu also looked at Lin Fan.

Their eyes met.

He hugged Xia Wanqiu's waist and looked at the girl in his arms. There was probably nothing in the world that was happier than now.

Lin Fan could feel Xia Wanqiu's heartbeat, breathing, and even the air flowing.

Xia Wanqiu smiled foolishly in Lin Fan's arms and gently closed her eyes.

At this moment, Xia Wanqiu was as beautiful and quiet as a fairy.

She was in Lin Fan's arms. Her shy look and her initiative made him tempted. She closed her eyes and placed her hands on Lin Fan's shoulders.

Such a girl was rare in the world.

Drip.

The clock chimed past midnight.

Lin Fan's kiss landed on Xia Wanqiu's red lips as they hugged each other.

Chapter 378: Su Xiaoyu, Do You Like Me?

The dim lights and noisy television could not affect Lin Fan and Xia Wanqiu.

The simple kiss lasted for more than ten seconds.

When Lin Fan let go of Xia Wanqiu, her face was already red.

Xia Wanqiu hid in Lin Fan's arms and punched his chest. She said softly, "Hmph, bully."

Holding the girl in his arms, Lin Fan felt an unprecedented sense of satisfaction.

The girl in his arms and everything she had was his.

Although she had not handed over the most important thing to him, this day would come soon.

Lin Fan hugged Xia Wanqiu and said, "Wanqiu, when are we going to see my father-in-law? It's time to go to your house and see your parents."

Xia Wanqiu said softly, "Mmm, anytime. My father has returned to Jiang City recently. My mother isn't around. It's Grandpa's birthday in a few days. We can go home together ~"

"Lin Fan, I also want to see my future in-laws," Xia Wanqiu looked at Lin Fan seriously and said.

If a couple wanted to get married and could obtain the approval of their parents, they would be even happier.

After all, no one wanted to have a conflict with their family because of their relationship.

Lin Fan smiled and said, "Since you've already called me mother-in-law and father-in-law, you've already tacitly agreed to marry me."

Xia Wanqiu stuck out her tongue. "Is it too late to run now?"

Lin Fan held Xia Wanqiu's hand and kissed her lips again.

This time, it was very domineering.

Lin Fan looked into Xia Wanqiu's eyes and said, "You're my woman. You'll forever belong to me. I won't allow you to run away."

Xia Wanqiu smiled sweetly and looked at Lin Fan with her beautiful eyes. "Then... what about Xiaoyu?"

"Xiaoyu likes you too," Xia Wanqiu said.

"She doesn't like me. She probably just relies on me like a brother," said Lin Fan with a smile.

"Is that so? Then what if she really likes you? She won't marry anyone but you in this lifetime. After all, she's my sister." Xia Wanqiu sighed softly. She knew what kind of girl Su Xiaoyu was. If she liked someone, she would probably decide to wait for them forever.

“I’ll always treat her as my good sister.”

“Also... I already have a girlfriend,” said Lin Fan as he held Xia Wanqiu’s hand.

Lin Fan had already thought it through. If his life was a novel, it would definitely be a novel written by a single female author.

He and Xia Wanqiu had known each other since junior high. It could be said that they were childhood sweethearts. They had walked all the way to today and were finally together.

There were indeed many outstanding girls in the world, but if Lin Fan had to choose, he would already choose Xia Wanqiu.

Furthermore, Lin Fan had never considered the fact that Su Xiaoyu would like him.

Su Xiaoyu was such an outstanding girl in terms of ability. Lin Fan simply felt that such an impressive person like Su Xiaoyu wouldn’t like him.

Even if Xia Wanqiu said this, Lin Fan wouldn’t believe it.

What if she just wanted to test him?

Whether she liked him or not, Lin Fan would only believe it if the person involved personally said it.

Su Xiaoyu had never told him or even hinted to him that she liked him.

Not once.

This was Su Xiaoyu.

Lin Fan smiled and said, “Even if Su Xiaoyu really likes me, she never said so. Therefore, she doesn’t like me. She’s so outstanding, how can she like an ordinary person like me? No matter how hard I work, I can’t compare to Su Xiaoyu. She’s a girl who can become the richest person in the world.”

Hearing Lin Fan say that, Xia Wanqiu was still a little conflicted.

Lin Fan was really a big idiot.

It was because Su Xiaoyu was a very good girl that she wouldn't do anything to hint that she liked Lin Fan.

She knew that Lin Fan already had a girlfriend. How could she deliberately do that to him?

Xia Wanqiu raised her beautiful eyes and looked at the scenery outside.

She only had one sister, and she felt that she had always owed Su Xiaoyu.

Su Xiaoyu's father was the richest man in the world. 70% of the reason why he could be the richest man in the world was because of Su Xiaoyu.

Su Xiaoyu had never felt motherly love.

She had a mother, but she had no motherly love.

The current Su Xiaoyu looked carefree every day, but who knew where the real Su Xiaoyu was?

She could be a big star in China, sweet or salty.

She was also a genius girl in the world, a girl with a Ph.D. certificate at Harvard University, a business elite, and the right-hand woman of the world's richest man.

She could also be a carefree foodie.

Which one was the real Su Xiaoyu?

Others did not know what Su Xiaoyu was like, but Xia Wanqiu did.

The day Su Xiaoyu's father became the richest man in the world, everyone was happy for him.

As for Su Xiaoyu, she walked alone in the rain and hid in a corner, crying like a silly girl.

Her mother had said that if she could help her father become the richest man in the world, her mother would come to see her.

She did it.

But her mother still did not come.

Although Su Xiaoyu had a mother, she was like a motherless child.

The genius girl who was shining brightly among the elites of the world, Su Xiaoyu, also looked like she was crying in the rain.

From that day on, Su Xiaoyu changed. The former business genius Su Xiaoyu disappeared and became a cute dog and a superstar.

Xia Wanqiu would always feel indebted to Su Xiaoyu. It was she who did not take good care of her sister.

That day, she asked Su Xiaoyu if she liked Lin Fan.

Su Xiaoyu said that she did not like it.

If Su Xiaoyu said that she liked it, she might give in.

Xia Wanqiu did not know what she should do now.

It was just that... with Lin Fan by her side, she felt so happy.

Lin Fan gently patted Xia Wanqiu's head and said, "It's getting late. Rest."

Xia Wanqiu nodded gently. "I'm going to sleep. Good night."

Lin Fan: "Good night."

After Xia Wanqiu entered the room, Lin Fan saw Su Xiaoyu, who had just returned.

Su Xiaoyu was wearing a bathrobe. After exercising, she took a shower.

Her hair was still wet, and water droplets were dripping down her snow-white slender calves.

She, who already had a good figure, was wrapped in a bathrobe, revealing her perfect figure. Her exquisite collarbone and snow-white calves were enough to make any man's heart flutter.

"Master ~" Su Xiaoyu looked at Lin Fan and smiled in surprise.

"Xiaoyu, let me ask you a question," Lin Fan said seriously. He walked in front of Su Xiaoyu and looked at the girl in front of him. He was a little conflicted. Did Su Xiaoyu like him?

If Su Xiaoyu really liked him...

What should he do?

His relationship with Su Xiaoyu was already very good. Without Su Xiaoyu, Lin Fan wouldn't have reached where he was today.

Su Xiaoyu wrapped herself in a bathrobe and blinked her beautiful eyes. "Master, if there's anything, ask tomorrow ~ I'm wrapped in a bathrobe now and I'm not wearing anything inside."

Lin Fan didn't back down.

He had to ask.

This question had been in Lin Fan's heart for a long time.

If it was true, what should he do?

Lin Fan felt that Su Xiaoyu didn't like him.

At least when he was with Su Xiaoyu, he could not see any flaws.

Lin Fan also interacted with other girls, such as Lin Qianwei, Su Muqing, Lin Kexin, and Chu Yaoyao. They were all very normal.

At this moment, someone told Lin Fan that two of the girls liked him.

Lin Fan couldn't tell which girls they were.

Even if she wanted to like him, she had to give him some hints.

There was no ambiguity at all. How could he like her?

Su Xiaoyu looked at Lin Fan's serious expression and her beautiful eyes darted around nervously.

Lin Fan asked seriously, "I've always wanted to clarify a question. We're very good friends. Now that there's no one else around us, I just want to ask you a question. You have to answer me seriously."

"Su Xiaoyu, do you like me?"

Su Xiaoyu looked at Lin Fan with her beautiful eyes and blushed. "Aiya, is Master going to confess? I'm not ready yet. If he wants to confess, won't Sister Wanqiu be angry?"

Lin Fan asked again, "This question is very important."

Su Xiaoyu raised her beautiful eyes. The cute dog look from before was completely gone as if it was the same as when she came out of the casino.

She was very serious and her expression was no longer as joking as before. Her voice also became gentle. "Do I have to answer?"

Lin Fan: "You have to answer."

"I'll ask again. Su Xiaoyu, do you like me?"

Su Xiaoyu raised her beautiful eyes and looked at Lin Fan.

This time, she was very serious.

Su Xiaoyu smiled lightly like she was bathing in the spring breeze, exactly the same as when she was in the wind.

Quiet and beautiful. In this state, she was even more beautiful than Su Muqing.

The pure and flawless Su Xiaoyu was wearing a white dress. The breeze blew past the corners of her dress and her cheeks.

Although Su Xiaoyu was wrapped in a bathrobe, her aura was still the same as before.

The business elite, genius girl, Su Xiaoyu.

Su Xiaoyu did not hesitate and spoke.

"I..."

Chapter 379: I'm Sorry

The surroundings were dim and there was only Lin Fan and Su Xiaoyu.

If not for Xia Wanqiu, it might have been a beautiful love story.

Su Xiaoyu said that she liked him and hugged him.

Sweet and wonderful life should be like this.

But reality was often not like that.

Lin Fan was waiting for Su Xiaoyu's answer.

He wanted to see Su Xiaoyu's attitude.

There were some things that she had to say personally. Hearing was believing.

Su Xiaoyu raised her beautiful eyes and looked at Lin Fan with a smile. "Lin Fan, I think you might have misunderstood."

"If you really want to know, I'm sorry. I don't like you."

Looking at the serious Su Xiaoyu, Lin Fan felt relieved after saying this.

For some reason, he felt a little disappointed.

However, such an answer was also the most perfect answer.

Lin Fan smiled. "Mmm, I understand. That's good."

Su Xiaoyu smiled sweetly. "Master, but I like the feast you make ~ ~ Don't chase me away, okay? You can't not give the dog a feast just because she refuses to confess to you. Otherwise, the dog will bite you."

Lin Fan nodded. "Alright, you can always stay here. As long as Wanqiu has no objections."

"Xiaoyu, rest early."

After saying that, Lin Fan turned around and returned to his room.

He also received Su Xiaoyu's answer.

Su Xiaoyu told him with certainty that she did not like him.

Indeed, her relationship with Su Xiaoyu was no different from that of big celebrities like Lin Kexin and Chu Yaoyao.

After all, Su Xiaoyu was so outstanding. How could she like a very ordinary her?

After Lin Fan left, Su Xiaoyu's forced expression quickly turned discouraged.

A hint of sadness flashed across her beautiful eyes as tears fell.

She jogged into her room and closed the door.

Lightning flashed and thunder rumbled outside. It was raining again.

The rain would always be so annoying.

Su Xiaoyu curled up in the corner and covered herself with the blanket. Her tears fell silently.

She was so smart. How could anything hide from her?

Why did Lin Fan ask her this question?

Because Lin Fan wanted to draw a line between them.

It was impossible for him to make things clear to her.

It was because Su Xiaoyu could tell this that she didn't give Lin Fan a chance to reject her.

She didn't want to fall out with him.

If she said the true answer in her heart, she knew that Lin Fan would reject her.

It was just that... she did not want to face this reality.

She rejected Lin Fan and cut off all hope between them.

Su Xiaoyu took out a photo from her bag. It was a photo of her and Lin Fan.

"Who said... I don't like you?"

"I like you, but... we didn't meet sooner."

"If only we had met each other earlier. Then I could have wooed you and accompanied you. We could have worked hard together and studied together. How blissful would that have been?"

"Lin Fan, you have a girlfriend now. No matter how much I like you, I can't do anything to let my sister down."

"Lin Fan, I wish you happiness."

After Su Xiaoyu finished speaking, she fell asleep quietly.

She curled up in bed, feeling a little cold.

When there was thunder, she would curl up into a ball.

In her arms was a doll that gave her a bit of relief.

Autumn had arrived.

So the weather could be so cold.

...

After knowing that Su Xiaoyu did not like him, other than feeling a little unhappy,

Lin Fan finally felt relieved.

In that case, he did not have to worry about how to make a choice.

With Xia Wanqiu around, that was enough.

Just as Lin Fan was about to sleep, the system's voice sounded.

"Ding... upgrading system."

"The system has already been upgraded to V3.0. You can sign in once a month. (99.99% chance of signing in for top-grade treasures). For example, ten villas, billions worth of company shares, hundreds of billions worth of artificial islands, and so on."

"The system promises that there is a 99.99% chance of a top-grade item appearing. If you sign in, your gains will be no less than a billion yuan."

"Master, do you want to sign in?"

The system's voice rang out and Lin Fan's body trembled.

Damn!

He had not signed in for the past few months and had originally planned to save it. However, the system had upgraded.

"System, how about the sign-in I saved for a few months?" Lin Fan asked.

System: "It's all invalid. The system has been upgraded to 3.0. It's a brand new experience. Master, do you want to sign in now?"

Lin Fan was helpless. "Sign in."

Anyway, the system had been upgraded to 3.0, so the things he received would definitely be better.

It was very useful to be able to receive at least a billion yuan in assets or some special skills in one go.

For example, if the mature self-driving technology from last time was widely used, it could even change an era.

This time, there was a 99.99% chance that something good would appear!

"Ding... Signed in successfully."

"Congratulations Master for signing in for a priceless treasure!"

When he heard the system's voice, Lin Fan immediately stood up excitedly.

A priceless treasure. Could it be that the best thing had been obtained?

Was he about to live the life of the richest man in the world?

Anything was possible.

The system said leisurely, "Congratulations Master for obtaining a box of mineral water and a large bottle of air."

Lin Fan: "???"

Dog system!

Forget about the mineral water. Lin Fan had received a lot of mineral water previously.

This time, the system had been upgraded from a bottle of mineral water to a box of mineral water?

That was fine, but Lin Fan could tolerate it.

What the f*ck... did a big bottle of air mean?

Lin Fan: "System, is this the priceless treasure you mentioned?"

System: "Air is naturally a priceless treasure. Humans can't survive without air. Water is also a priceless treasure. Because it's simple and cheap, it's priceless."

Lin Fan: "..."

Damn it, if he didn't have to rely on this system to sign in,

Lin Fan had the urge to smash the system.

There was a monthly chance to sign in with a drop rate of 99.99%. In the end, he received a box of mineral water and a bottle of air.

Lin Fan: "System, are you messing with me on purpose?"

The system said, "The system will definitely not scam you. There's a certain probability of drawing a prize. As long as it's not a 100% chance of drawing a prize, anything is possible. Perhaps you were too unlucky to draw these things."

Lin Fan: "So my luck is too bad."

System: "In view of your bad luck, I hereby gift you a lottery ticket. Please draw."

Lin Fan: "Let's draw. If I don't get something good this time, I'll smash the system on the spot."

System: "You can't hit me."

Lin Fan: "Alright, you win."

System: "Congratulations Master for winning the lottery and obtaining the Eye of Wisdom!"

"Note: The Eye of Wisdom can check any woman's favorability towards you. Whenever the host earns a billion yuan, you can use the Eye of Wisdom once."
